

Speaker Redmond: "The House will come to order, will the members please be in their seats. We will be lead in prayer this morning, by the Reverend Krueger, the House Chaplain."

Krueger: "It has come to my attention that Governor Walker has declared this Illinois Eagle Week and in the Gospel of St. Matthew, the 28th verse of the 24th chapter, is the following: wherever the body is, there the eagles will be gathered together. I've also been asked to remember that this is National Secretaries Week and I know in the Bible there is a passage that says: O all ye scribes, bless ye the Lord, praise and adore Him forever. In Psalm I, verses 1 and 3, we have the following: How blessed the man who has not walked in the council of the wicked or loitered in the way of sinners, nor say in the seats of the scornful, his delight is in the law of the Lord and he meditates on His law day and night. He is like a tree planted near streams of water bearing its fruit in due season and with leaves that do not wither and everything he does shall prosper. Let us pray. O Lord, God, Kind of heaven and earth, may it please Thee, this day, to order and to hallow, to rule, and to govern our hearts and bodies, our thoughts, our works and our words according to Thy commandments. That we be helped by Thee, may here and forever do only that which is for the good of all Your mankind through Jesus Christ, our Lord, Amen."

Speaker Redmond: "Any discussion? All in favor of the adoption of the amendment say aye, opposed no, the ayes have it and the amendment is adopted. Third Reading. Are there any further amendments? 634, Representative DiPrima."

Jack O'Brien: "House Bill 634. DiPrima. A Bill for an Act to amend the Illinois Pension Code. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any amendments from the floor? Third Reading. 645, Representative Griesheimer."

Jack O'Brien: "House Bill 645. Griesheimer. A Bill for an Act to amend the Snow Mobile Registration and Safety Act. Second Reading of the Bill. One Committee Amendment. Amends House Bill 645 on page 1 by deleting lines 11 and 12 and inserting in lieu thereof, the following and so forth."

Speaker Redmond: "Representative Griesheimer."

Griesheimer: "Mr. Chairman, Ladies and Gentlemen of the House, Committee Amendment No. 1 is really the thrust of the entire bill. A...this sets up a comprehensive program for educating ...a...and instructing minors between the ages of 12 and 16 in the safe handling of snowmobiles.. It has been endorsed by the Department of Conservation. A...the amendment...a...is really the whole purpose of the bill. However,

I point out that the basic bill also provides for the abolition of the use of snowmobiles by children under the age of 10 years. Between the ages of 10 and 12, they can operate a snowmobile with their parents, guardian, or a person appointed by their parent or guardian who is of the age of 16 years of age or older....a....although, that last feature has to be changed by floor amendment. I move its adoption."

Speaker Redmond: "Any discussion? The Gentleman moves the adoption of Committee Amendment No. 1 to House Bill 645. All in favor of the adoption of the amendment, say aye. Opposed, no, the ayes have it, the amendment is adopted. Any further amendments?"

Speaker Redmond: "Representative Griesheimer."

Griesheimer: "Thank you Mr. Speaker. A..Ladies and Gentlemen of the House, the third amendment on this bill merely changes the age of a person who may be appointed by a parent to accompany a minor in the use of a snowmobile. The original bill provided for 18 years of age, it was pointed out to me that a 16 year old may have a motor vehicle license so it made better sense to establish the age of 16, so it merely amends down the age of..a...supervisory...a...adult recreation from 18 to 16, I would move for its adoption."

Speaker Redmond: "Any discussion? The Gentleman has moved the adoption of Amendment No. 3 to House Bill 645. All in favor indicate by saying aye, opposed, no, the ayes have it, the amendment is adopted. Any further

Speaker Redmond: "Representative Griesheimer."

Griesheimer: "Thank you Mr. Speaker. Ladies and Gentlemen of the House, Amendment No. 1, which is a Committee Amendment to House Bill 646 is identical to House...er...to the amendment to the prior bill. This bill which creates a safety program...a...for minors between the ages of 12 and 16 in the operation of motor boats...a...failed to put in the actual safety program and we had to place that on amendment, it was just an error in the draftsmanship of the bill. I would urge its amend...a...its adoption."

Speaker Redmond: "Any discussion? The question is on the adoption of the amendment. Those in favor vote aye...a...indicate by saying aye, opposed no, the ayes have it, the amendment is adopted. Any further amendments? Third Reading. 654? Representative Brummet on the floor?"

Jack O'Brien: "House Bill 654. Brummet. A Bill for an Act in relation to payment of coal rights. Second Reading of the Bill."

Matijevich: "A...Mr. Speaker and members of the House,..a...I can speak on the amendment, but I...has it been passed out?"

Speaker Redmond: "Will the gentlemen standing between the Speaker and the Representative, please sit down?"

Matijevich: "Mr. Speaker, members of the House, this was a Committee member... a...Amendment, which was offered by the Department of Conservation. It was an agreed amendment whereby the time of the sale of...a...alcoholic beverages would be up to 12:00 o'clock, rather than 2 o'clock. I move the adoption of Amendment No. 1 to House Bill 676."

5

Speaker Redmond: "Any discussion? The gentleman has moved the adoption of Amendment #1 to House Bill 1287. All in favor indicate by saying 'aye', opposed 'no', the amendment is adopted. Any further amendments? Third Reading. 13, Representative Deuster."

Jack O'Brien: "House Bill 13, Deuster. A Bill for an Act to amend the Boat Registration and Safety Act. Second Reading of the Bill. Two Committee Amendments. Amendment #1, amends House Bill 13 on page 2 by deleting lines 25 and 26 and inserting in lieu thereof the following and so forth."

Speaker Redmond: "Representative Deuster."

Deuster: "Mr. Speaker, this is a Committee Amendment which makes a minor change in the Bill, but an important one. It changes the word from 'aboard' to 'on deck'. This is a boating safety measure requiring children to wear coast guard approved personal floatation devices ah... on water crafts ah.... underway and its ah... the Coast Guard suggests ah... and the ah.... the outdoor boating clubs suggests the refinement in language to say 'on deck' instead of 'aboard'. I move the adoption of Amendment #1."

Speaker Redmond: "Any discussion? The question is on the adoption of Amendment #1 to House Bill 13. All in favor indicate by saying 'aye', opposed 'no', the 'ayes' have it and the amendment is adopted. Any further amendments?"

Jack O'Brien: "Committee Amendment #2. Amends House Bill 13 on page 1, line 1, and in the title by deleting Section 1 and so forth."

Speaker Redmond: "Representative Deuster."

Deuster: "Committee Amendment #2 was suggested by the Department of Conservation and it does incorporate the coast guard definitions of personal floatation devices and I urge the adoption of Amendment #2. It is a Committee Amendment."

Speaker Redmond: "Any discussion? Representative Hart. I would like to make an announcement that the T.V. cameras have requested permission and very shortly they will be filming the House Chamber. Representative Hart."

Hart: "What is the penalty for violation of this ah.. amendment to the law?"

Deuster: "I have momentarily forgotten now. I have to check it, but it's ah....."

Hart: "Well, could you find out before you call it on Third Reading?"

Deuster: "I will do that, Representative Hart. I'm sorry I didn't have that on hand."

Hart: "Thank you."

Speaker Redmond: "Any further discussion? The question is on the adoption on Amendment #2 to House Bill..... Representative Deuster."

Deuster: "Just for Representative Hart, ah...as long as he brought the subject up, the answer to that question is ah... there could be a fine from \$10 to \$100."

Speaker Redmond: "The question is on the adoption of Amendment #2 to House Bill 13. All in favor of the adoption indicate by saying 'aye', opposed 'no' and the 'ayes' have it and the amendment is adopted. Any further amendments? Third Reading. House Bill 14."

Jack O'Brien: "House Bill 14, Deuster. A Bill for an Act to amend the Boating Registration and Safety Act. Second Reading of the Bill. Two Committee Amendments. Amendment #1, amends House Bill 14...."

Speaker Redmond: "Representative Deuster."

Deuster: "Amendment #1 again, is a Committee Amendment and it reflects a suggestion by the Coast Guard in this Bill, which is a part of a series on boating safety. There is a specification as to where a capacity plate shall be on the boat and the amendment specifies that it would be on the rear half of the hull. That's just so there is flexibility in where it can be because of the variations in boat designs. The second part of Amendment #1 defines the term 'wake' and ah... again this is a term that is used throughout the boating safety laws and it is good to have a definition. I ah... urge the adoption of Amendment #1."

Speaker Redmond: "Any discussion? Representative Yourell."

Yourell: "Yes, will the gentleman yield for a question?"

Speaker Redmond: "He indicates that he will."

Yourell: "Don, on this plate that you want to place on the hull of the boat, ah... are you changing the manufacturer's ... way of doing it?"

Deuster: "It's a little hard to hear, but I thought you said is ah... is there much of a change in the existing law and the ah...the capacity plate ah.. I believe ah... as you know, it already part of the law

and the ah... the change is ah...., and I might read the language because each vessel required to have a capacity plate ah.. will have the recommended number of persons ah... and the weight capacity on there affixed to each side and the amendment would say, 'on the rear half of the hull. . "

Hart: "The point I'm trying to get ah.., Don, is as the hull comes from the manufacturer to the dealer, the capacity plate is affixed somewhere around that hull. Now are you saying that this plate has to be placed in a specific position on the hull, as the hull leaves the factory?"

Deuster: "Oh, oh... yes. I make no change in the capacity plate, which is a plate. This has to do with the ah... a number, which is like the identification number. It is not a plate, but it is a number. It's something that's separate from the capacity plate."

Hart: "Does it have to do with ah.. something ah... identifying the capacity number along side the registration number on both sides of the hull ah.... on the bow?"

Deuster: "No, that's the reason for this is it will be on the rear half. It won't be where the number is and the Coast Guard has suggested this so there would be no confusion with the registration number and the capacity number."

Hart: "Well, on every hull, as it is delivered from the factory there is a identification plate and on that plate there is a wet weight, dry weight and a total capacity weight as to the number... as to the number of pounds that that hull can safely carry. Now are you adding numbers of people?"

Deuster: "Not to the plate, but as to be identified by a number on the side. Now I might say that we could discuss this and maybe if you want a clarification we could either take this back or hold it on Second Reading ah... after we put on the Committee Amendments, which ah.... would you like to do that?"

Hart: "Well, I would just say this, Don. I don't think that you can place a capacity number as it relates to individuals on a hull because we're talking about apples and oranges. There may be ten individuals who weigh 70 pounds apiece and you've only got 700 pounds and you may have five 200 pound individuals that weigh 1,000.

So if you're talking about the number of people, as it relates to the total capacity of that ah... hull can safely carry, I don't think that that ah...that's really ah... getting to the problem. Do you want to hold that?"

Deuster: "I would like to hold that and talk about it, but I would like to put on the Committee Amendments and then we can change that later. I think, Mr. Speaker, that we are the point of a adopting Committee Amendment #1."

Speaker Redmond: "Any further discussion? The question is on the adoption of Committee Amendment #1 to House Bill 14. All in favor of the adoption signify by saying 'aye', opposed 'no', the 'ayes' have it and the amendment is adopted. Any further amendments? Third Reading. House Bill 15. Pardon me, I've been advised that we have another amendment."

Deuster: "Mr. Speaker....."

Jack O'Brien: "Committee Amendment #2, amends House Bill #14 on page 1 by deleting line 3 and so forth."

Speaker Redmond: "Representative Deuster."

Deuster: "Mr. Speaker, this is the second Committee Amendment and among other things included in this Bill is the proposal that the Implied Consent Law, which applies to motorists ah... on the highways... would be applied to ah... motorists ah... or boaters under this Bill. Ah... Amendment #2 simply reflects the suggestion of the Department of Conservation ah.. as to a change in the language ah... and it's a long amendment, ah... 10 pages, but we can discuss that on Third Reading, but it's a refinement of the language that's already in the Bill with respect to implied consent."

Speaker Redmond: "Any discussion? The question is on the adoption of Amendment #2 to House Bill 14. All in favor of the adoption signify by saying 'aye', opposed 'no', the 'ayes' have it and the amendment is adopted. Any further amendments? No further amendments. Third Reading. House Bill 15."

Jack O'Brien: "House Bill 15, Deuster. A Bill for an Act to amend the Boat Registration and Safety Act. Second Reading of the Bill. One Committee Amendment. Amends House Bill 15 on page 1, line 14 after 'department' and so forth."

Speaker Redmond: "Representative Deuster on the amendment."

Deuster: "This is a Committee Amendment #1. One of the provisions in House Bill 15 is that there shall be a no wake ah... speed within 100 feet of public docks, rafts, piers, and so forth and ah... the amendment makes an exception for boats that are towing water skiers. This is the same as the Wisconsin law and I had overlooked it, but that's one part of the amendment; to make the exception for waterskiers who are coming to designated pick-up or drop areas. The second part of the Amendment #1, the Committee Amendment, ah... relates to ah... the requirement that there be a no wake speed on small lakes and it provides that that may be waived by either the Department of Conservation or, as in the amendment, any local authority with jurisdiction over the lake."

Speaker Redmond: "Any discussion? The gentleman moves the adoption of Amendment #1 to House Bill 15. All those in favor of the adoption indicate by saying 'aye', opposed 'no', the 'ayes' have it and the amendment is adopted. Any further amendments? No further amendments. Third Reading. House Bill 141. Oh, pardon me, 148. House Bill 148, Representative Porter."

Jack O'Brien: "House Bill 148....."

Speaker Redmond: "Take it out of the record. 156, Representative Porter. Out of the record. 438, Representative Birchler."

Jack O'Brien: "House Bill 438, Birchler. A Bill for an Act to amend the School Code. Second Reading of the Bill. One Committee Amendment. Amends House Bill 438 on page 1 by deleting lines 33 and 34 and so forth."

Speaker Redmond: "Representative Birchler on the amendment."

Birchler: "Take it out of the record and I'll come back to it."

Speaker Redmond: "Take it out of the record. 493, Representative Bradley."

Jack O'Brien: "House Bill 493, Bradley. A Bill for an Act to amend the School Code. Second Reading of the Bill. No Committee Amendments."

One Committee Amendment. Amends House Bill 500 by deleting page 3 all language in lines 28 through 33."

Speaker Redmond: "Representative Polk."

Polk: "Yes, ah... this ah.... lines out five lines, from 28 to 33, which were inadvertently put in there. The ah.... the lines 28 to 33 make reference to indoor theaters. This Bill has nothing to do with indoor theaters. The Committee brought this to our attention. We ah... we ah... brought the amendment forward in Committee and it was accepted and I move for ah... the acceptance of Committee Amendment #1."

Speaker Redmond: "Any discussion? The gentleman has moved the adoption of Committee Amendment #1 to House Bill 500. All in favor indicate by saying 'aye', opposed 'no'. Any further amendments? No further amendments. Third Reading. 554."

Jack O'Brien: "House Bill 554, LaFleur. A Bill for an Act to amend the Illinois Municipal Code. Second Reading of the Bill. One Committee Amendment. Amends House Bill 554 on page 2 by inserting immediately after line 21 the following and so forth."

LaFleur: "Mr. Speaker, I move for the adoption of Committee Amendment #1 to House Bill 554."

Speaker Redmond: "The gentleman has moved the adoption of Amendment #1 to House Bill 554. All in favor of the adoption indicate by saying 'aye', opposed 'no', the 'ayes' have it and the amendment is adopted. Any further amendments?"

Jack O'Brien: "Floor Amendment #2, LaFleur. Amends House Bill 554 on page 1, line 9 by deleting '10%' and inserting in lieu thereof '5%'."

Speaker Redmond: "Representative LaFleur."

LaFleur: "Mr. Speaker, I move for the adoption of Amendment #2. It does exactly what the Clerk has read. It's short. It takes the referendum requirement of 10% and reduces it to 5% and I move for the adoption."

Speaker Redmond: "Any discussion? The gentleman has moved for the adoption of Amendment #2 to House Bill 554. All in favor indicate by saying 'aye', opposed 'no' and the 'ayes' have it and the amendment is adopted. Any further amendments? No further amendments. Third Reading. 438."

Birchler: "Thank you, Mr. Speaker. The Committee Amendment states that the Regional Superintendent shall assist the school boards in devising a plan for the maintenance of school building within the region. That was the change. I move for the adoption of that amendment."

Speaker Redmond: "Any discussion on the amendment? The gentleman has moved the adoption of Amendment #1 to House Bill 438. All in favor of the adoption indicate by saying 'aye', opposed 'no' and the amendment is adopted. Any further amendments? Third Reading. 573, Representative Giglio."

Speaker Redmond: "Representative Leinenweber."

Leinenweber: "Thank you, Mr. Speaker. Amendment #1 ah... was put on by the request of the Liquor Distributors and the Retail Liquor Dealers and at the behest of the Committee. Basically it restores the Bill to the law the way it was with the exception that it now permits a winemaker to make up to 20,000 gallons per year from grapes grown by land he owns and ah... or land he leases and it permits him to sell up to 5,000 gallons per year at the site of the winery."

Speaker Redmond: "Any discussion? The gentleman has moved the adoption of Amendment #1 to House Bill 583. All those in favor indicate by saying 'aye', opposed 'no' and the 'ayes' have it and the amendment is adopted. Any further amendments?"

Speaker Redmond: "Further discussion? The gentleman has moved the adoption of Amendment #1 to House Bill 612. All in favor of the adoption indicate by saying 'aye', opposed 'no', the 'ayes' have it and the amendment is adopted. Any further amendments?"

Jack O'Brien: "Floor Amendment #2, Lundy. Amends House Bill 612 as amended in Section 6 and so forth."

Lundy: "Mr. Speaker and ladies and gentlemen of the House, Amendment #2 is purely a technical amendment. It inserts some commas and ah... in the Bill as amended and I would ask for a favorable vote."

Speaker Redmond: "The gentleman has moved for the adoption of Amendment #2 to House Bill 612. All in favor of the adoption indicate by saying 'aye', opposed 'no', the 'ayes' have it and the amendment is adopted. Any

I move the adoption of Committee Amendment #1."

Speaker Redmond: "Representative Skinner."

Skinner: "Mr. Speaker, I have no objection to Committee Amendment #1, but unfortunately I am amiss at having not made it down to the Reference Bureau to draft some amendments ah... to this fairly atrocious Bill to make it somewhat better. I wonder if after the adoption of this amendment, if the Sponsor would be willing to take it out of the record until I have a chance to get them drafted?"

Madigan: "No, I won't."

Speaker Redmond: He indicates that he will not."

Skinner: "That he has no objection?"

Madigan: "I'm not going to take it out of the record."

Skinner: "You mean your actually going to let this miserable Bill get to Third Reading after getting out of Committee on only a one vote margin, without putting it into better shape than it is now?"

Madigan: "It is in excellent shape."

Speaker Redmond: "Any further discussion? The question is on the adoption of Amendment #1 to House Bill 616. All in favor indicate by saying 'aye', opposed 'no', the 'ayes' have it and the amendment is adopted. Are there any further amendments? No further amendments. Third Reading. Representative Shea, for what purpose do you rise?"

Shea: "Mr. Speaker and ladies and gentlemen of the House, I've talked to the Minority Leader with regards to the posting and since we will have some Committees tomorrow and we will not be in regular Session on Sunday ah... and some question may arise about the posting, I would

now move that all Bills for hearing next week may be posted through and including tomorrow, all day. It will take ah... be ah. it requires suspension of the rules and I would now move, Mr. Speaker, that motion."

Speaker Redmond: "Representative Washburn."

Washburn: "Thank you, Mr. Speaker and ladies and gentlemen of the House, I support Representative Shea's motion."

Speaker Redmond: "The question is on the suspension of the rules. All those in favor of the suspension of the rules, vote 'aye', those opposed vote 'no'. Have all voted who wish? Take the record. On this question there is 134 'ayes' and no 'nays' and the motion is carried. The rules are suspended. It's been called to my attention that House Bill 876, which we have just moved to Third Reading requires a Fiscal Note and therefore it should remain on the order of Second Reading until the Fiscal Note is furnished. 876, leave granted to return it to the order of Second Reading. House Bill.... hearing no objections, return it to the order of Second Reading. Representative Palmer, are you ah.....Representative Ewell, 647? Mautino.... House Bill 647."

Jack O'Brien: "House Bill 647, Mautino. A Bill for an Act to amend the School Code. Second Reading of the Bill. Evidently Committee Amendments #1 through #4 were tabled. Amendment #5, amends House Bill 647 on page 2 by deleting all of lines 13 and 14 and inserting in lieu thereof the following and so forth."

Speaker Redmond: "Representative Mautino on the amendment."

Mautino: "Mr. Speaker and ladies and gentlemen of the House, ah... House Amendment #5 to House Bill 647 ah.. restricts the ah... the amount of money used for transportation to residential facilities under the ah... under the education system. It restricts it to \$100 per year for those students who are deaf and blind attending a residential school ah... within the State of Illinois and I ah... move for the adoption of the amendment."

Speaker Redmond: "Any discussion? The gentleman has moved the adoption of Amendment #5 to House Bill 647. All in favor of the adoption indicate by saying 'aye', opposed 'no' and the 'ayes' have it and the amendment

Speaker Redmond: "Representative Campbell on the amendment. Representative Flinn, for what purpose do you rise?"

Flinn: "Thank you, Mr. Speaker. Representative Campbell ah..., oh... he is on the floor now. I was going to handle the amendment for him, I'm sorry."

Speaker Redmond: "Representative Campbell."

Campbell: "Mr. Speaker and ladies and gentlemen of the House, this is an amendment that has been agreed to by the Sponsor and we wanted to put a figure in here of \$25,000 for the protection of the Department at the request of the Department. There is probably no likelihood that will ever be needed because I can't imagine anyone with ah... over a \$25,000 home that could possibly get on public aid, but ah... nevertheless, I do want to move for the adoption of Amendment #1."

Speaker Redmond: "Any discussion? The question is on the adoption of

Amendment #1 to House Bill 741. All in favor indicate by saying 'aye', opposed 'no' and the 'ayes' have it and the amendment is adopted. Any further amendments? No further amendments. Third Reading. 824, Representative Lundy."

Speaker Redmond: "Take it out of the record. 968, Representative Mahar. House Bill 824."

Jack O'Brien: "Three Committee Amendments. Amendment #1, amends House Bill 824 on page 1, line 1 and so forth."

Speaker Redmond: "Representative Lundy."

Lundy: "Thank you, Mr. Speaker and ladies and gentlemen of the House, House Bill 824 relates to the ah....filing by ah... operators of licensed long term care facilities that are licensed by the Department of Public Health and statements of ownership. for ah... retarded persons, ah... retarded citizens ah.. and agreed to by the Department of Public Health simply adds to the information which must be included in a statement of ownership of the name and identifying data for any person who enters into a management contract for a long.... for an extended care facility. I move the adoption of Amendment #2."

Speaker Redmond: "Any discussion? The question is on the adoption of Amendment #2 to House Bill 824. All in favor indicate by saying 'aye', opposed 'no', the 'ayes' have it and the amendment is adopted. Are there any further amendments?"

The amendment is necessary to conform House Bill 824 with another Bill sponsored by Representative Stubblefield, which was considered earlier in the Human Resources Committee and reported favorably. I move adoption of Amendment #3."

ah... non-substantial changes in nature and I urge its adoption."

Speaker Redmond: "Representative Cunningham on the amendment."

Cunningham: Well, it's a non-controversial Committee Amendment, Mr. Speaker and I move its adoption."

Speaker Redmond: "Any discussion? The gentleman has moved the adoption of Committee Amendment #1 to House Bill 764. All in favor of the adoption indicate by saying 'aye', opposed 'no' and the 'ayes' have it and the amendment is adopted. Are there any further amendments? Third Reading."

Jack O'Brien: "House Bill 1520, Walsh. A Bill for an Act to amend the Criminal Code. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any amendments from the floor? Third Reading. On the order of House Bills, Second Reading appears House Bill 315, Representative Palmer. 366, Representative Hirschfeld. 600, Representative Grotberg. 141, Representative Porter. Take that one out of the record. 555, Representative Hudson. Is Representative Hudson on the floor? 533, McPartlin. Representative Washington, 574. Representative Washington."

Washington: "Would you hold that on Second Reading, Mr. Speaker? I would like to make an announcement if I may at this time?"

Speaker Redmond: "You may."

Washington: "I want to call your attention to today's calendar on page 24. It lists the Judiciary I Committee as meeting today and that is in error. Judiciary I meets tomorrow morning in Room C-1 at 8:00. So disregard today's posting on Judiciary I."

Speaker Redmond: "Thank you. I think the calendar is in error. It shows Representative Willer as being Sponsor. Ah.... 804."

Jack O'Brien: "House Bill 804, Borchers. A Bill for an Act designating a state insect. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any amendments from the floor?"

Jack O'Brien: "Floor Amendment #1, McGrew. Amends House Bill 804 on page 1, line 1 by deleting 'designating' and inserting in lieu thereof 'in

Speaker Redmond: "Representative McGrew."

McGrew: "Thank you, Mr. Speaker. Ah.... I've got a little problem here.

When you called this last time, I was having an amendment drafted that ah... is somewhat of a change here. I was wondering ah... what would be the posture of that amendment? I filed it immediately upon coming up and I really prefer it to Amendment #1."

Speaker Redmond: "Is it printed? The one coming up? It's not back from the printer."

McGrew: "It's not back from the printer yet? Well, what is the posture if I tabled Amendment #1 then, ah... will the Bill remain on Second Reading?"

Speaker Redmond: "Well, it ah... probably not. You could ask the Sponsor to hold it. It would be a matter of courtesy between you two."

McGrew: "Will the Sponsor hold the Bill on Second Reading?"

Speaker Redmond: "He indicates that he he doesn't desire to do that."

McGrew: "Well, then I would move for the adoption of Amendment #1."

Speaker Redmond: "Discussion?"

McGrew: "Amendment #1 to House Bill 804 amends the Act providing for a state insect to do exactly what has always been done in the past in securing a state bird, a state tree, and a state flower and that is simply having the Illinois Office of Education provide a statewide referendum among all of our school children, K through 12 to vote upon various alternatives and the General Assembly would then act upon the recommendation of the school children and I would move for its adoption."

Speaker Redmond: "Any discussion? Representative Grotberg."

Grotberg: "Yes, I would object to that amendment, Mr. Speaker. I think we should leave this Bill intact with the Monarch Butterfly as the state insect because it seems to be the only insect in the State of Illinois that has the brains enough to go to South America while the General Assembly is in Session."

Speaker Redmond: "The gentleman is out of order. Representative Borchers."

Borchers: "Mr. Speaker and fellow Members, I request that the amendment be defeated. As the Committee knows, the children that did this did a wonderful job of it. Even the Daily News congratulated them on the way that they handled their lobbying. I think all we're doing is postponing something that ah... these children worked hard to

achieve. It might be a year or two years. It might open us up to all sorts of other letters. I just feel this is going too far. We should defeat this amendment and go ahead and send it on."

Speaker Redmond: "Representative Lucco."

Lucco: "Mr. Speaker and Members of the House, I rise in support of the amendment. I think this is to be an insect that represents the entire state and no of any locale and I think that Mr. ah... Representative McGrew's idea, which we have been doing in the past, to allow the children in the schools throughout the state to decide through the various educational set-ups through the state office and then make a recommendation to the State Legislature, that should be approved. So I move that the amendment be supported."

Speaker Redmond: "Representative Simms."

Simms: "If the Sponsor of the amendment will yield for a question? Representative McGrew, what would be the cost of your amendment for the State Board to ah... institute ah... this type of ah... a program? Is there any cost figures involved?"

McGrew: "There would not be any cost whatsoever to the State Board of Elections."

Simms: "No, State Board of Education."

McGrew: "There would be a minimal cost to provide information on each of the various alternatives, which would probably be one mailing to each school district in the State of Illinois. We have about 1200 school districts and that's at \$.10 apiece so it would be about \$124.00."

Simms: "Well, Mr. Speaker, in addressing myself to the amendment, it seems that ah... it seems that if we are going to start passing amendments like this and mandating more types of programs for the State Board of Education ah... it's not just simply mailing a \$.10 stamped envelope ah... with the necessary forms, etc. This takes a great deal of time and effort by the State Board of Education when they should be addressing themselves to more important problems. Let's fact it; it's going to take staff to analyze the results of that type of ah... program and I would suggest that his program is not a timely amendment. Representative Borchers has put

a great deal of time in this legislation and if the Gentleman thinks that there should be a separate type of a program for a...a...discussion throughout the State of Illinois on this, he should have introduced his own legislation and accompanying bill to provide the necessary funds for the State Board. So I would feel that this Amendment should be defeated and the bill should be...a...remain the same."

Speaker Redmond: "Representative Matijevich."

Matijevich: "Mr. Speaker and Ladies and Gentlemen of the House. I want to tell you, I've been here a while, but I never saw anybody do a better job in the committee than those third graders on House Bill 804. You know when it came up, I told Webber Borchers, I'd probably vote against that Monarch Butterfly, I didn't think the legislature should spend all the time on naming a...an...an insect, the State insect, and I said if C. L. McCormick were on here, it'd probably be the mosquito, and there's some that probably think the ant is the strongest insect there is. But I'll tell you, when I heard those kids in committee do such a good job. They put a little skit on for us and I'll tell you, I wouldn't have the heart to send this back defeated in any way to send it amended in any form. Let's get it out in the shape that it's in and let's defeat Amendment No. 1 to House Bill 804. The kids just did a terrific job, Webber, send that back to the teachers and all the students, they did a hell of a job."

Speaker Redmond: "Representative Duester."

Duester: "Well, Mr. Speaker, very briefly, we have a State tree that is the Oak Tree; we have a State bird that is a Cardinal; we have a State flower that is the Violet, and a State mineral that is fluoride. On none of those occasions did we have a State-wide referendum to make a decision on what it ought to be. I think that we ought to proceed in the same way that Representative Borchers is suggesting with the insect, and that is make the decision for ourselves and I urge the defeat of this mischievous amendment."

Speaker Redmond: "Are you ready for the question? The Gentleman has moved the adoption of Amendment No. 1 to House Bill 804. The question is shall Amendment No. 1 to House Bill 804 be adopted? Those in favor vote yes, those opposed vote no. Have all voted who wished? Representative McGrew to explain his vote."

McGrew: "I beg very much to differ from the information of the last speaker. I suggest he check on some information before he spouts out to be an

expert. On all three, the State tree, sir, I was the elementary principal when we voted on that and that was the reason when I came down here I sponsored the bill to do so. As far as the Violet becoming the State flower, we followed the same procedure. When we selected the State bird to be the Cardinal, we followed the same procedure as this bill recommends. Now I have nothing against the Monarch, it's a beautiful insect. In fact, next to Webber Borchers himself, it's the second most beautiful insect in the State. Now the point is that what happened in Decatur, Illinois was a great example for children around the State to become involved in the political process. Undoubtedly, they held a referendum in their class. Undoubtedly, the most popular kid in that class supported the Monarch. Now, that's fine, it's well and good, but that does not mean that the entire State of Illinois, should we adopt a Monarch as an insect simply because the most popular kid in that class supported it in the class poll. All I'm saying is let's let the entire children of the State of Illinois have a voice in this. If they select a Monarch, I'll be more than happy to co-sponsor or sponsor that particular legislation. I think this is a drastic deviation from the way we have always done it and a very very poor procedure. Next we'll start looking for a State animal, a State mammal, a State...I don't know, well, we'll probably run out of things. We can certainly go through all the kingdom and parlors and classes and orders and families and species and get something. So I recommend an aye vote."

Speaker Redmond: "Have all voted who wished? Take the record. On this question there's 75 nays, 42 yes, the amendment is lost. We've gone through...a... the House Bills...further amendments? Pardon me."

Jack O'Brien: "Floor Amendment No. 2. McGrew. Amends House Bill 804 on page 1, line 1, and so forth."

Speaker Redmond: "Has the bill been printed and distributed? We'll have to hold the bill on Second then. It hasn't been printed and distributed. Representative McGrew."

McGrew: "A...Mr. Speaker, Amendment No. 2 corrected a minor error in Amendment No. 1, and...."

Speaker Redmond: "It isn't printed, Representative McGrew."

McGrew: "I'm...I'm going to make a motion in regard to that Amendment if I may and just say what it is, I would move and I'll table it. It's the same thing as this only it lets public...private schools vote on it."

Speaker Redmond: "The Gentleman has moved to table Amendment No. 2, any objections? The Amendment is tabled. Any further amendments? Third Reading. We've gone through the House Bills on Second Reading on priority to call. We are trying to get out of here by 1:15 or 1:30 so we can eat, and on...a...the order of Constitutional Amendments, Second Reading, appears House Joint Resolution 18. Are there any amendments on that?"

Fred Selcke: "House Joint Resolution Constitutional Amendment No. 18. Second Reading. Whereas the 92nd Congress of the United States of America at its second session in both Houses by a Constitutional majority at 2/3's thereof adopted the following proposition to amend the Constitution of the United States of America. Speaker Redmond: "Move the adoption...the question is on the adoption of the Agreed Resolutions. All in favor indicate by saying aye, opposed, no, the ayes have it, the resolution is adopted. Any further resolutions?"

Fred Selcke: "A...House Joint Resolution 42. Giglio."

Speaker Redmond: "Committee on Assignment of Bills. Representative Dunn, for what purpose do you rise? Ralph Dunn."

Dunn: "Thank you Mr. Speaker, I'd like to rise for the purpose of making an announcement."

Speaker Redmond: "Proceed."

Dunn: "The meeting of the Model School for the Deaf and Hard of Hearing Study Commission that was scheduled to be held in Chicago on tomorrow, April the 12th, April the 26th, has been cancelled. I've been asked to make that by the Chairman. Thank you."

Speaker Redmond: "Are there further announcements? Any committee chairman that desire....Representative Mann. Representative Mann?"

Mann: "Yes sir. A...thank you Mr. Speaker, I just got the volumn. A...a... the ...a...House Committee on Higher Education, Mr. Speaker, will not meet at 8:00 A.M. next Monday, but we will meet at 2:00 P.M. next Monday. I call that to the attention of any sponsors who have business before the Committee. Thank you."

Speaker Redmond: "Any other committee chairmen with announcements?
Representative Londrigan."

Londrigan: "Mr. Speaker, the Motor Vehicles Committee, next Monday, will not meet at 9:30, but will meet at 4:00 P.M. and 8:30, and I would also like

I would also like at this time to table House Bill 670 and 673, of which I am the principle sponsor."

Speaker Redmond: "Any objections? Will you repeat the numbers again, Representative Londrigan?"

Londrigan: "670, 673."

Speaker Redmond: "670, 673. Representative Fary."

Fary: "Mr. Speaker, Labor and Commerce will not meet tomorrow, Saturday, because the...a...bills have been postponed by request of the sponsors. However, Labor and Commerce will meet on the 30th of April at 8:00 o'clock in the morning....across the street in B-1."

Speaker Redmond: "Any other announcements? Representative Williams."

Williams: "Mr. Speaker, I would like leave to have my name removed as a sponsor of House Bill 2819 and then I'd like Representative Taylor, if you will hear him, and he's going to move to table the bill."

Speaker Redmond: "I've been advised that in order to have your name removed, you must come to the Clerk."

Williams: "Well, actually this....I don't even know where this bill came from and my name is on it and I don't want to be on it at all. And I understand...."

Speaker Redmond: "Well, yeh, I understand that you'd come up here and tell the Clerk, maybe write something out."

Williams: "Well then, how would the bill be tabled then, Mr. Speaker... a...some one else has to pick up the sponsorship and then table it, which is what we'd like to do with this."

Speaker Redmond: "Why not just table it?"

Williams: "Well, I don't want my name on it though. And it'll appear all through the journal and everything else...."

Speaker Redmond: "Representative Taylor, do you desire to be shown as the sponsor on House Bill..."

Taylor: "Mr. Speaker, I would...a...accept that responsibility of being the sponsor of 2899, and as the Gentleman has said, I would like also to table 2819 at this time."

Speaker Redmond: "Let the record...let the journal show that Representative Taylor is the sole sponsor of the bill and that he has moved to table it, is there any objections? The bill is tabled. Representative

Washington."

Washington: "Mr. Speaker, I ask leave to table the following bills: House Bill 2393, House Bill 2434, House Bill 2497, House Bill 2525, House Bill 2526, House Bill 2527, and I am the chief sponsor and the only sponsor, on each of those bills."

Speaker Redmond: "Representative Hart."

Hart: "A..yes, I would like the record to show that Representative Catania is the chief sponsor of House Bill 2530 and withdraw my name as the chief sponsor and add it as a co-sponsor."

Speaker Redmond: "The first..the first motion is Representative Washington's desire to table 2393, 2434, 2497, 2525, 2526, 2527, any objections? Those bills are tabled and the record...the journal will so show. Now Representative Hart, 2530?"

Hart: "Yes, show Representative Catania as the chief sponsor and...a...me... as a co-sponsor."

Speaker Redmond: "Is that satisfactory with Representative...he indicates that that's (tape trouble) Is that a change in sponsorship?"

Hart: "It is."

Speaker Redmond: "Representative McLendon."

McLendon: "I ask leave at this time to table House Bill 1606, 1-6-0-6, of which I am the only sponsor."

Speaker Redmond: "Any objections? Being no objections...a...the bill is tabled, the journal will so show. Representative Washburn?"

Washburn: "Thank you..a...Mr. Speaker and Ladies and Gentlemen of the House, we're honored this afternoon, by having the eighth grade class of Glenside Junior High School, Glendale Heights, represented by Representative LaFleur, Friedland, and Mugalian, and two of their members who won the citizenship awards have been pages this week, Kevin Raymouth and Lori Matherol. Would you stand too?"

Speaker Redmond: "Representative Katz, did you seek recognition? Representative Katz?"

Katz: "Yes, a...Mr. Speaker, I did want to announce to everybody that Judiciary II will be sitting all afternoon and evening. We would like to have the bills heard this week rather than next week. The sponsors are urged to come to Room 114 this afternoon or tonight, where they will

get...a...quicker treatment, really, than would be possible next week, and we very strongly urge that even though sponsors have received notices that bills could be heard next week, that today is the day to do that, and all afternoon and all evening, Judiciary II will be sitting in 114 to hear posted bills. Thank you."

Speaker Redmond: "Representative Leon."

Leon: "A..Mr. Speaker, and Gentle....Ladies and Gentlemen of the Banks and Savings and Loan Committee, the meeting will commence at 2:00 P.M. promptly, and I wish to caution all sponsors, I have twelve bills on the call that have been posted, and unless they appear, their bills will be dead, because the time for posting has passed, and if you wish your bill heard, we will be able to hear it and if you come to Room A-1 shortly after 2:00 P.M., we will hear your bill and I hope, conclude with the meeting on House Bills this afternoon. Thank you."

Speaker Redmond: "Representative Chapman."

Chapman: "Mr. Speaker, I have two announcements. One of a business nature and another social one. The first announcement is for people who have bills posted with the Human Resources Committee and for members of the Human Resources Committee. The Mental Health Subcommittee will not meet on Monday morning. Instead, all bills that were scheduled for Monday morning have been posted for next Thursday morning. The other three subcommittees will meet at 8:00 A.M. on Monday morning, and for people who will be coming for bill hearings, it is important for you to come to these subcommittees in the morning, because as we have our committee organized, all of the bills that are posted for the Human Resources Committee on Monday will be heard by subcommittee. Every single bill will be heard by subcommittees in the morning and then by the full committees in the afternoon. And now for the social announcement. That girl would like to meet all of you. The women legislators urge you to come over during the break between 6:00 P.M. and 7:00 P.M. to shake the hand of Marlo Thomas, to greet Marlo Thomas, and to give Marlo Thomas a chance to say "thank you for the vote that you are going to be casting for the Equal Rights Amendment". Now...a...we also are expecting Marlo to be here about 3:00 o'clock, we will have a press conference, and Marlo hopes to have a chance to meet and chat with many of you. She will be at

at the south end of the State Office Building on the second floor between 4:45 and 5:45. This is Secretary's Week and ah.... we do have a small treat for secretaries. We hope that Legislative Secretaries would all come down ah... this afternoon between 4:45 and 5:45 to meet Marlo Thomas. She will be happy to meet any Legislative Staff so wherever you are, if you're listening, say 'hello' to Marlo Thomas this afternoon."

Speaker Redmond: "Representative Berman."

Berman: "Well, Mr. Speaker, I don't know whether this is an announcement or a point of personal privilege. I guess it would be best described as a point of very personal privilege. For approximately a week now, many of my colleagues have been extending the accolade of 'Senator' to me and ah... I thought that ah... it would be proper for me to clarify on the floor of the House some of the rumors and gossip and discussions that we've seen ah... either in the Press or on one side of the aisle or one side of the rotunda or the other. I've been serving in this House for 3 1/2 terms now and I like the House of Representatives. I think that the two Bodies of the General Assembly are very unique; each in their own distinct way. Maybe it's because a person gets used to wherever he's at. Maybe it's because he gets used to having a certain way of handling legislation and the responsibilities of the General Assembly, but I indicated to the people who are my very good friends and have been my loyal supporters, the Democratic Committeemen of my district, that I appreciated their support and their request to name me to the vacancy that was left by the retirement of Senator Saperstein to ah... and her elevation to the ah... City Council of the City of Chicago, but ah..I indicated that I felt that at this time and because of a statutory time requirement, that I couldn't, in all good consciousness, leave the House of Representatives and go to the Illinois Senate. I ah... I ah..."

Unknown: "However....."

Berman: "No howevers.... I merely thought that I would announce on the floor because this afternoon ah... I have filed ah... with the Secretary of the Senate and with the Secretary of State a formal declination of my recommendation to the Senate. These are not easy decisions to make and many of you have come up and when I indicated that I was going to stay in the House, you looked at me rather surprised and I take it that many people can't understand ah... why that type of ah... opportunity would be passed over. I do want to

APR 25 1975

indicate that it took a great deal of soul searching, a great deal of deliberation between all members of my family and myself, but I think that ah... this is the place and this is the time that we have the peoples' work to do. I've enjoyed it. I take great pride in the camaraderie that I share with each of you on the ah... of this House and I pledge to each of you and to the Members of the 11th District of the state, to always do my best as a public official as long as they see fit to return me here and I want to express my personal appreciation to each of you, either in your congratulations because you thought that I was leaving, or in the reaffirmation of your friendships when you heard that I was going to stay. Thank you, Mr. Speaker."

Speaker Redmond: "Representative Schneider."

Schneider: "The ah... Committee on Elementary and Secondary Education will meet promptly at 2:15 and we will try and clean out everything in ah... roughly the following order. Self Committee Bill, Postponed Bills, and then new Bills and ah... most of those are ah..., I believe, are Special Ed and we hope to work straight through until we finish, which means maybe 10:00 with the break for Marlo Thomas."

Speaker Redmond: "Representative Taylor."

Taylor: "Mr. Speaker, the Committee on Cities and Villages will meet promptly at 2:15 and we too will go straight through until we clean out all of the work that we have for this week. Thank you."

Speaker Redmond: "Representative Yourell."

Yourell: "Thank you, Mr. Speaker. The Committee on Counties and Townships will meet tomorrow morning as indicated in your calendar and those Sponsors of Bills in that Committee will want to be placed on a list. Please see me now or call the office and we will get you on a list and if you are not there, we'll go ahead with another Sponsor, but if you do want priority call, please get on the list. Thank you."

Speaker Redmond: "Representative Washington."

Washington: "Mr. Speaker, I simply wanted to reiterate that today's calendar is incorrect in that Judiciary I Committee will meet tomorrow at 8:00 and not today. Judiciary I meets tomorrow morning at 8:00."

Speaker Redmond: "Representative Shea."

Shea: "Mr. Speaker, I'm wondering if I could get some order. There is a resolution on the Clerk's desk that I would like to have read."

Speaker Redmond: "It is a very ominous resolution."

Fredric B. Selcke: "House Resolution 221, Redmond et al. Whereas, our friend and colleague, James R. Washburn of Morris, has again contrived to celebrate his birthday on a day in which the House is in Session. This adding yet another resolution to his ever-growing collection; and whereas, Mr. Washburn has been described as leader of the 76 Trombone Section of the magnificent orchestra known as the House of Representatives; and whereas his service as

an officer in Marines and an aviator during World War II, has served to develop his abilities in hand to hand combat required of a leader of the House during the 79th General Assembly; and whereas, the Republican Leader continues his outstanding service to the People of Illinois, watching over their money, which he guards zealously for a reason known only to himself; and whereas, The Gentleman from Grundy County continues to fill a vital role in the operations of Illinois government, and deserves all of the congratulating he can get, therefore, be it resolved, by the House of Representatives of the 79th General Assembly of the State of Illinois, that we congratulate the Gentleman from Grundy County, that most excellent Representative of the People of the 43rd and of the State of Illinois, on the passing of another year and on the occasion of his birthday anniversary; and be it further resolved, that we wish for Bud Washburn many more years of health, happiness and prosperity and of service to the People of Illinois; and be it further resolved, that a suitable copy of this resolution be presented to the Honorable James R. Washburn again this year."

Speaker Redmond: "Representative Shea."

Shea: "I'll yield to the gentleman from Grundy, he wants to say something."

Washburn: "Thank you, Mr. Speaker and ladies and gentlemen of the House, just a big thanks to each of my 175 friends in this House."

Speaker Redmond: "The gentleman has moved for the adoption of this resolution. All in favor indicate by saying 'aye', opposed 'no' and the 'ayes' have it and the resolution is adopted. I would like to make one announcement. I understand that the Majority Leader has already called to the attention of some of the Members who have not yet filed their ethic statements, that it is due April 30. The immutable march is on. Tomorrow will be the same schedule that we had today with ah.... and so will next week, for that matter. You might be ah..... this is not an official Roll Call, but it will give you some idea. We had in Committee pending, as of Monday at 8:00 a.m., 2386 Bills. We now have to the best of our knowledge about 2115, which means that we ah... administered to ah... roughly 300 Bills last week. This isn't really up to date because we didn't catch yesterday and today. Representative Lucco."

Lucco: "Mr. Speaker, I ah.. I would like to table a Bill. I would like to table House Bill 1271. It is a duplicate Bill and I yield to that Bill. House Bill 1271, please."

Speaker Redmond: "Any objections? Leave granted. The schedule is 8:00 to 11:00 for Committees, 11:15 on the floor, 2:00 to 6:00 for Committees and 7:00 to 10:00 for Committees. That's next week. Representative Shea, do you desire recognition?"

Shea: "For two announcements, Mr. Speaker. One, that Public Utilities will meet at 9:30 a.m. tomorrow morning in Room 122 B. Public Utilities in Room 122 B at 9:30 a.m. I would like to take this opportunity to introduce a young lady that's here, Mrs. Berman. Stand up, Sandra. Now, Mr. Speaker, I would like to have the House go into recess for five minutes and have the Clerk finish reading up the Senate Bills, First Reading and then to move that the House do stand in adjournment until 11:15 a.m. tomorrow morning for a floor Session."

Speaker Redmond: "All in favor of the gentleman's motion indicate by saying 'aye', opposed 'no' and the 'ayes' have it and the motion is adopted. Committee Reports."

Fredric B. Selcke: "Mr. Mann, from Higher Education, to which House Bills 1564 and 1565 were referred, reported the same back with the recommendation that the Bills do pass and be re-referred to Committee on Assignment.
