Speaker Harris: "Thank you, Sir. Have all recorded themselves who wish? Have recorded themselves who wish? Mr. Clerk, please take the record. There being 108 Members answering the roll call, a quorum is present. Members, an announcement. This is a reminder of House Rule 51.5. Please remember to wear a face covering that covers the nose and mouth, except when necessary for eating or drinking. This includes when speaking on the microphone at your desk. Again, please remember to wear a face covering, including while speaking on the microphone, pursuant to House Rule 51.5. Thank you. Leader Durkin, for what reason do you seek recognition?"

Durkin: "Thank you, Mr. Speaker. A point of personal privilege."

Speaker Harris: "Please state your point."

Durkin: "Thank you very much. It's good to see everybody back in action. Glad to be here in the chamber today. But I want to use this time to state something that we should do more often, and that is to recognize one of us who has gone above and beyond. I think that's important for us to do that on a regular basis. You know, we're the ones who are front and center. We're the ones who get the attention, but we do that because we've got incredibly dedicated staff that make it

happen. It's just not the men and women who are our policy staff, people who work on communications... could I have everybody's attention, please? ...but also the doormen who work tiredly for us to make sure that we're protected and that we're safe. We just have to thank them every now and then for what they do. There's one person in particular that I want to recognize. That person in particular is our Wayne Padget. Wayne, are you here? Wayne, could you come over here? Right here young man. Wayne has been with us for 21 years, and he's just such a great person, but he showed his true character and dedication at the BOS Center in January tending to a fellow Member who fell ill, Representative Bailey. We weren't quite sure exactly what was going on, but, the fact is, it was very serious. Wayne, at that moment, sprung into action and controlled the situation with great care and professionalism. Now, we all remember that moment. Now, back in February, we passed a Resolution, which I sponsored, HR59, praising Wayne for his work that day. But he did it... we did that without fanfare. So, today I would like to praise him with some fanfare. I'd like to recognize Wayne with a framed Resolution, HR59, thanking him for his service. Wayne, you're a good, decent man, and we're lucky to have you. You love this chamber and it's Members, and, the bottom line is, you would take a bullet for any one of us. So, this is my time in which I'm going to say, on behalf of the House of Representatives, thank you for your 21 years of dedication and thank you for what you did for one of our Members last January."

Speaker Harris: "And, Wayne, speaking on behalf of every Member on our side of the aisle, too, we echo every word Leader Durkin said and just thank you for your years of service. So, thank you, Sir. And another announcement, Ladies and Gentlemen. House Rulebooks are available from the Clerk at the well. Those of you who are fascinated, you may pick up your complimentary copy of the House Rulebook at the well. Representative Mazzochi is first in line. Leader Manley is recognized for a Motion."

Manley: "Speaker, I move that House Rule 42(a) be suspended to allow for more than 80 Bills to be listed on Consent Calendar-Second Reading-First Day. This is necessary due to the limited Session days, plus, thus far, which has caused the number of Bills recently reported to the Consent Calendar to pile up. The Bills will subsequently be broken up into groups of no more than 80 and advanced forward to ensure that there is no vote taken on more than 80 Bills on Consent Calendar-Third Reading."

Speaker Harris: "The question is, 'Shall the House suspend Rule 42(a) for the purpose of allowing more than 80 Bills to be listed on the Consent Calendar-Second Reading-First Day?' All those in favor vote 'aye'; all those opposed vote 'nay'. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Mr. Clerk, please take the record. On the Motion, there are 64 voting 'yes', 44 voting 'no', and 0 voting 'present'. And the Motion is adopted. Leader Ammons, for what reason do you seek recognition?"

Speaker Harris: "Representative Nichols, would you care to say a few words?"

Nichols: "Of course. If I can have everybody's attention. I'd first like to give honor and praise to our creator, for without God none of us would be sitting here. I give the same praise to our ancestors and all those that came before me, for without their infinite struggle and wisdom we would not be standing here today. I'm the son of Ulysses and Markusree Nichols. I am honored to be here. I'm a young man born and raised in Chicago, in Cabrini-Green neighborhood. My father worked for Tenneco chemicals and he would later work for the CHA. My mother was a community servant, not an activist. She was a servant. She took me everywhere that she went. The board meetings, the representative meetings, alderman meetings. She served young kids lunches in the summers. She made sure teenagers, at that time of 55 years old, she made sure at that time that they had summer jobs at the CEDA program. This is who I am. This is where my background lies. I'm not a guy that came down here looking to be something else later on. I'm a person that came down here to serve the people of the 32nd District in the State of Illinois. So, I won't stand before you much longer, but I am honored. My parents are resting with the Lord, and I know that they would be so proud

Lee, he didn't have to take me around, right? He volunteered his services, and that's what I think we all are here to do, to serve. So, thank you for that. And I'm just... again, I'm honored to be here. And thank you for your undivided attention. I really, really appreciate that on both sides. Thank you and God bless."

Ammons: "Thank you, Mr. Speaker. The Democratic Caucus will caucus immediately upon recessing."

Speaker Harris: "Representative Welter for purposes of an announcement."

Welter: "The House Republicans will caucus immediately following Session."

Speaker Harris: "Ladies and Gentleman, just to be clear, I don't want anyone to like get this one wrong. We are not adjourning. We are recessing, and we will come back to the floor immediately after caucus, and we will continue Session. So, Republicans go to your caucus, Democrats go to our caucus, and then all come back here. House stands in recess to the call of the Chair. Good afternoon, Ladies and Gentlemen. And it would also strike 'a majority' and replace with 'all'."
