

Speaker Redmond: "The House will come to order. We have a guest Chaplain today. Father Kapper, the principal of Providence High School."

Father Kapper: "Let us pray in the words written by Saint Ignatius of Loyola about four centuries ago. Lord, teach me to be generous. Teach me to serve you as you deserve. To give and not to count the cost. To fight and not to heed the wounds. To toil and not to seek for rest. To labor and not to ask a reward. Save that of knowing that I do Thy will. Amen."

Speaker Redmond: "Representative Leinenweber and Davis and Van Duyne. Is Representative Van Duyne here? Turn the podium over to son of Notre Dame, Representative Leinenweber."

Leinenweber: "We Representatives from the 42nd legislative district, which is most of Will county, are very proud that within the confines of our county, we have the State Class A basketball championship team, the Providence Celtics. We're also glad to have with them in additions to the team members who have come down from New Lenox, Illinois where Providence High School is located. The principal, Father Roger Kapper, and the coach, Frank Palmasoni, plus most of the team members. One of the things that is quite unusual about this particular Class A champion, this the first time in 71 years of the State of Illinois Basketball that a non-public highschool has been able to win the championship. I'd like to at this time introduce, you've met Father Roger Kapper the principal of Providence High School, I'd like now to introduce Frank Palmasoni, who is the coach of the providence Celtic team. I'd like him to introduce to you by name the members of the Providence Celtic championship Class A basketball team."

Frank Palmasoni: "Thank you. We really appreciate the opportunity to be down here. Go this educational experience and meet the Members of the House. As they

are walking up perhaps I could introduce them to you. Walter Downing. Walter's a sophomore, he lives up in the center. Next to Walter, Ed Logrin. Tony Frei. Chuck Thomas. Pete Chelton. Barney Mines. Dennis Currie. And Baron Williams. Thank you. Representative wanted to mention that Barney Mines and Walter Downing were Class A All-State players and Barney Mines is the top player in the Class A Division in the State of Illinois."

Leinenweber: "We hope they're going to Notre Dame, but one of them I think mentioned Marquette so we've been spending some time trying to swing him from that particular route. I want to again thank on behalf of Representative Van Dyne, Davis, myself and Senator Sangmeister who are very proud of this school and this team and want to thank them for coming down. Thank you."

Speaker Redmond: "Pledge of Allegiance to the flag. Representative Collins."

Collins: "Mr. Speaker, is Representative Ropp ever going to get a chance to..."

Speaker Redmond: "When he's on time."

Collins: "I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

Speaker Redmond: "Roll Call for Attendance. Messages from the Senate."

Clerk O'Brien: "A message from the Senate by Mr. Wright, Secretary. Speaker Redmond: "Question is shall these Bills pass? Those
 in favor vote aye, oppose vote no. Have all voted who
 wish? Have all voted who wish? The Clerk will take the
 record. On this question there's 111 aye, 112 aye,
 2 no. These Bills having received the constitutional
 majority are hereby declared passed. Page 10. Short
 debate Calendar. Second Reading. Second Reading, second
 day. Yeah. Proceed. 42."

Clerk O'Brien: "House Bill 42. A Bill for an Act to amend
 sections of an Act in regard to redemption by the State

of Illinois Real Estate sold at Judicial for execution sale. Second Reading of the Bill. This Bill's been read a second time previously. There's a motion filed to table amendment number one by Representative Terzich."

Speaker Redmond: "With respect to which Bill?"

Clerk O'Brien: "With respect to amendment number one of House Bill 42."

Speaker Redmond: "Representative Terzich. Representative Terzich on the floor? Out of the record. Your motion with respect to amendment number one on House Bill 42. Representative Terzich. Representative Terzich."

Terzich: "Yes, Mr. Speaker. I'm just trying to get my correspondence on. We were requested by the legislative Reference Bureau and the staff because of some technical technicalities involved. These are technical amendments and I believe we want to withdraw amendment number one. And the reason for this is because the Bill went and amended a certain number of statutes and when the Legislative Reference Bureau was drafting up the Bill that they omitted noting that it was also, these sections were amended in the 80th General Assembly and that the Bill would be in its proper posture by taking off amendment number one which was adopted in Committee."

Speaker Redmond: "Gentleman's move to table amendment number one. Any discussion. Those in favor of the motion indicate by saying 'aye' aye, and oppose 'no'. The ayes have it. The motion carried. Amendment number one is tabled. Any further amendments?"

Clerk O'Brien: "No further amendments."

Speaker Redmond: "Third Reading. Representative Totten."

Totten: "Point of order, Mr. Speaker. Do we have a rule that says that if an amendment is adopted by a Roll Call vote in Committee that it must be taken off that way of can it be taken off by voice?"

Speaker Redmond: "Mr. Parliamentarian, will you, will you. Parliamentarian says 9:00. Will you state your question

again?"

Totten: "Mr. Speaker, if we adopt the amendment in Committee by a Roll Call vote, must we take it off on the House floor by a Roll Call vote?"

Speaker Redmond: "Says no."

Totten: "OK, thank you."

Speaker Redmond: "Representative Walsh."

Walsh: "Well, it seems to me, it seems to me Mr. Speaker, that if this Bill was placed on a short debate Calendar on the strength of an amendment and that amendment was taken off then this Bill ought to be taken off of the short debate Calendar."

Terzich: "Mr. Speaker, these Bills again were on the Consent Calendar and they were taken off the Consent Calendar at the request of the legislative Reference Bureau. The purpose of the Bill was to update references to other Acts whose title has been amended twice in recent years as a result the title appears in three different forms and various places in the revised statute. All this did, originally the amendment just changed by deleting the same and inserting the same and they were just technical corrections and that's all they were and I'm just trying to put the Bill back in its proper order. For Roll Call its necessary. I have no objections to Roll Call."

Walsh: "I'm not concerned a Roll Call either. I know if I..."

Speaker Redmond: "In response to your question the parliamentarian advises me to pursue to rule 9 point 1F. Which reads that any Bill or Resolution amended on the floor in short debate shall not be on short debate on final passage. And his interpretation is that when the amendment is tabled that that amounts to a Floor Amendment and therefore it'll come off the short debate. 66. House Bill 66. Amendment is not printed. 73."

Clerk O'Brien: "House Bill 73. A Bill for an Act to make uniform statutory provisions for repeals in civil cases. This Bill has been read a second time previously. There's

Terzich." "A motion to table amendment number one by Representative Terzich."

Speaker Redmond: "Representative Terzich."

Terzich: "Yes again, Mr. Speaker. It's the same position that the... this was a technical amendment which was subsequently found was not necessary by removing amendment number one each Bill would be correct without the amendment, and I move that we withdraw amendment number one."

Speaker Redmond: "Representative Terzich's move that amendment number one be tabled. Any discussion? Question's on the motion. Those in favor say 'aye', oppose 'no'. The ayes have it. The motion carried. The amendment is tabled. Any further amendments?"

Clerk O'Brien: "No further amendments."

Speaker Redmond: "Third Reading. 73. 80."

Clerk O'Brien: "House Bill 80. A Bill for an Act to correct references to the title of an Act concerning judgments and decrees. This Bill has been read a second time previously. There's a motion filed to table amendment number one by Representative Terzich."

Speaker Redmond: "Representative Terzich."

Terzich: "Yes, Mr. Speaker. Again this is to correct the technical amendment without amendment on each Bill is correct. And therefore, I would move that we withdraw amendment number one."

Speaker Redmond: "Any discussion? Question's on the gentleman's motion to table amendment one. Those in favor say 'aye' aye, oppose 'no'. The ayes have it. The motion carried. The amendment number one is tabled. Any further amendments?"

Clerk O'Brien: "No further amendments."

Speaker Redmond: "Third Reading. 377."

Clerk O'Brien: "House Bill 377. A Bill for an Act to amend sections of an Act in regard to the judgments and the manner of enforcing the same by execution. Second Reading

of the Bill. This Bill has been read a second time previously."

Speaker Redmond: "Representative Terzich."

Terzich: "Yes, Mr. Speaker. On this amendment this was requested by Enrolling and Engrossing. It's to correct some technical errors such as putting a semicolon after "or her" and correcting the spelling of defendant, and I move for adoption of this amendment."

Speaker Redmond: "Any discussion? Questions on the Gentleman's motion that amendment one be tabled. Those in favor say 'aye'."

Terzich: "No I believe that's just adopting amendment number two, correcting those errors."

Speaker Redmond: "Wait a minute now. Let's go back. What do you want done with amendment one? Committee amendment number one, what do you have a motion with respect to that?"

Clerk O'Brien: "No motion filed."

Speaker Redmond: "Are there any amendments from the Floor?"

Clerk O'Brien: "Floor Amendment number two, Terzich. Amend House Bill 377 on paragraph A and D and so forth."

Speaker Redmond: "Representative Terzich."

Terzich: "Again, I move for adoption of amendment number two. This was requested by the Enrolling and Engrossing..."

Speaker Redmond: "Has it been distributed? Do we have amendment number two? It has not been distributed, sir. You have to take it out of the record. Mr. Clerk, do you have a motion with respect to House Bill 129?"

Clerk O'Brien: "A motion, I move to be recorded as voting aye on House Bill 129, Representative Ryan."

Speaker Redmond: "Is there any objection? Hearing none, unanimous consent is granted to be recorded. Page 13. The order of motions. Representative Madigan do you want to handle the motions that appear on page 13? Those were the Bills that were in the Reference Bureau."

Madigan: "Mr. Speaker, was it your desire to handle all these

motions at one time?"

Speaker Redmond: "Well I was wondering if you wanted to handle the motions. If you wanted each to have individual Member notice it."

Madigan: "Well, Mr. Speaker, on the order of motions page 13 of the Calendar...on the order of motions, page 13 of the Calendar there appears eight motions relative to Bills which were mistakenly left in the Reference Bureau because of a breakdown of the Xerox machine. These Bills were prepared, they had been typed, they were ready for Xeroxing, the Xerox machine broke and the clerk in the office when moving the operation from one Xerox machine to the other, failed to take these Bills with her to the second Xerox machine. There are eight Bills, five Republican sponsors, three Democratic sponsors and I talked with Representative Ryan regarding this matter and what we have done is to place on a Calendar motions which would allow the sponsors to appear before Committees this week and ask that these Bills be voted as Committee Bills. And, Mr. Speaker at this time I would move that all eight motions be adopted by a vote of 107 votes."

Speaker Redmond: "Is there any discussion, Representative Ryan. Do you have the LRB numbers on those?"

Ryan: "The LRB numbers are shown on each motion on the Calendar. So that they would... the motion by Mr. McClain on LRB 8106353, the motion by Mr. Madigan on LRB 8107240, the motion by Mr. Brady LRB 8106697, the motion by Mr. Daniels on LRB 8107215, the motion by Mr. Vinson on LRB 8106945, the motion by Mr. Tuerk on LRB 8107165, the motion by Mr. Ryan on LRB 8107221, the motion by Mr. Freidland on LRB 8107213. I move for the adoption of those motions, Mr. Speaker."

Speaker Redmond: "Any discussion or questions on the Gentleman's motions for the adoption of the motion? Those in favor vote aye, oppose vote no. Have all voted who

wish? The Clerk will take the record. On this question there's 145 aye and 0 nay. The motion carried. Representative Bradley."

Bradley: "Mr. Speaker and Ladies and Gentleman of the House. I'd like to clarify a recorded vote we had on the House Resolution 67. The rules the other day for the sake of the Journal, it was announced there were 118 aye votes and the machine shows 117. I was added by you, Mr. Speaker, to the Roll to make it 118 however, they did not journalize that and before we print the journal I would like to have my name added as voting aye on that as I had requested and you had so designated."

Speaker Redmond: "Understand that the journal will be corrected. It was added that day so."

Bradley: "Fine, thank you sir."

Speaker Redmond: "Representative Ryan, are there any republicans whose absences should be excused? None that he knows of and if he doesn't know them, there aren't any. Representative Madigan."

Madigan: "Mr. Speaker, would the record show that Representative Flinn is excused because of legislative business? That Representative Kosinski is excused because of the illness of his wife? That Representative Katz is excused because of legislative business? That Representative Braun is excused because of illness. That Representative Schraeder is excused because of illness? That Representative Mugalian is excused because of illness? And that Representative Garmisa is excused because of legislative business?"

Speaker Redmond: "Will the record so indicate that their absence are excused? Hearing no objection, there will be so recorded. Representative Schlickman."

Schlickman: "Would the majority leader yield?"

Speaker Redmond: "He will."

Schlickman: "With Representative Katz and Kosinski absent today, will there or will there not be a meeting of

Judiciary II. They are chairman and vice chairman respectively."

Madigan: "Mr. Getty will chair the meeting."

Schlickman: "Ok."

Speaker Redmond: "Representative Ebbesen, are you seeking recognition? I saw our colleague, Representative Capuzi entered the chamber awhile ago, is Lou here? Been sick quite awhile. Announcements. Announcements. Announcements. Representative Schneider."

Schneider: "Mr. Speaker I just have a very quick announcement that the subcommittee on School Finance has been canceled for tonight because of our extended date schedule. There will be a reposting probably within the week, but, for tonight it has been canceled. All the sponsors and their witnesses have been informed so it works no hardship on anyone."

Speaker Redmond: "Representative Ebbesen."

Ebbesen: "Yes. Mr. Speaker on the House Calendar there's only one Senate Bill on Second Reading that's Senate Bill 150 and there are no known amendments. I wonder if we can move that from Second to Third so it might get consideration it's on page 8. This week."

Speaker Redmond: "OK, I'll get to that one. Any further announcements? Representative Collins. Representative Collins for a very important announcement. Representative Ebbesen, you listen to this."

Collins: "Well, Mr. Speaker and Ladies and Gentleman of the House at great risk of incurring Representative Ebbesen's raft, I'd just like to announce that today is our colleague, Elmer Conti's birthday and if Representative Ebbesen would allow, I know that Representative Ropp would like to sing "Happy Birthday" to him."

Speaker Redmond: "Representative Leon. There you are. Representative Leon."

Leon: "Mr. Speaker, Members of the House I would like to suspend a posting rule so that the Committee on Elections can go to a discovery recount on the pretense from

Winnebago County tomorrow morning at 9:00."

Speaker Redmond: "Representative Collins objects. Representatives Collins."

Collins: "Well, Mr. Speaker I'm on that subcommittee and I can't always make it at 9:00. I have another meeting."

Leon: "What time is your convenience, Mr. Collins?"

Collins: "10:00 or 10:30."

Leon: "Let's make it 10:00 and we hope you'll be there. Mr. Speaker, may I amend that motion then to suspend the posting rule."

Speaker Redmond: "Questions on Representative Leon's motion to suspend and permit the meeting of the subcommittee on Elections tomorrow at 10:00. Is there any objection? Hearing none the Attendance Roll Call will be used. Representative Williams."

Williams: "Thank you, Mr. Speaker. Lets see, I noticed on the Calendar it does show that there is a Cities and Villages meeting at 2:00 today. That is not true. The next meeting of the Cities and Villages Committee will be at April 18 at 2:00 in room 304."

Speaker Redmond: "Senate Bills, Second Reading. Appears on page 8. Senate Bill 150."

Clerk Hall: "Senate Bill 150. A Bill for an Act to amend various Acts in the Illinois Municipal Code. Second Reading of the Bill."

Speaker Redmond: "Any amendments?"

Clerk Hall: "No amendments."

Speaker Redmond: "Third Reading. Representative Madigan."

Madigan: "Mr. Speaker, I wish to announce the democratic conference in five minutes in room, which room Mr. Speaker?"

Speaker Redmond: "114. Representative Ryan. Representative Mahar."

Mahar: "Thank you, Mr. Speaker. There'll be a republican conference in room 118 for ten minutes."

Speaker Redmond: "11:00 tomorrow morning. Representative

Madigan."

Madigan: "Are there any further announcements, Mr. Speaker?"

Speaker Redmond: "Any further announcements any Committee chairman? None."

Madigan: "Mr. Speaker, to announce once again a democratic and republican conference immediately and I now move that we adjourn to 11:00 a.m. tomorrow morning."

Speaker Redmond: "Question's on the Gentleman's motion. Those in favor say 'aye' aye, oppose 'no'. The ayes have it. Motion carried. House will now stand adjourned till 11:00 tomorrow."
