HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 418

Offered by Representative Mayfield:

WHEREAS, Leading health and nutrition experts agree that nutrition status is a direct measure of patient health and that good nutrition and good patient health can keep people healthy and out of institutionalized health care facilities, thus reducing healthcare costs; and

WHEREAS, Inadequate or unbalanced nutrition, known as malnutrition, is not routinely viewed as a medical concern in the U.S., and that malnutrition is particularly prevalent in vulnerable populations, such as older adults, hospitalized patients, or minority populations that statistically shoulder the highest incidences of the most severe chronic illnesses such as diabetes, kidney disease, and cardiovascular disease; and

WHEREAS, Illness, injury, and malnutrition can result in the loss of lean body mass, leading to complications that impact good patient health outcomes, including recovery from surgery, illness, or disease; the elderly lose lean body mass more quickly and to a greater extent than younger adults and weight assessment (body weight and body mass index) can overlook accurate indicators of lean body mass; and

WHEREAS, The American Nursing Association defines therapeutic nutrition as the administration of food and fluids to support the metabolic processes of a patient who is malnourished or at high risk of becoming malnourished; and

WHEREAS, Access to therapeutic nutrition is critical in restoring lean body mass such that it resolves malnutrition challenges and, in turn, improves clinical outcomes, reduces health care costs, and can keep people and our communities healthy; and

WHEREAS, Despite the recognized link between good nutrition and good health, nutritional screening and therapeutic nutrition treatments have not been incorporated as routine medical treatments across the spectrum of health care; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we encourage states that provide Medicaid coverage to examine the benefits of routine nutritional screening and therapeutic nutrition treatment for those who are malnourished or at risk for malnutrition, as well as examine the benefits of nutrition screening and therapeutic nutrition treatment as part of the standard for evidenced-based hospital care; and be it further

RESOLVED, That we support an increased emphasis on nutrition through the reauthorization of the Older Americans Act, as well as for Medicare beneficiaries, to improve their disease management and health outcomes; and be it further

RESOLVED, That we encourage preventive and wellness services, such as counseling for obesity and chronic disease management, to be a part of the Essential Health Benefits package included in the Patient Protection and Affordable Care Act; and be it further

RESOLVED, That a copy of this resolution be presented to the President of the United States, the Vice-President of the United States, members of the Illinois delegation of United States House of Representatives, Illinois Senators Richard J. Durbin and Mark Kirk, and other federal and state government officials as appropriate.

HOUSE RESOLUTION 419

Offered by Representative Mayfield:

WHEREAS, Scientific research demonstrates that good nutrition beginning in utero and extending throughout the first year of life is critical to the healthy growth and development of infants and that breastfeeding is the best form of infant nutrition by providing certain health benefits for both the mother and child; and

WHEREAS, The United States Surgeon General and the American Academy of Pediatrics recommend babies be exclusively fed with breast milk for the first 6 months of life, and continue on with breast milk through the first year of life; and

WHEREAS, Healthy People 2020, an initiative that comprises science-based, ten-year national objectives to improve the health of all Americans, administered under the U.S. Department of Health and Human Services, aims to increase the percentage of women initiating breastfeeding to 81.9% and still continuing to breastfeed when their newborn is 6 months of age to 60.6%; and

WHEREAS, It is a mother's choice in how she feeds her baby, and the choice is often made based on the best feeding option for her infant given her and her family's life circumstance, including familial, cultural, and community issues as well as based on barriers to breastfeeding, including returning to work, medical difficulties, and lack of breastfeeding support; and

WHEREAS, The Surgeon General's Call to Action to Support Breastfeeding, the American Academy of Pediatrics, and other public health organizations do promote breastfeeding goals, and some go beyond this to promote other dietary guidance for feeding an infant under age 2 or identify what a mother should do if she cannot or chooses not to breastfeed, or needs to supplement breastfeeding; and

WHEREAS, An example of this is provided in the U.S. Department of Agriculture Food & Nutrition Service publication, "Feeding Your Baby in the first Year", which gives participants in the Women, Infant, and Children (WIC) food program a basic overview of the best sources of nutrition for their babies in the first year, starting with breastfeeding, including infant formula if needed, following with the introduction of solid foods; and

WHEREAS, Infant nutrition research has generated a range of iron-fortified infant formulas (as well as specialized infant formulas for premature babies and for those babies with medical conditions needing sustenance to survive and thrive) that address a critical need in providing a safe and nutritious alternative to breast milk for mothers who are unable to breastfeed; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we acknowledge the role of optimal infant nutrition during the first year of life and that new mothers require information, guidance, and support to provide the best nutritional start for their babies; and be it further

RESOLVED, That we recognize the scientific research documenting that breastfeeding is the best form of infant nutrition and supports breastfeeding promotion policies; and be it further

RESOLVED, That we aspire for mothers to make informed choices about how to feed their infants by requiring that mothers receive, prior to and/or after birth, complete and balanced information on all infant nutrition options; and be it further

RESOLVED, That we call on the U.S. Department of Health and Human Services to publish and distribute maternal and infant nutrition information approved by the U.S. Surgeon General to mothers prior to and after birth; and be it further

RESOLVED, That we urge state health departments to facilitate public-private collaboration with families and communities to increase maternal and infant nutrition awareness, particularly in underserved areas, and provide access to nutritional programs for mothers and their children beginning in utero and throughout their first year of life; and be it further

RESOLVED, That a copy of this resolution be transmitted to the President of the United States, the Vice-President of the United States, members of the Illinois Delegation of the U.S. House of Representatives, Illinois Senators Richard J. Durbin and Mark Kirk, the Secretary of the U.S. Department of Health and Human Services, the United States Surgeon General, the Secretary of the U.S. Department of Agriculture, and other federal and state government officials as appropriate.

HOUSE RESOLUTION 420

Offered by Representative Reboletti:

WHEREAS, In 2007, Public Act 95-596 was enacted into law, directing the Governor to issue an official notice to all persons and entities covered by the Flag Display Act to fly the United States flag, the State flag of Illinois, and in the case of a Armed Forces member's death, the appropriate military flag, at half-staff upon the death of a resident of Illinois killed by hostile fire as a member of the United States Armed Forces, in the line of duty as a law enforcement officer, or in the line of duty as a firefighter; and

WHEREAS, The Office of the Governor's website allows any person to subscribe to the Illinois Flag Honors e-News Summaries service and to be notified whenever the Governor issues an official notice pursuant to Public Act 95-596; and

WHEREAS, Not every person or local government entity that displays the United States flag, the State flag of Illinois, or the military flag of any branch of the United States Armed Forces or the Illinois National Guard is covered by the Flag Display Act; and

WHEREAS, Those persons and entities in Illinois who choose to display the United States flag, the State flag of Illinois, or the military flag of any branch of the United States Armed Forces or the Illinois National Guard, but who are not covered by the Flag Display Act, may in some cases be unaware that the Governor has issued an official notice to fly the flags at half-staff to honor a fallen Armed Forces member, law enforcement officer, or firefighter; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge local government entities and other persons who display the United States flag, the State flag of Illinois, or the military flag of any branch of the United States Armed Forces or the Illinois National Guard to subscribe to the Illinois Flag Honors e-News Summaries service on the Office of the Governor's website in order to honor fallen U.S. Armed Forces members, law enforcement officers, and firefighters; and be it further

RESOLVED, That we urge State and local government entities and private state-wide associations and organizations to provide links on their websites to the Illinois Flag Honors e-News Summaries service subscription page on the Office of the Governor's website, and to include information about that service in their newsletters and publications in order to further encourage the flying of the United States flag, the State flag of Illinois, and military flags at half-staff to honor fallen U.S. Armed Forces members, law enforcement officers, and firefighters.

HOUSE RESOLUTION 436

Offered by Representative Chapa LaVia:

WHEREAS, It has come to the attention of the Illinois House of Representatives that, on average, 22 veterans commit suicide every day; this constitutes a very serious problem in every state, including Illinois; and

WHEREAS, Those individuals have fought in recent conflicts under very demanding and dangerous circumstances; and

WHEREAS, For many veterans, their re-entry into a stable and productive civilian life has caused unexpected mental and emotional problems, resulting in Post-Traumatic Stress Disorder (PTSD) and other severe mental illnesses; and

WHEREAS, Medications are now available to mitigate the severity of those mental illnesses; and

WHEREAS, The State of Illinois has an obligation to provide its veterans the opportunity to acquire such medications; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Department of Healthcare and Family Services to develop a basic protocol which will provide direction on how best to make available such medications to veterans suffering from PTSD and other forms of severe mental illness, such as schizophrenia, schizophrenia disorder, and bipolar disorders; and be it further

RESOLVED, That the chair and the minority spokesman of the House Veterans' Affairs Committee shall create a subcommittee within the House Veterans' Affairs Committee that shall monitor the preparations of such protocol and periodically make reports to the House of Representatives, the Office of the Governor, the director of the Department of Healthcare and Family Services, and the director of the Department of Veterans' Affairs not later than March 1, 2014.
