Doorkeeper: "Attention Members of the House of Representatives, the House will convene in fifteen minutes."

Doorkeeper: "All persons not entitled to the House floor, please retire to the gallery."

Speaker Redmond: "The House will come to order, Members please be in their seats. We will be led in prayer by Reverend Krueger, the House Chaplain."

Reverend Krueger: "In the name of the Father, the Son and the Holy Ghost. Amen: O Lord, bless this House to Thy service this day. Amen. Charles Kingsley wrote: 'There are two freedoms: The false where a man is free to do as he likes, the true where a man is free to do what he ought'. Let us pray. Almighty God, with whom there is no variableness, neither shadow nor turning, who in Thy infinite wisdom has ordained the laws of the universe for all things created and uncreated, for things living and with being; we ask Thy divine guidance for the Members of this House of Representatives as they consider the legislative issues of the State of Illinois. Enable them to reflect upon the patterns which Thou hast ordered for man and his society that its sanctity may be respected and its freedom continued. Through Jesus Christ our Lord. Amen."

Speaker Redmond: "Roll Call for attendance. Messages from the Senate."

Clerk O'Brien: "A message from the Senate by Mr. Wright, Secretary. Mr. Speaker, I am directed to inform the House of Representatives that the Senate has passed Bills with the following titles. First Reading of the Bill."

Speaker Redmond: "House Bills, Third Reading. House Bills, Third Reading appears House Bill 2538."

Clerk O'Brien: "House Bill 2538, a Bill for an Act making appropriations to the Capital Development Board. Third Reading of the Bill."

Speaker Redmond: "Representative John Dunn."

Dunn: "Better take that out of the record, I think."

Speaker Redmond: "Out of the record. Representative Ryan, are there any Republicans absent?...that want to be excused?"

Ryan: "Yes, Mr. Speaker. Mary Lou Sumner, due to a death in the family is...."

Speaker Redmond: "Who was that?"

Ryan: "Mary Lou Sumner is absent due to a death in the family and that's the only one I have."

Speaker Redmond: "Representative Madigan....any Democrats whose absence should be excused?"

Madigan: "Mr. Speaker, there were no requests for excused absences given to my office. However, would the records show that Representative Houlihan and Brady are excused. Daniel Houlihan and Brady are excused."

Speaker Redmond: "Any objections? Hearing no objection the record will so show. 2580, Representative Schisler, do you want that one called? Read the Bill, Mr. Clerk."

Clerk O'Brien: "House Bill 2580, a Bill for an Act making appropriation to the Department of Conservation. Third Reading of the Bill."

Speaker Redmond: "Representative Schisler, 2580? Out of the record. 2843...is Representative Friedrich on the floor? Anybody handle the Legislative Reference Bureau's appropriation? Out of the record. 2851, Representative Leverenz. Out of the record. 2911, Representative Ryan."

Clerk O'Brien: "House Bill 2911, a Bill for an Act to provide for the ordinary and contingent expense of the Attorney General. Third Reading of the Bill."

Speaker Redmond: "Representative Ryan...ordinary and contingent expenses..."

Ryan: "Thank you, Mr. Speaker. I think probably in all fairness I ought to take this one out of the record."

Speaker Redmond: "Out of the record. 2944, Representative DiPrima...out of the record. 2986, Representative Neff. 2986, read the Bill, Mr. Clerk."

Clerk O'Brien: "House Bill 2986, a Bill for an Act making appropriations for the ordinary and contingent expenses of the Department of Financial Institutions. Third Reading of the Bill."

Speaker Redmond: "Representative Neff."

Neff: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. House Bill 2986 is the Department of Financial Institutions appropriation. As many of us know the Department of Finance Education has the responsibility of protecting the consumer in his financial transactions ^{3 act 1245} outside of the banking and savings and loan industry. Consumer protection make...may financial solvency to assure that the financial charges and interest rates are ^{meetin} with the law and fair to the public. Historically the Department has been in a state of declining ability to provide adequate protection for the consumer and finance investments. This budget has been gone over very thorough by the Appropriation Committee, it is in the shape now that they have asked it to be in. And I would hope that we would have a favorable vote."

Speaker Redmond: "Is there any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Representative Katz, 'aye'. Have all voted who wished? The Clerk will take the record. On this question there are 104 'aye', 2 'no'. The Bill having received the Constitutional Majority is hereby declared passed. 3013."

Clerk O'Brien: "House Bill 3013, a Bill for an Act making

appropriations to the Board of Governors of state colleges and universities. Third Reading of the Bill."

Speaker Redmond: "Representative McGrew...out of the record. 3049, Representative Ryan. 3049."

Clerk O'Brien: "House Bill 3049, a Bill for an Act making appropriations for the furnishing of legislative staff, secretarial, clerical, research, technical. Third Reading of the Bill."

Speaker Redmond: "Representative Ryan."

Ryan: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. House Bill 3049 is the appropriation for the General Assembly and I would ask that we....for a 'yes' vote."

Speaker Redmond: "Is there any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there is 107 'aye', 3 'no'. The Bill having received the Constitutional Majority is hereby declared passed. 3062, is Representative Younge on the floor? Out of the record. 3128, Representative John Dunn.... out of the record. 3231, Representative Richmond. Representative Richmond, do you want 3231? Out of the record. 3235, Representative Ralph Dunn. Out of the record. 3270, Representative Stuffle...out of the record. 3335, Representative Cunningham. Out of the record. 3368, Representative Kempiners, can you handle 3368? You better do that or you won't have a convention in Chicago in August."

Clerk O'Brien: "House Bill 3368, a Bill for an Act making appropriations to the Commission on Intergovernmental Cooperation. Third Reading of the Bill."

Speaker Redmond: "Representative Kempiners."

Kempiners: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. House Bill 3368 is the annual appropriation

for the Intergovernmental Cooperation Commission. It passed out of Committee, 27 - 0 and it appropriates five hundred and fifty-one thousand dollars. A large portion of this, I might point out, is responsible for the fact that Illinois will be the host state for the Mid west Conference of the Council of State Governments this summer from August 17 to the 20th and of course as Members of the host Legislature, you're all invited. I would ask for your support on this appropriation."

Speaker Redmond: "Any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there are 98 'aye' and 8 'no'. The Bill having received the Constitutional Majority is hereby declared passed. 3370, Representative Giglio or Phil Collins. Read the Bill, Mr. Clerk."

Clerk O'Brien: "House Bill 3370, a Bill for an Act making appropriations to the Department of Children and Family Services. Third Reading of the Bill."

Speaker Redmond: "Representative Collins."

Clerk O'Brien: "Wait, I read the wrong Bill. House Bill...."

Speaker Redmond: "3370."

Clerk O'Brien: "House Bill 3370, a Bill for an Act to amend Sections of an Act making an appropriation to the Illinois State Scholarship Commission. Third Reading of the Bill."

Speaker Redmond: "Still the wrong one, 3370....making an appropriation to Mary Orkis."

Clerk O'Brien: "House Bill 3370, a Bill for an Act making appropriation to the State Comptroller for disbursement to Mary Orkis. Third Reading of the Bill."

Speaker Redmond: "Representative Collins."

Collins: "Well, Mr. Speaker, I hesitate to call this with Representative Giglio off the floor. I don't think there is any opposition to the Bill but I don't know."

Speaker Redmond: "Well why don't we find out, we'll put it to a vote."

Collins: "All right."

Speaker Redmond: "The question is, shall this Bill pass? Representative Robinson."

Robinson: "I would like to know, does Mary Orkis have any artistic ability....is she a painter or sculptor or does she write poetry...."

Collins: "Let me tell you, this was a real work of art. You may remember a year or so ago, the state....the Bureau of Investigation in conjunction with Cook County Sheriff and Federal Authorities leased a tavern, the border line tavern in Representative Giglio and my city, Calumet City for the purpose of intrapment of public officials. It didn't work, the agents who were....the....whose name was on the lease ran out and as a matter of fact blew the whistle on the state agency and admitted the the illegal activity in which they were involved. Then when the cover was blown and the operation folded, the state ran out on this lease owing, Mrs. Orkis all of this money. She was paid a part of it then she brought an action in the Court of Claims but the Attorney General filed a brief in which he said, that the action was improperly brought because it was brought....it should have been brought against the dummy corporation that the state set up and not the state. So the whole thing involved into a can of worms and here this poor women is now on relief and I understand she is destitute and she has, I think....I'm not even sure of the amount right now. I think it is seven or nine thousand dollars coming to her. This is the Bill that Representative Giglio and I put in....it's just a case of equity and she should be paid this money and I would ask for its favorable consideration of the Bill."

Speaker Redmond: "Any discussion? The question is, shall this

Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there is 100 'aye' and 4 'no'. The Bill having received the Constitutional Majority is hereby declared passed. 3377, Representative Jaffe."

Clerk O'Brien: "House Bill 3377, a Bill for an Act making appropriations to the Department of Children and Family Services. Third Reading of the Bill."

Jaffe: "Mr. Speaker and Members of the House, House Bill 3377 appropriates...."

Speaker Redmond: "Please give the Gentleman order."

Jaffe: "Appropriates eleven thousand, six hundred and twenty-eight thousand dollars to the Department of Children and Family Services for a substitute teacher at the Illinois Visually Handicapped Institute. They have needed a substitute teacher for a long period of time. This particular Bill passed out of Committee, 17 to nothing. I know of no opposition to it and I would solicit on 'aye' vote."

Speaker Redmond: "Is there any discussion? The question is, shall this Bill.....Representative Leinenweber."

Leinenweber: "I just wondered why this isn't in the Department's annual appropriation and why do they need a substitute?"

Jaffe: "Well, Harry, what they have had over there for a long period of time is they have been short handed. And they have one particular teacher who has been ill for a long period of time and they have just not had a substitute for him and they haven't had any funds in the budget for it. Why it is not in the Department's budget, I don't know why but it will probably be for next year but it hasn't been for this year."

Speaker Redmond: "Anything further? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? The Clerk will take

record. On this question there are 108 'aye' and 1 'no'. The Bill having received the Constitutional Majority is hereby declared passed. 3384, Representative Harris, do you want that one called? Out of the record. 2911."

Clerk O'Brien: "House Bill 2911, a Bill for an Act to provide for the ordinary and contingent expense of the Attorney General. Third Reading of the Bill."

Speaker Redmond: "Representative Friedrich."

Friedrich: "Mr. Speaker and Members of the House, this is the annual appropriation for the Office of the Attorney General. It has been gone over thoroughly by the Appropriation Committee and by the staff of both Houses. It was amended once in the Committee in the House and as far as I know there is no problems with. I would appreciate your vote."

Speaker Redmond: "Is there any discussion? The question is, shall this Bill pass? Representative Mulcahey."

Mulcahey: "Will the Sponsor yield for one quick question?"

Speaker Redmond: "He will."

Mulcahey: "Representative, how much do those real nice hard back books cost that the Attorney Generals Office puts out each year...their reports?" Do you have any idea?"

Friedrich: "No, I'm sorry, I don't but I'll get the information for you."

Mulcahey: "I don't read those either....Dwight. That's all. Thank you."

Speaker Redmond: "Anything further? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? The Clerk will take the record. On this question there are 117 'aye' and 2 'no'. The Bill having received the Constitutional Majority is hereby declared passed. 2843."

Clerk O'Brien: "House Bill 2843, a Bill for an Act making appropriations for the ordinary and contingent expense of the Legislative Reference Bureau. Third Reading of

Bill."

Speaker Redmond: "Representative Friedrich."

Friedrich: "Mr. Speaker and Members of the House, this is the annual appropriation of the Legislative Reference Bureau. There are no major increases, it has been approved by the Appropriations Committee and by the staff on both sides. There is some additional money for equipment which we need in duplicating and there are also some additional monies available for some attorneys. Right now we're very short of attorneys and we're going in....this is for next year of course when we will have the Regular Session. But as far as I know there is no....there has been no problems with the appropriation."

Speaker Redmond: "Is there any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there is 126 'aye' and no 'nay'. The Bill having received the Constitutional Majority is hereby declared passed. 3235, Representative Ralph Dunn."

Clerk O'Brien: "House Bill 3235, a Bill for an Act to amend Sections of an Act to provide for the ordinary and contingent expense of the Department of Mines and Minerals. Third Reading of the Bill."

Speaker Redmond: "Representative Ralph Dunn."

Dunn: "Thank you, Mr....."

Speaker Redmond: "Representative Polk, will you please sit down? Representative Polk...sit down please."

Dunn: "Thank you, Mr. Speaker and thank you, Representative Polk. House Bill 3235 makes....appropriates or transfer money within the Department of Mines and Minerals. It isn't any new money, it transfers money from one fund to another and it is from the Federal Funds. It makes no changes in the total and I would ask for a favorable Roll Call. Thank you."

Speaker Redmond: "Is there any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? The Clerk will take the record. On this question there are 121 'ayes', no 'nay' and the Bill having received the Constitutional Majority is hereby declared passed. 2851, Representative Mahar."

Clerk O'Brien: "House Bill 2851, a Bill for an Act making appropriations to the Illinois Legislative Council. Third Reading of the Bill."

Speaker Redmond: "Representative Mahar."

Mahar: "Thank you, Mr. Speaker. House Bill 2851 is the ordinary appropriation for the Legislative Council. I am handling this for the Chief Sponsor, Representative Leverenz. I don't think there is any opposition to the legislation and I would urge that....its adoption."

Speaker Redmond: "Any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? Have all voted who wished? Representative Mulcahey, are you seeking recognition? The Clerk will take the record. On this question there are 113 'aye', no 'nay' and the Bill having received the Constitutional Majority is hereby declared passed. 2944, Representative DiPrima. Representative DiPrima, 2944."

Clerk O'Brien: "House Bill 2944, a Bill for an Act making appropriation to the Commission on the Pioneer Memorial Plaza. Third Reading of the Bill."

Speaker Redmond: "Representative DiPrima. Please give the Gentleman order."

DiPrima: "Mr. Speaker, Ladies and Gentlemen, this is a two thousand dollar appropriation. I humbly beseech your help beseech your help for this mere appropriation for the Commission which...may have attended a few meetings during the inclement weather we had and we want to

compensate the members of the Commission for taking the time....I would appreciate a favorable vote. Thank you."

Speaker Redmond: "Any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there are 99 'ayes', 3 'no'. The Bill having received the Constitutional Majority is hereby declared passed. Representative Lucco, did you....Representative Lucco."

Lucco: "Thank you, Mr. Speaker, Ladies and Gentleman of the House. It has been brought to our attention that a young man has been with us for quite some time and rendered terrific service here to the Members of the House. The girls in the back room as we would often say, have noticed a distinct improvement in his appearance and they sent here to me a little gift that we should present to Mark O'Brien. Mark, if you would come down and wear this with distinction, I'm sure that we, the Members of the House, would be forever indebted to you. Mark, where are you?"

Speaker Redmond: "What is it, Mark? Show them the gift."

Lucco: "Mr. Speaker, I have also been informed that Mr. Schwartz is somewhat envious."

Speaker Redmond: "Representative Ryan."

Ryan: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. I think that congratulations are in order this morning for the Majority Leader, Mr. Madigan is the proud father of a new baby daughter born Monday, I understand and weighed six pounds and eleven ounces and it carries the title of Tiffany Ann Madigan. Congratulations, Mike."

Speaker Redmond: "2857, Representative Matijevich."

Clerk O'Brien: "House Bill 2857, a Bill for an Act to provide for the ordinary and contingent expense for the Office of the State Appellate Defenders. Third Reading of the Bill."

Speaker Redmond: "Representative Matijevich."

Matijevich: "Yes, Mr. Speaker, Ladies and Gentlemen of the House.

I was going to add to those congratulations that Mike Madigan...is glad that he didn't have a boy because he'd been hard-pressed not to name him, Larry, after Larry DiPrima...having been born on Memorial Day. Or one of the Memorial Days. Mr. Speaker, Ladies and Gentlemen of the House, House Bill 2857 appropriates funds for the ordinary and contingent expenses of the Office of State Appellate Defender. By Amendments #1 and 2, we made reductions in the Appropriations Committee in the amount of twenty-seven thousand, five hundred and ninety-three. Personal Services, twenty-four thousand, three hundred and seventy-four. Retirement and social security in amounts corresponding to the personal services reductions. And an amount of twenty-two, five hundred in contractual services. With those reductions we now allow the Office of the State Appellate Defender to be, to meet what we think will be an increasing case load. However, there were five additional attorneys funded and the appropriations for this year allows for full year funding for those positions and they believe they can meet the case load. I request your favorable Roll Call on House Bill 2857."

Speaker Redmond: "Is there any discussion? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wished? Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there are 115 'aye', 11 'no'. The Bill having received the Constitutional Majority is hereby declared passed. Senate Bills, Second Reading. Senate Bills, Second Reading appears Senate Bill 82. Representative Polk....do you have any plans for Senate Bill 82 on Second?"

Polk: "Mr. Speaker, is Representative Van Dyne on the floor?"

He has an Amendment...."

Speaker Redmond: "Representative Van Duynes."

Clerk O'Brien: "Senate Bill 82, a Bill for an Act to amend Sections of the Criminal Code. Second Reading of the Bill, no Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "Floor Amendment #1, Polk. Amends Senate Bill 82 in the House on page 2, line 33 and so forth."

Speaker Redmond: "Representative Polk."

Polk: "Amendment #1 simply precludes police officers."

Speaker Redmond: "Representative Madigan."

Madigan: "Mr. Speaker, would the Sponsor yield to a request?"

Speaker Redmond: "He will."

Madigan: "Mr. Polk, my seatmate, Mr. Houlihan, apparently has come interest in this Bill. He's not here today...."

Polk: "It is my understanding...as you can see it has been on here for a month and a half. I understand that it is acceptable to him now, if there's still any question. I'll be glad to hold it another time but it is my understanding that they have accepted it."

Madigan: "You state that you've worked with him on it?"

Polk: "Yes."

Madigan: "Okay. Well, I withdraw my request."

Speaker Redmond: "Any further discussion? Any other Amendments? Any Floor Amendments? Amendment #1, any discussion? Representative Van Duynes. The question is on the motion for the adoption of Amendment #1. Those in favor....Representative Darrow."

Darrow: "Thank you, Mr. Speaker. It appears that we have two Amendment #1's on this Bill according to our file. We have one by Polk and Johnson and one by Polk. Which one are we voting on?"

Polk: "The one...Polk-Johnson; that was withdrawn a long... that was withdrawn before....some time ago. It was tabled."

Darrow: "So why shouldn't this be #2?"

Speaker Redmond: "Not if it was withdrawn, there would be no necessity for the number."

Darrow: "All right, thank you."

Speaker Redmond: "The question is on the Gentleman's motion for the adoption of Amendment #1. Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carried, the Amendment is adopted. Any further Amendments?"

Clerk O'Brien: "Floor Amendment #2, Van Duyne. Amends Senate Bill 82 on page 1, line 1 and 5, by deleting Section 24-1 and so forth."

Speaker Redmond: "Representative Van Duyne. Please give the Gentleman order."

Van Duyne: "Thank you, Mr. Speaker. This Amendment has to do with Section 17-1 of the Deceptive Practices Act. All it does really, is take away the automatic mechanism of the law which if a person inadvertently overdraws his account and someone wanted to injure^e his reputation they could really file some kind of charges. Because in the laws is written right now, it says that he is automatically guilty if he overdraws his account. Now if the people who want their checks to be made good....are really sincere in this then if they pay this within thirty days it automatically withdraws the....you know the....well, I'm at a loss for word. The intent to defraud."

Speaker Redmond: "Representative Polk, the Sponsor of the Bill, any comment on Amendmnet #2?"

Polk: "No, Sir. My only question is, I was asked to ask...the Sponsors or wherever, is this germaine to the Bill."

Speaker Redmond: "You are asking that?"

Polk: "Yes."

Speaker Redmond: "Parliamentarian..."

Van Duyne: "Well, I would say it is because on page 2, it says failure to have sufficient funds or credit with the depository when the check or any other is issued or delivered is, prima facie evidence that the offender knows that it will not

paid by the depository and that he has intent to defraud. Now all I did was just add this to it, however, the failure to have sufficient funds or credit with the depository is not evident of intent to defraud if the person who issued or delivered such a check drawn on a real depository pays the full amount of the check within thirty days after being notified that the check was not paid by the depository on which it was drawn. Now all it says is, if a person is supposedly guilty of writing a bad check it just removes it....allegation if he makes it good within thirty days. I don't think the person who has the bad check so called would object to this, after all...all he wants is his money."

Speaker Redmond: "Parliamentarian advises me that the Amendment is germane. Representative Leinenweber."

Leinenweber: "Is this Amendment....has it been circulated?"

Speaker Redmond: "The Amendment has been printed and circulated."

Leinenweber: "Has it?"

Speaker Redmond: "Yes, it has."

Leinenweber: "I don't think this side of the aisle got it, I've been looking around and...."

Speaker Redmond: "About a month ago, maybe....."

Leinenweber: "Our side says they haven't gotten it yet."

Speaker Redmond: "Who's your side?"

Leinenweber: "The good guys. White hats."

Van Duyne: "In all defense...the Gentleman from Joliet, that was distributed weeks and weeks and weeks ago."

Leinenweber: "My assistant distributed it to me now, Mr. Speaker. I have some questions of the Sponsor then."

Speaker Redmond: "Proceed."

Leinenweber: "LeRoy, what exactly does your Amendment do? Would you repeat it once more."

Van Duyne: "Well, Harry, under the law as it is written right now, it just says that not having any money in the bank or overdrawing it....writing a check on your account and

overdrawing your account is prima facie evidence that the offender knows that it will not be paid by the depository. Now all I have done is just remove that...the legal entanglement of this if he makes the check good within thirty days. Now if I had written you a check, as of today you can go down to our State's Attorney and have me indicted. Or you can have be brought into court....and you know, I can see where somebody can suffer damage to his reputation. Now for example, if you have a limited account in your checking account...I can go out and write a check this afternoon and my wife, not even knowing that I had written a check might go out and write a check of the similar amount and overdraw the account. Now all I'm doing is giving the guy thirty days to make the check good and getting out of the legal entanglement of the Deceptive Practice Act. That's all...."

Leinenweber: "How many people do you know who have been indicted without having a request to make the check good....being made to them?"

Van Duyne: "Well...none. But by the same token, I don't know any people who were ever put in jail under this Act for ever writing a bad check either."

Leinenweber: "Well, Mr. Speaker, although I have the highest esteem for the Sponsor of this Amendment, nevertheless... as anyone who looks at the Bill book can see, this Bill had originally had to do with unlawful use of weapons inside of a dormitory of one of our educational institutions. Now the Representative is putting an Amendment to the Bill which will greatly change the laws of deceptive practices as it relates to cashing NFS checks. Now I would suggest to you that the passage of NFS checks is an extremely serious problem in the financial community and in the business community of this state. Representative Polk, himself....last Session came in with a Bill which would have totally reversed this and made it much more

difficult for a person who writes a bad check...to get off. I would suggest that the law is now carefully balanced. One of the problems is, you have to prove intent...so the law was written in the specific way that Representative Van Duyne wants to change it because of the difficulty in proving intent by creating a prima facie situation when you write a check when you don't have enough money in your account. Now as a practical matter, you will not find anybody who's indicted the day after they write a NFS check. In every case an opportunity is given an individual to make the check good including from the prosecutors office. I would suggest that the practical effect of this Amendment will be that you will delay at least thirty days before any collection effort can be made from a criminal point of view against the person who writes the bad check. Now thirty days is plenty of time in order to skip town, skip the state and skip the jurisdiction. I think that while the motive and the intent is obviously good, there is not a problem...the law is working well, it is delicately balanced between the right of the business community and the right of the individual who happens to write a bad check. I don't think we ought to monkey with it; this will have a detrimental effect and increase the difficulty of collecting a bad check and I urge a 'no' vote on Amendment #2."

Speaker Redmond: "Is there any further discussion? Representative Van Duyne to close."

Van Duyne: "Well, thank you, Mr. Speaker. I know what Harry means and I know that there are none practically if any... none that would be indicted the first day." But I can also see where they could be, if somebody...had an ill will towards me, if he could find out about he could make it very very embarrassing for me in my home town. Now the only reason for teeth that has been inserted in this

law last year was to make sure that the people who were the receivers of these bad checks would have some leverage or some recurrence to these people who write the checks. Now in no way in the world would this have...take any teeth out of this Bill. All it would do is just delay it thirty days and if the only intent of the people is to get their money, I don't really think the thirty days means all that much. And I think the inconvenience for the thirty days is much more outweighed by the embarrassment of the person who inadvertently writes a bad checks. So I would pray for the adoption of this Amendment."

Speaker Redmond: "Representative Geo-Karis, for what purpose do you arise? I called on Representative Van Duyne to close."

Geo-Karis: "Oh, I'm sorry...."

Speaker Redmond: "Let me put the question and then we'll let you explain your vote. The question is on the Gentleman's motion for the adoption of Amendment #2. Those in favor vote 'aye', opposed vote 'no'. Representative Geo-Karis to explain her vote. Have all voted who wished? Have all voted who wished? Have all voted who wished? The Clerk will take the record. On this question there are 46 'aye', and 52 'no' and the Gentleman's motion fails. Any further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. 1060."

Clerk O'Brien: "Senate Bill 1060, a Bill for an Act to create the Illinois Health Finance Authority and define its powers and duties. Second Reading of the Bill, Amendments #1, 2, 3, 4 and 5, were adopted in Committee."

Speaker Redmond: "Is Representative Tipword on the floor? Out of the record. 1475. Is Jack Davis on the floor? Is Representative Davis, Jack Davis, is he on the floor? the Bill, 1475."

Clerk O'Brien: "Senate Bill 1475, a Bill for an Act to amend Sections of the Revenue Act. Second Reading of the Bill, no Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "Amendment #1, Ryan...."

Speaker Redmond: "We better.... Representative Ryan, do you want this Bill called? Senate Bill 1475, you have an Amendment. Will you read the Amendment, Mr. Clerk."

Clerk O'Brien: "Amendment #1, Ryan. Amends Senate Bill 1475 on page 1, line 1 and 5, by changing Section 224 and Section 224.18 and so forth."

Speaker Redmond: "Representative Ryan."

Ryan: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. This Amendment to Senate Bill 1475 addresses a problem that is faced by downstate counties. When assessments of an overlapping taxing district are not received by the county clerk. Since the county clerk does not have access to all of the assessments he cannot issue the tax bill. And all this Amendment would do is to delete the April 1 deadline date by which the County Board must pass a Resolution so that an estimated real property tax billing system can be used. I have a unique problem in my county and that is why I have offered this Resolution.... this Amendment and I would ask for a favorable vote."

Speaker Redmond: "Is there any discussion? The question is on the Gentleman's motion for the adoption of Amendment #1? Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carried and the Amendment is adopted. Any further Amendments?"

Clerk O'Brien: "Floor Amendment #2, Matijevich. Amends Senate Bill 1475 on page 1, line 1 and 5, and so forth."

Speaker Redmond: "Who was the Sponsor? Mr. Clerk, who is the Sponsor of this Amendment? Representative Ryan.... Representative Matijevich."

Matijevich: "Mr. Speaker, Ladies and Gentlemen of the House,

Amendment #2 to Senate Bill 1475, I appreciate the cooperation of both Representative Jack Davis, House Chief Sponsor of this Bill and the Minority Leader in allowing me to present this House Amendment #2. Which incorporates my House Bill 3138 of which I worked out totally in agreement with the Property Tax Appeal Board and the Department of Local Governmental Affairs and the Public Action Council and the Chairman of Revenue Committee. It is now a clean Amendment and validates the matter with regards to the lack of publication notices and the assessments of non quadrennial years and worked out the compromise that the Public Action Council where we exempt the individual and farm land assessments. I think now it is clean and it is very important to many counties in Illinois. And I move for its adoption."

Speaker Redmond: "Any discussion? The question is on the Gentleman's motion for the adoption of Amendment #2. Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carries and the Amendment is adopted. Any further Amendments?"

Clerk O'Brien: "Floor Amendment #3, Skinner. Amends House Bill 1475 on page 1, line 1 and 5, and so forth."

Speaker Redmond: "Representative Skinner."

Skinner: "Yes, Mr. Speaker, I ask leave to withdraw this Amendment and move to Amendment #4 which is in order."

Speaker Redmond: "Amendment #3 is withdrawn. Any further Amendments?"

Clerk O'Brien: "Floor Amendment #4, Skinner. Amends House Bill 1475 as amended by inserting 18 and 146 in numeral sequence and so forth."

Speaker Redmond: "Representative Skinner."

Skinner: "Mr. Speaker and Members of the General Assembly...."

Speaker Redmond: "Representative Darrow, for what purpose do you arise?"

Darrow: "Mr. Speaker, would the Sponsor of the Amendment hold

this until the Sponsor of the Bill and the other individuals are here? I think these are a little controversial."

Speaker Redmond: "I would think if it's controversial.... Representative Davis is not on the floor."

Skinner: "It wasn't controversial until Representative Matijevich tabled his Bill in a huff last week."

Speaker Redmond: "Well, I'd feel more comfortable if we wait until Representative Davis...."

Skinner: "I have no objection, Sir."

Speaker Redmond: "Out of the record."

Darrow: "Thank you."

Speaker Redmond: "1511, Representative Ryan."

Clerk O'Brien: "Senate Bill 1511, a Bill for an Act making appropriation for the painting of a portrait of former Governor Richard B. Ogilvie. Second Reading of the Bill, Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment #1."

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. Senate Bills, Third Reading. Senate Bill 1394, Representative Dave Jones. Out of the record. How about 1395? Out of the record. On the Speaker's Table, Resolutions which require a simple Majority. House Resolution 539, Representative Younge. 539 Resolution, do you want that called?"

Clerk O'Brien: "House Resolution 539."

Speaker Redmond: "Representative Wyvetter Younge."

Younge: "Thank you, Mr. Speaker and Members of the House. House Bill.... House Resolution 539 would establish a special Committee to citizens and elected officials in the East St. Louis Metropolitan area to study ways of bringing about economic prosperity for that area. The Capital Development Board one year ago issued a report of various problems in reference to the East St. Louis area. The

study was about six municipalities and the problems of those municipalities. This Resolution would establish a Subcommittee to study that report and to come up with plans and solutions to the problems of that area, thereby involving citizens of that area in the....their own solution. I move for the adoption of this Resolution."

Speaker Redmond: "Is there any disucssion? The question is on the Ladies motion for the adoption of House Resolution 539. Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carried and the Resolution is adopted. House Joint Resolution 11, Representative Yourell. House Joint Resolution 11, Representative Yourell. Out of the record? House Joint Resolution #26, Representative Stearney. Out of the record. House Joint Resolution #42, Representative Porter. House Joint Resolution #48, Representative Deavers. Out of the record. House Joint Resolution #82, Representative Brady..no, out of the record. Senate Joint Resolution #19, Representative Schoeberlein. Senate Joint Resolution #19. Representative Schoeberlein."

Schoeberlein: "Mr. Speaker and Ladies and Gentlemen of the House, there is no money involved in this particular Resolution. Most of the drafting and engineering work has been completed and this is merely to permit them to complete that during the winter months, so if anything should happen at this particular dam site.. DAM....that they would have the necessary work completed if money is required in the future. I move the passage of this Resolution."

Speaker Redmond: "Is there any discussion? The question is on the Gentleman's motion for the adoption of Senate Joint Resolution #19? Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carried and the Senate Joint Resolution #19 is adopted. Any announcements? Chairman of Appropriations, Representative Matijevich."

Matijevich: "Mr. Chairman, Ladies and Gentlemen of the House,

Appropriations I Committee is meeting right now or sooner in the Committee room #114. Room 114."

Speaker Redmond: "How about Representative Barnes Committee in which he's the Chairman. Representative Matijevich."

Matijevich: "Same time different place, in room 118."

Speaker Redmond: "There is a total of 150 Appropriation Bills in the Committee. There is a total of 149 Senate Bills in the Rules Committee. Representative Katz."

Katz: "First of all, Mr. Speaker. Senate Bills have been arriving and there has not been time for House Sponsors to pick up the Bills. Accordingly, I would like to request leave to suspend the appropriate rule so that the posting of Bills to be heard before the Rules Committee may be made without regard to the two day requirement that usually applies. I have spoken to the Majority Leader and with the Minority Leader and they have no objection to the suspension of that rule. That is the suspension of the rule with regard to the requirement of two days notice for posting of Bills to be heard in the Rules Committee."

Speaker Redmond: "Representative Madigan."

Madigan: "A question of the Sponsor."

Speaker Redmond: "Proceed."

Madigan: "What will be the time period for this suspension?"

Katz: "The time period that was contemplated would be posting this week."

Madigan: "Therefore, tomorrow."

Katz: "That's right, it would be for posting of the Rules Committee meeting that will be taking place today immediately upon adjournment in room D-1 and tomorrow morning at 9:30 A.M. in room 212."

Speaker Redmond: "Anything further?"

Madigan: "Mr. Speaker, I regret that I did not hear the Gentleman's motion. But as I understand the motion, it would provide that all Senate Bills assigned to the Rules Committee could

be heard today in the Rules Committee."

Speaker Redmond: "Is that your motion, Representative Katz?"

Katz: "Yes, that is the motion, Mr. Speaker."

Madigan: "Mr. Speaker, I think that it is incumbent that we notify the Members....if we could have some order, Mr. Speaker. I think it is incumbent that we notify the Members that our current plan and intention is that the Rules Committee will meet today and tomorrow...only. And that after tomorrow there will be no other meetings of the Rules Committee."

Speaker Redmond: "I think that's the understanding and it seems to me that it takes 177 votes to suspend that rule, doesn't it? The question....are there any objections to Representative Katz....that we have more than two Rules Committee meetings. The plan now is to have Rules today and tomorrow. And the motion is to suspend the Posting Rule so that all of the Senate Bills can be heard in Rules today or tomorrow."

Katz: "Yes, and the suspension is only with regards to the meeting today and tomorrow. That's all that we are seeking to suspend."

Speaker Redmond: "Representative Ryan."

Ryan: "That has nothing to do with the printing or....this is only to suspend the Posting Rule."

Katz: "Only to suspend the Posting Rules, that's all I'm asking for."

Speaker Redmond: "Now are there any objections? Hearing none, leave is granted. We'll use the Attendance Roll Call in support of the motion. Representative Katz."

Katz: "Now, Mr. Speaker, I want to make....to nail down so that every Member understands as far as when the Rules Committee meeting is and where it will be. Immediately upon adjournment there will be a meeting of the House Rules Committee in room D-1. That's today right after adjournment. And tomorrow morning at 9:30 A.M., there will be

a second meeting of the House Rules Committee. That meeting will take place in room 212, that's usually a Senate room on the second floor of the Capital. Okay, Mr. Speaker, that is the notice that I wanted to give."

Speaker Redmond: "Any further announcements? Representative Collins."

Collins: "Yes, Mr. Speaker, inspired by the reading of Susan Catania and the singing of Adeline Geo-Karis, but above all the leadership of Commandant Larry DiPrima. The poppy sales this year exceeded last year by some fifty dollars and we did raise the total of three hundred and four dollars and nine cents for which you all can take credit and for which you have everybody's gratitude. Thank you."

Speaker Redmond: "Representative Ryan."

Ryan: "Thank you, Mr. Speaker. In the gallery behind me, we have the 8th grade students of the Komensky School from Berwyn, Illinois. They are supervised today by Mr. John DeBarnardo and a 8th grade teacher and Mrs. Calverts the Principal. They come from the 7th Legislative District represented by Klosak, Pechous and Matula: Right here."

Speaker Redmond: "Representative Katz."

Katz: "Mr. Speaker, it did occur to me that with regards to the posting which has been allowed. That it ought to be understood that there will be more than fifty Bills that will be posted. Accordingly we will also need to suspend the rules so that more than fifty Bills can be posted for the meeting the House Rules Committee this afternoon and tomorrow morning. And I would so move, Mr. Speaker."

Speaker Redmond: "Any discussion? The question is moved that leave be granted to hear more than....and post more than fifty Bills in the Rules Committee. Are there any objections? Hearing none we will use the Attendance Roll Call in support of the motion. Representative Madigan."

Madigan: "Mr. Speaker, are there any further announcements? Can

we take Agreed Resolutions?"

Speaker Redmond: "Didn't have any. Former House Member, former Representative George Lindberg is on the floor. Agreed Resolutions."

Clerk O'Brien: "House Resolution 901, Jane Barnes. 902, Jane Barnes. 903, Van Dwyne. 904, Pechous. 905, Pechous. 906, Yourell. 907, Kelly. House Joint Resolution 93, Huskey-Geo-Karis."

Speaker Redmond: "Representative Giorgi."

Giorgi: "Mr. Speaker, House Resolution 901 by Barnes, notes the 50th wedding anniversary. 902 by Barnes, talks about Eagle Scout Award. 903 by Van Dwyne, talks about Providence High School Girls Track Team. 904 by Pechous, talks about the Valentine League. 905 by Pechous, talks about marriage. 906 by Yourell, honors the City of Hometown. 907 by Kelly, honors the Orland Junior High School Concert Choir. And 903 by Huskey, talks about island in Cyprus and I move for the adoption of the Agreed Resolutions."

Speaker Redmond: "Any discussion? The question is on the Gentleman's motion for the adoption of the Agreed Resolutions. Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carried. The Agreed Resolutions are adopted. Now Representative Madigan, anything else?"

Madigan: "Allowing five minutes for the Clerk, Mr. Speaker, I move that we adjourn until 12 noon tomorrow."

Speaker Redmond: "You heard the Gentleman's motion, we adjourn until 12 noon tomorrow after five minutes perfunctory. Those in favor say 'aye', opposed 'no'. The 'ayes' have it and the motion carries. The House now stands adjourned."

Clerk O'Brien: "Senate Bills, First Reading. Senate Bill 1530, Brady, a Bill for an Act making appropriation to the ordinary and contingent expense of the Illinois Community College Board. First Reading of the Bill. Senate Bill 1555, McClain, a Bill for an Act relating to higher

education. First Reading of the Bill. Senate Bill 1672, Telcser, a Bill for an Act to amend Sections of the Capital Development Bond Act. First Reading of the Bill.
