May your blessing be upon the Speaker of this illustrious House and all of its Leaders, all of its Members, and all of its staff. Oh God, we pray, as this House deliberates to conduct its business, we pray you would guide their hearts and guide their minds in the spirit of fairness, spirit of compromise, spirit of right thought, and the spirit of right speech. We pray that you would impart your supreme spirit of wisdom upon all their activities so that in all of their affairs of business they may reach a successful conclusion and it is pleasing to you. Speaker Harris: "I believe that Resolution is... that Motion is out of order, Representative. I believe that Motion is out of order because of requirements for unanimous consent. Leader Manley, for what reason do you seek recognition?"

Manley: "Mr. Speaker, I object to the Motion."

Speaker Harris: "Representative Caulkins."

Caulkins: "Thank you. I wasn't quite finished. Mr. Speaker, we specifically requested a roll call vote on my Motion, pursuant to the rights granted in the House Rules and the Illinois Constitution. Your ruling that a vote is not necessary is a breach of the Rules and should be corrected immediately. Mr. Speaker, under House Rule 57(a), I move to appeal the ruling of the Chair that there be no recorded vote to discharge House Rule... House Resolution 673 from the House Rules Committee."

Speaker Harris: "Representative, I think the rules are clear. This... your Motion would require unanimous consent. There is not unanimous consent. Representative Caulkins."

Caulkins: "Yes, Sir. Thank you. Mr. Speaker, House Rule 51.5(c) is being arbitrarily enforced. That rule is being used to single out individual Members of this Body. And therefore, I ask you, under Rule 51.5(c), to remove from the House chamber all Members of the House of Representatives who answered the quorum call today, February 16, 2022. Under House Rule 51.5(a) (3), all Members must have submitted to and passed a temperature check prior to entry on the House Floor. No Member who is on the House Floor has taken and passed a temperature check prior to entering the House Floor. Under House Rule

51.5, the rule and its provision may not be suspended. As such, all Members are in violation of this rule."

Speaker Harris: "Representative, understanding the concern you raised, to be sure that all House Rules are followed appropriately, Doorkeepers and House staff will come into the chamber and they will be taking the temperature of every person who is present in the chamber to be sure that everyone was temperature checked according to the House Rules. So, we will proceed down that path. Representative Caulkins."

Caulkins: "Mr. Speaker, I believe... I believe (3), 'have submitted to and passed a temperature check prior to entry.' 51.5 Rule C... or 3. Excuse me, (a)(3). (a)(3), 'have submitted to and passed a temperature check prior to entry.' That rule... cannot be suspended or amended. And we either follow all of them, or we follow none of them."

Speaker Harris: "Representative... Representative, we do not know who did or did not have a temperature check complying with that rule coming in to the chamber. So, to be certain that we're doing this accurately, we will be testing everyone in the chamber right now. Ladies and Gentlemen, I'm happy to report that, to be sure that the chamber is safe and that people are in compliance with House Rules, the temperatures have been checked of all Members and staff who are on the floor and we're ready to proceed with other business. Representative Batinick, for what reason do you seek recognition?"

Batinick: "Thank you, Mr... thank you, Mr. Speaker. Quick point of person privilege. And what is the rule on when speaking? I can bring it down or no?"

Speaker Harris: "You may take your mask off when speaking on the microphone."

Batinick: "Okay. Thank you. I don't want to escalate this at all, but I think what we are just seeing right now is kind of the case that the General Assembly has let happen with school boards and people throughout the state. There's rules. We don't know what the rules are. They change. We're not having any hearings on the rules. We're not voting on them. I was at a school board meeting on Thursday. Afterwards, the school board president actually resigned, citing threats. I know there's been school board members in other places that have resigned, and it's all because of this. It's not March of 2020. We've had no transparency on any of this. We've had no hearings on the Governor's mitigations. And it would be great if we could just work together and actually vote on some of the things that we were supposed to do so we don't have to deal with the TRO, so we don't have to deal with threats to school board members, so we don't have parents on both sides of this equation that really don't know what to grasp for for answers. I mean, this is a small microcosm of a case that we're allowing to happen throughout the state, and I'm hopeful... I'm hopeful that we can stay through the storm and maybe work on some of this stuff. Thank you."

Speaker Harris: "The Clerk is in receipt of Motions in Writing to waive the posting requirements for several Bills. If there is leave, we will take these Motions together in one Motion. Is there leave? Leave has been granted. Leader Manley on the Motion. Leader Manley. Leader Manley on the Motion."

House Bill 4203 to State Government Administration. House Bill 378 to State Government Administration-Procurement Subcommittee. House Bill 3220 to State Government Administration-Procurement Subcommittee."

Speaker Harris: "Leader Manley has moved to waive the posting requirements. All those in favor say 'aye'; those opposed say 'nay'. In the opinion of the Chair, the 'ayes' have it. And the posting requirements are waived. Members, an announcement. This is a reminder of House Rule 51.5. Please remember to wear a face covering that covers the nose and mouth. Collins: "Thank you, Mr. Speaker. I ask that the following Representatives, Rep. Chesney, Wilhour... Wilhour, Niemerg, McLaughlin, Miller, Halbrook, and Caulkins comply with House Rule 51.5 and wear their masks while in the House chamber. Speaker Harris: "Representative Collins has made a Motion to remove Representatives Chesney, Wilhour, Niemerg, McLaughlin, Miller, Halbbrook, and Caulkins from the House Floor for noncompliance with House Rule 51.5. Is there debate? Representative Butler, for what reason do you seek recognition?"

Butler: "Thank you, Mr. Speaker. Could you please clarify House Rule 51.5(a)(2), what it means to maintain social distance of at least six feet to the extent possible? Because I don't see a lot of people outside of six feet in here."

Speaker Harris: "Representative, if you read a little further, it requires that 'except as permitted by the other person', and I believe there is consent among neighboring Members."

Butler: "There's consent from everybody in here? Okay."

Speaker Harris: "For with their neighbor."

Butler: "Just saying those are the three rules. Masks, six feet, temperature check. Further inquiry, Mr. Speaker. If people leave the chamber and come back in, are they subject to a temperature check?"

Speaker Harris: "The temperature check is on the initial arrival."

Butler: "Excuse me, I didn't hear you."

Speaker Harris: "Said the temperature check should be on the initial arrival."

Butler: "There have not been previously."

Speaker Harris: "You should make sure, as a Member coming into the chamber, that you have yourself tested pursuant to the rules."

Butler: "Thank you, Mr. Speaker."

Speaker Harris: "Representative Welter."

Welter: "Mr. Speaker, the House Republicans request an immediate caucus in Room 114."

Speaker Harris: "How long do you plan to spend, Representative?"

Welter: "Enough time to go through several items that we have to accomplish."

Speaker Harris: "The House will stand in recess till 2:43 to allow the Republicans to caucus for an hour. House is in recess to the call of the Chair. The House will come back to order. House will be in order. The House will be in order. Representative Collins on the Motion."

broker, Ronald D. Ladley, who passed away on January 15, 2022. Ronald was born in Springfield on May 24, 1938. He graduated from Illinois College with a degree in business, history, and education. Ron enjoyed a long and distinguished career as a local real estate broker and as an owner of real estate. But he was more happiest when he could share his knowledge with others by helping individuals start their own real estate careers. He took an interest in his community by volunteering and serving on the boards of SPARC, Springfield Association for Retarded Citizens, United Cerebral Palsy, the Springfield Jaycees, the Rotary Club of Springfield, and the American Red Cross. He served as chairman of the Illinois Historic Sites Commission, the Springfield Historic Sites Commission, and the Sangamon County Historical Society. He was actively and personally involved in community service. He volunteered as a tour guide for the Clayville Historical Site in Pleasant Plains and for the Abraham Lincoln Presidential Library. In addition to Ronald's community involvement, his personal achievements were quite extensive. He was president of the Capitol Area of Realtors in 1987, and received the Realtor of the Year Award in 1989. He was honored with the Realtor Hall of Fame Award in 1995. Sorry, I'm getting a little choked up because I do know... I did know him. Ron also influenced legislation to provide state workers with health benefits. He was Supervisor of Research Studies for the Illinois State Superintendents of Public Instruction and served as an analysis of schools for the Illinois Department of Education. Ron spent most of his time volunteering on behalf of the Sangamon County Republican Central Committee, as well as for

the statewide and national GOP. Family and friends admired Ron for being a well-spoken, fun-loving individual, who could be counted on and speak well of others. His warm smile lightened up a room. His gentle caring heart was felt by others. His wisdom he shared, not to mention his kind personality and generosity. He will be greatly missed, and we need more people like Ron. I request your support of this Resolution, and I also request a moment of silence to honor the life of Ronald D. Ladley. Thank you."

Speaker Harris: "The Body will take a moment of silence. Representative Hamilton moves for the adoption of House Resolution 669. All in favor say 'aye'; opposed say 'nay'. In the opinion of the Chair, the 'ayes' have it. And the Resolution is adopted. On page 11 of the Calendar appears House Resolution 610, Representative Flowers."

Flowers: "Thank you, Mr. Speaker, and Ladies and Gentlemen of the House. I move for the adoption of House Resolution 610. 'Whereas, Since February honors the contributions made to this country by Black Americans, it is fitting that Black nurses be recognized and honored for their outstanding contributions to our country.' And further, it's no secret that many black men and women harbor strong feelings of mistrust when it comes to the health care. More than one-third of African Americans reported feeling discriminated against when receiving medical treatment and care. It is imperative, therefore, that more black nurses... nursing professions are implemented into the American health care systems. Patients are more likely to utilize preventive care services and report more care satisfaction when treated by a

Women such as Sojourner Truth, Susan King Taylor, Harriet Tubman, Lucy Higgs Nichols, Mary Eliza Mahoney. These are just a few women who are unique and exceptional in their day and laying the foundation for professional nurses today. So, I would like to take this opportunity to urge the Members of the General Assembly to adopt this Resolution. And be it resolved, that the House of Representatives and the 2nd General Assembly... the 100th... I'm sorry... and the 102nd General Assembly of the State of Illinois, that we do declare February of 2022 as Black History (sic-Nurses) Month in Illinois; and be it resolved that all citizens of Illinois to acknowledge the tireless efforts and the selfless services contributed by African American nurses every day. Thank you very much, and I would move for its adoption."
