

Speaker Redmond: "The House will come to order, the Members please be in their seats. All those not entitled to the floor, please retire to the gallery. Please, we've got a lot of work to do in a very short period of time. We will be led in prayer... We need prayers, especially today. We will be led in prayer by the Reverend Krueger, the House Chaplain."

Reverend Krueger: "In the name of the Father, the Son, and the Holy Ghost. Amen. O Lord, bless this House to Thy service this day. Amen. Saint Francis de Sales wrote: O God, Thou art my God: In Thee will I hope! Thou wilt be my help and my refuge: I shall not fear, for not only art Thou with me but Thou art in me and I in Thee. Let us pray. O Lord God, our eternal and everlasting Father, as we come together on this final day of this 81st General Assembly of the State of Illinois, we come to this House of Representatives filled with grateful hearts. Do Thou, O Father, give us more charity, more self-denial, more likeness to Thee. Teach us to sacrifice our comforts to others, our likings for the sake of doing good for all the people of this state whom we have served. Make us kindly in thought, gentle in word, generous in deed. Teach us that it is better to give than to receive, better to minister than to be ministered unto. Accept what good we have accomplished and forgive us... God of love, be all glory and praise, both now and for evermore. Amen."

Speaker Redmond: "Pledge of Allegiance."

Members: "Pledge of Allegiance."

Speaker Redmond: "Call for attendance. Representative

Telcser."

Telcser: "Mr. Speaker, could the Journal please show that Representative Mary Lou Sumner is absent because of illness?"

Speaker Redmond: "Any objection? Hearing none, the record will so show. Reading of the Journal."

Clerk O'Brien: "Journal for the 165th Legislative Day, Wednesday, December 3rd. The House met pursuant to adjournment. The Speaker in the Chair..."

Speaker Redmond: "Representative Lechowicz."

Lechowicz: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. I move that we dispense with the reading of the Journal, and that Journal number 165 of December 3rd, Journal number 166 of December 4th, and Journal number 167 of December 5, 1980, be approved as read."

Speaker Redmond: "You've heard the motion. Any discussion? The question is on the Gentleman's motion. Those in favor say 'aye'; 'aye', opposed 'no'. The 'ayes' have it, the motion carried and the reading of the Journal is dispensed with and it's approved as if read. Agreed Resolutions."

Clerk O'Brien: "House Resolution 1072, Ryan. 1073, Ryan. 1074, Ryan. 1075, Ryan. 1076, Ryan. 1077, Ryan. 1078, Ryan. 1079, Ryan. 1080, Ryan. 1081, Ryan. 1082, Ryan. 1083, Ryan. 1084, Ryan. 1085, Ryan. 1086, Ryan. 1087, Ryan. 1088, Ryan. 1089, Ryan. 1090, Ryan. 1091, Ryan. 1092, Ryan."

Speaker Redmond: "Representative Giorgi."

Giorgi: "Mr. Speaker, there are more Resolutions, unless you want to take this batch first."

Speaker Redmond: "Well, who were the Sponsors of the ones that were read..."

Giorgi: "Ryan."

Speaker Redmond: "Representative Ryan. Agreed Resolutions. What were the numbers that we read in which Ryan was the Sponsor?"

Clerk O'Brien: "House Resolution 1072 thru 1092..."

Giorgi: "20..."

Speaker Redmond: "Well who wants the honors? Are you yielding to Representative Giorgi, Representative Ryan? Representative Giorgi."

Giorgi: "Mr. Speaker, House Resolutions 1072 thru 1092 laud all the efforts of the retiring Republican Members, some that have gone on to the Senate, some that have retired. And I might say that the person that worked on them did an outstanding job because they all stand on their own eloquence. And I move for the adoption of the Agreed Resolutions."

Speaker Redmond: "Any discussion? The question is on the Gentleman's motion for the adoption of the Agreed Resolutions. Those in favor say 'aye'; 'aye', opposed 'no'. The 'ayes' have it, the motion carries and the Agreed Resolutions are... Further Resolutions."

Clerk O'Brien: "House Resolution..."

Speaker Redmond: "Please...we'll clear the floor and clear the gallery if you're not quiet...take you all out of here."

Clerk O'Brien: "House Resolution 1093, Redmond. 1094, Redmond. 1095, Redmond. 1096, Redmond. 1097, Redmond. 1098, Redmond. 1099, Redmond. 1100, Redmond. 1101, Redmond. 1102, Redmond. 1103,

Redmond. 1104, Redmond. And 1105, Redmond."

Speaker Redmond: "Representative Giorgi."

Giorgi: "Mr. Speaker, House Resolutions 1093 thru 1105, again note the retirement and the advancement of some of the Members of the Democratic side to the Senate and again, the Resolutions are written very beautifully and I urge the adoption of the Agreed Resolutions."

Speaker Redmond: "Is there any discussion? Any discussion? The question is on the Gentleman's motion. Those in favor say 'aye' ; 'aye', opposed, 'no'. The 'ayes' have it, the motion carries and the Resolutions are adopted. On the order of Conference Committee Reports appears House Bill 3622. Representative Lechowicz is recognized."

Lechowicz: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. I move that the House suspend Rule 68(d) for immediate consideration so a second Conference Committee may be appointed on House Bill 3622. As a refresher to the memory of the Membership of the House, House Bill 3622 was a supplemental appropriation to the Secretary of State's Office which was called toward the end of the last Session, did not receive the required number of votes, was put on Postponed Consideration. It's the intent of the Conference Committee to remove the transition money that was allocated to the Secretary of State and bring it back for your consideration."

Speaker Redmond: "Is there any discussion? The question is on the Gentleman's motion for the suspension of the Rules and the rejection of the Conference Committee

Report. Those in...those in favor vote 'aye', opposed vote 'no'. It requires 89 affirmative votes. Representative Lechowicz."

Lechowicz: "I ask leave to use the Attendance Roll Call. It's a lot easier."

Speaker Redmond: "Does he have leave? You're all right. The Clerk will take the record. On this question there's 112 'aye'...113 'aye' and no 'nay'. The motion carries. Second Conference Committee will be appointed. On the Order of Concurrence appears House Bill 3629. Representative Peters is recognized."

Peters: "Mr. Speaker and Ladies and Gentlemen of the House, House Bill 3629 has to do with a supplemental approp... Mr. Speaker, can we hold one minute, please?"

Speaker Redmond: "Okay. Representative Ryan, are you seeking recognition? Representative Ryan."

Ryan: "Thank you, Mr. Speaker. We have three newly seated Members in the Chamber for this Session of the General Assembly and I'd like to take a minute to introduce them, if I may. We have Mr. Jim Kelly, who's a businessman from Rockford. He was appointed January 1, of 1981. And he succeeds former House Member Tim Simms, who's gone over to the Senate. Jim Kelly, from Rockford. We have with us also seated here this afternoon, Mr. Speaker, is Mr. Irv Smith, who was sworn in on the 9th of January, 1981. He succeeds the former Marjorie Jones, the wife of our late colleague, David Jones. Irv is an educator and former Regional Superintendent of Schools for Sangamon County and would you welcome Mr. Irv Smith, please. Now the

third Member, Mr. Speaker, I haven't been able to find. I understand he's in the Capitol Building but I don't know where he is. I'll introduce him a little later if I can find him."

Speaker Redmond: "I saw him back in Representative Madigan's office."

Ryan: "Probably cutting a deal back there someplace."

Speaker Redmond: "Representative Giorgi. On the Order of Amendatory Veto Motions, House Bill 3636. Representative Giorgi is recognized."

Giorgi: "Mr. Speaker, this is a Bill that was passed during the Veto Session. Many Members of the House are aware of it. I move to adopt...to accept the Governor's Amendatory Veto to House Bill 3636 and the Governor put a sunset clause on the Bill so that the Bill expires at the end of the 1981 tax year. It allows the County Clerks who request evaluations but fails to receive them to use the immediately preceding years evaluation and also provides that the kinds of adjustment mandated by this Bill cannot cause tax rates to exceed level maximums in these overlapping districts and I urge the House to concur with me in accepting this Amendatory Veto because it has to get back to the Senate for Concurrence also."

Speaker Redmond: "Representative Giorgi moves for the suspension of Rule 44.1(b) to allow the immediate consideration. All those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? The Clerk will take the record. On this question there's 124 'aye' and 0 'nay'. The motion carries, the rule is suspended. The question is on Representative Giorgi's

motion to accept the Governor's specific recommendations for change. Any discussion? The question is on the motion. Representative Giorgi moves faster than the computer. The question is on Representative Giorgi's motion to accept the Governor's recommendations for change. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there's 128 'aye' and no 'nay' and the motion carries and the House does accept the recommendations for change on House Bill 3636. Representative Peters, are you ready? On the Order of Concurrence, 3629."

Peters: "Mr. Speaker, Ladies and Gentlemen of the House, House Bill 3629 is a supplemental appropriation to the Department of Children and Family Services. On a voice vote, Mr. Speaker, I would first move to nonconcur with Senate Amendment #2. And then to concur with Senate Amendment #1."

Speaker Redmond: "The question is on the Gentleman's motion for the nonconcurrence in Senate Amendment #1. Those in favor say 'aye'..."

Peters: "Mr. Speaker, Senate Amendment 2."

Speaker Redmond: "2. Pardon me. Nonconcurrence in Senate Amendment #2. Those in favor say 'aye'; 'aye', opposed 'no'. The 'ayes' have it, the motion carries, the House nonconcurrs in Senate Amendment 2. Now, the question is on the Gentleman's motion to concur in Senate Amendment 1. Those in favor vote 'aye', opposed vote 'no'. It requires 89 votes. Have all voted who wish? Have all voted who wish? The Clerk

will take the record. On this question there's 126 'aye' and 1 'no' and the motion carries and the House does concur in Senate Amendment 1 to House Bill 3629. Now what do you got? Conference Committee Reports appears Senate Bill 1172. Representative Stuffle is recognized. Representative Stuffle."

Stuffle: "Yes, Mr. Speaker and Members of the House. The Conference Committee Report on Senate Bill 1172 deals only with one subject. I bring that to your attention because I understand that there is a staff analysis indicating other material in the Bill. The Bill has been stripped of that material, to my understanding. The only thing in the Conference Committee Report is a change that affects one school district in the State of Illinois. As you know, we set a floor in the school aid formula for those districts on the resource equalizer at a tax rate of \$2.18 in order to qualify for state aid and get onto the access portion of our formula some two years ago. One district inadvertently, through a couple of problems, ended up with a tax rate that was below \$2.18 and in fact above \$2.17. We don't wish to penalize that one district. This Bill will cost some 367 thousand dollars. It affects only one district, that is the Olney, East Richland School District in the 54th Legislative District, represented by Clyde Robbins, Representative Brummer and Representative Bower. There's precedent for this. We've done it another time to help one district. We're trying to help that district only, I reiterate, it affects and can affect no one else. There is a penalty imposed, just as we impose a

penalty now for those districts below certain rates, there's still a minor penalty imposed so that this, in effect, half cent versus the reduction to get down to the \$2.17 and a half is consistent with the floor \$2.18. As I say, it affects one district. The technicalities I won't further go into but simply ask for your favorable vote. There was a technical problem with the Amendment before, to this particular Bill. That's been cleared up and I believe Representative Anderson's problems with that have been addressed and I would solicit your favorable vote on Conference Committee on Senate Bill 1172."

Speaker Redmond: "Any discussion? Representative Anderson."

Anderson: "Yes, Mr. Speaker, Representative Stuffle has explained the Amendment correctly. The Conference Committee Report. There was an error that our side of the aisle caught in the first Conference Committee Report that I did not sign on December 5th, the last time we met. I do support this. There was an error by the particular school district. It was my understanding a new man was hired and he did not levy the right amount to meet the school aid formula. Therefore, I urge everybody to vote 'aye' on this particular Conference Committee Report."

Speaker Redmond: "Any further discussion? The question is on the Gentleman's motion that the House concur in the first Conference Committee Report to Senate Bill 1172. Those in favor vote 'aye', opposed vote 'no'. Final action. Have all voted who wish? The Clerk will take the record. On this question there's 123 'aye' and no 'nay' and the House does concur in the first

Conference Committee Report to Senate Bill 1172. Anyone else ready to move anything? An hour and a half. Representative Skinner, do you have anything to add? Representative Skinner is silent. Please, be sure that that's in the record, Mr. Clerk. Representative Leinenweber, do you have anything to report that happened in Milwaukee last Saturday? Representative Leinenweber, from South Bend."

Leinenweber: "I don't know. The first time I've ever bespoken on this side of the aisle so I'll probably misspeak, but I happened to watch television last Saturday..or Saturday afternoon and unfortunately the best team did not win."

Speaker Redmond: "Representative Marovitz. Marovitz."

Marovitz: "Thank you very much, Mr. Speaker and Ladies and Gentlemen of the House. I just would like, while we're in a lull here, I'd like to take this opportunity to thank the Speaker of the House and my leadership on the Democratic side of the House for six wonderful years in this Body. This truly is one of the most democratic, small d, George, democratic Body's that anyone could ever find. It's been a pleasure to serve in this Body and I have made and met many, many wonderful people, many wonderful friends who will remain friends long after I leave this august Body. I also thank many individuals, not only who are here today, for helping and counseling me from both sides of the aisle, but some who have left us for other endeavors. If I were to give any advice to those new Members coming in, this is a fraternity, it's a wonderful place to be. We can argue all day

but we can sit down and have dinner as friends in the evening. Everything comes out on the floor. It is an open Body, a Body of equality and if I were to give any advice to the incoming freshmen, I would say that we have all heard of the golden rule that we try and live by. There is also a golden rule to live by in the Legislature and in the House of Representatives. And that is, not only ...to treat others the way you would like to be treated. To treat other's Bills the way you would like your Bills to be treated. Each of us have our own individual priorities, things that are important to us in our districts. No one can tell anyone else what is important to their district and what may be very important to me may be very unimportant to someone else. But if you treat someone elses piece of legislation the way you would like them to treat your piece of legislation, with the same kind of respect, whether they're for you or against you, I think that is a code to live by in the House of Representatives and you will get...you will get by much better if you live by that creed. So, in closing I would thank everyone once again, for being a friend and a colleague and I will look forward to many years working together as I move across the aisle to the Senate. One thing I can assure you. Everybody, when they leave the House say this is the...this is the place to be. This is where the action is, this is the Body that they love and the Body that they always will remember. And when they go across the hall to the Senate they forget all too quickly. I will not forget as I move across the hall to the Senate. This is the

place to be. This will always be the place to be.
This is my home. Thank you for being my friends.

Speaker Redmond: "Agreed Resolutions. Representative Giorgi."

Clerk O'Brien: "House Resolution 1106. Piel - Getty - Grossi. House Resolution 1107. Younge. House Resolution 1108. Schoeberlein. House Resolution 1109. Johnson. House Resolution 1110. Giorgi - Hallock - Jim Kelly. House Resolution 1114. Yourell."

Speaker Redmond: "Representative Giorgi. Representative Hanahan and Yourell will you please be seated."

Giorgi: "Mr. Speaker, Representative Piel's 1106..."

Speaker Redmond: "Hanahan and Yourell, please sit down. We can't see Giorgi."

Giorgi: "1107, by Younge tells of an election. 1108 by Schoeberlein honors a blood donor. 1109 by Johnson notes a retirement. 1110 by Hallock, Kelly and Giorgi recognize bowling feats and Yourell's 1114 recognizes an anniversary and I move for the adoption of the Agreed Resolutions."

Speaker Redmond: "Any discussion? The question is on the Gentleman's motion. Those in favor say 'aye' ; 'aye', opposed 'no'. The 'ayes' have it, the motion carried. The Resolutions are adopted. Okay, the Order of Senate Bills, Third Reading. On page 1 appears Senate Bill 1338. Representative Leon is recognized."

Clerk O'Brien: "Senate Bill 1338. A Bill for an Act to amend Sections of the Senior Citizens and Disabled Persons Property Tax Relief Act. Third Reading of the Bill."

Speaker Redmond: "Representative Leon."

Leon: "Mr. Speaker and Ladies and Gentlemen of the House, this Bill is now a different Bill. Amendment #3 provides that the Illinois Development Authority be given the opportunity to sell their bonds at a higher rate. There is a sunset provision in it which will expire on December 31st, '81, and I'd appreciate concurrence in the House on passing this Bill."

Speaker Redmond: "Representative Kane. Please, give the Gentleman order. Representative Kane."

Kane: "Would the Gentleman yield to a question?"

Speaker Redmond: "He will."

Kane: "It's my understanding that the Housing Development Authority wants this change in order to take care of projects that are presently already temporarily funded and that they are going to not go out into the market for new projects until the interest rates come down. Is that correct?"

Leon: "Yes. That is right, Doug. The... How the Development Authority has entertained contracts with persons and they haven't been able to sell the bonds and as a result the contractors are holding the bag."

Kane: "Okay, but they need this bonding authority to take care of projects that they already have interim financing on."

Leon: "Yes. And of course some new projects, as well, that are on paper."

Kane: "Okay, but the new projects are going to keep to a minimum until the interest rates come down. Is that my understanding?"

Leon: "They will be kept to a minimum, Doug, but some of

them have to go."

Kane: "Okay, no further questions."

Speaker Redmond: "Representative Marovitz."

Marovitz: "Thank you very much, Mr. Speaker and Ladies and Gentlemen of the House. This is a very important piece of legislation. As many of you may remember, I carried the IDA Bill last June. That was one of the last pieces of legislation to pass. I can personally attest to the fact that at that time IDA and its representatives and attorneys came to us and told us that the 10 and 3/4 cap that we had put on the Bill at that time was not going to be sufficient and that they were not going to be able to get into the bond market and tried to notify us of the necessity of raising the cap or taking the cap off for a short period for a myriad of projects that are very important to senior citizens across the State of Illinois and middle and low income families across the State of Illinois. Projects that have already been approved and there's already been a set aside. This is a very important Bill. IDHA gave us sufficient notice six months ago. If you took a look at yesterday's Wall Street Journal you'll see a headline about interest rates on these bonds escalating in the..in the immediate future. This is important, it's necessary and I would wholeheartedly recommend everybody vote green on this legislation that's important to so many people across the State of Illinois. It is truly emergency legislation."

Speaker Redmond: "Representative Leon, to close."

Leon: "I will appreciate an affirmative vote to pass this

very important piece of legislation."

Speaker Redmond: "What is your motion?"

Leon: "To...to pass Senate Bill 1338 as amended."

Speaker Redmond: "To accept Senate Amendment 3? Is that it?"

Leon: "No...no, it's a House Amendment, Mr. Speaker."

Speaker Redmond: "Oh, I see. The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? The Clerk will take the record. On this question there's 136 'aye' and 8 'no'. The Bill, having received the Constitutional Majority, is hereby declared passed."

Clerk Leone: "Senate Bill 2038. A Bill for an Act to amend an Act making appropriations to the Illinois State Scholarship Commission. Third Reading of the Bill."

Speaker Redmond: "Representative McGrew."

McGrew: "Thank you Mr. Speaker and Ladies and Gentlemen of the House. I rise to ask the House to adopt Senate Bill 2038. It's a 5.8 million dollar supplemental appropriation of the Illinois State Scholarship Commission. It's a...identical to the form of the Amendments that I passed, the House adopted by a vote of 93 to 60 some. It would provide for seven thousand additional grants. It would take care of those students that are..would be in the second quarter or the second semester of their high..college education. Just a very quick review, frankly our costs increased more than we anticipated with the...registration going on we had a large enrollment that anticipated and is necessary for the supplemental appropriation. I'll answer any questions."

Speaker Redmond: "Any questions? Representative Peters, you seeking recognition? Any questions? The question is, shall this Bill pass? Those in favor vote 'aye', opposed vote 'no'. Representative Ryan."

Ryan: "Mr. Speaker and Ladies and Gentlemen of the House. I'm gonna have to ask for verification on this Bill if it receives 89 votes."

Speaker Redmond: "Please, come to order. The Gentleman has requested a verification of the Affirmative Roll Call. Representative McGrew requests a poll of the absentees. Is that correct? Requesting a poll of the absentees. I guess not. Take the record, Mr. Clerk. 117 to 34. Representative Ryan requests a verification of the Affirmative Roll Call, Mr. Clerk. Representative Ryan requests that this Roll Call be dumped and another Roll Call. That's probably fastest. Dump the Roll Call. Representative McGrew."

McGrew: "Mr. Speaker, I object to procedure. It's assumed he will soon be taking the chair and I think he should learn a little better sense of fairness than that."

Speaker Redmond: "Representative Ryan."

Ryan: "Well that's alright, Mr. Speaker and I understand that. I'm still gonna verify it if it receives 89 votes whether it's dumped or whether it isn't..."

Speaker Redmond: "That's alright. Representative McGrew."

Ryan: "I think that was a wise move."

McGrew: "If that's the case then proceed."

Speaker Redmond: "Okay, Representative Ryan has requested a verification of the Affirmative Roll Call. Mr. Clerk, call the Roll. Well, he objected to the clearing of the board and technically I presume he's right so call

it off the Roll Call that you have there."

Clerk Leone: "Poll of the Affirmative. Alexander. Balanoff. Barnes."

Speaker Redmond: "Representative Madigan."

Madigan: "Mr. Speaker, would you verify me as an 'aye' vote?"

Speaker Redmond: "Madigan be verified as 'aye'. Representative Ryan."

Ryan: "Well, Mr. Speaker I thought we were gonna have another Roll Call. The board has been dumped and I think in all fairness you ought to...if they're here they're here."

Speaker Redmond: "Okay, I think you're right. Everybody's objecting but I think probably the fairest thing is to have another Roll Call. Those in favor of the motion, Senate Bill 2038 pass, vote 'aye' and opposed vote 'no'. Representative McGrew."

McGrew: "Well, Mr. Speaker I protest the way that the Minority spokesman is trying to ramrod the changes in the House of Representatives. He's already said he's going to verify it. We had a Roll Call of 117 'aye' votes. Let him verify it. I realize that he can brow beat a few of his own people but I think that's a very poor way to end the old General Assembly. The question is, are we going to put the biggest burden on those students that can't afford to go to college or not? And it's clear that the Minority Leader is trying to say that we're going to overlook the greatest needs in this state. If you want to help yourself, go do it. We're not going to assist in any way. That's what he's trying to say."

Speaker Redmond: "Have all voted who wish? The Clerk will take the record. On this question there's 108 'aye' and 42 'no'. Representative Ryan requests a verification of the Affirmative Roll Call. Mr. Clerk, verify the Affirmative Roll Call."

Clerk Leone: "Poll of the Affirmative."

Speaker Redmond: "Representative McGrew."

McGrew: "Thank you Mr. Speaker. If the other side wants to be dilatory I'll request a poll of the absentees too."

Speaker Redmond: "Representative Madigan."

Madigan: "Again, Mr. Speaker would you verify me as an 'aye' vote?"

Speaker Redmond: "Representative Madigan requests to be verified. No objection. You will be verified. Representative McGrew has requested a poll of the absentees. That's within the Gentleman's rights. Poll the absentees Mr. Clerk."

Clerk Leone: "Poll of the absentees. Abramson. Martire. Ebbesen. Ewell. Hannig."

Speaker Redmond: "Hannig, 'aye'."

Clerk Leone: "Klosak. Laurino. McAuliffe. McGrew."

Speaker Redmond: "Representative McGrew.Is he absent? Didn't he vote before? Who's the Sponsor of this Bill? Representative McGrew 'aye'."

Clerk Leone: "McMaster. Patrick. Reed. Schlickman. Sharp. Stearney. Sumner. Vinson. Willer. Williams."

Speaker Redmond: "Representative Ewell, for what purpose do you rise? Representative Ewell 'aye'. Proceed."

Clerk Leone: "And Yourell."

Speaker Redmond: "Representative Yourell 'aye'. There's 112

'aye'. Proceed with the verification of the Affirmative Roll Call."

Clerk Leone: "Poll of the Affirmative. Alexander. Balanoff. Barnes. Beatty. Bell. Bianco. Birchler. Borchers. Bowman. Bradley. Braun. Breslin. Brummer. Bullock. Capparelli. Catania. Chapman. Christensen. Cullerton. Currie. Davis. Giglio. Deuster. DiPrima. Domico. Donovan. Doyle. John Dunn. Dyer. Epton. Ewell. Farley. Flinn. Virginia Frederick. Gaines. Garmisa. Getty. Giorgi. Goodwin. Speaker Redmond: "Representative Darrow, 'aye'. Representative Davis, 'no'. Representative Leinenweber, 'no'. Representative Boucek, Pechous, 6th District, 'aye'. Pechous 'aye'. Abramson 'no'. Robbins 'aye'. No Representative Robbins 'no'. According to Hanahan rules you have to be in your

seat. Members please be in your seat during this verification. Mr. Doorkeeper will you enforce the House rules. Members please be in your seat. Representative Walsh sit down. Representative Flinn requests permission to be verified. Is there any objection. Hearing none. Representative McAuliffe 'aye'. Garmisa 'aye'. Representative Ryan, are there any questions of the Affirmative Roll Call? Garmisa wants permission to be verified. Does he have permission? What's the count Mr. Clerk. 112 'aye' and 46 'no'. Representative McBroom, Ebbesen sit down. Emil Jones get in your own seat. Deuster, sit down. Representative Bradley, please be seated. Representative Ryan is seeking to verify. Representative Ebbesen what's your problem? Representative McBroom sit down. Representative Ebbesen 'no'. Representative Ryan."

Ryan: "Representative Alexander."

Speaker Redmond: "She's here. Down in front. She's violated Hanahan's rules."

Ryan: "Representative Bianco."

Speaker Redmond: "Bianco, I can't see back there. Ewing please sit down. Bell sit down. Is Representative Bianco back there? I don't see him. How is he recorded?"

Clerk Leone: "The Gentleman is recorded as voting 'aye'."

Speaker Redmond: "Remove him. Representative Frederick. George Ray Hudson, please be seated. We've removed Bianco. Any other questions."

Ryan: "Absolutely, Representative Bowman."

Speaker Redmond: "Bowman is here."

Ryan: "Representative Catania."

Speaker Redmond: "Representative Catania. She doesn't appear to be here but I see her trademark."

Ryan: "She's well represented."

Speaker Redmond: "Representative Catania, what's your pleasure?"

Ryan: "Take her off the Roll if she's not here."

Speaker Redmond: "How is she recorded?"

Clerk Leone: "The Lady is recorded as voting 'aye'."

Speaker Redmond: "Remove her."

Ryan: "Representative Currie."

Speaker Redmond: "Currie is here."

Ryan: "Representative Farley."

Speaker Redmond: "Farley, is he back there? Representative Van Dwyne, Schraeder, please sit down. I can't see in the back there. Representative McGrew please sit down. Is Farley back there? Here, he's up here. Representative Ryan. He's here, up here."

Ryan: "It's nice to have you with us, Bruce. Representative Harris."

Speaker Redmond: "Who was that, Harris? He's in his seat."

Ryan: "Representative Huff."

Speaker Redmond: "Is Huff here? He's back there."

Ryan: "Representative Johnson."

Speaker Redmond: "Who was that?"

Ryan: "Johnson."

Speaker Redmond: "Johnson, is he here? Representative Johnson here? How is he recorded?"

Clerk Leone: "The Gentleman is recorded as voting 'aye'."

Speaker Redmond: "Remove him."

Ryan: "Representative Kornowicz."

Speaker Redmond: "Kornowicz here? Representative Kornowicz?
How is he recorded?"

Clerk Leone: "The Gentleman is recorded as voting 'aye'."

Speaker Redmond: "Remove him. He's returned. Put Kornowicz
back on."

Ryan: "Bad Bill Eddie. You should have stayed out there,
Eddie. Representative Mahar."

Speaker Redmond: "Is Representative Mahar here? Here he's
down in front."

Ryan: "Representative Oblinger."

Speaker Redmond: "Oblinger here? Representative Oblinger
here? How is she recorded?"

Clerk Leone: "The Lady is recorded as voting 'aye'."

Speaker Redmond: "Remove her."

Ryan: "Representative Ronan."

Speaker Redmond: "Ronan is here."

Ryan: "Representative Schisler."

Speaker Redmond: "Schisler back there? He's back there."

Ryan: "Representative Wikoff."

Speaker Redmond: "Is Wikoff here? Representative Wikoff.
How is he recorded?"

Clerk Leone: "The Gentleman is recorded as voting 'aye'."

Speaker Redmond: "Remove him. Will you break up the
conference in front of Representative Ryan.
Representative Frederick, Griffin, Polk. I can't see
Representative Ryan. Rules provide you shouldn't
stand in front of the chair and the person addressing
the chair. Representative Ryan."

Ryan: "I didn't hear you, Mr. Speaker."

Speaker Redmond: "I was trying to clear the way here. Who
was the last one that you had?"

Ryan: "Wikoff."

Speaker Redmond: "Wikoff, we took him off the Roll Call."

Ryan: "I don't have any more, Mr. Speaker."

Speaker Redmond: "What did you say?"

Ryan: "I have no more."

Speaker Redmond: "What's the count? 107 'aye' and 47 'no' and the Bill having received a constitutional majority hereby declared passed. On the order of Conference Committee report. Appears Senate Bill 175...1752. Representative Telser is recognized. Representative McBroom please sit down. Representative Telcser."

Telcser: "Mr. Speaker and Members of the House, I'd like to suspend the provisions of Rule 68D for the immediate consideration of the Conference Committee report in connection with Senate Bill 1752. Mr. Speaker, I now make that motion."

Speaker Redmond: "Any discussion? Representative Skinner has objected. The question is on the motion those in favor vote 'aye', opposed vote 'no'. 89 votes. Have all voted who wish? The Clerk will take the record. On this question there's 108 'aye' and 8 'no'. The motion carrying the Rule is suspended. Representative Telcser. Representative Collins sit down."

Telcser: "Mr. Speaker and Members of the House. Senate Bill 1752 contains some provisions which we've discussed in the past. It principally does this. First of all it makes official the leadership positions of Conference Chairman in both the House and the Senate with the appropriate compensation. Other Members may also recall that some years ago we put the constitutional officers into the legislative pension system and at

that time Governor Walker vetoed out his own office. The Conference Committee report restores that office. We also do for state employees the same thing we did for teachers during the last Session. There are a few old time and new annuitants around this state who would have an increase in their benefits by a formula which I believe, I'm not absolutely sure, but I believe it is equal to one dollar per month for every year of service of the employees that served in that capacity and the Conference Committee report also adds another assistant leader in the House only. Mr. Speaker, I offer and move the adoption of Conference Committee report number one relative to Senate Bill 1752."

Speaker Redmond: "Is there any discussion? Representative Skinner."

Skinner: "Mr. Speaker, I wonder if the Sponsor of the Bill could tell us how much this will increase the Governor's pension. Will it triple the Governor's pension? Quadruple the Governor's pension or will it merely increase it by five times?"

Telcser: "Representative, increase in a Governor's pension benefit would depend on how long he or she would serve and what the benefits would be at the time that their service is terminated."

Skinner: "Well, would you compare the maximum benefits under IMRF with 20 years of service with the maximum benefits under the Legislative Retirement System?"

Telcser: "Representative, I compare...I'm sorry."

Skinner: "...present salary."

Telcser: "Representative, I compare uniformity with all the

other Constitutional officers. Their salaries vary as do their length of service and what this Bill does is simply put into compliance the Governor's office, whoever that Governor may be with the other Constitutional officers."

Skinner: "Well Representative, this makes our eight thousand dollar pay raise like an eye drop in an ocean."

Telcser: "I respectfully disagree with you Representative."

Skinner: "You certainly are free to argue that later on. I would suggest that the current Governor has enough pension credits to qualify for twenty years of service. Especially if he's allowed to transfer his U.S. Attorney's time as well as his Assistant States Attorney's time in Cook County. And to add to that I believe eight years, excuse me, six years as Governor and we mustn't forget the time as in the Attorney General's office. The maximum salary will be 80% or the maximum pension will be 80% of the Governor's current salary and I believe that was fifty-eight thousand dollars at the present time. I think by passing this Bill, the minute he signs it he's eligible for it. I suspect there is no one under IMRF that will get anywhere near 80% of the last years salary. In fact, I'd be surprised if they get 30 to 40% of last years salary. It would seem to me that this may be a good idea. I voted for it the first time around when Governor Walker wanted it, that was before he decided he didn't want it and we repealed it but it really seems to me the wrong day to pass a Bill like this. I'm sure the Governor will be subject to unwarranted criticism. That would not occur if it

were passed during the regular Session. Since he is going to be in office through 1980..through the beginning of 1983, I don't see any reason to subject to it..him to the type of criticism which this Bill so obviously will yield upon his head."

Speaker Redmond: "Representative Schuneman."

Schuneman: "Question to the Sponsor, Mr. Speaker. Representative, do I understand you to say that this Conference Committee report would expand the leadership positions in the House."

Telcser: "Yes, what it does is, number one, it makes official the leadership position we've had as Conference Chairman for the last four years and that's in both chambers and then adds in the House only one more assistant leader."

Schuneman: "It increases the assistant leadership positions in the House."

Telcser: "Correct."

Schuneman: "And also adds the position of Conference Committee Chairman as a leadership position."

Telcser: "Right, the Conference Committee Chairman as you know..."

Schuneman: "So in fact, what we're doing then by this Bill is increasing the leadership on both sides of the aisle by two Members. Is that correct?"

Telcser: "In a sense you're correct although I would like to refresh your memory that the Conference Chairman has been participating as a leader for the last four years."

Schuneman: "And what additional compensation at the present time...the present level of compensation what

additional compensation would be paid to those..?"

Telcser: "The Conference Chairman would get the compensation the same as a Whip does, that is five thousand dollars annually and an assistant would get the same compensation as the assistant now gets six thousand dollars annually."

Schuneman: "Well, Mr. Speaker I'd like to speak to the Bill. I understand that this probably has a support of leadership here in the House but I think this would be a mistake on the part of this House to expand the leadership positions and I want to rise in opposition to it."

Speaker Redmond: "Representative Yourell."

Yourell: "Yes, would the Gentleman yield?"

Speaker Redmond: "He will."

Yourell: "Representative, are you suggesting in this first Conference Committee report that the Conference Chairman of the Majority Party, the Minority Party each receive additional revenue of five thousand dollars per year?"

Telcser: "Yes, Representative."

Yourell: "Do you agree that the 22 or 23 Chairmen of the standing Committees of this House do a great deal more work on a daily basis than any Conference Chairman does?"

Telcser: "Representative, I don't know that Committee Chairmen do more or less than a Conference Chairman however, I do support additional compensation for Committee Chairman. I'd be glad to work with you on that subject during the course of a Session. I agree with your position regarding Committee Chairman and

Spokesman and again I repeat I would support that during the course of the Session."

Schuneman: "Well why don't you reject this first Conference Committee report and put that in in the second Conference Committee report because it seems to me, I've been here a long, long time and in the last four years the only work a Conference Chairman does is stand up when the leader suggests there be a caucus and at that time makes an announcement. Then he presides in some kind of a fashion over the separate caucuses and that's all he does. There is no ongoing work that's entailed with the title of Conference Chairman and I suggest that office is not worth five thousand dollars. I suggest that office is not worth one single penny as long as all of the standing Committees who have Chairmen and Minority Spokesmen are not being paid in the fashion that would certainly reflect the type of work that they continually indulge in to provide this House with a legislation to be heard on Second and Third Reading. I would ask until..of those counted..those Chairmen are included along with the Minority Spokesmen in this Conference Committee report that you vote 'no'."

Speaker Redmond: "Representative Ewing."

Ewing: "Mr. Speaker and Ladies and Gentlemen of the House, I'd like to refresh everybody's memory about the static that we took after the pay raise. Some of us who didn't speak out against the pay raise were criticized for not making our feelings known and passively going along. I think the only thing worse that we could do today would be to wait until five

minutes till twelve to pass this bad Bill. It's a bad Bill, people back home are going to know it's a bad Bill and they're going to take it as another ripoff of the tax payers and I suggest we all vote 'no' and take this up in the new General Assembly if it's necessary."

Speaker Redmond: "Representative Schraeder."

Schraeder: "Mr. Speaker and Members of the House. I just was fortunate enough to have placed on my desk the analysis of Senate Bill 1752 and it's really a travesty to bring this type of legislation before an expiring House and expect us to pass it. Suffice it to say this is one of the biggest ripoffs of the last Session and we ought to put it where it belongs. That's in the garbage heap and I would ask that we vote 'no'."

Speaker Redmond: "Anyone further? Representative Bell. Representative Van Dyne, pardon me."

Van Dyne: "Thank you Mr. Speaker. I'd like to have the Sponsor or at least the..Representative Telcser over there explain why this thing is retroactive to 1977 at least it is if I read it correctly. Is there any special reason why you're bringing this thing back to 1977?"

Telcser: "Representative, this does not go back to 1977 to the best of my knowledge. We may be amending an Act that became effective in 1977 but nobody..."

Van Dyne: "On page one it says the first such installment is payable on January 31, 1977."

Telcser: "It might be a clerical error or typographical error... that may be a typo Representative. Let me

look at it."

Van Duyne: "Well, it may not be too. You know and I want to know specifically who are you trying to do this favor for? Don Moore maybe or who? You know it's my belief it you're going to pass this, that's one thing but to go back four years to pick up somebody who is..."

Telcser: "Representative, you may be assured there is no intention to go back four years for anyone."

Van Duyne: "Then it's a typographical error and it must be changed because under the way it's written right now you cannot stand there and tell me that it does not go back to January 31, 1977 because that is exactly what it reads."

Telcser: "Representative, if you look at the page and line numbers to which you refer I think you find that the year alludes to the origin of the original Act and the Bill does not say or talk about going back four years."

Van Duyne: "Well, I'm sorry but you know that doesn't satisfy me at all. Because that's exactly what it says, 'the first such installment is payable on January 31, 1977 and all subject with equal payments are payable at the last working day of the month'."

Telcser: "That's not new language Representative. That's existing language."

Van Duyne: "Well, I don't know. I haven't been here as long as you have but I think I can understand the king's english as well as anybody and that's what it says as far as I'm concerned."

Speaker Redmond: "Representative Piel."

Piel: "Thank you Mr. Speaker, I move the previous question."

Speaker Redmond: "The Gentleman has moved the previous question. The question is, shall the main question be put? Those in favor indicate by saying 'aye', 'aye', opposed 'no'. The opinion of the chair, the 'ayes' have it. Representative Telcser to close. Representative Barnes sit down. Representative Telcser."

Telcser: "Mr. Speaker and Members of the House, I offer to move the adoption of Senate Bill 1752 because I believe that the elements that make up this Conference Committee report justify your support. This next two years the General Assembly is going to be in enormous amount of work. It's going to be a great.."

Speaker Redmond: "Representative Telcser."

Telcser: "The work load is going to be heavy upon all the Members and all of those who serve in the capacity of leadership. I believe as I said before that a vote for Senate Bill 1752 is a vote which is the right one and one which will help us go through what will be a very difficult, hard two year General Assembly. I offer to move the adoption of Conference Committee report number one on Senate Bill 1752."

Speaker Redmond: "Questions on the Gentleman's motion for the adoption of the first Conference Committee report to Senate Bill 1752. Those in favor vote 'aye', opposed vote 'no'. Final action. Representative Yourell."

Yourell: "Mr. Speaker, if this receives a required number of votes I request a verification."

Speaker Redmond: "Have all voted who wish? Have all voted who wish? Have all voted who wish? The Clerk will

take the record. On this question there are 91 'aye' and 58 'no'. Representative Yourell requests a verification of the Affirmative Roll Call. Representative Yourell. Representative Ronan, please sit down. Kelly, sit down."

Yourell: "Parliamentary...how many votes does this take, Mr. Speaker?"

Speaker Redmond: "89. Representative Yourell requests a verification. Who in the world is that. Representative McBroom, you're being assaulted. Turn around. Representative Meyers."

Meyers: "'Aye', please."

Speaker Redmond: "Representative Meyer, 'aye'. That's 92. Proceed with the verification of the Affirmative Roll Call. Representative Yourell."

Yourell: "Mr. Speaker..."

Speaker Redmond: "Wait a minute. Representative Yourell."

Yourell: "There's no possible way that a Roll...that a verification can be effective with all of the people on the floor. I request an oral verification."

Speaker Redmond: "Well, we'll get everybody to sit down. Sit down and get in your own seats. Your own seats only. I'm going to clear the floor of all visitors if, you know, the rules about having someone along side of you are for the Eighty-second Session. And we're going to enforce the rules if we don't sit down so that Representative Yourell has an adequate opportunity to verify this Affirmative Roll Call. Verify the Affirmative Roll Call."

Clerk O'Brien: "Abramson. Alexander."

Speaker Redmond: "Representative Wolf, 'aye'. Wait until

your name is called. That was Wolf, J.J. Now proceed."

Clerk O'Brien: "Barnes. Bianco. Birchler."

Speaker Redmond: "Friedrich and Davis, will you please sit down?"

Clerk O'Brien: "Bluthardt."

Speaker Redmond: "Representative Schuneman, Griesheimer, please sit down. Reilly, back in your seat. Lee Daniels, sit down."

Clerk O'Brien: "Bower. Bowman. Breslin. Bullock."

Speaker Redmond: "Kelly, sit down."

Clerk O'Brien: "Campbell. Capparelli. Casey. Catania. Chapman. Collins. Conti. Currie. Daniels. Giglio. Deuster. DiPrima. Doyle. John Dunn. Epton. Farley. Dwight Friedrich. Gaines. Garmisa. Getty. Giorgi. Goodwin. Grossi. Harris. Henry. Hoffman. Huff. Huskey. Jaffe. Smith. Emil Jones. Katz. Kornowicz. Kosinski. Krska. Kucharski. Kulas. Lechowicz. Leon. Madigan. Margalus. Marovitz. Matijevich. And, Mr. Speaker."

Speaker Redmond: "Any questions of the Affirmative Roll Call? Please sit down. Representative Stearney. Stearney, 'aye'. Donovan, 'no'. Domico, 'aye'."

Richmond."

Richmond: "Change my vote to 'present', please."

Speaker Redmond: "Richmond, 'present'. Are there any other changes? Anyone else want to change their vote? Representative Murphy. Murphy, 'aye'. Now please sit down. It's almost impossible, you can't tell the sheep from the wolves...or, the lambs. Representative Steele, 'no'. Any questions of the Affirmative Roll Call?"

Yourell: "Yes, Mr. Speaker, what vote are we starting with?"

Speaker Redmond: "What's the count, Mr. Clerk? 95 'aye'.

Representative Vitek, 'aye'. 96 'ayes'."

Yourell: "Representative Bianco."

Speaker Redmond: "Bianco is here."

Yourell: "Representative Bullock."

Speaker Redmond: "Bullock here? Representative Larry Bullock. How's he recorded?"

Clerk O'Brien: "The Gentleman is recorded as voting 'aye'."

Speaker Redmond: "Remove him. Representative Anderson, 'aye'. We will remove Bullock and Anderson as 'aye'."

Yourell: "Representative Capparelli."

Speaker Redmond: "Capparelli. Is Capparelli here? Capparelli here? How is he recorded?"

Clerk O'Brien: "The Gentleman is recorded as voting 'aye'."

Speaker Redmond: "Remove him."

Yourell: "Representative Sharp."

Speaker Redmond: "Representative Sharp here? How is Sharp recorded?"

Clerk O'Brien: "The Gentleman is recorded as voting 'aye'."

Speaker Redmond: "Remove him."

Yourell: "Representative Collins."

Speaker Redmond: "Collins. His son is here, does that count? He's in the back with Leinenweber, who is where he doesn't belong."

Yourell: "Representative John Dunn."

Speaker Redmond: "John Dunn is in the center aisle."

Yourell: "Representative Farley."

Speaker Redmond: "Farley is here."

Yourell: "Representative Henry."

Speaker Redmond: "Is Henry here? Henry. How is Henry recorded?"

Clerk O'Brien: "The Gentleman is recorded as voting 'aye'."

Speaker Redmond: "Remove him. Proceed."

Yourell: "What did you do with Representative Henry?"

Speaker Redmond: "We took him off. He's not here."

Yourell: "Representative Kucharski."

Speaker Redmond: "Kucharski. He's here."

Yourell: "Representative Margalus."

Speaker Redmond: "Margalus. Margalus. He's here."

Yourell: "Representative McAuliffe. McAuliffe."

Speaker Redmond: "McAuliffe...is here."

Yourell: "Representative Neff."

Speaker Redmond: "Is Representative Neff here? Representative Neff. How is he recorded?"

Clerk O'Brien: "The Gentleman is recorded as voting 'aye'."

Speaker Redmond: "Remove him."

Yourell: "Representative Rigney."

Speaker Redmond: "Rigney is here."

Yourell: "Representative Polk."

Speaker Redmond: "Polk. He's right behind you. He's the good looking fellow coming down the aisle...United States Marine Corp."

Yourell: "Representative Steczo."

Speaker Redmond: "He's here."

Yourell: "Representative Vinson."

Speaker Redmond: "Vinson is here...in the middle aisle."

Yourell: "Representative Williams."

Speaker Redmond: "Williams is here. No, wait a minute.

Representative Williams here?"

Yourell: "Oh, he may be voting 'present', I don't know."

Speaker Redmond: "Williams voted 'present'. Representative

Mulcahey. Mulcahey."

Mulcahey: "Mr. Speaker, how am I recorded?"

Speaker Redmond: "How is Representative Mulcahey recorded?"

Clerk O'Brien: "The Gentleman is recorded as voting 'aye'."

Mulcahey: "Am I still on the Roll Call, Mr. Speaker?"

Speaker Redmond: "You're still on the Roll Call."

Mulcahey: "May I have leave to be verified now?"

Speaker Redmond: "May he be verified, Representative

Yourell?"

Yourell: "Yes."

Speaker Redmond: "You may be verified."

Yourell: "That's all, Mr. Speaker."

Speaker Redmond: "What's the count? 92 'aye' and 58 'no'.

The motion carries. And, the House does adopt a

Conference Committee Report to Senate Bill 11...1752.

On the Supplemental Calendar #1, on the Order of

Conference Committee Reports, appears House Bill 3622,

Representative Lechowicz. Representative Lechowicz.

3622, on Supplemental 1, Second Conference Committee

Report."

Lechowicz: "Thank you, Mr. Speaker and Ladies and Gentlemen

of the House. I move that the House concur in the

Second Conference Committee Report on Senate Bill...House Bill 3622. It appropriates one million, two hundred and twenty thousand dollars for the cost associated with printing and publishing and explanation of the two Constitutional Amendments that were approved by the voters on November the 4th. It also provides, by Senate Amendment #1, five hundred and twenty-seven thousand, three hundred and ninety dollars, to pay back wages to employees as ordered by the Federal District Court in two previous law suits. If you recall, 3622 also initially contained an appropriation for a...a transfer of the respective office. That has been removed. Presently, under Conference Committee Report #2, it asks for an appropriation of one million, seven hundred and forty-seven thousand, three hundred and ninety dollars, based upon the two areas that I previously discussed: (1) printing and publishing the explanation of the Constitutional Amendment. (2) the court order by the Federal Court for five hundred and twenty-seven thousand. I'll be more than happy to answer any questions. If not, I ask for your adoption of Conference Committee Report #2 on House Bill 3622."

Speaker Redmond: "Representative Darrow."

Darrow: "Thank you, Mr. Speaker. Will the Sponsor yield."

Speaker Redmond: "He will. Please, please, give the Gentleman order."

Darrow: "Are there any funds in here for a transitional team for the Secretary of State?"

Lechowicz: "Not one penny."

Darrow: "Thank you."

Speaker Redmond: "Anything further? The question is on the Gentleman's motion that the House adopt the Second Conference Committee Report to House Bill 3622. Those in favor vote 'aye', opposed vote 'no'. Final action. Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there's 143 'aye' and 1 'no'. And, the House does adopt the Second Conference Committee Report to House Bill 3622. Amendatory Veto Motions. House Bill 3103. Representative Ewing, you have to suspend Rule 44.1b."

Ewing: "Mr. Speaker, Ladies and Gentlemen of the House, I would move to suspend the appropriate rule for immediate consideration of this motion."

Speaker Redmond: "Representative Ewing has moved to suspend 44.1b to permit the immediate consideration. Those in favor vote 'aye', opposed vote 'no'. 89 votes. Have all voted who wish? The Clerk will take the record. On this question there's 119 'aye' and 0 'nay'. The motion carried and the rule is suspended. Representative Ewing, on the motion."

Ewing: "Mr. Speaker, Ladies and Gentlemen of the House, this is a motion to concur in the Governor's Amendatory Veto of House Bill 3103. This Bill provided for the transfer to the City of St. Charles certain lands belonging to the State of Illinois at the correctional center in St. Charles. It provided that there would be a hundred thousand dollars consideration, and then the rest of the consideration would be negotiated. The Governor felt that this was vague, difficult to interpret and he has amendatorily vetoed that out of the Bill. And, if this land is transferred to the

city, it will have to be done and the money will have to transfer as currently provided in the statutes of this state. And, I would ask for concurrence in the Amendatory Veto."

Speaker Redmond: "The question is on Representative Ewing's motion to accept the..."

Ewing: "Mr. Speaker, I think we have a..."

Speaker Redmond: "Representative Brummer. Will everybody stand up and the ones that want recognition sit down. Representative Brummer."

Brummer: "Yes, thank you, Mr. Speaker. Will the Sponsor yield?"

Ewing: "Yes."

Brummer: "I think the usual existing procedure is that properties...state owned property...that the state determines a surplus or excess property, is appraised and the legislation specifically authorizes the transfer of that property upon the payment in cash of the appraised price. Has this property...first of all, there are two different parcels of property involved in this Bill, is that correct?"

Ewing: "There were two pieces of property involved in this Bill, that's correct."

Brummer: "Have both of them been appraised?"

Ewing: "The...I think there have been appraisals on both. The Amendatory Veto refers only to the St. Charles property. And, the point that you raised is exactly the point that the Governor raised, that we should not transfer this property upon the payment of a hundred thousand dollars, plus additional considerations to be negotiated. Now the total considerations were to come

up to the appraised price. But if this property is to be transferred, it will be done upon the payment in cash to the State of Illinois of the appraised value."

Brummer: "Well, has the property been appraised?"

Ewing: "I do not believe that the St. Charles property has had the three appraisals."

Brummer: "Well, the...the normal procedure is that we have the three appraisals. We have an opportunity to examine them. And then the Bill specifically authorizes the transfer upon the payment of that appraisal price. So even with the Governor's Amendatory Veto, we are not following the usual practice it would appear. Is that correct?"

Ewing: "Well, it's my understanding that we were following the usual practice. If we're not, possibly I'll have the answer coming."

Brummer: "Well we do not have an appraisal with regard to this property that we're transferring here. Is that correct?"

Ewing: "Representative, I'm informed that the three appraisals have to be at the fair market value, that's the only way they can sell it. The appraisals don't have to be done ahead of time. That's not the way the statute works."

Brummer: "Well, we have had to hundreds of real estate transfer Bills before the Judiciary Committee, and in all instances, we had the appraisals, had them before the Committee and the...the transfers were for the appraised price. In this instance it appears that we're authorizing the transfer of property without even having an appraisal yet. And I think this is

dangerous precedent. Obviously, the appraisals are...could be all over the...the spectrum. We ought to have the appraisals before we authorize the sale of this property. That's what we do with other property and I think we ought to do that in a consistent fashion."

Ewing: "Representative, I'm informed that the appraisals are in existence and it was a million dollar value."

Brunner: "Well, does...okay. If the appraisal was for a million dollars, does this Bill specifically require the payment of one million dollars then to the State of Illinois for this very valuable property?"

Ewing: "That's correct."

Brunner: "Where...where in the Governor's amendatory language does it say that they shall pay the one million dollars?"

Ewing: "The Amendatory Veto says they must pay the fair market value, which has been established by the appraisals at one million dollars."

Brunner: "The Governor's Amendatory Veto, no place, makes reference to the one million dollars. I'm looking at the Amendatory Veto..."

Ewing: "You're right. The one million dollar figure is not in the Governor's Veto. The fair market value is in there and the appraisals have been submitted at a million dollars."

Brunner: "Well, I reiterate my point that we do not have, in this Bill, the stated consideration that is to be paid. It simply says, fair market value. And we have no legally binding determined fair market value figure other than...initially, an indication that there was

no appraisal made and now an indication, well, it was a million dollars. I think we ought to provide in this Bill, as we do in all other land transfer Bills, that it be transferred upon the payment in cash of a specific dollar amount. If it's one million dollars, that's what ought to be in the Bill or in the Governor's Amendatory Veto. It is contained no place, and therefore, I think we ought to hold this and pass it next Session."

Ewing: "Mr. Speaker..."

Speaker Redmond: "Representative Ewing, to close."

Ewing: "I...I'm informed that we have transferred a great deal of state property in this same fashion. There's nothing underhanded this this transfer. It says that it will be the fair market value. The fair market value has been set at one million dollars. I'm afraid the other Speaker is sending up unwarranted flags of concern. And, I would ask for your approval of this legislation, the Amendatory Veto."

Speaker Redmond: "The question is on the Gentleman's motion that the House accept the Governor's Amendatory Veto. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Is that Johnson? Have all voted who wish? Representative Casey, for what purpose do you arise?"

Casey: "Well, I'd like to explain my vote, if I may, Mr. Speaker?"

Speaker Redmond: "Proceed."

Casey: "...notwithstanding, Representative Totten says that it's impossible for me to explain my vote. This Bill, originally I presented, and I just call to the

attention, now that it apparently has enough votes, I'd call to the attention of the objector that the Bill does provide that the average of the three appraisals which have been made constitute the fair market value. It isn't necessary to put the exact sum in. I think it's a good Bill and appreciate your support."

Speaker Redmond: "Have all voted who wish? The Clerk will take the record. On this question there's 138 'aye' and 13 'no'. And, the House does accept the Governor's Amendatory Veto on House Bill 3103. Representative Henry."

Speaker Redmond: "They didn't hear you."

Huff: "Point of per...personal privilege, Mr. Speaker."

Speaker Redmond: "State your point."

Huff: "It gives me great pleasure, Mr. Speaker, to announce to the floor and to my colleagues that on the floor of the House of Representatives is my Leader, the former Representative from the 21st Legislative District, now the Alderman 'Shumpert'. He also brought along with him the new alderman from the 28th Ward, Alderman William 'Curruthers', and also in Alderman 'Shumpert's' party is the Congresswoman from the 7th Congressional District of the State of Illinois Chicago, the honorable Congresswoman 'Cardiss Collins'."

Speaker Redmond: "Representative John Dunn, for what purpose do you rise?"

Dunn: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. I rise just briefly on a point of personal privilege. There will be a number of our colleagues

leaving the floor at noon today, and I would like to wish them all well. Tell all of them...each and every one that I will miss their service here, their friendship, and the time that it has been my privilege to spend with them. Not the least of those colleagues that I will miss is the colleague from my own 51st Legislative District, Webber Borchers, who has been a friend to me. Believe it or not, we're on the opposite side of almost every issue that comes up, but we have had a very pleasant, very good, very fine working relationship. Webber has been good to me. We don't have the friction that you sometimes find inside a Legislative District, and I for one will miss Webber. I would like to have the record show that. He is a friend of mine, and we will continue to be friends. I also rise to make just a few brief comments about a Legislator who began here at the same time I did in 1974. He sits on the other side of the aisle. He was elected in the Watergate backlash. He has served here for six years, three terms. He is one of the most dedicated, one of the most able, one of the best Legislators we have in this room. He rose quietly this morning to debate on a Bill, to do his job right up to the very end, and I think we owe a tribute of some kind or other to Representative Donald Anderson. Don Anderson is a man who has served so quietly that many of us in this room really don't know him. How many of you know that Don Anderson is a man who has put out a series of pamphlets in his Legislative District? He himself prepared of services for senior citizens. He prepared a guide of a

pamphlet on widowhood. He prepared a pamphlet on the abuses of alcohol, that devastating disease of alcohol. He prepared a senior citizens pamphlet. He prepared a pamphlet on energy, dollars, and cents; a consumer's guide to food labels. How many of the rest of you would do something like that as a Member of the Illinois General Assembly? Don Anderson back in his District gave service above and beyond the call of duty. I am told that when people came in for help with their circuit breakers they didn't have to go to an aid. Don Anderson was there doing the work himself and the day after the primary in March of 1980 when Don Anderson suffered defeat at the polls he was right there on the job taking care of a long line of people who wanted help with their circuit breaker problems. He has been very active in the fields of mental health. I served with him on the Appropriations Committee and have great respect for him. I would like you all to know that the Illinois General Assembly has been much better for Don having been here. Don is a full-time Legislator. He has...he was out front on the pay raise because he is a candid, honest, forthright man. As we all know the famous editorial lest we forget by the Peoria newspaper crucified him, defeated him at the polls. The people of his district and the State of Illinois are the losers for his having been defeated at the polls. Don took it like a man. He is not on his feet this morning. He is not going out whimpering. He put out a press release wishing his successors the very best. Don Anderson, you're the kind of man I would like to

GENERAL ASSEMBLY January 14, 1981.
STATE OF ILLINOIS
HOUSE OF REPRESENTATIVES

have represent me...represent everyone in the State of Illinois. I am going to miss you. We're the better off for your having been here. Good luck; God bless you; may the wind be ever at your back."

Speaker Redmond: "Representative Kent."

Kent: "Thank you, Mr. Speaker. I want to take these last seconds before I cross the hall to thank you all for all of the many courtesies that you have extended to me these past years. I really feel that you have given me a good background to go across to the Senate, and will you please look upon it like a mother-in-law, that you're not losing a Representative, you're gaining a friend in the Senate. Thank you so much."

Speaker Redmond: "Representative Ryan."

Ryan: "Thank you, Mr. Speaker. Earlier this morning I said we had another Member that was part of this General Assembly, and he has now arrived, and I would like to introduce him. He is a businessman from Chicago who has been appointed to succeed the late Representative Doc Capuzi. He is with us now, Frank 'Martire'. Where are you, Frank. Right here."

Speaker Redmond: "Representative Vitek."

Vitek: "Mr. Speaker, on a point of personal privilege."

Speaker Redmond: "State your point."

Vitek: "Mr. Speaker, I feel honored that we have the presence here of former state Senator and now the great clerk of the circuit court of Cook County, Morgan 'Finley'."

Speaker Redmond: "Stand up, Repre...stand up. Representative Polk."

Polk: "Well, Mr. Speaker, Ladies and Gentlemen, there...this

date and today at 12 noon there will be many of our fine colleagues who are no longer going to be with us, but one who is going to leave us today has probably been maligned more than anyone else of those who are departing simply because no one could spell his name when he first came down here and they still can't pronounce it correctly when they call upon him. The loss is not only that I no longer have someone sitting to my right that I have had for the last eight years to push my button 'no' when he pushes his 'yes'. We made that determination when we first came down that philisophically we were very much opposed, but socially we enjoyed each other's company. And so we made the agreement that any time there was a controversial Bill and I couldn't be in my seat or he couldn't be in his we did agree that he would push mine 'yes' and his 'no'. Ron Griesheimer is, as you know, the Commander and the...in Chief of our...our forces to maintain the sovereignty of the State of Illinois. Not only have we thwarted the attacks from the north, we have also been able to beat back those people from the bushes in the south. I am going to miss him simply because my voting record will probably drop off 50% because I understand Tim Johnson wants to move in his seat, and we all know about Tim Johnson. I am going to miss Ron. We've all...I've enjoyed his company in the past eight years, and he is a fine Legislator. Ron, 'foreign phrase'."

Speaker Redmond: "Representative Mahar."

Mahar: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. I along with the others who are leaving

certainly have enjoyed very much the eight years that I spent here, have enjoyed everyone's support of my legislation and that sort of thing, and I am certainly going to miss all of you. I am going to miss my Leader, Members of the Leadership team. I am going to miss you, Mr. Speaker, for your very promptness and very impartiality. Particularly the Members of my row here, my seatmate, Bernie Epton who has kept me voting properly all these years and all my conservative friends in this row. I am going to miss you, and looking forward to working for you in the Senate."

Speaker Redmond: "Representative Griesheimer...Griesheimer. Charge."

Griesheimer: "Thank you, Mr. Speaker. It only took eight years, but you are now pronouncing my name correctly. That is the way things go. The last day I'm here you pronounce it correctly. I just thought I would point out for the Body here that in the short eight years that I have been here there have been many changes, and I have enjoyed my service in this Body immensely. I would point out to all of you, and there is quite a class here that have served for eight years, that when we all came down here we were paying 47¢ a gallon for gasoline, and now we're paying \$1.27. Matter of fact, not only has price changed, but I find that when I first came to Springfield I drove 231 miles. Since the federal government has improved Route 55 from Chicago, it is now 241 miles from Waukegan. I note also that the chamber has color...changed colors from red to blue. I would imagine that is because we now have a Republican Governor. The pop machines have

changed from 25¢ to 45¢, but I am sure with the Secretary of State that is now a Republican it might fall back to where it should be. Rooms at the St. Nick were \$9.00 a night, and now they're \$30 a night and of course, the St. Nick doesn't really exist any more. And matter of fact, I can remember back so many years that I can remember when Mike McClain was a young man. I have few regrets about my eight years in Springfield. I think they have all been a delight, but I thought to each of you I would mention a few of the regrets that I do have. For instance, Cal...I see Cal down there some place. Cal Skinner...I regret that I didn't have the tab concession. I could have been a millionaire by this time. I regret that I never saw Webber Borchers in his Chief 'Illiniwek' costume. I think that would have been great. I regret that I didn't take the opportunity to dance the polka with Teddy Lechowicz at the last Polish night. And to any of you that missed the Polish functions, they were better than the German nights. I regret the fact that I didn't keep all the paper clips that I loaned to the Gentleman sitting to my right here, and boy am I upset that I didn't help Lee Daniels pick all those bananas on his trip to Honduras that the state paid for. In short, I would like to thank all of you for the opportunity of serving here. A special thanks to those people we really don't think of too often. George Nichols in the Reference Bureau and Bill 'Hay' in the Legislative Council were super to me as he is super to everybody down here. But a very very special thanks to the Gentleman who always looks attentive but

never at the speakers, Mr. Speaker himself, Bill Redmond. It is a special honor to me personally, Bill, to say that my years in the Legislature by and large have been under your leadership. I am sure that the Gentleman from Kankakee will ably follow you, but he has very large boots to fill. I wish you the very best in your future endeavors. I know you will follow on as you have been as a great man. I would also like to thank my colleagues from Lake County all of who have been just superb in their support in every of my endeavors, and I hope I have supported them somewhat. Betty, Don, and Dan in the 32nd District have been great. I have to say to Ginny, it's been great to have a Republican colleague these last two years. You know, I served down here for four terms and never had a Republican colleague, and it is so much fun to have a Republican colleague down here. A very special thanks to a Gentleman who is a tough street fighter, somebody that will always remember, a guy that I can't help but say I feel as close to as a member of my family because he is family, and many of you never knew that Lee Daniels and I were practically brothers with a history that dates back many many years. And lastly, to my colleague in the 31st who is a great guy, a fantastic Legislator, John Matijevich. I would only point out one thing, and I know this is carrying on a little bit longer than I wanted. We are given a tremendous amount of power down here, and when I say we, I don't mean merely those of us who serve in the Legislature. I mean all of those people who serve the people down here who may work for government, who may

work in the media, and in the various supporting industries. This power, like any other power, can be corrupted. A good many of us are leaving the Legislature this Session having lost our re-elections not based upon a record, but based upon what I would refer to as media vengeance. I have never had a problem with any of our media people in Springfield. I do believe all of you are professionals. But the media back in the home district who very seldom even bothers to cover us down here in Springfield, those of us that are not from large metropolitan areas, have a tendency to spend most of their time trying to find out what is wrong with this Legislature and not what is good with it. They do the same with the Legislators. I think this power is an awesome one and we should always keep it in mind. Lastly, Mr. Speaker, I would ask you to note for the record that I have moved from the City of Waukegan, and I am now a resident of Wadsworth, Illinois. Wadsworth is two miles south...two miles south of the Wisconsin line. And I want you to know I will maintain my vigilance in keeping out the hordes from Wisconsin, but I would ask you or Representative Ryan, soon to be Speaker Ryan, to quickly appoint my replacement as Field Marshal because now my home is at stake. Good luck to all of you, and thank you very much."

Speaker Redmond: "Representative Monroe Flinn. Representative Doyle, please sit down. Dunn."

Flinn: "Mr. Speaker, today is a sad occasion..."

Speaker Redmond: "Our guest there please sit down. The Mulcaheys please sit down. Dunn, sit down."

Flinn: "Mr. Speaker, today is a sad occasion for myself and for the many of us that sit back here in the back row. The Gentleman who sits on my left and has for the past six years will be leaving us within a few moments. And, Mr. Speaker, each morning that you rap the gavel you could look out in the empty chamber there will be one person there. It would be Vince Birchler. He has always been...He has always been 100% in attendance. Because of my being away from my desk a lot of times I wound up with 100% farm record, 100% school record. I've got one of the best records I've ever had since I've been sitting by him. It is indeed a pleasure to have served with Vince Birchler for the last six years. He is very much a Gentleman. I could stand up and talk the rest of the day and never sing the praises high enough to a guy I really hate to see leave more than anyone else I've ever sat with."

Speaker Redmond: "Representative Hallstrom."

Hallstrom: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. The only thing that dampens my spirits at all today is that when I come back this next Session I am not going to have Paul Matula as a seat partner. And I know there is so many of you that agree a finer Gentleman never served in this House. So conscientious, never missed a vote, but I would like to tell you that the Illinois General Assembly's loss is going to be Berwyn's gain because he is running for Mayor of Berwyn...Berwyn, and I know we all wish him success. Thank you."

Speaker Redmond: "Representative Conti."

Conti: "Mr. Speaker, Ladies and Gentlemen of the House,

today again, there are as someone said before me, a lot of good Legislators that will be leaving this Body, and I'll remember back in 1962, 18 years ago when I decided to retire from the General Assembly. I used to drive back and forth to Springfield with the Gentleman that represented the whole of DuPage County. And that was Grandpa Lee Daniels. Grandpa Lee Daniels and I used to ride back and forth together and immediately after I retired someone took his place as amiable as Lee Daniels, and that's a fellow by the name of Al Schoeberlein. Al Schoeberlein...Al Schoeberlein has been with this House since 1962. He has done a tremendous job, and there is never never a doubt of where he stood on any issues. And any man that can hold public office as long as he has and received the recommendations and the editorials that he receives as late as last week, is a man that should be recognized as a great Representative for the people in DuPage County. Al, we're all going to miss you. Kane County, not DuPage. Kane County, I'm sorry. And along that same line while I'm up back in those years my colleague...I was in the 5th District, there was a fellow by the name of Bill Walsh that came in and...my second term. And I was asked today to present Bill Walsh...Ladies and Gentlemen, if I could have your attention for a minute, my colleague back in 1959, Bill Walsh, who I proudly called my colleague in those days since they...then they have moved me out in the City of Chicago, and I don't have the privilege of representing the suburban area with Bill, but Bill, the Members of the House decided to give you a tee

shirt here. That is a tee shirt for Bill Walsh along with a Resolution."

Speaker Redmond: "On the Supplemental Calendar #2. On the order of concurrence appears House Bill 3638. Representative Yourell is recognized."

Yourell: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. Senate Amendments #1 and 2 to House Bill 3638 as you recall is the state mandated program that went into effect January 1, 1981. Senate Amendment #1 to House Bill 3638 provided that the fiscal note prepared by the Department of Commerce must be presented before the Bill can be assigned to Committee. The provisions of that Amendment were much discussed, and those of you who have an analysis of that Bill will see that practically all facets of state government and the departments affected were in agreement with Senate Amendment #1. Senate Amendment #2 is proposed by the Governor's staff. It clarifies language concerning court orders which enforced statutory or executive mandates. It deletes reference to inter-local equity mandates and clarifies the language concerning reimbursements on the single or aggregate basis. In the Conference Committee report speaking to Amendments #1 and 2 were Members of the House Democratic Staff, the Auditor General, the Senate Republican Staff, the House Republican Staff, the Legislation Information Service, the Illinois Reference Bureau, the House Republican Staff, the Senate Staff, Department of Commerce and Community Affairs, they're all in agreement with Senate Amendments #1 and 2 to House Bill 3638. I move

GENERAL ASSEMBLY January 14, 1981.
STATE OF ILLINOIS
HOUSE OF REPRESENTATIVES

concurrence to those two Amendments to House Bill 3638."

Speaker Redmond: "Is there any discussion? Representative Friedrich."

Friedrich: "Mr. Speaker, I would like to support what Representative Yourell said. These Amendments were necessary because of some problems that were created by the original Bill in the Clerk's office and also in the Legislative Reference Bureau, and I can assure this improves the original Bill which would have created some real problems without these Amendments. I urge your support."

Speaker Redmond: "Is there any discussion? Any more? The question is 'Shall the House concur in Senate Amendments 1 and 2 to House Bill 3638?'. Those in favor vote 'aye', opposed vote 'no'. Final action. Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question 144 'aye' and no 'nay', and the House does concur in Senate Amendments 1 and 2 to House Bill 3638. On the order...on Supplemental Calendar #2 on the order of concurrence appears House Bill 2831. 2831, is that Giorgi? Representative Donovan. Please, don't gather in the front of the podium here. Ellis Levin, Dan Pierce, Jimmy Taylor, Giorgi...Representative Davis, for what purpose do you rise?"

Davis: "Well, Mr. Speaker, I don't seem to have a copy of Supplemental Calendar #2. Has it been distributed?"

Speaker Redmond: "It has been distributed. Representative Donovan. Representative Donovan. Representative Donovan, the Gentleman from Macon County sitting in

the front row here."

Donovan: "Thank you, Mr. Speaker. Inasmuch as House Bill 2831 was in Appropriations for my soul survey Bill, I do...this is now the Chrysler bail out Bill as we well know. I at this time would defer to the father of the Chrysler Bill to handle this for the General Assembly, Zeke Giorgi."

Speaker Redmond: "Representative Donovan yields to Representative Giorgi. I can't see back there. Yourell, Kornowicz, the guests in the aisle, please sit down. Hanahan, McCormick...C.L. McCormick, the mosquitoes are coming. Please sit down. Please sit down. Marco Dommico. Hanahan is recognized."

Giorgi: "Mr...Mr. Speaker, this is the...House Bill 2831 has been amended to include the \$20,000,000 for the Corporate Loan Act which is earmarked for use of the Chrysler corporation. Now, the...Bill...the Corporate Loan Act as written had to have full and final approval of the Governor, the Director of the Budget, and the Director of the Community...Commerce Affairs. The \$20,000,000 that we planned to loan to Chrysler and the money coming incidently from lottery funds won't be given to Chrysler unless Chrysler is successful in getting the \$300,000,000 they are negotiating now with the federal government. The agreement on the loan...the collateralization on the loan, the interest rate, the pay back plan, the mortgages and so on, all the agreements have been written according to the approval of the Director of the Commerce and Community Affairs and the Director of the Bureau of the Budget and Governor. I think that

everyone in this room is knowledgeable and is sensitive about the Chrysler Bill as I am and I would like to concur with the Senate Amendment #2 to House Bill 2831."

Speaker Redmond: "Representative Johnson."

Johnson: "Well, I hate to be the one to spoil the festive mood of today's events because this is a happy time and a sad time for various people. But I guess it is appropriate in some ways that this be the last Bill we consider because in every sense this is the worst Bill that the 81st General Assembly or I guess looking at the clock, maybe the 82nd General Assembly could ever consider. We talked about the merits of the proposition that government ought to involve itself in the private sector ad infinitum this last term. I guess this Bill is on a different plane. Now we're talking about the credit ability of a corporation who at least if the news accounts are correct notwithstanding its pledges and protestations to the contrary has at least temporarily closed its Illinois facility in addition to which is by everybody's stretch of the imagination one of the worst credit risks that we could ever make. By manage, Credit Thrift or 'Avco' Finance and someone came in without a job and whose unemployment compensation ran out. That person would be a better credit risk than Chrysler Corporation. If we want to adept the proposition that we're going to take \$20,000,000 and throw it down the drain and give away the taxpayers' dollars despite what they said on November 4 about fiscal responsibility and the integrity of the legislative

process and the budgetary process, then Representative Giorgi ought to just do it. We ought to take the \$20,000,000 and say the taxpayers don't need it. Let's just give it away because that is exactly what we're doing in this Bill. I urge the Members of the 81st General Assembly who in large part and in a vast majority of the cases have acted very responsibly and whose company I've been proud to be associated with each and every one of them to look at this Bill and to realize this is one of the most gigantic rip-offs, one of the worst Bills that any Legislative Body could ever pass. I urge you to vote 'no' on this terrible Bill."

Speaker Redmond: "Representative Davis. Now this is a very important measure and it obviously is controversial. The Members please be in your seats and if we don't preserve order I am going to clear the floor of all the guests. And I hope we don't have to go to that extreme, but we're going to conduct this business as orderly as we can. Representative Davis."

Davis: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. I wish you would pay very close attention. The Speaker is absolutely right. This is a very important Bill and a very controversial Bill. The concept of loaning money from the public coffers to bad credit risks like Chrysler Corporation is as ridiculous today as it was when the authorization Bill was passed in a somewhat haphazard manner earlier by this General Assembly and by this House. Now Members, I hope you're paying attention and not talking to your family and relatives because a lot of you were asleep

at the switch when...the last time this subject was brought up, and this Bill got out of control of the House very quickly simply because it could not pass as a bond issue authorization. It was dropped back to a direct outright loan. Oh yes, we're told the guarantees are there, that we have collateral and we have security. The federal government bought that activity, too and is now in for about \$800,000,000. They are looking for more. Chrysler is going belly up. It is no better today than it was a year ago, than it was 20 years ago when it almost went belly up. Chrysler is an outgoing and almost demised enterprise. It will serve no good purpose for this General Assembly to authorize and appropriate \$20,000,000 of taxpayers' money now to ailing and demised Chrysler Corporation unless...unless, Ladies and Gentlemen, and I might be convinced next year...unless United Auto Workers and the federal government devise some other way of keeping Chrysler afloat. If any of you went out to try and buy a Chrysler Corporation, the much vaunted K car recently, you found that they had a pretty good car, but when they got it to the showroom, it was loaded with so many options that there were \$9,000 or \$10,000 price tags on the car, and they are not selling. Chrysler is on the way out. The press has caught onto it. Everybody has caught onto it. Ladies and Gentlemen, why don't you catch onto it. Let's defeat this...this motion for concurrence to Senate Amendment #2 which provides the authorization simply because if the United Auto Worker and if the federal government keep them afloat, you'll have

another opportunity, the new General Assembly will have another opportunity. Let's defeat this measure now. Take a look at it again when the time comes and when we see if Chrysler is indeed going to stay afloat."

Speaker Redmond: "I think before we proceed any further that Representative Giorgi should move to suspend the provisions of Rule 68D to see whether or not this will be considered at all. So Representative Giorgi, do you make that motion?"

Giorgi: "I so move."

Speaker Redmond: "The question is on that motion. Those in favor vote 'aye', opposed vote 'no'. Requires 89 votes. Its the one that takes the one day notice on a Conference Committee. Now this is just to see whether the 89 to consider it. Then we'll go back to the...let everybody talk. I'll talk...I'll get back to you. Have all voted who wish? Schuneman."

Schuneman: "What is the significance of this vote, Mr. Speaker?"

Speaker Redmond: "Well, just...it requires 89 votes to...to suspend the rule to see whether or not we can consider it. An 'aye' vote..."

Schuneman: "This is a vote on suspending the rule to see whether or not we can consider this Bill?"

Speaker Redmond: "That is correct."

Schuneman: "Thank you, Sir. Can I ask for a verification of the roll call, Mr. Speaker?"

Speaker Redmond: "Within your rules...within your rights."

Schuneman: "I so ask."

Speaker Redmond: "Have all voted who wish? Representative

Hanahan on the motion."

Hanahan: "Mr. Speaker, you know, the Gentleman has a right to request an oral roll call or verification of any kind, but I wish he would just take into consideration tht we will do that on the final vote. It won't change the matter. We just want to get one roll call. If you would remove it on this and hold it until the debate is done and then have an oral verification, I have no objection, or Giorgi has no objection to that. So we'll, you know, just in consideration of the day that we're...and the pressure that we're under right now if you'd remove that..."

Speaker Redmond: "Representative Schuneman."

Schuneman: "Does...well then, Mr. Speaker, can I ask at this time that if...if I relent on my request that we will have an oral...verified roll call on the vote, and we're not going to be considering other Bills in this manner."

Speaker Redmond: "You will have an oral verification...you will. The only thing I..."

Schuneman: "The..."

Speaker Redmond: "...The only thing that is before us now is his motion whether we can consider and I will give you a verified oral roll call on the motion..."

Schuneman: "Okay, and that does not, Mr. Speaker, open up the General Assembly tthen to other Bills on this motion?"

Speaker Redmond: "No, as far as I..."

Schuneman: "This motion applies only to..."

Speaker Redmond: "...Only have Supplemental Calendar #2 and the...this only pertains to this specific Bill. It

doesn't pertain to anything else."

Schuneman: "Alright, then I withdraw my request, Mr. Speaker."

Speaker Redmond: "The Gentleman has withdrawn his request for a verification. The question...will you take the record. On this question there's 108 'aye' and 52 'no'. The motion carries. The rule is suspended. Representative Hanahan is recognized. The guests on the verification...the oral verification we're going to have to clear the floor so everybody might as well get ready to get out."

Hanahan: "Mr. Speaker and Members of the House, we've heard an impassioned plea here today in behalf of some sort of philisophical endeavor that somehow by voting 'no' you're going to create a free enterprise system with the right of failure as being the...the end result of htis philosophy. Well, this sounds good in a text book, and I am sure that there is some people...beat their breasts and say its alright. But I happen to come from an area where 5,000 worker jobs are at stake. And each and every one of you should be aware of that these 5,000 taxpaying citizens have a job at stake by this...your vote. You're condemning people to the unemployment rolls by a negative or a 'present' or an absent vote on this issue. The fact is that in seven weeks...in seven weeks you will have eaten up \$20,000,000 of unemployment compensation out of the trust fund if you don't vote 'aye'. Now it might sound good to somebody who beats their breasts and say 'I'm a conservative. I believe that a company should be able to fail. I believe that people should go out

on the bread line.' But it would be a hell of a difference if it was you that was going out on that bread line. It'd make a big difference for you if you were the one that had to stand in that unemployment compensation room seeking out unemployment comp for your family. I just tell you, Ladies and Gentlemen of this House, this is a very serious issue because you're either going to vote to condemn people to unemployment to welfare and to all the doles that you say you're against if you'll vote 'no'. If you vote 'aye', you're giving a chance to a company to at least endeavor to struggle along and God knows we're all having to pray besides giving them money to keep Chrysler afloat. But don't condemn them to the dole. Don't condemn them to that unemployment comp that you and I don't want to see, you and I say that we're against, you and I want a good economy. Don't condemn half of northern Illinois into the unemployment offices by a negative vote."

Speaker Redmond: "Representative Skinner."

Skinner: "Does my colleague from McHenry County own a Chrysler? Did you give at the dealership? I gave at the dealership. Alright, that is one person who has spoken in favor of this Bill that trusts Chrysler enough to buy a car from Chrysler. You haven't spoken on it yet. You can...you can admit that you bought one later. Alright. I bought one from the Chrysler plant, but I am not going to vote for this Bill, and I'm not going to vote for this Bill because it is obvious that Chrysler is going to fail. Now, I am sorry for the Rockford economy. It is going to hurt

the Rockford economy if the Chrysler plant closes although I believe such closure would be temporary. The Chrysler plant in Belvidere is one of the most modern automobile plants in the United States. It will surely be purchased by a foreign automobile manufacturer where the executives are smart enough not to introduce a new car in the middle of a recession without putting any stripped down models on the local floors in your Chrysler dealership. The precedent that this Bill and its predecessor Bill lays before the State of Illinois is absolutely horrendous. What it is saying is that if you are big, the State of Illinois taxpayers will bail you out. But if you are small, we will let you fail. And small businesses are failing all over the State of Illinois and will not be able to understand your vote in favor of propping up this huge dinosaur that hasn't outlived the 1950's at least in its design. I would suggest finally that the money we're talking about is not free money even if it comes from a variation of the numbers racket. That money we spent this morning assuming the Governor signs the scholarship Bill. We spent at least one-third of it. It provides scholarships to needy students. This past year the Governor vetoed a Bill to give or vetoed part of a Bill to give additional utility assistance to senior citizens. That would have cost less than the Chrysler bail out. The Governor this morning was talking to one of my colleagues about the parochiaid bussing Bill. Not the Governor, it was...excuse me, the Director of the Bureau of the Budget. He said that if we...if the

Governor had signed that Bill then the choice would have been between bussing private students and saving abused kids. Well, you can't have it every way...every which way unless you're Clint Eastwood. There is only so much money to go around, and one of the least deserving recipients is the Chrysler Corporation. This company deserves to fail based on its mismanagement."

Speaker Redmond: "Representative Ebbesen."

Ebbesen: "Mr. Speaker, I move the previous question."

Speaker Redmond: "The Gentleman has moved the previous question. The question is, 'Shall the main question be put?' Those in favor say 'aye', 'aye'. Opposed 'no'. The 'ayes' have it. The motion carried. Representative Giorgi to close."

Giorgi: "Mr. Speaker, I can only paraphrase the Representative from McHenry that said, 'The Belvidere Plant has no peer in the automotive industry, in the entire United States,' and that's the plant that's pledged for the grant of this loan. If Chrysler doesn't have any better luck, it will only take seven weeks of the people that are employed by Chrysler, not only be from the Belvidere Plant, the dealerships and the 1400 suppliers in Illinois, those people on the unemployment rolls will consume 20 million dollars in unemployment insurance in seven weeks. That plant is more than ample to pledge collateral to this loan. And I think that... I think everyone in this room has probably read volumes on Chrysler and Chrysler needs and I'd like to close by saying that to help...help the Governor and help the Director of the Bureau of

the Budget, and the community development, these people feel that this is a bonifide loan. They're satisfied with the agreement and I'd like to support them and vote for this Bill."

Speaker Redmond: "Representative Ewing, for what purpose do you arise? Schuneman.."

Schuneman: "Yes, Mr. Speaker, please don't let that happen again."

Speaker Redmond: "What was that?"

Schuneman: "Please don't let that happen again, call me Representative Ewing and..."

Speaker Redmond: "Well..."

Schuneman: "That's the one thing I really... that really gets me uptight, Mr. Speaker."

Speaker Redmond: ".....You with saintly praise.."

Schuneman: "Since you granted me the right to have an Oral Verified Roll Call and mentioned that we'd have to clear the floor, Mr. Speaker. I think that would be out of place today and I would withdraw that request and simply ask that we have a regular verification of Roll Call....."

Speaker Redmond: "Okay..."

Schuneman: "...If that meets with your approval."

Speaker Redmond: "Thank you very much for that, but according to the Rule 47-B, I guess it is, we're going to have a verified Oral Roll Call. Now, one part of that does require that every Member be in his seat or her seat. And when the name is called, to stand and to press the switch and to indicate orally how they vote. It's pretty obvious that the guests that we have on the floor are going to make this a very

difficult procedure. And I sincerely request that all people that are not entitled to the floor please leave the floor, retire to the balcony or get to the back of the room so that we can proceed with this verified Oral Roll Call. And if it doesn't go orderly, we are going to have to remove everybody from the floor. Now, Mr. Clerk, verified Oral Roll Call. Representative Schuneman."

Schuneman: "Mr. Speaker, did you understand that I withdrew my request for a verified..."

Speaker Redmond: "...No, I did not.."

Schuneman: "...Oral Roll Call..."

Speaker Redmond: "No, I did not..."

Schuneman: "Yes, Sir..And what I asked and said, Mr. Speaker, was that we have a regular verification..."

Speaker Redmond: "Okay. Okay. Thank you. Thank you very much. Now, the question... Representative Skinner."

Skinner: "Mr. Speaker, I'm sorry. It's much too important a Bill not to know that the Members are here and voting and there's no way to conduct a regular verification that will work on this floor right now. So I would ask for an Oral Verified Roll Call."

Speaker Redmond: "I don't think... I think it requires you to be joined by nine others in order to ...otherwise it's the prerogative of the Chair."

Skinner: "Well fine. Let's see if you've got nine. Otherwise it will just sneak through."

Speaker Redmond: "I only see a couple Representative Skinner. So the question is, 'Shall the House concur in Senate Amendment #2 to House Bill 2831?' Those in favor vote 'aye' and opposed vote 'no'."

Representative Kucharski, Barnes, please sit down. Hallock, please sit down. Swanstrom, sit down. Representative Kucharski, I can't see that hand sticking back there. I don't know who it is. Representative Ebbesen."

Ebbesen: "Yes, Mr. Speaker, how many votes does this Bill take?"

Speaker Redmond: "89. Now the Democratic side, guests in the center aisle. Will you please retire to the rear of the chamber? I don't know who they are by name. Representative Giglio, Kelly...There's people standing in this aisle. Please retire to the rear of the chamber. The question is on the adoption of the Senate concurring... I mean, the House concurring in Senate Amendment #2 to House Bill 2831. Those in favor vote 'aye' and opposed vote 'no'. What did you say? Have all voted who wish? The Clerk will take the record. Representative Schuneman."

Schuneman: "How many votes does this take, Mr. Speaker?"

Speaker Redmond: "93... It takes 89."

Schuneman: "Well, then, I would ask for a verification of the Roll Call."

Speaker Redmond: "The Gentleman is within his rights to request a verification of the Roll Call. Mr. Clerk, will you please call the Roll? Representative Schuneman."

Schuneman: "Mr. Speaker, I withdrew my request for an Oral Verified Roll Call because this is a ceremonial day and we have a lot of guests here, but it is going to be very difficult to see people and I wonder if we could ask the Members, as you call their names, if

they would please stand so that we'd have a chance to take a fair vote on this issue?"

Speaker Redmond: "Well, I think that's a reasonable request. Representative Johnson is up here to ... to help in the verification, but I think that's a reasonable request and it will make it a lot easier to proceed in an orderly fashion. So, when..when the Clerk calls your name will you please rise so that we can make sure that you're there? Representative Smith desires to be recorded as 'aye'. Proceed with the verification of the Affirmative Roll Call."

Clerk O'Brien: "Abramson..."

Speaker Redmond: "Will you stand and... you're a little short. I can't see you."

Clerk O'Brien: "Alexander...."

Speaker Redmond: "Dunn and Beatty, please sit down."

Clerk O'Brien: "Anderson..."

Speaker Redmond: "Reilly sit down. Stiehl sit down."

Clerk O'Brien: "Balanoff. Beatty. Bell. Bianco. Birchler. Bradley. Braun..."

Speaker Redmond: "Braun, is she here? She's here."

Clerk O'Brien: "Breslin. Bullock. Capparelli. Catania. Chapman. Christensen. Cullerton. Currie. Giglio. DiPrima. Domico. Doyle. Ralph Dunn. Farley..."

Speaker Redmond: "Who was that?"

Clerk O'Brien: "Farley.."

Speaker Redmond: "He's way in the back there."

Clerk O'Brien: "Gaines. Getty. Giorgi. Goodwin. Greiman. Hallock. Hallock. Hanahan. Henry..."

Speaker Redmond: "Henry? He's in the aisle here."

Clerk O'Brien: "Hoffman. Huff..."

Speaker Redmond: "Huff here?"

Clerk O'Brien: "Hen...Excuse me. Jaffe. Irv Smith. Emil Jones. Kane. Katz. Keane. Kornowicz. Kosinski. Krska. Kucharski. Kulas. Laurino. Lechowicz. Leon. Leverenz. Madigan. Margalus. Marovitz. Matijevich. McAuliffe. McBroom. McClain. McGrew. McPike. Meyer. Mulcahey. Murphy. Oblinger. O'Brien. Pechous. Peters. Pierce. Polk. Pouncey. Preston. Richmond. Ronan. Ryan. Sandquist. Satterthwaite. Schraeder. Jim Kelly. Slape. Stanley. Steczko. Stuffle. Taylor. Telcser. Terzich. Van Duynes. Vinson. Vitek. VonBoeckman. White. Williams. Williamson. J.J.Wolf. Sam Wolf. Younge. Mr. Speaker."

Speaker Redmond: "Representative Garmisa, for what purpose do you arise? Garmisa, desires to be recorded as 'aye'. Representative Ewell, 'no'? 'Aye'. Representative Ewell, 'aye'. Representative Monroe Flinn."

Flinn: "Mr. Speaker, change my 'no' to a reluctant 'yes'."

Speaker Redmond: "Representative Flinn is 'yes'. Representative Stearney?"

Stearney: "'Aye', please."

Speaker Redmond: "'Aye', Stearney. Representative Stanley, are you seeking recognition?"

Stanley: "Yes, I do, Speaker. Do Congressman have floor privileges? I'm asking on a point of order."

Speaker Redmond: "Read your rules."

Stanley: "I'm just saying that to introduce Edgar Derwinski at the back of the chamber."

Speaker Redmond: "Well, he's a former Member. But

Congressman Findley is here and he isn't a former Member. Where's Congressman Findley? Derwinski is way in the back, former of the House. According to our rules, he's entitled to floor privileges. Representative Giorgi, for what purpose do you arise?"

Giorgi: "Mr. Speaker, before you verify the Affirmative Roll Call, would you please poll the absentees?"

Speaker Redmond: "According to Rule 49, he's within his rights to request a poll of the absentees before the announcement of the result. Poll the absentees, Mr. Clerk."

Clerk O'Brien: "Martire."

Speaker Redmond: "Who was that?"

Clerk O'Brien: "Martire."

Speaker Redmond: "Martire? How do you vote? Martire, 'aye'."

Clerk O'Brien: "Casey. Conti. Dyer. Griesheimer. Harris. Klosak. Mahar..."

Speaker Redmond: "Representative Schuneman?"

Schuneman: "Mr. Speaker, this is a lost cause. I don't want to delay the work of the House. I withdraw my request."

Speaker Redmond: "The Gentleman has requested... verification has been withdrawn. Representative Conti, 'no'. What's the count, Mr. Clerk? Representative Darrow, for what purpose do you arise? Darrow, 'aye'. Harris, 'aye'. What's the count, Mr. Clerk? On this question there's 100 'ayes', 60 'nos'. And the motion carries and the House concurs in Senate Amendment #2 to House Bill 2831. Representative Wyvetter Younge, for what purpose do you arise?"

Younge: "Thank you, Mr. Speaker. I move that House Rule 41 be suspended to allow for the immediate consideration of House Resolution 1115. This is a Resolution calling for the Illinois Investigating Commission to investigate forthwith the deaths of eleven children who were burned up in a fire in East St. Louis Sunday. I feel that this matter has to be investigated immediately because there are other children, large numbers of children, in Illinois that are similarly situated. I feel further that having filed this Resolution, that if we do not proceed in pursuit of this matter now, much of the evidence will ..will vanish. Therefore, I move that we suspend the rules and consider this matter immediately."

Speaker Redmond: "Is there any discussion? Representative Taylor."

Taylor: "Thank you, Mr. Speaker and Members of the House. I have no objection to the Resolution. But there is one problem. Should we suspend the rules? I wish that Representative Younge would ask to have leave to have it amended on its face the date of March 1. I think that will be too short of a time for the Legislative Investigating Commission to do a proper job."

Speaker Redmond: "The question is on Representative Younge's motion to suspend the rule for immediate consideration. Those in favor vote 'aye'; opposed vote 'no'. Requires 107 votes. Representative Flinn, for what purpose do you arise?"

Flinn: "Well, Mr. Speaker, wouldn't we be more appropriately discussing this subject in the 82nd General Assembly than the 81st? We're about to go out of business."

Speaker Redmond: "Well, Representative Younge has filed a Resolution and it's not up to me to tell her whether it should be the 81st or 82nd. She put the motion. Requires 107 votes to suspend the rule..."

Flinn: "I understand. I don't quarrel with the intent of the Resolution at all. I'm saying to you there's a number of Members who are voting on this who won't be here to help investigate. There will be new Members here. And I think it ought to be the 82nd General Assembly."

Speaker Redmond: "Representative Wyvetter Younge."

Younge: "This is a matter involving the death of a... one of the largest multiple deaths in the State of Illinois by fire. And, this matter happened Sunday and it is urgent that this matter be investigated immediately. This Resolution has been filed and if we do not proceed today, much of the evidence will be lost. I believe that there are other children who are in jeopardy and we have a duty, I believe, to those eleven children to investigate this matter immediately. I have no problem whatsoever amending the Resolution calling for a different date in which the report is made. But this matter should be proceeded on immediately."

Speaker Redmond: "Representative Ewell."

Ewell: "Mr. Speaker, Ladies and Gentlemen, we're talking about a tragic situation in which there was a multiple death, not of one child under eleven, not of two children under eleven, not of three children under eleven, not even of four children under eleven. Let's go to the actual number. We're talking about a

needless death of eleven children under the age of eleven years old. This is a civilized state. This is a society which seeks to protect its young, which seeks to protect those who cannot protect themselves, the young, the helpless. This matter deserves the immediate consideration of this Body and we would like to move with dispatch before all the evidence is gone, before we have to explain to our consciences again why must eleven children die in the State of Illinois in a fire and we sit here and refuse to act on our switches. What is more important? We are talking in this matter of life itself that was needlessly taken and we shun our duties and we are neglectful if we do not proceed immediately with this matter. Thank you."

Speaker Redmond: "Have all voted who wish? Clerk will take the record. On this question there's 101 'aye' and ... 102 'aye' and 40 'no'. And the motion fails. Mr. Clerk? Representative Taylor?"

Taylor: "Mr. Speaker, I rise on a point of personal privileges."

Speaker Redmond: "Proceed."

Taylor: "I have here with me the Dean of the Senate who has retired. His wife has just been elected to our House and he is here with us today, Senator Fred Smith."

Speaker Redmond: "Agreed Resolutions. Representative Ray Ewell?"

Ewell: "Representative Younge I think wants a poll of the absentees on that vote before she was interrupted."

Speaker Redmond: "Read Rule 49. It's before it's announced. After the announcement it's too late. I waited and I didn't hear any... Agreed Resolutions."

Clerk O'Brien: "House Resolution 1051, Redmond, et. al. House Resolution 1116, Lechowicz. 1117, Lechowicz. 1118, Lechowicz. 1119, Lechowicz. 1120, Kulas. 1121, Peters. 1122, Kelly. 1123, Madigan, et. al."

Speaker Redmond: "Representative Giorgi. Is Representative Giorgi in his seat? Hanahan, Domico, will you please sit down?"

Giorgi: "Mr. Speaker, 1116 by Lechowicz, 17th, 18th and 19th by Lechowicz honor Boy Scouts. Kulas' 1120 reminds of Ukrainian, American independence claim. Peters' 1121 is an Eagle Scout award. 1122 by Kelly is talking aboutmission. And 1123 by Madigan honors the institute of marriage. 1093 by Redmond honors Gale Schisler. I move for the adoption of the Agreed Resolutions."

Speaker Redmond: "Any discussion? The question's on the motion for the adoption of the Agreed Resolutions. Those in favor say 'aye', 'aye'. Opposed 'no'. The 'ayes' have it. The motion carries. The Resolutions are adopted. What have you got, Mr. Clerk? General Death Resolutions."

Clerk O'Brien: "House Resolution 1112, Greiman, with respect to the memory of Harriet Pinnus."

Speaker Redmond: "Representative Greiman moves the adoption. Those in favor say 'aye', 'aye'. Opposed 'no'. The 'ayes' have it. The motion carries. And the Resolution is adopted. Death Resolution of a former Member, former Representative Ed Warman. Who's handling that?"

Clerk O'Brien: "House Resolution 1111, Greiman-Jaffe."

Speaker Redmond: "Representative Greiman. Greiman."

Greiman: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. House Resolution 1111 honors the memory of Representative Edward Warman who served in the Illinois General Assembly. Represent...Representative Warman has not served here for ten years but yet Members of this House remember him because he remembers their...their milestones and had a custom of sending birthday and anniversary and sincere greetings. He was a kind and gentle man and Mr. Speaker, I would ask now that all the Members of the House be added as Sponsors and I yield to Representative Jaffe to make the motion."

Speaker Redmond: "Any discussion? Representative Jaffe."

Jaffe: "Yes, Mr. Speaker, Ed Warman was a very decent man and I think he was well beloved by all those who knew him, I would therefore move the adoption of the Resolution and also move as Representative Greiman did that all the Members names be placed on it."

Speaker Redmond: "Any further discussion? Is there leave granted that all Members be added to the list of Sponsors? Question is on the motion for the adoption of the Resolution, those in favor say 'aye', 'aye', opposed 'no', the 'ayes' have it, the motion carried. The Resolution is adopted. A Message from the Senate. Representative...I'll get it back to you.."

Clerk O'Brien: "A Message from the Senate...A Message from the Senate by Mr. Wright, Secretary, Mr. Speaker, I'm directed to inform the House of Representatives that the Senate has adopted the following Senate Joint Resolution in the adoption of which I'm instructed to ask concurrence to the House of Representatives to

wit: Senate Joint Resolution 138. Resolved by the Senate of the 81st General Assembly of the State of Illinois and the House of Representatives concurring herein, that when the two Houses adjourn January 14, 1981 they stand adjourned sine die."

Speaker Redmond: "Representative Lechowicz, on the motion."

Lechowicz: "Mr. Speaker, I move the adoption of the Resolution."

Speaker Redmond: "Question's on the motion, those in favor say 'aye', 'aye', opposed 'no' the 'ayes' have it, the motion carried. The Adjournment Resolution is adopted. Representative Schraeder."

Schraeder: "Mr. Speaker, Members of the House. Point of personal privilege, if I may. We have a Member retiring today after many years of service to not only to the constituents in the State of Illinois but to his own district, to their own county from which he comes, and those who have known him and served with him on committees and commissions have known the dedication that he has given to the State of Illinois and to his constituency. And I am personally going to feel a loss, Representative Von Boeckman not being with us next year because of his retirement but I think I would be remiss if I didn't say on behalf of everyone that I appreciate the assistance he has given me personally and to each one of us the passage of bills which we thought pertinent to our district and to the State of Illinois. I don't know of anyone who has worked harder for his constituency than Jim and parting from him today at this General Assembly, I wish him well on behalf of everyone."

Speaker Redmond: "Representative Borchers."

Borchers: "Mr. Speaker, fellow Members of the House, I'll just take a short moment to say something that I want to say. First, I've had a wonderful time in this place for twelve years. Now, for the first time in twelve years I'm going to be able to go down to the Caribbean and I don't have to come back to do my duty and that's exactly what I'm going to do. Now, one more thing if I get tired of doing nothing politically, as ex-chief Illiniwec I think I may do a little dancing and come back here the next time, perhaps, we'll wait and see."

Speaker Redmond: "Representative Von Boeckman."

Von Boeckman: "Well, Mr. Speaker and Ladies and Gentlemen of the House, I want to thank Fred for those fine comments and I do want to say to every Member that I have served with in the House of Representatives for twelve years that I couldn't have served with a finer group of people. Thank you."

Speaker Redmond: "Representative Matijevich."

Matijevich: "Mr. Speaker, it's been a long day, it's going to be longer. However, before the gavel concludes this session, I think all of us owe a debt of gratitude to Mr. Speaker, to Bill Redmond, who all of us know has done such a good job for all of us. I always made it a point to follow the rules and to look at the rulebook real carefully. During Bill Redmonds tenure as the Speaker, the House Speaker threw away that rulebook, really because we didn't need it, because he was so fair to all of us. Many of the traditions that Bill has started as Speaker of the

House, has made it such that George Ryan has a tough act to follow because he has to be fair to everybody, to both sides of the aisle, so to Bill Redmond from all of us, we say, thank you for six years of effective leadership and fairness to all of us."

Speaker Redmond: "That makes it all worthwhile. Anyone else seek recognition? Representative Anderson."

Anderson: "Mr. Speaker, as you know I'll be leaving today and I want to thank everyone, the kind way they treated me while I've been here. I'm going to leave this place a much better person than when I arrived and it's only because of your friendship and the high caliber people that serve in this House. Thank you very much."

Speaker Redmond: "Representative Katz. Representative Campbell."

Campbell: "Mr. Speaker and Ladies and Gentlemen of the House. Since this is my last day too, I often referred to this, what I consider a great Body, as the greatest co-educational fraternity that I have ever had the privilege to join or belong. And I want to tell you this, I thank each and everyone of you for your all kindnesses and courtesies and support over the past sixteen years and I know I'm going to miss this place but I'm going to come back to bitch to say, 'what the hell are those guys and gals doing over there', but nevertheless I...my want to wish you, each and everyone of you I hope the good Lord keeps the wind at your back always. Thank you very much."

Speaker Redmond: "Representative Birchler."

Birchler: "Thank you, Mr. Speaker for this privilege. I've

served here for six years. This is my last day, I've enjoyed every bit of it. It's a working Body, a cooperative Body and I don't see how you could do better than we have done. I want to thank all of you for what you have done to help me and I too feel that I will leave here being a better body, go back into my community and continue my work, working with the public and maybe some day come back. Thank you."

Speaker Redmond: "Representative Matula."

Matula: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. First of all I'd like to thank this wonderful seat partner of mine and for the kind words she expressed previously, secondly I want to thank each and everyone of you people here in this honorable Body for the consideration given me, especially at the time when I came to this Body to fulfill the unexpired term of the late Joseph Sevcik. At that particular time it was a veto Session and I did appreciate the help I received from the Members of this House at that particular time. I wish to express my thanks to each and everyone of you and by all means I appreciate the fact that serving in this Body, and I hope to come back here as the Mayor of Berwyn. Thank you."

Speaker Redmond: "Representative Harris."

Harris: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. The last four years have been very enjoyable, leadership of both sides of the aisle have been very helpful. Each Member, I consider a true friend, you've helped me greatly, you've assisted me beyond belief. This is a great Body, it's a difficult Body to leave but let me say to you in all honesty and

sincerity I thank you from the bottom of my heart.
Thank you."

Speaker Redmond: "Representative Ropp."

Ropp: "Mr. Speaker, Members of the House, in a few minutes there will be a group of us that will be graduating to a group that will become additional older colleagues. Those of us who are now in the freshman class will soon graduate and we certainly want to extend to you our very best wishes for the outstanding leadership that you have shown the House while you have been leader and we also want to thank all of the Members for their patience, for their direction, for their counsel and their wisdom as those of us have come into this very enjoyable, pleasurable Body and it is our hope, I'm sure that next time which will be in a very few minutes, that the wisdom and the leadership that you have shown us, the patience we too now, will be able to show that to the new class of legislators that will be taking their seats, again thank you for the opportunity of freshmen."

Speaker Redmond: "Representative Karpziel."

Karpziel: "Mr. Speaker, Ladies and Gentlemen of the House, I too would like to say thank you to a colleague who is leaving us and that is my seatmate, Rick Burnidge. When I came in in the middle of the session last year, he was very kind to me and taught me the ropes of the back row back here and not only has he been a great help he has been a lot of fun and I'm going to miss him a great deal and Kane County will be losing a great Legislator and I hope he's going to be back in another two years."

Speaker Redmond: "Representative Hanahan."

Hanahan: "I'm not leaving but a good colleague from the 33rd district is leaving, I'd probably get more cheers if I said I was leaving right now. If you didn't take away that advanced pay I might be tempted, I told Cosentino here, that if he gave me the money now, and quit fooling around and holding it and giving it out once a month, I'd be tempted but to a good colleague, to a guy that made an impact on this Legislature over the last eight years and certainly represented his constituency well, he certainly had an impact on the RTA, he always will, whatever his endeavors are, he's too young to retire from politics but whatever his endeavors are I wish Cal Skinner a lot of good luck. Cal."

Speaker Redmond: "Representative Taylor. Representative Taylor, you off the phone?"

Taylor: "Thank you, Mr. Speaker, I'm certainly not leaving this House at this particular time but I do have two great... I have two great Democrats in this House and I feel that they should be recognized and that is the Comptroller of the State of Illinois, Comptroller Roland Burris. And the State Treasurer, the great 'Satch', Jerome Consentino."

Speaker Redmond: "Representative Daniels."

Daniels: "Mr. Speaker and Ladies and Gentlemen of the House, Representative Hoffman and I have gotten together because as you are running mate in the 40th Legislative District, we felt that it was time that we make sure that you understand what the rules are in the 82nd General Assembly. Now, that...now that we're

in the majority and you're going to be out here, Representative Ryan will be up where you're at right now, we're going to treat you just as nicely as you treated us during the 82nd General Assembly. I can tell you though that the next time the campaign speeches come up don't count on Representative Hoffman or myself making the speeches for you, like we do in the last six years. But in all sincerity, Mr. Speaker, we want to take the opportunity on your behalf to make sure that everyone here recognizes the true power behind the Speaker, and that's Mrs. Redmond, Rita Redmond up in the gallery, Rita. And of course, Mr. Speaker we all want to give her our thanks for sharing you and your time with us and giving us the benefit of your time, your daughter also, Mary, is up there today, too. Mary. Mr. Speaker, on behalf of your running mates, companions and colleagues in the 40th Legislative District, Representative Hoffman and I want to thank you for the six years that you have served as Speaker of the House, for the many fine things that you have done for the State of Illinois and also for the fine things that you have done for DuPage County, we know how you love the area there. Thank you from the bottom of our hearts, for all of your help."

Speaker Redmond: "Death Resolution for a former Member."

Clerk Leone: "House Resolution 1113, Ryan. Whereas, our dear friend and respective colleague, Louis Doc Capuzi, died on December 24th, shortly after being elected to his thirteenth term in the House and whereas, Representative Capuzi was the co-dean of the

House, having first been elected in 1953 and whereas, he was liked, admired and respected by his colleagues and many friends in the Legislature and whereas, he was a life long resident of Chicago and a member of the Holy Rosary Parish and whereas, he had been awarded many civic and military honors, including the bronze star and the purple heart for his service in World War II with the Second Armored Division and whereas, Representative Capuzi was a member of the Paul Revere post, the American Legion, Veteran's of Foreign Wars, all American Post 300, Amvets Post 42, and whereas, he has been characterized as a man of his word and old school Legislator with a strong conscience who would stand firm in his loyalties to friends, to constituents, to issues and whereas, he made many visits to state institutions, particularly juvenile homes and faithfully served on the legislative committee on delinquency prevention and whereas, Representative Capuzi was a strong supporter of legislation to uphold veteran's rights and opportunities, whereas he is survived by his wife, Geneva, his sons, Frank and Louis Jr. and his daughter Linda Howerson, therefore be it resolved by the House of Representatives of the 81st General Assembly of the State of Illinois that we recognize and appreciate the many services of Representative Capuzi, dedicated to the State of Illinois as a law maker of the finest order and be it further resolved that we offer our deepest condolences to his family and friends who will miss his fine example of wit and loyalty, be it further resolved that we join the many people who have

honored him for his contributions to his community and his church be it further resolved that a suitable copy be presented to Representative Capuzi's wife, Geneva, and his sons, Frank and Louis and daughter, Linda and as further token of our respect the House will stand adjourned, sine die."
