Doorkeeper: "Attention Members of the House, the House will convene in five minutes. All Members not entitled to the House floor, please retire to the gallery."

Doorkeeper: "All persons not entitled to the House floor, please retire to the gallery."

Speaker Redmond: "The House will come to order and Members please be in their seats. We'll be led in prayer today by, Rabbi Meyer M. Abramowitz from the Temple of B'Rith Sholom."

Rabbi Abramowitz: "O Mighty God and Father of all, as this Session of our Legislature is about to begin we invoke Thy blessings upon all of us who gather here, particularly those who are responsible to our state as Legislators. May their deliberations attempt to eradicate all those forces in our communities that dehumanize, that profane and that separate men. May their deliberations, O God, not be destructive let them be out of love, not envy. In order to correct and improve not just for the sake of tearing down. Let them be counted, O God, among those who alleviate pain by sharing it. Let them be counted among those who are not satisfied with the status quo but who yearn and work for a better world. May they bring into this world a bit more truth, a bit more justice, a bit more love than there would have been if they had not loved the world enough to correct it, out of a vision of what it ought to be. Amen."

Speaker Redmond: "Representative Epton."

Epton: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. Father Krueger asked me to express his appreciation for Rabbi Abramowitz's appearance today but he did ask his friend on the floor of the House not to do a particularly better job than in the past so as not to make him look too bad."

Speaker Redmond: "Roll Call for attendance. Representative Madigan."

Madigan: "Mr. Speaker, would the records show that Representative Kornowicz is excused because of illness and that Representative Huff is excused."

The 'ayes' have it and the motion carries and the Journals are approved. We have distributed a Supplemental Calendar #1 in which appears Senate Bills, First Reading. It is recommended that the House Sponsors identify themselves so that we can proceed to take care of the Senate Bills, First Reading. Representative Matejek."

Speaker Redmond: "Representative Williams."

Williams: "I don't believe that Amendment has been distributed, the... I was unaware of that Amendment until just a few minutes ago, if Representative Steele wants to say what the Amendment is... you want to wait until it is distributed? All right, I understand that Amendment has not been distributed yet..."

Speaker Redmond: "Take it out of the record."

Williams: "The thing... it has been on the Calendar for about two and a half weeks and... but... all right, we'll take it out of the record."

Speaker Redmond: "Please come to order."

Geo-Karis: "May I make an inquiry of the Clerk, Mr. Speaker?"

Geo-Karis: "May I...."

Speaker Redmond: "Representative Geo-Karis."

Geo-Karis: "I believe there are two other Amendments there, Mr. Clerk."

Clerk O'Brien: "Yes."

Geo-Karis: "I would like to table, it would be Amendments 1 and 2."

Speaker Redmond: "What was your motion?"

Geo-Karis: "My motion is to table Amendment 1 and 2."

Speaker Redmond: "Are there any objections? Hearing none, the Amendment #1 and 2, are tabled."

Clerk O'Brien: "Amendment #3, Geo-Karis. Amends House Bill 819 on page 1, line 2, by deleting the second 'and' and inserting in lieu thereof a coma and so forth."

Speaker Redmond: "Representative Geo-Karis."

Geo-Karis: "Would you.... I don't have a copy. Would you read that please again. I can't hear it."

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. Representative Terzich. House

Out of the record. 307, Holewinski... out of the record. 381, Dyer... out of the record. 325, Kosinski, give the Gentleman a round of applause. Representative Kosinski."

Clerk O'Brien: "House Bill 325; a Bill for an Act in relation to state finance. Third Reading of the Bill."

Speaker Redmond: "Representative Kosinski."

Kosinski: "Mr. Speaker and Ladies and Gentlemen of the House. This essentially is a Bill which will permit appropriations to have a handle on all the tax money expended, it will not permit secret use of monies from one department to another. I am delighted to say that the support of both sides of the aisle in Committee was overwhelming. It passed out of Committee with 25 votes.... I ask for your support for House Bill 325."

Speaker Redmond: "Any discussion? The question is.... Representative Bowman."

Bowman: "Mr. Speaker, will the Gentleman yield?"

Speaker Redmond: "He will."

Bowman: "I would like to know what would happen if, for example, as of June 30th, this year, we failed to reach an agreement on the appropriations for particular agency. I believe this happened in the last fiscal year, we had to come back into Session in the early part of July."

Kosinski: "Mr. Bowman, the Digest isn't complete. There was an

10.

Amendment that covered that extended fee of a lapse time of thirty days after close."

Bowman: "Lapse time is thirty days after close."

Kosinski: "Yes, Sir."

Bowman: "Thank you."

Speaker Redmond: "Any further discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? There is a stranger sitting in Representative Schneider's chair. Mr. Doorkeeper will you.... Have all voted who wished? Have all voted who wished? Representative Kosinski."

Kosinski: "In explanation of vote, this should get a hundred and thirty-five vote and that's my explanation, Sir."

Speaker Redmond: Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there are 133 'aye' and 2 'no' and the Bill having received the Constitutional Majority is hereby declared passed. 333, Representative Leinenweber, the Gentleman from South Bend.... out of the record. 343, is Representative Huff, on the floor? Out of the record. 345, Representative McLendon... out of the record. 363, Representative Simms."

Clerk O'Brien: "House Bill 363, a Bill for an Act to amend the Election Code. Third Reading of the Bill."

Simms: "Well, Mr. Speaker, House Bill 363 is a very simple Bill. It amends the Election Code which prohibits the designation of a prefix or a suffix before or after a name of a candidate that is appearing on the ballot. Very simply, that it prohibits any honorary titles or degrees for being placed in front of a candidates' name and the same would apply of applying degrees or any designation after a candidates name and I feel this Legislation is long over due. And it was reported out of Committee with a 12 favorable votes and no votes in opposition and I feel this Bill will serve to correct an area that needs to be

11.

adjusted in the Illinois law and I would move for its passage."

Speaker Redmond: "Is there any discussion? Representative Bowman."

Bowman: "Will the Gentleman... Mr. Speaker, will the Gentleman yield?"

Speaker Redmond: "He will."

Bowman: "I noticed that the language of the Bill seems to emphasize honorary... the language of the Bill seems to emphasizes honorary..."

Simms: "If you will read the Amendment, the Amendment strikes that and makes it honorary or earned."

Bowman: "Fine."

Speaker Redmond: "Representative Simms... Skinner."

Skinner: "Hi, Mr. Speaker, why did you recognize me?"

Speaker Redmond: "Somebody... I didn't see who wanted recognition and it is usually you."

Skinner: "That's a good line anyway."

Speaker Redmond: "Representative Friedirch."

Friedrich: "Will the Sponsor yield to a question?"

Speaker Redmond: "He will."

Friedrich: "Does this preclude nicknames as common practice in some use nicknames... it does not preclude nicknames... and quotes in addition to regular names: Thank you."

Speaker Redmond: "Any further discussion? Representative Simms to close."

Simms: "Mr. Speaker, very simple I would urge that this Bill be passed, I think it is equality and I would ask for a favorable vote."

Speaker Redmond: "The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there are 131 'aye' and no 'nays' and the Bill having received the Constitutional Majority is hereby declared passed. 372, the Sponsor is

12.

excused absence. 383, Representative Richmond, do you want that one called? Representative Richmond... 383, out of the record. 392, Representative Winchester, do you want that one called?"

Clerk O'Brien: "House Bill 392, a Bill for an Act to amend Sections of the Illinois Conservancy Districts Act. Third Reading of the Bill."

Speaker Redmond: "Representative Winchester."

Winchester: "Thank you, very much, Mr. Speaker. Out of the present states statutes relating to river conservancy district, there are no provisions outlining the procedures of the selling of real estate owned by river conservancy districts. House Bill 392, as amended would require the conservancy district to publicize for three consecutive weeks a notice of sale giving time, place and terms of sale in the local county newspaper in which the property is located. It also provides if any natural person or persons from whom the land was originally acquired and who submits a bid for the property and is found to be in a tie bid situation with another bidder or bidders and with all other things being equal, he will be given the preference to the sale. It is a good government Bill, it provides a equitable way for river conservancy district to expose of real estate no longer needed for their operations, it's jointly sponsored by Winchester and Hart. I would appreciate a favorable Roll Call. Thank you."

Speaker Redmond: "Any discussion? Representative Schlickman."

Schlickman: "Would the Sponsor yield?"

Speaker Redmond: "He will."

Schlickman: "In Amendment #1, there is a provision that the person or persons from whom the property was originally acquired would have the first right of refusal if you will. Why aren't corporations also included? Assuming that conservancy districts could have acquired from a

corporation initially."

Winchester: "If you don't mind, Representative Schlickman, I would like to refer that to Representative Hart since that was his Amendment."

Hart: "I didn't hear the question."

Speaker Redmond: "Representative Hart."

Hart: "I didn't hear the question."

Speaker Redmond: "Will you please repeat the question?"

Schlickman: "Well, this is a question that aroused earlier reality to the acquisition of property from a natural person or persons and then allowing the natural person or persons from whom the property was originally acquired have the first right of refusal upon the sale of the property. And I simply raised the question as to why not corporations from whom property was initially acquired shouldn't have also the first right of refusal."

Hart: "Well, I don't have any objection to including that in the Bill, as I indicated when you asked the same question on Second Reading that I... it just never occurred to me that... about it but if there is any interest in including corporations or other businesses in that provision why we would be glad to amend it in the Senate to do that."

Schlickman: "Well, it just seems to me that there is unreasonable discrimination and that the Bill would be improved if in the Senate, corporations or other business entity were included."

Hart: "All right, we'll talk to... if the Bill gets out of the House and goes to the Senate, we'll talk to the Senate Sponsor and try to encourage him to amend it to include your objection."

Schlickman: "Thank you, very much."

Hart: "Thank you."

Speaker Redmond: "Any further discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed

14.

vote 'no'. Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there are 128 'aye' and no 'nay' and the Bill having received the Constitutional Majority is hereby declared passed. 396, Representative Schuneman... out of the record. 397, Representative Catania.... is Representative Catania here? Representative Conti, are you seeking recognition? Representative Conti, is asking leave to be recorded as voting 'aye' on 392, evidently his machine doesn't work. Are there any objections? Hearing none, he will be so recorded. 397... out of the record. 421, Yourell... out of the record. 428, Representative Bluthardt here? I think he was elected Mayor wasn't he, yesterday? That's good. 444, McLendon... out of the record. 449, Representative Willer, she's here? Representative Willer; 449.... Representative Willer; I know she was here a little bit earlier, Representative Mugalian has returned and our Doorkeeper, Emery is back... Emery. Representative Ebbesen are... Hudson rather... you're better looking, you look like Representative Ebbesen."

Hudson: "Could I have leave to be voted 'aye' on House Bill 392?"

Speaker Redmond: "The Gentleman has asked leave to be recorded as voting 'aye' on 392, is there any objection? Hearing none he will be so recorded. 464, Von Boeckman... out of the record. 468, Representative... read the Bill, Mr. Clerk."

Clerk O'Brien: "House Bill 468, a Bill for an Act to amend the Illinois Pension Code. Third Reading of the Bill."

Speaker Redmond: "Representative Stuffle."

Stuffle: "House Bill 468, simply makes... simply makes a clarifying change in the pension article dealing with the state university pension system. It clarifies what has been the practice over many years, with the Amendment adopted in the House Committee, it meets the approval of the Pension

15.

Laws Commission and I would ask for a favorable vote on 468."

Speaker Redmond: "Is there any discussion? The question is, shall this Bill pass? Those in favor... Representative Skinner."

Skinner: "Could you give us an idea of how much this will cost?"

Stuffle: "It has no cost impact whatsoever with the Amendment and certified both by the Pension Laws Commission and by the University Retirement System."

Skinner: "I don't see an Amendment listed in my Digest, could you tell me what the Amendment is?"

Stuffle: "Yes, as the Bill was originally introduced, it would have increased the post retirement benefits from 2 to 3% per year however, that was taken out by the House Amendment in Committee."

Skinner: "Then, what does the Bill do?"

Stuffle: "What the Bill does is put in clarifying language to show that the post retirement benefits that is now in existence, that we've had for many years applies to two of the rules under which retirement is provided in the university article. This has been the case over the years with the University System asked me to submit the Bill to make sure there was no question about the payment of the benefits."

Skinner: "Thank you, very much."

Speaker Redmond: "Is there any further discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? The Clerk will take the record. On this question there is 123 'aye' and no 'nay' and the Bill having received the Constitutional Majority is hereby declared passed. 469."

Clerk O'Brien: "House Bill 469, a Bill for an Act to amend the Illinois Pension Code. Third Reading of the Bill."

Speaker Redmond: "Representative Stuffle."

Stuffle: "House Bill 469, again amends the University Retirement

Article, House Bill 469 provides that the survivors annuity, the minimum payable survivors annuity will be based upon the amount of pension being received by the deceased at the time of his death rather than at the time he goes on retirement. This is consistent with the position of the Pension Laws Commission. It passed out of Committee with a 15 to nothing vote and I would ask for a favorable vote on House Bill 469."

Speaker Redmond: "Representative Schlickman."

Schlickman: "Would the Sponsor yield? Is the intention of this Bill to provide for the survivor, the cost of living increases that the retiree had acquired?"

Stuffle: "It would figure that into the base correctly, yes."

Schlickman: "Thank you."

Speaker Redmond: "Any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. The intention of the Chair to quit very shortly now so the two o'clock Committees can get going. Representative Geo-Karis.... Representative Ryan, did you have any excused absences?"

Ryan: "Yes, I gave a list to the.... Clerk..."

Speaker Redmond: "Oh, you did, okay."

Ryan: "Mr. Speaker."

Speaker Redmond: "Have all voted who wished? The Clerk will take the record. On this question there is 140 'aye' and no 'nay' and this Bill having received the Constitutional Majority is hereby declared passed. Representative Macdonald."

Macdonald: "Mr. Speaker, I wonder if I may have permission to be voted 'aye' on 469, I was asleep at the switch."

Speaker Redmond: "Is Representative Macdonald excused for having been asleep at the switch? Hearing no objections excused is granted and it will be so recorded. Representative Brummer, do you seek recognition? Representative Brummer."

Brummer: "Mr. Speaker, I would like to move to suspend the posting requirements of Rule 18 (k), in relationship to

17.

House Bill 1427, there was a mix-up with regard to the posting. It's a Pseudorabies Bill and I spoke with Majority Leader, the Minority Leader and the Chairman and Minority Spokesman of that Committee."

Speaker Redmond: "Is there any discussion? The Gentleman has moved to suspend the posting rule. Is there any objection? Representative Schlickman."

Schlickman: "When is the Bill to be heard?"

Speaker Redmond: "Representative Brummer."

Brummer: "Friday at ten o'clock, April 22nd."

Speaker Redmond: "Representative Schlickman."

Schlickman: "Are you satisfied that all of the interested parties will be advised of this hearing since this is a prohibitory Bill?"

Speaker Redmond: "Representative Brummer."

Brummer: "I'm sorry, what was the question?"

Schlickman: "I'm just wondering since this is a prohibitory Bill, it prohibits the use of certain vaccines and bring into Illinois of animals vaccinated with this particular vaccine that there must be a fairly good number of interested people. And I'm wondering if you're satisfied that there will be apprised of the hearing and have the opportunity of appearing if they desire. All the interested people are in favor of it, I think."

Brummer: "Thank you."

Speaker Redmond: "Hearing no objections, the rule is suspended. Representative Katz."

Katz: "Mr. Speaker, Ladies and Gentlemen of the House, The Judiciary II Committee will be meeting the rest of the afternoon and will be meeting all day on Saturday, now we are trying to make available for all Members the opportunity to have their Bills heard. We have also tried to accommodate the House rules as suggested by Mrs. Kent, which limits to fifty the number of postings that can be had. The rule and my concern, Mr. Speaker is that

18.

we have posted the Bills for next Saturday, fifty Bills. But if some of the Bills that we post today are not moved if the Sponsors... if the Sponsors do not appear, I would like leave of the House to be able to re-post the posting for today along with the fifty that will be posted for next Saturday, April 23rd. So, I would like leave to have the permission of the House to re-post in addition to the fifty that will be posted by Judiciary II, for Saturday, April 23rd, I would like leave of the House to be able to re-post the Bills scheduled for today in Judiciary II, that are not heard today. I would like, in other words, to be able to re-post and to schedule those of today's postings that are not disposed of so that they may be posted along with the fifty that will be posted for Saturday, April 23rd."

Speaker Redmond: "Does the Gentleman have leave? Evidently no objections so leave is granted. Representative Kelly, Representative Kelly, Mr. Kane, I can't see."

Kelly: "Yes, Mr. Speaker and Members of the House. I would like to move to suspend the posting requirement rule on House Bill 1946, so this Bill can be heard tomorrow morning in the Counties and Township Committee and also at the same time ask for a suspension of the fifty Bill limits requirement."

Speaker Redmond: "Does the Gentleman have leave? What was the number, Representative Kelly?"

Kelly: "1946, thank you."

Speaker Redmond: "Hearing no objection leave is granted. Representative Jacobs."

Jacobs: "Mr. Speaker, Ladies and Gentlemen of the House, I would like to have leave to hear House Bill 1995, for Thursday the 21st, due to an error in posting."

Speaker Redmond: "Does the Gentleman have leave? Representative Ryan."

Ryan: "What... Mr. Speaker, what is the Bill and what is the

reason that he wants to do this?"

Speaker Redmond: "Representative Jacobs."

Jacobs: "The Bill is migrant workers camp where they would have to furnish living quarters for those that were working at the migrant camps. The Bill was listed under a different number, I think and it should have been 1995."

Ryan: "And now... what are you trying to do, Representative?"

Jacobs: "To hear this Bill on Thursday agenda of the House Labor and Commerce Committee."

Ryan: "Well, it seems like a Bill that might have some impact... is there reason that you have to do that today?"

Jacobs: "I would have to have leave, Representative Ryan, in order to hear the Bill. We're not asking for anything other than it be heard and this is due to an error in posting."

Ryan: "Well, I understand you haven't talked to the Minority Spokesman on the Committee about it and I... nobody talked to me about it and I... maybe you ought to take it out of the records until we get it straightened out."

Jacobs: "We were in contact with the Republican staff analyst on this, Mr. Ryan and explained it to him."

Ryan: "You were in touch with the Republican staff and who else?"

Jacobs: "The staff analyst."

Ryan: "This is first I've heard of it, the Minority Spokesman on the Committee said he doesn't know anything about it. I'm not trying to be difficult but I think if you take it out of the records we can maybe talk about it for a minute, it might be helpful."

Speaker Redmond: "Take it out of the record."

Jacobs: "Take it out of the record... perma...."

Speaker Redmond: "Representative Lechowicz, do you seek recognition?"

Lechowicz: "Thank you, Mr. Speaker. Just a point of information, Mr. Speaker. Looking at the Calendar for tomorrow I noticed that the Committee hearings are going to be functioning at eight o'clock, just as a reminder that the Governor's Prayer Breakfast, the Fifteenth Annual Prayer Breakfast which

20.

is also at eight o'clock tomorrow. And I was hoping that maybe the Committees could start at nine because of the Governor's Prayer Breakfast."

Speaker Redmond: "Representative Boucek."

Boucek: "Mr. Speaker, I note in the Calendar it says that we have a Veteran's Affairs meeting at one thirty today, is that correct?"

Speaker Redmond: "Representative DiPrima."

DiPrima: "Mr. Speaker, no that is a Subcommittee meeting. Our meeting is tomorrow... the official meeting, this is a Subcommittee meeting and it is listed as such in the Calendar."

Boucek: "Thank you."

Speaker Redmond: "Representative Deuster."

Deuster: "Well, Mr. Speaker, Ladies and Gentlemen of the House, I would like to join in the request to the Speaker by Representative Lechowicz. It seems to me kind of a dilemma to have the Governor's Prayer Breakfast scheduled at the exact same time as our Committees. I know that eight o'clock tomorrow morning the Equal Rights Amendment is supposed to be considered here at eight o'clock on this House floor. I would join in the request of Representative Lechowicz that perhaps we could schedule the beginning of these Committees at nine o'clock. If our past practice is any indication probably the Committees may not get going until eight thirty anyway and I have a number of witnesses on ERA who have expressed concern over the difficulty of getting here at eight o'clock. They have witnesses flying in from Chicago and other places so, I would join in the request that perhaps we have a little flexibility and set these back a half an hour if we could perhaps."

Speaker Redmond: "The Chairman of the Committee is the absolute lord and master of that Committee so, I would suggest that you take that up with the Chairman. I would like to call

21.

the Members and particularly the Chairman to the rule which prohibits continuing matters which are not heard in one week until the next week. You may continue something that would be heard for instance today or tomorrow, it could be continued to another hearing this week but it couldn't be continued to a hearing next week because that would violate the posting regulations. Representative Jones."

Jones: "I would like to add to the request that the Committee Chairman give consideration for delaying the eight o'clock Committee meetings until nine o'clock because of the Governor's Prayer Breakfast and my records show that we have some forty-six Members that have made reservations and tickets for this event and it would affect a large number of them I'm sure."

Speaker Redmond: "Agreed Resolutions."

Clerk O'Brien: "House Resolution 165, Kane. 166, Kelly. 167, Ryan. 168, Schlickman. 169, Polk. 170, Polk. 171, Terzich."

Speaker Redmond: "Representative Giorgi... Representative Conti, for what purpose do you arise?"

Conti: "A point of inquiry, Mr. Speaker. I happen to be on the Public Utilities Committee, and Ellis Levin and Bill Marovitz has an awful lot of proponents and opponents on their Bills and I'm walking out of here every night with an arm full and these doors are locked, I can't get back to my desk. I was just wondering if we could keep the chamber doors open until I could replace some of this on my desk instead of carrying it two or three blocks back to the hotel room."

Speaker Redmond: "Any idea how long we're talking about, Mr. Conti?"

Conti: "Well, whenever Committee ends then we can get into our desk and come in here."

Speaker Redmond: "The only problem and the reason for the security

is that we lost about fourteen or fifteen of these microphones in one night and that's the reason we have locked them up."

Conti: "That's good enough reason, I'm sorry... my inquiry is answered. Thank you."

Speaker Redmond: "Representative Madison."

Madison: "Thank you, Mr. Speaker. Mr. Speaker, in relationship to your indication to the Committee Chairman about the continuation of Bills and the violation of the rules, if I understood you correctly; it is a violation of the rules to carry those Bills over into another week, And I'm wondering if that is the case according to the rules if that meeting is reset rather than adjourned."

Speaker Redmond: "I have been advised that is the case that we may not go, it is one of those things that is in our rules and I don't think it came to our attention until this week."

Madison: "I'm having difficulty hearing you, Mr. Speaker."

Speaker Redmond: "I say, I have been... the Parliamentarian advises me that that is the case, that even in a recess that it would require additional posting and of course with our six and a half day rule, it is kind of an awkward period in there. The only way that I know we can do is to have a motion to suspend the rule."

Madison: "I see, thank you, Mr. Speaker."

Speaker Redmond: "Representative Caldwell."

Caldwell: "Mr. Speaker, the Public Utilities Committee which normally meets in 122 B, will meet tomorrow at noon in room C 1. I wanted to make that announcement."

Speaker Redmond: "Representative Giorgi, on the Agreed Resolution."

Giorgi: "Mr. Speaker, House Resolution 165, by Kane, honors or notes the 65th Wedding Anniversary of Mr. and Mrs. Edward O'Brien. House Resolution 166, by Kelly, designates and notes the honoring of the Park Forest as an All American City. House Resolution 167, by Minority Leader, Ryan."

23.

Notes the First Lady, Jayne Carr Thompson, enjoyed a birthday April 7th. House Resolution 168, by Schlickman. Honors Carl F. Mees for his various fields and endeavor. House Resolution 169, by Polk. Honors William C. Steele, who helped found the Blackhawk College from the old Moline Community College. House Resolution 170, by Polk. Honors Herb Thompson coach of the Moline High School who resigned after a record of three hundred and sixty victories and a hundred and seventy-two defeats. House Resolution by Terzich, 172, honors the Yugoslav Benevolent and Pleasure Club on their 55th Anniversary. I move for the adoption of the Agreed Resolutions."

Speaker Redmond: "The question is on the Gentleman's motion. Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the Resolutions are adopted. Representative DiPrima, are you seeking recognition?"

DiPrima: "Yes, Sir. Mr. Speaker, I would like leave of the House to have 176.... House Bill 1767, waived from posting the usual manner by having it posted for tomorrow."

Speaker Redmond: "Representative Ryan."

Ryan: "Well, Mr. Speaker, I certainly don't object to these things if some of these people have talked to me and let me know what they are trying to do. This is the first that I have heard of this, I would certainly like to know what the Bill is and what the reason is."

Speaker Redmond: "Representative DiPrima."

DiPrima: "It is all right, George. Have no fear."

Ryan: "That scares me, I will still object."

DiPrima: "No... Georgie...."

Speaker Redmond: "Objections have been heard. Representative Jacobs."

Jacobs: "Mr. Speaker and Ladies and Gentlemen of the House, after conferring with the Minority Leader, I would like to renew my request to have House Bill 1995 heard on Thursday. The Minority Leader has... we've talked it over

and he has agreed."

Speaker Redmond: "Are there any other objections? Hearing none the Gentleman has unanimous consent for the suspension of the rules. Representative Caldwell... Representative Caldwell, your button is flashing... do you want.... Representative Mann, oh no.... will you turn off, Mr. Caldwell. Representative Madigan."

Madigan: "Mr. Speaker, are there any further announcements?"

Speaker Redmond: "The Clerk has the program here, Mr. Madigan. Will you tell Mr. Madigan your program?"

Clerk O'Brien: "I will need about five minutes for introduction of Bills and First Reading of Senate Bills and Perfunctory Session."

Madigan: "Any further announcements, Mr. Speaker."

Speaker Redmond: "Representative James Houlihan."

Houlihan: "Mr. Speaker and Ladies and Gentlemen of the House. I would like leave of the House to add Representative Keats as a Co-principle sponsor of House Bill 452."

Speaker Redmond: "Are there any objections? Hearing none, he will be added. Representative Ryan."

Ryan: "Thank you, Mr. Speaker, I know that there were several inquiries to the Chair this afternoon regarding tomorrow morning Committee meetings to be postponed from eight until nine. Have you made a decision on that, Mr. Speaker?"

Speaker Redmond: "Well, as I understand it, that is up to the Chairman and I haven't heard anything..."

Ryan: "Chairman of what Committee."

Speaker Redmond: "Judiciary I, is it not?"

Ryan: "I think that we're asking for the Chair to postpone the Committee hearings until.... all Committee hearings until nine o'clock tomorrow morning, Mr. Chair.... Mr. Speaker."

Speaker Redmond: "Would there be any objections to postponing the Committee hearings until nine o'clock? Will you take the Attendance Roll Call at the Prayer Breakfast, Mr.

Ryan? Representative Mann."

Mann: "Well, Mr. Speaker and Members of the House, first of all in speaking to this question of an hour delay, I certainly do not want to in any way... reflect upon the Governor's Prayer Meeting, its purpose its participants and its importance. I want to say that first, I happened to have the privilege of serving on, as Chairman on, a very very sufficient and time consuming and Bill consuming Committee. For some time we had requested more of the House for purposes of hearing not only ERA but a number of other Bills of interest to the Membership and in explaining this, let me make myself very clear, it has nothing to do.... I want to assure our distinguished Minority Leader that my statement has nothing to do with any particular Bill. In other words I'm not trying to proceed without reference to any Bill. Mr. Minority, I wanted to make that clear, Mr. Minority Leader. The reason for the request and my opposition has nothing to do with any Bill in Committee. It has to do with getting rid of a very very heavy heavy load and the fact that it is already been posted for 8:00 am."

Speaker Redmond: "Representative Katz, are you seeking recognition?"

Katz: "Yes. Mr. Speaker, you indicated a moment ago that Bills could not be carried over from this week to next week for posting. Accordingly I will have to seek leave to be able to post for Judiciary II, next week and to be able to post more than fifty Bills and accordingly I would ask leave to be able for the purposes of next weeks meetings of Judiciary II to be able to post more than fifty Bills because fifty Bills will not enable us to get through the Bills that has been assigned to Judiciary II."

Speaker Redmond: "Representative Ryan are you seeking...."

Ryan: "Well, Mr. Speaker I think we have got a couple of points to clear up here. First of all I would like to know where

we are with the printing of Bills. I would certainly hope that we're not going to hear Bills in Committee that have not been printed or we will hear...."

Speaker Redmond: "You will not be hearing any Bill that has not been printed."

Ryan: "All right, but by the same token, Mr. Speaker, I would hope that we're not going to hear Bills that were printed today, that we're going to hear today in Committee. Now, I think that was part of our agreement when we suspended the rules before we left here."

Speaker Redmond: "Mr. Clerk, will you tell us where we stand on Bills?"

Clerk O'Brien: "Right now in the Bill Room we have Bills through 1861 and at two o'clock there were supposed to be more delivered. I'm going to each Committee personally and tell them what Bills are available in the Bill Room so they can mark their Calendars."

Ryan: "Well, my point, Mr. Speaker is that... if the Bill has just been printed today and it is to be heard in Committee today, I don't think we agreed to that. I know we didn't."

Speaker Redmond: "We will not hear any Bill in Committee that is not printed."

Ryan: "Well... if it was printed today, Mr. Speaker and goes to Committee today, that wasn't part of our agreement."

Speaker Redmond: "I don't think that I can sit up here and say what's going to happen in each Committee. I think the Committee Chairman...."

Ryan: "Well, before we adjourn to the recess, it was part of the agreement that we suspend the rules to allow these Bills to be posted without being printed...."

Speaker Redmond: "Okay, raise the objection at the appropriate Committee. I... this is a pig in the poke. We don't know whether your objection is well taken or not well taken and I would suggest to the Committee Chairman that if in any instance the Bill has been printed today and has been

posted that you should not hear the Bill."

Ryan: "Thank you."

Speaker Redmond: "Representative Skinner."

Skinner: "In that case, Mr. Speaker, there will be witnesses that may be down here for Bills that have been posted that will have made the trip for naught and one of my constituents may be one of those in which case I would certainly object to our not being able to hear any Bill that...."

Speaker Redmond: "Well, you voice the objection before the Chairman of the Committee and let the Chairman in that Committee decide it, I'm not going to decide it here."

Skinner: "Now if we may discuss the request that Mr. Katz is making, I certainly would object to posting more than fifty Bills because I think the April 30th deadline is absurd. I don't think we can meet the April 30th deadline and I have therefore, filed a motion today to extend that deadline for one week, until Friday afternoon at 4:00 P.M. the following Friday which I think is more reasonable."

Speaker Redmond: "Representative Greisheimer."

Greisheimer: "Thank you, Mr. Speaker. In light of the suggestion made by Mr. Katz and his Committee, I would like unanimous leave of the House to table House Bills 433 and 727, both assigned to Judiciary II."

Speaker Redmond: "Are there any objections. Hearing none, leave is granted. 437, 722, is that correct?"

Greisheimer: "Mr. Speaker it is House Bill 433..."

Speaker Redmond: "433."

Greisheimer: "727."

Speaker Redmond: "727, those Bills are tabled. Representative Bradley."

Bradley: "Mr. Speaker and Ladies and Gentlemen of the House, I just want to check if the Gentleman was the Chief Sponsor of those two Bills."

Speaker Redmond: "No, you were."

Greisheimer: "Mr. Speaker, I will get my Digest out and check it and get back to Mr. Bradley later on today."

Bradley: "Well, Ron, I take your word for it. I don't have my Digest in front of me right now, if you're Chief Sponsor it's fine with me. We usually want to check on that."

Speaker Redmond: "Representative Geo-Karis, are you blinking."

Geo-Karis: "Mr. Speaker and Ladies and Gentlemen of the House, I have attended every Governor's Prayer Breakfast whether he was from my party or not and I do hope that you as Speaker would take it upon yourself to have extend courtesy to those of us who do wish to attend the Governor's Prayer Breakfast and I wanted to attend it, to make it possible."

Speaker Redmond: "Representative Mann."

Mann: "Mr. Speaker, I want to repeat what I have said with regards to my statement having nothing to do with any particular religion, sex, or life style, I'm only saying that I have an eight o'clock A.M. posted Bill on ERA which is of ^{tremendous} tremendous importance. If we have a ^{quorum} quorum there or if we can proceed on another matter first, that would be fine; except that I think a Bill this important both opponents and proponents are going to be critical if we do not start reasonably after eight o'clock. And that is all I'm asking for in terms of the situation tomorrow. It has been posted, Mr. Speaker, for over a week."

Speaker Redmond: "Well, you're the Chairman of that Committee and you're the one that sets the hearing and as far as I'm concerned that is your jurisdiction. Representative Mulcahey."

Mulcahey: "Thank you, Mr. Speaker, I would request leave of the House that my name be added as a Cosponsor to House Bill 761."

Speaker Redmond: "Does the Gentleman have consent of the Sponsor? He does. Are there any objections as to adding Representative Mulcahey as Cosponsor Hearing none he will be added."

Representative DiPrima, two o'clock is fast approaching."

DiPrima: "Mr. Speaker, once again I am asking leave of the House to have House Bills 1767, waived on the posting methods by having it posted for tomorrow. It meets with the approval of the Sponsor, Representative Jaffe, and there is no objections from Mr. Ryan."

Speaker Redmond: "Does he have unanimous consent? Hearing no objections consent is granted. We're going to... when we get to House Bill, Third Reading tomorrow we're going to start at House Bill 472, that's where we ended off today. We've started at 14 for the last three weeks and gone all the way through so we're going to start at 472. Representative Katz."

Katz: "Mr. Speaker, I would move that the Judiciary II Committee be permitted to post next week and to include Bills that were not heard in Committee this week. I'm asking for temporary suspension of the rule limiting the posting to fifty. Now, I would point out to you that the House last week gave permission to the Judiciary I Committee, to the Education Committee and I think two other Committees at their request to be able to waive the rules. We did not ask for it in Judiciary II, we are trying to live by the rules but we have already scheduled fifty Bills for next week and there will be some Bills that will not be out of the Committee this week, And so I ask leave to be able to post in addition to the fifty that will be posted next week, Bills that are posted this week that do not come out of the Committee. And I would ask leave of the House to do that and if there is opposition to so move."

Speaker Redmond: "We've already done that, Representative Katz."

Katz: "Well, I wasn't sure you had, Mr. Speaker, this was a subsequence request and I understood Mr. Cal Skinner..."

Speaker Redmond: "We have."

Katz: "You have done so, all right Sir."

Speaker Redmond: "There were no objections, timely objections at

that time but the Clerk tells me. Questions on Representative Madigan's motion. We stand in Perfunctory Session for five minutes.... Representative Skinner."

Skinner: "I thought I raised timely objection, Mr. Speaker."

Speaker Redmond: "I didn't think you did, the Clerk concurs with me and we will listen to the tape and if you did we'll retract ourselves tomorrow."

Skinner: "Well, the point I would like or the request that I would like to make, Sir, is that if we're going to allow one Committee or four Committees or five Committees this privilege, all Committees should be allowed that privilege."

Speaker Redmond: "As far as I'm concerned the six and a half day is a very unfortunate choice of timing."

Skinner: "Well, as far as I'm concerned April 30th is as very unfortunate choice of dates as well."

Speaker Redmond: "Representative Madigan's motion. Those in favor indicate by saying 'aye', opposed 'no'. This is five minutes perfunct and then we recess... then we adjourn. As far as I'm concerned we come in at four o'clock. Representative Ryan."

Ryan: "Thank you, Mr. Speaker. I would like to have all of the Minority Spokesmen of the Committees that are going to meet at two o'clock today be in my office immediately after adjournment for a quick five minutes."

Speaker Redmond: "Representative McBroom."

McBroom: "Yes, Mr. Speaker and Members of the House, I rise for the purpose of tabling House Bill 2242, will you accept that motion, Mr. Speaker?"

Speaker Redmond: "Does the Gentleman have leave? Hearing no objections... 422 is tabled. Representative Kelly."

Kelly: "Yes, Mr. Speaker and Members of the House, on the schedule time meeting for the Counties and Townships Committee, Representative Yourell and I just discussed this and we would like to switch the time from eight o'clock to nine o'clock tomorrow due to the Governor's Prayer

Breakfast. Nine o'clock instead of eight o'clock in room 118, in the Capital Building."

Speaker Redmond: "County and Township scheduled for nine instead of eight. The question is on Representative Madigan's motion. Those in favor say 'aye', opposed 'no'. The 'ayes' have it. Stand adjourned until four o'clock tomorrow."

Clerk O'Brien: "Introduction, First Reading. House Bill 2359, Caldwell. A Bill for an Act making appropriations to the Department of Revenue. First Reading of the Bill. House Bill 2360, Mahar.
