HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 864

Offered by Representative Moeller:

WHEREAS, Enbridge, a Canadian pipeline company, has pipelines running through Illinois carrying crude oil and tar sands oil; this poses a risk of leaks and spills to the towns and cities, the farms and waterways, and the wetlands of Illinois and to Illinois residents; and

WHEREAS, Enbridge was responsible for the 2010 Kalamazoo Oil Spill in Michigan, the largest inland oil spill in the United States, and while it claims that it has fully cleaned up the spill, local residents say that the river is toxic and unsafe for fishing and for all the recreational uses that they enjoyed before the 2010 spill; and

WHEREAS, Enbridge has a history of 800 other spills, including the 2010 spill in the Village of Romeoville, litigation about which is still ongoing; and

WHEREAS, The Illinois Commerce Commission has given Enbridge a certificate of "good standing" to expand and build additional sections of pipeline, using the rationale that the citizens of Illinois urgently need the oil that Enbridge is transporting; and

WHEREAS, The notion that the citizens of Illinois urgently need the oil that Enbridge is transporting is belied by the fact that a large portion of that oil is being refined and exported to other countries; and

WHEREAS, The decision that a constant supply of oil is a "public good" is further belied by the looming threat of climate change and the impending climate crisis; and

WHEREAS, The public good of the citizens of Illinois would be better served by massive investments in renewable energy and conservation; and

WHEREAS, The certificate of "good standing" gives Enbridge the right to use Illinois courts to demand that landowners give it easements to put new sections of pipeline across their lands and to use eminent domain to force the landowners to comply on terms largely favorable to Enbridge; and

WHEREAS, Enbridge is using that power of eminent domain in a bullying fashion, forcing landowners who do not want that pipeline to accept the pipeline and Enbridge's terms for it; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge Enbridge and any other pipeline company transporting fossil fuels to have an environmental impact study conducted by a third-party scientific organization with no ties to the industry before they lay any new section of pipe and before any section of existing pipe begins to transport tar sands oil or natural gas extracted by fracking; and be it further

RESOLVED, That any environmental impact study must include the long-term impact of burning fossil fuels on the looming climate crisis; and be it further

RESOLVED, That Enbridge and any other pipeline company must be held fully responsible for any environmental damages caused by leaks or spills or for agricultural damage to the farms through which their pipelines pass.

HOUSE RESOLUTION 873

Offered by Representative Kelly Burke:

WHEREAS, Giving Tuesday was established as a national day of giving on the Tuesday following Thanksgiving; and

WHEREAS, Giving Tuesday is a celebration of philanthropy and volunteerism where people give whatever they are able to give; and

WHEREAS, Giving Tuesday is a day where citizens work together to share commitments, rally for favorite causes, build a stronger community, and think about other people; and

WHEREAS, It is fitting and proper on Giving Tuesday and every other day to recognize the tremendous impact of philanthropy, volunteerism, and community service in the State of Illinois; and

WHEREAS, Giving Tuesday is an opportunity to encourage citizens to serve others throughout this holiday season and during other times of the year; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we designate December 1, 2015 as Giving Tuesday in the State of Illinois and encourage all citizens to join together to give back to the community in any way that is personally meaningful.

HOUSE RESOLUTION 877

Offered by Representative Hoffman:

WHEREAS, The growing trade deficits, driven by the North American Free Trade Agreement (NAFTA), China's accession to the World Trade Organization, and the U.S.-Korea Free Trade Agreement, have displaced 700,000 jobs, 3.2 million jobs, and 75,000 jobs respectively; and

WHEREAS, U.S. employment in manufacturing dropped by 5 million from 2000 to 2015; and

WHEREAS, Jobs lost due to trade devastate families and entire communities and can permanently reduce lifetime earnings for hundreds of thousands of workers; and

WHEREAS, The long decline of the American manufacturing base, exacerbated by bad trade policies that reward outsourcing, has undermined our economic security and poses a direct threat to our national security; and

WHEREAS, The offshoring of manufacturing and service jobs deprives local and state governments of sorely needed revenues, jeopardizing the livelihoods of millions of public servants, as well as construction workers whose jobs depend upon infrastructure building, repair, and maintenance; and

WHEREAS, The U.S. annual trade deficit has increased dramatically from \$70 billion in 1993, the year before NAFTA went into effect, to more than \$508 billion in 2014; and

WHEREAS, Foreign investors have already used NAFTA's investor-to-state dispute settlement (ISDS) provisions to challenge decisions regarding local building permits, environmental regulations, and state bans on toxic chemicals and decisions of state courts; and

WHEREAS, Climate change and environmental degradation threaten communities across the globe and ISDS provisions in the Trans-Pacific Partnership (TPP) may expose nations enacting policies to fight climate change to ISDS cases that undermine these efforts; and

WHEREAS, Promoting economic growth with equity in Illinois requires an approach that reforms the entire trade negotiation process to ensure that the voices of workers, farmers, small businesses, families, and communities are heard and their interests addressed; and

WHEREAS, The TPP has effectively shut state and local governments out of the process, limiting our ability to influence its rules to ensure the people of Illinois can participate in the benefits of trade; and

WHEREAS, Given the enactment of fast track trade negotiating authority, states, localities, and their citizens will have no opportunity to correct shortcomings in the TPP; and

WHEREAS, Repeating old mistakes in negotiating new trade agreements such as the TPP represents a missed opportunity to strengthen our economy, reduce income inequality, and promote sustainable growth; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we call upon our elected officials in the U.S. Senate and U.S. House of Representatives to oppose the Trans-Pacific Partnership and any similar trade deals if they fail to restructure the misguided and failed policies of the past; and be it further

RESOLVED, That we call upon our elected officials in the U.S. Senate and U.S. House of Representatives to support new trade deals such as the TPP only if they do the following:

- (1) protect and promote traditional state and local prerogatives and authority under our federal system by ensuring that states and localities will not be required to comply with certain commitments, including any restrictions on preferences for local, state, or U.S. goods or services, without prior informed consent of the legislature or local lawmaking body;
- (2) ensure balanced trade and address the excessive, job-killing U.S. trade deficit;
- (3) include enforceable rules against currency manipulation;
- (4) exclude investor-to-state dispute settlement (ISDS) and other provisions that favor

foreign companies over domestic ones and undermine public choices;

(5) ensure that countries cannot undercut U.S.-based producers with weaker labor and environmental laws and enforcement;

(6) ensure that the U.S. will engage in robust enforcement of trade rules, including labor and environmental rules;

(7) include strong rules of origin to promote economic growth and job creation in the U.S.;

(8) promote high standards of protection for workplaces, products, and natural resources rather than promoting a race to the bottom; and

(9) put the interests of people over the interests of private profit; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President pro tempore of the U.S. Senate, the Speaker of the U.S. House of Representatives, and each member of the Illinois congressional delegation.

HOUSE JOINT RESOLUTION 104

Offered by Representative Bryant:

WHEREAS, It is highly fitting that we remember those who contributed to the betterment of the State of Illinois; and

WHEREAS, Captain Joseph Laur was born in Indian Village, St. Francois, Lower Canada on March 14, 1814, one of 6 children of Charles and Luch Laur; and

WHEREAS, Captain Joseph Laur emigrated from Canada to Lincoln, Massachusetts in 1833; after working there for a few years, he began flat-boating around 1839 on the Ohio and Mississippi rivers, hauling merchandise from Pittsburgh, Pennsylvania to New Orleans, Louisiana, where he would sell the merchandise, dismantle the boat, sell the lumber, and return on foot by way of the Natchez Trace, which was being traversed by a constant stream of boatman during that era; and

WHEREAS, Captain Joseph Laur established a permanent home in Knob Prairie in Jefferson County in 1841; and

WHEREAS, Captain Joseph Laur mustered into the Union Army on October 19, 1861 as a First Lieutenant in Company K, Illinois Volunteer Infantry Regiment, commanded by Col. W.R. Morrison; and

WHEREAS, Captain Joseph Laur was promoted to Captain on June 10, 1862 and thus earned the nickname "Cap"; he fought at the battles of Fort Donelson, Shiloh, Corinth, the Red River expedition, and the siege of Vicksburg; he was injured in combat and discharged in September of 1865; and

WHEREAS, Captain Joseph Laur was awarded the contract on Star Route 11799 and served each post office from Ashley to Moore's Prairie; and

WHEREAS, Captain Joseph Laur died on June 8, 1895; during his time, Williamsburg became Old Town and was superseded by Waltonville; and

WHEREAS, Captain Joseph Laur's service to the United States and the State of Illinois has greatly benefited the surrounding communities; therefore, be it
