Give thy ministers, these assembled legislatures pure and wise hearts that they may so desire to go wither Thou doest send them and to do that which thou doest will on the power of him through whom we do all things, even thy Son, Jesus Christ our Lord. One Committee Amendment, amends House Bill 921 on page 1, line 28 by deleting 'unlawful' and inserting in lieu thereof; 'lawful'."

Speaker Redmond: "Representative Fleck."

Fleck: "Ah... Mr. Speaker, Ladies and Gentlemen of the House. Committee Amendment Number 1 clears up a drafting error make by the Reference Bureau ah... the Reference Bureau initially had the word 'unlawful' on the intent and purpose of the Bill was to have the word 'lawful' included and I now do move the adoption of Committee Amendment Number 1."

Speaker Redmond: "The gentleman has moved the adoption of Amendment Number 1 to House Bill 921. All those in favor say 'aye'. Opposed 'no'. The 'ayes' have it, Amendment adopted. Any further Amendments. Third Reading, no further Amendments."

Speaker Redmond: "148, Representative Porter... take it out of the record. 156, take it out of the record. 618, Representative Ewell. Are there any..."

O'Brien: "House Bill 618, Ewell. A Bill for an Act in relation to Medical Treatment Administered solely for the purpose of prolonging Human Life. Second Reading of the Bill."

Speaker Redmond: "Representative Ewell."

Ewell: "Some suggested Amendments by, not by the Committee but with

the Medical Society and I would ask that we take this out of the record until I'm able to get those Amendments in."

Speaker Redmond: "Take it out of the record."

Speaker Redmond: "984, Representative Katz... out of the record. 85 Duff, out of the record. 437 Representative Cunningham... 437."

O'Brien: "House Bill 437, Cunningham. A Bill for an Act to amend the Fees and Salaries Act. Second Reading of the Bill. One Committee Amendment. Amends House Bill 437 on page 3, by deleting lines 22 and 23 and inserting in lieu thereof the following: Section 2. This amendatory Act takes effect July 1, 1975."

Speaker Redmond: "Representative Cunningham."

Cunningham: "Mr. Speaker and Members of the House. My apologies for delay caused the ah... amendment is innocuous as it sounds, it merely fixes the date for the Bill to be effective, respectfully move that the Amendment be adopted."

Speaker Redmond: "The gentleman has move the adoption of Amendment Number 1 to House Bill 437. All in favor say 'aye', opposed 'no'. The 'ayes' have it and the Amendment is adopted. Any further Amendments... no further Amendments. Third Reading."

Speaker Redmond: "Representative Schlickman."

Schlickman: "Mr. Speaker, as this Bill was introduced it provides that the entire salary of Judges should be paid for by the State, no longer providing for any County contribution. I think it is a significant Bill fiscally, I therefore file a request for a Fiscal Note and respectfully suggest that this Bill stay at the order of Second Reading."

Speaker Redmond: "Have... have you filed it in writing, Representative Schlickman."

Schlickman: "Yes sir."

Speaker Redmond: "Under the rules it would have to remain on the order of Second Reading until the Fiscal Note is furnished. I wasn't advised that the Fiscal Note had been required and if I had been advised I would have to make that ruling, I'm sure you wouldn't want me to be in error."

Speaker Redmond: "541, Stearney... 596, Representative Cunningham."

O'Brien: "House Bill 596, Cunningham. A Bill for an Act in relation to Taxation on Mobil Homes. Second Reading of the Bill. No Committee Amendments."

O'Brien: "House Bill 596, A Bill for an Act making Appropriations in the Supreme Court. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor. Representative Cunningham."

Cunningham: "Well, Mr. Speaker, I should have pointed out a minute ago that this is the companion Bill to the other Bill so it would obviate the need for the Fiscal Note, this is the appropriation that goes along with it, so it would seem that Representative Schlickman's ah... request had been anticipated and met by the L.R.B. Would he respectfully request... remove his request and the thing move along."

Speaker Redmond: "Representative Schlickman."

Schlickman: "What was the number of the..."

Speaker Redmond: "Representative Schlickman, the other one was 596 and 437."

Schlickman: "437, on second Mr. Speaker.... Mr. Speaker, in requesting a Fiscal Note on 437, I'm going to rely upon the conclusion of the Legislative Reference Bureau which indicates on page 592 of the Digest, dated April 25, 1975. By an asterisk that a Fiscal Note may be applicable, and I would suggest Mr. Speaker, the whole purpose and thrust of the Fiscal Note is to suggest what the long range fiscal implication of a particular Bill may ah... be and have ah... extending beyond ah... the first Fiscal Year in which the Bill is passed and approved would be effective."

Speaker Redmond: "As I understand your comment then, you still insist on a Fiscal Note on 437, is that correct?"

Schlickman: "To put it succinctly, yes."

Speaker Redmond: "I'm a slave of the rules, Representative Cunningham... Representative Cunningham."

Cunningham: "Well, if that be true Mr. Speaker, we'll win. In this situation you have.... a companion Bill, one of them says, we're

going to have the State pay the... the ah... add on for the Judges, that's 437. In 596 we fixed the dollar and dime amount for that obligation now, if that doesn't equal a Fiscal Note, I'm badly confused as to what is the purpose and the ah... effect of a Fiscal Note. We asked the Chair to rule that the Fiscal Note is satisfied by the Companion Bill, 596 and respectfully urge that common sense supports our position."

Speaker Redmond: "The Chair has ruled that in his judgement, 437 would have to have a Fiscal Note. I do not believe that the Companion Bill would satisfy that requirement, so we will have to hold 437 on Second Reading. Now, on 9... 596 do you desire to have that remain on Second or move it to Third."

Cunningham: "No... if agreeable to Representative Schlickman, let's move it forward."

Speaker Redmond: "Third Reading on 596."

Speaker Redmond: "The Chair recognizes ah... Representative Neff... 2456."

O'Brien: "House Bill 2456.... Leverenz. A Bill for an Act to amend an Act relating to Practice of Beauty Culture. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor. Third Reading."

Speaker Redmond: "2457."

O'Brien: "House Bill 2457, Leverenz. A Bill for an Act to amend an Act in relation to Practice of Barbering. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor. Third Reading."

Speaker Redmond: "Representative Neff, do you desire recognition."

Neff: "Thank you, Mr. Speaker. I would ah... like to have permission to have a recess for three quarters of an hour, or 45 minutes for the purpose of a Republican conference."

Speaker Redmond: "Any objections. The House will stand at ease for three quarters of an hour."

Neff: "Ah... Mr. Speaker, the Republican Conference will be held in Room 114."

Speaker Redmond: "You will be back at 25 minutes till 1."

Neff: "Ah... yes, 25 minutes till 1, we'll be back."

Speaker Redmond: "Thank you, the House is recessed until then."

Speaker Redmond: "Representative Walsh, did you sound off."

Walsh: "I did, Mr. Speaker and pleased to introduce the 8th grade class of St. Hubert's Grade School in Hoffman Estates. They are very capably represented by Representative Totten, Macdonald and Chapman."

Speaker Redmond: "Order of business... I guess I didn't call you. The House will be in order, Members please be in their seats."

Speaker Redmond: "The order of business, Second Bills.... Senate Bills, Second Reading. On Senate Bills, Second Reading appears Senate Bill 23.... Representative Washburn."

O'Brien: "Senate Bill 23, Washburn. A Bill for an Act making appropriation of Department of Transportation..."

Speaker Redmond: "Any Amendments?"

O'Brien: "Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor. Third Reading. 225."

O'Brien: "Senate Bill 225, Darrow. A Bill for an Act making supplemental Appropriation of the Department of General Services. Second Reading of the Bill. One Committee Amendment. Amends Senate Bill..."

Speaker Redmond: "Representative Darrow..."

O'Brien: "Amends Senate 225 as amended on page 1, line 11 so forth."

Speaker Redmond: "Representative Darrow."

Darrow: "Thank you, Mr. Chairman. Ladies and Gentlemen of the House. There is one Committee Amendment on this, the Committee Amendment reduces the amount of the Appropriation by eighty-eight thousand, five-hundred dollars... or by eighty-eight thousand, five-hundred dollars, excuse me. I would ask for its acceptance."

Speaker Redmond: "The gentleman has move the adoption of Amendment Number 1 of Senate Bill 225. All in favor of the adoption say 'aye', opposed 'no'. The Adoption.... the Amendment is adopted. Any further Amendments... no further Amendment. To Third Reading."

Speaker Redmond: "275, Leinenweber. Senate Bill 275."

O'Brien: "Senate Bill 275, Leinenweber. A Bill for an Act to amend Sections of the Illinois Insurance Code. Second Reading of the

Bill. One Committee Amendment. Amends Senate Bill 275 on page 1, line 9 by deleting 'solicitor' and so forth."

Speaker Redmond: "Representative Leinenweber."

Leinenweber: "Thank you, Mr. Speaker. This is a Committee Amendment, it actually removes ah... some duplicative language from the Bill. Very briefly, the Bill is a consumers type Bill and requires that a Insurance Broker who ah... solicit someone in order to re-write their Insurance... must explain in writing the... the short rate ah... table so that the consumer will know much it is actually costing him to cancel an existing policy, there was duplicative language in it, suggesting the Department of Insurance to instruct the duplicative language so I move the adoption of Committee Amendment Number 1."

Speaker Redmond: "The gentleman has move the adoption of Amendment Number 1 to House Bill... or Senate Bill 275. All in favor of the adoption say 'aye', opposed 'no'. The 'ayes' have it, the Amendment is adopted. Any further Amendments. Third Reading."

Speaker Redmond: "366, Representative Craig... is he on the floor... take that one out of the record. 389... you would never know it but, I'm really back here."

O'Brien: "Senate Bill 389, Londrigan...."

Speaker Redmond: "Is Representative Londrigan on the floor... take it out of the record. House... Senate Bill 122, Representative Daniels. Senate Bill 122, are there any Amendments."

O'Brien: "Senate Bill 122, Daniels. A Bill for an Act to amend the Charitable Solicitation Act. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor. Third Reading. Senate Bill 35."

O'Brien: "Senate Bill 35, Giorgi. A Bill for an Act to amend the School Code. Second Reading of the Bill. No Committee Amendments."

O'Brien: "Senate Bill 218. A Bill for an Act to amend Sections of an Act relating to the Composition and Election of County Boards in certain Counties. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor... No Amendments from the floor. Third Reading. 540... Representative Walsh."

Walsh: "Well, Mr. Speaker, we're spending a lot time on Senate Bills on Second Reading and I just don't think that we should. We've talked about this, many times before. The press of House Bills has got us meeting 6 days a week, I think it just.... just simply no excuse for us to be considering Senate Bills at this time and I object to this."

Speaker Redmond: "540."

O'Brien: "Senate Bill 540. A Bill for an Act to amend Sections of an Act to provide for the exposition performing Arts Authority in Madison and St. Clair Counties. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Representative Calvo.... or Lucco... Representative Walsh."

Walsh: "Well, Mr. Speaker, you didn't respond. I talked there for quite awhile there and you didn't say a word."

Speaker Redmond: "Neither did you, Representative Walsh. We are in the order of Senate Bills, Second Reading. Any Amendments from the floor on 540."

O'Brien: "None."

Speaker Redmond: "Third Reading. Representative Walsh."

Walsh: "Yah, there is an Amendment for ah... the floor on this Bill. Representative Collins has an Amendment that he ah.... I'm sure offered.... have you got it Mr. Clerk... you don't have it... well could we take this out of the record ah... for ah... until we can find Representative Collins."

Speaker Redmond: "I'm not so sure that that's such a short task, you may have to..."

Walsh: "No ah... he was here just a short time ago, he... he'll be

here."

Speaker Redmond: "Third Reading on 540, if he was here...."

Walsh: "Well... well... well Mr. Speaker, no.... wait now, we have an Amendment, he has an Amendment and this is a courtesy we're asking for a Member. He has an Amendment I'm... I'm certain of it."

Speaker Redmond: "Well... when he finds his Amendment, if he asks leave to return this to the order of Second Reading."

Walsh: "Well... well... now will the sponsor agree to have the Bill brought back to Second Reading for the purpose of an Amendment."

Speaker Redmond: "Ask the sponsor."

Walsh: "Well... Representative Lucco, would you agree to ah... have the Bill brought back for purposes of an Amendment."

Speaker Redmond: "Representative ah... Tuerk, do you want to be recognized."

Tuerk: "Mr. Speaker, ah... if the Amendment isn't on the Clerk's desk ah... it's on Third Reading, it's unfortunate that the Amendment wasn't filed ah... let's go on with the business."

Speaker Redmond: "Representative Walsh."

Walsh: "Mr. Speaker, I'm asking a courtesy for a Member who I am sure has an Amendment to this Bill, he is not here at this moment, I saw him no more than 15 minutes ago. He is around some place and will be here. Now, I'm sure that you won't object or that the sponsor would not object to extending the ah... gentleman the courtesy of ah... letting him submit his Amendment."

Speaker Redmond: "Well, I don't think that that request is in order now and I have already ruled... I have ruled that the Senate Bill 540 go to the order of Third Reading, now.... you know what the appropriate procedure is, when Representative Collins returns... Senate Bill 44."

O'Brien: "Senate Bill 44, Schlickman. A Bill for an Act to amend the Illinois Municipal Code. Second Reading of the Bill. One Committee Amendment...."

Speaker Redmond: "Representative Schlickman."

O'Brien: "Amend Senate Bill 44 in the House on page 1 and so forth."

Speaker Redmond: "Representative Schlickman."

Schlickman: "Mr. Speaker and Members of the House. Amendment Number 1 to Senate Bill 44 is the non-limitation on home rule unit, a Committee Amendment and I move for its adoption."

Speaker Redmond: "The gentleman has moved the adoption of Amendment Number 1 to Senate Bill 44. All those in favor say 'aye', opposed 'no'. The 'ayes' have it. The Amendment is adopted. Senate Bill 70. Third Reading on 44, pardon me."

O'Brien: "Senate Bill 70. A Bill for an Act to amend the Personal Code. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor."

O'Brien: "None."

Speaker Redmond: "Third Reading. 141, Ebbesen."

O'Brien: "Senate Bill 141. A Bill for an Act to amend Sections of an Act making certain appropriations to the Capital Development Board. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor."

O'Brien: "None."

Speaker Redmond: "Third Reading. 8..."

O'Brien: "Senate Bill 8. A Bill for an Act to amend the Election Code. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor."

O'Brien: "None."

Speaker Redmond: "Third Reading."

O'Brien: "Wait... wait, I do have one."

Speaker Redmond: "Pardon me... Senate Bill 8, I understand there is an Amendment."

O'Brien: "One floor Amendment, Mautino. Amends Senate Bill 8 on page 1, line 27 by deleting the word 'must' and inserting in lieu of 'may' and so forth."

Speaker Redmond: "Representative Mautino."

Mautino: "Yes, Mr. Speaker and Ladies and Gentlemen of the House. This ah... Amendment was presented to Representative McPartlin on behalf of the ah... Cities in and ah... Villages in making it a 'may' Bill rather than a 'must' Bill for the ah... population requirement of 25,000 people within a County to have something other than a

paper ballot for voting... ah... and I move for its adoption."

Speaker Redmond: "The gentleman has moved the adoption of Amendment 1..."

Speaker Redmond: "Representative Grotberg."

Grotberg: "Would the gentleman explain that Amendment once more for those of us who are concerned with this Bill."

Mautino: "Yes, Representative Grotberg. This Amendment makes it permissive in Counties 25,000 ah... or less. Ah... whether or not they should have ah... something other than paper ballots for ah... voting ah... its a 'may' Bill. The Bill in its original form said they 'must' have something other than paper ballots, my Amendment makes it a... as permissive ah... and not mandatory."

Grotberg: "But, the mandatory thing kicks in at 25,000... the mandatory version is 25,000 up..."

Mautino: "Yes."

Grotberg: "Which was amended down from 40,000 the other day on the House floor..."

Mautino: "That's a different Bill..."

Grotberg: "Different Bill."

Mautino: "This is Senate Bill 8."

Grotberg: "Thank you."

Speaker Redmond: "Representative Kempiners."

Kempiners: "Would the gentleman yield."

Speaker Redmond: "He indicates he will."

Kempiners: "Okay, lets see if I get this straight. What the Bill does, it's not permissive at all it mandates that when a County gets to 25,000, it must go to machine rather than paper ballots, right."

Mautino: "That's the Bill without my Amendment."

Kempiners: "All right, now what does your Amendment do."

Mautino: "It says instead of... it said they 'must' do it... it says they 'may' do it, it makes it permissive rather than mandating."

Kempiners: "What... after... when it reaches 25,000."

Mautino: "Yes sir."

Kempiners: "Okay, that's a good Amendment, I would urge the Membership of the House to support that Amendment."

Speaker Redmond: "In as much as this seem to stir some controversy,

I think we'd better take it out of the Bill until the sponsors return. Take it out of the record until the sponsor... Senate Bill 24."

O'Brien: "Senate Bill 24, Shea. A Bill for an Act to amend the School Code. Second Reading of the Bill. 1 Committee Amendment. Amends Senate Bill 24 on page 2, by deleting lines 24 through 33 and inserting in lieu thereof the following: so forth."

Speaker Redmond: "Representative Shea."

Shea: "Mr. Speaker, I move for the adoption of the Committee Amendment, this just makes the Bill so that enlisted men ah... will have these rights and it also puts in, I'm sure, puts in the private colleges."

Speaker Redmond: "The gentleman has moved the adoption of Amendment Number 1 to House Bill 24.... Senate Bill 24. All in favor say 'aye', opposed 'no'. The 'ayes' have it, the Amendment is adopted. Any further Amendments... no further Amendments, Third Reading."

Speaker Redmond: "Senate Bill 389, on Second Reading."

O'Brien: "Senate Bill 389. A Bill for an Act making appropriations in Sangamon County. Second Reading of the Bill. One Committee Amendment. Amends Senate Bill 389 on page 1 by deleting line 14 and so forth."

Speaker Redmond: "Representative Londrigan."

Londrigan: "I don't have the Amendment here, I think... Short... do you have it there."

O'Brien: "Amends Senate Bill 389 on page 1 by deleting line 14 and inserting in lieu thereof the following: The Department of Corrections for reimbursement to Sangamon County of the cost of defense attorneys' fees which the..."

Lodrigan: "Which is from Sangamon County to the Department and it's really the same Bill, so I ask.... move the passage of the Amendment."

Speaker Redmond: "Representative Londrigan."

Londrigan: "Move the passage of the Amendment."

Speaker Redmond: "The gentleman has moved the adoption of Amendment Number 1, to House Bill 389. All those in favor say 'aye', opposed 'no'. The 'ayes' have it, the Amendment is adopted. Any further

Amendment. No further Amendments. Third Reading. 366, Representative Craig here."

O'Brien: "Senate Bill 366, Craig. A Bill for an Act making appropriations of the State Fair Agency. Second Reading of the Bill. Three Committee Amendments. Amendment Number 1, amends Senate Bill 366 on page 1, line 11 by striking 42,000 and inserting in lieu thereof 161,200 and so forth."

Speaker Redmond: "I think we will take this out of the record, the sponsor isn't here."

Speaker Redmond: "Senate Bills, First Reading. Any of the sponsors of Senate Bill on First Reading that haven't identified themselves, will you please do so."

O'Brien: "Senate Bills, First Reading... Senate Bill 439, Molloy. A Bill for an Act to amend the Credit Union Act. First Reading of the Bill. Senate Bill 440, Molloy. A Bill for an Act to amend the Credit Union Act. First Reading of the Bill. Senate Bill 441, Molloy. A Bill for an Act to amend the Credit Union Act. First Reading of the Bill. Senate Bill 467, Hanahan. A Bill for an Act to amend the Illinois Horse Racing Act. First Reading of the Bill. Senate Bill 504, Tipword. A Bill for an Act to amend the Illinois Pension Code. A Bill for an Act to amend the Credit Union Act. First Reading of the Bill. Senate Bill 536, Tipword. A Bill for an Act to amend the Pension Code. First Reading of the Bill. Senate Bill 537,

Tipsword. A Bill for an Act to amend the Pension Code. First Reading of the Bill. Senate Bill 538, Tipsword. A Bill for an Act to amend the Pension Code. First Reading of the Bill. Senate Bill 539, Tipsword. A Bill for an Act to amend an Act to revise the Law in relation to State Treasurer. First Reading of the Bill. Senate Bill 1309, Telcser. A Bill for an Act in relation to Rehabilitation and Maintenance and Repairs of and Allocation of Space and Buildings in the Capital Complex in Springfield. First Reading of the Bill."

Speaker Redmond: "Representative Telcser, for what reason do you rise."

Telcser: "Ah... Mr. Speaker and Members of the House. Senate Bill 1309 ah... deals with the allocation of space, in both the State Office Building and the Capital Building. Its intent is to ah... clear up what has become an intolerable situation between various agencies in Government who deal with the space allocation. Ah... the Bill... ah... the Bill is sponsored by both Senators Harris and Partee and Mr. Speaker; I would now move to suspend the provisions of Rule 31 'a' for the purposes of having Senate Bill 1309 placed on the Calendar in the order of Second Reading, Second Legislative Day."

Speaker Redmond: "Any discussion. The gentleman has moved to suspend the provisions of Rule 31 'a' and advance Senate Bill 1309... is that the correct Number... 1309 to the order of Second Reading, without reference to Committee. All in favor of the motion vote 'aye'; opposed vote 'no'. Representative Kane."

Kane: "Would the gentleman yield for question."

Speaker Redmond: "He indicates he will."

Kane: "How does this Bill clean up the situation."

Telcser: "Ah... the Bill specifies that the Space Needs Commission will have the sole power and duty to make all the space allocation in both the Capital Building and the State Office Building. Currently there is ah... a separation of this responsibility and it's unclear, with respect to General Services and Space Needs Commission. There has been instances where General Services has allocated one set of office space, to one Agency and Space Needs comes in and

allocates that same space to someone else."

Kane: "Thank You."

Speaker Redmond: "Representative McClain."

McClain: "Thank you, Mr. Speaker. Will the sponsor yield to a question."

Speaker Redmond: "He indicates he will."

McClain: "Art, what's the seriousness that we have to by-pass Committee."

Telcser: "Because currently there are a number of disputes pending between the Executive ah... branches of government and the Space Needs Commission with respect to allocation of space. There are people who want to get into the offices to perform the functions which they are intended to do and this Bill if passed now, will let that situation be solved immediately."

McClain: "Well.... what I don't understand is, this Bill was ah... had First Reading in the Senate on April 12, it was assigned to Executive Committee... and had a full hearing in the Senate and now we should by-pass Committee hearing in the House ah... I just ah... I don't agree with that kind of plot.... policy ah... thank you."

Speaker Redmond: "Have all voted who wished... have all voted who wished. The Clerk will take... have all voted who wished... have all voted who wished. The Clerk will take the record. On this question there is 117 'yes', 12 'no'. The motions carried, the Bill is ordered.... the order of Second Reading without reference."

Speaker Redmond: "Committee Reports."

O'Brien: "Mr. Pierce, from the Committee on Environment, Energy and Natural Resources to which House Bill 1164 was referred, reported the same back with the recommendation that the Bill do pass. Consent Calendar. Mr. Pierce, from the Committee on Environment, Energy and Natural Resources to which House Bills 1598, 1528 were referred, reported the same back with the recommendation that the Bills do pass. Speaker Redmond: "Leave of the House, we'll go to House Bills Third Reading. The Chair will recognize Representative Getty... on House Bill 1090."

Getty: "Mr. Speaker, Ladies and Gentlemen of the House. Ah... I believe ah... I would ask at this time for leave.... to go to House Bill 1090, out of order ah... the reason for which is that there must be a.... an appropriation ah... passed and signed into Law by May 15,

so that the Department of Law Enforcement can commit certain Funds and let certain contracts ah... ah.... under funds that they would get out of this supplementary appropriation of the Illinois Law Enforcement Commission Budget."

Speaker Redmond: "The gentleman have leave... read the Bill."

O'Brien: "House Bill 1090. A Bill for an Act to amend Sections of an Act making appropriations for the Ordinary and Contingent expense for the Illinois Law Enforcement Commission. Third Reading of the Bill."

Speaker Redmond: "Representative Getty."

Getty: "Mr. Speaker and Ladies and Gentlemen of the House. As I previously indicated, this is a supplementary appropriation for the Illinois Law Enforcement Commission which has 1 Committee Amendment which deleted the so called "Blue Con", I believe at this time that there is no controversy over the Bill and I would ask for your favorable vote."

Speaker Redmond: "Any discussion. The question is shall House Bill 1090 pass. Those in favor vote 'aye', those opposed vote 'no'. Have all voted who wished. The Clerk will take the record. On this question 132 'aye', 1 'no'. The Bill having the Constitutional Majority is hereby declared passed."

Speaker Redmond: "Representative Gaines, 'aye'. Representative Macdonald 'aye'. Representative Duff, 'aye'. Representative Borchers, 'aye'. Representative Marovitz, 'aye'. Carroll, 'aye'."

Speaker Redmond: "Representative Londrigan, do you desire recognition... Announcements. The order of announcements... Representative Maragos."

Maragos: "Mr. Speaker and Members of the House. I would like to state that the Revenue Committee will meet immediately after adjournment on 118, but I would like to admonish all the sponsors that... this morning we were looking for sponsors to move the Bills out, even through we got 30 Bills acted on we still needed more sponsors... we could have got a few more, so please be there and we will put you in the order that you... ah... that you come to us to have your Bill called, but we are warning you that those will not be...."

sponsors, especially those that have been postponed consideration and are not up here ah... in fact all the Bills are postponed, will have to... recommend do not pass. This bars... bar none because... so that you'll understand the Chairman of the Committee, as well as ah... offi... ah... Members of the Committee have been... their Bills do not pass or put in Interim Study Calendar, so we are not playing any favorites in any case. So we would like to have your attention so we could move the Bills out. Thank you."

Speaker Redmond: "Representative Hoffman... Ron Hoffman."

Hoffman: "Thank you, Mr. Speaker, Ladies and ah... Gentlemen of the House. I would like leave of the House to table House Bill 2186, which I am the chief sponsor."

Speaker Redmond: "Does he have leave... The Bill is tabled. Representative Griesheimer."

Griesheimer: "Mr. Speaker, I'm just inquiring, I noticed we just finished House Bill 1090 on Third Reading. According to the priority Calendar that ah... about ah... 2/3 of the way down the priority Calendar, I wondered what happen to all the Bills on Third Reading prior to House Bill 1090."

Speaker Redmond: "The gentleman ask leave and he was granted leave by the House. It was an urgency on this one. Representative Porter... Porter."

Porter: "Ah... Mr. Speaker, I ask leave of the House to table the following Bills; 1726, 1962, 1701 and 1702. I am the chief sponsor of those Bills."

Speaker Redmond: "Leave, any objections... Leave.... House Bill 1726, 1962, 1701 and 1702 are tabled. Representative Schneider."

Schneider: "Mr. Speaker, I guess I have to make a motion ah... Bill 1098 was ah... assigned to Education Committee and it appropriately belongs in Municipalities, we re-referred it by message to the floor and then it never made it to the ah... proper Committee. So, Representative Shea has assigned 1098 to appropriate Committee and I would like to wave the rule to have heard at the ah... in which every Committee he placed it. And, also 1505 was inadvertently left off our Calendar, so if I could have leave of the House to

post 1098 and 1505, I would ask that."

Speaker Redmond: "Representative Shea."

Shea: "Mr. Speaker, with regards to 1098, they want to.... they want to hear this Bill in Elementary and Secondary and decided that it more properly should have been in Cities and Villages, but it never got transferred so I think the gentleman.... I'd support the gentleman's motion to hear the Bill."

Schneider: "House Bill including 1505 was just left off the Calendar and I would like to have leave of the Members to post that for today also."

Speaker Redmond: "The gentleman has asked leave to post, two Bills mentioned... the motion is for the suspension of the rules, all in favor vote 'aye', opposed vote 'no'. Have all voted who wished. Take the record. On this question 115 'aye', 1 'no'. The rules are suspended."

Speaker Redmond: "Representative McLendon."

McLendon: "Mr. Speaker, Ladies and Gentlemen of the House. I'm asking leave to hear House Bill 2582 and Pensions and Personnel Committee. This ah... Bill was originally assigned to Higher Education Committee and was re-assigned to Pens... ah... Personnel and Pension, it was not posted... Representative Hirschfeld is the sponsor of the Bill."

Speaker Redmond: "Gentleman has asked leave to hear House Bill 2582 in ah... Personnel ..."

McLendon: "Personnel and Pension, tomorrow morning at 9:30."

Speaker Redmond: "Any objections. You have to suspend the rules on that, the motion is to suspension of the rules to permit House Bill 2582 to be heard tomorrow morning in Personnel and Pensions Committee. All in favor vote 'aye', opposed vote 'no'. It takes 107 votes. Representative Calvo, for what purpose do you arise."

Calvo: "Well, after we're finished with this matter I would like to be recognized to table a Bill, Mr. Speaker, it probably wouldn't be too big of a problem."

Speaker Redmond: "Have all voted who wished, we need 107 votes. The gentleman needs a 107 votes. Have all voted who wished. Take the

record. On this question there is 120 'yes', no 'nay', the motion carries and the rules are suspended. Caldwell, 'aye'.... Lechowicz Representative Lechowicz."

Lechowicz: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House.

I would like leave of the House to suspend the Appropriate Rules to hear House Bill of the following numbers; House Bill 236, 237, 338, 414, 1503. These Bills are posted in your Appropriations Committee, they are substantive Commission Bills and in turn they were assigned to a Sub-Committee. The Sub-Committee ah... Chairman I haven't seen for the past couple of days, so... and because they are governed by the May 2nd deadline, I'm asking that we have the proper number of votes to suspend the rules and have these Bills re-posted for Appropriation Committee Number 1, meeting tomorrow."

Speaker Redmond: "Representative Totten."

Totten: "Representative Lechowicz, I wonder if you would read those numbers again."

Lechowicz: "236, 237, 338, 414, 1503."

Totten: "Ah... 2119 is a substantive Commission Bill, that it one..."

Lechowicz: "Well amended, 2119."

Speaker Redmond: "Ready for the question. The question is, on the suspension of the rules to permit House Bill 236, 237, 338, 415, 1503, 2119 to be heard in the Appropriations.... Committee, tomorrow. All those in favor vote 'aye', opposed vote 'no'."

Speaker Redmond: "Representative Houlihan... Representative Peters."

Peters: "Ah... if I might ask, Representative Lechowicz a question. Representative Lechowicz, did I hear 2119..."

Lechowicz: "Yes."

Peters: "For suspension of the rules."

Lechowicz: "Yes, at the request of Representative Totten, that's his Bill, I believe."

Peters: "It's 2119, the Bill that abolishes all Commission."

Lechowicz: "I ah... believe it is."

Speaker Redmond: "Representative Yourell."

Yourell: "As a chief sponsor of House Bill 1413 and 1425, I ask leave to table these two Bills."

APR 29 1975

29.

Speaker Redmond: "Any objections. Leave. Have all voted who wished on the motion on 23... Representative Lechowicz."

Lechowicz: "Thank you, Mr. Speaker. I think if you'd check the ah... posting, 2119 is already posted Don, for Wednesday at 2 o'clock, so it doesn't have to be included in this suspension. I'll take out 2119 on the suspension of rules."

Speaker Redmond: "2119 is taken out of the motion. Have all voted who wished. Clerk, take the record. On this question the 'ayes' have 116, 'nos' 1. The motion is carried. Mann, 'aye'. Representative Caldwell."

Caldwell: "Ah... Thank you, Mr. Speaker. Mr. Speaker, I have ah... House Resolution 228 ah... at the Speaker's desk, I talked with ah... the Leadership on both sides of the aisle, I think that this subject matter is ah... sufficient import, that I'm asking..."

Speaker Redmond: "Would you hold that for a moment, Representative Caldwell until he reads it. Representative Barnes."

Barnes: "Thank you, very much Mr. Speaker. Ah... Mr. Speaker, Members of the House. Ah... being the chief sponsor of House Bill 2321 I would ask leave of the House to table ah... House Bill 2321."

Speaker Redmond: "Any objections. Leave granted, the Bill is tabled. Representative Calvo."

Calvo: "Mr. Speaker, being the chief sponsor of House Bill 1530, I would ask leave of the House to table that Bill."

Speaker Redmond: "Representative Deavers."

Deavers: "Mr. Speaker, as principal sponsor of House Bill 2201, I would like leave of the House to table."

Speaker Redmond: "Any objections. Leave, granted. Representative Daniels. What was that number again, Representative Deavers."

Deavers: "2201."

Speaker Redmond: "Representative Daniels."

Daniels: "Mr. Speaker, as chief sponsor of House Bill 1511, I ask
leave to table that Bill."

Speaker Redmond: "Any objections. Leave. Representative Houlihan, Dan

Bills, please."

Speaker Redmond: "Any objections. Leave. Representative Daniels, do
you desire recognition."

Daniels: "Yes, Mr. Speaker...."

Speaker Redmond: "Daniels."

Daniels: "House Resolution 186, I'm the only listed sponsor on that,
I have checked to see who might be the sponsor on that Resolution,
and I would ask leave to have that Resolution tabled. House Res-
olution 186..."

Speaker Redmond: "Any objection."

Daniels: "Also, Mr. Speaker to show that I was not to have been the
sponsor on that Resolution."

Speaker Redmond: "Any objection. Resolution tabled. Representative
Katz."

Katz: "Ah... Mr. Speaker, there is another Bill, I'm sorry sir that
it wasn't brought to my attention, but I would also like leave to
table House Bill 799 of which I'm the principal sponsor."

Speaker Redmond: "Any further announcements. Representative Katz."

Katz: "Ah... Mr. Speaker, Ladies and Gentlemen of the House. Judiciary
II, will be sitting all afternoon and this evening hearing Bills
that have been scheduled for Judiciary II. We expect sponsors to
come around and have their Bills called, because time is getting
very short and if they are very seriously interested ah... in
advancing their Bills or having them considered, we would like very
much for them to come to Room 114, this afternoon or tonight."

Speaker Redmond: "Resolutions.... Representative Madi.... or ah... House

the Journal will so show. Represen.... 799... Representative Madigan."

O'Brien: "House Resolution 226, Capparelli."

Speaker Redmond: "The gentleman has moved the adoption of House Resolution 226. All in favor say 'aye', opposed 'no'. The 'ayes' have it, the Resolution is adopted. Further Resolutions."

O'Brien: "House Resolution 227, Mann. House Resolution 229, Holewinski. House Resolution 230, Kelly."

Speaker Redmond: "Representative Caldwell on 228."

Caldwell: "Ah... Mr. Speaker, Ladies and Gentlemen of the House. Ah... House Resolution 228 is a Resolution requesting the Legislative ah... Investigating Committee to immediately investigate the situation that occurred at Pontiac ah... Correction Center, recently ah... where one member ah... was killed and ah... I guess certain ah... the riot was set down but ah... I think that the Legislative investigating Committee Commission ought to look into this matter immediately. I believe that it's of sufficient import to ah... for the House to allow me to by-pass Committee and the Resolution ah... heard and passed immediately. I would appreciate if ah... if we'll do that."

Speaker Redmond: "The gentleman has moved that Resolution... House Resolution 228, by-pass Committee and go to the order of Second Reading without reference to Committee. Any discussion... The gentleman... pardon me, the gentleman has moved that... that ah... House Resolution 228 be adopted immediately. How many... it takes 107 votes. All those in favor vote 'aye', opposed vote 'no'. Representative Walsh."

Walsh: "Mr. Speaker and Ladies and Gentlemen of the House. The gentleman asked that the rules be suspended for the immediately consideration and adoption of this House Resolution, and I think the gentleman is absolutely right in doing so. This is a Resolution that calls for the Legislative Investigating Commission to investigate the unfortunate death of Herbert Catlett at Joliet State Peni-

tentiary last week during the riot. Herbert Catlett, was a young man of 29 years old, who was a prisoner, had been a street gang member and was showing excellent signs of being on the road to recovery. He died, it seems to me, because there was someone who wasn't doing their job, or maybe a group of people who won't be doing their job and I'm afraid that if we don't take some action... some action like asking the Illinois Legislative Investigating Committee Commission to look into his death, then his death will be forgotten and he too will be forgotten. I suggest to you that the care of prisoners is our direct responsibility, no one elses. We are the ones who ought to look into whether this ah... what happen to this gentleman and I urge you to vote 'yes' on the motion, I'm not one generally for suspending the rules, but in this case the Legislative Investigating Commission, if we order them to do this, is going to have to act fast. They are going to act before many of the people involved in that Riot, are transfered, before some of the people are guards and other prison officials retire or also transfered. I suggest to you that a 'yes' is the only vote that you can give on this matter in good conscious."

Speaker Redmond: "Representative Simms."

Simms: "Well, Mr.... Mr. Speaker ah... I would rise in support to this motion also. I think it's of ah... proper import that the Legislative Investigating Commission do look into this type of situation. Ah.... this is in accordance with a House Bill, which we passed in the last couple of weeks that limits investigations to areas of ah... whether there's been a crime committed or something of criminal nature. I agree with the distinguished Assistant Minority Leader, that in this type of case it's expeditious that the Commission do go in on investigation as soon as possible ah.... while there are still people that are available that ah... will communicate as to what happen in that circumstances and before prison personnel have been transfered. There was a young man's life that was losted.... I commend Representative Caldwell for his action... ah... prompt action in this case and as a Member of the Legislative Investigating Commission, I would certainly feel this is of proper magnitude for

our Commission to undertake this investigation. For these reasons I would urge a 'yes' vote."

Speaker Redmond: "Representative Borchers."

Borchers: "Mr. Speaker and fellow Members of the House. I want to point out that this young man died trying to stop that riot and if we owe any ah... ah... life ah... and his brave action, we owe him at least a courtesy of investigating and trying to find out the truth. We owe this to him, so let's see those other three votes go up there."

Speaker Redmond: "Have all voted that wished. Take the record. This question there is 114 'ayes', 3 'no'. The motions carried. The gentleman moves the adoption of the Resolution 228... all in favor of the adoption vote 'aye', opposed vote 'no'. Take that.... did you take the record on the other one. The gentleman has moved the adoption of House Resolution 228, all in favor of the adoption vote 'aye', opposed vote 'no'. Roll call vote. Representative Macdonald, 'aye'. Have all voted who wished. Take the record. This question, 127 'ayes', 2 'nos'. Resolution is adopted."

Speaker Redmond: "Representative Madigan, do you desire recognition... no. Representative Shea.... Representative Totten, for what purpose do you rise? Totten."

Totten: "Thank you, Mr. Speaker. Ah... we have now gone through approximately, 4 months of what's normally 6 months of the General Assembly and the other day when I inquired of the Chair ah... as to where the new rules were, I was told that they would be on my desk the next morning at 11 o'clock. You know, I understand there was a large hue and cry for reforming the rules of the House and we have now gone through 2/3 of the Session and we haven't received the new rules yet. I would like to inquire as to where they are."

Speaker Redmond: "They are still in the process of being prepared in finality. A draft was given out to all the Members of the Rules Committee, I understand. We will have a meeting of the Rules Committee..."

Totten: "Could you tell me when we could expect copies of the Rules."

Speaker Redmond: "Well, I can't tell you precisely, but I will tell you very shortly. Representative Choate."

Choate: "Ah... Mr. Speaker, while we're on the rules the ah... schedule

that I see that ah... the Speaker has had cause to place on the Membership desk. Does this take a vote to set Friday's schedule or is that at the direction of the Leadership."

Speaker Redmond: "As I understand it, it's the direction of the Leadership, I may be wrong but I've been before."

Choate: "Well then, Mr. Speaker I would like to address myself to the proposed schedule for Friday. If I can have a little order."

Speaker Redmond: "Proceed... proceed."

Choate: "Mr. Speaker, I invite every Member to look closely at the schedule and you will find that practically all Committees are meeting on Friday and then a footnote that the House Appropriations I and II are meeting at the same time as all of the other Committees meeting. House Appropriations I and II are meeting, I have been told to discuss probably the most important piece of legislation that will be heard in this Session, at least the largest, and that is the accelerated Building Program. If you will look at the Committees and I've had many Members come and talk to me... you will find that there is direct conflict with the schedule as far as the Appropriation Committee Members meeting in their duly assigned Committees and also discharging their duties on the Appropriation Committee. You will also find many Members of the Appropriation Committee who have Bills... in the other Committees. It's physically impossible for them to be in the same Committee, and Mr. Speaker, I would seriously urge you and the Leadership to consider the schedule for Friday, so that the Appropriation Committee can meet in full membership to discuss this all important issue and not be worried about their Bills and their responsibility of attending other Committees."

Speaker Redmond: "Representative Washburn."

Washburn: "Thank you ah... Mr. Speaker and Ladies and Gentlemen of the House. I do understand that the ah... leadership of both sides of the aisle are to meet this afternoon on several subjects and I'm certain that this will be one of them. I.... I hope that it can be ah... must be re-adjusted so that not only can the Members of the Appropriations Committee be available for their own Appropriation

Committee Meetings, but I'm sure that members who are not appropriation ah... Committee Members, also would want to appear and testify on... on this series of ah... Bills that would affect the State of Illinois, for years to come and ah... ah... places in debt ah... beyond our means for several generations so, this subject will be discussed this afternoon, I'm certain."

Speaker Redmond: "No question about it, it will be discussed. Representative Beatty.... Beatty."

Beatty: "Mr. Speaker ah... since you have been running the House, you have been doing a fine job informing the Membership of what is going on and I want to contemp.... compliment you on it. I think the House is running much smoother than it did in the last Session. And with that in mind, I know the tentative schedule that was posted a number of weeks ago show us as being in Session Monday. I wondered whether or not there was any contemplated change, so that we might make plans if we were to have Monday off, I would like to know now, so that... I could... and I think other Members might, so I would appreciate it advising us if there would be any changes as soon as you would."

Speaker Redmond: "We will advise you with the earliest opportunity, it isn't quite now but it will be tomorrow. Representative DiPrima."

DiPrima: "Ah... Mr. Speaker, once again the Calendar inadvertently lists Veterans' Affairs and Registration and Regulation as meeting on Wednesday, we're meeting at 4 o'clock this afternoon and we hope to clear out all our Bills. 4 o'clock, Room 122-A today."

Speaker Redmond: "Representative Shea."

Shea: "Mr. Speaker, I move that we do now adjourn until 11:15 A. M. tomorrow."

Speaker Redmond: "The motion, all in favor indicate by saying 'aye', opposed 'no'. We stand adjourned."

Geo-Karis: "Mr. Speaker, Ladies and Gentlemen of the House. We just want to remind you that the Energy Seminar that was scheduled for tonight has been canceled. It will be resumed May 6. Thank You."
