Speaker Peters: "The Gentleman asks leave for use of the Attendance Roll Call so that Senate Bill 646 may be posted in the Committee on Labor and Commerce for next week. Does the Gentleman have leave? Hearing no objection, leave is granted. Representative Levin."

Levin: "Yes, reserving the right to object, can the person

requesting indicate what the Bill does?"

Speaker Peters: "Representative Epton."

Epton: "Thank you, Mr. Speaker. I would also ask leave to waive the appropriate rule so Senate Bill 1147 which was just assigned to Insurance Committee may be heard on Monday. I wish I could tell you what the Bill is about, but I have no idea."

Speaker Peters: "The Gentleman asks leave for the Attendance Roll Call to suspend the appropriate rule so that Senate Bill 1137 may be heard in the next meeting in the Committee on Insurance. Is there objection? Is there leave? Leave being granted, the rule is suspended. 1147, Senate Bill 1147. Any other announcements or requests? Representative Telcser."

Telcser: "Mr. Speaker, I wonder if I could have leave to suspend the appropriate rule to suspend the posting requirement to have Senate Bill 186 heard in the Committee on Public Institutions and Social Services on Monday, June 8 at 4 p.m. We were in the Committee this morning, and there weren't enough Sponsors present, and the Committee had to adjourn until Monday, in which case the Bill has to be reposted."

Speaker Peters: "The Gentleman asks leave to suspend the appropriate rule and use the Attendance Roll Call so that Senate Bill 186 may be heard in the next meeting of the Committee on Public Institutions and Social Services. Is there objection? Does the Gentleman have leave? Leave is granted. Senate Bill 186 is posted for the next meeting of the Committee. Representative McClain, you have a request, Sir, for Senate Bill 960? Representative... Representative Bell."

Speaker Peters: "The Gentleman asks leave to suspend the appropriate posting rules so that Senate Bill 960 can be heard in the Committee on Revenue at its next meeting. The Gentleman asks leave for use of the Attendance Roll Call. Is there objection? There being none, leave is granted. 960 will be so posted. Have...have all who are here on the Roll Call? Take the record, Mr. Clerk. There are 161 Members present and a quorum is here. Representative Matijevich."

Matijevich: "Yes, Mr. Speaker. Speaker Ryan and I are co-chief Sponsors of Senate Bill 968. It was just assigned today to Revenue Committee. Representative Ewing isn't here, but I discussed it with Art Telcser, and I would like to have leave and use the Attendance Roll Call so that it can be heard in the House Revenue Committee next Tuesday."

Speaker Peters: "Representative, you might...there is objection."

Matijevich: "By whom?"

Speaker Peters: "Representative Wolf. Representative Reilly."

Reilly: "Thank you, Mr. Speaker. Two requests, one for a Bill of mine, Senate Bill 1095. Leave to suspend the posting requirements so that it can be heard at 4 o'clock Monday in Public Institutions which meets in room 118."

Speaker Peters: "The Gentleman asks leave for use of the Attendance Roll Call to suspend the appropriate rule so that Senate Bill 1095 can be heard at the next meeting of the Committee on Public Institutions. Does the Gentleman...is there objection? Does the Gentleman have leave? There being no objection, leave is granted, and the Bill will be posted. Representative Reilly."

Reilly: "Second request, Mr. Speaker. I was just notified a minute ago that five Bills have just been assigned to Elementary and Secondary Education which I chair. They are Senate Bills 416, 711, 755, 1020, and 1190, and I would ask

leave to suspend the posting requirements so that those can be heard in our Committee Tuesday, June 9 at 9 o'clock."

Speaker Peters: "You've heard the Gentleman's Motion. Is there question on that? Representative Lechowicz."

Lechowicz: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. I believe as a matter of courtesy when a person asks that the rules be suspended, we'd be given a brief explanation. And I know it was done yesterday, and I can't see why we're not doing the same practice today not only on this series of Bills, Jim, but on everything else that has been suspended here this afternoon."

Speaker Peters: "I...In order to expedite the matters, the Gentleman's point is well taken. If you would give the people making the request your attention I think we can expedite this and get out a little bit sooner here. Representative Reilly or Schneider, if you have that attention that you may 'allay' the fears of whoever may have some concern. Representative Schneider."

Schneider: "I just wanted the numbers again, Mr. Speaker. I didn't catch them, and I hadn't seen the contents either."

Speaker Peters: "Senate Bills 416, 711, 755, 1020, and 1190. On this question, Representative Levin."

Levin: "Yes, Sir. Mr. Speaker, I object to Senate Bill 1020."

Speaker Peters: "The Gentleman objects to 1020. Representative Reilly."

Reilly: "Yeah, Mr. Speaker, none of these are my Bills. I don't...I could care less about them. If the Sponsors of Senate Bills 416, 711, 755, 1020, or 1190 want them heard, they can take care of the appropriate request. I withdraw my Motion."

Speaker Peters: "The Gentleman properly withdraws his Motion. Representative Levin, for what purpose do you seek recognition?"

Levin: "I just would like the record to reflect that I object to any request to suspend the posting requirement for Senate Bill 1020 be it made later...now or later."

Speaker Peters: "Well, I don't...I don't think that kind of request could be made, Sir, properly to carry us infutural indefinitely. The Motion properly is made at the time the matter is before the House. If you waive, we will recognize you. Any other announcements? Representative Reed...or requests."

Reed: "Mr. Speaker and Ladies and Gentlemen of the House, if this order of business is now proper, House Bill 1544 of which I am the Sponsor was inadvertently tabled at the deadline for the hearing on House Bills. I would like to take it from the table and commit it to Interim Study with leave of the House. The Chairman of the Conservation Committee and the Minority Spokesman are both in agreement."

Speaker Peters: "The Lady asks or moves that House Bill 1544 be taken from the table, recommitted to the Committee on Conservation, and placed in Interim Study, and she asks leave for use of the Attendance Roll Call. Is there objection? There being none, leave is granted. House Bill 1544 is now in Interim Study in the Committee on Conservation and Natural Resources. Any other requests? Representative McAuliffe."

McAuliffe: "Mr. Speaker, Ladies and Gentlemen of the House, I would like to move to suspend the appropriate rules to have Senate Bills 697, 1030, and 1197 heard in the Personnel, Pension, and Veterans' Affairs Committee on Tuesday at 4 o'clock."

Speaker Peters: "The Gentleman asks leave to suspend the appropriate rules so...Representative McAuliffe, do you have any idea...can you indicate what these Bills do?"

I'll...make my request later again."

Speaker Peters: "Representative Kane. Are you withdrawing that now, Sir?"

McAuliffe: "...Objections, I'll make the Motion."

Speaker Peters: "The Gentleman asks leave for use of the Attendance Roll Call to suspend the appropriate rules so that Senate Bill 697, 1030, and 1197 may be heard in the next meeting of the Committee of Personnel, Pensions, and Veterans' Affairs. Is there objection? There being none, the Gentleman have leave? He has leave, and the Bills will be so posted. Representative Leinenweber."

Leinenweber: "I would ask leave of the...to suspend the appropriate rule to hear House Bill... or Senate Bill 591 in Judiciary I Committee Tuesday morning at 8 o'clock. It provides the court procedure for leasing oil and gas of owners who cannot be located."

Speaker Peters: "The Gentleman asks leave to suspend the appropriate rules so that Senate Bill 591 may be heard at the next meeting of the Committee on Judiciary I, and the Gentleman asks leave for use of the Attendance Roll Call. Is there objection? There being none, leave is granted, and the posting rule is properly waived. Representative Macdonald."

Macdonald: "Thank you, Mr. Speaker. I hope all Members of the Conservation and Natural Resource Committee will pay attention. Through an error in the Calendar, we are not listed as having our meeting on Monday. We will be meeting Monday at 2 o'clock in room 118. I don't know why we are not listed, but we're not on the Calendar, and we will be meeting Monday at 2 p.m. in 118."

Speaker Peters: "Representative Bullock, for what purpose do you seek attention?"

Bullock: "Thank you. Thank you, Mr. Speaker. I would like to suspend the appropriate rule and ask leave for the Attendance Roll Call to have Senate Bill 1198 reposted for Monday at 4 p.m. in Public Institutions and Social Services. I have spoken with the Chairman, and the Chairperson has no objections. I don't know of any objection to the Motion."

Speaker Peters: "The Gentleman asks leave to waive the posting rules so that Senate Bill 1198 may be heard at the next meeting of the Committee on Public Institutions and Social Services. The Gentleman asks leave for use of the Attendance Roll Call. Is there objection? There being none, leave is granted. The Bill will so posted. Any further request along this line? Representative McBroom."

McBroom: "Yes, Mr. Speaker, Members of the House. Would this be the appropriate time, Mr. Speaker, for a request to ask for unanimous consent for the adoption of a Resolution? I would be happy to explain it and tell you who the Sponsors are."

Speaker Peters: "Mr. Clerk, is the Resolution distributed?"

McBroom: "Yes."

Clerk Leone: "The Resolution is distributed."

Speaker Peters: "Proceed, Sir."

McBroom: "Mr. Speaker, Members of the House, I think this Resolution is on all of the Members' desks. This relates to the insurance problem which I alluded to yesterday. The Resolution is sponsored by myself, Representative Lechowicz, Representative Ryan, Levin, Vitek, Macdonald, Irv Smith, and Wyvetter Younge. This requests the Department of Insurance, in effect, to leave things alone, leave it in tact. I ask for the suspension of the appropriate rule and immediate adoption of the Resolution."

McBroom: "Well, the Resolution is self-explanatory and I don't..."

Speaker Peters: "Excuse me, Sir. Will you give the Gentleman order, please? This affects the problem brought up yesterday in regard to the question of insurance. Proceed, Sir."

McBroom: "Well, Mr. Speaker, Members of the House, it simply says that the House encourages the Director of Personnel to reconsider the acceptance of the proposed contract with Blue Cross-Blue Shield and to approve a health insurance benefit package which maintains current benefit levels. I move for the adoption and request a favorable Roll Call."

Speaker Peters: "On that question, Representative Preston."

Preston: "Thank you, Mr. Speaker. Would the Sponsor yield for a question?"

Speaker Peters: "He indicates he will."

McBroom: "Yes."

Preston: "Representative McBroom, would this package that you're asking the Department of..."

McBroom: "Just a minute...Just a minute, Mr. Chairman, Mr. Preston. I can't...try me again, Lee."

Speaker Peters: "Excuse me, Representative, will the people standing about Representative McBroom leave? Proceed."

General Assembly after they retire from the General Assembly?"

McBroom: "What we are trying to do and what I think we are accomplishing, Representative Preston, is to leave the present insurance program that we have in tact. That, in effect, will cost the State of Illinois between 8 and 9 million dollars more money, and we're going to have to have an appropriation for that and find an appropriate appropriation Bill to tack that on to. We just feel that this might give further substance to this Resolution to what we're endeavoring to accomplish."

Preston: "Does the present insurance package, then, contain any provision for coverage after a Member is no longer a Member of the General Assembly?"

McBroom: "I do not think so. I would appreciate some help on that question."

Preston: "Does the..."

Speaker Peters: "Representative Preston, excuse me. I think on that point, Representative Lechowicz can give you a clear answer. Representative Lechowicz."

Lechowicz: "Thank you, Mr. Speaker. The answer is no. That's a separate Bill."

Preston: "Thank you, Mr. Lechowicz."

Speaker Peters: "Proceed, Sir."

Preston: "Does the...does your Resolution apply to any other than General Assembly Members? Does it apply to any other State employees?"

McBroom: "All State employees."

Preston: "All State employees. Thank you."

Speaker Peters: "Any further discussion on this? Representative Epton."

Epton: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. I would simply like to clarify the point that the

Department of Insurance has nothing to do with this particular problem, nor does the Illinois Insurance Study Commission. We don't want to be confused with the Group Insurance Advisory Commission which is a Body separate and entirely unto itself. Thank you."

Speaker Peters: "On this question, Representative Huskey."

Huskey: "I'd like to...you know, the word 'General Assembly' has been used several times. This is not a General Assembly Bill. It's a State of Illinois Employees' Bill, is that not right?"

McBroom: "You're absolutely right."

Huskey: "And it's...and the word 'General Assembly' it's just a small group in the big, overall big plan. It's nothing special with the General Assembly. Am I right?"

McBroom: "You're absolutely right. I'm glad you clarified it, Representative Huskey."

Speaker Peters: "On that question, Representative Levin."

Levin: "Mr. Speaker, Ladies and Gentlemen of the House, I rise in support of this Resolution. I think it's important to note that the Director has not yet signed the contract, that is, some day off, and the purpose of this Resolution is to put him and Blue Cross on notice that the General Assembly is not satisfied with the proposed contract and may in fact take appropriate action to change that contract if voluntary action by the Director is not taken. Copies of this Resolution would be presented to both the Director and to Blue Cross, and we put them both on notice. I think it's an important Resolution, and it deserves the support of every Member of the House."

Speaker Peters: "On that question, Representative Johnson. No,...Further discussion? Representative McBroom, to close."

McBroom: "I'd appreciate a favorable Roll Call."

Speaker Peters: "Representative Lechowicz, do you wish to close as Cosponsor?"

Lechowicz: "Mr. Speaker, I'd just want to save some time of the House. I believe this matter has been adequately discussed. If you think that the State employees should be paying approximately a minimum of \$200.00 or more when they visit the hospital, fine. Then vote against this Resolution, if you believe that employee benefits should be construed at the present level of health care for the State employees throughout this State, then I would strongly support House Resolution 351. Please vote 'aye'."

Speaker Peters: "You've heard the Gentleman's Motion. The question is 'Shall House Resolution 351 be adopted?' Those in favor will signify by voting 'aye', those opposed by voting 'nay'. Mr. Clerk, the voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record, Mr. Clerk. On this question there are 144 voting 'aye', 1 voting 'nay', 2 voting 'present'. This Resolution having reached a Constitutional Majority is hereby declared passed. Page 2 of the Calendar... Representative Van Duyne, for what purpose do you seek recognition?"

Van Duyne: "Thank you, Mr. Speaker. Very quickly, I would like to have leave of the House to have Senate Bill 127 heard in Counties and Townships. I have checked with Representative Collins, and also Representative McMaster, and there is no problem."

Van Dyne: "Well, Representative Collins sent me over to see Representative Telcser's secretary, and I have done that."

McMaster: "And it is reassigned to us then? Fine. Then I will ask permission to hear that Bill on Tuesday along with several others that have been assigned to us as recently as today that were not on the call."

Speaker Peters: "Well, we've done 127. Leave has been granted on that. On a point of information, Representative Collins."

Collins: "Well, Yes, Mr. Speaker. It is being reassigned. I don't know if it has mechanically been accomplished yet, but is...it is true that it is being reassigned."

Speaker Peters: "Representative Ewing, for what purpose, Sir?"

Ewing: "A request to suspend the rule when you're through with this."

Speaker Peters: "Proceed."

Ewing: "Alright, I would like to request suspension of the rule for the posting of three House...Senate Bills to the Revenue Committee, the only three that have been assigned to us that haven't been posted - Senate Bill 255...255, 953, and 968."

Conti: "Mr. Speaker and Ladies and Gentlemen of the House, Mr. Roman P. Miller of Waukegan, Associate Superintendent for Business Affairs, is retiring from District 60. That House Resolution was introduced by Barkhausen. House Resolution 353, Stanley - et al. It has come to the attention of this House that on July 7 is the silver anniversary of Vernon and Gloria 'Harvey' who reside on Colorado Avenue in Frankfort, Illinois. Are celebrating their silver anniversary. I move for the adoption of the Resolutions."

Speaker Peters: "The Gentleman has moved adoption of the Resolutions. Those in favor will signify by saying 'aye', those opposed. The Resolutions are adopted. The House will just stand at ease for...Representative Leverenz."

Leverenz: "Mr..."

Speaker Peters: "For what purpose, Sir?"

Leverenz: "...Chairman, an inquiry of the Chair."

Speaker Peters: "Yes."

Leverenz: "I have a Bill up in Executive Committee. I find it did not meet this week. I find no scheduled meeting for it on the Calendar for next week, and the deadline is still June 10. Is that correct?"

Speaker Peters: "So far correct."

Leverenz: "Then are we going to address moving these Bills out of Committee without a hearing in Committee which would further delay an orderly work effort on the House floor? Now this is not an inquiry of the mushrooms, but only from a Member wanting to find out when I could have my Bill heard in the Executive Committee which apparently has not posted any Bills for hearings that have been assigned to Committee. Is it a problem that the person that handles the assignment of Bills should have assigned these to another Committee?"

Speaker Peters: "Representative Leverenz, the best that the Chair

Leverenz: "With all due respect to the Chair, Speaker, I cannot find the Chairman of the Committee. Ah-ha, thank you, Sir."

Speaker Peters: "The House will now just stand at ease for about two or three minutes till we get the Adjournment Resolution ready. Representative Kustra, for what purpose, Sir?"

Kustra: "Thank you, Mr. Speaker. I would like leave to suspend the appropriate rule regarding posting notices for Senate Bill 1055 which has been assigned to the Elementary and Secondary Education Committee. I would like to have that heard next week, and Senate Bill 642 which has been assigned to the Higher Education Committee."

Speaker Peters: "Would you repeat the Committee, Sir?"

Kustra: "Senate Bill 642 to Higher Education, Senate Bill 1055, Elementary and Secondary Education."

Speaker Peters: "The Gentleman asks leave to...Representative Zito."

Zito: "Thank you, Mr. Speaker. I would like an explanation of those Bills if we could please."

Speaker Peters: "Content of the Bills, Representative Kustra."

Kustra: "Senate Bill 642 deals with the Scholarship Commission, and it changes the manner in which need is defined regarding the academic scholarships. It passed out of the Senate handly, and they would like to have it heard this week. The other Bill, Senate Bill 1055, I checked with Representative Schneider, he has agreed that the Bill could at least be heard. It deals with dismissal of teachers and notice."

Zito: "Thank you."

Speaker Peters: "The Gentleman asks leave to suspend the

And the Gentleman also asks leave for the use of the Attendance Roll Call to suspend that rule. Is there objection? The Gentleman has leave. The rule is suspended, and the Bills will be posted."

Kustra: "Thank you, Mr. Speaker."

Speaker Peters: "Representative Ebbesen."

Ebbesen: "Yes, Mr. Speaker. I wonder if I could have leave for...to have...on the posting rules for Senate Bill 270 to have it heard in Higher Education. It would have to be reassigned from Executive. I have the reassignment in Motion putting it into Higher Ed."

Ebbesen: "Higher Education."

Speaker Peters: "...Higher Education, and the Gentleman asks leave for use of the Attendance Roll Call to suspend that rule. Is there objection? Does the Gentleman have leave? Leave is granted, and the appropriate rule is suspended. Any further requests? Messages from the Senate."

Mr. Speaker, I am directed to inform the House of Representatives that the Senate has adopted the following Senate Joint Resolutions, an adoption of which I am instructed to ask concurrence of the House of Representatives to wit: Senate Joint Resolution 49, resolved by the Senate of the 82nd General Assembly of the State of Illinois, the House of Representatives concurring herein that when the Senate adjourns on Friday, June 5, 1981, it stands adjourned until Tuesday June 9, 1981 at 12 o'clock noon. Kenneth Wright, Secretary."

Speaker Peters: "Representative Capparelli, did you have a request to be put? Representative Capparelli."

Capparelli: "No, Mr. Speaker, I made a file to discharge Committee, but I understand that Judiciary II is going to be posted. She doesn't have time to put it in the record. Thank you."

Speaker Peters: "Okay, fine. Fine, Sir. Representative Topinka."

Topinka: "Yes, Mr. Speaker, I would just like to..."

Speaker Peters: "Excuse me. Will the people in front of the Lady please clear the way. Rep..."

Topinka: "Mr. Speaker and Ladies and Gentlemen of the House, I just wanted to make you all aware that we have the distinct honor of having the Congressman of the 4th District here, Ed Derwinski, with us. And he is on the floor now, and if we could all give him a round of applause."

Speaker Peters: "Representative Derwinski served a number of years ago and used to be C.L. McCormick's seatmate. Representative Derwinski, do you wish to say a word? Representative Steczo, for what purpose, Sir?"

Speaker Peters: "Excuse me, slower."

Steczo: "Oh, sorry. 1408, 1455, 1456, and 1573. Mr. Speaker, I would ask for leave to use the Attendance Roll Call to have these Bills taken from the table and placed on the Interim Study Calendar of the Elementary and Secondary Education Committee."

Speaker Peters: "On that question, Representative Reilly. House Bills. On that question, Representative Schneider. House Bills."

Schneider: "I just want to know what they are as usual. I know they're going to Interim, but just out of curiosity."

Speaker Peters: "The Gentleman asks leave for use of the Attendance Roll Call to take from the table House Bills 1408, 1455, 1456, 1572, and place them...or return them to the Committee on Elementary and Secondary Education and place them in Interim Study."

I would like leave of the House to suspend the posting requirements on two Bills that are coming before...they are assigned to House Financial Institutions, Senate Bill 901 is sponsored by Representative Kustra, and Senate Bill 1033, Representative Kustra's Bill also."

Speaker Peters: "On that question, Representative Leon. The Gentleman asks leave to suspend the appropriate rule so that Senate Bill 901 and Senate Bill 1033 may be heard at the next meeting of the Committee on Banks and Financial Institutions, and the Gentleman asks leave for use of the Attendance Roll Call for that suspension. Interim Study in the Committee on Revenue. And the Lady asks leave for use of the Attendance Roll Call. Is there objection? Representative Ewing."

Ewing: "Mr...Mr. Speaker, she would like to place this on the Spring Calendar?"

Speaker Peters: "No, the Lady asked leave to take the Bill from the table and to place it in Interim Study in the Committee on Revenue."

Ewing: "What is the...what vote is required to discharge this from the Committee, then?"

Speaker Peters: "It takes 107, at this point, to take it off the table unless you object. If you object, then that Motion must be in writing, and we cannot hear that Motion."

Ewing: "I understand. I'm saying once the Bill is moved to Interim Study, what does it take to bring it to the House floor?"

Speaker Peters: "The...the Chair would give an unscholarly opinion that it is 89. Representative Ewing."

Ewing: "The answer was 107 or 89?"

Speaker Peters: "Representative Giorgi."

Giorgi: "Mr. Speaker, any Bills that sit in Interim Study were Bills that were tabled, and it takes 107 to take from the table."

Speaker Peters: "The Lady is asking leave to take it from the table and send it back to Committee."

Giorgi: "It takes 107 votes."

Speaker Peters: "That is correct, but the Gentleman's question is once it is in Committee, how many votes it takes to discharge the Committee."

Giorgi: "It takes 89 if it is before June 30."

Speaker Peters: "Representative Levin. I'm sorry, Representative Bowman."

Speaker Peters: "The Gentleman's question was, 'What does it take to discharge Committee?'"

Bowman: "Yeah, the point is once it is on the Interim Study Calendar it has to be taken from the Interim Study Calendar before the Committee can be discharged."

Speaker Peters: "Had the Gentleman asked that question, the question would have been 107. That is not the question he asked."

Bowman: "Okay, but I am suggesting to Representative Ewing, I believe, is that the...before the Committee can be discharged it has to be taken from the Interim Study Calendar of that Committee. That requires 107 votes."

Speaker Peters: "Representative Giorgi."

Giorgi: "There has been some controversy here. As I understand, she won't call a Committee meeting, so why should we be pulling a Bill off of the table for her?"

Speaker Peters: "That, in terms of this discussion, I think that is out of order, Sir."

Giorgi: "Well, I thought that somebody ought to know."

Speaker Peters: "Representative Ewing."

Ewing: "I have no further questions."

Speaker Peters: "The Lady asks leave for use of the Attendance Roll Call. Representative Giorgi objects. Representative Christensen."

Christensen: "Yes, Mr. Speaker, could I have leave of the House to suspend the appropriate rule to have Senate Bill 649 heard before the Agricultural Committee?"

I also would like to ask for leave to suspend the posting requirements for Senate Bill 676 in Executive, and Senate Bill 932 in Judiciary II."

It had been my intent when I get the number of those Bills upon Monday to ask permission to have them posted."

And I, Mr. Speaker, as the Democratic Spokesman, would be willing to work with the Speaker's office on getting such a tentative schedule on the House floor by Monday."

Speaker Peters: "The Chair appreciates that very kind request and looks forward to your proposal on Monday morning. Representative Bullock."
