

Note: First part of Session on small tape. Search for small tape proved futile. Transcription begins in the middle of Speaker Blair.

Speaker Blair: "The Gentleman from Cook, Mr. Phil Collins."

Collins: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. If you'll look at your Calendar, the meeting of the Executive Committee which has been posted for immediately after adjournment tomorrow, has been omitted, but the meeting will be held immediately after adjournment tomorrow morning. It will be carried on tomorrow's Calendar."

Speaker Blair: "Introduction and First Reading. For what purpose does the Gentleman from Cook, Mr. Shea, rise?"

Shea: "Mr. Speaker, I have a question with regard to the Committee postings. It says that there was a Interim Study Committee on Transportation yesterday and listed certain House Bills. Now am I correct in my assumption that the rules changed and the ah... passage of a Resolution took those Bills from Committee and those are presently then in Rules Committee?"

Speaker Blair: "That's correct."

Shea: "So that... I don't know if there was a hearing yesterday, but those Bills are no longer in the Transportation Committee, but are now in the Rules Committee."

Speaker Blair: "That's correct."

Shea: "Thank you."

Speaker Blair: "For what purpose the Gentleman from Lake, Mr. Pierce, rise?"

Pierce: "Mr. Speaker, for announcement if we're on that order of business."

Speaker Blair: "Yes, we're on that business. Yes."

Pierce: "The Energy Crisis Investigating Committee of the House will meet today at 3 p.m. in Room G1 of the State Office Building. The Calendar says 3 p.m. or after adjournment, but in order to give the Members a chance to have some lunch, I think we'll just make it 3 p.m. Among the matters to be discussed are the Energy Resources Council Bills introduced and pretty much sponsored by the Speaker and endorsed by the Governor. We're going to review that legislation today at 3 p.m. in Room G1."

Speaker Blair: "Introduction and First Reading."

Clerk Selcke: "House Bill 2625, Getty. Amends the Fees and Salaries Act. First Reading of the Bill. House Bill 2626, Collins et al. Appropriates money to the Department of Conservation. First Reading of the Bill. 2627, Collins. Amends the Criminal Code. First Reading of the Bill. 2628, Dave Jones. Amends Local Mass Transit District Act. First Reading of the Bill. 2629, Juckett. Amends the Park District Code. First Reading of the Bill. 2630, Juckett. Amends the Park District Code. First Reading of the Bill. 2631, Juckett. Amends the Vehicle Code. First Reading of the Bill."

Speaker Blair: "All right, we're ready to wind down the ah... Regular Session now except we'd like leave to ah... have the Clerk be able to accept any further Introductions of House Bills up until five o'clock. So ah... if there's no objection, then we'll ah... have the Clerk keep the ah... office open for receipt of ah... Introductions. All right, what we'll do in order to accommodate that situation, we'll simply ah... recess the Regular Session until five o'clock ah...at which time, the Clerk would have leave to read ah... any House Bills a first time and then we will stand adjourned at that time until the hour of twelve o'clock tomorrow. We will be coming back here, though, at three o'clock this afternoon for the Special Session on Ethics. That was ah... adjourned until three o'clock this afternoon. The Gentleman from Whiteside, Mr. Miller. I'm sorry, the Gentleman from Grundy, Mr. Washburn, has an announcement."

Washburn: "Well ah... thank you, Mr. Speaker and Ladies and Gentlemen of the House. Just a reminder to the Appropriations Committee Members that the Appropriations Committee will meet this afternoon with Rector Huggy at two o'clock in Room 212, thank you."

Speaker Blair: "The Gentleman from Whiteside, Mr. Miller."

Miller: "Mr. Speaker, I move that the House now stands in recess until 5 p.m. today."

Speaker Blair: "The Gentleman from Cook, Mr. Yourell. The Gentleman from Cook, Mr. Yourell."

Yourell: "Thank you, Mr. Speaker. Ladies and Gentlemen of the House, I'm sorry to be of so much trouble, but I would like permission to ah..."

leave to table House Bill 2473. I'm the Chief Sponsor. 2473."

Speaker Blair: "All right, the... Well, what happened, Mr. Yourell put in two Bills ah... one was a duplicate of the other, so he's tabling one of those Bills. Now ah... the Gentleman from Whiteside has moved that the House stand in recess as far as the Regular Sessin in concerned until the hour of five o'clock. However, at five o'clock it's the intention that we will only have Introduction and First Reading of House Bills and the adjourn the Regular Session ah... until twelve o'clock tomorrow. No other action will be taken at that time. It's really almost perfunctory in that nature. However, we will be coming in here at three o'clock ah... for the regularly scheduled Special Session on Ethics. So... The Gentleman from Cook, Mr. Pierce."

Pierce: "Mr. Speaker, before I knew about the Special Session at three, I announced that the Energy Crisis Investigating Committee would meet at three. We'll now make that upon adjournment of the three o'clock ah... Special ah... Session #1. The Energy Crisis Investigating Committee will meet because of course we will not meet when the House is in Session."

Speaker Blair: "All right, ah... then the Energy Crisis Investigating Commission will be meeting at soon as we adjourn the Special Session on Ethics which I would think ah... would probably be ah... not later than around ah... four o'clock, I would think. All right, ah..."

Clerk Selcke: "Let me have your attention again, please. The rules provide that we have 10 copies of the Bill. So when you bring your Bills up here, we wish you would have the 10 copies which are required to be filed. So ah... when you pick your Bill up, be sure they give you 10 copies or 11 copies 'cause we need 10 up here according to the rules."

Speaker Blair: "All right, then the motion is then that the House in Regular Session stand in recess until 5 p.m. All those in favor say 'aye', opposed 'no'. The 'ayes' have it and the House is in recess until five as far as the Regular Session. Be back here at three for the Session on, Special Session on Ethics. First Special Session will be in order and the Gentleman from Cook, Mr. Shea,

asks leave to have the Roll Call for attendance that was the Roll Call for attendance in the First Regular Session plus the Gentleman from Vermilion, Mr. Craig, ah... added to it. Is there leave for the Gentleman's ah... request plus the Gentleman from Cook, the distinguished Mr. Bluthardt, ah... we will add those two Gentlemen then to the Roll Call and that, that will be the rule? All right, are there any messages with respect to the First Special Session? Are there Introductions? All right, let's read those."

Clerk Selcke: "House Bill 22, Skinner et al. The Referendum for Proposition Campaign Act. First Reading of the Bill. House Bill 23, Skinner. Amends the Illinois Governmental Ethics Act. First Reading of the Bill. House Bill 24, Ebbesen. Amends the Illinois Governmental Ethics Act. First Reading of the Bill. House Bill 25, Ebbesen. Amends the Illinois Governmental Ethics Act. First Reading of the Bill. House Bill 26, Ebbesen. Appropriates sixty thousand for the ordinary and contingent expense of the Ethics Review Board. First Reading of the Bill."

Speaker Blair: "All right, the Adjournment Resolution."

Clerk Selcke: "We don't have that."

Speaker Blair: "All right ah..."

Clerk Selcke: "Senate Joint Resolution #3. Resolved by the Senate, 78th General Assembly, State of Illinois, First Special Session thereof, the House of Representatives concurring herein. The two Houses adjourn on Thursday, April 4, 1974, the Senate adjourns till Tuesday, April 23, 1974, twelve o'clock, noon, C.D.S.T."

Speaker Blair: "All right, the Gentleman from Cook, Mr. Shea, moves that the Senate Joint Resolution 3 be adoption. All those in favor say 'aye', opposed 'no'. The 'ayes' have it. The Resolution is adopted. Adjournment Resolution."

Clerk Selcke: "House Joint Resolution 6..."

Speaker Blair: "Messages from the Senate."

Clerk Selcke: "Message from the Senate by Mr. Fernandes, Secretary. Mr. Speaker, I'm directed to inform the House of Representatives the Senate has adopted the following Senate Joint Resolution. The adoption of which I'm instructed to ask concurrence of the House. Senate Joint Resolution #4. Resolved by the Senate, the 78th General

Speaker Blair: "All right, the Gentleman from Cook, Mr. Telcser, moves for the adoption of the Adjournment Resolution. The Gentleman from Cook, Mr. Telcser, moves for the adoption. All those in favor of adoption of Senate Joint Resolution 4 say 'aye', opposed 'no'. The 'ayes' have it. The Resolution is adopted. All right, no further business, then the Gentleman from Cook, Mr. Telcser, moves that ah... this Session stand adjourned pursuant to the Adjournment Resolution which is 4 p.m. on ah... Monday, April the 29th, April the 29th. All those in favor of the Gentleman's motion say 'aye', opposed 'no'. The 'ayes' have it. The House stands adjourned. Let's don't make any mistake. We adjourned the Ethics Session, First Special Session until four o'clock, Monday. We're coming back in tomorrow in the Regular Session at twelve, noon. Be back at... no, you don't have to be back at five, but we have left the Clerk's ah... desk open for any Introductions and First Readings at five o'clock, up till five o'clock this afternoon in the Regular Session. Okay, any questions? The Gentleman from Cook, Mr. Maragos."

Maragos: "I have an inquiry to make at this time regarding information, Mr. Speaker, I'd would like to know if we can receive information of the various omnibus Bills as been filed by the various agencies before they get on the Digest? Is there any way we... what source we could get this information from as to what Bills have been filed ah... in this last week from the various agencies because I... very important for me to know?"

Speaker Blair: "Well, the Clerk's Office put out a list every day of every Bill that ah... has been filed."

Maragos: "I, I haven't received it and that's why... Has it been on our

desks?"

Speaker Blair: "Oh, that particular matter is, is put out by the press room. It's not put out by the Clerk's Office. They put out a synopsis... prior to the time..."

Maragos: "Where can we go to find out what Bills have been introduced from day to day so, I mean, from the press room or...?"

Speaker Blair: "Well, you can go to the Clerk's Office. They don't keep any ah... separate publications. They come out in the Digest."

Maragos: "I know. That, that concerns me and I would like to have some advance notice if I could on that stuff. That's good with me. All right, thank you, Mr. Speaker."
