the political subdivisions of this State on occasion have not resulted in equitable relationships between the State government and its local political subdivisions. Some of these actions have dealt in detail with the internal management of local governments, others have specified the establishment of new services and facilities without providing any new revenue sources or any financial participation by the State in meeting the additional costs; still others have specified the adoption of higher service standards without a full assessment of the impact upon local expenditures and tax rates"; and

WHEREAS, The General Assembly has on repeated occasions enacted legislation which has necessitated the expenditure of funds by local governments without a source of replacement funding therefor and which has been specifically exempted from "The State Mandates Act"; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE EIGHTY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at least six months after the adoption of this resolution, a proposition to amend Section 8 of Article IV of the Constitution to read as follows:

ARTICLE IV

Section 8. PASSAGE OF BILLS

(a) The enacting clause of the laws of this State shall be: "Be it enacted by the People of the State of Illinois, represented in the General Assembly."

(b) The General Assembly shall enact laws only by bill. Bills may originate in either house, but may be amended or rejected by the other.

(c) No bill shall become a law without the concurrence of a majority of the members elected to each house. Final passage of a bill shall be by record vote. In the Senate at the request of two

members, and in the House at the request of five members, a record vote may be taken on any other occasion. A record vote is a vote by yeas and nays on the journal.

(d) A bill shall be read by title on three different days in each house. A bill and each amendment thereto shall be reproduced and placed on the desk of each member before final passage.

Bills, except bills for appropriations and for the codification, revision or rearrangement of laws, shall be confined to one subject. Except as otherwise provided in subsection (e) (2) of this Section, appropriation bills shall be limited to the subject of appropriations.

A bill expressly amending a law shall set forth completely the sections amended.

(e) A bill which would require the expenditure by a unit of local government or school district of funds in order to implement that bill shall not become law unless either: (1) the bill passes with the concurrence of at least three-fifths of the members elected to each house or (2) the bill passes with the concurrence of a majority of the members elected to each house and the bill provides for reimbursement by the State to the unit of local government or school district of those funds necessary to implement it. A bill passed under this subsection (e) (2) shall not be subject to actions by the Governor under subsection (d) or (e) of Section 9 of Article IV of this Constitution but shall be subject to actions under subsection (a), (b) or (c) of that Section. For the purposes of this subsection (e), "unit of local government" shall have the meaning ascribed to it in Article VII, Section 1 of this Constitution.

(f) The Speaker of the House of Representatives and the President of the Senate shall sign each bill that passes both houses to certify that the procedural requirements for passage have been met.
