83RD GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

Speaker McPike: "House will come to order. The House will come to order. The Members will be in their seats. The chaplain for today will be the Reverend John C. Ferguson, Jr., Pastor of Hartzell Memorial United Methodist Church of Chicago. Reverend Ferguson is a guest of Representative Carol Braun. Will the guests in the gallery please rise to join us in the invocation?"

Reverend Ferguson: "In the name of our God, who created us and loves us, I call this chamber into holy silence. Oh, Lord, our God, how excellent is Thy name in all the earth. Before the mountains were brought forth or ever thou hast formed the earth and the world, from everlasting to everlasting, Thou art God. We pause now at this noon hour to give you praise and thanksgiving. We praise you because we believe you are the maker and creator of all that is, and because you are the sustainer of all life forms, and because you have equipped mankind for life in this world and in the next. And, therefore, in our praise to you, we pray secretly in our hearts and openly in the congregation that Thy kingdom may come on earth as it is in Heaven. We come to this moment with a deep consciousness of all that you have done for us, in us and through us. We have not suffered hunger or thirst without having a bountiful supply of food and drink. We have not known exposure without having shelter. And when we have suffered from sicknesses and sorrows, from grief and pain, we have not suffered alone. Your grace has sustained us. And thus, for the gift of life and for the wonder of your love, we say, 'Thank you, Lord.' And now, God, most high, we invoke your blessings upon this Legislative Body, which comes to new beginnings in its deliberations for the welfare of the people of the State of Illinois. At a time when religious

prophesies seek divine fulfilment, we are confronted with wars and rumours of wars, with hunger and famine, with earthquakes and fire, with accidents and with crime. We are confronted with a vast array of evils and human destruction. We need you, Father, to save us and your world. We pray, therefore, that you will guide us this day by the power of your divine presence, that every thought expressed or held within the imaginations of our minds may be directed toward your people's good. May the decisions made by this Body bear the marks of justice and peace, perfect holy compassion by love and good will. Let nothing be said or done which will deny the rights and privileges guaranteed to all citizens. Grant us, Oh, God, the wisdom and the will to do right and to right the wrongs in our society, to support the moral, ethical and religious principles upon which our nation stands. And grant us that the wisdom which we seek may unify us in our diversity, may unify us in harmony and in strife, and as we speak in one common tongue, so now let us now share one common spirit and dedicate all that we are to the coming of a better world. All glory, laud and honor be unto our God forever and forever. Amen."

Speaker McPike: "We will be led in the Pledge of Allegiance by Representative Ropp."

Ropp: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

Speaker McPike: "Roll Call for attendance. 108 Members having answered the Roll Call; a quorum is present. Representative Matijevich on excused absences."

Matijevich: "Yes, Mr. Speaker, let the record show that excused absences on this side of the aisle are Sylvester Rhem, attending a funeral, Ray Christensen, illness in the

This allows the Director of Labor to issue blanket approval for certain job retraining courses rather than approving participation by unemployment beneficiaries in such courses on a case by case basis. Very simple Amendment. I urge its adoption."

Speaker McPike: "Gentleman moves for the adoption of Amendment #1. On that, the Gentleman from DeWitt, Representative Vinson."

Vinson: "Will the Sponsor yield for a question?"

Speaker McPike: "He will."

Vinson: "Representative, in its current form, as I understand it, Senate Bill 42 is a Bill that has been signed off on by both the business community and labor. Now, you are offering an Amendment to it. Does that Amendment in any fashion affect the Agreed Bill nature of Senate Bill 42?"

existing in Chicago and I didn't feel that we needed any
more."

Vinson: "Mr. Speaker, Ladies and Gentlemen of the House, I think
in this particular case I rise to oppose the Gentleman's
Amendment. What's good for Chicago, what's good for

to have the same system of elections and for those reasons,
I oppose the Amendment and would ask for a Roll Call."

Speaker McPike: "Representative Cullerton on Amendment #1."

Cullerton: "Mr. Speaker, I rise in support of the Gentleman's Amendment. There is an absolute direct relationship between this Amendment and the current practices of voting in the state. The whole purpose of cluster precincts is to aid rural areas, or, in the case of DuPage County, to make it easier to have only Republican judges be in a polling place. That is the purpose of a cluster precinct. It's not to be confused with a number of different precincts being in one location. In Chicago there's...frequently, there's...might be four precincts voting from one address, but they are...they're separate panels of judges for each precinct. What the cluster precincts involve are a number of judges all combined from a number of precincts in one location. There is absolutely no need to have cluster precincts in an urban area. I can't speak in favor of the Bill. The Bill is not on that I think is a particularly good one, but if it's going to pass, it surely should not apply to an urban area such as Chicago where there is absolutely no need for cluster precincts. So it's not just a situation where Chicago doesn't like to be included in a particular provision of the Election Code. There is a functional reason why Chicago should not be included in this particular Bill, and so, therefore, I would ask for your support for the Amendment."

Speaker McPike: "Representative Taylor to close."

Taylor: "Thank you, Mr. Speaker. I think Representative Cullerton has explained it quite well. I move for the adoption of Amendment #1 to Senate Bill 500."

Speaker McPike: "The Gentleman has moved for the adoption of Amendment #1. All those in favor signify by saying 'aye'. The Gentleman has moved for the adoption of Amendment #1. All that...all those in favor signify by voting 'aye',

Steczo: "Evidently, Representative Piel, it addresses a problem that Representative Saltsman is having in, I believe, it's Peoria County. Traditionally, I believe the Peoria County Board or so has made these particular grants, however, there has been a State's Attorney opinion from that area, that indicates borrowing a provision in state law that it's impermissible. So, this is an attempt just to make what is traditionally been happening allowable and clarifying the law."

Piel: "It says, or any other monies available. Where is the money for these grants coming from?"

Steczo: "Well, the Amendment indicates federal law, state law, or perhaps any other local revenue that they generates."

Piel: "Do you know is Representative Saltsman planning on, you know, putting through an appropriation Amendment for this..."

Steczo: "This is permissible. This is permissible. If the County were to receive federal dollars, if the County were to receive state dollars, if the County wishes to use their own... their own funds to do that, they could just permissibly make these grants to the various tourism bureau. So, there won't be the state appropriation, because this is permissive upon the counties to be able to do that."

Speaker Greiman: "Excuse me, Mr. Ewing. The Gentleman from Cook, for what purpose do you rise, Mr. Cullerton?"

Cullerton: "Mr. Speaker, I believe that Amendment #1 is out of the order. I would ask the Parliamentarian to look to see if it is out of order or not."

Speaker Greiman: "We'll examine it. The Gentleman from Cook is correct. The Amendment is out of order. Mr. Ewing."

Ewing: "Well, Mr. Speaker, I am not at all happy about this. The Gentleman gets up and makes just a little whispered comment, and I suppose he sent his henchman up there, and you ruled it out of order. Now, let's have a reason."

Speaker Greiman: "Alright, I will give you a reason, Mr. Ewing. Mr. Ewing, on page five of the Amendment, there is reference that on line seven, one, the character one is deleted and inserted in lieu thereof is the number two. That would mean that it would be an act approved on September 7, in the year 2979, probably that's in error. Also, there is a reference on line eight, it says by inserting after line nine, the Bill only goes up to line eight, so there is no line nine. Accordingly, I will continue to rule it out of order, Sir. Yes, The Gentleman from DeWitt, Mr. Vinson."

Vinson: "Mr. Speaker, you just stated that it was out of order,

HOUSE OF REPRESENTATIVES

because of what was on line seven of page five of the Amendment, and you related too, a one and a two. Line seven of page five of the Amendment only has one word on it, and the word is an, so I would request that you reconsider your ruling."

Speaker Greiman: "Well, Mr. Vinson, what I said, if you have... Do you have the Amendment? Has that been printed, Mr. Piel? Oh, yes, so you would have the Amendment, Mr. Vinson. And that says on line six of page five, it says in line seven which refers of course to the Bill, and I assume you understand that our Amendments do refer to the Bill, and it changes a digit of one to two, and then it on line eight of that Amendment at page five, it proceeds to state the words, by inserting after line nine, there is no line nine. So, I will continue to rule it out of order. If you have a Motion, you may certainly make it. Now, the Gentleman from Livingston, Mr. Ewing."

Ewing: "Mr. Speaker, it is... Mr. Speaker, if your side of the aisle chooses to play games with this Bill, take it out of the record, let them talk to me if they want to call this Bill and put their Amendment on it. Do you hear me? Take it out of the record, please."

Speaker Greiman: "Well, excuse me, you have offered an Amendment, and you're not the Sponsor. Mr. Piel, the Gentleman from Cook."

Piel: "Question of the Chair, Mr. Speaker. Are we setting a precedent here? From now on, in other words, if any Member on either side of the aisle, all we have to do from now on is just state to the Parliamentarian, 'Would you check and see if this Amendment is, you know, germane, or if this Amendment is out of order, etc., etc., without stating specific parts'. Every time we have an Amendment on this side where we question germaneness, you ask, or if it's in

proper order, we have to give you the line, the page, etc., etc. And I must admit, now the Parliamentarian is a very fast reader, when he can read through the whole Bill and the whole Amendment in thirty seconds to get all the way to page five. And I know, Mr. Cullerton didn't call him or anything like this, because, you know, that wouldn't happen. But is this the precedent you're saying that all week, from now on, need to say is whether this Amendment is in order to the Chair, and they will rule it and..."

Speaker Greiman: "Alright, that's a rhetorical question, and I certainly appreciate it. The Gentleman from Livingston, Mr. Ewing, for the purpose of a Motion.

Ewing: "Mr. Speaker, I am the Sponsor of the Bill."

Speaker Greiman: "Well, our... our..."

Ewing: "That... That has been changed. It is Ewing - Hastert, and I asked to have the Bill taken out of the record."

Speaker Greiman: "Mr. Ewing, I'm looking at the Calendar, it says, Hastert..."

Ewing: "Well you check with the Clerk."

Speaker Greiman: "Just a moment, Sir."

Ewing: "Check with the Clerk."

Speaker Greiman: "If that's what it provides then... Okay, it is Ewing - Hastert."

Ewing: "Will you take it out of the record then."

Speaker Greiman: "The Gentleman has moved for the adoption of Amendment #1 to Senate Bill 1319. Is there any discussion? The Gentleman from Champaign, Mr. Johnson."

Johnson: "Just so we understand what we're voting on. The Amendment would reduce, in effect, in half, reduce to have the original amount the maximum tax that the municipality can levy for these purposes. Is that right, Representative Giorgi? Okay."
