WHEREAS, The United Nations defines the term genocide as any of the following acts committed with intent to destroy, in whole or in part, a national, ethnic, racial, or religious group, including killing members of the group; causing serious bodily or mental harm to members of the group; deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; imposing measures intended to prevent births within the group; or forcibly transferring children of the group to another; and

WHEREAS, The segregation and degradation of the minority Christian Armenian population by the Turkish government began with Ottoman rule in the mid-1800s; the brutality escalated during the reign of the Young Turks, immediately following the First World War; and

WHEREAS, A century ago this year, Armenian heritage came under threat once more, as thousands of their monasteries and churches were desecrated or destroyed, national institutions and schools, razed to the ground, and the surviving Armenian people, scattered across the world; and

WHEREAS, Clean Line Energy Partners, LLC, plans on constructing the Grain Belt Express Line, a 750-mile overhead transmission line that would carry electricity produced by Kansas wind farms across portions of Kansas, Iowa, Missouri, and Illinois; and

WHEREAS, The central Illinois portion of the transmission line would span the entire width of the State, including Macoupin, Montgomery and Christian Counties in the 95th Legislative District; and

WHEREAS, The majority of the energy transported along the transmission line will benefit consumers on the East Coast and will not be used by rate payers in Illinois; and

WHEREAS, The transmission line will likely have a detrimental impact on landowners in these areas, as the transmission towers will decrease the value of their land and will make it more difficult for them to farm their property; and

WHEREAS, Clean Line Energy Partners, LLC has, in the past, submitted to the United States Department of Energy an application for "Federal Siting Authority", which would grant the company the powers of eminent domain; and

WHEREAS, The powers of eminent domain would allow a private company to seize land from private landowners that refuse to grant easements to their property that would allow construction of the transmission line; and

WHEREAS, Anything that encroaches upon the property rights of individual land owners in Illinois needs to be carefully considered before being enacted; and

WHEREAS, On April 10, 2015, Clean Line Energy Partners, LLC submitted an application to the Illinois Commerce Commission for a Certificate of Public Convenience and Necessity; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois Commerce Commission to carefully consider the application submitted by Clean Line Energy Partners, LLC for its Grain Belt Express Line, and to grant the application only if the company identifies clear and substantial benefits to the State of Illinois that definitively outweigh any deprivation of property rights or land value of the citizens of Illinois; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Illinois Commerce Commission.

HOUSE JOINT RESOLUTION 66

Offered by Representative Batinick:

WHEREAS, Rising tuition costs in Illinois make it increasingly difficult for students to pursue secondary education; and

WHEREAS, Illinois' public universities rank as the fifth highest average tuition costs of any state in the United States; and

WHEREAS, There has been a 73% increase in average public university total cost of attendance from 2002 to 2014; and

WHEREAS, Increased costs have driven student enrollment downwards in Illinois public universities; and

WHEREAS, A study conducted by the State Higher Education Executive Officers Association found that there had been a 10% increase in public university enrollment nationwide from 2008 to 2013; in that same time however, there has been a 4.1% decrease in enrollment at public universities in Illinois, one of only 2 states to have a decrease during that time; and

WHEREAS, Illinois has been hurt with an increasing occurrence of "brain drain" in recent years; and

WHEREAS, According to a 2012 study conducted by the National Center for Education Statistics, Illinois was the 2nd highest exporter of college freshmen in the country; as these students leave, they are not likely to return to Illinois; and

WHEREAS, By 2018, experts predict that 64% of all jobs in Illinois will require post-secondary education, yet currently only 42% of working-age adults ages 25 to 64 in Illinois hold a 2 or 4-year college degree; and

WHEREAS, It has been shown that State assistance does not reflect the true cost of higher education in Illinois; the Illinois Student Assistance Commission has reported that the Monetary Award Program currently serves about half the applicants who are eligible and covers about 35% of tuitions and fees at a public university in this State; and

WHEREAS, In 2002, the State was able to meet the needs of all eligible applications and fully covered average public university or community college tuition and fees; and

WHEREAS, The average Monetary Award Program grant award covers only \$2,700 of tuition and fees; therefore, be it
