

STATE OF ILLINOIS
94th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

10th Legislative Day

March 5, 1985

Speaker McPike: "The House will come to order. The House will come to order. Members will be in their seats. The Chaplain for today will be the Reverend Samuel Hale, Pastor of Zion Baptist Church of Springfield. Reverend Hale is a guest of Representative Mike Curran. Will the guests in the balcony please rise and join us in the invocation?"

Reverend Hale: "Let us pray. Eternal Father, Thou who was, who is, who shall be, Thou who causes to be, Thou who permits all that exists, Thou who allows us even in the midst of our frailty the opportunity to move beyond our inequities. We thank You for this day. We thank You, eternal Father, for allowing us the privilege to live, to awaken this morning and to see this beautiful day, to be a part of the life that You alone can give and can take away. Thank You, Lord, for Your patience with us, for putting up with us. We thank You for just being the God that Thou art. We pray now that as we bow our heads and as this august Assembly assumes the responsibility of thinking, and planning and deciding for the masses of the people of this state, yea, Thy children, we pray eternal Father that Thou will give them the heart and the mind to think in ways pleasing in Thy sight. Grant unto each one of us the understanding and conviction that we, too, must stand before Thee and give an account of all that we have said, and done, and thought and felt, yea, have even failed to do. Make us more conscious of our obligations not only to the people whom we represent but to Thee, the God who allows us to be. Bless this great state, and bless us, not because we deserve it, but because it is Your will for us. Grant, eternal Father, that we might be able to move beyond ourselves so that we can move closer to You, that all that is said and done might be pleasing in Thy sight, that this great state, and the

decisions, and the deliberations and the actions that come forth from this Body might manifest the fact that You are still in control of everything and that all that we do is accountable unto Thee. Touch us now. Bind our hearts and minds closer together so that we can stand and represent the democracy to which we have committed ourselves to represent and uphold. Bless this Body individually and collectively, and grant that Thy name might get the praise out of all that is done. For in the name of Him who causes to be, of Him to whom we must finally appear in the great reckoning day, we pray. Amen."
