May strength and peace flow from thee, Almighty God, upon the members of this body, so that they may be equal to the demands of this day, as they are thrown into the main thoroughfare of crisscrossing interests of the people of this State, may they fear thee more than any citizen or group of citizens. May the wisdom of their decisions show that the faithfulness of thy guidance has been recognized and followed. Most merciful father, help them in the strains and tensions that each may not lose the health of his body, nor the soundness of his mind, nor the eternal destiny of his soul. May thy grace be upon

the presiding officers and the whole crew of workers behind the scenes in this building, so that these lawmakers may be at their most efficient productiveness. As a body, we would intercede for thy blessings upon others as they face this day, the family members of these Representatives, the members of the Senate, the Governor and those who sit in Judicial positions. Especially do we intercede for the President of the United States and his decisions in dealing with the issues of international policy. In the name of our Redeemer and friend, Jesus Christ, we pray. There is a very similar bill that has been passed out of committee that is a little more liberal bill on the circuit breaker and in the committee the other day it was first announced that this bill had passed the committee and that it was called back and we had quite a hassle because they said it was, the Clerk, it was incorrect in the tally that had been made, so I certainly hope that the members of this House do have the opportunity to take their choice on the type and extension and

Hon. W. Robert Blair: "All those in favor of the adoption of the amendment say 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Further amendments?
Third reading. 4511."

Fredric B. Selcke: "House Bill 4511. A bill for an act to amend 'The Pension Code'. Second reading of the bill.
No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? Third reading. 4541."

Fredric B. Selcke: "House Bill 4541. A bill for an act to amend 'The Pension Code'. Second reading of the bill.

Fredric B. Selcke: "House Bill 4547. A bill for an act to amend 'The Election Code'. Second reading of the bill.
No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? Third reading. 4649. The gentleman from Cook, Mr. Shea."

Gerald W. Shea: "On 4547, wasn't there an amendment on that bill? Ah, it was my understanding that the sponsor was going to draft that amendment and have it ready for second reading."

Fredric B. Selcke: "Yeah, we called 4496. We read it."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Juckett."

Robert S. Juckett: "Mr. Speaker, he's correct. I would ask that it not be advanced, that it be held on second reading."

Hon. W. Robert Blair: "All right, with leave we will take that bill back from third reading to second reading and take it out of the record. All right, the Clerk advises that there was a floor amendment on 4496 that was not read, so we will take that bill back to the order of second reading. The Clerk will read the amendment."

Fredric B. Selcke: "Amendment Number One. Amend House Bill 4496 on page 1, lines 18, 21 and so forth."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Glass."

Bradley M. Glass: "Thank you, Mr. Speaker and Members of the House, this amendment was agreed in committee that it would be put on and it changes the name of operations to buildings and maintenance and I respectfully moves its adoption."

Hon. W. Robert Blair: "The gentleman from Bureau, Mr. Barry."

Tobias Barry: "Will the sponsor yield to a question?"

Hon. W. Robert Blair: "He indicates he will."

Tobias Barry: "Would you tell us what the effect of these word changes are or are we in effect saying that the building funds can be used for other than educational building funds or by virtue of these changes including your amendment?"

Bradley M. Glass: "Ah, Representative Barry, the purpose of the bill overall is that do nothing other than to change the name of the fund. There is no change in the substance of law involved. The purpose is to better describe what

the fund is for. There's a lot of confusion when the names building alone was used to describe the fund. The misconception being that it was being too constructive and the title operations or maintenance or building and maintenance which is suggested word change here, the purpose of that is to better and more accurately describe what the fund will be used for which is not primarily new construction and the original structure is changes in the law other than the change the name of the fund."

Tobias Barry: "Then this does not suggests that this is this is not another attempt to (comply with pace) of law that extends the use of that money."

Bradley M. Glass: "That's right, it would not change the law in any respect."

Tobias Barry: "Thank you."

Hon. W. Robert Blair: "Any further discussion? All those in favor of the adoption of the amendment say 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Are there further amendments? Third reading. 46-, 4631."

Fredric B. Selcke: "House Bill 4631. A bill for an act to amend 'The Pension Code'. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? Third reading. Okay, 4638."

Fredric B. Selcke: "House Bill 4638. A bill for an act to amend 'The Municipal Code'. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? Third reading. 4440."

Fredric B. Selcke: "House Bill 4440. A bill for an act to in relation to the reclamation of certain surface mine land. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor?"

Fredric B. Selcke: "Amendment Number One, Nowlan. Amends House Bill 4440 on page 2, by striking lines 13 and 14 and by inserting in lieu thereof the following: and so forth."

Hon. W. Robert Blair: "The gentleman from Stark, Mr. Nowlan."

James D. Nowlan: "Mr. Speaker and Members, this is a floor amendment which was discussed in committee and would make a few correcting amendments and one substantive change in that it would create an advisory council to the Land Reclamation Act that is proposed in this bill. Representative Stedelin suggested this would be important to provide an advisory group from various conservation, mining and agricultural sectors and I concurred with him and I offer this amendment which would create an advisory council of nine members, representatives of these several sectors, which would be helpful in guiding the Reclamation Act if it is enacted and

I would move adoption of this amendment."

Hon. W. Robert Blair: "Is there any discussion? All those in favor of the adoption of the amendment say 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Are there further amendments? Third reading. 4441."

Fredric B. Selcke: "House Bill 4441. A bill for an act to amend Section 45 of 'The Civil Administrative Code of Illinois'. Second reading of the bill. No committee amendments."

Fredric B. Selcke: "House Bill 4442, a bill for an act to amend Section 1.02 of an act to regulate the supervision of county buildings and other state owned properties and so forth. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? Third reading. 4443."

Fredric B. Selcke: "House Bill 4443. A bill for an act to amend Section 5 of and to add Section 16 to an act in relation to state finance. Second reading of the bill. One committee amendment. Amend House Bill 4443 on page 3, line 18 by striking all of Section 2 immediately after the period and inserting in lieu thereof the following, and so forth."

Hon. W. Robert Blair: "The gentleman from Stark, Mr. Nowlan."

James D. Nowlan: "Mr. Speaker and Members, this committee a-

mendment simply strikes the line which would have provided a \$1 million appropriation to this reclamation fund inasmuch as there is already a \$1 million line in the Department of Mines and Minerals appropriation request. This duplicate appropriation should be struck and that is what this committee amendment would accomplish and I move for its adoption."

Hon. W. Robert Blair: "Is there discussion? All those in favor say 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Are there further amendments? Third reading. 4451."

Fredric B. Selcke: "House Bill 4451. A bill for an act to amend 'The School Code'. Second reading of the bill. One committee amendment. Amend House Bill 4451 on page 3 by deleting line 2 and inserting in lieu thereof the following: 'shall be administered by and paid out of the funds available to the state.'"

Hon. W. Robert Blair: "The gentleman from Stark, Mr. Nowlan."

James D. Nowlan: "Mr. Speaker and Members, this Committee Amendment was recommended by the Illinois State Scholarship Commission and has added three words which were left out in the drafting which provides that the state scholarship commission shall administer the funds available to the commission and make the allocation thereto and I move for the adoption of this Committee Amendment."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Shea."

Gerald W. Shea: "Would you kind of run that one by me again?"

James D. Nowlan: "Well, . . ."

Gerald W. Shea: "About the Commission taking funds or something."

James D. Nowlan: "Representative Shea, this proposal 4451 would define the Veterans' Scholarship Program. It would in no sense change the benefits which are staged through that program, but would provide that the State Scholarship Commission, which is responsible for administering this program, which he felt would be helpful to the Veterans' in that at present each individual college or university makes known the benefits which are available through the State of Illinois and it is felt that the State Scholarship Commission is given administrative responsibility. It can, as a statewide commission make this program better known than to the Veterans'."

Gerald W. Shea: "Well, it says shall be administered by and paid out of the funds available to the state. Does that mean that although we leave the appropriations in the same place they are now, in other words, if the money goes to O.S.P.I. that although it's in O.S.P.I.'s budget, it's to be administered by the Scholarship Commission?"

James D. Nowlan: "It is my understanding, Representative Shea, that for community college veterans' benefits, there is a direct reimbursement from funds administered by the state scholarship commission and this would simply clarify that fact. I'll be glad to take this out of the record, Mr. Speaker, if there are further requests or questions. It in

no sense do I wish to try to slip something through that isn't clearly understood, Mr. Shea."

Gerald W. Shea: "And in particularly in light of House Bill 4219 which covers the Vietnam persons, I think we ought to look at this, too."

Hon. W. Robert Blair: "All right, take it out of the record. 3776."

Fredric B. Selcke: "House Bill 3776. A bill for an act to amend Section 18 and repeal Section 19.21a of 'The Revenue Act of 1939'. Second reading of the bill. One committee amendment."

Hon. W. Robert Blair: "For what for what purpose does the gentleman from Cook, Mr. Shea, rise?"

Gerald W. Shea: "Ah, Mr. Speaker, I requested a fiscal note from the sponsor on this bill. He has supplied it and I am at this point drafting an amendment to add an appropriation so I'm wondering if he could hold it until tomorrow when I have the amendment ready?"

Hon. W. Robert Blair: "The gentleman from Stark, Mr. Nowlan, care to respond?"

James D. Nowlan: "Ah, Mr. Speaker, in due deference to Representative Shea, I will hold it until that time. If he feels strongly about that. If he doesn't know that there is a separate appropriation request which would attendantly provide assistance to those local units of government which would be affected by this proposal and so I don't see any need for such."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Shea."

Gerald W. Shea: "Well, as I understand the gentleman's appropriation bill, it talks about 20% of the loss being made up in the fiscal year 1973. As I understand the gentleman's appropriation bill, it talks about 20% of the loss being made up in fiscal year 1973 and 80% of it being made up in fiscal 1974. I think that if we are going to be responsible legislators, that we have an obligation to the local communities to make up all the loss in fiscal 1973 and insure the local property tax payers that we are not going to increase real estate taxes next year because of the way we appropriate money and I would like to make my position perfectly clear on the floor of this House and I will have the amendment to do what I want, attempt to do what I think is fiscal responsibility to the local property tax payers."

Hon. W. Robert Blair: "Take it out? Take it out of the record. 3779."

Fredric B. Selcke: "House Bill 3779. A bill for an act to add Section 22 to the Condominium Property Act. Second reading of the bill. One committee amendment. Amend House Bill 3779 on page 2, line 8, by inserting before the period the following: 'except in accordance with the provisions of the declaration, the articles of incorporation or charter, or the bylaws of the association'."

Hon. W. Robert Blair: "The gentleman, the gentleman from Cook, Mr. Regner."

David J. Regner: "Ah, Mr. Speaker, Ladies and Gentlemen of

the House, this particular amendment was put on in committee and due to some question due to the bill in itself. Ah, what this amendment would do would be to strip the bill of any enforcement responsibilities, is all. However, I do have another amendment on the Clerk's desk that I would like to offer later on that has been agreed upon, I just wish that I could move to table Amendment Number One to House Bill 3779."

Hon. W. Robert Blair: "Does the gentleman have leave? All right, the bill will be tabled, the amendment will be tabled. Amendment, read it."

Fredric B. Selcke: "Amendment Number Two, Regner. Amend House Bill 3779 on page 1, by deleting line 26 and inserting in lieu thereof the following: 'of recreational facilities and for any other services to be provided to the owner of the condominium unit; and'; and so forth."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Regner."

David J. Regner: "Ah, Mr. Speaker, Ladies and Gentlemen of the House, this is the amendment that I was referring to that is in agreement with the members that objected to the bill and in its form as introduced and it does provide the necessary, it does answer the questions that there were on this bill and also provides the necessary protections to the seller and I would for its adoption"

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Maragos."

Samuel C. Maragos: "Will the sponsor of the amendment yield to a question?"

Hon. W. Robert Blair: "He indicates that he will."

Samuel C. Maragos: "This the same amendment that we just discussed earlier today regarding the fact that this insures the seller?"

David J. Regner: "Yes, sir, it's the one that I gave you the copy of."

Hon. W. Robert Blair: "Any further discussion? All those in favor of the adoption of the amendment say 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Are there further amendments? Third reading. 2792."

Fredric B. Selcke: "House Bill 2792. A bill for an act to amend 'The Non-Profit Hospital Service Plan Act'. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? Third reading. The gentleman from Cook, Mr. Shea."

Gerald W. Shea: "Is the sponsor here on those bills?"

Hon. W. Robert Blair: "Is he what?"

Gerald W. Shea: "Is the sponsor present?"

Hon. W. Robert Blair: "Yes."

Gerald W. Shea: "Oh, I was just wondering if he was back with us."

Hon. W. Robert Blair: "Third reading. 2795."

Fredric B. Selcke: "House Bill 2795. A bill for an act to amend 'The Medical Service Plan Act'. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? The gentleman from Cook, Mr. Shea, for what purpose do you rise, sir?"

Gerald W. Shea: "Will the sponsor yield for a question on these bills?"

Hon. W. Robert Blair: "The gentleman from Morgan, Mr. Rose, the gentleman from Cook, has a question with regard to 3666."

Gerald W. Shea: "Ah, these these bills are designed, I assume, to implement the constitutional provision about the State's Attorney representing more than one county."

Thomas C. Rose: "That is correct."

Gerald W. Shea: "Now, is there any prohibition about the size

of counties that this may take place in?"

Thomas C. Rose: "I don't believe that there is in these bill, Representative Shea."

Gerald W. Shea: "In other words, one State's Attorney could represent Cook County, DuPage, Lake County and Will County is that correct?"

Thomas C. Rose: "That is correct."

Gerald W. Shea: "Ah, do you think that this would be the intent of the constitution or do you think that maybe we ought to put some limitation on the size where by referendum you could do this. I could see where as I read the bills, say you got five or six per cent of the people in DuPage County that you know wanted to do this by referendum, you could force an awful expensive election contest or a referendum contest in DuPage County to joint with Cook County and it would almost be an act of futility."

Thomas C. Rose: "I can't really advise you as to the intent of the constitutional convention, ah, the way I read the constitution, that is not prohibited by the constitution or anything, Representative Shea. I, if you'd like to hold these on second reading, I'd advise."

Gerald W. Shea: "Well, I just raised a question because I can see our good friend Pate Philip with a referendum bill of the State's Attorney of Cook County as representing DuPage County having a small smoke over there."

Hon. W. Robert Blair: "Are we finished? Okay. Third reading 3703."

Fredric B. Selcke: "House Bill 3703. A bill for an act to amend 'The Pension Code'. Second reading of the bill. No committee amendments."

I would move for its adoption."

Hon. W. Robert Blair: "Is there discussion? All those in favor. . .the gentleman from Cook, Mr. Shea."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Telcser."

Arthur A. Telcser: "Well, Mr. Speaker, Ladies and Gentlemen of the House, an Committee Amendment Number One was an agreed amendment. It had some typographical errors. We have corrected those errors and I have put the amendment on the Clerk's desk, and I assume the proper procedure would be not to adopt the committee amendment, but to move to adopt Amendment Number Two which is now on the Clerk's desk. It's an agreed amendment by both sides of the aisle, and I'll move Mr. Speaker that Amendment Number Two to House Bill 4086 be adopted."

Hon. W. Robert Blair: "All right, we'll have to get our procedure straight here, the gentleman offers the adoption of Committee Amendment Number One and then moves to table Committee Amendment Number One. Is there leave to table the amendment? All right, further amendments?"

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Telcser, Mr. Choate wants to know the content of the amendment."

Arthur A. Telcser: "Representative Choate, the total in the original amendment was incorrect. We have corrected that total figure along with Representative Lechowicz who was in an error in addition among the line item reductions that we all agreed to in the amendments. We could talk that over with Representative Lechowicz, is he on the floor?"

Clyde L. Choate: "No. Are you aware of it? He'll be there in just one second. All right. Do you remember the amounts involved, Representative Telcser? Representative Lechowicz will be back on the floor in just a second, incidentally."

Arthur A. Telcser: "It's a net change between this amendment which we are now adopting and the amendment which we had in the committee of \$400.00. There was an error in addition."

Clyde L. Choate: "\$400.00?"

Arthur A. Telcser: "\$400.00, that's right."

Fredric B. Selcke: "House Bill 4123. A bill for an act to create the Illinois Bicentennial Commission. Second reading of the bill. One committee amendment. Amend House Bill 4123 on page 5, Section 8, line 13, by striking '\$55,000' and inserting in lieu thereof '\$25,000'."

Hon. W. Robert Blair: "I'm sorry, take that out of the record. All right, all right, ah, with leave of the House, we'll take 4103 back from the order of third reading to the order of second reading for purposes of a later amendment. Leave? All right, now we're at 4123 has been read, the amendments been read and the gentlemen from Cook, Mr. Lechowicz, have a question?"

Thaddeus S. Lechowicz: "No, no, no."

Hon. W. Robert Blair: "Mr. Lechowicz."

Thaddeus S. Lechowicz: "Mr. Speaker, my request would be as far as House Bill 4103 and we just have gone through with that because in agreement with the sponsor of a bill, to hold the bill until we seek notification from the Commission, which we just received yesterday and in turn will have the proper amendment jointed to the bill."

Hon. W. Robert Blair: "All right, the gentleman from Cook, Mr. Randolph."

Paul J. Randolph: "Mr. . . ."

Hon. W. Robert Blair: "On his amendment to House Bill 4123."

Paul J. Randolph: "Ah, amendment number one is a committee amendment and I move the adoption, Mr. Speaker."

Hon. W. Robert Blair: "Discussion? All those in favor of the

adoption of the amendment say 'Yeas', the gentleman from Cook, Mr. Lechowicz."

Thaddeus S. Lechowicz: "Mr. Speaker, in all fairness to the members of the House, I think that the people that are offering the amendment should briefly describe that these are reductions in the original appropriation and the amount that it is reduced to. If my memory serves me correctly, it is a reduction of \$30,000.00 and I move for the adoption of Amendment Number One to this bill."

Hon. W. Robert Blair: "All those in favor of the adoption of the amendment say 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment's adopted. Are there further amendments?"

Fredric B. Selcke: "Amendment Number Two, Randolph. Amends House Bill 4123 on page 1, by deleting line 21 and inserting in lieu thereof the following: 'by the Governor, no more than 4 of whom may be of the same political party and one of whom shall be designated by the'."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Randolph."

Paul J. Randolph: "Amendment Number Two if I the number appointed by the Governor is eight and the amendment reads that no more than four of whom shall be of the same political party and I urge the adoption of the amendment."

Hon. W. Robert Blair: "Discussion? All those in favor of the amendment say 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Are there further amendments?
Third reading. 4126."

Fredric B. Selcke: "House Bill 4126. A bill for an act to amend 'The Pension Code'. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? Third reading. Oh, . . ."

Fredric B. Selcke: "Amendment Number One, Wall. Amends House Bill 4126 on page 1 by striking lines 23 and 24 and so forth."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Wall."

John F. Wall: "Mr. Chairman and Ladies and Gentlemen of the House, Amendment Number One to House Bill 4126 came about because when it was introduced in the Pension Laws Commission Committee, rather, I had spoken to Al Weinberg who is the Pension Laws expert and he told me that in order for the bill to be in its proper form it would have to be amended on second reading and I agreed to it and this is the amendment and I move its adoption, Mr. Chairman. It amends 'The Pension Laws' in the Sanitary District of Chicago."

Hon. W. Robert Blair: "Discussion? The gentleman from Cook, Mr. Shea."

Gerald W. Shea: "I know it affects the Pension Laws of the Sanitary District, but how does it affect them?"

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Wall."

John F. Wall: "Well, it changes on page 1 by striking lines 23 and 24 and inserting in lieu thereof the following: because the first bill does not have this in there, it says that the service retirement allowed for this paragraph shall

not exceed 75% of average final salaries. On page 2, by striking lines 28, 29 and 30 and inserting in lieu thereof the following: the minimum sales allowed. . ."

Gerald W. Shea: "Okay."

John F. Wall: "It ought to be it was referred by the good Democratic actuary for the sanitary district."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Simmons."

Arthur E. Simmons: "Ah, Mr. Speaker, that amendment strikes out line 23 and 24 which originally were stricken lines or that was put that language back in or leave it in, and that language says 70%, now does the new language conflict with the old law?"

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Wall."

John F. Wall: "I see no question with the problem. The amendment would simply amend now lines 23 and lines 24 which, as the bill proposed, would show those as stricken lines, so stricken lines are being amended with the language that is in the amendment and I see nothing objectionable to that."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Simmons."

Arthur E. Simmons: "Well, as I haven't got a copy of the new amendment, but I think it says 75%. Now, by taking out those stricken lines it's going to leave 70% in. And the new language says 75%."

Hon. W. Robert Blair: "All right, your point is well taken now and the amendment is not properly drafted. The gentleman from Cook, Mr. Wall, for what purpose do you rise?"

John F. Wall: "Mr. Speaker, I've had a request from a gentle-

man on the other side to hold this for a little while, if we can before we go into it."

Hon. W. Robert Blair: "Yes, I've got that and it does need further technical work, too. 4130."

Fredric B. Selcke: "House Bill 4130. A bill for an act to make a supplemental appropriation to Pollution Control Board. Second reading of the bill. One Committee Amendment. AmendHouse Bill 4130 on page 1, line 8, by striking '185,000' and inserting in lieu thereof '125,000'."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Burditt."

George M. Burditt: "Mr. Speaker, this is a reduction appropriation of \$60,000.00 and I move the adoption of the amendment."

Hon. W. Robert Blair: "Discussion? All those in favor of the gentleman from Bureau, Mr. Barry."

Tobias Barry: "Mr. Speaker, Ladies and Gentlemen of the House, apparently the legislature and the press has been blamed in correspondence that comes from the Pollution Control Board and for not allowing monies for the purpose of handling all the sewer projects throughout the State and grants therefore. Now, I'd like to ask a question of the sponsor as to whether or not this appropriation makes it perfectly clear that that Board is to provide all services?"

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Burditt."

George M. Burditt: "Ah, Mr. Speaker, Toby, this is a deficiency appropriation for last year. This does not have any-

thing to do with the appropriation for this sewage which is in another bill which is before the full appropriations committee today."

Tobias Barry: "Well, I'm aware that it is for the previous year, George, but in light of the fact that we have yet to see the full appropriation, I don't think you said deficiency, but in light of the fact that we have yet to see the full appropriation, I'll withdraw my protest."

George M. Burditt: "Thank you."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Shea."

Gerald W. Shea: "Will the sponsor yield for a question?"

Hon. W. Robert Blair: "He indicates yes he will."

Gerald W. Shea: "Will you yield for a question, George? The purpose of this supplemental appropriation is in a large measure to pay for court reporting services, is it not?"

George M. Burditt: "Yes."

Gerald W. Shea: "George, can you tell me why that this agency with its large expenditures for court reporting has to go the contractual route, why can't they do like other agencies, particularly the Supreme Court, hire court reporters on a yearly or basis and then pay for the transcripts rather than pay \$7.50 an hour to have somebody sitting there and start paying \$2.00 for the first copy and so much a copy thereafter? Ah, I. . ."

George M. Burditt: "Ah, Jerry, that's a very good question which I've discussed at some length to its Chairman Curry and the other members of the Pollution Control Board. Ah,

court reporting fees as you know are extremely high, those of us who are lawyers have to pay the darn things every once in a while and they're murder. I talked to the Chairman about the possibility and the sub-committee of Appropriations, the Full Appropriations Committee, which approved this bill, also, discussed this matter with them. Isn't there some way that you can sit down and hire somebody to take over the full time court reporting as an employee for the agency. Ah, the agency did try that route and it turned out that they made an offer of \$17,500.00, I believe it was for a full time court reporter and could not get anybody at all to accept the offer, and they figured that the total cost if they had someone on their staff would be approximately the same as they are if they hire outside court reporters. Another problem is that they have many more court reporting requirements that one employee could handle, they'd have to have a number of full time court reporters, and they simply aren't available. It's kind of like the situation with doctors, it's a seller's market and the problem is that we just don't have the people available for the job and those that are available are locked up in the outside court reporting firm and I believe the sub-committee and the full appropriations committee and I know I am convinced that this is the most economical way for them to go, but you can be sure that the Chairman and the members of the board are well aware of the problem and they're doing their best to cut down the problem."

Gerald W. Shea: "Well, George, I'd like to agree with you, but as you know, I've been ah worked with the Supreme Court and their court reporter problems. They have a load of applications for people that are willing to take the job at \$13,500.00 a year and I think there are great headways to be made here and I just don't buy the idea that some Chairman has come in and told me that he's offered people jobs at \$17,500.00 and he can't find any takers and really I will make sure that the Chairman knows that the Supreme Court has people who are available and you may be sure that at the full committee hearing this afternoon, I'll at the regular appropriations bill, which is up for the full committee this afternoon, he will be well aware of that."

George M. Burditt: "Is there some way you can refer me to somebody in particular?"

Gerald W. Shea: "Yeah, call the Administrative Director on it on Extension 7770."

George M. Burditt: "Okay, thank you."

Hon. W. Robert Blair: "Further discussion? The gentleman from Cook, Representative Lechowicz."

Thaddeus S. Lechowicz: "Yes, Mr. Speaker, in response to Representative Shea's inquiry, not only was it to point out the extensive court reporting costs, but it was also to point out the extensive costs per meeting. Director Curry agreed with the excessive court reporting cost, they did try to hire a person, and fortunately the court report-

ing association supposedly blackballed this and fortunately took the job. This was pointed out in committee that ah we requested that maybe the Department of Personnel would incorporate a training program so we could hire a person in this capacity. Last week, Thursday, in Environment Committee, the Director Curry stated that they just opened up a bid for a court reporting service for the coming year and in turn, I guess the dollar amount was quite favorable, but as far as the House Bill 4130, the amendment that has been proposed was fairly discussed in committee, the reduction based upon fact and I concur with the movement of the Amendment Number One to this bill."

Hon. W. Robert Blair: "Is there further discussion? If not, the gentleman has offered to move the adoption of Amendment Number One to House Bill 4130. All those in favor of the adoption signify by saying 'Yeas', the opposed 'No', the amendment's adopted. Are there further amendments? Third reading. House Bill 4164."

Fredric B. Selcke: "House Bill 4164. A bill for an act to creating a commission on salaries for elected state officers, defining his powers and duties and making an appropriation repealing an act herein named. Second reading of the bill. One committee amendment. Amend House Bill 4164 on page 2, Section 6, line 18, by deleting '\$5,000' and inserting in lieu thereof '\$25,000'; and so forth."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Regner."

David J. Regner: "Mr. Speaker, Ladies and Gentlemen of the

House, this is a committee amendment and it increases the appropriation for this commission to \$25,000.00 and it mandates that the commission report the to the General Assembly prior to January 1, 1973 and also it has Section 9 in which states that this act takes effect on July 1, 1972. I move for the adoption of Amendment Number One to House Bill 4164."

Hon. W. Robert Blair: "Is there any discussion? The gentleman has offered to move the adoption of House Amendment Number One to House Bill 4164. All those in favor of the adoption signify by saying 'Yeas', the opposed 'No', the amendment is adopted. Are there further amendments?"

Fredric B. Selcke: "Amendment Number Two, Regner. Amends House Bill 4164 on page 1, by deleting line 24 and inserting in lieu thereof the following: 'All members of the Commission shall be public members. No person who is an officer or employee of, or a paid'."

Hon. W. Robert Blair: "The gentleman from Cook, Representative Regner."

David J. Regner: "Mr. Speaker, Ladies and Gentlemen of the House, I move for the adoption of Amendment Number Two to House Bill 4164."

Hon. W. Robert Blair: "Is there any discussion? The gentleman has offered to move the adoption of Amendment Number Two to House Bill 4164. All those in favor of adoption signify by saying 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Are there further amend-

ments? Third reading. House Bill 4175."

Fredric B. Selcke: "House Bill 4175. A bill for an act to make an appropriation to repay a certain loan to a certain legislative officer. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Are there amendments from the floor? Third reading. House Bill 4180."

Fredric B. Selcke: "House Bill 4180. A bill for an act to make an appropriation to the City of Peoria. Second reading of the bill. One committee amendment. Amend House Bill 4180 on page 1, Section 1, line 19, by adding after appropriated, 'from the Road Fund. . .'."

Hon. W. Robert Blair: "The gentleman from Peoria, Mr. Day."

Robert G. Day: "Ah, Mr. Speaker, I move the adoption of the Committee Amendment Number One."

Hon. W. Robert Blair: "Is there any discussion? If not, the gentleman has offered to move the adoption of Amendment Number One to House Bill 4180. All those in favor of the adoption of the amendment signify by saying 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Are there further amendments? Third reading. House Bill 4176."

Fredric B. Selcke: "House Bill 4176. A bill for an act to amend 'The Vehicle Code'. Second reading of the bill. One Two committee amendments. Committee Amendment Number One. Amend House Bill 4176 on page 2, after line 34, by inserting the following: and so forth."

Hon. W. Robert Blair: "The gentleman from Brown, Representa-

Markert."

Louis A. Markert: "Mr. Speaker, Members of the House, the amendments to House Bill 4176 were agreed amendments. They were offered by the or they were suggested by the State Police and I move for their adoption."

Hon. W. Robert Blair: "Is there any discussion? If not, the gentleman has offered to move the adoption of Amendment Number One to House Bill 4176. All those in favor of adoption signify by saying 'Yeas', the opposed 'No', and the amendment is adopted. Are there further amendments?"

Fredric B. Selcke: "Committee Amendment Number Two. Amend House Bill 4176 on page 2, in line 20, by striking the words 'to the road'; and in line 21 by striking the words 'surface of a' and inserting in lieu thereof the word: and so forth."

Hon. W. Robert Blair: "The gentleman from Brown, Representative Markert."

Louis A. Markert: "Mr. Speaker, I apologize. I wasn't paying too much attention. Would you repeat?"

Hon. W. Robert Blair: "The gentleman has offered to move the adoption of Committee Amendment Number Two to House Bill 4176."

Louis A. Markert: "The State Police are also in favor of this second amendment. It was an agreed Committee Amendment. I move for its adoption."

Hon. W. Robert Blair: "All those in favor of adoption signify by saying 'Yeas', the opposed 'No', the amendment is adop-

ted. Further amendments? Third reading. House Bill 4276."

Fredric B. Selcke: "House Bill 4276. A bill for an act to make an appropriation to the Department of Business and Economic Development in the development of Wren Lake Conservation District. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? Third reading. House Bill 4198."

Fredric B. Selcke: "House Bill 4198. A bill for an act to make a supplemental appropriation to the Department of Revenue. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Are there any amendments from the floor? Third reading. House Bill 4199. Woops, woops, woops, let's go back to second reading. Representative Shea, did you desire recognition, sir?"

Gerald W. Shea: "Ah, could I ask the sponsor a question?"

Hon. W. Robert Blair: "He indicates he'll yield."

Gerald W. Shea: "Representative Madigan, last year you handled, is this your appropriation for an income tax refund? Supplemental. Now, last year you handled the appropriation for this department and it passed out of this House with 90 votes. At that time you doubled the appropriation from \$49 million to the sum \$100 million, is that correct?"

Edward R. Madigan: "\$108 or \$110 million, I believe was the total."

Gerald W. Shea: "And at that time I suggested that you talk

to the Department about revamping the rules so that we wouldn't be taking money from taxpayers and then turning around and refunding it, did I not?"

Edward R. Madigan: "Yes, sir."

Gerald W. Shea: "Now, could you tell me what the economy and the shape that its in, wouldn't we be much better off with this money being able to be used by people to feed their families rather than sitting in the Treasury of the State of Illinois?"

Edward R. Madigan: "Well, basically what we're trying to do is to get the money out of the Treasury of the State of Illinois, out of the General Revenue fund and into the Appropriation for the Department of Revenue so that we can have an adequate amount of money to pay the refunds to the taxpayers and to pay them promptly. I don't believe, if I may continue, Representative Shea, I don't believe that the fault lies with the Department of Revenue or with the State of Illinois. I think it's been evident each year since we've had the State income tax that the employers responsible for computing the withholding for their employees continue to make errors in the amount that is to be withheld, then continue to cause those problems on the tail end of the tax year for the Department of Revenue. It is just not failing with the state income tax, but exists also with the federal income tax and if you've been following that problem in the newspaper on the federal income tax, then you know that it amounts to about up to a sum of about \$10

billion on a federal level this year that has been miscalculated by employers in their withholding from their employees."

Gerald W. Shea: "Well, Ed, I do follow it, but unfortunately I am not in a position to do anything about the federal tax. You, hopefully, will be there next year and be able to take up that subject. Right now, I'm more concerned about the people of the State of Illinois and I'd like to know the total \$133 million what percentage of the refund will go to the corporations and what percentage of the refund will go to people?"

Edward R. Madigan: "My understanding and this is an estimate, roughly, Representative Shea, I have to offer to you as an estimate, and I have to ask you to accept it as an estimate. If the situation follows percentages follows the experience last year, then in excess of 80% of this money would go in refund form to individual tax payers."

Gerald W. Shea: "Yeah, but if we followed last year, we would not be asking for the additional money this year. My question is isn't the 7% tax credit recently enacted by the Executive Order of the President? Isn't that accounting for a large measure to great increase in returns to corporations?"

Edward R. Madigan: "No. I think that more than anything else what poses this problem is the fact that the Department of Revenue or any other state department or agencies, is obliged to present to the Department of Finance or the Bureau

of the Budget their request for an appropriation broken down as to what they want it for and an accurate amount and then the Bureau of the Budget goes over these things and cuts down those amounts that they choose to cut down. The budget that you see presented to the legislature by this department or any other department reflects a prior judgment having been made by the Bureau of the Budget as to what these amounts should be. When the Bureau of the Budget is in error, then the Department of Revenue or whatever agency is involved, must come back and ask for additional money and basically that is what has occurred here."

Gerald W. Shea: "Well, again, could you tell me you know, Representative Madigan, I think you've just hit the whole key to the question. The Department probably comes up with some reliable estimates on need and then somebody in the Budget of the Bureau hasn't got the foggiest idea what's going on besides to cut \$25 million out of an appropriation. Could you tell me what the Department's request this year in this item is?"

Edward R. Madigan: "I could tell you that the Department's request this year and this item does not properly reflect the amount of money that it should in my judgment in the judgment of Representative Hanahan and in the judgment of Representative Lechowicz, and all three of us have asked the Department of Revenue to amend their own appropriation bill to reflect what we think is the correct amount on this line item, and I'm hopeful that they'll do that and if they

don't, I think we'll do it for them."

Gerald W. Shea: "I think that that would be a commendable project rather than coming back in here and making a deficiency appropriation at the end of the line."

Edward R. Madigan: "I do, too."

Hon. W. Robert Blair: "Third reading. House Bill 4199."

Fredric B. Selcke: "House Bill 4199. A bill for an act to make a supplemental appropriation to certain ordinary and contingent expenses of the Department of Finance. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Are there any amendments from the floor? Third reading. House Bill 4142. Representative Shea, for what purpose do you rise, sir?"

Gerald W. Shea: "Can I ask him about 4199?"

Hon. W. Robert Blair: "4199 is now on third reading, Representative Shea."

Gerald W. Shea: "Well, I tried to ask the sponsor a question before it got there, is it possible?"

Hon. W. Robert Blair: "Well, Representative Shea, ah, the Chair gave a lot of leeway on 4198. This is second reading, not third reading. There were no amendments offered, I think that the substance of the bill should be discussed on third reading."

Gerald W. Shea: "All right."

Hon. W. Robert Blair: "Thank you."

Fredric B. Selcke: "House Bill 4142. A bill for an act to make an appropriation to Louis Petrick. Second reading of

the bill. No committee amendments."

Hon. W. Robert Blair: "Are there any amendments from the floor? Third reading. House Bill 4143."

Fredric B. Selcke: "House Bill 4143. A bill for an act to make an appropriation to Nathan Singer. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Are there any amendments from the floor? Third reading. House Bill 4154."

Fredric B. Selcke: "House Bill 4196. A bill for an act to amend Sections 7-7, 7-8 and so forth of 'The Election Code'

Second reading of the bill. No committee amendments."

Hon.W. Robert Blair: "Any amendments from the floor? Mr. Philip, any amendments from the floor? 4196. Third reading? Ah, the gentleman from Cook, Mr. Shea, for what purpose do you rise, sir?"

Gerald W. Shea: "There was an agreement with the sponsor that there was an amendment to be offered on second reading on this bill."

Hon. W. Robert Blair: "The gentleman from DuPage, Mr. Philip."

James Pate Philip: "Ah, Mr. Shea, I don't remember any agreement on the amendment. I think there was a question ah in regard to the last page of the bill. But I checked that out with Pete Bobbitt and he tells me that it just pertains to the old law regarding Representative and Senatorial committeemen only in 1964. All he is doing was taking that off the book, so I don't see any need for an amendment."

Gerald W. Shea: "Because Section 8-5.2 of said act is repealed applies to the election in 1964 and those elections held thereafter and under that act it was how we could take two districts that overlap between DuPage and Cook County and have the County Chairmen meet and determine the number of Representatives to run."

James Pate Philip: "Yeah, and if I remember correctly, Senator Graham has a bill, it was a House Bill, sitting over in the Senate on third reading to clarify that matter."

Gerald W. Shea: "But that bill was never moved and I, you know, I get antsy when we start something and don't strike

the other ones."

James Pate Philip: "Fine, I'll be more than happy to hold it on second reading until I check with Senator Graham and see if he'll move it out, I don't know of any opposition to it in the Senate part, frankly."

Gerald W. Shea: "I don't have any opposition to the bill, Pate, as I told you, I support the bill, but it was at one part that repealed the body, I think."

James Pate Philip: "Okay."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Phil Collins."

Philip W. Collins: "Well, Mr. Speaker, in the partial answer to Representative Shea, I have checked with Senator Graham and he is moving the bill and I would assume that it will be passed this week. I don't think we have a problem, but the sponsor is going to hold the bill, well and good, but the House Bill was under my sponsorship and Senator Graham is going to pass it this week."

Hon. W. Robert Blair: "All right, we'll, we'll take it out of the record. Take it out of the record. 4191."

Fredric B. Selcke: "House Bill 4191. A bill for an act to amend 'The School Code'. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? Third reading. 4192."

Fredric B. Selcke: "House Bill 4217. A bill for an act to amend Section 2 of and to add Section 2.05 to an act in relation to reading. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor? The gentleman from Cook, . . ."

Fredric B. Selcke: "Amendment Number One, Juckett. Amends House Bill 4217 on page 2, by inserting between lines 13 and 14 the following: 'This Section does not prevent a public body from holding. . .'"

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Juckett."

Robert S. Juckett: "Mr. Speaker and Ladies and Gentlemen of the House. This amendment which amends the portion of the the Labor Negotiations part of the open meetingsact will allow the public body to have a closed hearing to consider the demands of the other side both among themselves and with any labor negotiator that they might hire. It was uh put on at the request of the Education people and I do think it's a good amendment and I move its adoption."

Hon. W. Robert Blair: "Discussion? All those in favor of the adoption of the amendment say 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Are there further amendments? Third reading. 4546."

Fredric B. Selcke: "House Bill 4546. A bill for an act to add Sections 211.182 to and to amend Sections 205 and so forth of the Unemployment Compensation Act. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any amendments from the floor, Mr. Katz? Mr. Katz, are there any amendments ah floor amendments on this bill of yours? Okay? No floor amendments?"

Harold A. Katz: "Excuse me, Mr. Speaker, there will be floor amendments, they're being drafted, so I'll ask you to take it out of the record."

Hon. W. Robert Blair: "Take it out of the record. Take it out of the record. 14."

Fredric B. Selcke: "House Bill 14. A bill for an act to amend 'The Election Code'. Second reading of the bill. No committee amendments."

Hon. W. Robert Blair: "Any from the floor?"

Fredric B. Selcke: "Amendment Number One, Juckett. Amends House Bill 14 on page 1, line 10, by deleting '11' and so forth."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Juckett."

Robert S. Juckett: "Mr. Speaker and Ladies and Gentlemen of the House, Amendment Number One is a corrective amendment. When the original bill was introduced, it was in the lan-

guage of the law. Since there that time, there was a bill that amended that section and this amendment will bring this bill into conformity and I move the adoption of the Amendment Number One to House Bill 14."

Hon. W. Robert Blair: "Discussion? All those in favor of the adoption of the amendment say 'Yeas', the opposed 'No', the 'Yeas' have it and the amendment is adopted. Are there further amendments? Third reading. House Bills third reading. 3781."

Fredric B. Selcke: "House Bill 3781. A bill for an act to amend Section 7-502 and so forth of 'The Illinois Vehicle Code'. Third reading of the bill."

Hon. W. Robert Blair: "All right, the gentleman from Cook, Mr. Carter."

James Y. Carter: "Ah, Mr. Speaker, this bill adds some amendments in Committee which I am presently discussing with Representative Madigan with regard to some possible changes in those amendments which I do believe incorrect, and I'd like to have it with leave of the House brought back to second reading and held there until such time as we can get worked out whatever might be satisfactory."

Hon. W. Robert Blair: "All right, does the gentleman have leave to have that brought back to second reading? Okay. 4282."

Fredric B. Selcke: "House Bill 4282. A bill for an act to create the 'Illinois Small Business Purchasing Act' and to amend Section 13 of 'The Illinois Purchasing Act'. Third

reading of the bill."

Hon. W. Robert Blair: "The gentleman from Champaign, Mr. Hirschfeld."

John C. Hirschfeld: "Thank you, Mr. Speaker. House Bill 4282 is my personal opinion is legislation which could mean millions of dollars to Illinois Small Businesses each year. What this bill does is extend the concept of the federal small business administration to purchases made by the State of Illinois, by authorizing the Department of General Services to designate as small business specific certain specified commodities, equipments or services. In the cases of purchases designated as small business set aside, invitations to bid would be confined to small businesses and bids from other businesses would be refused. However, in order to protect the State of Illinois, if the total number of small businesses responding to the invitation to bid was less than three or if the Department determined that acceptance of the best bid would result in the pending of an unreasonable price, the Department could reject all bids and withdraw the set aside designation. Under the bill, the small business is defined as a business which is independently owned and operated and it is not dominant in its field of operation. Dollar volumes are also established, so that no wholesale business would be a small business if its annual sales for the most recently completed fiscal year were to exceed \$5 million and no retail business or business selling services as a small business if its

annual sales and receipts exceed \$1 million. This bill would further direct the Department to employ and experience contract negotiations to serve in this area as a small business specialist. As an attorney who does a great deal of work with small business administration loans, I think this bill would go a long long way in providing job opportunities for our small businesses, particularly those among our minority in this state and I therefore would appreciate a favorable roll call."

Hon. W. Robert Blair: "The gentleman from Christian, Mr. Tipsword."

Rolland F. Tipsword: "Will the gentleman yield for a question, please?"

Hon. W. Robert Blair: "He indicates he will."

Rolland F. Tipsword: "Representative Hirschfeld, does this cover the dollar store down in Vienna?"

John C. Hirschfeld: "I'm not aware of the little dollar store in Vienna, but if there's one there, I'm certain that it would very well cover it."

Rolland F. Tipsword: "Good."

Hon. W. Robert Blair: "Further discussion? The gentleman care to close? No. All right, the question is shall House Bill 4282 pass? All those in favor will vote 'Yeas' and the opposed 'No'. Okay. Have all voted who wished? The Clerk will take the record. On this question, there are 138 'Yeas' and 6 'Nays' and this bill having received the constitutional majority is hereby declared passed. Maragos,

'Yeas', Redmond, 'Yeas', Schneider, 'Yeas', Mann, 'No'.
4090. With leave of the House, we'll go to the order of
Senate Bills second reading. Oh, all right, with leave of
the House, we'll go back to the order of House Bills third
reading. House Bill 4090."

Fredric B. Selcke: "House Bill 4090. A bill for an act to
provide for the ordinary and contingent expenses of the
Medical Center Commission. Third reading of the bill."

Hon. W. Robert Blair: "All right, the gentleman from Cook,
Mr. Granata."

Peter C. Granata: "Mr. Speaker, Members of the House, House
Bill 4090 is the annual appropriation expense for the Med-
ical Center Commission. In this bill, there's \$100,000.00
appropriated for the planned acquisition and interest in
lands for the demolition of disposal. Most of that goes
back when they can't acquire any land. It's a good bill
and I'd appreciate the vote of all of you."

Hon. W. Robert Blair: "Discussion? The question is shall the
bill pass? All those in favor will vote 'Yeas' and the
opposed 'No'. Have all voted who wished? The Clerk will
take the record. On this question, there are 129 'Yeas'
and no 'Nays' and this bill having received the constitu-
tional majority is hereby declared passed. 4101."

Fredric B. Selcke: "Maragos, 'Yeas', Simmons, 'Yeas'."

Hon. W. Robert Blair: "Caldwell, 'Yeas', Maragos, 'Yeas',
Simmons, 'Yeas'."

Fredric B. Selcke: "House Bill . . ."

Hon. W. Robert Blair: "Hall, 'Yeas'."

Fredric B. Selcke: ". . .4101. A bill for an act to make an appropriation to the Board of Trustees of the General Assembly Retirement System. Third reading of the bill."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Granata."

Peter C. Granata: "Mr. Speaker, Members of the House, this is nothing more than a housekeeping bill which makes it a mandatory appropriation from the State to the General Assembly fund."

Hon. W. Robert Blair: "Discussion? The question is shall the House pass House Bill 4101? All those in favor of the adoption the shall vote 'Yeas' and the opposed 'No'. Have all voted who wished? The Clerk will take the record. On this question, there are 131 'Yeas' and no 'Nays' and this bill having received the constitutional majority is hereby declared passed. Juckett, 'Yeas', Timothy Sims, 'Yeas', Pappas, 'Yeas', I got, I got him. 3614."

Fredric B. Selcke: "House Bill 3614. A bill for an act to amend Section 25.05 and to add Section 24.05-8 to an act to revise the law in relation to counties. Third reading of the bill."

Hon. W. Robert Blair: "The gentlemen from Lake, Mr. Murphy."

W. J. Murphy: "Mr. Speaker and Ladies and Gentlemen of the House, this bill was introduced at the request of the Sheriff's Association and is a bill to aid in law enforcement by supplementing the 3% that the counties have lost because they had to cut their appropriations for the Sher-

iffs last budget to the fact that they are all short of money. We all know that law enforcement is very important in this day and age and we have to aid them in asking for this aid. And I'd appreciate your support on this bill."

Hon. W. Robert Blair: "Discussion? The gentleman from Macon, Mr. Borchers."

Webber Borchers: "Mr. Speaker, I would like to ask the sponsor a question."

Hon. W. Robert Blair: "He indicates he'll yield."

Webber Borchers: "Is this with or without referendum?"

W. J. Murphy: "This is permissive legislation, but it is without a referendum. It is by vote of the county board."

Webber Borchers: "By the County Board of Supervisors, right?"

W. J. Murphy: "Yes."

Hon. W. Robert Blair: "Further discussion? Does the gentleman care to close?"

W. J. Murphy: "Vote."

Hon. W. Robert Blair: "All right, the question is shall the House Bill 3614 pass? All those in favor will vote 'Yeas' and the opposed 'No'. Have all voted who wished? Cox, 'Yeas', the Clerk will take the record. The gentleman from Lake, Mr. Murphy."

W. J. Murphy: "The gentleman has asked that the absentees be polled."

Fredric B. Selcke: "Anderson, Barnes, Barry, Berman, Blades, Bradley, Burditt, Caldwell, Carroll, Richard Carter, Chapman, Clabaugh, Otis Collins, Conolly, Cox, L. Cunningham,

Cunningham, Day, Douglas, Duff, Dyer, Ewell, Gardner, Garmisa, Gibbs, Giorgi, Harpstrite, Henss, Hirschfeld, Gene Hoffman, Ron Hoffman, Hudson, Hyde, Jaffe, Jones, Juckett, Kahoun, Katz, Keller, Kennedy, Kipley, Klosak, Krause, Lauterbach, Lechowicz, Leon, Lindberg, Mann, Maragos, Matijevich, McCormick, McDermott, McLendon, Meyer, North, Nowlan, D. Hon. W. Robert Blair: "Schoeberlein, 'Yeas'."

Fredric B. Selcke: ". . .Schoeberlein. . ."

Hon. W. Robert Blair: "Craig?"

Robert Craig: "How am I recorded?"

Hon. W. Robert Blair: "How is the gentleman recorded?"

Fredric B. Selcke: "The gentleman is recorded as voting 'Yeas'."

Hon. W. Robert Blair: "Craig, 'No'. O'Hallaren? How is the gentleman recorded?"

Fredric B. Selcke: "The gentleman is recorded as voting 'Yeas'."

Hon. W. Robert Blair: "Change it to 'No'. Tipsword?"

Rolland F. Tipsword: "How am I recorded?"

Hon. W. Robert Blair: "How is the gentleman recorded?"

Fredric B. Selcke: "Ah, the gentleman is recorded as . . ."

Hon. W. Robert Blair: "All right, let me tell you, why don't we let the poll to take let the Clerk pull the absentees and then we can go ahead with this. Yes, the gentleman from Lake, Mr. Murphy."

W. J. Murphy: "I wonder if I could take this out and put it

on postponed consideration?"

Hon. W. Robert Blair: "All right, does the gentleman have leave to postpone? All right, we'll put it on postponed consideration. Consent calendar. Second reading. Consent calendar. Second reading."

Fredric B. Selcke: "House Bill 3719. Amends 'The Medical Practice Act'. House Bill 4109. Amends 'The Uniform Hazardous Substance Act', as amended. House Bill 4317. Amends 'The Vehicle Code'. House Bill 4385. Amends an act in relation to communicable diseases. House Bill 4455. Amends 'The Insurance Code', as amended. House Bill 4461. Amends 'The Vehicle Code'. House Bill 4490. Amends 'The Illinois Purchasing Act'. House Bill 4536. Amends 'The Environmental Protection Act'. Second reading of the bill."

Hon. W. Robert Blair: "Third reading. The gentleman from Cook Mr. Simmons."

Arthur E. Simmons: "Is it not necessary to act on the amendments?"

Hon. W. Robert Blair: "All right, on those. . ."

Fredric B. Selcke: "Ah, 4109. 4455."

Hon. W. Robert Blair: "4109 and 4455, the Clerk will read the Committee amendment with regard to those two bills."

Fredric B. Selcke: "4109. House Bill 4109. Committee Amendment Number One. Amend House Bill 4109 on page 8, line 10, by striking the following: 'residing in the State of Illinois'. Ah, House Bill 4455. Committee Amendment Number One. Amend House Bill 4455 on page 1, line 1, by deleting

the word 'Section' and inserting in lieu thereof 'Sections 409' and on page 1, line 5, by deleting the word 'Section' and inserting in lieu thereof 'Section 409' and on page 1, by inserting after lines 7, the following 'Section 409, Annual Privilege Tax payable by foreign and alien companies and so forth.'"

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Simmons."

Arthur E. Simmons: "Well, Mr. Speaker, I don't have either one of these amendments, ah, if the sponsor could state what they do, ah, that might satisfy me."

Hon. W. Robert Blair: "Well, these are committee amendments to consent calendar bills. If you have objection to them, you can of course. . . ."

Arthur E. Simmons: "Well, well, I do object to passing bills to third reading when I haven't even seen the amendments and know nothing about them, so I want to object just on general grounds on those two bills."

Hon. W. Robert Blair: "Well, that's no problem, you're the Chairman of that committee. That's all you have to do any-time, object to those as you know and they'll come off. So take the those two bills off, and the remaining bills on the consent calendar on second reading will go to third reading. The gentleman from Cook, Mr. Simmons."

Arthur E. Simmons: "Well, Mr. Speaker, if my objection to these two bills is going to work a hardship on the sponsors because they'll go back to second reading and ah if we could just take it out of the record, I think that they could pre-

duce the amendments and then I may not have to object to them."

Hon. W. Robert Blair: "Well, it might be the only way you could get those amendments off is you know is to take the bills off the consent calendar. Perhaps in order you can take those bills off the calendar any time up until they are called on third reading, so you can ah they can't be called until Friday, which will be the last day that we will be here and ah if it's not resolved by that time, you can take those you can take them off the calendar at that time."

Arthur E. Simmons: "Can you just take them out of the record for the time being?"

Hon. W. Robert Blair: "Yep."

Arthur E. Simmons: "Yeah, but I haven't checked it with the bill. I don't. . ."

Hon. W. Robert Blair: "All right. All right, so we fully understand ourselves, there was objection made to those two bills. The other bills have been advanced to consent calendar third reading and those two bills are remaining on the consent calendar on second reading. The gentleman from Cook, Mr. Simmons."

Arthur E. Simmons: "I'll withdraw my objection, because there they can now go to third reading and if the amendments are not right, I can object to them on third reading."

Hon. W. Robert Blair: "Right, you can, any time until we call them and you can take them off at that time."

Arthur E. Simmons: "So, I'll withdraw my motion."

Hon. W. Robert Blair: "All right. Third reading on those two bills. The gentleman from Cook, Mr. Hyde. Oh, resolutions."

Fredric B. Selcke: "House Resolution. . ."

Hon. W. Robert Blair: "Well, all right, with leave of the House, we'll go back to Messages from the Governor."

Fredric B. Selcke: "To the Honorable The Members of the House of Representatives, 77th General Assembly. I herewith return House Bill 206 entitled 'An Act to amend Section 10 of Article VI of 'An Act relating to alcoholic liquors', approved January 31, 1934, as amended.' Pursuant to the authority vested in me under Article IV, Section 9 (e) of the Constitution of Illinois, 1970, I am returning House Bill 206 with the following specific recommendations for change: Amend enrolled House Bill 206 on page 1 by striking lines 19 through 23 and inserting in lieu thereof the following: 'be; provided, however that the city council, president and board of trustees of county board, as the case may be, may further restrict the permissible hours for the sale of alcoholic liquors under such licenses in its political subdivision as the public good and convenience may require.' House Bill 206 is a companion bill to House Bill 205 which I approved on November 8, 1971 and which now appears of record as Public Act 77-1664. These two legislative enactments were designed to remove the state's prohibition of the sale of alcoholic liquors on national, state, county and

municipal election days. Although the legislative intent is clear and has now been twice manifested, the form of House Bill 206 as enacted inadvertently repeals the language of our Dram Shop Law permitting local authorities to restrict the hours for the sale of alcoholic liquors on any occasion. (See *Maywood Proviso State Bank v. City of Oakbrook Terrace*, 67 Ill. App. 2d 280, 214 N.E. 2d. 582, (1966)). The striking of this authority, particularly as it would apply to our non-home rule units of local government, is neither necessary nor consistent with the legislative intent of permitting the sale of liquor on election days. Both the principal sponsor of the bill and the Illinois Municipal League have noted this inadvertent drafting error and have requested that the bill be returned with the proposed specific recommendation for change. For these reasons, I return House Bill 206 with my specific recommendation for change. Respectfully submitted, Richard B. Ogilvie, Governor."

Hon. W. Robert Blair: "With leave of the House, introductions."

Fredric B. Selcke: "House Bill 4649, Randolph, et.al. Amends 'The Revenue Act of 1939'. First reading of the bill.

Hon. W. Robert Blair: "Agreed resolutions."

Fredric B. Selcke: "House Resolution 606, Tipsword, et.al."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Hyde."

Henry J. Hyde: "Mr. Speaker, Ladies and Gentlemen of the House, House Resolution 606 commends Miss Sandy Duncan for her many successes and wishes her well in the future. I move adoption of the agreed resolution 606."

Hon. W. Robert Blair: "All those in favor of the resolution say 'Yeas', the opposed 'No', the 'Yeas' have it and the resolution is adopted. Are there further. . . for what purpose does the gentleman from Cook, Mr. Fleck, rise?"

Charles J. Fleck: "Mr. Speaker, Ladies and Gentlemen of the House, I'd like to ask leave of the House to waive House Rule 40 in order to have House Bill 4128 advanced to the order of second reading without reference."

Hon. W. Robert Blair: "That's not in order at this time. Further resolutions?"

Hon. W. Robert Blair: "For what purpose does the gentleman from Livingston, Mr. Hunsicker, rise?"

Carl T. Hunsicker: "Mr. Speaker and Members of the House, I'd just like to remind the members of Agricultural Breakfast tomorrow morning at the St. Nicholas Hotel at 8:00 A.M. Governor Ogilvie will be there to give a speech and there will be a package of goodies for all members in attendance."

Hon. W. Robert Blair: "The gentleman from Cook, Mr. Hyde."

Robert Blair: "The gentleman from DuPage, Mr. Philip James Pate Philip: "Mr. Speaker, I'd ask leave to suspend the House Rule 17 in order to hear House Bill 4610 tomorrow in the Revenue Committee. It has not been posted. I've talked to the Chairman of the Revenue Committee and the Minority Leadership and know of no opposition."

Voices: "Leave."

Hon. W. Robert Blair: "All right, does the gentleman have leave to suspend the rule 17 so that that bill may be heard? Hearing no objection, the Chairman of the Revenue Committee indicates that he it's all right. Okay. For what purpose does the gentleman from Lawrence, Mr. Cunningham, rise?"

Roscoe D. Cunningham: "Mr. Speaker, request that Rule 17 be waived so that House Bill 3774 may be heard in the Appropriations at 2:00 P.M. I cleared this with the other side of the aisle."

Hon. W. Robert Blair: "3774. Okay. Is there leave? Hearing no objection, that bill may be posted for hearing. While

we're beginning to wind up here, we'll go to Senate Bills first reading. 1332."

Henry J. Hyde: "That is quite right, Mr. Speaker."

Hon. W. Robert Blair: "All, all those in favor say 'Yeas', the opposed 'No', the House will stand adjourned."
