Speaker Greiman: "The hour of 12:00 having arrived, the House will be in Session. Members will be at their seats. The Chaplain for today will be the Reverend Stanley Haxton, Pastor, Jerome United Methodist Church of Springfield. Reverend Haxton, is the guest of Representative Karen Hasara. The guests in the gallery may wish to rise and join us in the invocation. Reverend Haxton."

Reverend Haxton: "Let us pray. Almighty God, the Members of this House stand before you to acknowledge Your presence in this chamber. We ask for them that they may be mindful of Your presence throughout this session. And that You guide them in their thinking. And that Your Spirit set the tone of their deliberations. By Your grace, through the will of the people of this State, these present have been chosen to bear the Legislative burden of the governance of the people of Illinois. We ask that this power, we acknowledge that this power comes from You as part of Your plan for creation. And we ask that they be given the grace to exercise that power, with patience and faithfulness, not as masters, but as servants. Help them to achieve and maintain that balance between Your precious gift of personal human freedom and Your unchangeable command that we help to bear one another's burdens and so fulfill Your law, that is above all laws. Let their decisions not be determined through self-interest or narrow partisanship. But through an impassioned longing to see justice prevail. To ensure the general welfare, and to secure the blessings of Your peace and wholeness for us and for all people everywhere. Amen."

Speaker Greiman: "The Lady from Kane, Ms. Doederlein, to lead us in the Pledge of the Flag."

been assigned for that same time. Are you going to make a designation as to whether or not they are going to meet simultaneously, or not meet, or deferred, or what's going to happen?"

Speaker Greiman: "I think we'll have to get back to you on that, before the day is out. Mr. Ryder, the Gentleman from Morgan, for what purpose do you seek recognition?"

Ryder: "For a point of personal privilege, please. I have the unfortunate opportunity to inform the House that a fellow... or a former Member passed away this past weekend, Tom Rose, who represented the 97th District, passed away of cancer. Arrangements and burial's have already taken place, and I apologize for being tardy in notifying the House. At the appropriate time we will have a Death Resolution, but I just thought for the purposes of today, that I would notify the House of his passing. Thank you."

Speaker Greiman: "Thank you. Many of us who served with Tom Rose remember him fondly. We thank you."

Ryder: "Yes, as do we. Thank you."

Speaker Greiman: "On page two of the Calendar, on the Order of House Bill Second Reading Short Debate Calendar, appears House Bill 47. Mr. Stange. Out of the record. Speaker Greiman: "Do you wish to proceed with it now? Proceed, with it, Sir."

Dunn: "Well just briefly, Mr. Speaker, Ladies and Gentlemen of the House. I would like to express my gratitude to a whoever is responsible for these programs. The NCAA Tournament in New Orleans was only completed Monday evening and I don't know who rushed down there and got the Syracuse University Brochures and recycled them to be used as covers for our Rule Book here in the House. But in this day and age when we are really concerned about saving money, I think it is just wonderful, that somebody drove down to New Orleans and got these blue and orange books to be used as covers for our Rule Books. And I for one want to express my gratitude to whoever is responsible for this wonderful act on behalf of the people of not only this Body, but the entire state of Illinois. It's just a wonderful thing, and I hope we all are grateful for the effort that went into this. Thank you."

Speaker Greiman: "Thank you, Mr. Dunn, for interrupting the Order of Business with that issue. Mr. Clerk, would you read the House Bill 265, please."

Clerk O'Brien: "House Bill 265, a Bill for an Act to amend Sections of the County Historical Museum District Act. Second Reading of the Bill. No Committee Amendments."

Speaker Greiman: "Are there any Floor Amendments?"

Speaker Greiman: "Are there any Floor Amendments?"

Clerk O'Brien: "Floor Amendment #1, offered by Representative Phelps."

Speaker Greiman: "The Gentleman from Saline, Mr. Phelps, on Amendment #1."

Phelps: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. Actually have two Amendments here, but Amendment #1 is actually just cleanup language and then the Amendment #2, merits further explanation. Appreciate support."

Speaker Greiman: "Yes. The Gentleman from Saline, Mr. Phelps, moves for the adoption of Amendment #1 to House Bill 390. And on that is there any discussion? The Gentleman from DuPage, Mr. McCracken."

McCracken: "Will the Sponsor yield for a question?"

Speaker Greiman: "Indicates he will yield for a question."

McCracken: "Representative Phelps, are you referring to the Amendment which makes a technical correction requested by General Motors?"

Phelps: "No, that's #2, Representative McCracken."

McCracken: "Alright, will you explain what a Floor Amendment #1 does?"

Phelps: "It is just really technical and does not change the substance of the language it a... I think it strikes a line... or yes, it actually just strikes a... the line 13, it changes 'at' to 'on' prior to the introduction date and strikes 'prior to the introduction date' in line 16 or 15."

McCracken: "So the effect of this is more than technical. The effect is that, this will not require the manufacturer to put the ID tag on at the factory, it only has to be done prior to the sale or the resale. Is that right?"

Phelps: "No, prior to delivery."

McCracken: "Prior to delivery, so it can be done by the dealer. Is that it?"

STATE OF ILLINOIS
85th GENERAL ASSEMBLY

Phelps: "No, by the manufacturer, prior to the delivery. It is still the manufacturer's responsibility."

McCracken: "Alright, so this doesn't take away the manufacturer's responsibility, but it makes the effect of it limited? Is that correct? I mean, at what point in time, if this Bill becomes law and this Amendment is on it, does the responsibility arise?"

Phelps: "In Amendment 2, I will probably have to explain this, but the original intent is still... on the Bill is to...the effective date is all vehicles manufactured after December 87'. It applies to those vehicles that are produced after that date. So this didn't affect that at all. We just changed the word 'at' to 'on' and struck 'prior to introduction date' in line 15."

McCracken: "And the effect is to relate it only to new models."

Phelps: "Yes."

McCracken: "And not prior to introduction of new models."

Phelps: "Right."

McCracken: "Okay, thank you."

Phelps: "Thank you."

Speaker Greiman: "Any further discussion? There being none. The question is, 'Shall Amendment 21, be adopted?' Those in favor say 'aye', those opposed 'no'. In the opinion of the Chair, the 'ayes' have it. And Amendment 21, is adopted. Further Amendments."

Clerk O'Brien: "Floor Amendment 22, offered by Representative Phelps."

Speaker Greiman: "The Gentleman from Saline, Mr. Phelps, on Amendment 22."

Phelps: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. This Amendment actually corrects something, that was brought to our attention by General Motors. That after it cleared out of Committee, unanimously, we felt that we

could cooperate in trying to clarify that the light commercial trucks were not intended to be a part of this Bill. We are talking about the general public that buy masses of the light weight pickup trucks so we didn't feel it would be necessary to include the light weight commercial trucks so by raising from eight thousand to eighty-five hundred would clarify that. So we decided to do it."

Speaker Greiman: "The Gentleman from Saline, Mr. Phelps, moves for the adoption of Amendment 2 to House Bill 390. And on that, is there any discussion? The Gentleman from DuPage, Mr. McCracken."

McCracken: "Will the sponsor yield for a question?"

Speaker Greiman: "Indicates he will yield for questions."

McCracken: "Mr. Phelps, this raises the weight of the trucks covered under this Bill from eight thousand to eighty five hundred pounds?"

Phelps: "Yes, it does."

McCracken: "And what is the effect of that? Does that include or exclude more trucks?"

Phelps: "That excludes the trucks that we do not intend to include in the beginning and General Motors said that there were light commercial trucks, that possibly could be included unless we lifted the weight to 8500. It's rating rather than weight, by the way."

McCracken: "Yeah, but isn't... is your intent to include more trucks than the original Bill includes or less... or fewer trucks, fewer models?"

Phelps: "It would be fewer kinds of... fewer models because weight is probably the wrong term to use, and I was searching for the word, and we found it. Was weight rating of 8500 pounds or less, a gross vehicle weight rating not weight gross weight."

STATE OF ILLINOIS

McCracken: "So the distinction is between 'gross weight' and 'weight rating'."

Phelps: "Right".

McCracken: "And even though this appears to be more inclusive by reason of that distinction, it is, in fact, less inclusive?"

Phelps: "Right. It is less burdensome on the manufacturers to include the pricing for a lesser mass produced commercial type vehicle."

McCracken: "So, now it will be limited to what are truly passenger trucks as opposed to commercial?"

Phelps: "Yes."

McCracken: "Okay. And General Motors requested that. Is that right?"

Phelps: "Yes, they did."

McCracken: "Okay, thank you."

Phelps: "Thank you."

Speaker Greiman: "Further discussion? There being none. The question is 'Shall Amendment 02 be adopted?' All those in favor signify by saying 'aye' those opposed 'no'. In the opinion of the Chair, the 'ayes' have it and the Amendment is 'adopted'. Are there further Amendments?"

Speaker Greiman: "The Gentleman from Cook, Mr. Terzich, moves for the adoption of Amendment 01 to House Bill 396. And on that, the Gentleman from DuPage, Mr. McCracken."

McCracken: "Parliamentary inquiry, Mr. Speaker. Has the Amendment been printed and distributed?"

Do you wish to take that out of the record? On the Order of House Bills Second Reading Short Debate appears House Bill 406. Out of the record. On the Order of House Bills... Cullerton: "No, I think it's clear that the Amendment changes the Bill dramatically. Whether the Sponsor is in favor of that or not should be up to him. I just want to make the Members aware it changes 'shall' to 'may', which normally, but not always, is a substantive Amendment."

Speaker Greiman: "The Gentleman from Cook, Mr. Shaw."

Shaw: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. I think this is... no one has discussed this Amendment with me, and even if they had, I think the Amendment virtually guts the Bill, and I would like to defeat the Amendment."

Speaker Greiman: "Are there any Motions with respect to Amendment #1?"

Clerk O'Brien: "No Motions filed."

Speaker Greiman: "Are there any Floor Amendments?"

Clerk O'Brien: "No Floor Amendments."

Speaker Greiman: "Third Reading. On the Order of House Bills Second Reading appears House Bill 147. Mr. Ropp. Mr. Clerk, read the Bill."

Clerk O'Brien: "House Bill 147, a Bill for an Act to amend Sections of the Unified Code of Corrections. Second Reading of the Bill. No Committee Amendments."

Speaker Greiman: "Are there any Floor Amendments?"

Clerk O'Brien: "Floor Amendment #1, offered by Representatives Slater and Ropp."

Speaker Greiman: "Yes, Representative Slater, on Amendment #1."

Slater: "Thank you, Mr. Speaker. Amendment #1, is simply a...an Amendment which was proper, at the request of the Judiciary II Committee, it changes the word 'shall' to 'may'. I move it's adoption."

Speaker Greiman: "The Gentleman from McDonough, Mr. Slater, moves the adoption of Amendment #1 to House Bill 147. On this, is there any discussion? The Gentleman from DuPage, Mr. McCracken."

McCracken: "Will the Sponsor yield?"

Speaker Greiman: "He indicates he will yield for questions."

McCracken: "The effect of this Bill would be to make the death

penalty discretionary, rather than mandatory. Is that the effect?"

Slater: "No Sir, it has nothing to do with the death penalty. In cases where there was not a death penalty... in cases where a death penalty was not indeed rendered by the court, the court at the present time, can sentence the offender only to 40 years imprisonment. What this would allow is that the court could extend that sentence to an additional 40 years. So allowing for a potential 80 year sentence."

McCracken: "Okay, I was under the impression that a... well, maybe this is not appropriate. Do you know whether or not this offense, constantly or currently would be subject to a natural life penalty? Would that be an available option if the person were found guilty of this offense?"

Slater: "I don't believe so. I think, under the present statutory scheme, it's either death or 40 years imprisonment. At least, that's the incident that we had related to us in Committee, by Representative Ropp's witnesses."

Speaker Greiman: "The Gentleman from..."

McCracken: "Excuse me, I'm sorry. I'm sorry."

Speaker Greiman: "Proceed, Sir."

McCracken: "I must confess, I don't know if natural life is available here, but I believe it is. And, I'd like to check with the Sponsor or the Sponsor of the Bill, but we can do that on Third Reading. I think natural life, may be available, and if so, I think this Amendment would not accomplish what you want. But I'll hold that for Third Reading. Thank you."

Speaker Greiman: "Is there further discussion? The Gentleman from Fulton, Mr. Homer."

Homer: "Thank you, Mr. Speaker. To clarify the last speaker's question. As I read the statute, where a defendant is

charged with a murder of a police officer or fireman, he may get the death penalty under a...Section 9-1, which is part of the murder statute. He may also be sentenced to natural life, pursuant to Section 1005-8-1(a)1, of the sentencing code. But he may not with that factor alone be sentenced to an extended term. And the Bill that Representative Ropp introduced said that there would be a mandatory extended term, where the victim was a police officer or fireman. Representative Slater's Amendment says the Court may sentence that offender to an extended term. So, I think what it's doing is allowing all of the options. It's allowing the death penalty, natural life, extended term or no extended term, with the passage of the Amendment. So I think it is in order and I would a... I would agree with the Sponsor to Amendment #1."

Speaker Greiman: "Further discussion? There being none, Mr. Slater, to close."

Slater: "I urge its adoption."

Speaker Greiman: "The question is, 'Shall Amendment #1 be adopted.' Those in favor say 'aye' those opposed 'no'. In the opinion of the Chair, the 'ayes' have it. And Amendment #1, is 'adopted'. Further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Greiman: "Third Reading. On the Order of House Bills Second Reading, appears House Bill 176. Out of the record. On that Order of Business, appears House Bill 177. Ms. Wojcik. Oh, okay. Mr. Clerk, read the Bill."

Clerk O'Brien: "House Bill 177, a Bill for an Act to amend Sections of the Charitable Games Act. Second Reading of the Bill. Amendments #1 and 2, were adopted in Committee."

Speaker Greiman: "Are there Motions, with respect to Amendments #1 and 2?"

Clerk O'Brien: "No Motions filed."

Speaker Greiman: "Mr. Cullerton, for what purpose do you seek recognition?"

Cullerton: "Yes, Mr. Speaker, I wanted to ask the Sponsor a question... a procedural question, if I could, concerning this Bill. Rep... Representative McCracken, apparently is going to object. I just had a conversation with Representative Wojcik. I just wanted to put it on the record, as to what that conversation was about. So I don't know that there is any need to object, I just wanted to verify an understanding that I was planning on filing a Fiscal Note with regard to this Bill. I indicated to Representative Wojcik that I would not file the Note, and the Bill could go to Third Reading as long as there is an understanding that she would not call the Bill on Third Reading until a similar Bill, dealing with the same subject matter, also reached Third Reading, and the two could be called at the same time. I believe that she agreed to that. I just wanted to verify that."

Speaker Greiman: "Ms. Wojcik."

Wojcik: "Representative, I think you know that I am a woman of my word. I believe that last year you asked me the same question, and I certainly intend on keeping my word."

Cullerton: "I know that you are a woman of your word, I just want to, perhaps, to have you tell Representative McCracken what the agreement was."

Wojcik: "Well, personally, I have to tell you that this Bill is very important to me. For the past five years, I have been trying to get this piece of legislation through, and I would be more than happy to work with you on anything."

Speaker Greiman: "Well alright. Excuse me. Apparently, Mr. Cullerton has stated his understanding. Ms. Wojcik has agreed. And on that, are there any further Floor Amendments, Mr. Clerk?"

Clerk O'Brien: "Floor Amendment 23, offered by Representative Wojcik."

Speaker O'Brien: "The Lady from Cook, Ms. Wojcik, on Amendment 23."

Wojcik: "Thank you, Mr. Speaker and Members of the House. I would like to point out that when I presented this Bill in Committee and we had the two Amendments accepted, I was given the wrong impression that Senate... Section 501-(c)(6) was for the JCs. That's erroneous and so this Amendment just eliminates Section 501-(c)(6)."

Speaker Greiman: "The Lady from Cook, moves for the adoption of Amendment #3 to House Bill 177. And on that, the Gentleman from Cook, Mr. Giglio."

Giglio: "Will the Sponsor yield?"

Speaker Greiman: "Indicates she'll yield for questions."

Giglio: "Representative Wojcik, now with the Amendment, with that Amendment on the others, could you explain what numbers the Bill says now that are eligible for the Las Vegas Night?"

Wojcik: "Yes, the Bill will allow 501-(c)(4) which is for Lions, JCs and the VFW; 501-(c)(8) and 501-(c)(10), which is for Fraternal Organizations, Elks, Moose, et cetera; and 501-(c)(19) which is for the American Legion and possibly other veterans groups."

Giglio: "Thank you."

Speaker Greiman: "Further discussion? There being none, the Lady from Cook, Ms. Wojcik, to close."

Wojcik: "I just ask for its favorable passage."

Speaker Greiman: "The question is, 'Shall this Amendment be adopted?' All those in favor signify by saying 'aye' those opposed 'no'. In the opinion of the Chair the 'ayes' have it. And the Amendment is adopted. Further Amendments."

nine of the Calendar appears Senate Bill 366. And a Motion with respect thereto. Mr. Bowman? Mr. Clerk, would you read the Motion?"

Clerk O'Brien: "Motion. Pursuant to Rule 77(a), I move to discharge the Committee on Appropriations II from further consideration, and move Senate Bill 366, and advance it to the Order of Second Reading."

Speaker Greiman: "The Gentleman from Cook, Mr. Bowman. On the Motion."

Bowman: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. I'm joined in this Motion by Representative Tate, the Minority Spokesman on the House Appropriations II Committee. This particular Bill is a supplemental appropriation for the Department of Rehabilitation Services. As of April 15th, the Department of Rehabilitation Services will run out of cash in their community care program. This is a program which supports disabled persons living independently at home. They have already run out of obligational authority and on the 15th of April, will run out of cash. That is why it is necessary to treat this as an emergency measure to take this extraordinary action we have already had a Subject Matter hearing in the Appropriations Committee. And, I believe action at this time is quite appropriate and desirable, and I urge your support."

Speaker Greiman: "Thank you. Does the Gentleman have leave to use the Attendance Roll Call? Mr. Bowman, your Motion, I note, provides for advance to First Legislative Day, and we wondered if you would amend your Motion to make it Second Legislative Day, and first we will adopt the Motion..."

Bowman: "Yes, that was my intent. And, if the motion is in error, I move to correct this motion."

Motion to provide for advancement to Second Legislative Day and... is there leave to amend the Motion? Mr. McCracken."

McCracken: "Speaker, we are agreeable to giving leave if the Chair will call the next Motion and give leave for that to be tabled."

Speaker Greiman: "Mr. McCracken, I don't know what your purpose is, but we don't negotiate these things quite like that."

McCracken: "We certainly do. We certainly do negotiate them."

Speaker Greiman: "Mr. Bowman...Mr. Bowman has moved that the Motion be amended to provide for Second Legislative Day. Is there objection? There being no objection the Amendment is so...the Amendment is to the Motion is adopted. On the Motion...do we have leave to use the Attendance Roll Call? Leave to use the Attendance Roll Call and to discharge Appropriations II Committee from further consideration of Senate Bill 366 and advance it to the Order of Second Reading Second Day. Thank you. Mr. Clerk, read the Bill."

Clerk O'Brien: "Senate Bill 366, a Bill for an Act making supplemental appropriations to various agencies. Second Reading of the Bill. No Committee Amendments."

Speaker Greiman: "Are there any Floor Amendments?"

Clerk O'Brien: "No Floor Amendments."

Speaker Greiman: "Third Reading. Yes, Mr. McCracken, for what purpose do you seek recognition?"

McCracken: "Thank you, Mr. Speaker. Since I was willing not to negotiate that issue, I wonder if the Chair would consider calling HR 27, that Motion for Representative Stange? Since I acted in such good faith, I know you will reciprocate."

may... On page eight on the Order of Speaker's Table, appears House Resolution 27. Mr. Clerk, House Resolution 27."

Speaker Greiman: "Yes, and on that the Gentleman...Resolution...the Gentleman from DuPage, Mr. Stange."

Stange: "Mr. Speaker, I have a Motion to table Resolution 27."

Speaker Greiman: "Mr. Stange, moves to table House Resolution 27. And on that, the Gentleman from Cook, Mr. Cullerton."

Cullerton: "Yes, would the Sponsor yield?"

Speaker Greiman: "He indicates that he will yield."

Cullerton: "Representative Stange, did you get this Resolution drafted in the Reference Bureau?"

Stange: "Yes, that is correct."

Cullerton: "You asked them to draft the Resolution?"

Stange: "Sure."

Cullerton: "And then the Resolution was assigned to a Committee?"

Stange: "That's correct."

Cullerton: "And you presented the Resolution in Committee? You appeared before the Transportation Committee?"

Speaker Greiman: "Excuse me, Mr. Cullerton. Mr. McCracken, had a point of order. State your point, Sir."

McCracken: "Under our Rules, a Motion to table is not debatable. And that's what we are on."

Speaker Greiman: "Well, that's not true. He is not debating, he is asking a question. But that's not true, anyhow."

McCracken: "The Motion has precedence, he has to have the Motion, to table heard, that has precedence over the Resolution."

Speaker Greiman: "He is discussing the Motion to table. Mr.

Cullerton, proceed."

McCracken: "...it's not debatable."

Cullerton: "Well, maybe we can clear this up. I am not here to debate it."

Speaker Greiman: "Mr. Cullerton, proceed."

Cullerton: "I have an Amendment to the Resolution and there's a deadline at the Reference Bureau to ask for a Resolution. Now if he is going to table the Bill, denying my opportunity to adopt the Amendment, I may want to go to the Reference Bureau and get my own Resolution, naming the tollway after Pate Philip file. So I just wanted to find out if he is aware of the fact that I have an Amendment and possibly he would reconsider the Motion to table? Maybe he wasn't aware that I had an Amendment. I also think it's not appropriate, since I don't believe the Minority Leader is in town today, to a try to call a... even debate an issue when the Minority Leader is not even in town. Because it directly affects the Minority Leader."

Stange: "I believe there is no debate here, and I move to table... "

Speaker Greiman: "Well, there is nothing in Rule 75 which prohibits debate. And one effect...one of the Members on your side of the aisle asking for recognition, and I will call on him. The Gentleman from Winnebago, Mr. Hallock."

Hallock: "Mr. Speaker, and Members of the House. The Member has asked to table his Resolution. It should be tabled pure and simply. It is not debatable. It shouldn't be debated. We always give Members that right. Let's table the Motion...table the Amendment."

Speaker Greiman: "Mr. Cullerton, for what purpose do you seek recognition?"

Cullerton: "Well, Mr. Speaker, maybe if I could just explain my Amendment, maybe Representative Stange would change his

mind."

Speaker Greiman: "Well, Mr. Cullerton, only if you would ask it on some recognized point of parliamentary inquiry or procedure or privilege, that might be recognizable. Otherwise, you have spoken in debate, Mr. Cullerton, and it would be improper to let you speak again."

Cullerton: "I asked a question of the Sponsor. I did not speak... "

Speaker Grieman: "Your questions are so penetrating, Mr. Cullerton, that that is the equivalent of speaking in debate. But, Mr. Cullerton, if we would take a Roll Call, the Chair would probably give you the leave to speak...to explain your vote at that time. Alright, the Gentleman from DuPage, Mr. Stange. Mr. Stange? Are you coming over to Mr. Cullerton's spot now? Are you surrendering?"

Stange: "Thank you, Mr. Speaker. Let's table, once and for all, Resolution 27. Let's move ahead."

Speaker Greiman: "Alright, the Gentleman from DuPage, Mr. Stange, has moved to table House Resolution 27. All those in favor signify by voting 'aye', those opposed vote 'no'. Mr. Cullerton, do you wish to explain your vote? I am sure that you could have leave of the Body to do that. Alright, there has been an objection, Mr. Cullerton. Mr. Stange, did you wish to explain your vote?"

Stange: "I'd like to take this Bill out of the record right now."

Speaker Greiman: "No, not at the Roll Call time, yes. Have all voted who wish? Have all voted who wish? A point of order. State your point, Sir."

McCracken: "I don't believe this should really be called a Motion and I don't believe it needs a vote, let alone a Roll Call vote."

Speaker Greiman: "One, it's a Motion and two, the Sponsor has filed it as a Motion. Have all voted who wish? Have all

On this question there are 50 voting 'aye', 62 voting 'no', 2 voting 'present'. And the Motion fails. Now, Mr. Stange, on House Resolution 27. Mr. Stange, there is an Amendment to House Resolution 27."

Stange: "Take this Resolution 27, out of the record."

Speaker Greiman: "27, out of the record. Mr. McCracken, for what purpose do you seek recognition?"

McCracken: "It is my understanding that the Chiefs of Staff had agreed to a one hour conference. Committees are starting at 2:00 this afternoon. We would ask to have a Republican Conference immediately in Room 118."

Speaker Greiman: "With respect to an earlier inquiry as to what the situation would be on the Committees for tomorrow. It is the intention to follow this schedule: The House will convene tomorrow at the hour of 9:00 a.m... 9:00 a.m. we will stand in recess at 9:30 to allow the various House Committees, which have been posted for hearing to conduct hearings at 9:30. All of the Committees have, I believe, except for one, noted of...placed posting notices for 9:00. One is at 10:00. And of course, they would be able to proceed on that. We will return for Floor Session at 11:00 o'clock, thereafter. So the Session, accordingly, will be... we will convene at 9:00. We will recess at 9:30. Committee meetings will then be held between 9:30 and 11:00, and at 11:00, the House will then return in Session. We will take the Roll, however, for the day at 9:00 a.m. So I recommend to you that you be available and here to answer the quorum call at 9:00 a.m. Mr. Leverenz, for what purpose do you seek recognition?"

Speaker Greiman: "The Gentleman asks leave of the House to waive the posting rule for House Bill 790 so the Bill may be heard tonight in Appropriations I. Is there leave to use the Attendance Roll Call? Leave is hereby granted. Mr. O'Connell for what purpose do you seek recognition?"

O'Connell: "Mr. Speaker, for purposes of clarification. The House Judiciary II Committee was scheduled to meet at 8:30 tomorrow. Rather than convene and adjourn or recess for the Floor Session, the House Judiciary II will meet at 9:30 a.m. and will go until 11:00. Meet at 9:30, not 8:30."

Speaker Greiman: "Alright, 9:30 for the House Judiciary Committee. Mr. Wolf, for what purpose do you seek recognition?"

Wolf: "Thank you, Mr. Speaker, for purposes of an announcement, the Election Law Committee meeting scheduled for 2:00 this afternoon, is cancelled."

Speaker Greiman: "Alright. The Election Law Committee is cancelled for today's meeting. Mr. Ropp, for what purpose were you seeking recognition? Mr. Ropp."
