Passed by the Senate, October 26, 2011, by a three-fifths vote.

Jillayne Rock, Secretary of the Senate

August 26, 2011

To the Honorable Members of the
Illinois Senate
97th General Assembly

This legislation alters the way that financial incentives are provided to conventions and trade shows at McCormick Place or the Donald E. Stephens Convention Center in Rosemont.

Currently, the organizations that operate these facilities work with the Department of Commerce and Economic Opportunity in creating the incentive packages that would be provided to a convention or trade show. The costs of the incentive package are reimbursed by the State of Illinois and the State subjects the packages to rigorous oversight.

The bill before me replaces this system with one where the convention centers are not reimbursed, but instead receive the money up-front, without oversight. The legislation also contains provisions that make it difficult to ensure that there is any accountability in the award of these incentives. While I remain committed to attracting convention and tourism business to Illinois, I simply cannot affix my signature to any plan that uses millions of taxpayer dollars for private purposes without appropriate oversight and accountability standards.

Therefore, pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I return Senate Bill 1918, entitled "AN ACT concerning State government.", with the foregoing objections, vetoed in its entirety.

Sincerely,

PAT QUINN
Governor

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the Governor's specific recommendations for change to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 2062

A bill for AN ACT concerning regulation.

I am further directed to transmit to the House of Representatives the following copy of the Governor's specific recommendations for change to the Senate:

Jillayne Rock, Secretary of the Senate

August 26, 2011

To the Honorable Members of the
Illinois Senate
97th General Assembly

I hereby return Senate Bill 2062 with specific recommendations for change.

I commend the sponsors for their hard work on this bill. My administration is strongly committed to bringing the FutureGen project to Illinois. We have been working closely with the FutureGen Alliance and federal and local partners to see that this near-zero emissions, state-of-the-art plant is developed in Illinois. Our investment in FutureGen will help bring thousands of jobs to Illinois and put our state on the international clean coal map, while continuing to promote the use of Illinois' coal resources in an environmentally responsible way. This legislation contains an important next step in that process and this action reinforces that commitment.

However, this bill also moves the Illinois Power Agency into the jurisdiction of the Executive Ethics Commission. The purpose of this Commission is to ensure compliance with our State's ethics laws. This task is of paramount importance and requires the Commission utilize every resource at its disposal. To additionally require the Commission to oversee complex processes of electricity procurement and planning will not only weaken its ability to ensure adherence to ethics laws in state government, but it will also exhaust resources and place nine individuals, without appropriate experience, at the head of an essential state agency.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 2062, entitled "AN ACT concerning regulation.", with the following specific recommendations for change:

by deleting line 14 on page 17 through line 17 on page 31; and
on page 36, line 4, by deleting "1-15,"; and
by deleting line 16 on page 39 through line 7 on page 40.

With these changes, Senate Bill 2062 will have my approval. I respectfully request your concurrence.
Sincerely,

PAT QUINN
Governor

Jillayne Rock, Secretary of the Senate

September 12, 2011

To the Honorable Members of the
Illinois Senate,
97th General Assembly:

I commend the General Assembly for their important work on this legislation and I pledge to continue working with lawmakers in the coming months.

For more than 100 years, our State has regulated electric utilities to protect consumers from higher energy bills and unfair utility costs. When the citizens of Illinois pay their utility bills, they do so with the expectation that the payments are used for reliable, dependable and affordable service. I share their expectation and cannot support a measure that places the profits of electric utilities ahead of the people of Illinois.

Senate Bill 1652 represents a drastic departure from a long tradition of Illinois laws protecting consumers against high energy bills. In particular, this bill grants unprecedented advantages to Illinois utilities that have a less than stellar record for providing reliable service. Recent storms in the Chicago area exposed significant service shortcomings and more than 1.5 million people suffered through lengthy and widespread outages. Local businesses and consumers who depend on regular, predictable electricity suffered enormously. These interruptions impose a profound hardship on the State's economy and are simply unacceptable.

More troubling is that while customers suffer service interruptions and higher rates, these same utilities have been in Springfield advocating for a bill that erodes meaningful consumer protections. These utilities have been trying to dramatically change the rules to guarantee annual rate increases, while eliminating accountability for, literally, leaving people in the dark.

The bill before me strips away vital oversight and allows these utilities to benefit from unnecessary costs, higher corporate profits, and inherently flawed performance standards. For example, Senate Bill 1652 ties utility profits to the number of outages they can avoid each year; however, the bill also excludes the nine worst storms from this calculation. By doing so, this bill rewards unacceptable service.

Senate Bill 1652 would also establish a formula rate that allows vast profits for the electric utilities without effective performance metrics. Illinois ratepayers will be forced to pay billions in rate hikes, while receiving the same subpar service they have for many years. I will not support a measure that contains sweetheart deals for big utilities, which could leave struggling consumers to pick up the tab for costs such as lobbying fees and executive bonuses.

I support regulatory reforms that ensure necessary, innovative investments in our electric grid. However, I will not compromise core safeguards for Illinois consumers. Our State can encourage substantial investments in our electric grid that will create lasting jobs, promote environmentally-friendly policies, and make Illinois a leader in the clean energy economy, while maintaining our place as a leader in consumer protection.

In the coming weeks, I look forward to supporting a bill that achieves these goals. I encourage members of the General Assembly to consider the plan put forth by the Illinois Commerce Commission, filed as House Amendment #3 to House Bill 14. This bill represents a good faith effort toward modernizing the grid, reforming our regulatory system, and protecting the ratepayers of our State.

Therefore, pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I return Senate Bill 1652 to the Illinois Senate, entitled "AN ACT concerning public utilities." with the foregoing objections, vetoed in its entirety.

Sincerely,

PAT QUINN
Governor

HOUSE JOINT RESOLUTION 47

Offered by Representative Saviano:

WHEREAS, The Federal-Aid Highway Program provides formula grants that assist in the planning and development of an integrated, interconnected transportation system by enabling state transportation agencies to construct and rehabilitate the national highway system; and

WHEREAS, The Highway Trust Fund is the source of funds for the Federal-Aid Highway Program; the Highway Trust Fund is funded mostly through the 18.4 cent-per-gallon federal tax on gasoline sales; the federal government spends roughly \$50 billion a year on transportation projects through the Highway Trust Fund; and

WHEREAS, Federal law requires that funds paid into the Highway Trust Fund be returned to the states for various highway program areas in accordance with legislatively established formulas; each state is guaranteed a return of at least 92% of its highway user percentage attributions to the Highway Account of

the Highway Trust Fund; and

WHEREAS, Higher prices at the pump and a weak economy have caused gasoline sales to drop; the U.S. Congressional Budget Office projects the trust fund could run dry by the summer or fall of 2012 because it has spent more money than it has taken in; and

WHEREAS, Previous funding levels and processes of federal aid to state highway systems were traditionally set for a period of 6 years, which allowed for a predictable amount to be budgeted for transportation projects; and

WHEREAS, Current proposals in Congress have proposed changes to funding formulas, causing uncertainty in planning; and

WHEREAS, It is critical to provide adequate and predictable funding levels to ensure safe and well-maintained roads and bridges; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we urge Congress to ensure that the Highway Trust Fund is fully funded and to restore traditional 6-year funding levels; and be it further

WHEREAS, Mark Beaubien was born on October 30, 1942, in Waukegan; he married Dee Prola Beaubien on August 15, 1964, in Springfield; together, they raised 2 sons and have 5 grandchildren; Dee was his wife for 47 years, his best friend of over 50 years, and the source of much of his inspiration; and

WHEREAS, Representative Beaubien was an Assistant Republican Leader; he served as State Representative since his appointment in October of 1995 to fill a vacancy; after being elected in the 1996 primary and general elections, he was subsequently re-elected to seven additional two-year terms; and

WHEREAS, Prior to becoming a lawmaker, Representative Beaubien served as a member of the Lake County Board from 1992 to 1996, during which time he also served as Township Supervisor of the City of Cuba; he also enjoyed a successful career in both law and banking, quickly emerging as a community leader through his professional experience and civic involvement; and

WHEREAS, Representative Beaubien's expertise in law and finance proved to be a tremendous asset as the House Republicans' chief budget negotiator; in this role, Rep. Beaubien became a leading advocate for fiscal responsibility; and

WHEREAS, During his tenure in the General Assembly, some of Representative Beaubien's proudest moments included spearheading initiatives to make seatbelt enforcement a primary reason for law enforcement to stop a vehicle, voting with his convictions in support of the Human Rights Amendment and the recent Civil Union Bill, passing a bill that provides Municipal Pension Reform, leading the charge to save Round Lake Schools, and playing an active role in the Sportsman's Caucus and issues related to hunting and other open space issues; and

WHEREAS, Representative Beaubien was revered for his knowledge, compassion, and sense of humor; his door was always open and he was often sought out for advice by members from both parties; and

WHEREAS, Representative Beaubien was a confident man who refused to limit his ideals to those of his generation, embracing the timeless values of honor, respect, loyalty, and integrity, while rejecting its occasional intolerance and prejudice; he knew instinctively that the fundamental rights that he both cherished and demanded were meaningless unless they were enjoyed by all men and women; his principled leadership made it easy for him to support issues and causes that were unpopular with some; and

WHEREAS, Representative Beaubien's easy wit, quick smile, and unpretentious wisdom made him well liked by even those with whom he disagreed; if asked why he was one of the few Republican supporters of the Civil Union Bill, he would respond with humility and simplicity that it was simply time and that we should all "live our lives and speak our own truths"; his legacy is in his conviction and his values; therefore, be it

Pursuant to the Motion submitted previously, Representative McCarthy moved that the House concur with the Senate in the passage of SENATE BILL 1652, the Veto of the Governor notwithstanding. A three-fifths vote is required.

And on that motion, a vote was taken resulting as follows:

(ROLL CALL 22)

The Motion, having received the votes of three-fifths of the Members elected, prevailed and the House does concur with the Senate in the passage of the bill, the Veto of the Governor notwithstanding.

Ordered that the Clerk inform the Senate.

At the hour of 4:18 o'clock p.m., Representative Lyons moved that the House do now adjourn until Thursday, October 27, 2011, at 9:30 o'clock a.m., allowing perfunctory time for the Clerk.

The motion prevailed.
