Speaker Madigan: "The House shall come to order. The Members shall be in their chairs. We shall be led in prayer today by Father Anthony Tzortzis, Pastor of St. Anthony's Church in Springfield. Father Tzortzis is a guest of Representative Steve Nash. Will the guests in the gallery please rise to join us in the invocation?"

Father Tzortzis: "In the name of the Father and of the Son and of the Holy Spirit, Amen. Oh, Christ, the True Light, which illumines and sanctifies every man who comes into the world. Let the light of Thy Countenance be shown upon all our State Representatives and all loyal officers of our government, of our country, that in it we may behold the light ineffable, and guide our footsteps our right to the keeping of Thy commandments. Through the intercessions of Thy all pure mother and all the saints. Amen."

Speaker Madigan: "We shall be led in the Pledge of Allegiance by Representative Ropp."

Ropp et al: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Speaker Madigan: "Roll Call for Attendance. Mr. Greiman, are there any excused absences?"

Greiman: "We have no reported excused absences, Mr. Speaker."

Speaker Madigan: "Mr. Vinson, are there any excused absences?"

Vinson: "Yes, Mr. Speaker. Representative Hoffman."

Speaker Madigan: "Mr. Hoffman?"

Vinson: "Yes, Sir."

Speaker Madigan: "Has his key been removed?"

Vinson: "His key's been removed."

Speaker Madigan: "Let the record show that Representative Hoffman is excused. Mr. Clerk, take the record. There being 112

Members responding to the Attendance Roll Call, there is a quorum present. Mr. Matijevich, would you come to the podium? Ladies and Gentlemen, the Chair recognizes Representative Ropp for the purpose of a special introduction. Representative Ropp."

Ropp: "Thank you, Mr. Speaker and Members of the House. Mr. Speaker, we're delighted for your pleasure in letting us introduce once again the report team from the 4-H clubs of the State of Illinois. We have, as you might say, the cream of the crop - eight of the top 4-Hers in the State of Illinois are here for three days learning about government. Many of them have visited with you, and they are certainly appreciative of that. May I introduce them to you? David Bruckhauser from Union County, Lori Butler from Vermilion County, Randy Crumpen from Cook County, Deborah Huber from Montgomery County, Kara Schlieder from McLean County, Kim Skibby from Whiteside County, Todd Smith from Morgan County, and David Weber from Madison County. And now to represent the group briefly is Lori Butler from Vermilion. Lori."

Lori Butler: "Thank you, Mr. Speaker and the Members of the House of Representatives. We, the 1982-83 Illinois 4-H Report to State Team would especially like to thank you for your continuing support of the Illinois 4-H program. 180,000 youth members and 30,000 adult volunteers participate in the 4-H program annually. Through your support, these individuals have been able to receive leadership and public speaking skills, and can learn by doing through special interests and projects. Of these 200,000 participants, our lives have been enriched, and by your support, we can go forth knowing that we can, as the 4-H motto says, 'To make the best better'."

Ropp: "Thank you. Now, Mr. Clerk, do you have a Resolution,

please?"

Clerk O'Brien: "House Resolution 357, by Representative Ropp. Whereas, the Illinois 4-H program assists in the development of the young people of this state and helps them to become self-directing, productive, contributing members of our society; and whereas, the 4-H program provides leadership for our young citizens of all races, colors and creeds, urban as well as rural, handicapped as well as able-bodied, and of all social and economic classes, in the teaching of important life skills; and whereas, through 4-H the young people of Illinois learn to apply knowledge to real life situations, respect others, practice leadership skills, evaluate job and career opportunities, acquire a positive self-concept, use accepted practices for mental, physical, emotional and social help, establish positive attitudes towards the productive use of literature and participate in community action; and whereas, the 4-H opens the door for youth in Illinois through the educational programs of the Illinois Cooperative Extension Service and the cooperation with the University of Illinois in the United States Department of Agriculture. Therefore, be it resolved by the House of Representatives of the 83rd General Assembly of the State of Illinois, that we congratulate the 150,000 youth and 30,000 adult volunteers of the Illinois 4-H program upon their many contributions towards the betterment of their communities and the state, and we recognize and commend this organization for its many activities in the development of young citizens of sound character and responsible nature; and be it further resolved that a suitable copy of this Preamble and Resolution be presented to the youth representatives of the Illinois 4-H program."

Ropp: "Thank you, Mr. Clerk. Is there leave to have every

The Motion has received the proper votes and has been duly adopted. Thank you very much and congratulations to all. Come back again."

Speaker Matijevich: "The House will stand at ease for one moment. On page seven on the Order of Senate Bills Second Reading, appears Senate Bill 25, Levin. Is Ellis Levin on the floor? Out of the record. Senate Bill 53, Nash. Out of the record. Senate Bill 54, Cullerton. Does that mean up? Read the Bill."

Clerk O'Brien: "Senate Bill 54, a Bill for an Act to amend Sections of the Uniform Criminal Extradition Act. Second Reading of the Bill. No Committee Amendments."

Speaker Matijevich: "Amendments from the floor?"

Clerk O'Brien: "None."

Speaker Matijevich: "Third Reading. Senate Bill 97, Brummer. Is Representative Brummer... Read the Bill."

Clerk O'Brien: "Floor Amendment #1, Brummer, amends Senate Bill 97 on page one in line one and five and so forth."

Speaker Matijevich: "Representative Brummer, on Amendment #1."

Brummer: "Yes, Senate Bill 97 revises several provisions regarding the assessment notice and the calculation of the multiplier. One of those provisions is that there be a weighing by classes of property. Senate Bill 84 also deals with that topic with the weighing provision. It was decided that because the weighing provision was an item

that the Department of Revenue had a little problem with, what we would do is totally eliminate that provision from Senate Bill 97 and leave the rest of it intact. That's what Amendment #1 does. It's been agreed by staff and personnel on both sides of the aisle, and I would move for its adoption."

Speaker Matijevich: "The Gentleman has moved for the adoption of Amendment #1 to Senate Bill 97. All in favor say 'aye', opposed 'nay', and Amendment #1 is adopted. Representative Brummer, for what purpose do you rise?"

Brummer: "Yes, I don't think there are any further Amendments, but I would like to have this Bill held on Second Reading yet, if I might. The Department of Revenue had just called and asked if we could continue to hold it on Second Reading."

Speaker Matijevich: "The Bill will be held on Second Reading. There were no further Amendments. House Bill 133, Panayotovich. Read the Bill."

Clerk O'Brien: "Senate Bill 133. This Bill has been read a second time previously, and a... there was a request for a fiscal note."

Speaker Matijevich: "Has the fiscal note been filed, Mr. Clerk?"

Clerk O'Brien: "Page eight."

Speaker Matijevich: "Was the fiscal note filed, Mr. Clerk? Representative Panayotovich."

Panayotovich: "Thank you, Mr. Speaker. If you could take this out of the record for a minute, the fiscal note's on its way."

Daniels: "I wanted to be recognized to ask the Gentleman - or,

Speaker Matijevich: "That's correct."

Vinson: "Thank you."

Clerk O'Brien: "Senate Bill 325. This Bill has been read a second time. Amendment #1 was adopted in Committee."

Speaker Matijevich: "Are there any Motions filed?"

Clerk O'Brien: "No Motions filed."

Speaker Matijevich: "Amendments... Representative Brummer, for what purpose do you seek recognition? Representative Brummer."

Brummer: "I would ask the Sponsor to hold this for a moment."

Speaker Matijevich: "Whose Amendment is it, Jack? Representative  
Olson. Representative Olson, on Amendment #1."

Olson: "Thank you, Mr. Speaker, Ladies and Gentlemen of the  
House. Amendment #1 deletes everything after page 11...  
after line five, and basically restores the provision that  
perjury is a Class III felony. I move the adoption of the  
Amendment."

Speaker Matijevich: "Representative Olson has moved the adoption  
of Amendment #1. Is there any discussion? Representative  
Cullerton."

Cullerton: "Yes, could you please, if you could, tell me about  
Amendment #1?"

Olson: "Yes, Amendment #1 strikes everything on page 11 after  
line five. That is a new chapter, par... Section 29-19 and  
46, which reduces the penalty for perjury from a felony to  
a B misdemeanor, and we have moved to strike that. That...  
This is an Agreed Amendment."

Cullerton: "We're talking about House Amendment #1."

Olson: "House Amendment #1."

Speaker Matijevich: "Further discussion, Representative Laurino."

Laurino: "Mr. Speaker and Ladies and Gentlemen of the House, just  
so that Representative Cullerton knows, all this does is  
bring the law back into conformity of the way it was  
before."

Cullerton: "Alright, I just to make sure the Bill has been printed, and the Amendments have been printed and distributed."

Speaker Matijevich: "Have the Amendments been printed and distributed? Yes, Sir. All in favor of the adoption of Amendment #1 say 'aye'... 'aye', opposed 'no', and the Amendment is adopted. Further Amendments?"

Terzich: "Yes, Mr. Speaker. Sen... Amendment #2 provides that any county officer required by the Illinois Constitution to be elected may receive an opinion from the State's Attorneys... of the State's Attorney and request the matter in question be submitted to the Attorney General for the opinion. All the problems that we had on the previous Bill of a similar nature have been resolved, and I would move for its adoption."

Speaker Matijevich: "Representative Terzin... Terzich... Representative Homer, for what purpose do you rise?"

Homer: "Mr. Speaker and Ladies and Gentlemen, I rise in opposition to this Amendment, and I would like to address the chamber at this time."

Speaker Matijevich: "Proceed."

Homer: "This Bill... this Amendment first was presented to this chamber in the form of a House Bill. The Bill was soundly defeated by this chamber a month ago, and now it reappears as an Amendment to an unrelated Senate Bill. The arguments made then are particularly appropriate now. The Bill... the Amendment would have the effect of requiring the State's Attorney in each county to forward to the Attorney General..."

Speaker Matijevich: "Representative Homer, one moment. Could we have your attention? Representative Homer is addressing the Assembly, and there's a... the noise level is real high, so please pay attention. Alright, continue."

Homer: "Alright, and I'll be brief. The present law dictates that the State's Attorney of each county is the official legal officer for all the county officials. We would be creating, by this Amendment, a provision whereby county officers could circumvent the opinion of the State's Attorney and go directly to the Attorney General, who could offer an opinion contrary to the legal opinion of the

State's Attorney; in which case, if litigation were to follow, the county officer would be effectively left unrepresented by counsel. Secondly, legal... Attorney General opinions require a formulation of a legal issue. It isn't sufficient that just any ambiguous question be forwarded to the Attorney General. Requires some legal training to formulate that issue. The attorney... The State's Attorney of each county has been schooled and trained in this field in order to formulate the legal issue, so that we do not have nonsensical answers to non-questions. And finally, and extremely importantly, if you adopt this Amendment and this Bill becomes law, then we're going to have to provide additional staff for the Attorney General's office, because there is no way that the Attorney General, with his present opinions division - his present staff - could meet the deluge of additional requirements that would be imposed and mandated upon that office by the adoption of this Amendment. This is a... a poor Amendment. It's ill-advised. It would be expensive, wasteful, unnecessary, and I would urge your opposition to Amendment #2."

Speaker Matijevich: "Representative Terzich, to close."

Terzich: "Well, I don't know where the Sponsor got his information about all of the additional... the big defeat of the Bill - which it wasn't substantially defeated, it was only a few votes short of passage, and it was on Postponed Consideration. The Attorney General's office stipulated that they could easily handle any... if any, opinions that may be requested. It would not add any additional staff, and there's no opposition by the Attorney General's office. And it would provide constitutional officers to request a... a second opinion from the Attorney General. It's a very good people, good government

Amendment, and I would appreciate your support."

Speaker Matijevich: "Representative Terzich has moved for the adoption of Amendment #2 to House Bill... Senate Bill 736. Those in favor say 'aye', those opposed say 'no'. The Amendment fails. Further Amendments? Representative Terzich, for what purpose do you rise?"

Terzich: "I would like a Roll Call on that Amendment, Mr. Speaker. We don't have to have a fast gavel."

Speaker Matijevich: "Are you... Well, I thought it was pretty obvious, but... are there any who support his request for a Roll Call? One, two, three... don't have enough... four, five, six. Alright, those in favor signify by voting 'aye', those opposed by voting 'no'. Have all voted... Have all voted who wish? The Clerk will take the record. On this question, there are 16 'ayes' and 77 'nos', and with Slape, there's 78 'nos', 1 voting 'present', and the Amendment #2 fails. Further Amendments, Mr. Clerk?"

Clerk O'Brien: "Floor Amendment #3, Zwick."

Speaker Matijevich: "Representative Zwick, on Amendment #3."

Clerk O'Brien: "I'm sorry... yea, Zwick."

Speaker Matijevich: "Representative Cullerton, for what purpose do you rise?"

Cullerton: "Yes, thank you, Mr. Speaker. Mr. Speaker, I would question the germaneness of Amendment #3."

Speaker Matijevich: "We'll be at ease while the Parliamentarian looks at the Amendment, and we'll rule on that. The Chair rules that the Amendment #3 is nongermane. Are there further Amendments?"

Clerk O'Brien: "Floor Amendment..."

Clerk O'Brien: "Floor Amendment #4, Zwick."

Speaker Matijevich: "Representative Zwick, on Amendment #4. Representative Vinson, for what purpose do you rise?"

Vinson: "Making frivolous rulings of that nature is not going to expedite anything in this chamber in the next week. Now, you can do that. You've got the Chair and you've got the gavel. You've got Mr. Justice Getty up there, and you can make all the frivolous rulings you want to on those things, but it is not going to expedite things and it is going to cause a lot of very serious problems. And you ought to think about that before you do those things."

Speaker Matijevich: "We'll think about that. Representative Zwick, on Amendment #4. Representative Cullerton, here we go again. Representative Cullerton, for what purpose do you rise?"

Cullerton: "Mr. Speaker, I do not know whether or not this Amendment is germane, because I don't believe it's been distributed."

Speaker Matijevich: "Has this Amendment been distributed? No, it has not."

Cullerton: "Mr. Speaker, the Sponsor of the Bill may wish to move the Bill to Third Reading, as would be his or her right."

Speaker Matijevich: "Are there further Amendments? #4, what's the will of the Sponsor? Representative Homer."

Homer: "Mr. Speaker, I haven't seen Amendment #4. I have talked to Representative Zwick, and I think I understand basically what it provides, but I think the same issue would be presented with regard to germaneness. It... It's identical, in many respects, to the last Amendment, so there would be no reason to hold the Bill, if the Chair is going to rule it's not germane."

Speaker Matijevich: "Well, we've got the issue that it hasn't

Vinson: "Mr. Speaker, you can't rule on germaneness or do anything with the Amendment until it's printed and distributed."

Speaker Matijevich: "Alright. There has been a request for a fiscal note. Maybe we ought to hold the Bill, because of that request, Representative Holz... Homer. Representative Homer, for what purpose do you rise? Out of the record? Out of the record? Is that what you're saying?"

Homer: "Mr. Speaker, I'm not sure if this will be appropriate, but I cannot see how a fiscal note could possibly apply. We're not talking about the... We're not talking about the use of any public monies whatsoever. I... It's just beyond me as to how a fiscal note could apply."

Speaker Matijevich: "Alright."

Homer: "I move that the fiscal note does not apply to this Bill."

Speaker Matijevich: "Well, one moment, please. One second. We'll be at ease for one second, till my Parliamentarian gets off the phone. Alright, on the matter of... One moment. Representative Homer, for what purpose do you seek recognition?"

Homer: "Mr. Speaker, at this time I would move to table Amendment #4."

Speaker Matijevich: "Representative Homer moves to table Amendment #4. On that, Representative Vinson."

Vinson: "Mr. Speaker, I rise to oppose the Gentleman's Motion to table the Amendment. The Lady has... The Lady has filed her Amendment. The Bill's on Second Reading. We're not up against a deadline. The Amendment can easily be printed and distributed later this afternoon, and we can go back to consideration of this Bill. against the Motion to table. And I request a verification of the Motion if it appears to get the requisite number of votes."

Speaker Matijevich: "Representative Homer, for what purpose do you seek recognition?"

Homer: "A point of parliamentary order. Is this a debatable Motion?"

Speaker Matijevich: "Well, we've used the latitude that we can, on a Motion to table an Amendment, that we would allow some debate on it. Representative Johnson, for what purpose do you seek recognition?"

Johnson: "Well, first of all, are we in order to move to table an Amendment?"

Speaker Matijevich: "Yes, we are."

Johnson: "That's not been printed and distributed?"

Speaker Matijevich: "Yes, we are."

Johnson: "What... What rule are we... is Representative Homer's Motion made pursuant to?"

Speaker Matijevich: "That... The Chair will rule that I do not have to, as a Chair, cite a rule to you. If you have a point of order, you make it."

Johnson: "Okay."

Speaker Matijevich: "But the Chair does not have to cite any rule on which a person makes a Motion."

Johnson: "Rule 75-d seems to provide a procedure for tabling a... an Amendment adopted by the House on a voice vote or by a Committee. Further, a Motion to Table a Committee Amendment having priority and so forth, I don't... I don't know where our rules, if they do, provide the basis for Representative Homer's Motion."

Vinson: "Is that Motion in writing?"

Speaker Matijevich: "Yes, it is."

Vinson: "Verification of the Affirmative."

Speaker Matijevich: "Yes, I know you'd ask for that. On this question, there are 62 'ayes', 46 'nos', and there's been a request for a verification. Representative Homer asks for a Poll of the Absentees. Brookins, for what purpose?"

Brookins: "Leave to be verified."

Homer: "Mr. Speaker, I would move at this time that the fiscal note request is inapplicable."

Speaker Matijevich: "Representative Currie, on Amendment #1."

Currie: "Thank you, Mr. Speaker and Members of the House. The

today. We can't hear you. Sneak up to that mike."

Currie: "I think there is... There is a request for a fiscal note. My understanding is that the Department of Commerce and Community Affairs is bringing it over at this very moment. I wonder if the Chair would permit us to come back to this Bill if the fiscal note does turn up within the next several minutes so that we can move it to Third."

Speaker Matijeich: "Alright. Well, we'll hold it and see if the Department complies."

Currie: "Thank you."

Speaker Matijeich: "Thank you. The next Bill is Senate Bill 972, Representative Giorgi. Are you on the floor, Representative Giorgi? Take it out of the record for a moment. Run it. Call the Bill."

Clerk O'Brien: "Senate Bill 133. This Bill has been read a second time previously. A fiscal note is filed."

Speaker Matijevich: "Third Reading. Representative Johnson, for what purpose do you rise?"

Johnson: "Well, you went over both 991 and 995, the principle and only House Sponsor which are Representative Tate, and indicated in both cases that he wanted them out of the record, and he's indicated to me that he wanted the Bills called."

Speaker Matijevich: "Well, I'm going by what my Parliamentarian told me."

Johnson: "Well, it would be nice to go by what the Sponsor tells you. They control the Bills."

Speaker Matijevich: "We'll hold for a second while the Parliamentarian communicates to your counsel. With the leave of the House, we're going to return back to Senate Bill 133, because there were Amendments... further Amendments offered, unbeknownst to the Chair. On Senate Bill 133, further Amendments? Mr... Representative Vinson, for what purpose do you rise?"

Vinson: "Mr. Speaker, as I understand the situation, you skipped 991 and 995, which are on the Calendar. You're going down the Calendar in numerical order. You... You are obligated under the rules to call those Bills. Now, apparently you're skipping that because it's a Republican Sponsor, just like you rule an Amendment's nongermane because they're offered by a Republican Sponsor. Now, why are you doing this? The Chair's operated reasonably well so far in this Session, and now today, you're choosing to operate it

HOUSE OF REPRESENTATIVES

in a totally partisan fashion. And that's not right, and you know it's not right."

Speaker Matijevich: "Representative Vinson, I can't tell you in any more clear terms. My information was that the Sponsor had communicated to Representative Cullerton that he wished the Bill out of the record. That's what I said. Secondly, he was not on the floor, so I think the Chair was... Oh, I didn't see him in back... in all those books. Well, let me... let me proceed. When I said 'The Sponsor wishes the Bill out of the record.', he did not jump up or anything, so I thought my information was correct. That's all I can say. Let's do this. If the Sponsor wishes the Bill called, we're going to call it. Let's proceed, in order, back to Senate Bill 133, because we mistakenly moved that Bill to Third, and I'll get back to 991. Alright? Senate Bill 133, further Amendments."

Clerk O'Brien: "Floor Amendment #2, Tuerk, amends Senate Bill 133 as amended, by deleting Section 8 of the Bill and by renumbering Section 9 as Section 8."

Speaker Matijevich: "Representative Tuerk, on Amendment #2."

Tuerk: "Mr. Speaker and Members of the House, what this Amendment does is makes the State's Mandate Act applicable to the Bill. As you know, the 'Buy America' concept is going to be one that costs local government considerable money, and we're mandating at this level what local government's burden would be, relative to the enactment of the law. So, really, what I'm attempting to do here, is saying as long as the state does mandate such action, that it pays for it, and that's what this Amendment does. And I would move for the adoption."

Speaker Matijevich: "Representative Tuerk moves for the adoption. Representative Cullerton, for what purpose do you rise?"

Cullerton: "Mr. Speaker, has the Amendment been printed and

Speaker Matijevich: "Has the Amendment been printed and distributed? It has not. What's the Sponsor's wish? Representative Panayotovich."

Panayotovich: "I'd like this Amendment tabled if it hasn't been printed and distributed."

Speaker Matijevich: "Representative Panayotovich moves to table Amendment #2. Those in favor signify by saying 'aye', opposed 'nay'. Those in favor signify by voting 'aye', those opposed by voting 'no'. Have all voted... Have all voted who wish? The Clerk will take the record. On this question, there are 59 voting... Representative Tuerk, for what purpose do you rise?"

Tuerk: "Well, Mr. Speaker, I would ask you to inquire of the Clerk's Office what the delay is in getting Amendments printed and distributed, for the simple reason that this was filed about an hour ago, and it would seem to me that that's ample time to have a simple Amendment printed and distributed."

Speaker Matijevich: "Vitek, 'aye'. My information is that the Amendment was filed about 15 minutes ago with about 20 other Amendments. Representative Vinson, for what purpose do you rise?"

Vinson: "I don't."

Speaker Matijevich: "Alright. The Clerk will take the record. On this question, there are 59 'ayes', 48 'nays', and the Motion prevails. And the Amendment #2 is tabled. Further Amendments?"

Clerk O'Brien: "Floor Amendment #3, Ropp."

Speaker Matijevich: "Those in favor of the Motion to table Amendment #3 signify by voting 'aye', those opposed, by voting 'no'. Representative Tuerk - his light is on, but I don't think he's seeking recognition. All in favor... the Clerk will take the record. On this question, there are 64 'ayes', 46 'nays', and the Motion prevails. And Amendment #3 is tabled. Representative Ropp, for what purpose do you rise?"

Ropp: "Yes, Mr. Speaker, just as a Point of Order, this is my Amendment and everything's happening and I haven't been able to say one word. I mean, do I not even get to say 'Mr. Speaker'?"

Speaker Matijevich: "You said it, and you did it in a nice way, too, Gordy. You want any more to say, you can explain your vote, Representative."

Ropp: "Well, yes, I'll be happy to explain my vote."

Speaker Matijevich: "Go ahead."

Ropp: "We've talked about this issue a number of times, and I've been able to glean some very important facts about what we're attempting to do here. We're attempting to prevent the furtherance of other states saying that we will not purchase foreign commodities, because what's going to happen one of these days is that this foreign entity is going to say, 'Okay, that's all, United States. We don't need your corn, we don't need your Caterpillar tractors.' For those who think this is a Bill that is helping put jobs back to work, let me just assure you that every time we export one billion dollars - one billion dollars of any

commodity that we produce in this country or in Illinois - we are providing jobs for 40,000 people - 40,000 people - and I'm saying to you that every time we eliminate the potential exports of a billion, you're cutting 40,000 jobs, 40,000 voters, 40,000 families, 40,000 breadwinners. And I say to you, this Amendment would help to prevent the loss of 40,000 jobs in this country."

Speaker Matijevich: "Representative Tuerk, one minute to explain his vote."

Tuerk: "No, I don't want to explain my vote. I just want to make a Point of Order and make it clear to the House that I have no aspersions to cast toward the Clerk's Office; however, when it says that it... the Amendments were filed 15 minutes ago, that's totally in error. And I want the record to show that these Amendments were filed approximately 12:15 and there was ample time to have the Amendments printed and distributed."

Speaker Matijevich: "Representative Friedrich... Friedrich, for what purpose do you rise?"

Friedrich: "Mr. Speaker, would you..."

Speaker Matijevich: "Oh, I'm sorry. I didn't see the Minority Leader's light was on. Representative Daniels, you want to... I'll call on you right after this. Representative Daniels."

Daniels: "Mr. Speaker, I would make the following request, that you hold the House in recess until such time as all Amendments that have been filed are printed and distributed. You have tabled four Republican Amendments. We don't think this is the way to go, and if you want us to take appropriate action, we'll be prepared to do so. So, either recess the House, hold it until the Amendments are ready to be acted upon by this House."

Speaker Matijevich: "Are there any more Amendments on this Bill,

Clerk O'Brien: "No further Amendments."

Speaker Matijevich: "In response to you, Representative Daniels, we only have a little more business. We're going to try to comply with Senate Bill 991 for your Member, Representative Tate, and then there's one other Bill where a fiscal note has been filed. And then I believe we're going to be adjourning; so, we're going to do better than recess. We're going to adjourn. Representative Vinson, for what purpose do you rise?"

Vinson: "Would you recognize Mr. Friedrich, please."

Speaker Matijevich: "Sure will, I was going to. Representative Friedrich."

Friedrich: "Mr. Speaker, I would last... like to ask for an immediate recess for the purpose of a Republican Conference in room 118."

Speaker Matijevich: "As soon as this Roll Call's finished, we can do that. On this, there are 64 'ayes', 46 'nays', and the Motion prevails. And Amendment #3 is tabled. Further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Matijevich: "Third Reading. Now, Representative Friedrich, is your request for the Conference now, because your Member has a Bill coming up. Do you want to do that now, or...?"

Friedrich: "Yes, Sir. Yes, Sir."
