Mays: "Yes, I'd like to ask the Gentleman a couple questions."

Speaker Breslin: "The Gentleman will yield for question."

Mays: "Will the Gentleman be willing to discuss what the Amendments that he seeks to table what the topic matter would be on those?"

Speaker Breslin: "Representative Leverenz."

Leverenz: "They're all previous supplementals bits and parts, we want to go right to the real Amendment so they're all either duplicates of things that are not agreed or add-ons of Members."

Mays: "Well what does Amendment #9 do for example...that you seek to table?"

Leverenz: "It was an Amendment for scholarships."

Mays: "What kind of scholarships? State Scholarship Admission Amendment?"

Leverenz: "Yes."

Mays: "And would this...did that Amendment provide money for our students in our institutions of higher learning?"

Leverenz: "Do you not have the Amendment there?"

Mays: "Was this a Veterans Scholarship Amendment that you're seeking to table?"

Leverenz: "I am moving to table Amendment #9, we don't need it and it is an Amendment that deals with the Scholarship Commission from your side of the aisle."

Mays: "Is this Representative Weaver's Amendment?"

Leverenz: "Yes."

Mays: "That your seeking to table that deals with veteran's scholarships for higher education."

Mays: "Well, perhaps Mr. Weaver would have a suggestion on this idea but you're also seeking to table Amendment #10?"

Leverenz: "Yes."

Mays: "Who's the Sponsor of that?"

Leverenz: "The same Representative."

Mays: "Who?"

Leverenz: "The same Representative."

Mays: "Representative Weaver is the Sponsor of Amendment #10 and what did that Amendment do?"

Leverenz: "I think a little different than nine. Do you not have your analysis there?"

Mays: "Okay. Well, I guess what we need to do is everybody knows that what we're going to be doing a little bit later on is addressing a major Amendment...I think Amendment #78 to this Bill and you want to take off these remaining three Amendments so that you can force #78 on to the Bill and then move the Bill to Third Reading and then it's up or down on that. Fact of the matter is, our staff wasn't apprised of the contents of Amendment 78 until very very recently. We haven't had the time to digest where this Amendment differs from the proposals that have been floating around the Capitol the last few days that are trying to address such serious issues as medicaid reimbursement and so on and I frankly would like to have a little bit more time for the Members on this side of the aisle to be able to look at these issues. So that's why I'm questioning each and every...each of the three Amendments that you seek to table and that's where I'm coming from."

Leverenz: "Thank you."

Speaker Breslin: "The question is, 'Shall Amendments 9, 10, and 46 be tabled?' All those in favor vote 'aye', all those opposed vote 'no', voting is open. Mr. Clerk the

Amendments that we are tabling are 9, 10, and 46. Would you correct the board, Mr. Clerk? I see. The board can only put one number on at a time but the Motion was to do all three at one time. Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there is 64 voting 'aye', 51 voting 'no', and none voting 'present' and the House tables Amendments 9, 10, and 46. Representative Bowman. Excuse me, Mr. Clerk are there any further Amendments?"

Clerk O'Brien: "Floor...Floor Amendment #78, offered by Representative Leverenz and Bowman."

Speaker Breslin: "Representatives Leverenz and Bowman. Representative Bowman."

Bowman: "Thank you, Madam Speaker, Ladies and Gentlemen of the House. Amendment #78 is a supplemental appropriation to permit us to complete the current fiscal year with a minimum of disruption of State services and to address the very acute and pressing problems which have been brought to our attention by medical providers, foster parents and others. I would highlight the overall features of this Bill and then a couple of the specifics. This will appropriate a hundred and sixty-nine million in general revenue funds and eighty-two million in other funds. The major general revenue appropriation is to the Department of Public Aid. The appropriation is for one hundred and thirty-four million net, there are offsetting transfers from other lines so that the total amount of medical payments which can be supported by this legislation would be a hundred and fifty-nine million dollars. The other major items are fourteen million dollars for substitute care, foster care, adoptions in the Department of Children and Family Services. We have other items of miscellaneous nature none of which exceed about two and a half million

dollars so with that unless there are specific questions I will conclude and ask for an 'aye' vote on this Amendment."

Speaker Breslin: "The Gentleman has moved for the adoption of Amendment #78 to Senate Bill 1520 and on that question is there any discussion? The Gentleman from Adams, Representative Mays on the Amendment."

Mays: "Thank you very much. Will the Gentleman yield for some questions?"

Speaker Breslin: "He will."

Mays: "When's the effect..."

Speaker Breslin: "Excuse me Mr...Representative Mays. Representative Tate, for what reason do you interrupt?"

Tate: "Madam, Madam Speaker. Would the Sponsor be kind enough, this is a two-hundred million dollar, fifty page Amendment, we want to debate this issue. Could you just take it out of the record just for fifteen minutes a half hour to give us an opportunity..."

Speaker Breslin: "Representative Tate, the Gentleman was already ask to do that once. He already did that once, and then he was told to go ahead. He now indicates that he does not wish to take the ballot out of the record."

Tate: "The only other alternative Madam Speaker then, if we're going to run rough shod in this process, is...is you know that alternative and that's for the minority party to filibuster this thing til our Members have an opportunity to review an Amendment. Now we're talking about dollars for kids in this State for mental health and a lot of other areas. Give our people an opportunity to review this thing in a responsible fashion. That's the only request we're making right now."

Speaker Breslin: "Representative Bowman, what is your pleasure?"

Bowman: "I wish to proceed with this at this time. We're on a short time schedule."

Speaker Breslin: "Very good. Representative McCracken, for what reason do you seek recognition?"

McCracken: "Just ask the Sponsor why we can't have an opportunity to look at this Amendment. Is there something in there you don't want us to know about? The thing was literally passed out within the last five minutes, it's fifty pages long, two hundred million dollars, and now you tell us we have no time to review it. We want an opportunity to look at it."

Bowman: "Well, now Representative McCracken. Now Representative McCracken just calm down..."

McCracken: "No, no, no, no, no cute remarks..."

Speaker Breslin: "Excuse me..."

McCracken: "...there's two hundred million dollars at stake. We want to look at it."

Bowman: "No it's a hundred and sixty-nine million in general revenue money."

McCracken: "See that, I didn't even know."

Speaker Breslin: "Gentlemen. Gentlemen. Representative Bowman, did you have anything further to say?"

Bowman: "No, I'd be happy to respond to specific questions."

Speaker Breslin: "Very good. Representative...excuse me. Representative McCracken...Representative McCracken...Representative Daniels, do you have anything to say? Representative Daniels has been recognized."

Daniels: "Yea, I have a lot to say and you know what I have to say too..."

Speaker Breslin: "Please proceed."

Daniels: "...because you were the one person that refused to allow enough time to review a Bill just last week."

Speaker Breslin: "Representative Daniels."

What are you hiding? Why don't you bring out the Speaker again so he can tap his little soft gavel and speak so sweet to all of us. Why don't he come out."

Speaker Breslin: "Representative Piel, for what reason do you seek recognition?"

Piel: "I find it very ironic, Madam Speaker, every time the real Speaker wants some heavy work done he always disappears off into the woodwork somewhere and we're sitting here...we're sitting here just within five, ten minutes ago this huge Amendment is dropped on our laps and all of a sudden, now the man wants to run with it. I can not figure, I mean Representative Tate asked, in good faith, why we could not have fifteen minutes to absorb the contents of the Amendment. We're talking about millions of dollars. You know, I mean the Gentleman obviously you know is a big spender, he wanted the pay raise and everything like that, but you know, is he going to be the one that's going to Sponsor the tax increase to do this also. You know, he's great at spending but where's the money coming from. Let us have a couple of minutes to take a look at it Representative Bowman. What do you have to hide on this? Representative McCracken brought up a very good point. Representative Tate ask for fifteen minutes and you don't want to give him fifteen minutes. What's in here that we don't...that we're not suppose to know about Representative Bowman. Representative Bowman you wanted questions and we're asking questions, and your sitting there in the

center aisle talking. Now what's in here that you want to hide? "

Speaker Breslin: "Excuse me. Representative Piel you have interrupted..."

Piel: "He wanted questions Madam Speaker. I'm giving a question to him."

Speaker Breslin: "Sir, you interrupted Representative Mays as did Representative Tate, Representative McCracken, and Representative Daniels..."

Piel: "No, no, Madam Speaker, you called on me."

Speaker Breslin: "No Sir..."

Piel: "You called on me."

Speaker Breslin: "No Sir..."

Piel: "If that's the way you want to run the Chair, fine. Let's get the real Speaker out here and find out what he's trying to hide in this Amendment."

Speaker Breslin: "Representative Tate requested the opportunity to ask the Sponsor questions whereupon he was interrupted by several people who wish to comment on the process. I thought you wanted to do the same thing. I will certainly get back to you for your questions but I think it's only fair that...we entertain Representative Mays' questions first."

Piel: "I'm sorry, Madam Speaker, I did not interrupt the Speaker. I was called on by the Chair and that's all...that's right."

Speaker Breslin: "Representative...are there other people who wish to ask questions or to comment on the particular process? If not we'll go back to Representative Mays and do this in an orderly fashion. Representative Johnson, you still seek recognition? For what reason do you seek recognition?"

Johnson: "I'm new. Do we get to ask questions about this?"

Speaker Breslin: "You do, but Representative Mays was first. So let's go back to Representative Mays. Proceed Representative Mays"

Mays: "I would simply renew the request that was made by me initially and then be some other Members to take the Bill out of the record. We made the request initially when they had asked to table Amendments #9, 10 and 46. We did not approve with going ahead of it. The Sponsor of the Bill determined that he would go ahead and go ahead with it himself. We would like to have some more time frankly, a lot of these questions that will be coming on this particular Bill, if we don't have the time, are going to be taking the time of every Member on the floor right now. So I'm simply renewing the request, take the Bill out of the record, so we have some time to review Amendment #78, we can go to other orders of business and then come back to this. We may end up doing battle on it. We may end up agreeing on it. But right now I think we need to have some time to be able to review the substance of the Amendment so that we can adequately address the issue that's before us."

Speaker Breslin: "Representative Tate, are you asking for 15 minutes to review the Amendment? Is that your request? Excuse me, Representative Mays."

Mays: "One second, Madam Speaker."

Speaker Breslin: "Representative...Representative Bowman and Representative Leverenz, we believe an agreement has been worked out so that we can get on to the pressing business of committees the rest of today and we will get back to this tomorrow so with your leave we will take this Bill out. The Bill having been read a second time the Bill will now be taken out of the record and held on Second Reading for further consideration. Is that agreeable with all sides? Very good. I think we can get our work done in less than an hour if everybody comes and be through with that committee. So tomorrow, Thursday, 2:00 p.m. Room 122B, Public Utilities."

Speaker Breslin: "Representative Berrios, did you have an announcement to make about a Democratic Task Force on the Chicago School System? In the Speaker's Office immediately after Session there'll be a meeting of the Democratic Task Force on the Chicago Schools. Immediately after Session in the Speakers Office. Representative Wolf, for what reason do you seek recognition?"

Wolf: "Thank you, Madam Speaker. For purposes of an announcement, there will be a meeting of the Personnel and Pensions Committee this afternoon at 4:00 o'clock in Room D 1."

Speaker Breslin: "Representative Van Dwyne, for what reason do you seek recognition?"

Van Dwyne: "Thank you, Madam Speaker. All Members of counties and townships should be in D 1 at 2:00 o'clock."

And the Death Resolution is adopted. Giving leave to the Clerk to stay in...Representative Leverenz, for what reason do you seek recognition?"

Leverenz: "I have a small inquiry of the Chair. Are we moving along with our committees well enough that we possibly will not be here on Friday?"

Speaker Breslin: "The advocations are that we are moving along very well in our committees and if people are brief in their comments today it is very possible that we will not have to be back on Friday."

Leverenz: "Praise God."

Speaker Breslin: "Representative O'Connell, for what reason do you seek recognition? Representative O'Connell. At this time it's appropriate to announce, Ladies and Gentlemen, that in the morning at your offices and I believe on the floor, they will be distributing a schedule of all recessed meetings of the House so that you if you have...if you are a Member of a Committee or you have Bills before that Committee you will have the schedule and know where to appear and at what times. Representative O'Connell, did you still seek recognition?"

O'Connell: "Madam Speaker, I have just obtained leave of the Minority side to waive the posting requirements on a Bill

Speaker Breslin: "Representative O'Connell ask leave to waive the posting rules so that House Bill 3351 can be heard today in committee. Is there any objection? Hearing none the Gentlemen has leave and now Representative Cullerton moves that we grant leave to the Clerk to remain open in Perfunctory Session for the rest of the day and that we adjourn until 3:00 o'clock tomorrow. It should be understood that should we need more time we will be notifying you in your offices and in the committee rooms, should this 3:00 o'clock time be extended any further. So Representative Olson, do you seek recognition on this question?"

Olson: "Yes."

Speaker Breslin: "Proceed Sir."

Olson: "On the Clerk's Office being open the rest of the day, can you define an hour on that?"

Speaker Breslin: "Do we what?"

Olson: "Define an exact hour on that the rest of the day."

Speaker Breslin: "Until all committees adjourn."

Olson: "Thank You."

Speaker Breslin: "The object is to be able to receive the reports from the committees. Ladies and Gentlemen, to the extent that you need to file discharged Motions. Discharged Motions should be filed with the Clerk as soon as possible, either today or tomorrow before we begin Session so that a Calendar can be prepared for consideration of Discharged Motions when we come back to the floor tomorrow.
