

STATE OF ILLINOIS  
102nd GENERAL ASSEMBLY  
HOUSE OF REPRESENTATIVES  
TRANSCRIPTION DEBATE

34th Legislative Day

5/13/2021

Clerk Hollman: "House Perfunctory Session will come to order. Introduction and First Reading of Senate Bills. Senate Bill 1747, offered by Representative Mason, a Bill for an Act concerning revenue. First Reading of this Senate Bill. This will be referred to the Rules Committee."

Speaker Ramirez: "The House will be in order. Members will be in their chairs. We shall be led in prayer today by Lee Crawford, the Pastor of the Cathedral of Praise Christian Center in Springfield. Members and guests are asked to refrain from starting their laptops, turn off all their cell phones, and rise for the invocation and for the Pledge of Allegiance."

Pastor Crawford: "Let us pray. Gracious and sovereign God, giver and sustainer of life, and that life more abundantly, we pray and ask for your blessings to be upon this august Assembly, upon the Speaker of this House, upon its Leaders, all of its Members, and upon all of its staff. We pray that you draw each of them to near to you, remind them of how blessed they are to be close to you, and to know how close you are to them. We pray today, oh God, that you would walk alongside each of them, that their walk would fall in step with your steps and align with your purpose. We pray, oh God, that you would grant them encouragement, for when they work, their goals and their progress appear distant and their hopes seem frustrated and hopeless. We pray, oh God, that they, in these times, would find their hope and trust in you. We pray that you will guide them with your counsel and your wisdom when they find themselves inclined to lead and lean on their own impulse and understandings. We pray that in these times you would grant them confidence in your grace and in your wisdom and in your

plans. When they feel confounded with uncertainty and hesitation, God, give them the assurance in their hearts and in their minds that they are never alone. We pray, oh God, today that, despite their best efforts, there will be time when they may feel like they have failed so many. We pray that even in these uncomfortable moments of feeling that they have failed themselves and others, we pray that they will embrace this truth in your word, that there is no failure in you and those who place their faith and trust in you. For this we know. You, oh God, are the strength of their hearts. You, oh God, are the holder of their hands. You are the order of their steps. You, oh God, are the keeper of their mind. You, oh God, are the lifter of their heads. And you, oh God, are the architect of their lives. So, today they will lift up their eyes unto the hills from which comes their help, for all of the help comes from you. So, while they're on this battle field fighting for many, may your goodness and may your mercies follow them all this day. This we humbly pray and humbly ask in the name of your precious son, Amen."

Speaker Ramirez: "We will be led in the Pledge of Allegiance today by Representative Lewis."

Durkin: "With this position comes great responsibilities, and I'm sure you're up to the task. So, my question is, it is now May 13. We have little more than two weeks of Session left. Major issues that we have to confront. One, in particular, something that only comes up every 10 years, is the issue of the legislative redistricting process. Now, I have heard from your side of the aisle, up and down, that this is going to be a fair and transparent process. So, my question to you, when will we see the maps?"

Speaker Ramirez: "Leader..."

Durkin: "Yes."

Speaker Ramirez: "...thank you so much for your inquiry. We will look into it and try to get you a response as soon as possible."

Durkin: "One last question. Maybe Representative Hernandez, the Chairman of Redistricting Committee, could answer that question for me?"

Speaker Ramirez: "Representative Hernandez."

Hernandez, L.: "Representative... well let me start with a point of personal privilege."

Speaker Ramirez: "Please state your purpose."

Hernandez, L.: "First, I want to start by asking, Madam Speaker, if this is your first time at the well?"

Speaker Ramirez: "It is."

Hernandez, L.: "I want to you congratulate you on your first time. And I will... I will respond to Representative Durkin... Leader Durkin. I... same here. I am waiting. They're compiling the information. And I... I'm telling you, as soon as we get that

information, it is going to immediately reach you and the public as what... what that's going to look like."

Durkin: "All right. Well we've had multiple hearings through the State of Illinois. There's more information that has been developed at each hearing and has been consistent of what these advocacy groups have asked for. And I think you know that. We do know that the map room that people have been shuttled in and out. But we've also been promised that this is going to be transparent, and there's less than 18 days in this calendar. And I know that advocacy groups have stated we want at least two weeks of public airing of these maps before there's any action taken. Can you guarantee me that there will be a two weeks of a public airing of these maps before a vote is taking?"

Hernandez, L.: "I certainly will take it under advice."

Durkin: "Well, all right. Has anybody drawn their own map? Remember, you said we're going to have a process in place so you can draw your own map. Can you tell me, has one person outside of this chamber submitted a map that they feel is right for the State of Illinois?"

Hernandez, L.: "If you followed the hearings, according to the hearings, yes, there has been some maps submitted."

Durkin: "Can you tell me whether the maps were based on ACS data?"

Hernandez, L.: "No. Sorry, I can't."

Durkin: "Because it's unreliable, correct?"

Hernandez, L.: "I know it's one source of information but not the only."

Durkin: "What else is the other source of information? We going to use, like, Zillow and find out exactly where the

Hernandez, L.: "Representative Durkin, I'm as anxious as you are to get the information. It's about patience, and I'm... I'm there with you. So..."

Durkin: "How's your district look?"

Hernandez, L.: "Once again, Representative Durkin, I would ask for your patience as... as all of us are patiently waiting for that information. Before... it may come tomorrow, it might come in three days. All I know, there is a deadline of June 30, and we're going to be meeting... obviously we're going to try to get that information before the 18th and let the public vet through it. So, I ask, once again, for your patience. That information is being compiled, gathered, and as soon as it's ready it'll be out."

Durkin: "Well here's the information that has been coming from these committees. One, we should not be in the business of writing legislative maps that politicians... 'cause everyone on that side of the aisle has answered, in some way or the other, that the Legislature should be out of this, there should be fair maps. And secondly, we should not use the ACS data. That is the information that has come from these hearings. Up and down all over the State of Illinois. I hope that you will fulfill the commitment that you have made to not only the members of this General Assembly, but also the people throughout the State of Illinois who want a transparent

It... it brings in to line the things that we need to put into place for the next generation of the 9-1-1 system, allowing us to streamline that and to modernize it. As I stated on the updates on Amendment 1 and 2, those are simple fixes that we needed to do. This was all adopted with complete approval of the entire 9-1-1 Advisory Commission, which has about 40 members on there that gives their input on a regular basis. A quick overview. Ness: "Thank you, Speaker. So, I adopted and drafted a House Resolution 283 to recognize the efforts of an organization that has been instrumental in helping vaccinate people across the State of Illinois. The Illinois Migrant Council is an organization that's been around for more than 40 years. And before I started working with them, I didn't realize their history in our state and what they've done for the State of Illinois. My introduction to them is one of my constituents in my districts is a member of the organization and they have been doing pop-up clinics throughout the state.
