

1.

Doorkeeper: "Attention, Members of the House of Representatives.

The House will convene in fifteen minutes. Attention, Members of the House of Representatives. The House will convene in five minutes. All persons not entitled to the House floor, please retire to the gallery."

Speaker Redmond: "House will come to order. Members, please be in thier seats. Led in prayer by the Reverend Krueger, the House Chaplain."

Reverend Krueger: "In the Name of the Father, the Son and the Holy Ghost. Amen. O Lord, bless this House to Thy service this day. Amen. Winston Churchill said: 'What is the use of living if it be not to strive for noble causes and to make this muddled world a better place to live in after we are gone. Let us pray. Eternal Lord God, we thank Thee this day for the precious gift of life which Thou in Thy infinite wisdom hast bestowed upon us. We acknowledge Thy purpose for life and pray that we may every be constant in our efforts as Members of this House of Representatives to fulfill the destiny that has become ours. May all our efforts at legislation be pure and noble, fair and purposeful, lasting and not transitory, that when our record has been established, it may read that this State of Illinois has become a better place in which to live and be in harmony with Thee and Thy care for all mankind. Through Jesus Christ we pray. Amen."

Speaker Redmond: "Roll Call for attendance. Record show that Representative Walsh is entering the Chamber. 1:04. Messages from the Senate. Reading of the Journal."

Clerk O'Brien: "Journal for the 20th Legislative Day, Tuesday, March 20, 1979. The House met pursuant to adjournment, the Speaker in the Chair. Prayer by Father William Krueger, Chaplain. By the direction of the Speaker, a Roll Call was taken to ascertain attendance of Members as follows: 164 present."

Speaker Redmond: "Representative Giorgi."

Giorgi: "Mr. Speaker, I move that we dispense with the reading of the Journal and that Journal #20 of March 20th and ...21...March 21st, 1979 be approved as read."

Speaker Redmond: "The question...any discussion. The question is on the Gentleman's motion. Those in favor say 'aye', aye, opposed 'no'. The 'ayes' have it, the motion carried, the reading of the Journal is dispensed with and the Journal is approved. Representative Ryan."

Ryan: "Thank you, Mr. Speaker. Could we have Representative Capuzi and McAuliffe and Campbell excused today?"

Speaker Redmond: "Capuzi, Campbell and McAuliffe."

Ryan: "McAuliffe."

Speaker Redmond: "Is there any objection? Hearing none, the record will so show. I think maybe we better dump this Roll Call, I see a lot of self-activating switches here. Roll Call for attendance. Please be careful on those self-activating switches next to you because...in case it shows somebody is here that happens to be in...Park Forest or Park Ridge or someplace like that. Representative Pullen, for what purpose do you rise? I see you're all decorated out there today, you must have something to say."

Pullen: "Yes, Mr. Speaker, I am celebrating today...those from Quincy, please pardon me for my grin. I am celebrating today the State High School basketball champions from Main South High School in Park Ridge, the smartest team in the State tournament and the best team in the State. And I graduated from Main South so I'm especially proud to be able to crow about it on the House floor today. Thank you very much."

Speaker Redmond: "Representative McClain...do you care to be recognized? The Gentleman from Quincy, Representative McClain."

McClain: "Who is that she's talking about, South Main?"

Speaker Redmond: "Old Main."

McClain: "Well, Mr. Speaker..."

Speaker Redmond: "Was that Old Main?"

McClain: "Ladies and Gentlemen of the House, it was...we did a study over in Quincy and we found out that 60 per cent of the teams that win the State Championship in the upper bracket, it's because they get more sleep and more rest and all that and so we congratulate Main South. They played a tremendous game and it had to be a tremendous game to beat Quincy so...we congratulate Main South."

Matijevich: "They don't play conservative like Penny Pullen does."

Speaker Redmond: "Representative Conti."

Conti: "Mr. Speaker, I also am proud of South Main. My office is only about a half a mile away from it. However, I'd like to question the young Lady's dress code in the House."

Speaker Redmond: "House Bills, Second Reading. House Bills, Second Reading, appears...21."

✓ Clerk O'Brien: "House Bill 21, Ralph Dunn. A Bill for an Act to amend Sections of an Act relating to <sup>alcoholic</sup> alcoholic liquors. Second Reading of the Bill. This Bill has been read a second time previously. Amendment #1, lost. Amendment #2 and 3 were withdrawn."

Speaker Redmond: "Representative Getty, for what purpose do you rise? O.K....proceed."

Clerk O'Brien: "Floor Amendment #4, Madigan, amends House Bill 21 on page 1, line 2, by inserting immediately after X the following: and to add Section 12 C to Article VI and so forth."

Speaker Redmond: "Representative Madigan's Amendment. Is Representative Madigan here? He was here a minute ago. Representative Madigan was on the floor a minute ago, he's evidently been called off. Can you hold this one

until Representative Madigan gets back, Representative Dunn? Take it out of the record. 74. 74."

Clerk O'Brien: "House Bill 74. A Bill for an Act to amend Sections of the Code of Criminal Procedure. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment 1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No floor Amendment."

Speaker Redmond: "Third Reading. 311."

Clerk O'Brien: "House Bill 311. A Bill for an Act to amend Sections of the Franchise Disclosure Act. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motions with respect to Amendment #1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "No floor Amendments."

Speaker Redmond: "Third Reading. How about 74, did we take that one? 316, has a fiscal note been furnished?"

Clerk O'Brien: "Fiscal note is not filed yet."

Speaker Redmond: "348."

Clerk O'Brien: "House Bill 348. A Bill for an Act to amend Sections of the Illinois Insurance Code. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment #1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No floor Amendment."

Speaker Redmond: "Third Reading. 383, has a fiscal note been filed?"

Clerk O'Brien: "383, there's a land conveyance appraisal request that is not filed."

Speaker Redmond: "383 is the appraisal...out of the record, request of the Sponsor. 413, out of the record, request

of the Sponsor. 438."

Clerk O'Brien: "House Bill 438. A Bill for an Act to amend Sections of the Ambulatory Surgical Treatment Center Act. Second Reading of the Bill. Amendments #1, 2 and 3 were adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendments 1, 2 and 3?"

Clerk O'Brien: "No motions filed."

Speaker Redmond: "Any motion from the floor?"

Clerk O'Brien: "Floor Amendment #4, Pullen, amends House Bill 438 on page 8 by deleting line 23 through 28 and inserting in lieu thereof the following."

Speaker Redmond: "Representative Pullen."

Pullen: "Mr. Speaker, Ladies and Gentlemen of the House, when we had the Committee hearing on this Bill, it was pointed out by several of the Members of the Committee that they felt there was a problem in the provisions concerning the possible closing down of an abortion clinic. And the problem that they saw was that it gave the clinic 24 hours notice before it could be closed down. Now there were some considerations about do process, but it was pointed out by Representative Christensen, I believe, that in the case of meat inspection it is possible for the Department of Agriculture personnel to close down a facility immediately, giving the facility notice and then allowing a hearing afterwards. And we certainly felt, several of us on the Committee, that it was much more appropriate to follow this procedure with respect to abortion facilities than to give a facility 24 hours notice before it is closed down. As was pointed out by witnesses, a facility would have 24 hours in which to clean up its act, face its hearing, continue its license and then go back to the practices that caused the closure to begin with. So we felt that because of the dangers to human life

presented in these facilities, which were exposed very shockingly a few months ago by the Sun Times, an immediate shut down would be much more in order. So, this Amendment proposes that there would be an immediate ...that there could be an immediate shut-down by the inspector, then the facility would have 24 hours notice of that action and the procedures for hearing are retained in the Bill so the facility would still be able to appeal. I believe that it has the support of the Sponsor of the Bill, who I would like to speak on it, and I would move the adoption of Amendment #4."

Speaker Redmond: "Representative Cullerton. Cullerton."

Cullerton: "Mr. Speaker, Ladies and Gentlemen of the House, I am in favor of this Amendment. It was disclosed during the Committee hearing that the standard by which an Ambulatory Surgical Treatment Center could be closed down was that when the continued operation of such facility constitutes <sup>†</sup> an eminent and serious ~~menis~~ <sup>menace</sup> to the health or safety of the patient, and I feel that when this situation exists there is no need to allow the licensee 24 hours to continue his operation. And therefore, I am in favor of the Amendment, as are the two Cosponsors, Representative Kelly and Chapman."

Speaker Redmond: Representative Cullerton, are you..."

Cullerton: "I ask for the adoption of the Amendment."

Speaker Redmond: "O.K. Any objection? Any further discussion?"

The question is on the Lady's motion for the adoption of Amendment 4. Those in favor say 'aye', aye, opposed 'no'. The 'ayes' have it, the motion carried and Amendment #4 is adopted. Any further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Redmond: "Third Reading. 461."

Clerk O'Brien: "House Bill 461. A Bill for an Act making an appropriation to the Department of Agriculture for certain expenses with the heart of Illinois fair. Second

Reading of the Bill. Amendments #1, 2, and 3 were adopted in Committee."

Speaker Redmond: "Any Amendment...any motion with respect to the Amendment?"

Clerk O'Brien: "A motion to table Amendment #3 to House Bill 461 by Representative Matijevich."

Speaker Redmond: "Representative Kane."

Kane: "Could we take this Bill out of the record?"

Speaker Redmond: "Any objection...taking out of the record? Out of the record. 512."

Clerk O'Brien: "House Bill 512. A Bill for an Act to amend Sections of the School Code and Public Community College Act. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 529. Representative Murphy."

Murphy: "Mr. Walsh had an Amendment he said he wanted to get on this Bill. O.K., hold it."

Speaker Redmond: "You want it held back on the Order of Second Reading? Reference Bureau prepares Amendments on the first floor. 529."

Clerk O'Brien: "House Bill 529. A Bill for an Act making an appropriation of the Department of Transportation. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Redmond: "Third Reading. 605."

Clerk O'Brien: "House Bill 605. A Bill for an Act to amend Sections of an Act in relation to rate of interest and other charges in connection with sales on credit and lend<sup>ing</sup> of money. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment 1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No floor Amendment."

Speaker Redmond: "Third Reading. 609."

Clerk O'Brien: "House Bill 609. A Bill for an Act to amend Sections of the School Code. Second Reading of the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Any motion with respect to Amendment 1?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "No floor Amendment."

Speaker Redmond: "Third Reading.. 49...943."

Clerk O'Brien: "House Bill 943. A Bill for an Act making certain appropriations to the Capitol Development Board for further improvements, grants and related purposes. Second Reading of the Bill. No Committee Amendments."

Speaker Redmond: "Any Amendment from the floor?"

Clerk O'Brien: "Floor Amendment #1...Amendment #1 was tabled in Committee. Floor Amendment #2, Schraeder."

Speaker Redmond: "Representative Ryan."

Ryan: "Would you take that Bill out of the record temporarily, please?"

Speaker Redmond: "Out of the record. Did you get the permission of your hyphenated Cosponsor? ...Calendar, Second Reading, Second Day on page 7."

Clerk O'Brien: "Consent Calendar, Second Reading, Second Day, page 7 on your Calendar. Right. House Bill 46. A Bill for an Act to amend Sections of an Act in regard to forceful entry. Second Reading of the Bill. Amendment #1 was adopted in Committee. House Bill 62. A Bill for an Act to amend Sections of an Act to revise the law in relation to Criminal Jurisprudence. Second Reading of the Bill. House Bill 86. A Bill for an Act in relation to change of venue in criminal cases. Second Reading of the Bill. House Bill 716. A Bill for an Act to amend Sections of the School Code. Second Reading of

the Bill. Amendment #1 was adopted in Committee."

Speaker Redmond: "Third Reading. Consent Calendar, Third Reading, Second Day, page 7."

Clerk O'Brien: "Consent Calendar, Third Reading, Second Day. House Bill 326. A Bill for an Act to amend Sections of an Act in relation to state finance. Third Reading of the Bill. House Bill 369. A Bill for an Act in relation to participation of water districts in the Illinois Municipal Retirement Fund. Third Reading of the Bill. House Bill 441. A Bill for an Act to amend Sections of the Medical Practice Act. Third Reading of the Bill. House Bill 448. A Bill for an Act to amend Sections of an Act to regulate the business of storing personal property for the compensation to repeal an Act named therein. First Read...Third Reading of the Bill. House Bill 510. A Bill for an Act to amend Sections of the Illinois Pension Code and the Personnel Code. Third Reading of the Bill."

Speaker Redmond: "The question is, shall these Bills pass? Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? The Clerk will take the record. On this question there is 113 'aye' and no 'nay'. These Bills having received the Constitutional Majority is hereby declared passed. Representative Kozubowski 'aye'. The Order of Motions. Here is a motion with respect to House Bill 573. Representative Ewing is recognized. Ewing. 573."

Ewing: "Mr. Speaker, Ladies and Gentlemen of the House, I have a motion up to bypass Committee and advance to Second Reading House Bill 573. I think many Members of the House will remember what we did in the closing days of the Eightieth General Assembly when we passed the Bill requiring withholding on out-of-state businesses and individuals. This Bill was passed by the General Assembly, in the fall of that year we passed a Bill to

repeal that legislation. The Governor amendatorily vetoed this Bill and we came back and just before the end of the Eightieth General Assembly, we approved his amendatory veto. The amendatory veto moved the effective date of this legislation to 1980. It left in question though, a year and about 12 days, all of 1978 and 12 days of 1979, as to <sup>businesses'</sup> obligation to withhold income tax and pay to the State of Illinois. This legislation is merely to clear up any ambiguity as far as this legislation. The problem is that the Department of Revenue didn't get out the word to business until late in 1978 that they were to be withholding and paying these funds. We are not doing away with the obligation to pay this tax, we're only trying to clear up this period of 1 year and 12 days so that businesses that are required to have an audit to get a state license can do so without any problem. And I would ask for your favorable approval of this motion. It has been approved by both the Majority and the Minority Leaders in this House."

Speaker Redmond: "Representative Katz."

Katz: "Would the Gentleman yield?"

Speaker Redmond: "He will."

Katz: "I note that the Bill was filed on February 22nd, assigned to Revenue on March 7th. Why wasn't this taken care of in the Committee if it was an emergency?"

Ewing: "Well, during that time it's been...it could have probably gone through Committee just as quickly, but at the same time, the Leadership on both sides were considering it and it took a little time for them to examine it. It is a rather complex matter. But it has been examined by staff and by the Leaders of both sides. It does exactly as I indicated and I will not allow this Bill to be used for any other reason than to clear up this problem so that our grain dealers can have their

audit and the state can reissue their licenses for the coming year."

Katz: "Well, Representative Ewing, I really don't understand why you don't just take the Bill before the Revenue Committee. They meet every week, have the matter taken care of there. The floor is not an appropriate place to deal with the details...to deal with the details of such legislation. I see no reason to bypass the Committee. You've had plenty of time and you can do it right now, you could take it in to Committee this week or next week. And I would oppose bypassing a Committee when there is no reason to do so. The Committee could hear the Bill and that's the best place for it to be heard."

Speaker Redmond: "Former distinguished Chairman of Judiciary Committee, now Secretary of State, Alan Dixon is in the Chamber, formerly the Chairman of Judiciary. Representative Pierce."

Pierce: "Mr. Speaker, the Revenue Committee has been meeting each and every week. We will be meeting tomorrow. We met last Wednesday, we met the previous Wednesday and certainly having been assigned to the Committee by the Committee on Assignment of Bills, March 7th to Revenue Committee, it could have been heard in Revenue Committee and undoubtedly could be heard tomorrow in Revenue Committee at 2 p.m. or next week. I had no request to post this Bill in Revenue Committee. I probably am in support of the Bill because our Committee corrected an error that the General Assembly made last year in the withholding Bill of nonresidents. The Governor amendatorily vetoed that Bill and we accepted his amendatory veto delaying the matter of January 1st of next year. At the same time this Bill is undoubtedly necessary and I think it's a good Bill and it's a meaningful Bill in the Gentleman's district. But certainly, it could have been heard in Revenue Committee...can be tomorrow but...

if we waive the posting requirement or it could be next week with proper posting. And so, I don't see the need for this motion."

Ewing: "Mr. Speaker, in answer to the Gentleman and other Representatives, I had hoped that this would come out back in February. It probably is my inept ability in handling this legislation that we are this long in coming to this vote on this motion. The motion was filed immediately. There is an emergency at this time because we have to have the audit for our grain dealers. And had I known that it <sup>would</sup> take so long to find approval ... authority in the Majority staff, I most certainly would have gone to Committee. But because of that problem, I hate to punish the grain dealers of this state because of my inability to adequately move legislation to this House. And I would urgently request your approval of this motion."

Speaker Redmond: "Representative Schlickman."

Schlickman: "Mr. Speaker, Members of the House, I arise to oppose this motion. The Sponsor of the Bill indicated that the reason we <sup>should</sup> <sup>it</sup> advance to the Order of Second Reading and avoid a Committee hearing is that it has been studied by the Leadership and staff. It's a complicated matter and after due consideration by Leadership and staff, the Bill is all right. Well, I respectfully suggest to you, Mr. Speaker, Members of the House, with all due respect to Leadership and staff, this House operates by a Committee system. And when <sup>he</sup> we mentions that it's a complicated Bill, I respectfully suggest, all the more reason that it go to Committee and be heard there by Representatives of this Body through the Committee process. I would further call to your attention, Mr. Speaker, Members of the House, that despite the representation that an emergency exists, this Bill does not have an immediate effective date. Now if he considers

it to be an emergency, it seems to me that at the time he introduced it, he should have had an immediate effective date. I see no emergency. I see no reason why we should avoid the deliberative process, particularly when it comes to an Amendment to the Illinois income tax. So I join with those who have previously spoken in opposition to this motion and I would urge that it be defeated so that the Bill can be heard in Committee."

Speaker Redmond: "Representative Bradley."

Bradley: "Thank you, Mr. Speaker. And Mr. Speaker and Ladies and Gentlemen of the House, I simply rise to support the Gentleman's motion. The motion has been on the Calendar for quite some time and so that the Gentleman would have time to contact other Members of the Assembly to explain to them the purpose of the...of the Bill and why it's necessary to move it to Second Reading. He would have called this Bill...this motion two or three weeks ago, but it was suggested on every...on each one of the various occasions that he give the...give some people time to take a look at it, which he so graciously did. And I would simply call the attention of the downstate Members of the Democratic side of the aisle, the importance of the...of this particular motion. I hope there're all aware of what we're going to be voting on. It...we dealt with this problem last fall in the Veto Session. It is an urgent matter, the grain elevators are unable to receive a...their accounting certificate so that they continue and be in business and...I urgently request an 'aye' vote on the Gentleman's motion."

Speaker Redmond: "Any further discussion? Representative Kent."

Kent: "Thank you, Mr. Speaker. I also urge passage of this motion. This is the time the audit is due and it has been very difficult for them to get the necessary audit so that they can get their licenses. That is the reason

for the urgency. It is now that it is...has to be ready. So I urge you to vote 'yes'."

Speaker Redmond: "Anything further? Representative Ewing to close."

Ewing: "Mr. Speaker, in closing, I think it's been adequately stated. This Bill doesn't change anything except it allows...it corrects problems that we had in the veto and in the override. It doesn't change the law as far as the payment attack. It only says that because we didn't get out the proper regulations by the Department, we're not going to hold business liable and therefore, keep them from getting their license reissued as far as grain dealers and many other businesses who must have a certified audit in this state. It's an attempt to correct problems that we created ourselves. It reenacts the withholding statute effective in 1980 just like the current law. And I would earnestly ask for your support of this motion."

Speaker Redmond: "The question is on the Gentleman's motion that House Bill 573 be advanced to the Order of Second Reading without reference. Those in favor vote 'aye', opposed vote 'no'. Have all voted who wish? Have all voted who wish? According to Rule 31b it requires 107 votes. 31b, Mr. Collins. Have all voted who wish? Representative Dunn, for what purpose do you rise?"

J. Dunn: "To explain my vote, Mr. Speaker. Mr. Speaker and Ladies and Gentlemen of the House, I would just like to call the attention of the Membership to the fact that we did act hastily once in this area and we have regretted it. And I think we should...we should send this Bill to Committee and...and proceed deliberately and iron this problem out in all its aspects so that when we do come out this legislation, it is fair and equitable to everyone. And I think we should not bypass Committee on this particular measure. Thank you."

Speaker Redmond: "Have all voted who wish? Representative Schuneman. Senator Geo-Karis, you've been elected to the other House over there. Representative Schuneman."

Schuneman: "Question of the Chair, Mr. Speaker. Mr. Speaker, question of the Chair, Mr. Speaker."

Speaker Redmond: "Proceed."

Schuneman: "What was the ruling on the votes required on..."

Speaker Redmond: "107, 31b."

Schuneman: "This has not been heard by Committee...but it still takes..."

Speaker Redmond: "...to advance without reference to Committee 31b."

Schuneman: "May I speak to the Bill, Mr. Speaker?"

Speaker Redmond: "Proceed. Proceed to the motion."

Schuneman: "For those of us that are interested in legislation dealing with grain dealers and the licensing of grain dealers, I'll remember...remind the Members of the House that a year ago we passed legislation requiring a certified audit by a certified public accountant for grain dealers. Now, the accountants will not certify the audits unless the grain dealer has complied with all aspects of the law. And as long as this law remains on the books, the grain dealers are going to have trouble getting their audits certified. And I urge you to vote for this motion because I think this is legislation that is of an emergency nature and is urgently needed by the grain dealers throughout the state. I urge an 'aye' vote."

Speaker Redmond: "Representative Mautino."

Mautino: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. I must respond to the statement made by the last Speaker. Last week in the Agricultural Committee I had legislation that would do exactly what the Speaker, Representative Schuneman, requests at this time. And in lieu of the certified public audit, I had included in the

legislation an alternative allowing them to get their licensure by virtue of a bond. And they were totally opposed to the legislation. Now, I'd like to know exactly how this addresses a question of grain dealers getting their licensure in the State of Illinois."

Speaker Redmond: "Have all voted who wish? Representative McMasters."

McMasters: "Mr. Speaker and Ladies and Gentlemen of the House, I think that some of us are overlooking the importance of this piece of legislation. We all know that we have monkeyed around with this through December, last year, January. We went through the Amendment to the Bill that was passed last June, thought we had corrected it, we faced an amendatory veto that we worked on in January. And now we're back here trying to correct this. I think that the people who have been working on this Bill all the time that Representative Ewing has had it have done an excellent job. I think we are overlooking the importance of having the CPA audit on these various grain dealers by the first of April so that they can be licensed again. We are creating all kinds of problems for the farmer<sup>s</sup> of the State of Illinois if we do not pass this motion to override the Committee. I think it's very unfortunate that we're holding it up at this time. We still have the Senate to go through with this Bill and I would urge as many of <sup>you</sup> us as possibly can, to help us out in downstate Illinois by changing your red'vote and your 'present' votes to a 'green' vote. We need this Bill for downstate Illinois, please."

Speaker Redmond: "Have all voted who wish? The Clerk will take the record. On this question there is 96 'aye' and 39 'no' and the motion fails. Representative Capparelli is recognized for the purpose of a motion. Try to get the...2 o'clock Committee hearings."

Capparelli: "Mr. Speaker, I would like to ask for suspension

of the posting rules so that all the Bills posted in Executive Committee this Thursday can be heard. It seems that we posted it for six days and they were supposed to be posted for six and a half days. I would like to have leave."

Speaker Redmond: "Is there any objection? Hearing none, leave is granted. Representative Barnes...in similar motion?"

E.M. Barnes: "Thank you very much, Mr. Speaker. Yes, Mr. Speaker and Members of the House, I would like to put a similar motion for the Bills that are posted to be heard in Appropriations II."

Speaker Redmond: "Does the Gentleman have leave? Representative Ewing."

Ewing: "Mr. Speaker, I have discussed this matter with the eminent Chairman of the House Revenue Committee and I'm wondering if it would be proper at this time to make a motion to suspend the rule on posting and have this Bill heard tomorrow in the Revenue Committee. It is agreeable with the Spokesman...the Chairman of the Committee and with the Spokesman of the Revenue Committee."

Speaker Redmond: "I didn't hear the final..."

Ewing: "I'm asking that we...now...the will of this House is that this Bill should go to Committee. If we could now suspend the posting rule and have it sent to Committee tomorrow, the Chairman has agreed to hear it tomorrow so that we can move along and hopefully solve the problem we have in this state."

Speaker Redmond: "Well, leave was granted to Representative Barnes to waive the posting rule with respect to his Committee, is that correct? Now, Representative Ewing has requested...although he wasn't recognized, he has requested...made a motion with respect to House Bill 573 that the posting rule be waived so that he could proceed to hearing today...tomorrow. Does the Gentleman have leave? Hearing no objection, leave is granted."

Ewing: "Thank you."

Speaker Redmond: "Representative Flinn...Barnes."

Flinn: "Mr. Speaker and Ladies and Gentlemen of the House, I rise for the purpose of tabling Bills #286 and 287. These Bills started out as a tax saving measure for the citizens of St. Clair County and they wound up with Amendments on them that makes them untenable. It is unfortunate, especially in the case of House Bill 286. It seemed to be one of the first tax saving measures to reach the Third Reading on this Session of the House. And I...and we've seen fit to amend it in such a fashion that I can no longer support them. So I ask that we table House Bills 286 and 287."

Speaker Redmond: "Representative Stiehl. Yeah, Cissy Stiehl."

Stiehl: "Mr. Speaker, Ladies and Gentlemen of the House, I hope the Sponsor of this motion will reconsider. If he doesn't reconsider, I would like to oppose this motion. Now I realize that the Sponsor of a Bill is in control and has complete charge of this Bill. But there's something very important here, it is our only chance for reform of a governmental system that is completely broken down. It is the only chance of help that the citizens of St. Clair County have remaining during this Session. Ladies and Gentlemen of the House, there is nothing political about the Amendments that I put on this. What is political about requiring qualifications for office in the Board of Assessors? What is political about this? When every other county <sup>except</sup> expect one..."

Speaker Redmond: "Representative Matijevich."

Stiehl: "...has qualifications?"

Matijevich: "Mr. Speaker, I think she and the Gentleman ought to get together, but I don't think the floor of the House ought to be their arena for a local, political problem. She well knows that the Sponsor has control over his Bill and even if she opposes his motion, the

Bill is not going anywhere. And I suggest we go to Committee."

Speaker Redmond: "Representative Flinn. Well...wait a minute."

Flinn: "Well, Mr. Speaker, I just persist in my motion to table the Bills..."

Speaker Redmond: "Representative Stiehl."

Stiehl: "Mr. Speaker, I rise on a point of personal privilege. My name was used in debate."

Speaker Redmond: "I think it was used when I recognized you. Representative Stiehl, your point is well taken."

Stiehl: "Thank you, Mr. Speaker. Mr. Speaker, these Bills are so important that this morning I have had telephone calls from many concerned citizens in St. Clair County. They want these Amendments. The Committee that struggled for one year to try to bring some reform has said that what I did was right, that they wanted this reform. They did not intend to just save some money, they knew they couldn't just save money. They had to have reform. Now, don't deny the people of St. Clair who have waited forty years for some type of help. This is our responsibility. Even the Chairman of the St. Clair County Board, who is a Democrat, said we needed qualifications in there. This is important. And I ask you, I know that it's very rare that we would ask to... on the floor of the House, to defeat a motion. But the cause is <sup>just</sup> just, it is far more important than this motion. And I would ask for the defeat of this motion. Thank you."

Speaker Redmond: "Representative Flinn."

Flinn: "Well, Mr. Speaker, I stated on the floor of the House when we were considering the Amendments, that these Bills were started out as tax saving measures. They turned out in to being political Bills and to gerrymandering the county of St. Clair into three districts, whereby the Republicans would have a chance

to elect someone to two different boards that they have not been able to do for the last twenty-five or thirty years to my knowledge. And I have no choice, these Bills have become undesirable to me as a Sponsor, but to table the Bills. They were not political Bills to start with, they were tax saving measures. It was one of the first tax saving measures to reach the floor of the House. And those who are responsible for killing these Bills are those who are...voted for the Amendments on these Bills. And I insist that we table them. If we don't table them, I'll leave them...die of their own accord."

Speaker Redmond: "Representative Skinner."

Skinner: "Yes, Mr. Speaker, I'd like to offer the Sponsor a choice. I would happy...happy to be the...have the Sponsorship of the Bills transfered to me if he finds them politically odious. Other than that, if he...if that is not acceptable, I certainly will request a Roll Call on the motion. Does he accept my offer? Maybe Representative Stiehl would like to be chief Sponsor."

Speaker Redmond: "Representative Friedrich."

Friedrich: "Mr. Speaker and Members of the House, there are nine Members on this floor that represent St. Clair County and I thought we had made a good government Bill out of this and I'm surprised that Representative Flinn didn't recognize it as such. I think he ought to be proud to be a Sponsor of this Bill as it's amended. It's going to help the people of St. Clair County. We'll find a Sponsor that represents St. Clair County if he doesn't want to."

Flinn: "Mr. Speaker, while they're busy with the Parliamentarian there, I would say that Representative Skinner's offer is all right. That's the second best way I can think to kill the Bills, but the best way is to table them."

J  
Skinner:

~~Friedrich:~~ "That's very good, you get two points for that."

Speaker Redmond: "O.K., it takes a simple...the Gentleman...  
how many times have you talked, Representative Stiehl?  
She's been..."

Stiehl: "Mr. Speaker..."

Speaker Redmond: "Personal privilege again."

Stiehl: "Mr. Speaker, I would be very happy to<sup>be</sup> the Sponsor  
of those two Bills."

Speaker Redmond: "Well, Representative Flinn as of now is the  
Sponsor of the Bill and he has asked leave to table, the  
leave has been denied, he has made a motion to table.  
That requires a simple majority. The question is on the  
Gentleman's..."

Skinner: "And a Roll Call has been requested, Mr. Speaker."

Speaker Redmond: "...Gentleman's motion to table...leave to  
table House Bill 286. Those in favor vote 'aye', opposed  
vote 'no'. Simple majority. Have all voted who wish?  
Have all voted who wish? Have all voted who wish? The  
Clerk will take the record. On this question there is  
73 'aye' and 76 'no' and the motion fails. Any  
announcements? Representative Yourell."

Yourell: "Thank you, Mr. Speaker and Ladies and Gentlemen of  
the House. As Principle Sponsor of House Bill 485, I'd  
like to table that Bill...have leave to table that Bill,  
since the Pollution Control Board has adopted a rule  
that takes care of the legislative intent of the legisla-  
tion is no longer necessary...485."

Speaker Redmond: "45...485. Does the Gentleman have leave to  
table House Bill 485? Any...any announcements...Committee  
Chairmen? Representative Katz."

Katz: "There will be a meeting of the Judiciary II Committee  
in room 118, the Capitol Building, immediately after  
adjournment today."

Speaker Redmond: "Any other...Committee Chairmen? Representa-  
tive Ralph Dunn."

Dunn: "Thank you, Mr. Speaker. We were holding House Bill 21

because there weren't many on the floor and the Sponsor of Amendment #4 wasn't on the floor. I wonder if you're ready to call that now...if he's...maybe not on the floor again, I'm not sure. Representative Madigan, we would like to..."

Speaker Redmond: "I can't...I can't understand you there's so much noise in here."

Dunn: "I was asking about House Bill 21, you put that on hold a while ago because the Sponsor of some of the Amendments wasn't on the floor."

Speaker Redmond: "Yeah, but more Amendments have been filed, Representative. We're trying to make the 2 o'clock Committees, so we'll get back to you tomorrow. Representative Farley."

Farley: "Yes, Mr. Speaker, I'd like to suspend the Appropriate Rule pertaining to posting for an 8 o'clock Committee hearing for Labor and Commerce Thursday. I did clear this with Mr. Ryan and Representative Simms, the Minority Spokesman. There was a couple of hours mistake. I'd like leave of the House to have the Bills posted in Labor and Commerce for Thursday."

Speaker Redmond: "Any objection? Hearing none, leave is granted. Representative DiPrima."

DiPrima: "Mr. Speaker, I'd like leave to suspend the posting rule for Veterans Affairs Registration and Regulation, so the Bills can be heard on this Thursday at 10 A.M." The Bills to be heard are House Bills 118, 429, 430, 564 and 746."

Speaker Redmond: "Does the Gentleman have leave to suspend the posting rule? Hearing no objection...half a day they...they started having this...things probably should be six days instead of six and a-half. Hearing no objection, the Attendance Roll Call will be used. Any further announcements? Representative Lee Daniels. Where's Lee Daniels? Where did your father go to college?"

Daniels: "My father went to Michigan State."

Speaker Redmond: "That's all I wanted to know."

Daniels: "And I was born there. And we're very happy, too.

And all the Michigan State fans are welcome to join us at a party tomorrow in the Speaker's office at 10 o'clock in the morning to celebrate the Michigan State victory showing <sup>that</sup> at the big 10 <sup>Y</sup> once again triumphs."

Speaker Redmond: "We have made...we've made arrangements to have the Bills put on <sup>microfiche</sup> microfish and we're going to distribute them to the libraries and the legal law firms and so forth. There's a reader in the back and a Page will demonstrate if anybody has any interest in that matter. Is there anything further? Representative Madigan...10 o'clock...10. Ten minutes for Perfunctory for Introduction...10 o'clock in the morning. Representative Madigan."

Madigan: "Mr. Speaker, would the record show that the following Representatives are excused because of illness: Representative Schraeder and Representative Domico."

Speaker Redmond: "Is there any objection? Hearing none, the record will so indicate. Now, Representative Madigan."

Madigan: "Mr. Speaker, providing ten minutes for a Perfunctory Session, I now move that we adjourn until 10 A.M. tomorrow morning. And Mr. Speaker, is Representative Kosinski in the Chamber?"

Speaker Redmond: "Representative Kosinski.

Madigan: "Kosinski."

Speaker Redmond: "I heard...he was here...yes, he's in the aisle there talking to Representative Johnson, they're both out of their seat. Kosinski is over there. Will Representative Kosinski wave his hand? Now, Representative Madigan, on the motion."

Madigan: "The motion is before the Body, Mr. Speaker."

Speaker Redmond: "The question is on the Gentleman's motion that the House stand in ten minute Perfunctory at which

time we adjourn until 10 o'clock tomorrow. Those in favor say 'aye', aye, opposed 'no'. The 'ayes' have it, the motion carried, the House stands adjourned until 10 o'clock tomorrow. There's that reader in the back."

Clerk Hall: "Senate Bills, First Reading. Senate Bill 74, Leinenweber. A Bill for an Act to provide for prisoners from the Department of Corrections to the Department of Transportation for purposes as such prisoners cleaning of trash, garbage along the highways. First Reading of the Bill. House Bill 1218, Richmond-Bluthardt. A Bill for an Act to amend the Vehicle Code. First Reading of the Bill."

Clerk Leone "House Joint Resolutions Constitutional Amendment.

Whereas, the Constitution of the United States guarantees the rights to life, and this right to life should be proclaimed to exist from the moment of conception or fertilization and whereas, the Constitution of the United States provides that upon application of the legislatures of two-thirds of the states, the United States Congress shall call a Constitutional Convention for proposing Constitutional Amendments and whereas,

millions of abortions have been performed in the United States since the adoption... (sic) decision of the Supreme Court of January 22, 1973 and whereas, the Congress of the United States has not to date proposed, subject to ratification, a human life Amendment to the Constitution of the United States; therefore, be it resolved, by the House of Representatives of the Eighty-first General Assembly of the State of Illinois, the Senate concurring herein, that the General Assembly, pursuant to the authority of Article V of the Constitution of the United States, make applicable to Congress of the United States for the calling of a convention for proposing an Amendment to the Constitution of the United States to provide that every human being subject to the jurisdiction of the United States or any state shall be deemed to be a person from the moment of conception or fertilization, and entitled to the right to life guaranteed in the United States Constitution and to provide that Congress and the several states shall have concurrent powers to enforce such an Amendment by appropriate legislation; and be it further resolved, that the Constitutional Convention applied for herein shall be held for the sole purpose of considering the Constitutional Amendment described in the resolution, and that the application to Congress made by this resolution is contingent upon the establishment by Congress, within two years after the time two-thirds of the states have made applications on this issue and prior to the convening of such convention, of rules and procedures for such a limited convention; and be it further resolved, that copies of this resolution be transmitted to the President of the Senate of the United States, the Secretary of the Senate of the United States, the Speaker of the House of Representatives of the United States, the Clerk of the House of Representatives

of the United States, to each Member of Congress from this state, and to the presiding officers of each house of the various state legislatures, requesting the several states to also pass an identical application to the United States Congress so as to meet the constitutional requirements for application for such a convention by two-thirds of the states. First Reading of this Constitutional Amendment."

Clerk Hall: "There being no further business, the House stands adjourned until 10 o'clock tomorrow morning."
