Offered by Representative Ives:

WHEREAS, More than 500,000 American men and women, wearing the uniforms of the United States armed forces, have paid the supreme sacrifice while in the service of their country; and

WHEREAS, After the conclusion of the American Civil War, the 2 sides in the conflict, North and South together, joined hands to create a national sacred day of remembrance in honor of those who had fallen; and

WHEREAS, Through the organizational work of General John A. Logan, born in Murphysboro, Memorial Day became an official United States holiday, observed annually on the 4th Monday in May; and

WHEREAS, Almost every American family and almost every family in Illinois bears upon the rolls of its heart the name or names of one or more individual soldiers of our own names who have fallen for America in war and in combat; and

WHEREAS, In 2015, American men and women continue to serve in uniform in active combat zones around the world, especially, but not limited to, the Global War on Terror in numerous countries, including Afghanistan; and

WHEREAS, The supreme sacrifice continues to be made by patriotic young Americans of all 50 states, including Illinois, who give their lives for the freedom and future of their fellow Americans; and

WHEREAS, In grateful recognition of these sacrifices, on Memorial Day the people of Illinois gather in places of religious worship, town squares, and places of burial throughout our State to remember and honor the fallen; and

WHEREAS, In recognition of these gatherings, most employers and supervisors throughout Illinois grant their employees and contractors an annual day of remembrance each Memorial Day to enable these individuals to join their families and take part in this annual sacred duty; and

WHEREAS, Despite this sacred custom, the current schedule of the Illinois House of Representatives calls for us to conduct secular business on Memorial Day, May 25, 2015, when we ought to be home with our families and our communities, reaffirming the sacred bonds that tie us together as Americans; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we pledge our eagerness to work tirelessly here in Springfield during the third full week of May 2015 to complete the work of the people of Illinois prior to Memorial Day; and be it further

RESOLVED, That we urge the Speaker of the Illinois House of Representatives to recess the House for the duration of Memorial Day, May 25, 2015, and not to call us back into session until the completion of this day of American remembrance and the completion of the sacred duties of this day; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Speaker of the Illinois House of Representatives.

HOUSE RESOLUTION 178

Offered by Representative Bennett:

WHEREAS, In March of 2013, Governor Quinn ordered the closing of the Dwight Correctional Center in Logan County, near Dwight; and

WHEREAS, The closing of the Dwight Correctional Center was claimed to be a cost-saving measure; it was estimated that \$27 million annually in operating costs and nearly \$350,000 in annual maintenance costs would be saved; and

WHEREAS, About 1,000 inmates were transferred from the Dwight Correctional Center to the Logan Correctional Center in Lincoln; and

WHEREAS, The property of the Dwight Correctional Center was transferred from the control of the Illinois Department of Corrections to the Department of Central Management Services in July of 2014; and

WHEREAS, The closure has so far reportedly directly affected 355 jobs and indirectly affected 128 jobs; and

WHEREAS, According to a University of Illinois study in 2012, such a closing would have a potential negative impact to the local economy of more than \$50 million; and

WHEREAS, According to a report by the John Howard Association, the closure has exacerbated overcrowding and has not generated any costs savings for the State; and

WHEREAS, The Illinois Department of Corrections claims that as much as \$48 million has been saved by the closing of the Dwight Correctional Center; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General is directed to conduct an audit of the closing of the Dwight Correctional Center; and be it further

RESOLVED, That the audit include, but not be limited to, determining the fiscal impact on the State of the Dwight Correctional Center closing; any cost savings achieved by the closing; and the impact the closure and transfer of inmates has made on the State's correctional system; and be it further

RESOLVED, That any State agency that may have information relevant to this audit cooperate fully and promptly with the Auditor General's Office in the conducting of its audit; and be it further

RESOLVED, That the Auditor General commence this audit as soon as practical and report his findings and recommendations upon completion in accordance with the provisions of Section 3-14 of the Illinois State Auditing Act; and be it further

HOUSE RESOLUTION 179

Offered by Representative Flowers:

WHEREAS, Medicaid coverage provides access for many to necessary health services, which results in improved health and financial security; coverage lowers infant, child, and adult mortality rates and increases the use of critical preventive service, such as prenatal care; coverage also virtually eliminates catastrophic out-of-pocket medical expenditures, providing much-needed financial security and peace of mind; and

WHEREAS, Medicaid is a considerable economic boost to the Illinois economy; the State stands to lose 9,280 jobs for every 5% reduction to the Medicaid program; and

WHEREAS, The expansion of Medicaid increased economic activity by \$2.6 billion in Illinois; and

WHEREAS, Illinois is in a unique transitional phase in its health care delivery system; the State is in the first year of a massive implementation of statewide Medicaid managed care for more than 50% of the Medicaid population; in addition, Illinois has elected to experiment with different models of coordinated care intended to evaluate the effectiveness of traditional Managed Care Organizations and less traditional Accountable Care Entities (hospital-led ACO models) and Coordinated Care Entities (health home models led by community based providers targeted to the special needs population); reductions in Medicaid can result in disruption of these systemic changes; and

WHEREAS, Comprehensive health care provided through Medicaid reduces the incidence of depression, ensures that more women are able to receive important preventive services, such as cancer screenings, and decreases mortality rates; and

WHEREAS, Illinois has already undertaken significant reductions to the Medicaid program; through the "Save Medicaid Access and Resources Together Act" (SMART Act) nearly \$1 billion in 62 spending reductions, utilization controls, and provider cuts were made; and

WHEREAS, Numerous organizations, public health entities, and impacted citizens are dependent on the Illinois Medicaid program; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we pledge that no further reductions will be made in the Illinois Medicaid program and encourage Illinois residents to support this vital program.

HOUSE RESOLUTION 180

WHEREAS, Whether called the scribes of yesterday or the court reporters and captioners of today, the individuals who preserve our nation's history are truly the guardians of the record; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we designate February 15-21, 2015 as "Illinois Court Reporting & Captioning Week"; and be it further

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we encourage the continued use of vaccines for children, adolescents, and adults to ensure the safety and health of the citizens of this State.

RESOLVED, That a suitable copy of this resolution be presented to the Girl Scouts of Central Illinois Council on behalf of all Illinois Girl Scouts as a symbol of our respect and admiration for all the work that Girl Scouts perform throughout the State.

HOUSE RESOLUTION 187

Offered by Representative McSweeney:

WHEREAS, A proposed educational pension cost shift, which would shift the cost burden from the State of Illinois to local school districts, community colleges, and institutions of higher education, is under discussion; this proposal would require all employers of members in the Teachers' Retirement System and the State Universities Retirement System to pay the normal cost of pension benefits earned; and

WHEREAS, If this proposal were to become policy, for the Teachers' Retirement System and the State Universities Retirement System, it would potentially move \$10.187 billion in estimated normal costs of pension benefits earned from the State to local school districts, community colleges, and institutions of higher learning over a 10-year period; actuarial changes recently made by these 2 systems will further increase these numbers; and

WHEREAS, This plan would move these spending commitments from one taxing body, the State, to a group of taxing bodies, the school districts and community colleges, while additional pension costs would be shifted to State universities; and

WHEREAS, A pension cost shift would lead to a massive increase in local funding requirements on school districts; the cost shift would exacerbate the problem of adequately funding our local schools by taking even more when districts, teachers, and local voters are fighting to simply keep educational opportunities open to our students; in addition, a pension cost shift would likely lead to massive property tax hikes or to classroom cuts that will harm our students; and

WHEREAS, According to the Illinois State Board of Education, 67% of school districts in the State are operating in the red; and

WHEREAS, School districts already bear a large share of the Teachers' Retirement System pension burden by paying a statutory share of the System's total contribution costs, constituting 0.58% of pensionable teacher payroll; districts also contribute towards any locally-negotiated early retirement options and for the pension costs of certain increases in compensation, totaling \$92.5 million in Fiscal Year 2012; and

WHEREAS, Representatives from Northern Illinois University publicly stated that if the cost shift were to be covered by increasing tuition on parents and students, each percentage of payroll cost shifted to the university would translate into a 2% tuition increase; this proposed cost shift would also increase the liability of State-funded universities and all community colleges, thus making higher education even more unaffordable for students and their parents; and

WHEREAS, This plan would harm the interests of all taxpayers, especially in downstate and suburban areas and would sharply increase inequities created by the current school aid formula between Chicago and the rest of the State; because of the impact on institutions of higher education, Chicago taxpayers, parents, and students would also be affected; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we state our belief that an educational pension cost shift is financially wrong and would only serve to shift pension burdens from the State to the status of an unfunded mandate.

HOUSE RESOLUTION 189

Offered by Representative Hoffman:

WHEREAS, The Illinois General Assembly has previously established the Clean Coal FutureGen for Illinois Act of 2011, recognizing that the FutureGen Project is a first-of-its-kind research project to permanently sequester underground captured CO₂ emissions from: (1) a coal-fueled power plant that uses as its primary fuel source high-volatile bituminous rank coal with greater than 1.7 pounds of sulfur per million btu content; or (2) other approved and permitted captured CO₂ sources in the State of Illinois; and

WHEREAS, The FutureGen Project would have benefits to the economy and environment of Illinois; and

WHEREAS, The State is committed to: (1) providing the non-profit FutureGen Alliance with adequate liability protection and permitting certainty to facilitate the siting of the FutureGen Project in the State of Illinois; (2) providing the State of Illinois certain financial benefits from environmental attributes for the project; and (3) helping secure over \$1 billion in federal funding for the project; and

WHEREAS, The General Assembly found and determined that: (1) human-induced greenhouse gas emissions have been identified as contributing to global warming, the effects of which pose a threat to public health and safety and the economy of the State of Illinois; (2) in order to meet the energy needs of the State of Illinois, keep its economy strong and protect the environment while reducing its contribution to human-induced greenhouse gas emissions, the State of Illinois must be a leader in developing new low-carbon technologies; (3) carbon capture and storage is a low-carbon technology that involves capturing the captured CO₂ from fossil fuel energy electric generating units and other industrial facilities and injecting it into secure geologic strata for permanent storage; (4) the FutureGen Project is a public-private partnership between the federal Department of Energy, the FutureGen Alliance, and other partners that proposes to use this new technology as part of a plan to transport and store captured CO₂ from a coal-fueled power plant that uses as its primary fuel source high-volatile bituminous rank coal with greater than 1.7 pounds of sulfur per million btu content and other captured CO₂ sources that are approved by the appropriate State of Illinois agency and permitted in the State of Illinois; (5) the FutureGen Project will help ensure the long-term viability of Illinois Basin coal as a major energy source in the State of Illinois and throughout the nation and represents a significant step in the State of Illinois' efforts to become a self-sufficient, clean energy producer; (6) the FutureGen Project provides an opportunity for the State of Illinois to partner with the Federal Department of Energy, the FutureGen Alliance, and other partners in the development of these innovative clean-coal technologies; (7) the FutureGen Project will make the State of Illinois a center for developing and refining clean coal technology and carbon capture and storage, and will result in the development of new technologies designed to improve the efficiency of the energy industry that will be replicated worldwide; (8) the FutureGen Project is an important coal development and conversion project that will create jobs in the State of Illinois during the construction and operations phases, contribute to the overall economy of the State of Illinois and help reinvigorate the Illinois Basin coal industry; and (9) the FutureGen Project and the property necessary for the FutureGen Project serve a substantial public purpose as its advanced clean-coal electricity generation, advanced emissions control and carbon capture and storage technologies will benefit the citizens of the State of Illinois; and

WHEREAS, The United States Department of Energy has decided not to provide the \$1 billion it had committed to the project; and

WHEREAS, The project would generate tremendous economic opportunity for the State of Illinois and is expected to be the focus of global attention; researchers and visitors from around the world would visit to learn about its operation so that they can replicate those lessons learned around the globe; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Department of Energy to provide the \$1 billion previously committed to the FutureGen project to assure this project will move forward; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the United States Department of Energy, the United States Environmental Protection Agency, and the Illinois Environmental Protection Agency.

WHEREAS, T.J. Shirley has developed many student athletes who went on to college or university athletic programs, and he has mentored thousands of grateful students and athletes; and

HOUSE JOINT RESOLUTION 36

Offered by Representative Chapa LaVia:

WHEREAS, Illinois has required its public schools to provide bilingual education services to English Learners (EL) since 1972; today, more than 600 school districts serve more than 205,000 language-minority children with bilingual programs, with the goal of transitioning all English Learners into mainstream classrooms in 3 years or less; although most EL students are native speakers of Spanish, EL enrollees are native speakers of 139 different languages; and

WHEREAS, Illinois bilingual educators have been remarkably innovative, professional, and successful; despite many serious obstacles to success, two-thirds of bilingual students attain English proficiency; only 2.7% of language-minority students drop out before completing transitional bilingual programs; students who gain English proficiency meet or exceed the Illinois Standards Achievement Test performance of native English speakers in reading and mathematics for grades 6, 7, and 8; about 7,400 teachers hold some type of EL certification; and

WHEREAS, The State Board of Education adopted new learning standards in 2010 and is implementing an aligned assessment this year; it is important to know how these changes are impacting ELs, as well as the

issues being discussed in Congress regarding the rewrite of the Elementary and Secondary Education Act; and

WHEREAS, Most Illinois counties now have EL enrollees; and

WHEREAS, Illinois adopted the State Seal of Biliteracy, to be awarded beginning in the 2014-2015 school year, promoting the importance of the development of proficiency in 2 or more languages; ELs arrive at schools with linguistic assets in their home languages, which, if developed, can be a basis for biliteracy; while State law requires services for ELs, including developing English proficiency, it does not require the maintenance and development of the home language; unsupported, proficiency in the home language can be lost over time; subsequently, like other students, ELs often take a foreign language in high school; we must study how to better develop home languages and promote biliteracy in conjunction with services for ELs; and

WHEREAS, Computers are now in widespread use in public schools, but primarily in mainstream classrooms; the potential of modern technology has yet to be harnessed in bilingual and EL classrooms and must be studied on how best to be incorporated into EL programs; and

WHEREAS, Teachers, schools, and districts have developed highly effective instructional strategies that may not be widely known; it is time to comprehensively identify those best practices so that all programs may use them; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there is created the Bilingual Advisory Task Force, consisting of the following members: (1) 2 individuals appointed by the Speaker of the House, one of whom shall be a member of the House of Representatives, and the other whom shall serve as Co-Chair; (2) 2 individuals appointed by the Senate President, one of whom shall be a member of the Senate, and the other whom shall serve as Co-Chair; (3) one member of the House of Representatives appointed by the Minority Leader of the House; (4) one member of the Senate appointed by the Minority Leader of the Senate; (5) the Lieutenant Governor of the State of Illinois, or his or her designee; (6) 3 educators who hold a professional educator license endorsed for bilingual education or English as a second language from 3 different school districts in the northern, central, and southern region of the State appointed by the Speaker of the House and President of the Senate; (7) 3 educators who hold a professional educator licensed endorsed for bilingual education or English as a second language from 3 different school districts in the northern, central, and southern region of the State appointed by the Minority Leader of the Senate and the Minority Leader of the House; (8) one administrator of a school district with an English Learner student population of at least 20% appointed by the State Superintendent of Education; (9) the Executive Director of a statewide association representing principals, or his or her designee, who is the principal of a school in a school district with an English Learner student population of at least 20%; (10) the President of an association representing principals in a city with a population of more than 500,000, or his or her designee, who is the principal of a school in a school district with an English Learner student population of at least 20%; (11) one school district administrator of bilingual education programs that meet the requirements under 23 Ill. Admin. Code 228.35(d) appointed by the State Superintendent of Education; and (12) the State Superintendent of Education or his or her designee; and be it further

RESOLVED, That the Co-Chairs of the Bilingual Advisory Task Force may add additional non-voting members to the Task Force; and be it further

RESOLVED, That the Bilingual Advisory Task Force shall evaluate whether the framework for existing bilingual education, including Transitional Bilingual Education programs and the Transitional Program of Instruction, is appropriate for learning today; and be it further

RESOLVED, That the Bilingual Advisory Task Force shall evaluate the use of learning technologies in bilingual education to ensure that the same techniques, types of software, and hardware are used to educate English Learners as are provided today for mainstream classrooms; and be it further

RESOLVED, That the Bilingual Advisory Task Force shall examine the competencies, experience, and coursework necessary to teach in a setting in which English Learners are involved; and be it further

RESOLVED, That the Bilingual Advisory Task Force shall make recommendations that will ensure that all bilingual programs focus on the parallel goals of achieving academic parity for English Learners while, at the same time, accelerating English proficiency so that bilingual students are prepared to perform well in the mainstream classroom; and be it further

RESOLVED, That the Bilingual Advisory Task Force shall make recommendations regarding whether the existing requirement and supporting regulations for bilingual education lead to deployment of all necessary educational, technological, and human resources to support the academic success of bilingual students; and be it further

RESOLVED, That the Bilingual Advisory Task Force shall seek input from stakeholders and members of the public on issues and possible improvements to bilingual education in Illinois; and be it further

RESOLVED, That the State Board of Education shall provide administrative support for the Bilingual Task Force; and be it further

RESOLVED, That the Bilingual Task Force submit its findings and recommendations to the Governor and General Assembly by December 15, 2015; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the General Assembly, the Governor, the Chairperson of the State Board of Education, and the State Superintendent of Education; and be it further

SECTION 3. LEGISLATIVE REDISTRICTING

(a) On the second Tuesday in February in the year following each Federal decennial census year, the President of the Senate, the Minority Leader of the Senate, the Speaker of the House, and the Minority Leader of the House may each, considering the diversity of the State, appoint two members to the Temporary Redistricting Advisory Commission. On or before the second Tuesday in March, one additional member shall be elected by a majority of the members appointed, and that member shall serve as Chair. Members of the Temporary Redistricting Advisory Commission shall not be eligible to be elected to the General Assembly or appointed to any office that is subject to confirmation by the Senate for ten years after completion of service on the Temporary Redistricting Advisory Commission. No person may serve as a member of the

Temporary Redistricting Advisory Commission who is at the time of appointment, becomes at any time during service, or who was at any time during the preceding four years (i) a registered lobbyist in Illinois; (ii) an employee or contractor of the State of Illinois; (iii) an elected official of or a candidate for or appointed member of any elected body of: the federal government, the State, a unit of local government, a school district or a political party; or (iv) an immediate family member of any of the foregoing. As used in this Article IV, Section 3, "immediate family member" is a person with whom the person has a bona fide relationship established through close blood or legal kinship. If any member of the Temporary Redistricting Advisory Commission shall be unable to fulfill the duties required under this Section, then the person who appointed said member, or that person's successor, shall appoint a person to fill said vacancy within five days of the occurrence of the vacancy.

A meeting of a majority of a quorum of the Temporary Redistricting Advisory Commission shall be open to the public with at least twenty-four hour notice.

The Temporary Redistricting Advisory Commission shall have authority to hire independent private firms for any assistance. The Commission shall conduct at least five public hearings on separate days around five distinct geographic regions of the State before voting on any redistricting plans, and at least three of the hearings shall be after receipt of the data from the United States Census Bureau. Within three days after receipt of the data from the United States Census Bureau, the Commission shall make that data, together with redistricting software, available to the public.

(b) The Commission shall approve any redistricting plans by a majority vote of its members.

The Commission shall establish districts pursuant to a mapping process using the following criteria as set forth in the following order of priority:

(1) Districts shall comply with all Federal laws and shall not be drawn with the intent or result of denying or abridging the equal opportunity of racial or language minorities to participate in the political process or to diminish their ability to elect representatives of their choice.

(2) Districts shall be contiguous.

(3) Districts shall be substantially equal in population.

(4) Districts shall be compact.

(5) District boundaries shall, to the extent practical, follow visible geographic features and municipal boundaries.

(6) The plan shall not be drawn to purposefully or significantly favor or discriminate against any political party or group.

Party registration, voting history data and incumbency shall not be considered in the mapping process, except to evaluate compliance with the criteria listed in subsections (b)(1) and (b)(6). The Commission shall establish definitions where applicable for each of the criteria listed in subsections (b)(1)-(6).

A Representative District need not be entirely within a single Legislative District.

After preliminary approval of the redistricting plans, the Commission shall release the proposed plans to the public, conduct at least three public hearings around three distinct geographic regions of the State, and submit a report to the General Assembly. At any time prior to the submission of a plan under subsection (c), any member of the General Assembly or general public may submit a plan to be considered by the Commission and for public viewing. All documents submitted to or plans considered by the Commission shall be made available to the public within a reasonable time period.

(c) After conducting the required public hearings, the Commission shall approve by a majority vote a Representative redistricting plan by third Monday in May, which the Chair of the Commission shall deliver to the House of Representatives on the third business day after approval. The House must take a record vote to accept the plan by a House Resolution. The Resolution is adopted if it receives the affirmative vote of at least two-thirds of the members elected.

After conducting the required public hearings, the Commission shall approve by a majority vote a Senate redistricting plan by the third Monday in May, which the Chair of the Commission shall deliver to the Senate on the third business day after approval. The Senate must take a record vote to accept the plan by a Senate Resolution. The Resolution is adopted if it receives the affirmative vote of at least two-thirds of the members elected.

Redistricting plans may not be amended by either chamber. An adopted redistricting resolution shall be filed with the Secretary of State by the presiding officer of the chamber that initiated the resolution. Each chamber shall have until the first Monday in June to file a resolution with the Secretary of State approving the redistricting plan.

(d) If a plan is not adopted by a chamber of the General Assembly, the Commission shall approve an alternative redistricting plan no later than third Monday in June, and the Chair of the Commission shall

deliver that plan to the appropriate chamber of the General Assembly on the third business day after approval. The appropriate chamber of the General Assembly shall approve or reject that plan in the same manner established by subsection (c). Each chamber shall have until the first Monday in July to file a resolution with the Secretary of State approving the alternative redistricting plan.

(e) If a plan is not approved by a chamber of the General Assembly by the first Monday in July, the Commission shall approve by a majority one of the two previous plans submitted to the appropriate chamber of the General Assembly under subsections (c) and (d). The Chair of the Commission shall file the approved redistricting plan for the appropriate chamber with the Secretary of State not later than the third Monday in July.

(f) If at any time the Temporary Redistricting Advisory Commission fails to meet one of the deadlines set forth herein, the Chief Justice of the Supreme Court and a Supreme Court Judge chosen by the Judges of the Supreme Court who are not of the political party of the Chief Justice shall within ten days jointly appoint and certify to the Secretary of State one person to act as Special Master to generate any maps not previously approved. No person may serve as Special Master who is not eligible to serve on the Temporary Redistricting Advisory Commission. A person who serves as Special Master is not eligible to be elected to the General Assembly or appointed to any office that is subject to confirmation by the Senate for ten years after completion of service as a Special Master. A Special Master shall consider all redistricting plans delivered by or submitted to the Temporary Redistricting Advisory Commission, the Senate, or the House as applicable. The Special Master shall have authority to hire independent assistance, make available the data received from the United States Census Bureau, together with redistricting software, to the public within three days of receipt unless the Temporary Redistricting Advisory Commission has already done so; shall conduct at least five public hearings on separate days around five distinct geographic regions of the State after receipt of the data from the United States Census Bureau and before promulgating any preliminary redistricting plans, and shall hold at least three public hearings on separate days around three distinct geographic regions of the State after promulgating any preliminary redistricting plans and before finalizing any plan or plans. All documents submitted to or utilized by the Special Master shall be made available to the public within a reasonable amount of time. The Special Master shall file a redistricting plan complying with the criteria set forth in subsection 3(b) for the Legislative Districts and Representative Districts, as applicable, with the Secretary of State not later than September 30.

~~(a) Legislative Districts shall be compact, contiguous and substantially equal in population. Representative Districts shall be compact, contiguous, and substantially equal in population.~~

~~(b) In the year following each Federal decennial census year, the General Assembly by law shall redistrict the Legislative Districts and the Representative Districts.~~

~~The members shall be certified to the Secretary of State by the appointing authorities. A vacancy on the Commission shall be filled within five days by the authority that made the original appointment. A Chairman and Vice Chairman shall be chosen by a majority of all members of the Commission.~~

~~Not later than August 10, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members.~~

~~If the Commission fails to file an approved redistricting plan, the Supreme Court shall submit the names of two persons, not of the same political party, to the Secretary of State not later than September 1.~~

~~Not later than September 5, the Secretary of State publicly shall draw by random selection the name of one of the two persons to serve as the ninth member of the Commission.~~

~~Not later than October 5, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members.~~

(g) A An approved redistricting resolution or redistricting plan filed with the Secretary of State shall be presumed valid, shall have the force and effect of law and shall be published promptly by the Secretary of State.
