Speaker Burke: "Roll Call for Attendance. Leader Harris is recognized to report any excused absences on the Democratic side of the aisle."

Harris: "Madam Speaker, let the record reflect that Representative Carol Ammons is excused today."

Speaker Burke: "Thank you. Representative Spain is recognized to report any excused absences on the Republican side of the aisle."

Spain: "Thank you, Madam Speaker. Please let the record reflect that Representative Marron is excused today."

Speaker Burke: "Have all recorded themselves? Mr. Clerk, please take the record. There being 115 Members answering the roll call, a quorum is present. Representative Unes, for what reason do you seek recognition?"

Unes: "Thank you, Madam Chair. Point of personal privilege."

Speaker Burke: "Please proceed."

Unes: "Thank you, Madam Speaker. With us today, we have a foreign exchange student... college foreign exchange student from Germany. Behind me and standing, if they would both... if Gina and Alexander would both stand behind me... is Alexandra Schenk. She's a student intern this semester with Fondulac District Library in East Peoria. She's a Bachelor of Arts student in librarian information management. She's studying in Germany, and she's spending this semester interning at the District Library in East Peoria. She's learning about public libraries

and librarianship in the United States. She is in attendance today, behind me with Genna Buhr, who's the Library Director of Fondulac District Library. If we could please welcome both, Gina and Alexander, to Springfield today at the Capitol, I would appreciate it. Thank you very much."

Speaker Burke: "Representative Spain, for what reason do you rise?"

Spain: "Thank you, Madam Speaker. A point of personal privilege."

Speaker Burke: "Please proceed."

Spain: "Ladies and Gentlemen of the House, I am pleased to introduce my Page for the day. This is Will Jackson. He is a junior at Peoria Christian High School. He is president of the student council, captain of the Scholastic Bowl, and participates in varsity soccer. He enjoys history, politics, hunting. He wants to be a lawyer, so many of you in the chamber that are attorneys, I'll make that introduction. We're joined in the gallery by his dad here today, Dr. Matt Jackson, up in the gallery. Please give a very warm, Springfield welcome to Will Jackson."

Speaker Burke: "Representative Severin, for what reason do you rise?"

Severin: "Thank you, Madam Speaker. Point of personal privilege, please."

Speaker Burke: "Please proceed."

Severin: "I also have a Page today. With me, today, is Keaton Clodi. He's an eighth grader at Marion Junior High School, and he is interested in robotics and basketball. And he says that someday he's going to take this seat over and be a State Representative. So, we're glad to have him here today. He's

with his family. They had the opportunity to be in Chicago at some museums over the weekend. And so, we're glad to have Mr. Keaton Clodi. If you'd give a round of applause and welcome him to the House Floor, Keaton Clodi."

Speaker Burke: "Representative Reitz, for what reason do you rise?"

Reitz: "Point of personal privilege."

Speaker Burke: "Please proceed."

Reitz: "I have my nephew here, Jeremy Reitz who had a snow day today. He's a Pleasant Plains Grade School second grader. So I'd like everybody to give Jeremy a warm Springfield welcome."

Speaker Burke: "Representative Villa, for what reason do you seek recognition?"

Villa: "Point of personal privilege, Madam Speaker."

Speaker Burke: "Please proceed."

Villa: "Thank you. So, I never thought that I would have a day that was filled with more pride and excitement than Election Day 2018. I would have said that it was impossible, but it happened this last weekend. On November 8, the West Chicago Wildcat boys' soccer team defeated Edwardsville 2-1, gaining them a place at the state finals against Morton High School. In my alma mater's history, we have only brought home one state championship, which was for football in 1974. As a working class town, many have considered us an underdog, but West Chicago, we are a strong and vibrant town. We have a rich heritage, a diverse culture and a determination to fight, to preserve, and to win. When times get tough, our Wildcat pride has always helped unite our town. We are proud of our schools and the diverse opportunities that they provide for

our students. Our students have always gone on to achieve great things and more great things are in their future. When the boys' soccer team started this year's season, their coach Jose Villa, who is a West Chicago Alum and a teacher in our town, spoke to the players about winning the state championship. The boys embraced that goal and got right to work. Every win brought them closer to the main event of Saturday night. The boys on the team never looked for individual credit. They knew a team effort was needed to bring a win for our town. As I stood in the stands watching the intense match against Edwardsville on Friday, and then again against Morton on Saturday, surrounded by thousands of loving townies, I felt as though my heart could burst with pride. I want to thank Representative Katie Stuart for agreeing to participate in a friendly wager. And she stands on the House Floor today wearing the Wego Wildcat colors. Please join me in congratulating the West Chicago Wildcats 2019 IHSA 3A State Champions. Go Wildcats."

Speaker Burke: "Under the Order of Agreed Resolutions, we have House Resolution 536, offered by Leader Durkin. Mr. Clerk. Correction. To the order of Agreed Resolutions, we have House Resolution 590, offered by Leader Durkin. Mr. Clerk."

Clerk Bolin: "House Resolution 590, offered by Representative Durkin. be it

RESOLVED, That a suitable copy of this resolution be presented to Rep. McAuliffe and his wife Kim Morreale McAuliffe as a symbol of our respect and esteem."

Speaker Burke: "Leader Durkin is recognized on the Resolution."

Durkin: "Thank you, Madam Chair. Hi, Mike. How you doing? Good. Anyway, thanks for joining us today, Mike. While the Clerk did not have the ability to read the whole Resolution, I recommend all get a chance to take a look at it. It's like any fine piece of literature, it may make you laugh, it may make you cry but enjoy. But, Mike, it's good to have you here today, also with your betrothed, Kim. Good to see you, Kim. And there is... we didn't get a chance to say goodbye to you when you left last summer, and I think it's important that we recognize a friend of our caucus, a friend of this institution, and at least honor you appropriately. But, Mike, it's fascinating since 1972 until 2019 a McAuliffe has represented the northwest side of the City of Chicago in the Illinois House of Representatives, you and your father. And I think that that is just an amazing, amazing legacy and also a true statement about the McAuliffe family and their dedication to public service. Your father, with the police department and also serving here, but also you taking up after your father when we lost him in that tragic situation back in 1996. I got to know your father very well and what was

STATE OF ILLINOIS  
101st GENERAL ASSEMBLY  
HOUSE OF REPRESENTATIVES

69th Legislative Day

11/12/2019

important about your father, what he stressed importantly is that, look we can do everything we want here, but you know what? Everything is local. Your father was the master of ensuring that if you were going... if you love this job and you want to get reelected, you've got to be out in the streets talking to people on a constant basis. Helping them, whether it's passing out little information about the State of Illinois. And I remember you told me about the time your father would have you passing out books about tourism in Illinois over the summers. People like those little things, but those little things are what people respect and enjoyed about you. The fact is that you were approachable, you're a people's people and that's how you were able to serve as I look, 23 years in a Democrat City of Chicago. Pretty amazing. But, Mike, it's a... this is a sad moment for me because right now I am the oldest serving Member of the House of Representatives on the Republican side of the aisle. My license plate will go down one number, you got a lot of nerve to leave under those circumstances. But getting... talking about leaving, I think one of the things that we have to remember is that when you start this job you walk in with your head held high, you have your honor and your integrity. And the most important thing and I think the best thing can be said about somebody when they retire is that they walk out with their head high, with their honesty and integrity. And, Mike, you have done that. You have done that and I thank you for that. I can go into so many stories that we have shared over the years, Mike. And I recall, we were roommates at one point and a lot of good fun. But you and I have been through

STATE OF ILLINOIS  
101st GENERAL ASSEMBLY  
HOUSE OF REPRESENTATIVES  
TRANSCRIPTION DEBATE

11/12/2019

a lot, we have been through an impeachment. We've been through a couple of them. We talked about the issues and we talked about all the nuances of what happens at the state level. I don't recall if anybody was around when we had that but you were, you have been part of history. And because of that, it's important that we recognize you and also Kim for coming down here but by sharing your time with us, and, Kim, thank you for sharing Michael with us for all these years. I'm not sure if you know what you're in store for with Mike being home all the time but that's your problem and not ours. So, but in all seriousness, Kim, thank you for everything. I've gotten to know you quite well and your kids are just wonderful and they have a father they can look up to, and also a grandfather to look up to. And it's because of the service that Michael did, not only in this chamber but also more importantly what he did up in the Northwest of the City of Chicago. So, Michael, thank you again for your leadership. Thank you for your friendship. And thank you for the time that you spent with us down here. And so, with that, my friend Godspeed. And I'll ask any Members if they'd like to make some comments, we all know Mike well. This is a time to say pleasant things about him or to get in your last shots. So... but anyway I would ask that all Members be added as cosponsors to this... to this Resolution. I think it's appropriate. And, Mike, it's good to see you and thank you for joining us today."

Speaker Burke: "Representative Flowers is recognized."

Flowers: "Thank you, Madam Speaker. Mike, I would like to say that it's really been my pleasure. I served with your dad and

it was truly a pleasure to serve with him. And it was more extraordinary to serve with you because I got the opportunity to meet your beautiful wife and your lovely daughters. So, I just wish you all the success. And I want you to know that it has really been a pleasure and I wish you well. Thank you."

Speaker Burke: "Representative Willis is recognized.

Willis: "Thank you, Madam Speaker. Mike, I too, want to wish you the best. You and I shared a town, Franklin Park. And I know that while we were in different parties, we thought the same things and worked together much more than we were on opposite ends of issues. And I really find that rewarding and really great that we have that in this chamber that we have people that can find more things that we find in common than separate. And you are one of those men that I went to oftentimes with issues when I needed help on the other side of the aisle, and I thank you for that. You always were respectful and helpful in everything you did, and I wish you nothing but the best as you go forward with whatever life brings you. So thank you, Michael."

Speaker Burke: "Representative Stephens is recognized."

Stephens: "Michael, welcome again, back. This is the second week of Veto and here you are again. I kind of figured you'd be in camo up there like you're in a tree stand or something. But on behalf of the citizens of the 20th District, we thank you for your years of service. I thank you for your friendship. And if I do half as well as you and your father have done in this position, I will be hugely successful. So, best luck to you and go get them deer. Thank you."

Speaker Burke: "Representative Carroll is recognized."

Carroll: "Thank you. Actually I'm going to speak to your wife who I've known my whole life. We actually went to kindergarten together and a small known fact is actually that Leader Lang's son was in our class, too. So, you had three people that have made certainly an influence to this chamber or families or Members in the same class. So I want to thank Kim because she was the first person who actually reached out to me when I got this appointment and offered me her support. So thank you very much. I look forward to continue to talk to you. And, Michael, you have a great wife and enjoy your retirement. Thank you very much."

Speaker Burke: "Representative Lilly is recognized."

Lilly: "Thank you, Madam... I, too, would like to thank you for serving here in the Illinois General Assembly. Michael, you have broadened the many perspectives that I have learned here in this House of Representatives. We do share communities and villages that we both represent well. I've learned a lot about people who I would not have that opportunity to learn and get to understand their perspective, and I learned that through you. Your family, I thank you for your sacrifices and the giving of your loved one to us, Illinois. You have made the difference in our great state. And I thank you for your service and you will be missed, and I will personally miss you as well. God bless you and your family."

Speaker Burke: "Leader Durkin moves for the adoption of House Resolution 590. All those in favor say 'aye'; all those opposed say 'nay'. In the opinion of the Chair, the 'ayes' have it. And the Resolution is adopted. Representative Stuart, for what reason do you rise?"

Stuart: "Thank you. Point of personal privilege."

Speaker Burke: "Please proceed."

Stuart: "I... down here we talk a lot about how all you really have here is your word, and so, here I am keeping my word. Representative Villa and I had a fun little bet over the weekend. I want to start by saying congratulations to the Edwardsville Tigers on their third place victory at state. But I have to congratulate West Chicago for winning state in soccer and thanks to the athletic director of Edwardsville High School, Alex Fox, apparently, I am also now on the hook for providing your boys with a pizza party, so make sure you let me know what they want. I know they're teenage boys, they're going to eat a lot, so I will have to be ready for that bill, but congratulations again. Good job, West Chicago."

Speaker Burke: "Under the Order of Agreed Resolutions, we have House Resolution 569, offered by Representative Meier. Mr. Clerk."

Clerk Bolin: "House Resolution 569, offered by Representative Meier. be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we commend, honor, and thank Wilbert Vincent 'Vince' Rolves for his passionate and dedicated service to Illinois and his exemplary leadership during the Second World War and as a private citizen within the State of Illinois; and be it further

Meier: "Thank you, Ms. Speaker. Can I have it a little quieter in here a minute? This is the day after Veterans Day. Without our Veterans we wouldn't be here. They fought for our country. Standing behind me is Vince Rolves. Vince is 95. He walked to the Stratton Building, he walked to the Capitol, finally underneath the rotunda he decided maybe we should get him a wheelchair. Vince still drives. Vince was born in 1924 in Albers. Vince joined the 45th Infantry Division of the United States Army, fought in the North African region and the European Theatre of War during World War II. Vince, only after 6 months, was captured with his whole unit after being shot and was in a concentration camp for 18 months in the harsh Persian environment... Prussian environment as a prisoner of war. He was forced to do hard labor within the prison camp, was under threat of death and subject to bitter and icy environments and extreme malnutrition. Vince has been honored for his sacrifices with the Silver Star, a Bronze Star, and a Purple Heart, and a Prisoner of War Medal. Upon returning to Southern Illinois from Europe, Vince married his late wife Loretta Thouvenin on October 24, 1946. Vince started a trucking business and worked at Scott Air Force Base for 30 more years. Vince is an honorary member of the Clinton County Vietnam Veterans, who are up there by his side and also some of our Korean veterans. He's up... Director Chapa LaVia is up there with Vince. Vince doesn't miss a veteran's event, he doesn't miss a school event. And you better have some money on you if you see Vince because there is somebody somewhere

selling raffle tickets for something and Vince is going to have them in his hand. And right after you walk up to shake Vince's hand, he's going to ask you to buy some raffle tickets. It doesn't matter what's going on, whether the Clinton County Veterans are building another ramp for somebody or somebody else needs help, Vince is still always there. And I am very honored to have Vince with us here today, one day after Veterans Day. He tells us he hopes his next stop is going to be the White House. He'd like to go there, yeah. So, Vince, happy Veterans Day, a day late, and thank all the veterans for all they've done."

Speaker Burke: "Representative Meier moves for the adoption of House Resolution 569. All those in favor say 'aye', all those opposed say 'nay'. And in the opinion of the Chair, the 'ayes' have it. And the Resolution is adopted. The Clerk is in receipt of a Motion in writing to waive the posting requirements for a Bill. Leader Harris on the Motion."

Harris: "Madam Speaker, I move that the posting requirement be waived so that House Resolution 603 can be heard this week in the Human Services Committee."

Speaker Burke: "Leader Harris has moved to waive the posting requirements. All those in favor say 'aye'; all those opposed say 'nay'. In the opinion of the Chair, the 'ayes' have it. And the requirements are waived. The Chair recognizes Leader Willis for the purpose of an announcement."

Willis: "Thank you, Madam Chair. The Democrats announce that they'll be having a caucus in Room 114 immediately upon dismissal today."

Speaker Burke: "Representative Robinson, for what reason do you seek recognition?"

Robinson: "A personal point of privilege."

Speaker Burke: "Please proceed."

Robinson: "Today, Sigma Gamma Rho Sorority, Incorporated celebrates 97 years of service and social action. On November 12, 1922, seven young educators came together in the middle of Indiana to create Sigma Gamma Rho Sorority, Incorporated, a sisterhood that would grow to change the World. At the time of the organizations founding at Butler University in Indianapolis, the state was at the epicenter of the Ku Klux Klan, who successfully recruited more than 250 thousand Members across the state. In the middle of that hostile environment, the founders of Sigma Gamma Rho built a sorority that not only supported and encouraged black women to pursue higher education, but was also forced on serving the black community as well. Although founded by African American women in central Indiana, the sisterhood includes women from various religious, ethnic backgrounds with Membership here in the states, abroad, and recently chartering a chapter in Dubai. As the organization celebrates its 97th Founder's Day and prepares for its centennial celebration in 2022, I would like to recognize the sorority's impact on communities across Illinois and the women... these women... excuse me... continue to strive toward their moto of 'Great service and greater progress.' I would like to thank Khadija Berkeley to my left who has given me this honor. Khadija is on House Research
