### HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

#### HOUSE RESOLUTION 897

Offered by Representative Biss:

WHEREAS, The State's Monetary Award Program (MAP) is one of the largest and most successful need-based, student financial aid program in the United States; and

WHEREAS, The award size of MAP grants and their historic, student-focused nature have enabled students of need to attend the college or university that best suits their educational needs; and

WHEREAS, MAP grant recipients are able to achieve their potential through education, something that our State holds in the highest value; and

WHEREAS, MAP grants are limited in the amount of funds that can be appropriated for them each fiscal year, and the General Assembly and Governor are seeking additional ways to improve the performance of these grants by asking more of the grant recipients and the institutions they choose to attend; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Illinois Student Assistance Commission shall convene a task force to deliberate options for the adoption of new rules for the Monetary Award Program (MAP), with the goal of improving the outcomes for students who receive these awards; and be it further

RESOLVED, That the task force shall include without limitation the following:

- (1) one representative of Illinois public universities;
- (2) one representative of Illinois public community colleges;
- (3) one representative of Illinois non-profit, private colleges and universities;
- (4) one representative of Illinois proprietary institutions;
- (5) one representative of an association of financial aid administrators;
- (6) one student who is currently receiving a MAP grant;
- (7) one representative of the Illinois Community College Board;
- (8) one representative of the Board of Higher Education;
- (9) one representative of the Office of the Lieutenant Governor; and
- (10) the Executive Director of the Illinois Student Assistance Commission, who shall

serve as chairperson of the task force, and one other representative of the Illinois Student Assistance Commission; and be it further

RESOLVED, That members of the task force shall be appointed by the Executive Director of the Illinois Student Assistance Commission; and be it further

RESOLVED, That the members of the task force shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds available for that purpose; and be it further

RESOLVED, That the Illinois Student Assistance Commission shall provide administrative and other support to the task force; and be it further

RESOLVED, That the task force shall hold public meetings and seek input from students and additional stakeholders; and be it further

RESOLVED, That the new rules should be created with the following goals:

- (1) to improve the partnerships between this State and institutions as they provide both financial assistance and academic support to MAP recipients;
- (2) to improve the overall effectiveness of MAP grants in helping students of need not only enter college, but to complete a degree program; and
- (3) to recognize that all colleges and universities are different, and the different

natures of their student populations and their varying missions must be recognized as inherently good and valuable; and be it further

RESOLVED, That these new rules should be designed so that they do not alter, nor have an adverse

impact on, an institution's mission; and be it further

RESOLVED, That the deliberations should include the following concepts:

(1) institutional eligibility for MAP grants may, in the future, become based in part on an institution's ability to improve its MAP-grant students' progress towards a degree or its MAP-grant degree completion rate;

(2) a student's eligibility for a MAP grant may, in the future, become based in part on that student's ability to demonstrate that he or she is achieving academic success and making progress; and

(3) an institution's eligibility for MAP grants may, in the future, become based in part on its ability to demonstrate that it is a partner with this State and the institution is providing financial aid to students from its own resources; and be it further

RESOLVED, That to provide adequate time for the creation and implementation of new measurement and performance systems, the new systems should not become eligibility criteria for MAP funds prior to the Fiscal Year 2015 budget; and be it further

RESOLVED, That the task force shall complete its work and report its findings and recommendations to the General Assembly no later than January 1, 2013; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Executive Director of the Illinois Student Assistance Commission.

#### HOUSE RESOLUTION 898

Offered by Representative Flowers:

WHEREAS, Mental illness is a critical underlying concept in various areas of our law affecting mitigation of criminal responsibility and fundamental rights to property, individual liberty, and personal privacy; and

WHEREAS, For at least 2 generations, mental illness has been presumed to be brain disease which is best confronted as a treatable medical problem; and

WHEREAS, Vast amounts of State resources and tax monies, not to mention the creative energies and work of our citizens and civil servants, are continuously expended in accordance with Illinois laws and regulations dependent upon derived psychiatric definitions, formulations, and diagnostic criteria for mental disorders, in particular upon those definitions, formulations, and criteria which are found in the American Psychiatric Association's nearly 20-year-old Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition (DSM-IV); and

WHEREAS, The head of the task force which developed DSM-IV recently admitted that since it was published in 1993, that manual has resulted in at least 3 false epidemics causing countless persons to be prescribed expensive, unnecessary, potentially dangerous psychotropic drugs; and

WHEREAS, A professor of psychiatry and author of a leading reference book on psychopharmacology recently called the entire chemical imbalance theory of mental disorders an urban legend; and

WHEREAS, Experts in the field of mental health are currently in major and substantial disagreement about the general validity of psychiatric diagnosis itself; and

WHEREAS, Despite explicit admonitions in DSM-IV against the use of psychiatric diagnosis for such legal purposes as establishing competence, criminal responsibility or disability, Illinois courts and agencies have nonetheless habitually relied upon the formulations and criteria in the DSM for the precise expertise which the text itself disclaims; and

WHEREAS, A new edition of the American Psychiatric Association's manual, DSM-5, is scheduled for publication in May of 2013, but proposed changes for this upcoming DSM are provoking intense criticism from a diverse range of mental health experts, more than 12,000 of whom have signed a petition protesting the secretive and unscientific character of the APA's proposals to expand concepts of mental disorder to a point where normal human emotions and coping behaviors will be falsely pathologized as illness; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Task Force on Mental Diagnosis and Illinois Law be created within the Office of the Governor, and jointly supervised by the Comptroller and the Attorney General, to

- (1) thoroughly survey the Illinois Compiled Statutes and Administrative Code to identify all instances where our laws and government functions depend upon purported understanding of mental illness or disorder, mental capacity, mental health, behavior or psychology, which may be recently discredited, or reasonably considered incorrect or arbitrary in light of the current confusion among mental health experts over the possible absence of scientific validity in psychiatric diagnosis;
- (2) forward initial recommendations of urgent legislative actions which may be needed to avoid gross injustice or waste of public resources to the General Assembly as soon as possible; and
- (3) produce a final report summarizing the task force's findings and detailing recommended statutory or constitutional strategies to correct negative impacts of concepts and nomenclature now discredited or inconsistent with current medical science, and to avoid future immoderate scientism in our laws and public policy; and be it further

RESOLVED, That the task force shall consist of the following members: 3 members appointed by the Speaker of the House of Representatives, one of whom shall be appointed co-chairperson; 3 members appointed by the minority leader of the House of Representatives, one of whom shall be appointed co-chairperson, one member appointed by the Comptroller; and one member appointed by the Attorney General; and be it further

RESOLVED, That in appointing members of the task force, the Speaker and minority leader shall consider that professional experience in diverse mental health-related fields may be a positive qualification; and be it further

RESOLVED, That the task force shall take voluntary assistance and testimony from individuals and professional organizations and institutions; and be it further

RESOLVED, That the members of the task force shall serve without compensation but may be reimbursed for actual expenses while serving on the task force from funds appropriated to the Office of the Governor for that purpose; and be it further

RESOLVED, That the task force shall submit its final report to the Governor and the General Assembly no later than December 31, 2013.
