Speaker Giglio: "The House will come to order. The Chaplain for today will be the Reverend Carl M. Marshall, Pastor, Lake Ridge Christian Church of Paris. Reverend Marshall is a guest of Representative Mike Weaver. The guests in the gallery may rise... may wish to rise for the invocation. Reverend."

Reverend Marshall: "Shall we bow? Our Father, Jehovah, God, who as David of old proclaimed, 'Dying is the greatness and the power and the glory, the victory and the majesty. Indeed, everything that is in the heavens and the earth, dying is the dominion, O Lord, and Thou doest exalt Thyself as head over all. Into these chambers, Father, we ask that Your presence might be felt and that those who gather here might realize their responsibility of those decisions, those discussions that they hold and their effect upon lives and generations to come. Help us, Father, to praise You for this freedom to discuss and make such decisions and help us as the people to support, respect and uphold these folk who are here and who deliberate and may all be done to Your glory, in Your honor. Through Jesus we pray. Amen."

Speaker Giglio: "We will be led in the Pledge of Allegiance by Representative McGann."

McGann - et al: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Speaker Giglio: "Roll Call for Attendance. Representative Piel, are there any excused absences on your side, Sir?"

Piel: "Yes, Mr. Speaker. Would the record show that Representative Hoffman is excused today and Representative Johnson is excused for medical reasons."

Speaker Giglio: "Thank you. Representative Greiman."

Greiman: "Yes, thank you, Mr. Speaker. Let the record show that Representatives Braun and Martinez are excused by reason of their illness."

Speaker Giglio: "Let the record show that there are 114 answering 'present', 4 absent, a quorum is present and the House is ready to do business. Mr. Clerk, do we have Committee Reports? Take the record."

Clerk O'Brien: "Committee Reports. Representative Christensen..."

Speaker Giglio: "Excuse me, Mr. Clerk. Representative McCracken, for what purpose do you rise, Sir?"

McCracken: "Point of information, Mr. Speaker. We have been asking that these Subcommittees not be used as a dumping ground for legislation. Yesterday in the Insurance Committee at the appointed time there were seven Republicans present and two Democrats present. The meeting was called to order and a Motion was made by the Republican Spokesman to not send any Bills to Subcommittee, but have them considered by the full Committee. At that point, the Chairman of the Committee recessed the Committee for 50 minutes in order that enough Democrats could become... come to this meeting and at the point when they arrived, the Lady's Motion was not considered, but instead a Motion was made to send all the Bills to the Subcommittees. Now, not only are Republicans missing votes as a result of this Subcommittee and Committee procedure, but apparently Democrats can't make these meetings either and evidence of it is what happened yesterday in the Insurance Committee. Not only did we have an abuse of the Chair by recessing for 50 minutes and then not considering the Motion, but we also had Democrats who didn't even show up for the Committee meeting, 50 minutes late, apparently because they had to go to other places, because of this Subcommittee system. contend that it isn't hurting just us. It's hurting you as well. A lot of people on each side of the aisle are missing votes because of this system and we're asking again, we're asking the real Speaker to disband these Subcommittees so that people can make their Committee assignments, so that legislation can be considered in an orderly manner."

Speaker Giglio: "Thank you, Representative McCracken. Thank you very much. Committee Reports."

Clerk O'Brien: "Committee Reports. Representative Christensen, Chairman of the Committee... Speaker McPike: "Representative Brunsvold."

Brunsvold: "Purpose of announcement, Mr. Speaker."

Speaker McPike: "Yes."

Brunsvold: "Next Wednesday the Governor's Council on Health and Physical Fitness will be holding a Legislative Fitness Day in Room 114."

Speaker McPike: "Excuse me. Excuse me. Representative Brunsvold has an announcement that's of interest to most people on the floor. If you could give him your attention for a minute?"

Brunsvold: "Thank you, Mr. Speaker. Next Wednesday, April 29th, the Governor's Council on Health and Physical Fitness will

once again hold Legislative Fitness Day in Room 114. Many of the Legislators took part in that last year and it will be a chance to compare your figures on fitness last year with those you will receive this year. So, I would urge everyone on the floor to... Wednesday of next week to prepare themselves for a few of the tests that will be given there and you remember, blood tests and so on, flex tests that were given last year. So, I would hope that everyone would take part in this fitness day next Wednesday in Room 114. Thank you, Mr. Speaker."

Speaker McPike: "Ladies and Gentlemen of the House, I have on the podium with me a group of young boys from Alton, Illinois. They call themselves the Dominant Boys. They are a local rap group that get together, write songs against drugs and we have an Agreed Resolution that I'd like the Clerk to read at this time. Mr. Clerk."

Clerk Leone: "House Resolution 279, offered by Majority Leader McPike. Whereas the Members of this Body are pleased and honored to recognize outstanding young citizens throughout this state who set and example for their peers; and whereas it has come to the attention of this Body..."

Speaker McPike: "Excuse me, Mr. Clerk. Representative Matijevich."

Matijevich: "Mr. Speaker, I know that the House is very often noisy and sometimes we are noisy because we have to do our work. Could I have everybody's attention. I often hear many of us Members say that there are some young people in society who have their heads straight. We have got some young people here that have their heads straight. Let's give them our attention, our total attention."

Speaker McPike: "Mr. Clerk, would you start over, please?"

Clerk Leone: "Whereas the Members of this Body are pleased and honored to recognize outstanding young citizens throughout

this state who set an example for their peers; and whereas it has come to the attention that the Dominant Boys, a rap group from Alton, comprised of seven boys ranging from ages 11 to 16, are using their talents to discourage others from using drugs; and whereas the Dominant Boys consist of Brent Robinson, Curtis Faulkner, Cory Faulkner, Chad Alexander, John Brunfield, Alonzo Edwards and Monty Gibson; and whereas through their own experiences, the Dominant Boys have seen the destructiveness of drugs and they have the courage to speak out against drug abuse; and whereas the Dominant Boys have combined their talents with a message to encourage others not to use drugs by rapping and their message they are able to relate to many people and thus be more effective; whereas Verdene Robinson, the mother of two of the Dominant Boys, has encouraged her sons, as well as others, to be examples for their peers and she has remained a positive force in their actions; therefore, be it resolved by the House of Representatives of the 85th General Assembly of the State of Illinois that we congratulate and commend the Dominant Boys for their outstanding efforts to discourage the use of drugs and that we extend our best wishes to them for continued success in their future endeavors; and be it further resolved that suitable copies of this Preamble and Resolution be presented to the Dominant Boys as a formal indication of our respect and esteem in which they are held by this Body."

Speaker McPike: "Representative Matijevich moves for the adoption of the Resolution. All those in favor say 'aye', opposed 'no'. The 'ayes' have it and the Resolution is adopted. We'd like to congratulate each and every one of these young boys, but so that the House can appreciate the type of work they are doing to discourage the use of drugs in Alton, we

Speaker McPike: "Representative Braun. Representative Stern."

Stern: "Mr. Speaker and Members of the House, perhaps this would be an opportune moment to take up the first Bill under House Bills Second Reading Short Debate which is 'Just Say No Day' in Illinois and it would create a non-school holiday to do just what those young men suggested."

Speaker McPike: "Who is the Sponsor, Mrs. Stern?"

Stern: "I believe it is the Lady from Lake."

Speaker McPike: "Representative Greiman in the Chair."

Speaker Greiman: "On the Order of House Bills Second Reading Short Debate Calendar, on page 3 of the Calendar, appears House Bill 35. Mr. Clerk, read the Bill."

Clerk O'Brien: "House Bill 35, a Bill for an Act to amend Sections of the School Code. Second Reading of the Bill. No Committee Amendments."

Speaker Greiman: "Are there any Floor Amendments?"

Clerk O'Brien: "No Floor Amendments."

Speaker Greiman: "Third Reading. Okay. On page 2 of the Calendar appears a Special Order of Business, Subject Matter - Charitable Games Act, and on that Order of Business, appears House Bill 177. Mr. Clerk, would you read the Bill."

Clerk O'Brien: "House Bill 177, a Bill for an Act to amend Sections of the Charitable Games Act. Third Reading of the Bill."

Speaker Greiman: "Ms. Wojcik, the Lady from Cook."

Wojcik: "Yes, Mr... Yes, Mr. Speaker and Members of the House, what this Bill allows is an additional group of people to participate in casino legislation, which would be veterans

and fraternal organizations, which would include Jaycees, Moose, Elks, Kiwanis, Lions and those that would come under the special license of a 501-C4. I move its favorable passage."

Speaker Greiman: "The Lady from Cook, Ms. Wojcik, moves for the passage of House Bill 177, and on that, the Gentleman from Cook, Mr. Giglio."

Giglio: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. I think the House ought to realize what's going on here with this Bill. Now, last year we passed the Charitable Game Act and we had a number of hearings throughout the state. We had a number of people testify and we came up with which I thought and a lot of other people thought was a reasonable solution to put forth Las Vegas nights for those people who hold the 501-C3 license which came from the Federal Government. Now, we were going to use this and try this for two years and after two years, it would die and if we wanted to resurrect it, we could do something else. We were only going to allow those people who had that charitable license, where all the monies derived go to charitable organizations and schools. What we are doing with this Bill is to open it up for fraternal organizations, unions, et cetera, to have Las Vegas nights. Now, we had a lot of trouble with the bingo. Bingo had become palaces, as you know, and we were very strict with that Bill that we passed two years ago, even to put in there that we would only have these Las Vegas nights four times at one place. So, those of you who may not know the contents in this Bill, be careful because you are going to open up this Las Vegas nights to a lot more organizations, which a lot of people thought that they wanted to do only for two years with the previous Bill that we passed two years ago."

Speaker Greiman: "Further discussion? There being none, Ms. Wojcik, to close."

Wojcik: "Yes, Mr. Speaker. I have heard the Gentleman on the other side of the aisle, and I would like to point out that I, too, was able to sit in for all the discussions pertinent to casino legislation. At the time that we were discussing casino legislation, it was very obvious that the original intent of the first casino Bill was for the fraternal organizations and as we discussed what was going to happen and how it was going to happen, fraternal organizations was eliminated. There was an agreement that at some future time, i. e., right now, we could then come in with an attempt to have the fraternal organizations represented. We have big problem with casino nights because the majority of the people I represent and most of the people in this House represent are the ones who use casino nights. In my area, it is not the Catholic churches who have casino night. It is the Lions, it's the Jaycees, it's the Kiwanis. They are a worthy fraternal group of people. They have done a justifiable job for many, many years in having casino nights. We are talking about four times a year. We are not talking about a parlor. We are not talking about horrendous gambling. We are talking about charitable evenings four times a year, Ladies and Gentlemen. And I'd have to point out to you that most of us in the collar counties and downstate are not even able to use the original casino legislation. Therefore, I say that this is going to be for the veterans, it is going to be for the fraternal organizations and it will be for worthy causes, possibly four times a year. There was a casino night held in my area and it was very professionally done. But I have to tell you that after they did it once and all the scrutiny they had to go through it was their determination

STATE OF ILLINOIS
85th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES

35th Legislative Day

that once a year is sufficient. So, I question whether we'll be looking at more than one or two times in the collar areas. You might be looking at four times a year within the City, but I would tell you that from what I experienced probably once would be enough annually. So, I do ask for its favorable passage. It's a good Bill. It's a Bill for the little people and I think we should pass it. Thank you.

Speaker Breslin: "Is there any further discussion? Representative Greiman. The Lady, I believe has closed. Representative Deuchler, for what reason do you rise? Representative Wojcik has closed. You can explain your vote and perhaps ask your question at that time, okay? The question is, 'Shall House Bill 177 pass?' All those in favor vote 'aye', all those opposed vote 'no'. Voting is open. Representative Greiman, one minute to explain his vote."

Greiman: "Thank you. I'm going to vote 'no' on this Bill and I think all of you should think very carefully before your hand goes to that. One of the main concerns we had in drafting this agreement two years ago was a) not to have a proliferation of gambling throughout the state, and b) to make sure that organized crime does not find a new entry level in our society. This Bill... and I might tell you that before we did this, there were 38 companies in the phone book, when gambling was illegal, that sold and rented gambling equipment. We have a few hundred that are licensed now. We will, under this Bill and the three... two Bills thereafter have thousands of them licensed. The idea was to keep organized crime at a distance to make sure we could monitor it. When you pass this Bill, when you write 'yes', you await the next scandal in this community in gambling. You invite it almost because you have now

made it unmanageable, unregulatable kind of arrangement. And you make a mistake and you will be explaining this vote in the next few years. Mark my words. Thank you. I vote 'no'."

Speaker Breslin: "The Lady from Kane, Representative Deuchler, one minute to explain your vote."

Deuchler: "Well, I had wanted to ask a question, but just to explain my vote, we had run into a problem with the American Association of University Women who holds one casino night a year, had a 501-C4, did not have a 501-C3 and thus was precluded holding their one fund raiser for women's scholarships. So it really meets a need for the fraternal organizations."

Speaker Breslin: "Representative Cullerton, one minute to explain your vote."

Cullerton: "Yes, I just wanted to indicate that I'm voting 'present' on the Bill. It's not that, obviously, we want to not support the veterans in their efforts. It's just that, as Representative Greiman had stated, we did have long and lengthy negotiations with regard to this Bill, which we only passed, I think, just last year. And it was... the decision was made at that time not to include the veterans organizations and I want to also say that this is not a partisan issue. I feel the same way on any other Bills that have Democratic Sponsors. It's just a matter of whether you decide... whether you think this should be opened up. I do think that the... I'm not sure if they testified in Committee... I do think that some of the religious organizations who were included in the Act would probably not be in favor of this Bill because it would expand them... expand their competition, if you will. And so, I think that's also something that should be taken into account."

And this Bill, having received the Constitutional Majority, is hereby declared passed. House Bill 236, on the Special Order of Business Call. House Bill 236. Who is the Sponsor, Mr. Clerk."

Clerk O'Brien: "It is Representative Daniels."

Speaker Breslin: "Representative Daniels. Mr. Clerk, read the Bill."

Clerk O'Brien: "House Bill 236, a Bill for an Act to amend Sections of the Charitable Games Act. Third Reading of the Bill."

Speaker Breslin: "Representative Greiman in the Chair."

Speaker Greiman: "The Gentleman from DuPage, Mr. McCracken. You are going to take this Bill, Mr. McCracken?"

McCracken: "Yes."

Speaker Greiman: "Proceed, Sir."

McCracken: "Thank you, Mr. Speaker, Ladies and Gentlemen. House Bill 236, as amended, would allow veterans' groups, as defined in the Bingo License and Tax Act, to obtain casino night licenses. The definition does not hinge on an organization's tax exempt status and would allow these veterans' organizations to benefit by the use of these games or nights in order to raise revenue. I'd ask for its passage."

Speaker Greiman: "The Gentleman from DuPage, Mr. McCracken, has moved for the passage of House Bill 236, and on that, is there any discussion? There being none, the question is, 'Shall this Bill pass?' All those in favor signify by voting 'aye', those opposed vote 'no'. Voting is now open and this is final passage. Have all voted who wish? your vote."

Giglio: "Well, once again, Mr. Speaker and Ladies and Gentlemen of the House, I just want to say with all these Bills and what we are doing, we are going contrary to what we started out when we passed the Las Vegas Bill, that all this money was strictly to go to charities. What happened... what is going to happen now is this money that's derived, all of it is not going to go to charities. They are going to go to the housing committees. They are going to go any way, shape or form that they want to spend that money and that was the whole crux of the Bill that we passed two years ago. So, be that as it may, vote your conscience."
