Doorkeeper: "All persons not entitled to the House floor please retire to the gallery."

Speaker Redmond: "The House will come to order. Members please be in their seats. We'll be led in prayer by Reverend Krueger the House Chaplain."

Reverend Krueger: "In the Name of the Father, the Son and the Holy Ghost, Amen. O Lord, bless this House to Thy service this day. Amen. An unknown author wrote: Ah, America-- If you want your father to take care of you, that's paternalism. If you want your mother to take care of you, that's maternalism. If you want Uncle Sam to take care of you, socialism. If you want your comrades to take care of you, that's communism. But if you want to take care of yourself, that's Americanism. Let us pray. Lord God Almighty, Who by Thy revelation to Moses didst reveal the Commandments by which our lives should be governed in our worship to Thee and our relation to our fellow mankind. Grant to us the understanding of Thy will as we perceive the great needs of those whom we have been elected to represent. Let us not give way to the thundering pulse of those who would enforce their selfish patterns upon others: rather, let us be steadfast in our pursuit of that heartbeat which is attuned to Thy wisdom and justice; so that we may have that which is best for ourselves and our neighbours; through Jesus Christ our Lord. Amen."

Speaker Redmond: "Reading of the Journal. Do you want to read the Journal?"

Clerk O'Brien: "Journal for the 106th Legislative Day, Thursday,

Speaker Redmond: "Representative Matijevich. Representative Dan Houlihan. Dan Houlihan."

Houlihan, D.: "Mr. Speaker, I move we dispense with the reading of the Journal number 106, for March 23, 1978, .... Journal number 107, for March 30, 1978; and that they be approved as ....and that they ....and that the minutes of the Journal be approved."

Speaker Redmond: "Representative Houlihan has moved that the reading of the Journal 106 and 107 be dispensed with and that the Journals be approved. All those in favor say 'aye', 'aye'; opposed 'no'. The 'ayes' have it, the motion carries, the Journals are approved. Message from the Senate."

Clerk O'Brien: "A message from the Senate by Mr. Wright, Secretary. Mr. Speaker, I am directed to inform the House of Representatives that the Senate has concurred with the House of Representatives in the passage of the Bill with the following title, to wit: House Bill 2506, together with Amendments, passed by the Senate, as amended April 5, 1978...."

Speaker Redmond: "Representative Ryan, will you answer your phone? Roll Call for attendance. Senate Bills, Second Reading. Senate Bills, Second Reading appears Senate Bill 82. Representative Polk is recognized. Representative Polk, Senate Bill 82....on Senate Bills, Second Reading. Do you want to hold it? Move it along or hold it there? Huh? Hold it there. We'll take that out of the record for a while. Senate Bills, Second Reading. Senate Bill 82. Representative Polk is recognized. George, Representative Polk. Can you turn him on? Go ahead."

Clerk O'Brien: "Senate Bill 82, a Bill for an Act to amend the Criminal Code, Second Reading of the Bill, no Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "Amendment #1, Polk-Johnson, amends Senate Bill 82 on page 1, line 1 by deleting 24-1 and inserting in lieu thereof the following, and so forth."

Speaker Redmond: "Representative Polk is recognized. Will you move over? Someone blew a fuse on your microphone."

Polk: "Amendment #1 to the Bill, as indicated in the Amendment; the intent is to permanently deprive the owner the use of the benefit of the property is not an element of the the offense of the robbery. Has to do with the people having ...students who come to school carrying....packing a weapon. Obviously our intent is to make this an offense if they do so. I know of no objections to the Amendment."

Speaker Redmond: "Representative Dan Houlihan."

Houlihan, D.: "I'm not quite sure I understood what the intent of the Bill is. Students what....?"

Polk: "It was brought to our attention earlier in the year that students were bringing guns to school. And there's nothing in the Code, apparently, that prohibits, in the School Code, prohibiting students from packing a gun to school."

Houlihan, D.: "Yeah, but that is not what this Amendment does. What this Amendment does is to strike everything after the Enacting Clause. And we have here with the Amendment what is going to be the Bill. And what the Amendment does is to eliminate the intent to permanently deprive the owner of the use of his property...as an element of the offense of robbery. Now, I suggest that if this Amendment be adopted we are, with this Amendment, absolutely changing the common law definition of the offense of robbery in the Criminal Code of this state. I think it is an extremely substantial change. I think, if what you are attempting to get at is something under the unlawful use of weapons offense, as far as guns being carried by students, that you've got the wrong vehicle, Ben, and if we are going to go forward with this Amendment then I would

oppose the Amendment."

Polk: "Mr. Chairman..."

Speaker Redmond: "Will the House please come to order? This is a very serious matter and I doubt very much if the speaker can be heard. Representative Schlickman, are you seeking recognition?"

Schlickman: "Yes. A point of order, Mr. Speaker. It seems to me that we have an ungermane Amendment. We have a Bill that came to us from the Senate dealing with the unlawful use of weapons. That is being replaced by an Amendment dealing with the subject of robbery. And based on your prior rulings I respectfully suggest, Mr. Chairman, ...Mr. Speaker, that this Amendment is not germane and ought to be ruled out of order."

Speaker Redmond: "Representative Polk."

Polk: "I would withdraw this Amendment. Just have them take it out of the record."

Speaker Redmond: "On the Order of Concurrence appears House Bill 2506. Representative Jaffe is recognized. Serious matter. The House please be in order and give the Gentleman attention."

Jaffe: "Mr. Speaker and Members of the House, yesterday the Senate passed out House Bill 2506 by a vote of 39 to 8. Basically they made two changes. Two Senate Amendments. I move to concur in both Senate Amendments. Senate Amendment #1 makes a technical change in the Bill to compensate for its delayed enactment. Applicants renewal could not

meet the original deadlines specified in the Bill, as they were specified in the version which was passed in the House. So we take the March 1, 1978 deadline then we extend that to October 1, 1978. The Amendment also inserts the effective immediate clause. Senate Amendment #2 clarifies the intent of the Bill to provide that only fully licensed physicians will serve on the new Limited License Review Board. The Amendment exempted limited licensees from being members. Mr. Speaker, I would now move to accept Senate Amendments #1 and #2 on House Bill 2506."

Speaker Redmond: "Is there any discussion? Representative Hart."

Hart: "Well, I hope the..."

Speaker Redmond: "The Gentleman standing between Representative Hart and the Chair...please be seated."

Hart: "I hope the Membership knows what we're going on here. This is a very substantial Amendment to this Bill. What we're doing is trying to create law without having any Committee process. We had a long, serious debate about the..."

Speaker Redmond: "It's a serious matter, please give the Gentleman order."

Hart: "...We had a long and serious debate about whether or not to even let these limited license physicians practice at all in these institutions. And finally, with Governor Thompson's persuasion, we were persuaded to let it happen for a while, but put a deadline on it. And now what's happening is that we're being asked to extend that deadline without any consideration from the public or any knowledge of how it's worked up to now. We have institutions in our area and I don't think it's right or proper for the people in the institutions to continue to be subjected to second-rate medical care. There are plenty of doctors available, if we approach the matter in the proper way, so that the people in the institutions who probably can care less for themselves than we can for ourselves,

can get adequate medical attention. I oppose the Amendment and I think that we should refuse to concur in it and send it back to the Senate to recede. I think it's time that we .... stop extending deadlines and urge the Department of Corrections in the State of Illinois to provide as good....medical care for people in the institutions as is available to us on the outside. I oppose the Amendment."

Speaker Redmond: "Representative Schlickman."

Schlickman: "Mr. Speaker and Members of the House, I arise to support the House concurrence of these Senate Amendments. With all due respect to the prior speaker these are not substantive Amendments. Senate Amendment #1 simply takes into account the fact that this Bill was not passed by the Senate, until yesterday, within the month of April. Now the Bill, as it passed this House, provided for March 1, 1978, to be the date. We're simply extending that to October 1, 1978, in light of the fact that the Bill didn't pass the Senate until yesterday. Number two, Senate Amendment #3 simply eliminates or prohibits a limited licensed physician from serving on the board to consider the qualifications of these limited licensed physicians, which I think eliminates the element of conflict of interest. These are not substantive Amendments and I would respectfully urge the House to concur with them as suggested...recommended..by the House Sponsor of the Bill."

Speaker Redmond: "Anything further? Representative McGrew."

McGrew: "Thank you very much, Mr. Speaker and Ladies and Gentlemen of the House. At the risk of jeopardizing my reputation I would like to say that Representative Schlickman is absolutely 100 percent correct..."

Speaker Redmond: "Please give the Gentleman order...please."

McGrew: "The Senate Amendments made no substantive change. It simply allows the physicians to return to the mental

health facility at which they were employed previous to the deadline of the first day of April. That Amendment does not allow physicians to travel at all across the State of Illinois to change facilities. It would put them in the area which the doctors have been looking over their shoulders and reviewing their cases once again and the other first Amendment simply changes the date to October the first. It is not a substantive change. We have already passed the Bill. I would ask for concurrence of these Amendments."

Speaker Redmond: "Representative Telcser, for what purpose do you arise?"

Telcser: "Mr. Speaker, I believe the rules say that his motion has to be on a Member's desk for one day. What's the rule number, Don? You've got it."

Speaker Redmond: "What rule is that?"

Telcser: "Pursuant to Rule number 68-D."

Speaker Redmond: "Mr. Parliamentarian"

Telcser: "Frankly, everyone in this Assembly was taken by surprise. I don't see why this can't wait until next week anyway, but...."

Speaker Redmond: "Representative Telcser has questioned whether or not this....it's proper to consider this. He calls our attention to the rules. Sixty....what is it?"

Telcser: "68-D."

Speaker Redmond: "68-D. Representative Jaffe."

Jaffe: "Mr. Speaker, I would suggest that Mr. Telcser's remarks are not timely. We have already made the motion. We are in debate and I would suggest that his remarks at this time are not timely."

Speaker Redmond: "The Parliamentarian advises me that if the objection is 'poised' before the vote is taken that it is timely. Does the rule preclude the ...considering the matter...today? It says one day on the desk. It does preclude it. Representative McGrew?"

McGrew: "That being the case, Mr. Speaker, would it be possible to return to this tomorrow, before we go home?"

Speaker Redmond: "As far as I'm concerned we'll return to it tomorrow, but if you'll look at the Calendar there isn't really a great deal of work to keep us here and I'm really not too sure that we're going to have enough to be here tomorrow...my problem. Representative Jaffe."

Jaffe: "Mr. Speaker, I would move to suspend the rule so that we could have an immediate hearing upon this motion...at this time."

Speaker Redmond: "Representative Jaffe has moved that the provisions of 68-D, with respect to requiring this subject to be on the Calendar one day, be suspended. It requires an affirmative vote of 89. Those in favor of the Gentleman's motion vote 'aye', and opposed vote 'no'. Have all voted who wish? Have all voted who wish? Representative Telcser?"

Telcser: "Mr. Speaker, should this get 89 votes I'd like a verification."

Speaker Redmond: "Representative Schlickman? Schlickman."

Schlickman: "Mr. Speaker and Members of the House, in explaining my vote, as was explained previously these are simple, nonsubstantive Amendments. Furthermore, Mr. Speaker and Members of the House, we do have an emergency in the State of Illinois with respect to the provision of health services to patients in our mental institutions. And then Mr. Speaker and Members of the House, we have a matter of equity and justice with respect to these limited licensed physicians who many, many years ago were the only ones who were available, who were interested, who were willing to commit themselves to provide needed health service in our mental health institutions. If we don't consider this, Mr. Speaker, and consider it favorably, I think we will be committing an act of injustice relative to these institutions, who everyone has conceded are providing, have

provided a needed service and a quality service to these residents of our state institutions. I encourage an 'aye' vote on this motion to suspend the rule so that we can give immediate consideration to the concurrence of these Senate Amendments."

Speaker Redmond: "Have all voted who wish? The Clerk will take the record. On this question there's 97 'aye' and 52 'no'. Representative Telcser has requested a verification of the Affirmative Roll Call. Representative Jaffe requests a poll of the absentees. Poll the absentees, Mr. Clerk."

Clerk O'Brien: "Bluthardt, Bradley..."

Speaker Redmond: "Representative Bradley votes 'aye'. The House please be in order."

Clerk O'Brien: "Rich Brummer, Dyer, Friedrich, Garmisa, Hoffman Huskey, Kane, Katz..."

Speaker Redmond: "Representative Katz votes 'no'. Representative Huskey, 'no'."

Clerk O'Brien: "Klosak, Kucharski..."

Speaker Redmond: "Klosak votes 'no'."

Clerk O'Brien: "Kucharski, ..."

Speaker Redmond: "Proceed."

Clerk O'Brien: "McAvoy, McBroom, McClain, Meyer, Mugalian, Richmond, Schisler, ....."

Speaker Redmond: "Representative Schisler votes 'aye'. Representative Emil Jones, did you poll him? He desires to be recorded as 'aye'. Change him from 'present' to 'aye'."

Clerk O'Brien: "Schoeberlein..."

Speaker Redmond: "Representative Telcser withdraws his request to...verification of the Roll Call. On this....How many? 100 'aye', 55 'no', and the Gentleman's motion carries. Revert to the motion that the House now concur in Senate Amendments #1 and 2 to House Bill 2506. Are you ready for the question? The question is, shall the House concur in Senate Amendments 1 and 2 to House Bill 2506? Those

in favor vote 'aye', opposed vote 'no'. This is final action. Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there's 90....there's 100 'ayes' and 48 'no', and the House does concur in Senate Amendments 1 and 2 to House Bill 2506. Representative Ryan, are there any excused absences on the part of the Republicans? Representative Lechowicz, any excused absences among the Democrats? I'd like to call the attention to the Membership again of the need to fill out the form to have any Bill considered exempt by the Rules Committee. The forms are down here in the well and back in the Speaker's Office. It'll be too late pretty soon. Representative Hart."

Hart: "Thank you very much. I would like to have leave of the House to suspend the posting requirement so that the Committee on Financial Institutions can meet Wednesday afternoon, after adjournment, next week. I wasn't aware that we were even going to have a Committee meeting but a matter has come up. We've been requested to meet. We meet on Wednesday and it's too late for the six and a half day so it'll be almost six and a half. I'd like to have leave to suspend that rule so we can have a Committee meeting next week."

Speaker Redmond: "Does the Gentleman have leave to have the posting rule excused to permit Financial Institutions to meet next Wednesday? Hearing no objections, unanimous consent is granted and leave is granted. Introductions, First Reading."

Clerk Hall: "House Bill 2844, Cunningham, a Bill for an Act to amend Sections of the Motor Fuel Tax Law, First Reading of the Bill. House Bill 2845, Ewing, a Bill for an Act to amend the Revenue Act, First Reading of the Bill. REPRESENTATIVE MADIGAN IN SPEAKER'S CHAIR.....

Speaker Madigan: "Introduction and First Reading."

Clerk O'Brien: "House Bill 2848, John Dunn, a Bill for an Act in relation to County Clerk's fees, First Reading of the Bill. House Bill 2852, Brummer, a Bill for an Act making an appropriation to the Department of Agriculture, First Reading of the Bill...."

Speaker Madigan: "Mr. Clerk....The Chair recognizes Representative Bradley for purposes of an announcement. Would the Membership give their attention to Representative Bradley?"

Bradley: "Yes, Mr. Speaker and Ladies and Gentlemen of the House, the Democratic Members are invited to Room 114 at approximately 1 o'clock or upon adjournment today, for the purposes of discussing...the school formula and various proposals that have been introduced in the... General Assembly this Spring. It will be Room 114. We'll get started immediately, we'll discuss it and we'll get out of there. Appreciate it, thank you."

Speaker Madigan: "The Chair recognizes Representative Jones. J. David Jones."

Jones, J. David: "Members of the House, please hear this. This is in regard to the Governor's Prayer Breakfast to be held two weeks from this morning, Thursday, April 20,

7:45 a.m., at the Holiday Inn East. The speaker will be Dale Francis, the Editor of the Catholic publication, The National Sunday Visitor. Legislative leaders of both parties and both Houses will participate in the program. Invitations with ticket orders and return mailing envelope is being delivered to each of your offices now. The tickets are five dollars. Mail in your order early for the best seats...or I can take your order as a member of the sponsoring Committee. That's the Governor's Prayer Breakfast, on April 20, two weeks from today. Get your order in so that we'll have a large delegation participating in this important event."

Speaker Madigan: "Representative Friedrich."

Friedrich: "Mr. Speaker, I wonder if the Chair could advise the Membership about the possibility of tomorrow. We are nearing the checkout time and it doesn't matter to me other than I think it would be helpful if we knew what the plans of the Speaker were."

Speaker Madigan: "The Speaker is in his office attempting to resolve that question and we will be ready to report momentarily. Representative Ebbesen."

Ebbesen: "Yes, Mr. Speaker, if it is in order, I'm principal Sponsor of House Resolution 398. In order to clean up the Calendar, I'd like leave of the House to table that House Resolution 398. If it is in order?"

Speaker Madigan: "House Resolution 319?"

Ebbesen: "398. Under motions."

Speaker Madigan: "The Gentleman requests leave to table House Resolution 398. Are you the principal Sponsor? Is there leave? Leave being granted, House Resolution 398 is tabled. Representative Katz."

Katz: "Mr. Speaker and Ladies and Gentlemen of the House, with regard...to Bills that have been filed at this Session, or Bills filed at a previous Session on which hearings have not been held, in order to have those Bills moved

if they are not an appropriation Bill, it is necessary to have an exemption from the Rules Committee. Now the way that is accomplished is by going into the Speaker's Office and talking to the Committee Clerk, Nancy, and filling out a form that's called 'Request for Exemption of Bills'. If you do that this week your Bill will be heard before the Rules Committee next Thursday morning at nine o'clock. Now the Rules Committee will be meeting in Room 114 next Thursday at nine o'clock. If we are not able to dispose of all the matters in the morning we will continue after the adjournment of the Session in the afternoon, so that everybody will have a chance to have their requests for exemption heard next Thursday. With that in mind I hope that the Members who want to have their Bills moved will proceed to file their request for exemption because beyond next week there are going to be real problems in terms of getting adequate time to post in Committee and have the Bills heard in Committee in order to meet the deadlines that exist with regard to getting Bills out of Committee."

Speaker Madigan: "Introduction and First Reading."

Clerk O'Brien: "House Bill 2853, Brady, a Bill for an Act to amend Sections of an Act in relation to creation and management of Forest Preserve Districts, First Reading of the Bill. House Bill 2856, Griesheimer et al., a Bill for an Act to amend Sections of the Environmental Protection Act, First Reading of the Bill."

Speaker Madigan: "The Chair recognizes Representative Lechowicz for the purposes of a motion. A message from the Senate."

Clerk O'Brien: "A message from the Senate by Mr. Wright, Secretary. Mr. Speaker, I am directed to inform the House of Representatives the Senate has adopted the following Senate Joint Resolution, the adoption of which I am instructed to ask concurrence of the House of Representatives, to wit: Senate Joint Resolution #71, adopted by the Senate April 6, 1978. Kenneth Wright, Secretary."

Lechowicz: "Thank you, Mr. Speaker. Ladies and Gentlemen of the House, the Adjournment Resolution states that when we adjourn Friday, April 7, that the House return Wednesday, April 12, at one o'clock. I move for the adoption of the Adjournment Resolution, Mr. Speaker."

Speaker Madigan: "All those in favor signify by saying 'aye', all those opposed by saying 'no'. The Resolution is adopted. Representative Matijevich."

Matijevich: "Mr. Speaker, a question of the Chair. Is tomorrow perfunctory? If you answer in the negative watch out for everything."

Speaker Madigan: "The Speaker is on his way, to answer your question. I'll go get him as a matter of fact."

Matijevich: "All right. Does he need some help?"

SPEAKER REDMOND IN CHAIR.....
