MESSAGES FROM THE SENATE

A message from the Senate by
Ms. Rock, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the Governor's specific recommendations for change to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 2544

A bill for AN ACT concerning insurance.

I am further directed to transmit to the House of Representatives the following copy of the Governor's specific recommendations for change to the Senate:

Passed by the Senate, November 16, 2010, by a three-fifths vote.

Jillayne Rock, Secretary of the Senate

July 20, 2010

To the Honorable Members of the Illinois Senate,
96th General Assembly:

In accordance with Article IV, Section 9(e) of the Illinois Constitution, I hereby return Senate Bill 2544 with a specific recommendation for change.

This legislation would allow Illinois to join the Interstate Insurance Product Regulation Compact to ensure uniformity of group annuity, life insurance, disability income and long-term care insurance product approval standards. I understand the Compact is aimed at raising standards for consumers and improving the efficiency of insurance product review, and I commend the sponsors for their hard work on behalf of the citizens of Illinois.

Senate Bill 2544 will require the State to expend significant resources and time to adopt the Compact immediately upon signing. Implementing Senate Bill 2544 immediately is too burdensome given this period of unprecedented financial strain. Immediate implementation would result in the unnecessary shift of personnel and other Department resources from federal law compliance efforts, including health insurance reform. Such shift of personnel and resources would be detrimental to employers and families who purchase health insurance in Illinois, and to the industry that sells insurance. For that reason, I recommend delaying the effective date.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 2544, entitled "AN ACT concerning insurance." with the following specific recommendation for change:

On page 34, by replacing lines 23 and 24 with "Section 99. Effective date. This Act takes effect on July 1, 2011."

With this change, Senate Bill 2544 will have my approval. I respectfully request your concurrence.

Sincerely,
s/Pat Quinn
Governor

A message from the Senate by

Ms. Rock, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the veto of the Governor to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 2635

A bill for AN ACT concerning professional regulation.

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, November 17, 2010, by a three-fifths vote.

Jillayne Rock, Secretary of the Senate

July 23, 2010

To the Honorable Members of the Illinois Senate,
96th General Assembly:

In accordance with Article IV, Section 9(b) of the Illinois Constitution, I hereby veto Senate Bill 2635.

According to a June report submitted to the United States Congress by the bipartisan Medicare Payment Advisory Commission, the growth of self-referral for ancillary services in physicians' offices amplifies incentives to increase volume. Under fee-for service reimbursement plans, this increases the overall cost of health care for patients. In short, citizens will pay more for health care services.

As Governor, I am committed to protecting affordable and accessible health care for the people of Illinois. The bill before me today does not go far enough to protect patient choice, restrict fee-splitting practices, and limit self-referrals within the health care industry. Senate Bill 2635 also incents medical professionals to increase the volume of services provided. There is broad consensus among health policy analysts and economists that in order to restrain the explosion in our nation's healthcare expenditures, we must eliminate incentives which drive volume of services. I cannot approve a measure that promises to raise health care costs in Illinois.

Therefore, pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby return Senate Bill 2635, entitled "AN ACT concerning professional regulation." vetoed in its entirety with this statement of objections.

Sincerely,
s/Pat Quinn
Governor

HOUSE BILL ON SECOND READING

HOUSE BILL 1365. Having been read by title a second time on November 17, 2010, and held on the order of Second Reading, the same was again taken up.

Representative Currie offered the following amendment and moved its adoption.

AMENDMENT NO. 1. Amend House Bill 1365 by replacing everything after the enacting clause with the following:

"Section 5. The Department of Central Management Services Law of the Civil Administrative Code of Illinois is amended by changing Section 405-105 as follows:

(20 ILCS 405/405-105) (was 20 ILCS 405/64.1)

Sec. 405-105. Fidelity, surety, property, and casualty insurance. The Department shall establish and implement a program to coordinate the handling of all fidelity, surety, property, and casualty insurance exposures of the State and the departments, divisions, agencies, branches, and universities of the State. In performing this responsibility, the Department shall have the power and duty to do the following:

- (1) Develop and maintain loss and exposure data on all State property.
- (2) Study the feasibility of establishing a self-insurance plan for State property and prepare estimates of the costs of reinsurance for risks beyond the realistic limits of the self-insurance.
- (3) Prepare a plan for centralizing the purchase of property and casualty insurance on State property under a master policy or policies and purchase the insurance contracted for as provided in the Illinois Purchasing Act.
- (4) Evaluate existing provisions for fidelity bonds required of State employees and recommend changes that are appropriate commensurate with risk experience and the determinations respecting self-insurance or reinsurance so as to permit reduction of costs without loss of coverage.
- (5) Investigate procedures for inclusion of school districts, public community college districts, and other units of local government in programs for the centralized purchase of insurance.
- (6) Implement recommendations of the State Property Insurance Study Commission that the Department finds necessary or desirable in the performance of its powers and duties under this Section to achieve efficient and comprehensive risk management.
- (7) Prepare and, ~~in the discretion of the Director,~~ implement a plan in writing providing for the purchase of public liability insurance or for self-insurance for public liability or for a combination of purchased insurance and self-insurance for public liability (i) covering the State and drivers of motor vehicles owned, leased, or controlled by the State of Illinois pursuant to the provisions and limitations contained in the Illinois Vehicle Code, (ii) covering other public liability exposures of the State and its employees within the scope of their employment, and (iii) covering drivers of motor vehicles not owned, leased, or controlled by the State but used by a State employee on State business, in excess of liability covered by an insurance policy obtained by the owner of the motor vehicle or in excess of the dollar amounts that the Department shall determine to be reasonable. Any contract of insurance let under this Law shall be by bid in accordance with the procedure set forth in the Illinois Purchasing Act. Any provisions for self-insurance shall conform to subdivision (11).

The term "employee" as used in this subdivision (7) and in subdivision (11) means a person while in the employ of the State who is a member of the staff or personnel of a State agency, bureau, board, commission, committee, department, university, or college or who is a State officer, elected official, commissioner, member of or ex officio member of a State agency, bureau, board, commission, committee, department, university, or college, or a member of the National Guard while on active duty pursuant to orders of the Governor of the State of Illinois, or any other person while using a licensed motor vehicle owned, leased, or controlled by the State of Illinois with the authorization of the State of Illinois, provided the actual use of the motor vehicle is within the scope of that authorization and within the course of State service.

Subsequent to payment of a claim on behalf of an employee pursuant to this Section and after reasonable advance written notice to the employee, the Director may exclude the employee from future coverage or limit the coverage under the plan if (i) the Director determines that the claim resulted from an incident in which the employee was grossly negligent or had engaged in willful and wanton misconduct or (ii) the Director determines that the employee is no longer an acceptable risk based on a review of prior accidents in which the employee was at fault and for which payments were made pursuant to this Section.

The Director is authorized to promulgate administrative rules that may be necessary to establish and administer the plan.

Appropriations from the Road Fund shall be used to pay auto liability claims and related expenses involving employees of the Department of Transportation, the Illinois State Police, and the Secretary of State.

- (8) Charge, collect, and receive from all other agencies of the State government fees or monies equivalent to the cost of purchasing the insurance.
- (9) Establish, through the Director, charges for risk management services rendered to

State agencies by the Department. The State agencies so charged shall reimburse the Department by vouchers drawn against their respective appropriations. The reimbursement shall be determined by the Director as amounts sufficient to reimburse the Department for expenditures incurred in rendering the service.

The Department shall charge the employing State agency or university for workers' compensation payments for temporary total disability paid to any employee after the employee has received temporary total disability payments for 120 days if the employee's treating physician has issued a release to return to work with restrictions and the employee is able to perform modified duty work but the employing State agency or university does not return the employee to work at modified duty. Modified duty shall be duties assigned that may or may not be delineated as part of the duties regularly performed by the employee. Modified duties shall be assigned within the prescribed restrictions established by the treating physician and the physician who performed the independent medical examination. The amount of all reimbursements shall be deposited into the Workers' Compensation Revolving Fund which is hereby created as a revolving fund in the State treasury. In addition to any other purpose authorized by law, moneys in the Fund shall be used, subject to appropriation, to pay these or other temporary total disability claims of employees of State agencies and universities.

Beginning with fiscal year 1996, all amounts recovered by the Department through subrogation in workers' compensation and workers' occupational disease cases shall be deposited into the Workers' Compensation Revolving Fund created under this subdivision (9).

(10) Establish rules, procedures, and forms to be used by State agencies in the administration and payment of workers' compensation claims. The Department shall initially evaluate and determine the compensability of any injury that is the subject of a workers' compensation claim and provide for the administration and payment of such a claim for all State agencies. The Director may delegate to any agency with the agreement of the agency head the responsibility for evaluation, administration, and payment of that agency's claims.

(11) Any plan for public liability self-insurance implemented under this Section and extended to the General Assembly, its legislative district offices, and its members and employees pursuant to subdivision (15) of this Section shall

provide that (i) the Department shall attempt to settle and may settle any public liability claim filed against the State of Illinois or any public liability claim filed against a State employee on the basis of an occurrence in the course of the employee's State employment; (ii) any settlement of such a claim is not subject to fiscal year limitations and must be approved by the Director and, in cases of settlements exceeding \$100,000, by the Governor; and (iii) a settlement of any public liability claim against the State or a State employee shall require an unqualified release of any right of action against the State and the employee for acts within the scope of the employee's employment giving rise to the claim.

Whenever and to the extent that a State employee operates a motor vehicle or engages in other activity covered by self-insurance under this Section, the State of Illinois shall defend, indemnify, and hold harmless the employee against any claim in tort filed against the employee for acts or omissions within the scope of the employee's employment in any proper judicial forum and not settled pursuant to this subdivision (11), provided that this obligation of the State of Illinois shall not exceed a maximum liability of \$2,000,000 for any single occurrence in connection with the operation of a motor vehicle or \$100,000 per person per occurrence for any other single occurrence, or \$500,000 for any single occurrence in connection with the provision of medical care by a licensed physician employee.

Any claims against the State of Illinois under a self-insurance plan that are not settled pursuant to this subdivision (11) shall be heard and determined by the Court of Claims and may not be filed or adjudicated in any other forum. The Attorney General of the State of Illinois or the Attorney General's designee shall be the attorney with respect to all public liability self-insurance claims that are not settled pursuant to this subdivision (11) and therefore result in litigation. The payment of any award of the Court of Claims entered against the State relating to any public liability self-insurance claim shall act as a release against any State employee involved in the occurrence.

(12) Administer a plan the purpose of which is to make payments on final settlements or final judgments in accordance with the State Employee Indemnification Act. The plan shall be funded through appropriations from the General Revenue Fund specifically designated for that purpose, except that indemnification expenses for employees of the Department of Transportation, the Illinois State Police, and the Secretary of State shall be paid from the Road Fund. The term "employee" as used in this subdivision (12) has the same meaning as under subsection (b) of Section 1 of the State Employee Indemnification Act. Subject to sufficient appropriation, the Director shall approve payment of any

claim, without regard to fiscal year limitations, presented to the Director that is supported by a final settlement or final judgment when the Attorney General and the chief officer of the public body against whose employee the claim or cause of action is asserted certify to the Director that the claim is in accordance with the State Employee Indemnification Act and that they approve of the payment. In no event shall an amount in excess of \$150,000 be paid from this plan to or for the benefit of any claimant.

(13) Administer a plan the purpose of which is to make payments on final settlements or final judgments for employee wage claims in situations where there was an appropriation relevant to the wage claim, the fiscal year and lapse period have expired, and sufficient funds were available to pay the claim. The plan shall be funded through appropriations from the General Revenue Fund specifically designated for that purpose.

Subject to sufficient appropriation, the Director is authorized to pay any wage claim presented to the Director that is supported by a final settlement or final judgment when the chief officer of the State agency employing the claimant certifies to the Director that the claim is a valid wage claim and that the fiscal year and lapse period have expired. Payment for claims that are properly submitted and certified as valid by the Director shall include interest accrued at the rate of 7% per annum from the forty-fifth day after the claims are received by the Department or 45 days from the date on which the amount of payment is agreed upon, whichever is later, until the date the claims are submitted to the Comptroller for payment. When the Attorney General has filed an appearance in any proceeding concerning a wage claim settlement or judgment, the Attorney General shall certify to the Director that the wage claim is valid before any payment is made. In no event shall an amount in excess of \$150,000 be paid from this plan to or for the benefit of any claimant.

Nothing in Public Act 84-961 shall be construed to affect in any manner the jurisdiction of the Court of Claims concerning wage claims made against the State of Illinois.

(14) Prepare and, in the discretion of the Director, implement a program for self-insurance for official fidelity and surety bonds for officers and employees as authorized by the Official Bond Act.

(15) By February 1, 2011, extend to the General Assembly, its legislative district offices, and its members and employees within the scope of their service or employment the State's existing plan for public liability and property self-insurance established and administered by the Department pursuant to subdivision (7) of this Section and, upon request, promptly issue certificates demonstrating such coverage. For purposes of this subdivision (15), "employee" means any person employed full-time, part-time, or pursuant to a contract. In no event shall this subdivision (15) be administered in a manner that would extend coverage (i) to property in which political activity is conducted or (ii) to members or employees engaged in political activity.

(16) By February 1, 2011, recommend a plan to be administered by the General Assembly providing for the purchase of insurance or for self-insurance or for a combination of purchased insurance and self-insurance (i) covering all foreseeable public liability and property exposures (including fire and casualty) of the General Assembly, its legislative district offices, and its members and employees acting within the scope of their service or employment not otherwise covered by the extension of the State's plan pursuant to subdivision (15) of this Section, (ii) covering drivers of motor vehicles owned, leased, or controlled by the General Assembly, provided that such drivers are acting within the scope of their service or employment, and (iii) covering drivers of motor vehicles not owned, leased, or controlled by the General Assembly but used by the General Assembly, provided that such drivers are acting within the scope of their service or employment. For purposes of this subdivision (16), "employee" means any person employed full-time, part-time, or pursuant to a contract.
