

Doorkeeper: "Attention, Members of the Representatives, the House will convene in fifteen minutes. All persons not entitled to the House floor, please retire to the gallery."

Clerk O'Brien: "Phone call for Duffy at the well."

Speaker Redmond: "House will come to order. Members, please be in their seats. Be led in prayer by the Reverend Krueger, the House Chaplain."

Reverend Krueger: "In the name of the Father, the Son and the Holy Ghost. Amen. O, Lord, bless this House to Thy service this day. Amen. William James wrote: 'To achieve all that is possible, we must attempt the impossible. To be as much as we can be, we must dream of being more.' Let us pray. Almighty God, Father of all mercies and Lord of all comforts, our only help in time of need; we give Thee hearty thanks for all the blessings which Thou hast bestowed upon us. Inspire our hearts and enlighten our minds that we may serve with zeal the people of this State of Illinois whom we represent in this Legislative Body. Help us to never accept or condone that which is less than perfect and true in Thy sight and wisdom. Through Jesus Christ our Lord. Amen."

Speaker Redmond: "Senate Bills First Reading. Roll Call for attendance."

Clerk O'Brien: "Senate Bill 1556. Brandt. A Bill for an Act making an appropriation to the Legislative Space Needs Commission. First Reading of the Bill."

Speaker Redmond: "Messages from the Senate. ...House Member, former Representative D'Arco. Been caught in quicksand since he left here. Representative Kosinski, for what purpose do you rise?"

Kosinski: "My purpose is one of propriety in terms of the passage of a House Resolution on an Agreed List that was illegally so passed. May...may I state the Resolution and the problem?"

Speaker Redmond: "When...when did this happen?"

Kosinski: "Last week, Sir."

Speaker Redmond: "Well. Comptroller of the State of Illinois is in the chamber, Michael Bakalis. Representative Geo-Karis is in the chamber, eight minutes after one. Representative Ryan, you seek recognition for any Republicans whose absence should be excused?"

Ryan: "Yes, Mr. Speaker, Representative Abramson due to illness. I

don't know whether that's from sitting next to Representative Geo-Karis or not but I wouldn't want to make that accusation."

Speaker Redmond: "Any objections? Hearing none, the record will indicate that Representative Abramson's absence is excused. Is there any Democratic Members whose absence should be excused? Representative Lucco, are you seeking recognition?"

Lucco: "Yes, thank you, Mr. Speaker. I rise to introduce a longtime friend of mine, Ladies and Gentlemen of the House, I have with me Joe 'Borrio' who I had as a student and an athlete at Kincaid, Illinois about 1943.- that's when I was about 12 years old - coaching over there. He is now the Commander of Chapter 15 and with the State Disabled American Veterans. And it's a pleasure to introduce to you at this time, Joe 'Borrio'. Joe."

Speaker Redmond: "Representative Matijeich."

Matijeich: "How about all of us meeting and greeting Julie Getty right over here, daughter of Mike Getty."

Speaker Matijeich: "Representative Lucco."

Lucco: "Yes, thank you, Mr. Speaker, Ladies and Gentlemen of the House, I'd like to call your attention to a group of students, fifth graders from the Gilson Brown School in Godfrey, Illinois. They come from the 56th District represented of course by myself, Jim McPike and Everett Steele. In the group is Representative McPike's son, Jimmy. Glad to have you here."

Speaker Redmond: "Representative Matijeich."

Matijeich: "Why...why not? Dan Pierce's son, Tony Pierce and Miss Sharp, right here."

Speaker Redmond: "That the one who went to Harvard? Representative Gene Hoffman, for what purpose do you arise?"

Hoffman: "Yes, thank you, Mr. Speaker. I would like to point out to the Members of the House that Representative Schneider is here today."

Speaker Redmond: "Representative Schneider. Representative Schneider has reverted. Couldn't...couldn't stand the tide. Representative Mudd, for what purpose do you rise?"

Mudd: "Yes, Mr. Speaker, Members of the House, I want everybody to remember that Thursday night we've got a Senate and House softball game and the Pages have got tickets, so if the Members could help us if they..."

they've got buyers for these tickets, give them to the Pages so that we can get some of these tickets....."

Speaker Redmond: "Are you playing this year, Representative Mudd?"

Mudd: "No, I'm going to officiate. I've had some ear surgery, they're not going to let me play. Capparelli wants to throw at me a little bit. I might play an inning or two."

Speaker Redmond: "Representative Taylor on the floor? You're not Taylor. Representative James Taylor. From the Speaker's Table appears House Resolution 150. Representative Kucharski. House will come to order. Well, maybe Skinner will take care of it. Mr. Clerk, do you want to read the Resolution 150? Don't you even call 150? Representative Skinner, you disavow 150 like you do House Bill 990? House Bills First Reading."

Clerk Hall: "House Bill 3403. Matula. A Bill for an Act for appropriation for Illinois Racing Board. First Reading of the Bill."

Speaker Redmond: "Committee on Assignments. Representative Walsh.... it's 1:30. Representative Walsh is on the floor. House Resolution 154, Representative Taylor, you want that one called? Out of the record. 457, Representative Steczo, you want that one called? Out of the record. 478, Representative Giglio? Out of the record. House Joint Resolution 11, Representative Yourell. Out of the record. House Joint Resolution 26, Stearney. Representative Stearney. Out of the record. House Joint Resolution 42, Representative Porter. Out of the record. House Joint Resolution 48, Representative Deavers. Out of the record. House Joint Resolution....Representative Bradley, for what purpose do you rise?"

Bradley: "Well, Mr. Speaker, for the purpose of recognizing some people who do a lot of work in the House of Representatives and get very little recognition or not nearly as much as they deserve. And I'd like to recognize the Democratic Staff members and I hope that they're listening for we have submitted, Mr. Speaker and Ladies and Gentlemen of the House, 3....we have submitted three reports to the National Conference of State Legislators....Legislatures who will be meeting in July of this year, and we have submitted three reports, one of them, the budgetary issue in Fiscal Year '79 by John Matijevich, one of the chairmen and Gene Barnes the other, the report was written and

prepared with their help and with the help of the Democratic staff. Also, the 1978 survey of state residential facilities was submitted to compete with other states throughout these United States for honors. And I would like to specifically announce the...the Judiciary I Subcommittee Report on Product Liability was submitted to the Conference for their consideration and that report, Mr. Speaker, Ladies and Gentlemen of the House, five copies of that report was also requested by the White House, that the staff reports be sent to Washington, D. C. to be analyzed in Washington. And I certainly am glad to be able to take this opportunity to make this announcement in behalf of the Democratic staff. I understand that another report, COOGA, ten years after has also been re...supported and submitted to the NCSL for their consideration in determining...and I'm very hopeful that we will be recognized and the staff will be recognized in Denver in July for their tremendous amount of work that they've done on the various reports. Thank you, Mr. Speaker."

Speaker Redmond: "House Joint Resolution 82, Representative Brady."

Clerk Hall: "House Joint Resolution 82. Brady."

Speaker Redmond: "Representative Brady. Please give the Gentleman order."

Brady: "Mr. Speaker and fellow Members, House Joint Resolution 82 does exactly what it says it does on the Calendar. I had a letter from the Illinois Energy Resources Commission Chairman, which is Representative Lucco, who said he would welcome the opportunity to hold these hearings in support of...of them. The fiscal impact would be minimal since the Commission budget already includes for hearings under which this Resolution would be applicable. And I think it's important to check into the energy usage in our schools and I urge your favorable support."

Speaker Redmond: "Is there any discussion? Question's on the Gentleman's motion for the adoption of House Joint Resolution 82. Those in favor say 'aye', 'aye', opposed 'no'. Parliamentarian says simple majority. Motion carried and the Resolution's adopted. Representative Pierce."

Pierce: "Mr. Speaker, if that Commission, to suspend funds on this, shouldn't we get a record vote? It might...it might require some travel expenses or some court reporter or...or incidental expenses."

Speaker Redmond: "Energy Resources Commission has their own funds."

Pierce: "Oh, so it'll come out of their appropriation..."

Speaker Redmond: "Right. Chairman's pretty tight too. The Order of Concurrence, House Joint Resolution 67. James Houlihan, do you want that one? Out of the record. Senate Bills Third Reading. Senate Bills Third Reading appears Senate Bill 82. Representative Polk, Senate Bill 82. Mr. Clerk, will you read the Bill?"

Clerk Hall: "Senate Bill 82. A Bill for an Act to amend Sections of the Criminal Code. Third Reading of the Bill."

Speaker Redmond: "Representative Polk. 82. Out of the record. 1394, Representative J. David Jones. Is he on the floor? 1395, out of the record. 1475, Jack Davis. Read the Bill, Mr. Clerk."

Clerk Hall: "Senate Bill 1475. A Bill for an Act to amend Sections of the Revenue Act. Third Reading of the Bill."

Speaker Redmond: "Representative Jack Davis."

Davis: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House.

Senate Bill 1475, before it was amended, is...an identical duplicate to House Bill 2669 that this House passed out without a dissenting vote in April of this year and now rests in the Senate on Second... or in the Committee in the Senate. The Bill itself in its unamended form addresses the problem for Lake and Will Counties only in that it provides a validating action for actions taken by the county boards that were contrary to a statute passed last year in this General Assembly to allow the extension of the tax delinquency dates from March 1st to a date uncertain but no later than...than June 1st. The Amendments on the Bill also address some problems that took place in Lake and Will County...as far as publication dates. There are a couple of other Amendments that were accepted to the Bill that I have no particular objection to and at this point in time I would urge you in...in the spirit of getting this Bill quickly back over to the Senate for a concurrence in the Amendments to please cast an affirmative vote for Lake and Will Counties."

Speaker Redmond: "Is there any discussion? Question is....Representative Simms. Please give the Gentleman order. Representative Geo-Karis, please."

Simms: "Well, Mr. Speaker, Ladies and Gentlemen of the House, I reluctantly rely...arise and oppose this legislation. Out of the respect...to the Sponsor of the Bill, this does overturn a Supreme Court decision which in essence does take away from the taxpayer the right of timely notice in the change of assessments. The Bill has been amended by Representative Matijevec to make it a better Bill than what it was when it came from the Senate. But it still, to a certain degree, deprives the taxpayer of his rights under the law. And for these reasons I'm going to cast a 'no' vote."

Speaker Redmond: "Anything further? Representative Davis to close."

Davis, J: "Mr. Speaker, I would defer to Representative Matijevec to close."

Speaker Redmond: "Representative Matijevec."

Matijevec: "Mr. Speaker and Ladies and Gentlemen of the House, as Co-Chief Sponsor of a similar Bill that Representative Davis had in the House and as Sponsor of the Amendment, I would urge the Membership to support Senate Bill 1475. It is needed in Will and Lake County...in its original form and also the Amendment that I proposed and was added onto the Bill is needed in about 90 counties of Illinois or we will...many taxing bodies will lose much needed revenue. The Amendment that I worked out with the Illinois Public Action Council satisfies most of the...the objections that Representative Simms and his county had because the individual taxpayer and the farmland taxpayer is now protected by the Bill. So I would urge your support of Senate Bill 1475."

Speaker Redmond: "Representative Stuffle, for what purpose do you rise? Question is, shall this Bill pass? Those in favor...Representative Campbell."

Campbell: "Yes, Mr. Speaker, either from the Sponsor or from Representative Matijevec, I just wanted to know if this had the Amendment that was proposed that I had on your Bill. It's a one...one shot deal? For one year only?"

Matijevec: "I have the Amendment which was worked out which was the Amendment you had and the Amendment Simms had that were all incorporated into the one Amendment by the Illinois Public Action Council, Representative Campbell. Yes."

Speaker Redmond: "Representative Stuffle."

Stuffle: "Yes, Mr. Speaker, along the same lines as that question of Representative Campbell. Then Representative Matijevich, you're saying that this takes care of the people involved in the suit in our district, Vermilion County, with regard to the...to the billing and notice last year, that would...that Supreme Court case with regard to them would not be affected?"

Matijevich: "That...that's right because they're exempted out as individual taxpayers."

Stuffle: "So it's prospective."

Matijevich: "That's right, there's no problem with them."

Speaker Redmond: "The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Former Member of the House, former Representative Merlo. Never been heard of since he left the chamber. Have all voted who wish? Have all voted who wish? Clerk will take the record. On this question there's 131 'aye' and 8 'no'. And the Bill, having received the Constitutional Majority, hereby declared passed. Senate Bills Second Reading. Senate Bill 1060. Representative Tipword, you want that one called? 1060. Senate Bill Second Reading. Read the Bill, Mr. Clerk."

Clerk O'Brien: "Senate Bill 1060. A Bill for an Act to create the Illinois Health Finance Authority. Third Reading of the Bill."

Speaker Redmond: "Representative Tipword. Please give the Gentleman order."

Clerk O'Brien: "Second Reading of the Bill. Amendments #1, 2, 4 and 5 were adopted in Committee."

Speaker Redmond: "Any motions with respect to the Committee Amendments?"

Clerk O'Brien: "No motions filed."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "Floor Amendment #6. Bennett. Amends Senate Bill 1060, as amended, in Section 9.02 and so forth."

Speaker Redmond: "Representative Bennett on the floor?"

Bennett: "Mr. Speaker, I...my understanding that this Bill was not ready to proceed with on Second Reading. I don't know...I'm wondering if...might take it out of the record for a few minutes?"

Speaker Redmond: "That's within the control of Representative Tipsword, the House Sponsor."

Tipsword: "I'll take it out if the people with the Amendments are not ready."

Speaker Redmond: "Take it out?"

Tipsword: "Yes, Sir."

Speaker Redmond: "Out of the record. House Bills Third Reading, House Bill 2580. Representative Schisler. Representative Van Dwyne, is Representative Schisler back there? Can't see him. You want 2580 called? Out of the record. 3013. Out of the record. 3128, Representative Dunn. Out of the record. 3231, Representative Richmond."

Clerk O'Brien: "House Bill 3128."

Speaker Redmond: "3231."

Clerk O'Brien: "House Bill 3231. A Bill for an Act making an appropriation for the Capital Development Fund. Third Reading of the Bill."

Speaker Redmond: "Representative Richmond."

Richmond: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. This...House Bill 3231 reappropriates 100,000 dollars for the Jackson Union Counties Regional Port Authority. In its amended form that is all this Bill has in it, is the reappropriation for those funds. The other funds that were in the Bill originally for the Joliet Metropolitan Exposition and Auditorium Authority has been amended out. This, of course, just funds ... that we passed last year and they need to be reappropriated....due to the time restrictions the...hasn't been able to apply them and I ask that your favorable vote to accomplish this."

Speaker Redmond: "...Discussion? Question...Representative Mann. Mann. Representative Pierce."

Mann: "If the...if the Gentleman would yield for a question?"

Speaker Redmond: "He will."

Mann: "I missed your explanation here, Bruce."

Richmond: "Okay. This has 100,000 dollars for reappropriation for the Jackson Union Counties Regional Port District. This is a Bill that we passed last year."

Speaker Redmond: "Any further questions? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? Have all voted who wish? Clerk will take the record. On this question there's 134 'aye', 6 'no'. The Bill, having received Constitutional Majority, hereby declared passed. 3384, Representative Harris. Out of the record. 3394, Representative Kempiners. Out of the record."

Clerk Hall: "House Bill 3394. A Bill for an Act to make appropriations to the Department of Business and Economic Development. Third Reading of the Bill."

Speaker Redmond: "Representative Kempiners."

Kempiners: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. This is an appropriation Bill...."

Speaker Redmond: "Representative Collins, for what purpose do you rise?"

Collins: "Mr. Speaker, I apologize but I pushed the wrong button on the last Bill, 3231. Can I be recorded as voting 'no', please?"

Speaker Redmond: "Does the Gentleman have leave to be recorded as voting 'no' on 3231? Hearing no objections leave is granted."

Kempiners: "House Bill 3394, Mr. Speaker and Ladies and Gentlemen of the House, is an appropriation Bill. It's been amended downward from 390,000 down to 144,000 dollars and it results from the case of the Department of Business and Economic Development versus Pioneer Trust and Savings in Kane County Circuit Court. And primarily what it's for is land that was condemned by the state for the construction of the...of the Fermi Labs and the amount of money in question has been contested and the amount decided upon and this is the balance of the amount that was decided in this court case. And I would ask for your support."

Speaker Redmond: "Any discussion? Question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. All voted who wish? Clerk will take the record. On this question there's 139...141 'aye' and no 'nay'. Bill, having received the Constitutional Majority, hereby declared passed. Proclamation from His Excellency James R. Thompson the Governor of the State of Illinois. Mr. Clerk, will you read the proclamation? Please give the Gentleman order....."

Clerk O'Brien: "State of Illinois...."

Speaker Redmond: "Representative Davis."

Clerk O'Brien: "State of Illinois. Executive Department Proclamation.

Resolved, That a suitable copy of this Preamble and Resolution be presented to the Honorable Corneal A. (Deacon) Davis, Representative from the Twenty-second Legislative District, as a formal and lasting expression of our deep and sincere feeling toward our beloved and esteemed colleague."

Speaker Redmond: "Representative Taylor."

Taylor: "Thank you, Mr. Speaker, Members of the House, truly Corneal Davis...all of our friends. And since all of the Members of this House have..went...on record with me with a testimonial dinner in his honor tonight, I would like to ask leave of the House that all Members be included as a Cosponsor of House Resolution 925. And with that, Mr. Speaker, I move for the adoption of House Resolution 925."

Speaker Redmond: "Is there any discussion? The question's on the Gentleman's motion for the adoption of Resolution 925. Those in

favor say 'aye', 'aye', opposed 'no'. The 'ayes' have it, the motion carries, the Resolution's adopted. Representative Corneal Davis, do you seek recognition?"

Davis, C: "Mr. Speaker. Mr. Speaker and Ladies and Gentlemen of the House, I appreciate this warm reception and I appreciate it more than you could ever believe because this is not the kind of reception I received when I first set foot on our Capitol City in Springfield. But, thank God, I look at this invitation here and I see the 177 names of the Members of the House of Representatives who honor me by being a part to a dinner whose purpose is to honor me. I would be less than human if I didn't appreciate that. In fact, you know you can't see it but a tear stands in my eye. Reverend Doctor Archibald Carey who was appointed to the United Nations by President Eisenhower and then we were associated together in the ministry, and still associated together, he's a Judge and I'm a lawmaker but we're still together in the ministry. And I was campaigning for John Fitzgerald Kennedy and I ran into the distinguished and beloved - of blessed memory - Doctor Martin Luther King - I've never told this story before but I want you to hear it - and he said, 'come here, you amuse me, I want to talk to you a minute.' And I said, 'Doctor King, it's my pleasure to have you say you want to talk to me.' He said, 'You know, I had Reverend Carey at my church, he's a powerful orator. I've heard you speak', and he said, 'both of you associated together in the ministry.' I said, 'Yeah.' He said, 'Well, how does it happen that Reverend Carey is a delegate to the United Nations and he seconded the nomination of President Eisenhower and he's such an outstanding Republican and you are an outstanding Democrat and you fellows work together so harmoniously.' He says, 'I want to know what makes you two guys click.' And I said, 'Doctor King, you see it's like this, we're members of different parties and our parties are different but' I said, 'our problems are just the same.' And he said, 'Well, that's pretty good. That's pretty good and I accept that and thank you so much.' That was the closest I've ever been to the distinguished Civil Rights Leader. And I say to you this day that I appreciate especially the Members on the other side of the aisle the honor you do me by lending your name to this affair that's

being given in my honor tonight. And especially do I appreciate the Resolution that was being read that came from His Excellency the Governor, Governor Thompson, declaring of Corneal Davis' Day. I never thought I'd ever live to declare this day especially when I can hear the voice of a man that I've learned to like, Representative ....now I've learned to like him past years, who said, who said to me once, 'If you know what's good for you, you'll stay out of this town.' So you appreciate, you know...you...you have to appreciate freedom when you have been denied that freedom. Sometimes we just take it for granted. Some people say, 'Oh, it was going to happen anyhow.'

Tell me that I knew it was going to happen anyhow. Well, I say to you that progress is not automatic. Doesn't necessary have to happen anyhow. The world goes <sup>better</sup> because there are men and women like you who helped to make it better, who dedicate their lives to serve the cause of the men that are farthest down and the men that are farthest up on the ladder, that's how the world grows better, dedicated public servants like you. I appreciate all of this. People say to me, 'Where...how do you devote so much time? You're there, you're in church, you're at all...make you do all these things. How can you keep it up?' I said, 'You see, when the Lord shovels it in, and that goes for everything, the little two, three dollars that I have and the money that I have to pay the installment note on my car and all that sort of thing, when he shovels it in, I shovel it out.' I say but...and that means my time and my energy and my fighting form, the poor and the needy. I know you're getting tired of me in here and I do not object to you opposing because perhaps I do get on your nerves sometimes. I do not object to it. But you see, when the Lord shovels it in, I try to shovel it out and the only difference is, the Lord's shovel is bigger than my shovel and he can shovel more God bless you and God keep you and may he make his face to shine upon you. I just got a call and I was deeply moved by that call because it was one of the great Governors...past Governors of the State of Illinois. It came from my friend, Bill Stratton, and he said, 'Deacon, I'm trying my best to get up there to honor you.' I want to say that to you because I want my fellows to know this, that Bill Stratton was the first Governor and the only Governor to ever

name a black man Director of Public Safety. Put that down in your black history books. Thank you so much. Thank you and keep you and may the Lord keep you, may the Lord bless you and make his face to shine upon and I expect to make two or three remarks tonight. Thank you."

Speaker Bradley: "Deacon, we'll get a repair man up to....now that you ...on your last speech you broke the microphone. The Gentleman from Cook, Mr. Taylor."

Taylor: "Thank you, Mr. Speaker and Members of the House, I know you heard the proclamation by...read by the Clerk there. We are also going to have a proclamation tonight at the dinner from the City of Chicago, Mayor Michael A. Bilandic, also have declared this as Corneal A. Davis' Day. I also....like to express regret to the fact that the Minority Leader who had previously planned to be with us tonight has some problems and will not be there because of his kid's graduation. But I do want him to express his, will, and hope that all of you that have not picked up your tickets, go into Corneal A. Davis office, we have a person there able to pass out the tickets. Thank you, Mr. Speaker and Members of the House."

Speaker Bradley: "The Gentleman from Kankakee, Mr. Ryan."

Ryan: "Well, thank you, Mr. Speaker and Ladies and Gentlemen of the House. Representative Davis, I apologize for not being able to be with you this evening as I planned but I have a graduation of a son from the eighth grade this evening and I feel that that's my place and that's where I'll be. Although I would like to say that it will be a privilege, or it has been here at least this afternoon, to honor you who has distinguished yourself in public office as few have before you and all too few will in the future."

Speaker Bradley: "Mr. Ryan, Mr. Davis is right here."

Ryan: "I wondered where he was. You're going to be praised tonight, Representative Davis, not because of the length of your public service, although that's a remarkable feat in itself, but rather because of the quality of public service which is absolutely remarkable and has been a hallmark of your tenure here. There's going to be many words spoken about you tonight by your friends and your colleagues as they join in tribute to you but your legislative record stands as the real tribute to you and your people and our words tonight will

hardly be adequate to describe those accomplishments. I send my best wishes personally and as a spokesman for the Republicans, we'll have a good showing there tonight. I wish you the best in whatever you do in the future and certainly in tonight. You've certainly been an outstanding leader in the State of Illinois and you'll go down in history as such."

Speaker Bradley: "Motions. I'm sorry, what purpose, the Gentleman from Cook, Mr. Madison, arise?"

Madison: "Well, thank you, Mr. Speaker and Ladies and Gentlemen of the House. I certainly echo the feelings of our Leadership in terms of Representative Davis. And I believe, Mr. Speaker, that we should give honor to whom honor is due in any situation. And we have in our midst today, Mr. Speaker, another Gentleman, a distinguished public servant that I think honor is due. I think that, Mr. Speaker, because two weeks ago Friday was in fact his finest hour. While he stood in the midst of us, Mr. Speaker, with...with perspiration pouring down his face and with an eloquence that I've never heard before, he stood before us and he said, 'Mr. Speaker, the President of the United States'. And it was indeed his finest hour for he is a distinguished public servant, our Doorkeeper, Mr. Emery Koehler. I think we ought...."

Speaker Redmond: "Motions. On motions appears a motion with respect to Senate Bill 1847. Representative Lee Daniels."

Daniels: "Mr. Speaker, Ladies and Gentlemen of the House, I would move to discharge Judiciary Committee I and bring SB 1847 to Second Reading, First Legislative Day. I've cleared this with the Chairman of the Judiciary Committee I and both sides of the aisle."

Speaker Redmond: "Representative Madigan."

Madigan: "Inquiry of the Clerk. Is Representative Daniel Houlihan listed as a principal Cosponsor of this Bill?"

Speaker Redmond: "Mr. Clerk. Is Dan Houlihan a principal Cosponsor? Mr. Clerk."

Clerk O'Brien: "The records indicate Representative Daniels as the Sponsor of the Senate Bill."

Madigan: "Mr. Daniels, would you indicate that Representative...."

Speaker Redmond: "Representative Daniels."

Daniels: "Yes, Mr. Speaker, Representative Houlihan should be a

Chief Sponsor. It should read, Daniels, hyphen, Houlihan, on the Bill. With leave of the House we'd like to add that."

Speaker Redmond: "Gentleman have leave....What's this? The Clerk... the Clerk advises me that as far as the computer and our synopsis and Digest the computer is unable to hyphenate, so the synopsis and Digest will only show the one name but the Journal will show Daniels-Houlihan. Now does the Gentleman have leave to have Daniels-Houlihan be shown as a principal Cosponsor of Senate Bill 1847? Hearing no objection, leave is granted. Now the procedure would be that you have to move to suspend the provisions of Rule 66(b)."

Daniels: "So move."

Speaker Redmond: "Representative Daniels moves to suspend the provisions of Rule 66(b). Those in favor vote 'aye', opposed vote 'no'. It takes a 107 votes. Have all voted who wish? Clerk will take the record. On this question there's 137 'aye' and 3 'no' and the motion carried. Representative.....this is only a motion. The motion carries, the rule is suspended. Now Representative Daniels moves to discharge the Committee on Judiciary I and to have Senate Bill 1847 be advanced to the Order of Second Reading, First Legislative Day. Those in favor vote 'aye', opposed vote 'no', 89 votes. Clerk will take the record. On this question there's 137 'aye' and no 'nay'. The motion carries, the rule is suspended. Mr. Clerk, will you read Senate Bill 1847?"

Clerk O'Brien: "Senate Bill 1847. A Bill for an Act to create the Illinois Products Liability Act. Third...Second...Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Representative Mann."

Mann: "Mr. Speaker, by way of explanation of my vote, for the benefit of the other Members of the Judiciary I Committee on both sides of the aisle, Representative Daniels has indicated to me that this Bill will be held on Second Reading until further notice. And I just wanted you to know that."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "No Floor Amendments."

Speaker Redmond: "Third Reading. Representative Madigan is recognized with respect to House Resolution 913. Representative Roman Kosinski."

Kosinski: "Mr. Speaker, having examined...."

Speaker Redmond: "Representative Mann."

Mann: "Mr. Speaker, I think inadvertently the Chair, not having been advised, this Bill was moved to Third Reading and I don't think that was the intention of the Sponsor."

Speaker Redmond: "Representative Dan Houlihan."

Houlihan, D: "Mr. Mann is correct, I've just checked with Representative Daniels who would like Senate Bill 1847 held on the Order of Second Reading."

Speaker Redmond: "Okay, we'll move it....we'll take it back from Third Reading to Second Reading. Representative Roman Kosinski."

Kosinski: "Mr. Speaker, having examined House Resolutions that passed unanimously on an Agreed List last week, I discovered that House Resolution 913 was not so qualified, not being in agreement with House rules. It's an investigative Resolution and should be considered further. Therefore, having voted on the prevailing side, I request reconsideration of the vote by which House Resolution 913 passed."

Speaker Redmond: "Is there any discussion? Question...Representative Porter."

Porter: "Well, could the Representative tell us what 913 is all about?"

Kosinski: "If the Clerk would read the Resolution."

Speaker Redmond: "Would you explain the Resolution to Representative Porter....it's a...it's a Resolution that establishes....to direct the Illinois Legislative Investigating Committee to investigate attendance in making report and so forth."

Kosinski: "And as I understand it, Sir, this is contrary to House rules that this go on a....Agreed List. I've discussed this with the leadership on both sides of the aisle."

Speaker Redmond: "Anything further? The question's on the Gentleman... Representative Bradley. Representative Madigan. Bradley is recognized."

Bradley: "Mr. Speaker, I was wondering who the Chief Sponsor of that Resolution was?"

Speaker Redmond: "McGrew."

Bradley: "I wonder if Mr. McGrew is on the floor? Wonder if we couldn't hold that until Mr. McGrew would be on the floor of the House."

Kosinski: "Mr. Speaker, I think the technicalities, however, of this

are contrary to House rules that such a Resolution be passed on a voice vote."

Speaker Redmond: "Well, I think out of a courtesy there's nothing lost in waiting till Representative McGrew gets on the floor. Anything further? Representative Porter."

Porter: "Mr. Speaker, Ladies and Gentlemen of the House, I would like to ask leave of the House to have Representative James Taylor added as a Chief Sponsor, together with myself, in the House of Senate Bill 237 and Senate Bill 238."

Speaker Redmond: "Who is the Sponsor now, you?"

Porter: "Yeah."

Speaker Redmond: "The Gentleman have leave? Hearing no objection leave is granted. Agreed Resolutions."

Clerk O'Brien: "House Resolution 919, DiPrima. 920, Johnson. 921, Pechous. 922, Waddell. 923, Waddell. 924, Redmond. 926, Murphy. 927, Redmond. 929, Yourell. 930, Pechous. 931, Kelly. 932, E. M. Barnes."

Speaker Redmond: "Representative Giorgi."

Giorgi: "Mr. Speaker,....DiPrima's House Resolution 919 tells about a retiree, Captain McInerney. Johnson's House Resolution 920 notes the Nazi Party is planning on marching in Skokie. 921 by Pechous marks the Sokol-o-rama in his city. 922 by Waddell informs about an 80th birthday. 923 by Waddell recognizes the Golden Wedding Anniversary. 924 by Redmond talks about 39 years of a retiree. 926 by Murphy heralds the clinic in Aurora. 927 by McClain denotes ...about a McClain in Missouri. 929 by Yourell says that....someone's receiving a bachelor of science degree. 930 by Pechous informs of a 43rd anniversary. 931 by Kelly talks about an Eagle Scout Progress Award. And 932 by Barnes talks about a first generation. And I agree...I move for the adoption of the Agreed Resolutions."

Speaker Redmond: "Is there any discussion? Question's on the adoption ...motion...Gentleman's motion for the adoption of the Agreed Resolution, those in favor say 'aye', 'aye', opposed 'no'. The 'ayes' have it, the motion carries, the Agreed Resolutions are adopted. Any further Resolutions? Messages from the Senate."

Clerk O'Brien: "A message from the Senate by Mr. Wright, Secretary.

Mr. Speaker, I am directed to inform the House of Representatives that the Senate has concurred with the House of Representatives in passage of a Bill of the following title, to wit: House Bill #3380. Together with the attached Amendment and the adoption of which I am instructed to ask concurrence of the House, to wit: Passed by the Senate as amended, June 6, 1978. Kenneth Wright. Secretary."

Speaker Redmond: "Just received a message from the Senate. We're printing a Supplemental Calendar, we have to have a concurrence on a DOT Appropriation Bill so we'll have to stay here for a little bit anyway. I understand the Amendment's being distributed now. Senate Bill First Reading."

Clerk O'Brien: "Senate Bill 1802. Bluthardt-Williams. A Bill for an Act to amend Sections of the School Code. First Reading of the Bill."

Speaker Redmond: "While we're waiting here, are there any announcements? Any Committee Chairmen that have an announcement to make? Representative Pierce."

Pierce: "Mr. Speaker, Ladies and Gentlemen, the House Revenue Committee has a very important meeting today as soon as we adjourn in our usual room, that is Room 118 of the Capitol Building. We have some important Senate Bills before us today....be our only meeting this week and so all Members of the House Revenue Committee should proceed to Room 118 immediately upon adjournment."

Speaker Redmond: "Chairman of Elementary and Secondary Education, do you have an announcement? Representative Schneider, you have an announcement with respect to Elementary and Secondary Education?"

Schneider: "Speaker, we will be....Mr. Speaker and Members, the Education Committee will meet immediately upon adjournment."

Speaker Redmond: "Representative Taylor."

Taylor: "Thank you, Mr. Speaker and Members of the House. The Committee on Cities and Villages will meet immediately after adjournment. We have two Bills, shouldn't take us very long. I wish you would be very prompt because of the festivities this afternoon I'd like to get out in a hurry."

Speaker Redmond: "Representative Katz."

Katz: "The Judiciary II Committee will be meeting in its usual room, 114, in the Capitol Building, hearing this afternoon the so-called Skokie Nazi Bills....immediately upon adjournment."

Speaker Redmond: "Representative Tipword, the Chairman of Insurance, do you have an announcement?"

Tipword: "I have a question of the Chair. Will there be any change in the time for 4 o'clock Committee by virtue of our delay?"

Speaker Redmond: "There hadn't been...why don't you discuss that with Representative Madigan and we'll get back to you."

Tipword: "All right, thank you."

Speaker Redmond: "Representative Kosinski, for what purpose do you rise?"

Kosinski: "Mr. Speaker, inasmuch as there'll be no Session to make an announcement such as this prior to the meeting of Subcommittees, may I indicate that Subcommittee of Appropriations II concerned with Departmental Law Enforcement, Liquor Control Racing Board and the Army and Navy will meet at 8:30 tomorrow morning in 122-B. All Members are urged to be there on time."

Speaker Redmond: "On the Supplemental Calendar #1, on the Order of Concurrence, House Bill 3380. Representative Reilly is recognized."

Reilly: "Mr. Speaker, Ladies and Gentlemen of the House, in order that we might act on this emergency measure today, I move that we suspend the provisions of House Rule...House Rule 68(d) so that we can take up the Motion to Concur immediately."

Speaker Redmond: "Is there any discussion? Representative Capparelli. Representative Mudd."

Mudd: "Yes, would the Sponsor yield for a question?"

Speaker Redmond: "He will."

Mudd: "Representative Reilly, could you tell me what...what the...if the Amendment adopted by the House is still on that Bill? It is? Thank you."

Speaker Redmond: "Question is on the Gentleman's motion to suspend the Rule 68(d) in order to permit immediate consideration of the Order of Concurrence of House Bill 3380. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? All voted who wish? Clerk will take the record. On this question there's 143 'aye' and 2 'no' and the motion carries. Representative Reilly on the Order of Concurrence,

3380."

Reilly: "Mr. Speaker, Ladies and Gentlemen of the House, the Senate added an Amendment to this Bill that cuts the amount of transfer to the central office by 33,000 dollars. I have no objection to that Amendment. I move to concur with the Senate Amendment."

Speaker Redmond: "Representative Darrow."

Darrow: "Thank you, Mr....thank you, Mr. Speaker, will the Sponsor yield?"

Speaker Redmond: "He will."

Darrow: "Representative Reilly on the way down this morning I heard on WBBM that John Kramer who runs that department was accusing the Democrats in the Senate of holding that Bill hostage until the Pothole Bill passed for Governor Bakalis on the Pothole Bill he is sponsoring....you know if there was any truth to that rumor? Or where did WBBM and Mr. Kramer get that idea?"

Reilly: "There was such an Amendment drafted and in the Senate. I can only....I don't care to speculate as to why it was drafted or... or why it was not offered. But there was such an Amendment drafted."

Darrow: "Do you know if the Republicans drafted the Pothole Amendment or was it the Bill Harris Pothole Amendment that it...came out of the House?"

Reilly: "It was...it was the Bill Harris Pothole Amendment. He did not draft the Senate Amendment but it was not a Republican Amendment."

Darrow: "But in truth the Democrats over in the Senate weren't holding this hostage, this was the first order of business they took today and evidently Governor Thompson and his Director Kramer were using this for cheap political shots. Isn't that right?"

Reilly: "No, that's totally incorrect. If you at this late hour want to get into a political fight on this I'll be glad to. The fact is that the people who considered holding this hostage backed down and I'm glad they did. Now if you want to fight about it, we can..... not true."

Darrow: "I'm going to vote for this even though it looks like our Governor is trying to take an opportunity to take shots at Bakalis."

Speaker Redmond: "The Gentleman has moved that the House concur in Senate Amendment 1 to House Bill 3380. Those in favor vote 'aye',

opposed vote 'no'. Have all voted who wish? Clerk will take the record. On this question there's 145 'aye' and 2 'no'. The motion carries, the House does concur in Senate Amendment 1 to House Bill 3380. Representative Capparelli."

Capparelli: "Mr. Speaker, I'd like to suspend the appropriate rule so that all House Bills that have been assigned to Executive Committee be heard ....at this Thursday and also Senate Joint Resolution #60."

Speaker Redmond: "What was that again?"

Capparelli: "I'd like to have all Senate Bills that have assigned to Executive Committee be heard this Thursday and I'd like to waive the appropriate posting rule."

Speaker Redmond: "Gentleman has moved to suspend the provisions of Rule 18 in order that all Senate Bills assigned to Executive Committee be heard this week. Is there any objection? Hearing none, we'll use the Attendance Roll Call."

Capparelli: "Mr. Speaker does that also include Senate Joint Resolution #60?"

Speaker Redmond: "Anything that...you have everything that was assigned to you...."

Capparelli: "Yeah, but can I...."

Speaker Redmond: "That was assigned to you the answer is yes."

Capparelli: "Well, it had...she forgot to post that. Could I have leave on that? Oh, all right, thank you."

Speaker Redmond: "Anything further? Representative Ryan advises that Representative Summer is absent, should be excused...because there's death in the family. Representative Madigan on the Adjournment.... Representative Matijevich."

Matijevich: "Yes, Mr. Speaker, since we were still on announcements and didn't come back to it, Appropriations are...two Subcommittee Meetings in the morning. Representative Leverenz who is Chairman of the Subcommittee on Commission Bills tells me that that Subcommittee instead of 8:30 will meet at 9:30 in the morning in Room C-1, the State Office Building. The Subcommittee on Administrative Agencies will meet at 8:30 at Room 114 down here in the Capitol Building. Also, I want to remind all Democrats that we're going to have a meeting immediately after adjournment tomorrow, the Appropriations I Democratic

Members, tomorrow immediately after adjournment in Room 114.

One other thing, Mr. Speaker, and this is a personal matter, I read just about three days ago that Bob Whitler has left the employ of state government and he got a couple of bad raps in the newspaper and I want to say that in my work with the Appropriations Committee and anytime that I had anything to do with the Department of Revenue, I thought Bob Whitler did an admirable job. And I...I think he handled that department as well as anybody could handle, so I'd like it to be made public that I, at least, think Bob Whitler did a good job. I can't say the same for Bill Murray the other guy that resigned."

Speaker Redmond: "Representative Tipsword, you seeking recognition?"

Tipsword: "Mr. Speaker, I've conferred with the Majority Leader and the Insurance Committee will meet at 4 o'clock sharp in Room 122-B."

Speaker Redmond: "Representative Mudd."

Mudd: "Yes, Mr. Speaker, Members of the House, tonight is the last practice for the House soft ball team and it's at 4 o'clock in Lincoln Park on Diamond 2. And Representative Capparelli hopes that as many people who are going to play turn out to practice because it's the last night. Thank you."

Speaker Redmond: "Representative Madigan. Representative Madigan."

Madigan: "Mr. Speaker, are there any announcements?"

Speaker Redmond: "I think we've had them all."

Madigan: "Motions."

Speaker Redmond: "Did you have any Democrats who should be excused for their absence?"

Madigan: "Yes, I do. Would the record show that Representative Giglio is excused because of a death in his family."

Speaker Redmond: "Hearing no objections, the record will so show."

Madigan: "Mr. Speaker, I have a question of the Chair."

Speaker Redmond: "Proceed."

Madigan: "Did you authorize the distribution of this xeroxed piece of paper by Representative Skinner?"

Speaker Redmond: "No, I did not. Didn't even see it."

Madigan: "It's right here, it's on my desk, it has his name on the bottom and in light of your nonauthorization, I wish that pursuant to the rules you would chastize him."

Speaker Redmond: "Representative Madigan."

Madigan: "What is your pleasure on convening tomorrow, Mr. Speaker?"

Speaker Redmond: "Noon."

Madigan: "I move that we adjourn until noon tomorrow."

Speaker Redmond: "Question's on the Gentleman's motion. Those in favor say 'aye', 'aye', opposed 'no'. The 'ayes' have it. The motion carried. House stands adjourned till noon tomorrow."
