Doorkeeper: "All those not entitled to the House floor please retire to the gallery."

Speaker Redmond: "House will come to order. Members please be in their seats. We'll be led in prayer by the Reverend Krueger, the House Chaplain."

Rev. Krueger: "In the Name of the Father, the Son, of the Holy Ghost. Amen. O Lord, bless this House to Thy service this day. Amen. George Bernard Shaw said: 'Liberty means responsibility. That is why most men dread it.' Let us pray. Heavenly Father, we ask of Thee this day only to be with us as we labour to perfect a more livable society in this State of Illinois. Instill within us the ability to recognize our power to do that which is right in the light of the temptation to seek a less troublesome path. Instill within us the strength to assure that we only proclaim that which is relevant and consistent with the liberty with which we have been endowed. Instill within us a dedication to bear our responsibility with no fear, save only that of being lost from Thee. We seek Thy presence, O Heavenly Father, in the Name of Him who came to make all men free, Jesus Christ our Lord. Amen."

Geo-Karis: "83."

Speaker Redmond: "83? Hearing no objections, leave is granted. Representative Steczo."

Steczko: "Mr. Speaker, I would ask leave of the House to table House Bill 1288."

Speaker Redmond: "Would you repeat that, Representative Steczo?"

Steczko: "I would like to ask leave of the House to table House Bill 1288."

Speaker Redmond: "Does the Gentleman have leave? Hearing no objections, leave is granted. Representative Marovitz, do you have any objection to Representative Geo-Karis tabling House Bill 83? Representative Geo-Karis, will you look at the number again and

make sure that that's the one you want to table? I think that's Representative Marovitz' Lifeline Bill you just tabled. Representative DiPrima's desk."

Geo-Karis: "Mr. Speaker, if I tabled that Bill, it would be my lifeline at stake and I tabled the motion on the Bill."

Speaker Redmond: "Where do we stand on 83 then? I guess she does not have leave to table 83. Is that correct? Oh, she's tabling a motion with respect to 83. Is there any objection to that? Hearing none, leave is granted. Representative Edgar."

Edgar: "Mr. Speaker, I'd like to have House leave to table House Bill 482."

Speaker Redmond: "Representative Geo-Karis has got the corner on tabling somebody else's Resolution. Never mind. Okay, House Bills, Second Reading. House Bills, Second Reading appears House Bill 42."

Speaker Redmond: "Okay, are there any Amendments from the floor?"

Clerk O'Brien: "Amendment #7. Amends House Bill 83 by striking everything before the enacting clause and inserting in lieu thereof the following and so forth."

Speaker Redmond: "Representative Marovitz, are you acquainted with this Amendment? Representative Conti, do you... Representative Conti."

Marovitz: "I've had a cursory examination of it; not a detailed examination of it. Perhaps the Sponsor of the Amendment could explain in detail what the Amendment does."

Conti: "Yes, the Amendment... The intent of the Amendment is to take private enterprise out of the welfare program and put it where it belongs. This Amendment makes aid available on the basis of need and not use. It specifically takes into account the special needs of the senior citizen. This is the only sensible basis upon which the aid should be granted. Administration of aid program is given to the Illinois Department of Public Aid. That Department administers most other aid programs..."

Speaker Redmond: "Representative D.L. Houlihan."

D. Houlihan: "Has Amendment #7 been distributed?"

Speaker Redmond: "Has it been distributed? We'd better take this out of the record until it's distributed better."

Conti: "They... it's being printed and it should have been distributed."

Griesheimer: "Mr. Speaker, I concur in that inquiry by Representative Houlihan. I would point out to the courts... to the courts... to the Speaker that Amendment #1 was never adopted in Committee and maybe this might have to go back to the Committee Clerk for verification. It was presented to the Committee but it was never adopted."

Speaker Redmond: "Well, we'll have to wait till the Parliamentarian gets here. Take it out of the record now. 308, Representative Holewinski here? 308. You want this in or out? Out, take it out of the record at the request of the Sponsor. 334."

Speaker Redmond: "Any motion with respect to Amendment #1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Representative Davis, for what purpose do you rise?"

Representative Davis. J. Davis."

J. Davis: "Mr. Speaker, I rise... apparently the same error is on the Calendar that was on the Calendar yesterday. House Bill 557, to retreat to a few moments ago, the Mann-Sandquist-Catania Act on relation to discrimination on the basis of sexual orientation, has the same number as my House Bill 557 that's on Third Reading. And I certainly... two of a kind? No, not this time, Gene."

Speaker Redmond: "557 does appear on Third Reading."

J. Davis: "Yes, indeed it does, but on Second Reading also 577, the number, House Bill 557 appears on Second Reading. And the two Bills are not similar in any way, shape or fashion."

Speaker Redmond: "Representative Mann."

Mann: "Well, Mr. Speaker, House Bill 577 deals with the subject of sexual orientation, not 557."

Speaker Redmond: "I think that's... it's clear when we look at the Calendar, but evidently it's... Mr. Clerk, will you do whatever you have to do to straighten that... I don't think that Representative Davis wants to be identified with the Bill that's on... That would be the way I read his objections."

Mann: "Mr. Speaker, I..."

Speaker Redmond: "Representative Mann."

Mann: "I hesitate to take exception to that remark, but... and I know that it was said in a moment of frivolity, but I would hope that everyone understood that it was not necessarily your personal opinion on the Bill."

Speaker Redmond: "It has nothing to do with the Bill."

Mann: "Thank you, Sir."

Speaker Redmond: "I see that I'm listed as Cosponsor of a Handgun Regulation Bill and I'm not real excited about that. 584."

Clerk O'Brien: "House Bill 584. A Bill for an Act to amend the Civil Administrative Code. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Third Reading. 644."

Clerk O'Brien: "House Bill 644. A Bill for an Act to amend the School Construction Bond Act. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "651. Third Reading, pardon me."

Clerk O'Brien: "House Bill 651. A Bill for an Act to amend the Workmen's Compensation Act. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 681."

Clerk O'Brien: "House Bill 681. A Bill for an Act to amend the Election Code. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment 1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Representative J. Davis."

J. Davis: "Well, Mr. Speaker, there's an Amendment in preparation on

681. Would you take it out of the record please?"

Speaker Redmond: "Take it out of the record. 684. Please come to order."

Clerk O'Brien: "House Bill 684. A Bill for an Act to create a state-wide educational data network. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment #1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. 698."

Clerk O'Brien: "House Bill 698. A Bill for an Act to amend the School Code. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 706."

Clerk O'Brien: "House Bill 706. A Bill for an Act to amend the Illinois Pension Code. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. Representative Cunningham, for what purpose do you rise?"

Cunningham: "Mr. Speaker, on House Bill 643, it was before the Executive Committee, but it never came to the Appropriations Committee. It appropriates two hundred million dollars for school funds. The rules require it to go through the Appropriations Committee. Could we roll back to 643 and have it reassigned to Appropriations Committee?"

Speaker Redmond: "Mr. Clerk, what's the best way to handle that?"

Clerk advises me a motion to recommit is the best way to do it."

Cunningham: "Excuse me?"

Speaker Redmond: "Motion to recommit would be the best and most orderly way to do it."

Cunningham: "Need to be in writing?"

Speaker Redmond: "Orally is all right."

Cunningham: "Mr. Speaker, I respectfully move that House Bill 643 be

recommitted to the Appropriations I Committee."

Speaker Redmond: "Representative D.L. Houlihan."

D. Houlihan: "Is the Sponsor of the Bill on the floor?--Representative Mudd."

Speaker Redmond: "What was that?"

D. Houlihan: "Is Representative Mudd, the Sponsor of this Bill, on the floor?"

Speaker Redmond: "Representative Mudd? I guess not."

D. Houlihan: "I wonder if on a courtesy..."

Speaker Redmond: "Oh, here he comes. Representative Mudd. Representative Mudd, the motion to recommit 643 to the Appropriations Committee. Evidently it's never been in Appropriations."

Mudd: "No, Sir, it hasn't. We heard them both in the Executive Committee and passed them both out."

Speaker Redmond: "Well, the Gentleman's motion is to recommit 643 to the Appropriations Committee since it makes an appropriation."

Mudd: "It's a Bond Authorization Bill and I don't think that..."

Speaker Redmond: "Representative D.L. Houlihan."

D. Houlihan: "I have a parliamentary inquiry, Mr. Speaker. Are we on the Order of Motions? This Bill now has gone to Third Reading."

Speaker Redmond: "Well, that is correct."

D. Houlihan: "And we were on the Order of Second Reading."

Speaker Redmond: "The Gentleman sought recognition."

D. Houlihan: "Continue on the Order of Second. We're not on the Order of Motions."

Speaker Redmond: "Parliamentarian advises me the motion to recommit takes priority. Representative Mudd, what's your wish?"

Mudd: "Well, I think that what Representative Houlihan stated is correct. But if there is a priority on this one, that I think that it was heard by the Executive Committee and passed out of there and there was no motion to refer this Bill to Appropriations at that time. It was to do with authorization of capital development bonding for downstate school construction. And I think that every downstate Legislator in this House would object to it being re-referred."

Speaker Redmond: "Representative D.L. Houlihan."

D. Houlihan: "Mr. Speaker, I'm under the impression the rules provide that we may request that this motion be reduced to writing. Now if that is provided for in the rules, I make that request that this motion not be considered unless it is reduced to writing."

Speaker Redmond: "Will somebody send the Parliamentarian to the podium? Any motion has to be reduced to writing if requested. Representative Cunningham."

Cunningham: "Well, Mr. Speaker, the motion is on the way down to the podium at the present time. All we're trying to do is legitimize the procedure. It's as absurd to think that you can go ahead without going to Appropriations and have a valid law enacted here. I would think that the Sponsor would join instantaneously with our motion in this matter. Our rules are unmistakably clear on this."

Speaker Redmond: "Representative Mudd."

Mudd: "I, in a sense of cooperation with the Minority Spokesman of Appropriations I, I will accept his motion and have it recommitted."

Speaker Redmond: "Okay, the question's on the Gentleman's motion to rerefer 643 to Appropriations. All those in favor say 'aye', opposed 'no'. The 'ayes' have it. Motion carries. Rereferred to 643. 732."

Clerk O'Brien: "House Bill 732. A Bill for an Act to amend the Veterinary Medicine and Surgery Practice Act. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment 1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any motions from... any Amendment from the floor?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading, Representative Adams."

Adams: "I would like to hold 732 on Second Reading for the possibility of an Amendment later."

Speaker Redmond: "We'll return it to the Order of Second Reading. Hold it. When I'm passing over these, it means that the Amendment has not been printed and that's the reason we can't call them. 760."

Clerk O'Brien: "House Bill 760. A Bill for an Act to amend the Code of Criminal Procedure. Second Reading of the Bill. Amendment #1

was adopted in Committee."

Speaker Redmond: "Any motion with respect to the Amendment?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No further Amendment."

Speaker Redmond: "Third Reading. 791."

Clerk O'Brien: "House Bill 791. A Bill for an Act in relation to the registration of plumbing contractors. Second Reading of the Bill."

Speaker Redmond: "The Amendment not printed. There's a floor Amendment on 775 and a fiscal note requested and not furnished. Oh, okay, okay. Wait your turn. 791."

Clerk O'Brien: "791. A Bill for an Act in relation to the registration of plumbing contractors. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to the Amendment?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. Representative Schlickman, time now having arrived, 775."

Clerk O'Brien: "House Bill 775. A Bill for an Act to regulate the practice of public accounting in the public interest. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Is there any motion with respect to Amendment #1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "How about the fiscal note request? Is there Amendment from the floor?"

Clerk O'Brien: "I do have an Amendment from the floor. Amendment #2, Schlickman. Amends printed House Bill #775 on page 6 in line 6 and so forth."

Speaker Redmond: "Representative Schlickman."

Schlickman: "Mr. Speaker, Members of the House, Amendment #2 is in three parts. One part is simply housekeeping. The second part is in response to a request from the Illinois Agricultural

Association that there be an express statement that it's lawful for nonprofit cooperative associations to render an auditing and accounting service to its members only. The third part, Mr. Speaker and Members of the House, is in response to a request from a member of the Veteran's Affairs Committee that there be an absolutely unqualified, express statement that nothing in this Act would prohibit a non-C.P.A. from advertising him or herself as an accountant. I move for the adoption of Amendment #2 to House Bill 775."

Speaker Redmond: "Representative Madigan, for what purpose do you rise? The question's on the Gentleman's motion for the adoption of the Amendment. Those in favor say 'aye', opposed 'no'. The 'ayes' have it. The Amendment's adopted. Any further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Representative Schlickman."

Schlickman: "Mr. Speaker, Members of the House, when House Bill: 775 was introduced, it provided for the creation of a new seven-member Board of Accountancy to administer the Act. By Amendment #1, this Section was deleted so that the administration of the Act remains in the Department of Registration and Education. Thereby, avoiding that fiscal impact. Therefore, Mr. Speaker and Members of the House, inasmuch as a fiscal note was filed and I believe it was filed on account of a Bill as it was introduced rather than as amended, I would now move that a fiscal note is not necessary."

Speaker Redmond: "The question's on the Gentleman's motion. Those in favor say 'aye', opposed 'no'. The 'ayes' have it. The motion carries. Any further Amendments of any kind?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Land, sea or air? Third Reading. 806."

Clerk O'Brien: "House Bill 806. A Bill for an Act to protect the interests of potential real estate renters. Second Reading of the Bill. Amendment #1 and 2 were adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment 1 and 2? Representative Holewinski seek recognition?"

Holewinski: "Mr. Speaker, I think we're waiting for another Amendment on that Bill, so I'd prefer keeping it on Second Reading."

Speaker Redmond: "Out of the record. 866, 866. 886 they tell me.

You mean Representative Leinenweber's Bill? What do you want?"

Clerk O'Brien: "House Bill 886. A Bill for an Act increasing the salary of Judges. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to that Amendment?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. 879."

Clerk O'Brien: "House Bill 879. A Bill for an Act to amend Sections of the Uniform Hazardous Substance Act. Second Reading of the Bill. Amendment #1 was adopted...it was read previously and Amendment #1 was adopted on the floor."

Speaker Redmond: "Any motion with respect to that Amendment?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "No motion pending with respect to any Amendment. Is that correct?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "The fiscal note has been filed."

Clerk O'Brien: "Fiscal note is filed."

Speaker Redmond: "Third Reading. 890. Representative Ebbesen, do you seek recognition? Representative Ebbesen seek recognition? 890."

Clerk O'Brien: "House Bill 890. A Bill for an Act to amend Sections of an Act relating to emergency services and disaster operations. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 907."

Clerk O'Brien: "House Bill 907. A Bill for an Act to create the Alcoholism Treatment Fund. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. Floor Amendment is not printed. Is

that correct, Mr. Clerk?"

Clerk O'Brien: "That's correct."

Speaker Redmond: "On 909? 917."

Clerk O'Brien: "House Bill 917. A Bill for an Act to amend the Illinois Public Aid Code. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 927."

Clerk O'Brien: "House Bill 927. A Bill for an Act to amend Sections of an Act concerning public utilities. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. 933."

Clerk O'Brien: "House Bill 933. A Bill for an Act to amend the Revenue Act. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to that Amendment?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor? Out of the record. 936."

Clerk O'Brien: "House Bill 936. A Bill for an Act to amend Sections of the Illinois Vehicle Code. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 941."

Clerk O'Brien: "House Bill 941. A Bill for an Act to amend Sections of an Act creating the Board of Higher Education. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment 1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. 948."

Clerk O'Brien: "House Bill 948. A Bill for an Act restricting lie detector tests and similar tests for public and private employees. Second Reading of the Bill."

Speaker Redmond: "Out of the record. The Amendment not printed. 956. Representative D.L. Houlihan."

D. Houlihan: "Amendments have been filed on 956, 57, and 58. I don't believe they're printed as yet."

Speaker Redmond: "56, 57, 58 out of the record. 983."

Clerk O'Brien: "House Bill 983. A Bill for an Act making an appropriation for the ordinary and contingent expense of the Illinois Industrial Pollution Control Finance Authority. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment #1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. 984."

Clerk O'Brien: "House Bill 984. A Bill for an Act creating a Board of Higher Education. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 985."

Clerk O'Brien: "House Bill 985. A Bill for an Act to amend Sections of an Act relating to alcoholic liquors."

Speaker Redmond: "Representative Peters."

Clerk O'Brien: "Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Representative Peters, for what purpose do you rise?"

Peters: "Mr. Speaker, if I might call your attention and that of the Clerk to correct the Calendar in regard to the content of House Bill 984. That is not an appropriation Bill and it does change the Administrative Act."

Clerk O'Brien: "983 should be in bold type and not 984."

Peters: "Mr. Clerk, what it says that 984 does is also not correct."

So if you might just check into that, the content of the Bill itself."

Speaker Redmond: "Thank you very much. Are there any Amendments from the floor on 985?"

Clerk O'Brien: "No Amendments."

Speaker Redmond: "Third Reading. 986."

Clerk O'Brien: "House Bill 986. A Bill for an Act to amend the Illinois Insurance Code. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 987."

Clerk O'Brien: "House Bill 987. A Bill for an Act to amend Sections of the Capital Development Board Act. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 1001."

Clerk O'Brien: "House Bill 1001. A Bill for an Act to amend Sections of an Act relating to investigations and prevention of fires. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 1011. Told me to take it out of the record. I called it, I think it was Telcser. I don't know. Telcser or Ryan or Cunningham or Walsh, somebody. I guess maybe you weren't in your seat."

Clerk O'Brien: "House Bill 1011. A Bill for an Act to amend Sections of an Act relating to vacancies in the office of Judge."

Speaker Redmond: "Representative Telcser, for what purpose do you rise?"

Telcser: "Mr. Speaker, I wonder if the Sponsor would take this out of the record. We've got a couple of Amendments awaiting..."

Speaker Redmond: "Representative Getty."

Telcser: "...talk to Representative Getty about it."

Speaker Redmond: "Okay, out of the record."

Telcser: "There's no... we've got no rush..."

Speaker Redmond: "Out of the record. 933. Representative Getty."

Getty: "Mr. Speaker, I'd prefer to go to Third and if Representative Telcser has something, I'd be more than happy to talk to him about it. But I'd like to have my Bill move ahead."

Speaker Redmond: "Representative Telcser, for what purpose do you rise?"

Telcser: "Mr. Speaker, I wonder if we could have some order in the chamber now."

Speaker Redmond: "What was that?"

Telcser: "Could we have some order please?"

Speaker Redmond: "Representative Telcser, proceed."

Telcser: "All right, Mr. Speaker, we're in a very serious time problem right now. There are going to be Members of the House who are going to want the opportunity to offer Amendments on Second Reading. Now the Reference Bureau with the number of Bills coming out of Committees at such a rapid rate right now, the Reference Bureau finds it impossible to prepare Amendments. Now the Gentleman from Cook for whom I have the highest regard, hasn't said he would take it back to Second so we could offer Amendments. If he would do that, I would appreciate it or hold it. But to make a statement that he will talk to us really is not a promise and I don't think that's really fair, Mr. Speaker, to have any Member of the House, regardless of the piece of legislation, not give this Assembly the opportunity on Second Reading to participate in the process. I wonder if the Gentleman would please, sincerely tell us he'll take it back to Second or ask that it be taken out of the record for one more day."

Speaker Redmond: "Representative Getty."

Getty: "Well, Mr. Speaker, I believe it's my right to have it moved to Third Reading and I told Representative Telcser that I'd be more than happy to talk to him about any Amendment that he might have on that. But it's in the form that I feel the Bill should be in now. I have no Amendments that I'm contemplating, but I'd be happy to talk with him about it. I'd ask to have it moved to Third."

Speaker Redmond: "Representative Ryan."

Ryan: "Well, Mr. Speaker, as you well know, we're under a very heavy

load here. This is not an unreasonable request and I would certainly hope in your air of fairness that you would continue along those lines. The Reference Bureau has not been able to produce these Amendments fast enough and that's not our fault. And I think that if we're going to get along here like we have in the past, that the best thing that could happen would be to take that Bill out of the record and I wish you'd lean on your Member just a little bit to do that."

Speaker Redmond: "I've been advised by the Parliamentarian that the correct procedure is that Mr. Telcser move that the Bill be held on the Order of Second Reading. We put it to a vote and it takes 89 votes. The question is on Representative Telcser's motion that House Bill 1011 be, remain on the Order of Second Reading. All those in favor of the motion... Representative Telcser, you seek recognition?"

Telcser: "Can I speak to the motion, Mr. Speaker?"

Speaker Redmond: "Proceed."

Telcser: "Mr. Speaker, Members of the House, I'm truly, truly very sorry and very surprised that Representative Getty has not given this Assembly, that is, every Member of the Assembly an opportunity on Second Reading to address themselves to House Bill 1011. Frankly, I find it terribly unusual and almost shocking. Mr. Speaker and Members of the House, all of you in this Assembly should vote for my motion because you are being denied the right to participate in Second Reading on any Bill. If the Reference Bureau is unable, if the Reference Bureau is unable to draft the Amendments in time, in a week such as this, that means you are going to be denied the opportunity to participate in Second Reading. I just can't imagine why the Gentleman won't give us the chance to offer an Amendment. Now, Mr. Speaker and Members of the House, I implore, I ask Representative Getty once again to please reconsider his position, to reconsider what he's doing and give us an opportunity to offer Amendments on Second Reading. Every Member of this House is going to have the same problem. So, Mr. Speaker, I appreciate the opportunity to put my motion and I hope that every Member of the House, every Member of the House, will vote 'yes' on my motion

to keep this Bill on the Order of Second Reading."

Speaker Redmond: "The question's on the Gentleman's motion. All those in favor of the motion... Representative Getty."

Getty: "Mr. Chairman, I just think that I have to respond. Amendments don't have to be approved by the Reference Bureau. And if Representative Telcser had wanted to file an Amendment, he well could have done it at any time since it was voted out of Committee. I know he knew it was voted out and I had indicated to him at that time that if he had something, to talk to me. Nothing's been filed; it's been three days, and I think I'm entitled to have the Bill moved along. And I hope the Membership will support me in letting my Bill be moved along. There's been no Amendment filed. And I also have told Representative Telcser that if he has something, I'd be more than happy to talk to him about it. However, the Bill's in the form that I desire it to be in. And I hope you'll support me in letting my Bill go to Third Reading. If Representative Telcser has something, let him put his Bill in."

Speaker Redmond: "The question's on the Gentleman's motion. Those in favor vote 'aye', opposed vote 'no'. Takes 89 votes. All voted who wished? Representative Geo-Karis, are you seeking recognition? Have all voted who wished? Representative Tipsword. Representative Bradley, I can't see Representative Tipsword."

Tipsword: "Mr. Speaker, I have a point I'd like to raise with you as soon as you've completed this order of business, this matter of business."

Speaker Redmond: "Have all voted who wished? Have all voted who wished? Clerk will take the record. Representative J.J. Wolf."

J. Wolf: "Mr. Speaker, I want to explain my vote. I'm sorry to see this get in kind of a partisan vote up there because it is really not a partisan issue. The issue before this House is whether or not we're going to be allowed to offer an Amendment. Now, that could happen to any one of us be we Democrat or Republican. I think it's been pointed out that the Reference Bureau with its tremendous workload just can't get these Amendments out and printed fast enough and this could happen to either one of us, any one of us tomorrow. And I would certainly hope that a few more people

would consider this and vote green on this motion. It's a good motion. It's a good thing to support. It is certainly not partisan. It is a problem that we all face in getting our Amendments out of that Reference Bureau. And I would hope to see a few more green lights up there."

Speaker Redmond: "Have all voted who wished? Clerk will take the record. On this question there's 82 'aye', 66 'no'. Representative Telcser."

Telcser: "Mr. Speaker, I have filed in writing with the Clerk a motion to commit House Bill 1011 to the Judiciary I Committee. Mr. Speaker, I'd like to make that motion and when you recognize me, speak to it."

Speaker Redmond: "Representative Lechowicz."

Lechowicz: "Mr. Speaker, what order of business are we?"

Speaker Redmond: "What was that?"

Lechowicz: "What order of business are we?"

Speaker Redmond: "Second Reading."

Lechowicz: "Is that motion in order?"

Speaker Redmond: "Announce that this motion fails. Representative D.L. Houlihan. Representative Lechowicz."

Lechowicz: "If the motion is in order, I move to table that motion."

Speaker Redmond: "Representative Telcser, where's your motion. Is it in writing? Is that his signature. We're glad you came up because we couldn't identify the signature, Representative Telcser. Representative Telcser has moved to commit to Judiciary I... I don't know what you're moving to commit because there's no number of any Bill on here. You've struck out, strike the enacting clause from House Bill 1011. That's all out. Representative Telcser."

Telcser: "Mr. Speaker, that's a printed piece of paper where we scratched that off. We wrote... it's in writing that I move to commit House Bill 1011 to the Judiciary I Committee."

Speaker Redmond: "Okay, the question's on the Gentleman's motion. Is there any discussion?"

Lechowicz: "Move to table, Mr. Speaker."

Speaker Redmond: "Representative Telcser has moved to recommit House Bill 1011 to Judiciary #1. Representative Lechowicz has moved that

that motion lie on the table. The question is on Representative Lechowicz' motion to lie on the table. Representative Kane, for what purpose do you rise? Kane."

Kane: "Parliamentary inquiry, Mr. Speaker. How many... what's the vote required to..."

Speaker Redmond: "Simple majority. The question's on Representative Lechowicz' motion to lie the motion of Representative Telcser on the table. Representative Telcser."

Telcser: "Mr. Speaker, Members of the House, there are two issues involved with the Gentleman..."

Speaker Redmond: "Representative Lechowicz, for what purpose do you rise?"

Lechowicz: "Point of order, Mr. Speaker. It's nondebatable."

Speaker Redmond: "That is correct. The question is on the Gentleman's motion. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? All voted who wished? Have all voted who wished? Have all voted who wished? Have all voted who wished? Have all voted who wished? Have all voted who wished? Representative Telcser, for what purpose do you rise?"

Telcser: "Simply to state, Mr. Speaker, I'm going to ask for a verification of the Roll Call. But before you announced it, I wanted to tell you that. I also want to say, Mr. Speaker, Mr. Speaker."

Speaker Redmond: "Proceed."

Telcser: "I can't emphasize that I think the Sponsor of this Bill is being grossly unfair to the Members of this House because if he won't give us an opportunity on Second Reading, we're going to find ourselves in this situation on every single Second Reading Bill for the rest of this week, Mr. Speaker. It simply isn't fair for a Sponsor to take advantage of a deadline crunch and not give this Assembly... to participate in the process. I think a few Members of this House ought to be voting 'no' for the rights of everyone to take part in this system and this process. And I want you to know, Mr. Speaker, we're going to have motions filed on all the Bills and verify everything until we can take part in Second Reading in this Assembly."

Speaker Redmond: "Representative Getty."

Getty: "Mr. Speaker, the rules are the same for everybody. Now that Bill has been on the Calendar. I think as a Member of this House, I'm entitled to the courtesy of the protection of the rules just like any other Member. Now that Bill was available to have any Amendments filed just like the rules of this House provide. Not only that I told the Gentleman that if it's moved along, I'd be more than happy to listen to anything he had to say. And I further say and I say again, it's in the form in which I would like to have the Bill. The rules should apply fairly to everyone on this floor. I think this is a very dangerous precedent. A precedent that says when the Bill comes up, if you fail to do your work, you can make some alternative motion and seek to have some other Member's Bill recommitted to Committee. I think this would be a terrible, terrible precedent if this motion were to prevail, if Representative Telcser, rather, would... motion to recommit were to prevail. So I please ask you to join me in tabling that motion."

Speaker Redmond: "Have all voted who wished? Clerk will take the record. On this question there's 85 'aye' and 83 'no'. Representative Lechowicz' motion prevails. Representative Telcser has requested a verification of the Roll Call. Representative Lechowicz."

Lechowicz: "Please poll the absentees, Mr. Speaker."

Speaker Redmond: "The Gentleman has requested a poll of the absentees. Mr. Clerk, will you poll the absentees. Representative Katz, for what purpose do you rise?"

Katz: "To ask that my vote be changed from 'no' to 'aye', Mr. Speaker."

Speaker Redmond: "The Gentleman has requested his vote be changed from 'no' to 'aye'. Representative Bowman. Representative Bowman."

Bowman: "How am I recorded as voting?"

Speaker Redmond: "How's the Gentleman recorded?"

Clerk O'Brien: "The Gentleman's recorded as voting 'no'."

Bowman: "Change my vote to 'aye'."

Speaker Redmond: "Change the Gentleman from 'no' to 'aye'. Representative Pechous. How's the Gentleman recorded?"

Pechous: "Please record me as 'aye'."

Clerk O'Brien: "The Gentleman's recorded as not voting."

Speaker Redmond: "Record the Gentleman as 'aye'. Representative Mugalian."

Mugalian: "How am I recorded?"

Speaker Redmond: "How's this Gentleman recorded?"

Clerk O'Brien: "The Gentleman's recorded as voting 'no'."

Mugalian: "Please record me as voting 'aye'."

Speaker Redmond: "Record the Gentleman as 'aye'. Anyone else seek recognition? Request for the poll of the absentees has been made. Mr. Clerk."

Clerk O'Brien: "Capparelli, Ewell, Kornowicz."

Speaker Redmond: "Representative Ewell."

Ewell: "Mr. Speaker, Ladies and Gentlemen, as a matter of party policy, I'd vote 'aye'. But I think what we're doing is very wrong. We're getting involved in the fights which will do nothing but tear the Assembly apart and destroy any attempt at progress. And I think if Leadership could get together, they could probably work this out so record me as 'aye'."

Speaker Redmond: "Record the Gentleman as 'aye'."

Clerk O'Brien: "Kozubowski, Kucharski, Madison, McAvoy, McBroom. No further."

Speaker Redmond: "Proceed with the verification of the Affirmative Roll Call."

Clerk O'Brien: "E.M. Barnes, Beatty, Birchler, Bowman, Bradley, Brady, Brandt, Breslin, Rich Brummer, Don Brummet, Byers, Caldwell, Chapman, Christensen, Darrow, Corneal Davis, Dawson, DiPrima, Domico, Doyle, John Dunn, Ewell, Farley, Flinn, Garmisa, Getty, Giglio, Giorgi, Greiman, Hanahan, Harris, Hart, Holewinski, Dan Houlihan, J.M. Houlihan, Huff, Jacobs, Jaffe, Emil Jones, Kane, Katz, Kelly, Kosinski, Laurino, Lechowicz, Leverenz, Levin, Lucco, Luft, Madigan, Mann, Marovitz, Peggy Smith Martin, Matejek, Matijevich, Mautino, McClain, McGrew, McLendon, McPike, Mudd, Mugalian, Mulcahey, Murphy, Nardulli, O'Brien, O'Daniel, Pechous, Pierce, Pouncey, Richmond, Robinson, Satterthwaite, Schisler, Schneider, Sharp, Shumpert, Steczo, Stuffie, Taylor, Terzich, Tipsword, Van Duyne, Vitek, Von Boeckman, Willer, Williams, Younge,

Yourell, Mr. Speaker."

Speaker Redmond: "Representative Telcser."

Telcser: "Representative E.M. Barnes."

Speaker Redmond: "Representative who?"

Telcser: "Gene Barnes."

Speaker Redmond: "Representative Gene Barnes is on the floor."

Telcser: "Representative Brady."

Speaker Redmond: "Representative Brady is on the floor."

Telcser: "Representative Brummer."

Speaker Redmond: "Representative Brummer. He's here."

Telcser: "Representative Darrow."

Speaker Redmond: "He's here."

Telcser: "Representative Marovitz."

Speaker Redmond: "Representative Marovitz."

Telcser: "There he is. Representative Domico."

Speaker Redmond: "Representative Domico is here."

Telcser: "Representative Domico there?"

Speaker Redmond: "He's here, yeah."

Telcser: "Oh, I'm sorry. Representative Hart."

Speaker Redmond: "He's here."

Telcser: "Representative Levin."

Speaker Redmond: "Levin. He's here."

Telcser: "Representative Mann."

Speaker Redmond: "Representative Mann here? He's here."

Telcser: "Representative Mautino."

Speaker Redmond: "Mautino is in the back."

Telcser: "Representative Nardulli."

Speaker Redmond: "Representative Nardulli."

Telcser: "I see him. Representative Pierce."

Speaker Redmond: "Representative Pierce is here."

Telcser: "Representative Sharp."

Speaker Redmond: "Representative Sharp is here."

Telcser: "Taylor."

Speaker Redmond: "Representative Taylor is in his seat."

Telcser: "Representative Greiman."

Speaker Redmond: "Greiman's in his seat."

Telcser: "Representative Von Boeckman."

Speaker Redmond: "Von Boeckman. Representative Von Boeckman in his seat? How's he recorded?"

Clerk O'Brien: "The Gentleman's recorded as voting 'aye'."

Speaker Redmond: "Remove him."

Telcser: "Representative Younge."

Speaker Redmond: "Representative Younge. How is Representative Younge recorded?"

Clerk O'Brien: "The Lady's recorded as voting 'aye'."

Speaker Redmond: "Remove her from the Roll Call. Representative Bradley, for what purpose do you rise?"

Bradley: "Mr. Speaker, I wonder if I might be verified now."

Speaker Redmond: "Von Boeckman is here; put him back on the Roll Call. What was your inquiry?"

Bradley: "Art, I was wondering if I could be verified now. All right?"

Telcser: "Fine."

Bradley: "Thank you."

Telcser: "That's all I have, Mr. Speaker."

Speaker Redmond: "What is the tally now, Mr. Clerk? 89 'ayes' and 80 'nays' and the Gentleman's motion prevails."

Telcser: "Mr. Speaker, I have filed a motion with the Clerk to recommit House Bill 1011 to the Executive Committee from whence it came."

Speaker Redmond: "We're now going to the Order of House Bills, Third Reading. House Bill, Third Reading, House Bill 920. I've left Second Reading. We're now on Third Reading. House Bill 920. It'll be called when we return to the Order of Second Reading. Okay, when we get to Second Readings."

Clerk O'Brien: "House Bill 920. A Bill for an Act to amend the School Code. Third Reading of the Bill."

Speaker Redmond: "Representative Lucco."

Lucco: "Mr. Speaker, Ladies and Gentlemen of the House, House Bill 920 changes or amends Section 1020.13 of the School Code which provides free textbooks to children from indigent families to include a waiver of student service fees for regular or required educational services for these children. This includes laboratory, field trip, gym fees, as well as those for graduation. I encourage

an 'aye' vote."

Speaker Redmond: "The question is shall this Bill pass. Those in favor vote 'aye'. Representative Ryan."

Ryan: "Thank you, Mr. Speaker. Will the Gentleman yield?"

Speaker Redmond: "Indicates he will."

Ryan: "Representative Lucco, do you know what the cost of this Bill is?"

Lucco: "Should not cost the state anything. This is a local situation. Most of the local school boards are now doing this. This just makes it assured that local school boards will take care of this. By the way, local school boards under Title I and... Title I are already receiving money from the Federal government to take care of this for children from indigent families so there should be absolutely no cost."

Ryan: "Well if that's the case, then what do we need the legislation for?"

Lucco: "We need the legislation to be sure that all school boards do this and all indigent children are treated the same in all districts."

Ryan: "Thank you."

Speaker Redmond: "The question is shall this Bill pass."

Ryan: "Wait a minute."

Speaker Redmond: "Representative Anderson."

Anderson: "The Sponsor yield for a question?"

Speaker Redmond: "Indicates he will."

Anderson: "Joe, was there anything in this School Code that says we should charge anything, doesn't it say free education or in the Constitution?"

Lucco: "I'm sorry, I did not hear it, Sir."

Anderson: "As far as charging a fee for any part of education, there's nothing in the Constitution or the School Code that says that you can do this."

Speaker Redmond: "Representative Lucco."

Lucco: "If I interpret his question correctly, I really did not get it. All school districts do charge, practically all school districts do charge rental fees, book fees, lab fees, gymnasium fees, locker

and towel fees, and graduation fees. That's a matter of local option."

Anderson: "Yes, but isn't that unconstitutional because it's supposed to be a free education?"

Lucco: "No. It has never been proven to be unconstitutional, Sir."

Anderson: "Aren't we condoning something then that is, you know, not constitutional by doing this?"

Lucco: "No. Until it's proven unconstitutional, I wouldn't say that we have."

Speaker Redmond: "Representative Brady."

Brady: "Yes, Mr. Speaker and fellow Members, I rise in support of this Bill. What this Bill is doing is addressing itself to other items beyond textbooks such as fees which are charged in many areas of our educational process across the board. We have moved into an area where we not only charge in some areas for textbooks, but we have fees which in the case of indigent people, would be very exorbitant and would put the poor children at a great disadvantage. I think that this is necessary to make a statement and mandate this from this Assembly, and I urge your favorable support of this Bill."

Speaker Redmond: "Representative Martin. Representative Martin. I can't see Representative Martin. Somebody's standing between the Representative and the podium. Please sit down."

L. Martin: "Mr. Speaker, we are now again beginning to mandate programs without supplying local districts the monies to pay for these programs. This is something this General Assembly has talked in Committee about. It has said, in general, it does not approve of it. And yet, here we go again. This will mean local school districts thoroughly strapped will have to pay for a state mandate and the state will not kick in a share. I would ask the Sponsor if he knows of any child in the State of Illinois that has not been involved in a program, an indigent child because of any fees. Remember your local districts. When you mandate a program, you cannot mandate programs and not give them financial relief to pay for these programs. I urge a 'no' vote on this issue."

Speaker Redmond: "Representative Hart."

Hart: "Thank you, Mr. Chairman and Ladies and Gentlemen of the House. Actually, I doubt constitutionally that the state can... that the school districts can even impose these fees. They get away with it because nobody objects to it. But in a system of free public education, I doubt that we could legally do it anyway. I think this Gentleman's got a very good Bill and I urge its support."

Speaker Redmond: "Representative Lucco, to close."

Lucco: "In response to a statement which was not a question, this is not a mandated program. The school boards are receiving money for this in regard to various titled programs and all we're asking is that these children are protected and that they are given their deserved right. So I just solicit an 'aye' vote."

Speaker Redmond: "The question is shall this Bill pass. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there's 104 'aye', 105 'aye' and 35 'no' and the Bill having received the Constitutional Majority is hereby declared passed. 929."

Clerk O'Brien: "House Bill 929. A Bill for an Act creating the Commission on the Organization of the General Assembly and defining its duties. Third Reading of the Bill."

Speaker Redmond: "Representative Katz."

Katz: "Well, House Bill 929 recreates and extends the Commission on the Organization of the General Assembly. You will recall that this Commission has made many recommendations adopted for improving the lot of Illinois Legislators and the way in which legislative business is conducted. More recently, it published the book on opportunities in state government, making available to Legislators and to other persons available positions. There is no appropriation involved. The Commission has not spent any public funds for a number of years. I would urge the adoption and passage of House Bill 929."

Speaker Redmond: "Representative Kane."

Kane: "Would the Sponsor yield for a question? Is this the Commission that recommended deadlines for the General Assembly that's causing all the problems we're having right now?"

Katz: "Well, it is the Commission that recommended deadlines, but the problems you're talking about result from human nature, not from the acts of the Commission."

Speaker Redmond: "Any further discussion? Representative Schlickman."

Schlickman: "Would the Sponsor yield? In terms of powers and duties, how does the content of this Bill, House Bill 929, compare with the previous enabling legislation?"

Katz: "The duties are the same as those that were in the last legislation. In the original legislation that was adopted in the, by the 74th General Assembly, the duties were much broader. After that, it became a question simply of implementing and monitoring the adoption of various recommendations and they have been very limited since then. There has been no appropriation of any state funds to the Commission since the initial year in the 74th General Assembly. Since then, the Commission has operated at a low-key level. The only funds that it has used has been funds that were originally given by private foundation in the 74th General Assembly to the Commission. No public funds have been expended since that time."

Schlickman: "What is the total amount of appro... or excuse me, total amount of expenditures of this Commission during the past year? And what was the total amount of receipts?"

Katz: "Well, there were no receipts other than interest of a small amount that accumulated on about fifty-five hundred dollars in funds that the Commission had from money that was given to it by foundations in 1974. I do not have the exact figures on the expenditures within the last year. It is still somewhat active in terms of expenditures because the money that was used to pay for the paper and for some other expenses incidental to the publication, Opportunities in State Government, have been paid from the Commissions accumulated fund. That has been a very popular book, booklet and indeed is in its second edition. I will be very glad to give you the exact amount of the expenditures. I would estimate them, however, at around twenty-five hundred dollars in all."

Schlickman: "Does that figure include the cost of the publication to which you've referred?"

Katz: "Yes, that is correct. That would be my estimate of the total amount of expenditure during the last fiscal year."

Schlickman: "One more question if I may, Mr. Speaker."

Speaker Redmond: "Proceed."

Schlickman: "It's been my understanding with respect to C.O.G.A. that it's objection was to analyze the operations of the General Assembly and make recommendations with respect to the operations. Is that correct?"

Katz: "Originally, it made about ninety-seven recommendations as I recall, Representative Schlickman. Since that time, however, it is not engaged in just going out and making recommendations of what it sees. The provision in the statute says that it will make recommendations or conduct studies only as matters are assigned to it by the General Assembly or be its Leadership. The activities this past year involved the publication of the opportunities book and simply monitoring the changes made. But there were no new assignments to it and I have... the Members of the Commission have tried to avoid being an overall Commission that rides off in all directions at once. It acts only when the General Assembly directs it to in terms of new projects. And since it was not given any during the past year, its activities have been involved in the publication of the booklet, Opportunities in State Government, and also in terms of monitoring the recommendations originally made by the Commission."

Schlickman: "Well, don't you think that the Commission on the Organization of the General Assembly is going far afield when it starts promoting employment in state government?"

Katz: "Well, it is not..."

Schlickman: "In the Executive Branch, not the Legislative Branch."

Speaker Redmond: "Representative Kane, for what purpose do you rise?"

Kane: "Point of order. This is becoming a dialogue."

Speaker Redmond: "I think you're right and we don't like dialogues."

Schlickman: "May I speak to the question, Mr. Speaker?"

Speaker-Redmond: "What'd you say?"

Schlickman: "May I speak to the Bill?"

Speaker Redmond: "Yes, yes, yes. Please do."

Schlickman: "Well, Mr. Speaker and Members of the House, it's about 5:40 and shortly we're going to have a sunset in Illinois. It seems to me that with respect to this Commission which has been in existence since 1965, there ought to also be a sunset. Now, Mr. Speaker and Members of the House, we have a Rules Committee. We have a large staff assisting the operation of this House as well as a large staff in the Senate assisting it. I think, Mr. Speaker, Members of the House, we've had enough with respect to analyzing the General Assembly and it's operation. I think, Mr. Speaker and Members of the House, based on the admission of the Sponsor of this Bill that this Commission hasn't been asked to do anything and it has to by its own initiative, develop programs to justify its existence such as the publication of a book describing to people opportunities for employment in state government simply doesn't want its continues existence. And for these reasons, Mr. Speaker and Members of the House, I urge a 'no' vote on House Bill 929."

Speaker Redmond: "Representative Skinner."

Skinner: "Mr. Speaker, would the Sponsor yield to a question?"

Speaker Redmond: "He will."

Skinner: "Mr. Sponsor, about the time that I was trying to get some printing done by the Legislative Council and was denied that privilege, I heard the rumor that the book about which we are holding this discussion was printed without the authorization of your Commission. Is that correct?"

Katz: "No, it is not correct. As a matter of fact if the Gentlemen will direct themselves, both the two previous speakers, to the Bill, they will see that, in fact, the Commission was directed by the General Assembly in subparagraph 3 to make available to the public information regarding opportunities for participation in state government. That was the directive of this General Assembly. This Commission has not spent any public funds. It is doing precisely what the statute directs it to do and I understand the Gentlemen to object to the fact that we are not spending any public funds, that we are doing only what the statute directs us to do. I do not believe that that is a very valid basis of objection and I would urge the Members of the General Assembly to recreate what

has been a useful Commission that has spent no public funds and has quietly tried to do its bit to improve legislative operations and too, in accordance with subparagraph 3 of section 2, made available to the public information regarding opportunities for participation in state government."

Skinner: "At what meeting date was this printing authorized? Where may I find in the minutes that it was authorized?"

Katz: "I do not have any copies of any minutes, Mr. Skinner. I'd be very happy to discuss the subject with you. A majority, an overwhelming majority of the Members of this Commission favored doing what the state directed it to do. This Commission has not tried to prevent you in any way from having anything that you had printed in the council. You shouldn't blame this Commission for any problem you may have had with the council. This Commission was not responsible for your not getting something printed. We did the very best that we could and I would be very happy to have the Members vote whatever they want with regard to the Commission. It is not an empire-building operation as witness the fact that it has not had an appropriation of funds since 1965."

Skinner: "Was the printing of this pamphlet approved in the minutes of the meeting prior... was it approved as a... and appears as approved in the minutes prior to the time that the job order was placed with the Legislative Service...Legislative Council Service Unit?"

Katz: "I am really not sure, Mr... first of all, Mr. Skinner, as to when an order was placed with the Legislative Service Unit. I would want to point out to you that if you will look at the publication, you will see that it is a joint publication of the Commission and of the Illinois Legislative Council. The Council was a copublisher of this book and gathered together the material. I am really not able to understand your concern about all this with all of the state money that is being spent everywhere. This is the one project that involves no expenditure of state funds. And hence, I find it strange that you are so concerned about this little Commission that has not had any expenditure, any appropriation of state funds in twelve years."

Skinner: "Mr. Speaker, if I might address the question. I would like to apologize to the Membership, at least any of them that think that any questions that I have asked required more than a 'yes', 'no' answer as with three of the questions and one just required a date. I did not think this would take five minutes of time. Apparently, I'm asking the question... apparently, the question I'm asking and that is was the printing of this pamphlet authorized by anybody, does not receive an answer from anybody. Perhaps Representative Mudd could rise and tell us whether the Legislative Council on its own authorized the printing of this pamphlet. It certainly wasn't printed for free. So I don't know whose budget it came out of, but I'm sure curious."

Speaker Redmond: "Representative Jim Houlihan."

J. Houlihan: "Mr. Speaker and Ladies and Gentlemen of the House, will Representative Katz yield for a question?"

Speaker Redmond: "He will."

J. Houlihan: "Representative, is there any reason that this Commission is considered separately from all of the other Commissions? As you know, we have in the Appropriations Committees I and II, Subcommittees to evaluate the Legislative Commissions and to try to evaluate their effectiveness and review their productivity over the past year and then to report those out in one Omnibus Bill. so they can be all considered together."

Katz: "The House Executive Committee, Representative Houlihan, heard this Bill and the House Executive Committee recommended that the Bill do pass. As I have explained to you and to others here, there is not involved any expenditure of state funds with regard to this Commission. You will really have to speak to the House Executive Committee, I guess, as to why they unanimously, as I recall it, recommended this Bill out do pass. They were the ones who recommended it do pass and all I'm really trying to do is to get the House to follow the recommendation of its Executive Committee that this Bill be reported as passed by the General Assembly."

Speaker Redmond: "Representative McAuliffe. McAuliffe, you seeking recognition?"

McAuliffe: "Mr. Speaker and Ladies and Gentlemen of the House, I find

myself in the strange position of supporting Representative Katz. The book that he put out was a very good reference to find patronage jobs and put people to work in the Republican administration. And I want to congratulate him on publishing that book and I'm going to vote for his Bill."

Speaker Redmond: "Representative Mudd, in rebuttal."

Mudd: "Mr. Chairman, I'd move the previous question."

Speaker Redmond: "The Gentleman has moved the previous question. The question is shall the main question be put? All those in favor say 'aye', opposed 'no'. The 'ayes' have it. Representative Katz, to close."

Katz: "There have been too many words already, Mr. Speaker. I would simply ask for an 'aye' vote to reestablish, create this Commission which involves no expenditure of state funds."

Speaker Redmond: "The question is shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there's 119 'aye' and 19 'no'. And the Bill having received the Constitutional Majority is hereby declared passed. 930, Representative McGrew. That your first Bill, Representative Kent?"

Clerk O'Brien: "House Bill 930. A Bill for an Act to amend the School Code. Third Reading of the Bill."

Speaker Redmond: "Representative McGrew."

McGrew: "Thank you very much, Mr. Speaker and Ladies and Gentlemen of the House. House Bill 930 amends the School Code as it relates to the election of school boards. As you may know, now every member that files a petition to run for the school board gets all of the gross mailings from the State Board of Elections telling them what they must do, how much they must file for their campaign disclosure and so on and so forth. Nearly all of the districts around the state do not have campaigns that expend a thousand dollars. I don't know why they were included in the first place, but in lieu of taking them completely out of the form, what I did is say that if they spent over a thousand dollars, they still have to comply. But instead of receiving such information from the

State Board of Elections, they would receive a letter, a certified letter as amended for Representative Walsh, a certified letter saying that if they plan to expend over a thousand dollars, they must file. I move for its adoption."

Speaker Redmond: "Is there any discussion? The question is, shall this Bill pass? All those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? Clerk will take the record. On this question, 147 'aye' and 1 'no'. And the Bill having received the Constitutional Majority is hereby declared passed. 931."

Clerk O'Brien: "House Bill 931. A Bill for an Act to amend the Fair Employment Practice Act. Third Reading of the Bill."

Speaker Redmond: "Representative J. Davis."

J. Davis: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. House Bill 931 as amended seeks to exempt certain client relationships of rehabilitation facilities from the Fair Employment Practices Act. The accepted categories under House Bill 931 would be those persons in rehabilitation facilities, both public and private, that are in the following categories: a) An evaluatee—a person that's in a diagnostic program for as much as up to twenty-six weeks. b) A trainee—a person who was a result of the evaluation process and to implement the diagnostic findings can be trained for up to one year in that same facility. c) a work activity client or one who is in a day care therapeutic setting for whom work inconsequential and who receives no direct remuneration for therapeutic work performed. These exemptions would relieve a significant financial and administrative burden from those rehab. units who are servicing these clients. The bulk of these facilities are funded through private solicitations, public grants and operating revenue of employees who do not fall into the above categories and hence, would not be accepted from the Fair Employment Practices Act. This Bill is supported by the Department of Mental Health, by the Division of Vocational Rehabilitation, by the Association of Rehabilitation Institutes. I am unaware of any opposition to the Bill and it passed through Labor and Commerce with a unanimous do pass vote. So I would urge

your favorable vote on House Bill 931."

Speaker Redmond: "Any discussion? The question is... Representative Lechowicz."

Lechowicz: "Will the Sponsor yield to a question, Mr. Speaker?"

J. Davis: "Yes, indeed."

Lechowicz: "Could you tell me how many people are included in that category as far as inmates and clients?"

J. Davis: "Well, we're not really talking about inmates here, Representative Lechowicz. I don't have the exact number because..."

Lechowicz: "...employ inmates to provide services."

J. Davis: "I beg your pardon? I'm sorry, I didn't understand."

Lechowicz: "What I have, there are cases where rehabilitation facilities employ inmates to provide services. Therefore, there are situations where an inmate is also a client of the rehabilitation facility. This Bill would exclude such inmates from the Fair Employment Practices Act. I'm just asking how many people fall into this dual category?"

J. Davis: "Well, it's a fluid number, Representative Lechowicz, simply because if you'll note the categories, they can only remain in the first two for a limited period of time. So that consequently if they are trainable or developable into the employee category and can seek gainful employment either outside of the sheltered workshop or within the sheltered workshop, they move into the employee classification. Therefore, become covered under the Fair Employment Practices Act. The only exclusion would be the work activity client who would be in a therapeutic day care situation who would have no consequential work. It's simply a therapy situation. At any given time, it depends on the population of the rehabilitation facility or the sheltered workshop. Now, the Association of the Rehabilitation Institutes around the State of Illinois, particularly in sheltered workshops number probably in the neighborhood and I've got to guess here, Representative, in the neighborhood of fifty to sixty with an average population of... in diagnostic or in these categories with maybe twenty or twenty-five fluidly running through at that point in time. So perhaps some one thousand to twelve hundred at any given point in time,

but they are constantly moving out of that situation and into the work area where they would be covered or they would be not qualified at all. And they would be put into a work activity situation where their work would be inconsequential. Does that answer your question, Sir?"

Lechowicz: "Well, you're talking about fifty to a hundred people?"

J. Davis: "No, Sir. I said it could be as high as a thousand to twelve hundred people in all three categories at any given time depending on the referrals from the Department of Mental Health and the Division of Vocational Rehabilitation."

Lechowicz: "All right, thank you."

Speaker Redmond: "Any further discussion? Representative Satterthwaite."

Satterthwaite: "Will the Sponsor yield?"

J. Davis: "Yes, indeed."

Satterthwaite: "Representative, is this intended to take these particular categories of people outside of the Fair Employment Practices Act for the amount of reimbursements for the work which they are doing?"

J. Davis: "No, that is not the intention. Evaluation clients and the trainee clients are not paid at this point in time, nor are the work activity clients, do not receive remuneration except while they're in training, there may be remuneration. It will accept those. We're only talking about the 'fringe benefit' package that applies to these categories."

Satterthwaite: "So that you are saying that even if your Bill passes the amount of money that someone in a sheltered workshop situation is now receiving would not be influenced by this Bill?"

J. Davis: "It certainly would not be influenced. In fact, that is not the intent of the Bill at all. The intent of the Bill is to relieve the financial and administrative burden of the fringe benefits for those clients who are really in a temporary nature. If they are placed permanently outside the sheltered workshop, obviously... where they are placed outside, obviously they fall into the civil employment situations where they would be covered. If they remain within the sheltered workshop with a job function and remove from these categories, they will be paid and they will

fall under the Fair Employment Practices Act. We're only exempting diagnostic, training and work activity clients. You must understand the three categories."

Satterthwaite: "But your trainee category could last for as long as a twelve-month period."

J. Davis: "That is indeed true. It could possibly last that long, yes."

Satterthwaite: "And in many cases, particularly with the developmentally handicapped person, it would last that long."

J. Davis: "It is possible, yes."

Satterthwaite: "Now, during that twelve-month period of traineeship, what happens to the money that they would otherwise qualify for in this job that they're doing?"

J. Davis: "Salaries are not affected by this Bill."

Satterthwaite: "Thank you."

Speaker Redmond: "Anything further? Representative Davis, to close."

J. Davis: "I simply urge a 'yes' vote on House Bill 931."

Speaker Redmond: "Representative Barnes, are you seeking recognition? Pardon me. Barnes. Gene Barnes."

E. Barnes: "Thank you very much, Mr. Speaker. Would the Sponsor yield to a question?"

Speaker Redmond: "He will."

E. Barnes: "Representative, I'm not quite clear on the exemptions that you will be giving to the employees under the Act. Could you run that by me just one more time?"

J. Davis: "In terms of what?"

E. Barnes: "In terms of who would be exempt and the purpose for the exemptions."

J. Davis: "Well, the purpose for the exemptions, once again, is financial and administrative. The categories exempted and one would have to... if you have a sheltered workshop in your district, I suggest, Representative Barnes, that you visit them or contact them sometime. You'll find that most sheltered workshops in conjunction with D.M.H. and particularly D.V.R., have continual and on-going diagnostic programs in which they have referrals for evaluation purposes to induce a work program for or a possible work program for gainful employment outside the sheltered workshops. It

is purely a diagnostic tool and that is the category of the evaluatee. When that evaluation is done at that point, they can become either placed outside the workshop or go into a training classification for placement outside the workshop or within the workshop. If neither of those two plans are viable to the diagnostic process, they become what the sheltered workshops or day care centers, therapeutic day care centers would classify as a work activity client. In other words, the developmental disability is so severe that the work performed will be inconsequential. It is a day care therapy situation. Those are the only three categories we're talking about. When a client is moved into finally sheltered workshop employment on a permanent basis or placed outside the sheltered workshop in civilian employment, then of course, they fall under the Fair Employment Practices Act."

E. Barnes: "So this, in effect, would exempt them solely for the period they are in training which, I believe you said could be up to a year but normally not more than a twelve-month period."

J. Davis: "It will never be more than a twelve-month period and indeed is oftentimes and I say this without benefit of specifics, but oftentimes much less."

E. Barnes: "Thank you."

Speaker Redmond: "Now, Representative Davis, to close."

J. Davis: "I have talked at length to the Bill. I'd just urge your favorable Roll Call vote on House Bill 931."

Speaker Redmond: "The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. James Houlihan, are you seeking recognition? Have all voted who wished? Have all voted who wished? Clerk will take the record. On this question there's 148 'aye' and no 'nay'. And the Bill having received the Constitutional Majority is hereby declared passed. Inasmuch as there are Committee meetings set for seven o'clock, I think we should start winding down now. Any Committee that desires to make an announcement? Representative Hudson."

Hudson: "Well, thank you, Mr. Speaker. Could I have leave to be recorded as voting 'no' on House Bill 929?"

Speaker Redmond: "Does the Gentleman have leave? Hearing no objection."

leave is granted. Representative Tipword."

Tipword: "Mr. Speaker, there were... I have three Bills -- 956, 957 and 958. They were on Second Reading and there's a motion, I found out after you had passed them by and I didn't know why for a fiscal note filed. Those Bills relate solely and only to expenditure of county and township funds. And the Fiscal Note Act relates solely and only to the expenditure of state funds or an effect upon the revenues of the State of Illinois which those Bills would not have. And I would move that... I would ask the Speaker that those requests for fiscal note be ruled to be out of order."

Speaker Redmond: "Who requested the fiscal note, Mr. Clerk? 956, 957 and 958, it's reported to me that a request for a fiscal note had been filed and I took them out of the record. D.L. Houlihan."

D. Houlihan: "Well, the reason they were taken out of the record, Mr. Speaker, is that I informed the Clerk that Amendments had been filed but they hadn't been printed to each of those three Bills."

Speaker Redmond: "Representative Tipword."

Tipword: "Well, I'm not asking about that. I don't care about that. I'll hold them on Second Reading. I don't necessarily agree with the Amendments, but the Amendments should be heard in this House. All I'm asking is there is a request for a fiscal note I was advised by the Clerk."

Speaker Redmond: "Is there a request? ...them, Representative Tipword. I may be in error or maybe it was the Amendments being requested. Representative Matijevich."

Tipword: "They were... I was advised by the Clerk..."

Matijevich: "Mr. Speaker, I don't think you're hearing him."

Speaker Redmond: "We're going to check and see. Representative Matijevich."

Matijevich: "He's moving that... no fiscal... the Fiscal Note Act is not applicable. Isn't that right, 'Tip'?"

Speaker Redmond: "Well, we don't even know for sure whether one was requested so we're going to try and find that out. I told Representative Tipword that... was and I don't know whether I'm right on that now. Representative Lechowicz, for what purpose do you rise?"

Lechowicz: "Speaker, I believe a fiscal note was asked by Representative Dawson on those three Bills. I don't see him on the floor now, but I'm sure that he'd agree with your ruling."

Speaker Redmond: "Representative Tipsword."

Tipsword: "Mr. Speaker, the Fiscal Note Law applies only to the expenditure of state funds or the reduction of state revenues. These are county and township Bills."

Speaker Redmond: "You're not going to get any argument with me on that, but we're trying to find out what the facts are. Just the facts. Representative Hart."

Hart: "Two things. First, I'd like leave of the House to suspend the posting rules so that my Subcommittee on House Bill 1000 can meet Friday at eleven o'clock. I have checked this out with the people involved and there is no objection to it."

Speaker Redmond: "Is there any objection? Hearing none, leave is granted. Representative..."

Hart: "Secondly, the House Committee on Financial Institutions will have its final meeting of the... session on House Bills tomorrow morning on the House floor promptly at nine o'clock. We have such issues as branch banking, the regulation of currency exchanges, and a few other minor matters to come before the Committee. I'd like to have a full attendance promptly at nine o'clock so that we can dispose of our business."

Speaker Redmond: "Representative Pierce."

Pierce: "First, Mr. Speaker, I'd like a leave, unanimous consent to suspend Rule 18(j) which limits posting to fifty Bills as we have over seventy Bills for the last meeting of Revenue tomorrow. Last Saturday, we met from eight to eleven and at eleven there were no Sponsors there with Bills. I was ready to let it go till four o'clock. No one had any Bills so we adjourned. Now, I need to suspend Rule 18(j) for tomorrow and then I have an announcement. I move, therefore, for leave to suspend Rule 18(j) for the meeting of the House Revenue Committee tomorrow only."

Speaker Redmond: "The Gentleman have leave to suspend the provisions of Rule 18(j)? Representative Madigan."

Madigan: "Mr. Speaker, is the Gentleman moving to suspend the fifty

Bill posting limitation and I would move to amend that to make it apply to all Committees for the remainder of the week?"

Speaker Redmond: "You've heard Representative Pierce's motion and the Amendment of Representative Madigan. Is there any objection? Hearing none, leave is granted. Representative Tipsword, I've been advised that there has been no request for a fiscal note on your Bill. A difference of opinion. Mr. Clerk, the Assistant Clerk says that there isn't any and the Clerk says that it's been withdrawn."

Tipsword: "Then I have another issue. If it's been withdrawn, that's fine. I want to leave it on Second because they want to bring in two Amendments."

Speaker Redmond: "Representative Pierce, do you have another..."

Tipsword: "The other thing I wish to ask you about is Representative Stuffle and I have two motions that are on the Calendar which were requested for two days to be heard."

Speaker Redmond: "Representative Byers."

Byers: "Mr. Speaker, I would ask for leave to hear House Bill 258 Subcommittee and suspension of the House rules so we can post that and hear that Thursday morning at ten o'clock."

Speaker Redmond: "Is there objections? Hearing none, leave is granted. Representative McLendon."

McLendon: "Excuse me, the Majority Leader is taking care of it for me."

Speaker Redmond: "Okay, Representative Yourell."

Yourell: "Speaker, I would like to ask leave of the House to suspend the appropriate rule to hear the following Bills in the House Executive Subcommittee on Ethics on Thursday, April 28, 1977, at five p.m. in Room 2M, State Office Building and to hear any of these Bills reported out of the Subcommittee and Executive Committee April 29 at nine a.m. in Room 114. The Bills are as follows: House Bill 162, 526, 607, 1056, 1057, 1701, 1820 and 1871. I have talked this over with the Minority Leader and there is agreement."

Speaker Redmond: "Does the Gentleman have leave? Hearing no objections, leave is granted. Representative Pierce. Representative Yourell."

Yourell: "Also, Mr. Speaker, in reference to my own Committee, Counties

and Townships, I would ask for leave to suspend the appropriate rule so that the following Bills can be heard in the Counties and Townships Committee on Thursday. The Bills are as follows: 442, 1201, 1244, 1776, 1777, 1811, 1860, 1868, 2113, 2134, 2135, 2240, 2251, 2256, 2260 and 2287. I've checked with the Minority Leader and he's in agreement."

Speaker Redmond: "Does the Gentleman have leave? Hearing no objections, leave is granted. Representative Pierce."

Pierce: "Mr. Speaker, there's only one Bill that somehow got lost and I would like leave and got left off the notice list, I would like leave to suspend the rule to post House Bill 927, '922 for the Revenue Committee tomorrow, 932. It's our last day for the Revenue Committee before the House Bills die. House Bill 932, may have leave to hear that tomorrow?"

Speaker Redmond: "Is there any objection? Hearing none, leave is granted."

Pierce: "Just an announcement, too. Tomorrow will be the last meeting of the Revenue Committee. We start at eight o'clock. I'd like to get a quorum there because we should give these Sponsors a chance to have their Bills heard. Let's get there early and we'll meet from eight a.m. to four p.m. and if we do that, we won't have to meet tomorrow night or Saturday."

Speaker Redmond: "Representative Chapman."

Chapman: "Mr. Speaker, the Human Resources Committee will be meeting tonight at seven p.m. in C1. I urge all the Sponsors of Bills which are posted for hearing today to be in the Human Resources Committee, Room C1, meeting at seven o'clock. And I doubly urge the Members of the Committee to be there so that the Sponsors will be given a thorough and satisfactory kind of hearing."

Speaker Redmond: "Representative DiPrima."

DiPrima: "Mr. Speaker, I'd like to report that the Committee on Veteran's Affairs Registration and Regulation recessed last night until twelve noon on Tuesday, April 28. All Bills that were not heard at our meeting last night will still have an opportunity to be heard on Thursday. We are requesting that all Sponsors who haven't had their Bills heard be present for our meeting Thursday, twelve

noon on the House floor or else they're going to be killed or going to interim study. Thank you."

Speaker Redmond: "Representative Jacobs."

Jacobs: "Thank you, Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House, I'd like to suspend the appropriate rule in order to hear House Bills 316 in the Subcommittee of the Veteran's Affairs. The Bill was posted and a meeting was held and there was not a quorum. So I'd like permission to hear House Bill 316 Subcommittee this evening."

Speaker Redmond: "Does he have leave? Hearing no objections, leave is granted. Representative Waddell."

Waddell: "Mr. Speaker, I ask leave to table House Bill 1582 which I am the Chief Sponsor."

Speaker Redmond: "Does he have leave? Hearing no objections, leave is granted. Representative Katz."

Katz: "Mr. Speaker, two Bills have been reassigned from other Committees to the Judiciary II Committee. House Bill 1367 and House Bill 1350. I would like leave to hear those Bills this week in view of the fact that it's the last week and they've just been assigned to the Judiciary II Committee."

Speaker Redmond: "Does the Gentleman have leave? Hearing no objection, leave is granted. Representative Mudd. Representative Katz, you got more?"

Katz: "Yes, the other thing, Mr. Speaker, is that the Judiciary II Committee which has a heavy load of Bills tomorrow will be starting at eight o'clock so we would encourage Sponsors to be aware that we will be beginning at eight o'clock in the morning and to get there early if they'd like to have their Bills heard. We will be going all day. We anticipate that we will try to accommodate the convenience of the various Sponsors."

Speaker Redmond: "Representative Mudd."

Mudd: "Mr. Speaker, the Executive Committee because of double posting for Committees in Room 114 tomorrow night at six o'clock, will be meeting in B1, tomorrow night, Wednesday at six o'clock, the Executive Committee."

Speaker Redmond: "Representative McLendon."

McLendon: "Mr. Speaker, we ask that the posting rule be suspended so that Personnel and Pensions Committee may hear House Bill 44, 823, 1331 and 1773 on Thursday, April 28 at noon."

Speaker Redmond: "Does the Gentleman have leave? Hearing no objections, leave is granted. Representative Taylor."

Taylor: "Mr. Speaker and Members of the House, this Committee on Cities and Villages will meet promptly at eight o'clock in the morning. I hope that I have all Members in attendance and especially those Sponsors that have Bills that they intend to get out. Thank you."

Speaker Redmond: "Representative Van Duyn. Representative Giglio."

Giglio: "Mr. Speaker, Members of the House, I'd like to remind the Members of the Motor Vehicles Committee that we're going to meet soon as we adjourn to hear the remainder of House Bill 1985 and we'll take a vote and then we'll get out."

Speaker Redmond: "Representative Brummer."

Brummer: "Yes, Mr. Speaker, I'd like leave to be recorded on House Bill 717 as voting 'aye'. That was a Bill that we voted on yesterday. I inadvertently pressed the 'present' button. It's a Bill that deals with my district and I'd like leave to be voted as 'aye'."

Speaker Redmond: "Does the Gentleman have leave? Representative Mulcahey."

Mulcahey: "Mr. Speaker, I ask leave of the House to have my name removed as Chief Sponsor of House Bill 1951."

Speaker Redmond: "Does the Gentleman have leave? Hearing no objections, leave is granted. Representative Getty."

Getty: "Mr. Speaker, Ladies and Gentlemen of the House, I'd like to make the record clear that after having spoken to two of the Leaders from the other side of the aisle that House Bill 1011 is and will remain on Second Reading. And I would hope that Representative Telcser would have any of his Amendments ready for tomorrow."

Speaker Redmond: "Anything further? Representative Epton."

Epton: "Thank you, Mr. Speaker. Ladies and Gentlemen of the House, I wish to publicly acknowledge... May I have some order? I am sure that many Members of the House failed to hear Representative Getty in his previous statement. I think those of us on this side of the

aisle appreciate very greatly the concession made by him and we appreciate his attempt to once again make this House a smooth-operating organization. And to you, Representative Getty, I certainly can assure you that on this side of the aisle, we will consider any and all requests on any Amendments which might in any way alter the Bill that you desire. Again, we appreciate your indulgence."

Speaker Redmond: "Representative Robinson."

Robinson: "I'd like leave to table, to suspend the posting requirements in Rule 18 in relation to House Bill 1357 for a special Subcommittee of the House Agriculture Committee Wednesday evening."

Speaker Redmond: "Is there any discussion? Does the Gentleman have leave? Hearing no objection, leave is granted. Any further, any other announcements? Representative Garmisa."

Garmisa: "Mr. Speaker and Ladies and Gentlemen of the House, the Transportation Committee will meet tomorrow at twelve o'clock noon in Room D1 to hear the twenty-two Bills that are still in that Committee. We would appreciate it very much if all the Sponsors would show up so that we can finish up tomorrow and not have to be back here Saturday for any meeting. We'd appreciate your prompt attention. We'll find all the Members there. Thank you."

Speaker Redmond: "Representative Lechowicz."

Lechowicz: "Mr. Speaker, I now move that the House stand adjourned until Wednesday at four o'clock after we give five minutes for the Clerk to clear up some business. So it's Wednesday, tomorrow at four o'clock."

Speaker Redmond: "The question's on the Gentleman's motion. The Clerk had indicated he needs five minutes perfunctory and then we will adjourn till tomorrow at four o'clock. The question's on the Gentleman's motion. Those in favor indicate by saying 'aye', opposed 'no'. The 'ayes' have it. The motion carries. We now stand adjourned."

Clerk O'Brien: "Introduction and First Reading of Bills. House Bill 2372, Peggy Smith Martin. A Bill for an Act making an appropriation to the Department of Veteran's Affairs. First Reading of the Bill. House Bill 2373, Garmisa-Skinner. A Bill for an Act to provide for the ordinary and contingent expense of the Legislative Advisory

Committee of the Regional Transportation Authority. First Reading of the Bill. House Bill 2374, Hoxsey. A Bill for an Act to provide for the ordinary and contingent expense of the Commission on Delinquency Prevention. First Reading of the Bill. Committee Reports. Representative Schisler, Chairman of the Committee on Agriculture, to which the following Bill was referred; action taken April 26, 1977. Introduction and First Reading of Constitutional Amendments, House Joint Resolution Constitutional Amendment #34, McCourt. Resolved by the House of Representatives, the 80th General Assembly, the State of Illinois, the Senate concurring herein, that there shall be submitted to the electors of this state for adoption or rejection at the general election next occurring at least six months after the adoption of this Resolution, a proposition to amend Section 5 of Article IX of the Constitution to read as follows: Article IX, Section 5. Personal Property Taxation. (a) The General Assembly by law may classify personal property for purposes of taxation by valuation, abolish such taxes on any or all classes and authorize the levy of taxes in lieu of taxation of personal property by valuation. (b) An ad valorem personal property tax abolished on or before the effective date of this Constitution shall not be reinstated. First Reading of the Constitutional Amendment. House Joint Resolution Constitutional Amendment #35, McCourt."

Clerk Hall: "Resolved, by the House of Representatives of the 80th General Assembly of the State of Illinois, the Senate concurring herein, that there shall be submitted to the electors of this state, at the general election next occurring at least six months after the adoption of this Resolution, a proposition to amend Sections 8, 10, and 12 of and to add Sections 12.1 and 12.2 to Article VI of the Constitution, the amended and added Sections to read as follows: "Article VI, the Judiciary. Section 8. Associate Judges.

Each Circuit Court shall have such number of Associate Judges as provided by law. Except where elected in accordance with Section 12.1, Associate Judges shall be nominated by Judicial Nominating Commissions in each Judicial Circuit and selected by the Governor in the manner provided in subsection (d) of Section 12 of this Article. In the First Judicial District, unless otherwise provided by law, at least one-fourth of the Associate Judges shall be appointed from, and reside, outside Chicago. The Supreme Court shall provide by rule for matters to be assigned to Associate Judges. Section 10, Terms of Office. The terms of office of Supreme, Appellate and Circuit Judges shall be six years; and of Associate Judges, four years. Section 12, Selection and Retention. (a) Supreme, Appellate, Circuit and Associate Circuit Judges shall be selected in the manner provided in subsection (c) of this Section from nominees submitted by Judicial Nominating Commissions; except as provided in Section 12.1. (b) The office of a Judge shall be vacant upon his death, resignation, retirement, removal, or upon the conclusion of his term without retention in office. Whenever an additional Judge is authorized by law, the office shall be filled in the manner provided for filling a vacancy in that office. (c) There shall be a Judicial Nominating Commission in each judicial district which shall nominate persons to fill vacancies on the Supreme Court and the Appellate Court for that district. There shall be two Judicial Nominating Commissions in the Cook County Circuit which shall have identical functions and concurrent, equal jurisdiction and which shall nominate persons to fill vacancies in the offices of Circuit Judge and Associate Judge in the Circuit as such vacancies shall be allocated to the two commissions by Supreme Court Rules. In each of the other Judicial Circuits which has elected to provide for the selection of Judges under this Section by a referendum under Section 12.1 of this Article. There shall be one Judicial Nominating Commission to fill vacancies in the offices of Circuit Judge and Associate Judge. (d) If a vacancy occurs in the office of Supreme, Appellate, Circuit or Associate Judge, the administrative director shall notify the chairman of the appropriate Judicial Nominating Commission, who shall immediately convene the Commission.

The Commission shall, within thirty days after the vacancy occurs, select at least three nominees for each vacancy and submit their names to the administrative director. Within seven days after he has received the names of the nominees, the administrative director shall publicly draw by lot the name of one of the nominees and submit it to the Governor. The Governor is allowed one veto for each vacancy to be filled. If the Governor does not veto the first nominee to be submitted to him within twenty-nine days after the name of that nominee has been submitted to him, the vacancy shall be filled by that nominee. If the Governor exercises his veto within the twenty-nine day period, the administrative director shall publicly draw by lot the name of one of the remaining nominees. Such second drawing constitutes the selection of the nominee whose name is drawn, and the Governor has no further veto. The same nominee may be submitted by the Commission to the administrative director for no more than three successive vacancies. The name of any nominee vetoed by the Governor shall not be resubmitted during the term of that Governor. (e) Not less than six months prior to the general election next preceding the expiration of his term of office, any Judge previously selected or elected may file in the office of the Secretary of State a declaration of candidacy to succeed himself, and the Secretary of State, not more than ninety days nor less than sixty-three days before the election, shall certify the Judge's candidacy to the proper election officials. The District Judicial Nominating Commission shall survey the record of each Judge who has filed a declaration of candidacy to succeed himself and shall make a determination as to whether or not he has met the then prevailing accepted judicial standards. If the District Judicial Nominating Commission determines that the Judge has not met such standards, it shall file a statement of such determination with the Secretary of State before the certification of the Judge's candidacy, and this determination shall be printed on the election ballot alongside the Judge's name. At the election the name of each Judge who has filed a declaration shall be submitted to the electors, separately and without party designation, on the sole question whether he shall be retained in office

for another term. The retention elections shall be conducted at general elections in the appropriate judicial districts and circuits. The affirmative votes of three-fifths of the electors voting on the question shall elect him to the office for a full term commencing the first Monday in December following the election. Any Judge who does not file a declaration within the time herein specified, or, having filed, fails of retention, shall vacate his office on the first Monday in December following the general election, whether or not his successor shall yet have qualified. (f) If an incumbent does not file a declaration of candidacy within the time specified above, the selection and appointment of his successor, if any, shall proceed immediately in the manner provided in subsection (d) of this Section so that the successor may take office as soon as the vacancy occurs. (g) Any law reducing the number of Judges of the Appellate Court in any district or the number of Circuit or Associate Judges in any circuit shall be without prejudice to the right of Judges in office at the time of its enactment to seek retention in office. A reduction shall become effective when a vacancy occurs in the affected unit. Section 12.1. Selection and Retention in other Circuit Courts. (a) The Judges and Associate Judges of Circuit Courts outside Cook County shall be elected, and vacancies in such offices may be filled by appointment for interim periods, in such manner as may be prescribed by law; provided, that subsections (e), (f) and (g) of Section 12 of this Article shall apply to such Judges and Associate Judges as shall be elected pursuant to the provisions of this Section. However, the electors of any Circuit outside Cook County may by referendum adopt the provisions of Section 12 of this Article to govern the selection and tenure of Judges and Associate Judges of that Circuit. The electors of any Circuit outside Cook County shall vote on the proposition at the general election held not less than three months following the filing of petitions with the Secretary of State, signed by not fewer than 5 per cent of the total number of electors who voted at the next preceding general election in the Circuit, asking that the proposition be submitted to referendum. If a majority of votes cast on the proposition

shall be in the affirmative, the provisions of Sections 12 and 12.2 of this Article shall thereafter govern the selection and tenure of Circuit Judges and Associate Judges of the Circuit Court of that Circuit. Section 12.2. Judicial Nominating Commissions. (a) The Judicial Nominating Commission for each District or Circuit shall consist of six lawyers, no more than three of whom shall be members of the same political party, five laymen, no more than three of whom shall be members of the same political party, and one Judge who is then sitting on the Circuit of Appellate Court. The Judge shall be the Chairman of the Commission and shall vote only in the case of a tie. (b) The six lawyer members of each District and Circuit Commission shall be selected in the following manner: The county chairman of chairmen of each established political party for the county or counties comprising the judicial district or circuit shall select one lawyer of that party in that Judicial District or Circuit to serve as a member of the Commission for that District or Circuit. The Governor shall appoint the remaining number of lawyers to make up a total of six lawyers in each District and Circuit. Such layers shall be selected from the certified election result list of Bar Association secret ballot conducted elections for that District or Circuit. The Governor may select as his first appointment any lawyer on the appropriate certified election result list. Each of the successive additional appointments of the Governor shall be the remaining lawyer then standing highest on the certified election result list who is not of the same political party as the lawyer last appointed before him. As to every Judicial District or Circuit, the Supreme Court shall designate a major Bar Association to conduct the election of lawyers. (c) The five laymen members of each Judicial District and Circuit shall be selected in the following manner: The county chairman or chairmen of each established political party for the county or counties comprising the judicial district or circuit shall select one layman who is a registered voter of that party and who resides in that District or Circuit, to serve as a member of a Commission for the District or Circuit. The Governor shall select and appoint two laymen members who are registered voters

of different political parties and who reside in that District or Circuit. In the event of the existence of more than two established political parties, the Governor's selection of laymen is to that extent diminished, and, if diminished to one layman, then that appointee may be of any political party. As to every Judicial District and Circuit, the Supreme Court shall designate a major Bar Association to select a layman for each District and Circuit in the following manner: The president of the designated Bar Association shall submit the name of a registered voter of each established political party in each Circuit and in each District to the Illinois Court Administrator, who shall publicly draw by lot, from those names submitted for each Circuit and for each District, one name as a layman committee member for that District or Circuit.

(d) The judicial member of each Commission shall be selected as follows: All of the Judges then sitting in the Circuit Court of that Circuit, or in the Appellate Court in that District, shall vote by secret ballot and elect one of their number to serve as chairman of the Commission for that Circuit or District. (e) Initially the Governor shall divide the layman appointees and the lawyer appointees into two groups and shall designate one group to serve for three years and one to serve for six years. As near as may be, the groups shall be equal and the number of members of one political party shall not exceed half the number of the group. Thereafter the terms of all members shall be for six years. (f) A vacancy in the office of chairman or member of the Commission shall be filled for the unexpired term in the same manner and for the same qualification as those originally chosen. (g) No person who holds any office under or is an employee of the United States or this state or any municipal corporation or political subdivision of this State or who holds any official position in a political party is eligible to serve on a Judicial Nominating Commission. No incumbent president of a major Bar Association is eligible to serve on a Judicial Nominating Commission during his term of office. Compensation for service in the state militia or the armed forces of the United States for such periods of time as may be determined by rules of the Supreme Court shall not be

considered a disqualification. No member of a Judicial Nominating Commission may be nominated to judicial office for a period of three years from the last day of his service on the Commission. A member, having served a full term of six years on a Commission, may not be elected to serve on a Commission for the next three years. (h) Members of Judicial Nominating Commissions shall not receive any compensation for their service but shall be entitled to reimbursement for necessary expenses. Such Commissions may conduct such investigations, and employ such staff members as may be necessary to perform their duties. The decision of the Commission must be by concurrence by a majority of its members. Proceedings of the Commission shall be confidential. (Clerk does not read Section (h).) (i) All lawyers residing in Illinois may vote in their respective districts and circuits as to lawyer nominees to Commission membership through the designated Bar Association whether or not they are dues paying members of that Bar Association. Lawyers may vote only in the district and circuit in which their principal office is located. Where the presidents of the respective Bar Associations are not notified to the contrary by a lawyer as to his residence at the time of any Bar-conducted election, then the Supreme Court Cler's records as to residence at the time of admission to the Bar will serve as the last known address for purposes of any balloting by the Bar Association. Schedule. If approved by the electors, these Amendments shall take effect the next day following proclamation of the result of the vote. The adoption of these Amendments shall not operate to reduce the existing term of office of any incumbent Judge. First Reading of the Constitutional Amendment. No further business, the House stands adjourned."
