Pastor Crawford: "Let's pray. Gracious and most sovereign God, we humbly approach Your throne of love and grace. We ask Your blessings to be upon this august Assembly, upon the Speaker of this House, all its Leaders, all of its Members, and all of their families. Father, You are the author and finisher of our faith and the giver of our life. So, today we turn our hearts and our minds to You for help. Your word says that You, oh God, are a very present help in the time of our need. Help us today to do what You have called us to do that we may do it in grace and with integrity, that we may do it in love and with mercy, that we may do it in compassion with unselfish hearts, that we may do it with wisdom and with understanding, that we may do it in fear and with reverence. Help us today, oh God, to do our jobs in a way that would hear You say unto us all, well done my good and faithful servants. This we pray, in Your son's name, Amen."

Speaker Lang: "We will be led in the Pledge by Mr. Connor."

Connor - et al: "I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

Speaker Lang: "Roll Call for Attendance. Leader Currie."

Currie: "Thank you, Speaker. Please let the record reflect that Representatives Flowers, Harper, Hernandez, Jones, Rita, Slaughter, and Tabares are excused today."

Speaker Lang: "Mr. Demmer."

Demmer: "Thank you, Mr. Speaker. Please let the record reflect that Representatives Andersson and Welch are excused."

93rd Legislative Day

- Speaker Lang: "Mr. Clerk, please take the record. We have 106 Members answering the roll and the House has a quorum. The Chair recognizes the Majority Leader."
- Currie: "Thank you, Speaker. I have two announcements to make. First, our colleague, Silvana Tabares, and her husband, our staffer, Sean Murray, produced a new Democrat on December 16. His name is Michael James Murray and I hope you will all join me in welcome... welcoming to our planet, to our Earth. And second, I'd like to introduce a new colleague for us. The replacement for Representative Dan Beiser in Rep District 111 is Monica Bristow, who is a longtime community activist. Her Husband and children live in... in, I think, Godfrey, Illinois. And we are very happy to have her on board. So, please join me in welcoming Monica."
- Speaker Lang: "Welcome aboard, Representative. Why don't you say hello to us?"
- Bristow: "Good afternoon everybody. I'm happy to be here."
- Speaker Lang: "Best speech ever. Take a lesson, Members. Mr. Davidsmeyer is recognized."
- Davidsmeyer: "Thank you, Mr. Speaker. Point of personal privilege."
- Speaker Lang: "Please proceed, Sir."
- Davidsmeyer: "I will be a little bit longer than that. So first, I want to make sure that we look up into the gallery behind me. We've got members of the goalball teams for the Illinois School for the Visually Impaired. If everyone could listen up, I'd appreciate it. I know everyone's saying hi and happy to be back. But members of the Illinois School for the Visually Impaired goalball team are behind me, and I want to...

93rd Legislative Day

1/30/2018

introduce them. Having trouble with my words this morning. First I want to say, the girl's team got first place in the North Central Association of Schools for the Blind Goalball Conference Championship which is the equivalent to our state. I want to introduce the girls. They are Tori Lynch, Jade Bryson, Sadi Stengel, Lindsey Bates, Alyssa Root, Kaitlyn Ryan, and Coach Barbara Strang. Congratulations on that first place finish. And I want to introduce the boy's team, who actually got second place this year. And they are Leo Tomich, Bernie Roach, Jaylen Brady, Dane Edwards, Coach Darla Chambers. And they told me they're going to win it next year. There was a big kid from Wisconsin that was a really good player, but he's graduating next year... or this year. So, they're going to go back and win it all next year. So, I hope we can wish them all a big congratulations."

Speaker Lang: "Congratulations. Thank you for being in the House chamber with us. Mr. Meier."

Meier: "Thank you... thank you, Mr. Speaker. Point of personal privilege."

Speaker Lang: "Proceed, Sir."

Meier: "I would like to welcome Remington Warden, a Page for a day. And she is from Dorsey and her parents, Ron and Nancy, are right up here behind us. And she's in 4th grade and she goes to St. Peter's Lutheran School. She enjoys leadership, art, and P.E. I'd like everybody to give her a welcome for today."

Speaker Lang: "Welcome. Thanks for being here. Representative Mah is recognized."

Mah: "Point of personal privilege."

93rd Legislative Day

1/30/2018

Speaker Lang: "Please proceed."

"Thank you, Mr. Speaker. I would like to bring to the Mah: attention to this Body that today, January 30, is recognized in many places around the country as Korematsu Day. In honor of Fred Korematsu, an Asian American civil rights leader, who stood up against the mass incarceration of Japanese Americans during World War II. Last year, this Body passed a Resolution recognizing Korematsu Day in Illinois. This year, another measure is in the process of moving through the General Assembly to recognize Korematsu Day in perpetuity in our state. Fred Korematsu believed very strongly that the imprisonment of Japanese Americans including almost 7... 70 thousand American citizens was wrong. And so, he defied orders to submit to imprisonment and took his case all the way to the Supreme Court. Unfortunately and quite shamefully, the court upheld the decision to imprison Korematsu along with more than 120 thousand other Japanese Americans. But in 1983, his conviction was overturned. And in 1988, incarcerated under Executive Order 9066 received a formal apology from the US Government. Throughout his life, Korematsu spoke out against injustice and discrimination, defended the voices... the voiceless and the vulnerable, and worked in solidarity with groups denied their civil liberties such as Muslim Americans after 9/11. If he were alive today, he would be speaking out vociferously against the idea of a Muslim registry, and he would be a strong champion of immigrants and refugees currently being scapegoated and singled out because of unfounded threats to national security. Today more than ever, we need to be

93rd Legislative Day

1/30/2018

reminded of the mistakes of the past. So that we remain vigilant about the need to uphold civil rights, human rights, and in the United States especially, do what we must do to protect our civil liberties. Thank you and I ask for a moment of silence so that we may recognize Korematsu Day and see him as a shining example of the ongoing necessity of fighting for civil rights and civil liberties in our society today. Thank you very much."

- Speaker Lang: "The Body will take a moment of silence. Thank you, Representative. Chair recognizes Mr. Harris."
- Harris, D.: "Thank you, Mr. Speaker. It's good to be back. You're
  looking especially good today. Point of personal privilege,
  if I may?"
- Speaker Lang: "Well, if you're going to say nice things to me, you can have a point."
- Harris, D.: "You know, Ladies and Gentlemen, this is an election year. And in election year we hear about everything that's bad about our state and how the candidate is going to make things better. And I understand that, I've been a candidate and I do that too. But it's also the bicentennial year of... of Illinois. So, I think it's appropriate to say some good things about Illinois and I'd like to do that with my points of personal privilege. And the first thing I want to do is mention that Wisconsin, the State of Wisconsin, has launched an ad to lure Chicago millennials to Wisconsin. And they put a million dollars behind the ad between now and June and they're willing to expand that almost to \$7 million on a longterm campaign, a marketing campaign, to lure millennials from Chicago to go north. Now why are they doing that? Because

93rd Legislative Day

1/30/2018

Millennials and young professionals want to live in Chicago. And let me quote from you, if I can, from Crain's Chicago Business, Chicago is now the nation's best educated big city. 'The share of Chicagoans over age 25 with bachelor's degree or higher leapt from 29.3 percent in 2006 to 38.5 percent last year. That hike was larger than any of the country's four other most populous cities, New York, Los Angeles, Houston, and Philadelphia, and more than twice the national average. Stunningly, a greater share of adults in Chicago now hold degrees, 38.5 percent, than in New York which is 37 or even the U.S. as a whole which is 31 percent.' So I say to Wisconsin, you've got a great state. Milwaukee and Racine and Madison and Sheboygan and Green Bay, those are all enjoyable places. But my message to our colleagues to the north of the border is, you're wasting your dollars. The millennials and the young professionals want the vitality and creative atmosphere of Chicago. And they may be happy to visit, as your license plate says, America's dairy land, but Chicago in Illinois is the place they want to stay and live. Good for Illinois."

Speaker Lang: "Thank you, Representative. A bit of good news.

Supplemental Calendar #1, Order of Resolutions. HJR96, Leader

Currie."

Currie: "Thank you. This is the Resolution that... that provides for the calling of the State of the State tomorrow, the joint Session with the Senate. And I would ask you to adopt the Resolution."

93rd Legislative Day

1/30/2018

Speaker Lang: "Those in favor of the Resolution say 'yes'; opposed 'no'. The 'ayes' have it. And the Resolution is adopted. The Chair recognizes Representative Manley."

Manley: "Point of personal privilege."

Speaker Lang: "Proceed, please."

Manley: "I would like all the Members to wish my... not one of... he's right to the east of me in Lockport. John Connor's birthday is today. I think he's 21. Where'd he go? He just missed his birthday. Happy... well I just wanted to wish him a happy birthday. Where is he?"

Speaker Lang: "He's back."

Manley: "There he is. Happy birthday."

Speaker Lang: "Don't know what he was doing on his birthday, but he's back. Page 3 of the Calendar, Agreed Resolutions. HJR72, Mr. Pritchard. Proceed, Sir."

Pritchard: "Are we going to read it or do I just need to proceed?

Mr. Chairmen and Ladies and Gentlemen of the House, like many of you our community college system has been working for the state and for local residences for now a number of years.

Kishwaukee Community College in my district is going to be celebrating their 50th anniversary later this month."

Speaker Lang: "Mr. Pritchard... Mr. Pritchard, this Resolution relates to Mr. Long."

Pritchard: "It does? I thought we passed that months ago."

Speaker Lang: "HJR72 is on the Calendar, Sir. Why don't you tell us about Mr. Long?"

Pritchard: "Very good. Well, as you know, the former Director of...

COGFA has retired and Clayton Klenke is the new Executive

Director. But Dan Long was an individual that served the State

of Illinois in a number of different capacities and retired with distinction. And we wanted to recognize his contributions through this Resolution. Thank you."

Speaker Lang: "Thank you, Sir. Those in favor of the Resolution say 'yes'; opposed 'no'. The 'ayes' have it. And the Resolution is adopted. House Resolution 231, Mr. Butler. Out of the record. House Resolution 647, Representative Jimenez. Proceed, please."

Jimenez: "Thank you, Mr. Speaker."

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at least 6 months after the adoption of this resolution a proposition to amend the Illinois Constitution by adding Section 12 to Article IX as follows:

93rd Legislative Day

1/30/2018

#### ARTICLE IX

#### REVENUE

#### SECTION 12. TAXPAYER'S BILL OF RIGHTS

- (a) This Section shall be construed to reasonably restrain the growth of government. All provisions are self-executing and severable and supersede conflicting provisions of State and local law. Other limits on revenue, spending, and debt incurred by districts may be weakened only by future voter approval. Individual or class action enforcement suits may be filed and shall have the highest civil priority of resolution. Successful plaintiffs are allowed costs and reasonable attorney fees, but a district shall not be allowed those costs and fees unless the suit against it is ruled frivolous. Revenue collected, kept, or spent illegally since 4 full fiscal years before a suit is filed shall be refunded with 10% annual simple interest from the initial conduct. Subject to judicial review, districts may use any reasonable method for refunds under this Section, including temporary tax credits or rate reductions. Refunds need not be proportional when prior payments are impractical to identify or return. When annual district revenue is less than annual payments on general obligation bonds, pensions, and final court judgments against the district, subsections (b) and (d) shall be suspended to provide for the deficiency.
- (b) Beginning on January 1 of the first calendar year after this Section takes effect, districts must have voter approval in advance to:
- (1) except as provided in subsection (a) or subsection(c), enact any new tax or tax rate increase, extend an

93rd Legislative Day

1/30/2018

expiring tax, or implement a tax policy change directly causing a net tax revenue gain to any district; and

- (2) except for refinancing indebtedness of the district at a lower interest rate or adding new employees to existing district pension plans, issue bonds or other evidences of indebtedness that mature after the last day of the fiscal year in which they are issued without adequate present cash reserves pledged irrevocably and held for payments in all future fiscal years.
- (c) Notwithstanding the provisions of subsection (b), a district may impose emergency taxes, subject to the following conditions:
- (1) in the case of emergency taxes imposed by the State, a 2/3 majority of the members of each house of the General Assembly must declare the emergency and impose the tax by separate recorded roll call votes;
- (2) in the case of emergency taxes imposed by a unit of local government or school district, a 2/3 majority of the governing body of the unit of local government or school district must declare the emergency and impose the tax by separate recorded roll call votes;
- (3) emergency tax revenue shall be spent only after emergency reserves are depleted and shall be refunded within 180 days after the emergency ends if not spent on the emergency;
- (4) a tax not approved on the next election date 60 days or more after the declaration shall end with that election month; and
  - (5) emergency property taxes are prohibited.

93rd Legislative Day

1/30/2018

- (d) Each district shall reserve 3% or more of its fiscal year spending, excluding bonded debt service, to be used for declared emergencies only. Unused reserves may be applied to the next year's reserve.
- (e) The maximum annual percentage change in State fiscal year spending equals inflation plus the percentage change in State population in the prior calendar year, adjusted for revenue changes approved by voters after the effective date of this Section. Population shall be determined by annual federal census estimates, and such number shall be adjusted every decade to match the federal census. The maximum annual percentage change in each local district's fiscal year spending equals inflation in the prior calendar year plus annual local growth, adjusted for revenue changes approved by voters after the effective date of this Section and reductions otherwise required under this Section. The maximum annual percentage change in each district's property tax revenue equals inflation in the prior calendar year plus annual local growth, adjusted for property tax revenue changes approved by voters after the effective date of this Section and reductions otherwise required under this Section. If revenue from sources not excluded from fiscal year spending exceeds these limits in dollars for that fiscal year, the excess shall be refunded in the next fiscal year unless voters approve a revenue change as an offset. Initial district bases are current fiscal year spending and property taxes collected in the first year after this Section takes effect. Future creation of district bonded debt shall increase, and retiring or refinancing district bonded debt shall lower, fiscal year

93rd Legislative Day

1/30/2018

spending and property tax revenue by the annual debt service so funded. Debt service changes, reductions, refunds, and voter-approved revenue changes are dollar amounts that are exceptions to, and not part of, any district base. Voter-approved revenue changes do not require a tax rate change.

(f) Referenda under this Section shall be decided at a general or consolidated election. At least 30 days before an election at which a referendum under this Section will appear on the ballot, districts shall mail at the least cost, and as a package where multiple districts with referenda overlap, a notice addressed to "All Registered Voters" at each address of one or more active registered electors. The notice must contain the following title:

"NOTICE OF ELECTION TO (INCREASE TAXES) (INCREASE DEBT)."

In addition to the title, the notice shall include only the following information:

- (1) the election date, hours, ballot title, text, and local election office address and telephone number;
- (2) for proposed district tax or indebtedness increases, the estimated or actual total of district fiscal year spending for the current year and each of the past 4 years, and the overall percentage and dollar change;
- (3) for the first full fiscal year of each proposed district tax increase, district estimates of the maximum dollar amount of each increase and of district fiscal year spending without the increase;
- (4) for proposed district indebtedness, its principal amount and maximum annual and total district repayment cost,

93rd Legislative Day

1/30/2018

and the principal balance of total current district indebtedness and its maximum annual and remaining total district repayment cost; and

- (5) two summaries, up to 500 words each, one for and one against the proposal, of written comments filed with the election officer by 45 days before the election; no summary shall mention names of persons or private groups, nor any endorsements of or resolutions against the proposal; petition representatives following these rules shall write this summary for their petition; the election officer shall maintain and accurately summarize all other relevant written comments. Except by later voter approval, if a tax increase or fiscal year spending exceeds any estimate in item (3) of this subsection for the same fiscal year, the tax increase is thereafter reduced up to 100% in proportion to the combined dollar excess, and the combined excess revenue refunded in the next fiscal year.
- (g) As used in this Section:

"District" means the State, any non-home rule unit of local government, and any school district.

"Emergency" excludes economic conditions, revenue shortfalls, or district salary or fringe benefit increases.

"Fiscal year spending" means all district expenditures and reserve increases except, as to both, those for refunds made in the current or next fiscal year or those from gifts, federal funds, collections for another government, pension contributions by employees and pension fund earnings, reserve transfers or expenditures, damage awards, or property sales.

93rd Legislative Day

1/30/2018

"Inflation" means the percentage change in the Consumer Price Index for All Urban Consumers as issued by the United States Department of Labor.

"Local growth" for a non-school district means a net percentage change in actual value of all real property in a district from construction of taxable real property improvements, minus destruction of similar improvements, and additions to, minus deletions from, taxable real property. For a school district, it means the percentage change in its student enrollment.
