WHEREAS, Children's interstitial lung disease includes a group of rare life-threatening lung diseases in children that may lead to progressive, incurable lung scarring or life-long lung problems; and

WHEREAS, Certain children's interstitial lung diseases can progress quickly, often causing disability or death within the first two years of life; and

WHEREAS, Children's interstitial lung disease is one of the leading causes of lung transplantation in children, due to scarring and an irreversible loss of the lung tissue's ability to transport oxygen; and

WHEREAS, Children's interstitial lung disease is not the same as adult interstitial lung disease; and

WHEREAS, Children's interstitial lung diseases are caused by poorly understood genetic abnormalities that affect families, producing infection, bleeding in the lungs, autoimmune diseases, or abnormal lung development; and

WHEREAS, Children's interstitial lung diseases are often mis-diagnosed or under-diagnosed; and

WHEREAS, There is no proven cure or treatment for children's interstitial lung diseases; and

WHEREAS, Limited funding is available for these rare lung problems in children; and

WHEREAS, A need has been identified to increase research funding, awareness, and detection of these mis-diagnosed and under-diagnosed disorders, as well as all incarnations of children's interstitial lung disease; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize the need to pursue research into the causes, a treatment, and an eventual cure for children's interstitial lung disease; and be it further

RESOLVED, That we support the work of advocates and organizations in educating, supporting, and providing hope for individuals who suffer from children's interstitial lung disease; and be it further

RESOLVED, That we congratulate advocates and organizations for their efforts to educate the public about children's interstitial lung disease, while funding research to help find a cure for this disorder; and be it further

RESOLVED, That we designate the first week of May as Children's Interstitial Lung Disease Awareness Week in the State of Illinois.

HOUSE RESOLUTION 284

Offered by Representative Lang:

WHEREAS, The State of Illinois recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great nation was founded; and

WHEREAS, These ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noahide Laws; and

WHEREAS, In order to secure a bright future for America, we must instill in our children a love of learning as well as a spirit of compassion, two of our nation's most cherished and enduring values; and

WHEREAS, The Lubavitch-Chabad movement has fostered and promoted these ethical values and principles in more than 3,000 communities around the world, and through the educational and social service programs of their 32 centers in Illinois; and

WHEREAS, The importance of education and kindness was promoted in the teachings and programs of Rabbi Menachem Mendel Schneerson, the Lubavitcher Rebbe of righteous memory, by inspiring countless individuals to uphold these values in their own lives and communities; and

WHEREAS, Rabbi Menachem Mendel Schneerson is universally respected and revered for his concern for all humanity; and the nineteenth anniversary of his passing falls on July 5, 2011; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that July 5, 2011, the nineteenth anniversary of the passing of Rabbi Menachem Mendel Schneerson, the Lubavitcher Rebbe, be designated as "Education and Sharing Day" in the State of Illinois; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Lubavitch-Chabad movement as a symbol of our respect and esteem.

HOUSE RESOLUTION 285

Offered by Representative Lilly:

WHEREAS, State agencies play a vital role in providing services to those in need; and

WHEREAS, Many residents are unaware of the services that may be available to them or are unable to access those services; and

WHEREAS, Information about State services should be widely available and easy to access; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge each State agency to review its methods of disseminating information to the public about State services and to implement more efficient practices of providing that information where possible; and be it further

RESOLVED, That a suitable copy of this resolution be presented to each director of a State agency under the direction and control of the Governor.

HOUSE RESOLUTION 286

Offered by Representative Flowers:

WHEREAS, Due to federal health care reform, an integrated care pilot program in Northern Illinois, and statewide Medicaid reform, a managed care approach to providing Medicaid coverage is no longer up for debate making Medicaid managed care a reality in Illinois; and

WHEREAS, Managed care has proven a sometimes inefficient provider of health care coverage especially for long-term care and those individuals - typically the elderly or people with disabilities - receiving it; and

WHEREAS, Illinois' pilot program and the recent Medicaid reform law make it mandatory for managed care to provide the services expected in a long-term care setting, which is a potentially risky scenario for those receiving these kinds of services; and

WHEREAS, A number of other states have discontinued managed care for people with disabilities and the elderly, including California which found it more cost-effective not to utilize managed care after an extensive overhaul of the state's health care program; and

WHEREAS, Illinois is setting forth on this venture with two for-profit managed care organizations under contract, while not exploring other entities to provide quality care, such as not-for-profit organizations; and

WHEREAS, The Institute on Disability and Human Development at the University of Illinois at Chicago (UIC) is overseeing the consumer satisfaction levels and the managed care organizations' competency for the test population in the pilot program; nonetheless, only an estimated 40,000 individuals with disabilities are in the pilot program area and targeted to receive services; as Illinois Medicaid reform and federal health care reform become the norm for Medicaid recipients in this State, a conservative estimate is that 2.4 million people currently receive Medicaid, and approximately 1.2 million people - or 50% of the Medicaid population - under that program will move into a managed care system, as mandated by the Illinois Medicaid reform law; this increased number will not receive monitoring from UIC and, possibly, will not receive the adequate follow-up, thereby, leaving them more susceptible to fraudulent practices, abuse, neglect, and insufficient care through providers and the managed care organizations; as Illinois moves toward transitioning 50% of the Medicaid population to a managed care system, as with the pilot program, no other plans except those involving for-profit managed care organizations are presently receiving serious discussion; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that there is created in the Department of Healthcare and Family Services the Medicaid Managed Care Oversight Task Force to monitor how Illinois approaches and manages a new form of health care delivery system based on a managed care model, particularly for people with disabilities and the elderly; and be it further

RESOLVED, That all members of the Task Force shall be appointed by the Governor and shall serve without compensation; the Department of Healthcare and Family Services shall facilitate the Task Force and provide the Task Force with administrative support, but shall have no hand in guiding its direction or ascertaining its results; the Task Force shall meet quarterly and report on its findings to the General Assembly and its appropriate committees; reports from the Task Force shall indicate (i) whether individuals within the pilot program and the intended 50% of Medicaid recipients transitioned into managed care are satisfied with their health outcomes, can access all necessary forms of medical care, and received all necessary information from the State and the Department regarding the changes to their health care delivery system; and (ii) any other satisfaction indicators deemed applicable by the Task Force, especially with the knowledge of how UIC conducted satisfaction surveys; the Task Force's life span shall continue until January 1, 2017, unless the General Assembly deems a longer tenure necessary, as that date would mark the two-year anniversary of the transition of Medicaid enrollees into managed care programs, as mandated by the newly enacted Medicaid reform law in Illinois; and be it further

RESOLVED, That upon receiving reports from the Task Force, the General Assembly and all appropriate committees therein must take the necessary steps to ensure all individuals receiving health care through a managed care delivery system are satisfied with that care and are not receiving worse care as a result; if the General Assembly finds negative outcomes per reports from the Task Force, it should amend the process by which managed care is put to use for Medicaid recipients, especially for people with disabilities and the elderly, and further, if the reports are positive or neutral, the General Assembly should decide whether to continue monitoring the program for a set period to ensure that all recipients receive the best quality health care available to them under a managed care process; and be it further

RESOLVED, That as changes to health care delivery improve or changes come to pass based on new laws passed by the State or federal government, the General Assembly must decide if continuing the use of the managed care approach is the most appropriate, cost-effective, and beneficial means in providing health care to Medicaid recipients in Illinois; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor and to the Director of the Department of Healthcare and Family Services.

HOUSE JOINT RESOLUTION 29

Offered by Representative Dunkin:

WHEREAS, Public transportation serves an important role in meeting the transportation needs of many State citizens; and

WHEREAS, The State may benefit from the consolidation of the mass transit services provided by the Regional Transportation Authority, the Commuter Rail Board, the Suburban Bus Board, and the Chicago Transit Authority; the consolidation of mass transit services may provide citizens with a more effective and cost efficient means of public transportation; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the Mass Transit Consolidation Commission is created for the purpose of researching and discussing whether the Regional Transportation Authority, the Commuter Rail Board, the Suburban Bus Board, and the Chicago Transit Authority should be consolidated under one governmental structure; and be it further

RESOLVED, That the Commission shall be composed of 16 voting members as follows:

RESOLVED, That the Governor of the State of Illinois shall appoint one non-voting member to serve as the chair of the Commission; and be it further

RESOLVED, That a person appointed as a public member of the Commission must have expertise and experience in the area of public transportation; and be it further

RESOLVED, That a member of the Commission is not entitled to compensation but is entitled to reimbursement for the travel expenses incurred by the member while transacting Commission business; and be it further

RESOLVED, That the Commission shall meet at least monthly at the times and places that the chair designates; and be it further

RESOLVED, That a majority of the members of the Commission constitute a quorum for transacting Commission business; and be it further

RESOLVED, That the Commission shall prepare and issue a report to the Governor and the General Assembly by July 1, 2012, setting forth the findings and conclusions of the Commission concerning whether viable and sustainable transit service can be provided for the northeast region of the State; and be it further

RESOLVED, That the report must include an outline of the Commission's meetings and any recommendations for legislation that may be necessary to implement the consolidation of mass transit services if the Commission finds that consolidation is necessary; and be it further

RESOLVED, That the Commission must hold at least one public hearing in each of the counties served by the Regional Transportation Authority, the Commuter Rail Board, the Suburban Bus Board, and the Chicago Transit Authority in order to receive public input concerning the consolidation of mass transit services; and be it further

RESOLVED, That the Illinois Department of Transportation shall provide administrative and other support to the Commission.
