HOUSE RESOLUTIONS

HOUSE RESOLUTION 877

Offered by Representative Kay:

WHEREAS, The Keystone XL pipeline will be an integrated infrastructure system to deliver Canadian bitumen and synthetic crude oil, derived from bitumen, to U.S. oil refineries that will be able to use this commodity chemical in the same way as crude oil pumped directly from the ground; and

WHEREAS, Much of the Keystone XL pipeline is already in place and supplying fuel for a job-creating oil refinery complex in Wood River, Illinois, and thus indirectly providing diesel fuel and gasoline for motorists throughout the Midwest; and

WHEREAS, Although the soaring price of motor fuel is currently causing frustrations for consumers throughout Illinois, there are State and national policies that can be changed to help ordinary Americans; and

WHEREAS, The oil industry has repeatedly requested granting of the final federal government permits to enable expansion of the Keystone XL pipeline system, and this expansion would enable more bitumen oil sands to be mined in North America and further decrease our continent's dependence upon uncertain oil supplies pumped from hostile regions of the world; and

WHEREAS, Completion of the Keystone XL pipeline system will not only create jobs in pipeline construction and oil refining, but will be a necessary element of our future national security; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we commend the members of Congress of the United States who have called for the expansion and completion of the Keystone XL pipeline system; and be it further

RESOLVED, That we call upon the current President of the United States and his administration to speed up the process of granting the final permits to enable construction to begin on the completion of the Keystone XL pipeline network for reasons of consumer protection and national security; and be it further

RESOLVED, That we request that the United States Department of Defense make a public statement as to the desirability of maximizing the production of fossil fuels within the boundaries of North America as part of our overall worldwide strategic position in relations to nations that do not wish well to the United States; and be it further

RESOLVED, That suitable copies of this resolution be sent to the members of the Illinois congressional delegation, the President of the United States, the United States Secretary of Defense, the United States Secretary of the Interior, the United States Secretary of Energy, and the Administrator of the United States Environmental Protection Agency.

WHEREAS, Currently, 210,000 people in Illinois live with the disease; there will be 220,000 in 2020, and 240,000 in 15 years; and

WHEREAS, Alzheimer's disease is an unrelenting, progressive condition that destroys brain cells, and currently no cure exists; Alzheimer's places significant financial burdens on families and businesses, with businesses losing billions a year in lost productivity and replacement expenses for employees who miss work or quit to care for a relative; and

WHEREAS, In Illinois in 2010, there were 579,505 Illinois family members and friends who provided over 650 million hours of unpaid care, valued at 7 billion dollars, to their loved ones with Alzheimer's and other dementias; and

WHEREAS, The impact of Alzheimer's and other dementias on Illinois families, the health care system, and society as a whole is of great importance; the need for home and community-based services for those with Alzheimer's is on the rise and caregiver stress is at an all-time high; and

WHEREAS, Alzheimer's disease is a looming public health crisis and we call upon all policymakers to join in the efforts to raise awareness and to serve the hundreds of thousands of persons with Alzheimer's and other dementias in Illinois, their families, and caregivers; and

WHEREAS, On March 27, 2012, Alzheimer's Advocates will speak up for the needs and rights of people with Alzheimer's and their families, and ask the Illinois legislature to make Alzheimer's disease a priority public health issue in the State; advocates will speak up for the needs and rights of people with Alzheimer's and their families, and ask the Illinois legislature to make Alzheimer's disease a priority public health issue in the State of Illinois; therefore, be it
