Speaker Greiman: "The hour of 12:00 having arrived, the House will be in order. Members will be in their seats. The Chaplain for today will be Father John Corredato, Pastor, St. Joseph's Church of Springfield. Father Corredato is a guest of Representative Jack Kubik. The guests in the gallery may wish to rise and join us for the invocation. Father."

Father John Corredato: "Lord God, we take these few moments in the middle of this Legislative Day to reflect on Your goodness to us, the citizens of the State of Illinois. We praise and thank You for Your gift of life to us. May we do all we can to preserve it and to enhance it. We ask Your continued blessings for those elected or appointed to public office. May they come to understand more clearly what it means to serve their brothers and sisters. May we do all that we can to deserve the trust placed into our hands. We seek Your special guidance that we may be especially sensitive to the poor, the elderly, the afflicted and those who are most forgotten by the system. Give us the enthusiasm of the first days of office. Give us the confidence to act decisively. Give us the wisdom to act rightfully. Give us the ability to be kind to all others, for this we can all afford to do always. This is our prayer today, and every day. Amen."

Speaker Greiman: "The Gentleman from Lee, Mr. Olson, to lead us in the Pledge to the Flag."

Olson - et al: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Speaker Greiman: "Roll Call for Attendance. Mr. Matijevich, are there any excused absences on the Democratic side? Mr.

Matijevich."

Matijevich: "Not on this side of the aisle, Mr. Speaker."

Speaker Greiman: "Thank you. Mr. Piel, do we have any excused absences on the Republican side?"

Piel: "Yes, Mr. Speaker, would you please excuse Representative Cowlshaw on reason of sickness today?"

Speaker Greiman: "Let the record so reflect. Mr. Clerk, take the record. 114 Members having answered to the call of the quorum, a quorum is present. Committee Reports."

Clerk O'Brien: "Correction of Committee Report. House Bill 2021 was reported out of Committee on Human Resources in error on April 30, 1987. The Bill will remain in Committee. Representative Preston, Chairman of the Select Committee on Children, to which the following Bills were referred... action taken April 30, 1987, reported the same back with the following recommendations: 'Interim Study Calendar' House Bills 1155 and 1472."

Speaker Greiman: "Representative Homer in the Chair."

Speaker Homer: "May I have your attention, please? It gives me great privilege and honor today to present to you Miss Illinois, who hails from Pekin, Illinois, which is in my district. She is the daughter of Mr. and Mrs. Denny Hoesner of Pekin, a graduate of Pekin High School, a graduate of Murray State University, cum laude in 1986, and at this time it gives me pleasure to present to you Lisa Hoesner."

Lisa Hoesner: "Hi. It's great to be here. The Student Senate experience I had in college really does not prepare you for something like this. It's a pleasure to be here and I invite everyone who is in the Senate today to come by to the reception that we are going to be having over at the State House Inn. Everyone's welcome to come by and say 'Hi'. I'm going to have autographs over there to sign and

I would like to meet everybody because I do travel around the state extensively. I speak to a lot of youth groups. I speak to a lot of business groups and it's always good to have input from the people I'm representing. So, it's great to be here and I thank you for your time."

Speaker Homer: "Thank you, Lisa. Thank you, Ladies and Gentlemen."

Speaker Greiman: "Representative Greiman in the Chair. Mr. McCracken, for what purpose do you seek recognition."

McCracken: "Point of information, Mr. Speaker. Mr. Speaker, there had been an agreement between the Chairman and the Minority Spokesman of the Appropriations II Committee to pass out from Committee the Governor's Budget at the 1987 levels. This morning, except for one Republican add on, add ons totaling approximately 30 to 40 million dollars were added to the Appropriations Bills on a party line vote. And Mr. Speaker, and Members on the other side of the aisle, you should be aware if you intend on making these add ons, you're going to be responsible for passing the tax that goes along with it. So when these add ons come up and you're considering a vote on them, consider how you're going to vote on the tax package which the Governor proposed."

Speaker Greiman: "The Gentleman from Macon, Mr. Tate."

Tate: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. As the previous speaker had indicated on a bi-partisan basis, the House Appropriations Committee had attempted today to keep budgets at current levels of spending. In fact, it was a fact that the Chairman of that Committee demonstrated a great deal of fiscal responsibility himself; however, many of the Members of his own Party did not share that same concern that he had in protecting the integrity of this budget. I would like to

note for the purpose of all Members that today, what we did in Appropriations II Committee on the mental health budget was, we totally eliminated new initiatives, totally cut community action lines in mental health. People, there are going to be people in communities throughout this state that aren't going to be served in mental health today, yet we put \$24,000,000 back in mental health's budget today to protect bureaucrats at mental health institutions across this state. People, if you're concerned about disabled people, if you're concerned about mentally ill people, I would suggest to you that this General Assembly should pass a budget that provides for services to those people rather than protecting bureaucrats. In addition, today, for all downstaters, I think it is important to note that we put \$10,000,000 back. The only thing we did with the elementary and secondary education budget today -- \$10,000,000 back for Chicago Public School Districts. I think that's a sham in this process. We all know that school districts, our own school districts need funding. We're not satisfied with the current levels of spending that we have, but if you're going to spend more money, you should be prepared to raise taxes in this state. And to allow Chicago to receive \$10,000,000 and not one other downstate school district to receive..."

Speaker Greiman: "Excuse me, Mr. Tate."

Tate: "...that kind of funding. That's a sham."

Speaker Greiman: "...for your remarks. Alright. Fine. Thank you. Mr... the Gentleman from Cook, Mr. Matijevich."

Matijevich: "Mr. Speaker, with all the respect in the world, I would raise the issue that this Gentleman is out of order."

Speaker Greiman: "Mr. Bowman, for what purpose do you seek recognition, Sir?"

Bowman: "Well, a point of personal privilege. I won't prolong

the debate, but I think the record ought to be set straight on just a couple of small points in response to the previous two Gentlemen. Number one, I would simply observe that the Appropriations II Committee today cut over \$600,000,000 out of the budget, Ladies and Gentlemen. We reduced the budget by \$600,000,000 or more, and to the add ons that he was referring to, I would simply observe that even with the add ons, with everything that we did in the Committee today, we are still below the Governor's level for a no tax increase budget. We are below that level because we made even deeper cuts in other areas so that we can confidently assert that this budget will not require a tax increase. Thank you."

Speaker Greiman: "All right, Mr. Dunn, for what purpose do you seek recognition?"

Dunn: "Mr. Speaker and Ladies and Gentlemen of the House, I rise to waive some posting requirements. There are Bills in the House Judiciary I Committee, both Democrat and Republican Bills, which were assigned to the Committee and were not posted for the Hearing tomorrow. I have a list of 15 Bills I have cleared with the other side of the aisle. I would like to waive the posting requirements so they could be heard in the House Judiciary I Committee tomorrow. The Bills are: House Bills 38, 922, 1118, 1343, 1410, 1414, 1420, 1447, 1458, 1466, 1939, 1940, 2737, 1199, 1452; and I would ask the appropriate rules be suspended so these Bills could be heard in House Judiciary I Committee during its regularly scheduled meeting tomorrow."

Speaker Greiman: "The Gentleman asks leave of the House to use the Attendance Roll Call to waive the posted requirements for the Bills enumerated. Mr. Clerk, did you get those Bills? Have you got all those Bills? Yes. Is there objection? Mr. Pedersen."

Pedersen: "No. No."

Speaker Greiman: "There being no objection, the use of the Attendance Roll Call to waive the posting requirements is granted. Mr. McCracken, for what purpose do you now seek recognition?"

McCracken: "Thank you, Mr. Speaker, to ask of the Chairman of the State Government Administration whether she would consent to waive the posting requirements for House Bill 2297. I asked her a little earlier - she wasn't ready to answer at that time. I wonder if she is ready now."

Speaker Greiman: "Well, that's the kind of thing we would normally do, Mr. McCracken, before the full House, rather than ask the Chairman, but that's something you ought to do in private. Do you have a Motion to put, sir?"

McCracken: "I already asked her."

Speaker Greiman: "Fine. Alright, Mr. Pedersen."

Pedersen: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. I'm delighted to hear that we are having all these cuts this year and I hope that means that we're going to be able to increase the personal income tax exemption and the business income tax exemption so they can wipe out the windfall. Thank you."

Speaker Greiman: "General Resolutions."

Clerk O'Brien: "House Resolution 333, offered by Speaker Madigan and Panayotovitch."

Speaker Greiman: "Committee on Assignment. Speaker Madigan in the Chair."

Speaker Madigan: "Ladies and Gentlemen, if we could have your attention. If we could have your attention, we have some distinguished visitors today. So if the Members could be in their chairs. Mr. Giorgi, would you take your chair? Mr. Saltsman, would you take yours? Mr. Young, would you please sit down? And Mr. Williams, sit down. Will the

Clerk O'Brien: "House Resolution 308, offered by Representative Preston. Whereas, the dangers of drug and substance abuse have threatened every social and economic level of the society; and whereas, efforts to stimulate drug awareness and education play a major role in alerting youth to the dangers involved in using drugs; and whereas, valuable support to halt the rise in drug and substance abuse has been coordinated by government, private sector, education and community leaders; and whereas, WLS TV and the Chicago Sun Times have joined forces to launch an unprecedented media campaign targeting the drug issue and seeking positive solutions; and whereas, this campaign, 'Say No To Drugs', has received a major commitment and response from schools, churches, and community; and whereas, WLS TV will produce and air, live, the first national 'Say No To Drugs' Parade to salute and recognize any drug groups on Saturday, May 9, from 10:30 a.m. to 12:00 noon; and whereas, the 'Say No To Drugs' Parade will kick off a week long series of events for National 'Say No To Drugs Week' and make a significant commitment to drugs and alcohol abuse education and contribute to the quality of life in our community; therefore, be it resolved by the House of Representatives of the 85th General Assembly of the State of Illinois that we extend to WLS TV and to the Chicago Sun Times our highest commendation for their efforts in the fight to combat drug and substance abuse in the Chicago area; and be it further resolved that a suitable copy of this Preamble and Resolution be presented to WLS TV and the

Chicago Sun Times as a token of our esteem."

Preston: "Mr. Speaker and Ladies and Gentlemen of the House, I am very pleased to be able to introduce to you this afternoon Joe Ahern, who is the President and General Manager of WLS TV in Chicago. This Channel 7 has been involved for over a year, actually about two years, in a 'Say No To Drugs' campaign throughout the Chicagoland, and indeed in Illinois, the entire state. This program that they have put together and publicized through their television station and elsewhere has been extremely effective in giving us what will be, in the next few years, a drug free generation of our children in this state. This parade is only one of many programs of awareness for children in schools. I know Joe has spoken to children throughout the state on the importance of having the courage to indeed say 'NO' to drugs. I'm am very pleased, and I hope you will warmly welcome Joe Ahern, President and General Manager of WLS TV."

Ahern: "Thank you, Speaker Madigan. Representative Preston, Members of the House of Representatives. On behalf of WLS TV and the Chicago Sun Times, I would like to thank you for recognizing our efforts to raise awareness to the drug problem for the past year. Response to our 'Say No To Drugs' campaign has been overwhelmingly positive from business leaders and from community leaders, from educators and from anti-drug organizations throughout the area, but nowhere as immediate and consistent and as meaningful as the cooperation and encouragement that we have received from the governmental leaders from the very start. Lieutenant Governor George Ryan and his staff have been on our Advisory Committee from its inception nearly one year ago. Senator Lechowicz sponsored a Proclamation at the beginning of the campaign. Representative Lee Preston

organized a 'Say No To Drugs' Student Forum for 25 schools in his legislative district in January, and this Resolution recognizing the First National 'Say No To Drugs' Parade, which is based right here in the Midwest and will air this Saturday, and the campaign in general is an important show of support from this Body. Ladies and Gentlemen, I would like to read to you a commentary that was in the Chicago Sun-Times today, that I think says it best. And it is written by Michael Brownstein, who is a student teacher at Faren Elementary School. 'I have watched eagerly the campaign against drugs by the Chicago Sun-Times and various television stations. Though society has always been against drugs, it appears everyone is now participating in the 'Say No To Drugs' campaign, and I wondered how effective it really is. I've discovered it is very effective, indeed. In a modern society devoid of real heroes, a new hero is emerging. He is not a caped crusader. Instead, this hero is a teenager, perhaps even an elementary school student. What makes him a hero? He has the guts to say 'No' to drugs. I teach school in an area where drugs can be bought right on the street. My students point out to me the dope houses. Teenagers show me where shooting galleries are located. A day does not go by when I do not find a discarded needle on the sidewalk, yet, more and more I find these same students talking with respect about a teenager who stood up to his peers and said, 'No, I'm not going to use drugs, and I'm proud of it.' Antoinette Henderson writes about her hero, a teenager named Jane. 'Sherry, a drug addict,' Antoinette writes, 'decided to have a dope party, and she threw it on a school night. Everyone in the class went, except Jane. Jane was tough. She did not need drugs. She did not want anyone else to do drugs, so Jane went to the party and she

saw everybody getting ready to do drugs, and Jane turned off the music and she grabbed all the drugs and Jane said, 'School was in and drugs are out.' Everyone was scared. They were all afraid to say 'No', but when they heard Jane, they became as brave as Jane. Sherry called them all chicken, but Sherry knew that she was the real chicken. She was too scared to quit drugs. Sherry wished that she could be like Jane, but she also knew that she was too weak. And that night Sherry went into her room, took an overdose and died alone on the floor of her room. Jane said 'NO' to drugs and became a real hero to these children. She became a hero for more reasons than that, though. She also stood up against Sherry, rallied her peers away from drugs and maybe saved some from Sherry's fate.' He further writes, 'I am proud of these children and all the others who have discovered this new hero. It does take guts to go up against one's peers. I now know the real hero of the modern teenager, Jane, and all the others who have stood up and said 'No, I'm not going to stand up and take drugs. I'm going to have fun with my friends, but I'm not going to do it with drugs. Ladies and gentlemen, we're very excited about this 'Say No To Drugs' campaign. I can tell you that this Saturday will kick off a national drug awareness campaign all over the United States and it's starting right here in Chicago and in Illinois. I thank you for this Proclamation, Representative Lee Preston. Thank you for hearing us. We hope that there will be a drug free society as we move into the later 80's. Thank you.'

Speaker Madigan: "The Chair would like to recognize the presence with us today of the leader of the Preston household, the very lovely Fran Preston, wife of Lee Preston. Mr. Greiman in the Chair."

Speaker Greiman: "For what purpose does the Lady from Champaign, Ms. Satterthwaite, seek recognition?"

Satterthwaite: "Mr. Speaker and Members of the House. I would ask that we waive the appropriate rule for hearing in Committee...in House Higher Education Committee tomorrow, House Bill 1485. I have checked with the Minority Spokesman, and he has no objection to that Motion."

Speaker Greiman: "The Lady from Champaign, Ms. Satterthwaite, asks leave to amend the rule with respect to posting for House Bill 1485 so the Bill may be heard in Committee tomorrow, the Committee on Higher Education. There being no objection, use the Attendance Roll Call. The Gentleman from Cook, Mr. Steczo, for what purpose do you seek recognition?"

Steczko: "Thank you Mr. Speaker, Members of the House. Last week House Bill 813 was inadvertently placed on the Interim Study Calendar and I would like to have House Bill 813 heard in the Higher Education Committee this week, and have checked with both the Chair and the Minority Spokesman, and they have agreed with the following Motions, Mr. Speaker. I would move to suspend Rule 27 to allow House Bill 813 to be taken from the Interim Study Calendar of the House Higher Education Committee and place it before the Committee and I would also like to suspend the posting rule, Rule 20, to allow the Bill to be heard in the Higher Education Committee tomorrow."

Speaker Greiman: "The Gentleman asks leave of the House to take House Bill 813 from the Interim Study Calendar of the Committee on Higher Education and then to waive posting with respect to that Bill so it may be heard in Committee tomorrow. We have leave to use the unanimous Roll Call, the Attendance Roll Call. Leave is granted. Mr. Van Duyne, for what purpose do you seek recognition, Sir?"

Van Duyne: "Thank you, Mr. Speaker. Really, it is for the same reason. Representative Giglio's Bill 1315 was inadvertently left off of our posting schedule for today, I mean for tomorrow, in Counties and Townships, and so I would merely ask the House for leave to suspend the posting rule so that we may hear that Bill tomorrow, also."

Speaker Greiman: "The Gentleman from Will, Mr. Van Duyne, asks leave of the House to use the Attendance Roll Call to waive the posting requirements with respect to House Bill 1315 so that may be heard...Bill may be heard in the Committee on Counties and Towns. Gentlemen have leave? Leave is granted. Mr. Laurino, for what purpose do you seek recognition?"

Laurino: "Essentially for the same thing, Mr. Speaker."

Speaker Greiman: "Proceed."

Laurino: "House Bill 1224, I believe, is Representative Saltsman's Bill. It was inadvertently left off our posting requirements for hearing today and I request that we waive the proper rules so that we can have that Bill heard today in Committee."

Speaker Greiman: "The Gentleman from Cook, Mr. Laurino, asks leave of the House to waive posting requirements with respect to House Bill 1224 so that the Bill may be heard in the Committee on Insurance. Gentlemen have leave to use the Attendance Roll Call? Mr. McCracken."

McCracken: "Has the Gentleman spoken with the Minority Spokesman?"

Speaker Greiman: "Mr. Laurino? Has that been cleared with the Minority? Mr. McCracken, is there objection on your side to Mr. Laurino's request?"

Terzich: "Mr. Speaker, I would like to waive the posting requirements for House Bill 1903, 1904, 1107 and 1119, to be heard in Executive Committee tomorrow, and 1107 and 1119 should have been posted for Veterans' Affairs Subcommittee and I would ask for leave."

Speaker Greiman: "The Gentleman asks leave of the House to waive Rule 20B with respect to the Bills enumerated. Does Gentleman have leave to use the Attendance Roll Call? Leave is granted and Rule 20B is waived. Ms. Currie, for what purpose do you seek recognition?"

Currie: "Thank you, Mr. Speaker. I would like to waive the posting...I ask leave to raise the posting requirements so that House Bill 193 and Representative McCracken's House Bill 2297 may be heard in the Equality and Delivery of State Services Subcommittee of State Government Administration tomorrow at 6:00 p.m."

Speaker Greiman: "The Lady from Cook, Ms. Currie, asks leave of the House to use the Attendance Roll Call to waive Rule 20B with respect to those above enumerated Bills. Does she have leave? Mr. McCracken, for what purpose do you seek recognition?"

McCracken: "I was seeking leave on one of those Bills as the Lady mentioned. I understand she seeks to place it in the Subcommittee. Today's the last week for Committee hearings."

Speaker Greiman: "Ms. Currie, was that for before a Full Committee, or a Subcommittee?"

Currie: "That has already been assigned to a Subcommittee. If you're successful in Subcommittee, we can ask leave to have the Bill heard in the Full Committee tomorrow. But this Motion is to hear it in the Committee, the Subcommittee to

McCracken: "And the Full Committee meets at 4:00 p.m.?"

Currie: "But we'll meet again before the week is out so as to consider reports from the Subcommittees that meet after our 2:00 meeting tomorrow."

McCracken: "Okay. Okay. Thank you."

Speaker Greiman: "Alright, there is leave to use the Attendance Roll Call to waive Rule 20B. The Gentleman from Cook, Mr. Laurino, now."

Laurino: "Thank you, Mr. Speaker. I just got through discussing House Bill 1224, Representative Saltsman's Bill, with the Minority Spokesman and he has no objection to it."

Speaker Greiman: "Alright, the Gentleman from Cook, Mr. Laurino, asks leave of the House to waive Rule 20B so that House Bill 1224 may be heard in the Committee on Insurance. Leave to use the Attendance Roll Call. Leave is granted. Mr. O'Connell, for what purpose do you seek recognition?"

O'Connell: "Thank you, Mr. Speaker. Inadvertently I had placed House Bill 1616 in Interim Study of the Judiciary I Committee. I have talked to Representative Johnson, the Minority Spokesman, about waiving the posting requirements because I didn't realize it was in Interim Study. He acquiesced to waiving the posting requirements, but I would also ask if he would acquiesce and take it out of Interim Study and waive the posting requirements so that it could be heard in Judiciary I."

Speaker Greiman: "The Gentleman from Cook, Mr. O'Connell, asks leave of the House to waive the rules with regard to Interim Study of House Bill 1616 and to waive Rule 20B so the Bill may be heard in Judiciary II this week. There is leave, yes, Mr. O'Connell."

The Elementary and Secondary Education Health Subcommittee is cancelled for tonight. Further announcements. I would like to waive the appropriate rule in order to hear three Bills in the Human Services Committee today at 4:00."

White: "House Bill 173, House Bill 2684 and House Bill 1106."

Speaker Greiman: "The Gentleman from Cook, Mr. White, asks leave of the House to waive Rule 20B so that these Bills may be heard in the Committee on Human Services. Leave to use the Attendance Roll Call is granted. Leave is granted. Ms. Hasara, for what purpose do you seek recognition?"

I know we are very busy in Committee, but I think it is a very inspiring program, and there are still some tickets available, so if you would see me or call my office, I would be glad to make arrangements. Speaker Greiman: "The Gentleman from Coles, Mr. Weaver, moves for the adoption of Amendment #1 to House Bill 85. And on that, is there any discussion? The Gentleman from Fulton, Mr. Homer."

Homer: "Thank you. Will the Sponsor yield? Representative Weaver, the Bill itself would allow veterans to...would allow the Scholarship Commission to grant loans to veterans, even though they had defaulted on their loan?"

Weaver: "This deals with the veterans scholarship, okay, which, last year, we removed from the Department of Veterans Affairs and allowed ISSC to administer. Previously, it had been thrown into a part of their Statute which allow them to withhold that veteran's scholarship from any veteran who is in arrears on any other student loan. This simply allows the Illinois State Scholarship Commission to work with a veteran to set up a program of repayment. It gives him six months of school time where he can stay in school and make arrangements to repay any loans that he may be in default on."

Homer: "What does the Amendment do to the Bill?"

Weaver: "The Amendment makes that six month allowance. The Bill itself would have prohibited ISSC from denying him a scholarship. The Amendment now allows them to deny the scholarship if he, in fact, does not make arrangements to repay that loan in six months."

Homer: "Alright, thank you."

Speaker Greiman: "Further discussion. There being none, the question is 'Shall this Amendment be adopted?' Those in favor say 'Aye', opposed 'No'. In the opinion of the chair, the 'Ayes' have it. The Amendment is adopted. Further Amendments?"

Clerk O'Brien: "No further Amendments."

Ladies and Gentlemen, on Page 28, 28 of the Calendar on the Order of House Bills Third Reading appears House Bill 1, Mr. Cullerton, did you wish to proceed? Mr. Cullerton? Out of the record. On the Order of House Bills Third Reading appears House Bill 9. Mr. Clerk, read the Bill."

Clerk O'Brien: "House Bill #9, a Bill for an Act to amend Sections of the Criminal Code of 1961, Third Reading of the Bill."

Speaker Greiman: "The Gentleman from Rock Island, Mr. DeJaegher, on House Bill 9."

DeJaegher: "Thank you, Mr. Chairman. Fellow Members of the General Assembly, you have noticed that this Bill has been waiting on Third Reading for a period of time, hopefully that I thought that this Bill would never have to be called and it's unusual that a Democrat is carrying a Bill that basically the Governor of the State of Illinois is receptive to. When the Governor of the State of Illinois went into our locale, and possibly some of you have never been in my locale, but each and every one of you have read about the Mississippi River. Governor Thompson said that he was, without a doubt, totally imposed about the implementation of riverboat gambling, to prevent it on the Mississippi River. I have taken issue with that particular legislation from day one. The ministers of my locale have taken opposition to riverboat gambling. The community itself, in the event that this would take place, the community would be divided. At the present time, the community is working hand in glove with one another. Four years ago the people of my area did not realize the

HOUSE OF REPRESENTATIVES

potential they had in the Mississippi River. Four years ago 180 buses went into the community. This year over 3500 went into the community. This is tourism. This is what tourism is all about. It's an essential growth industry we need in there. We cannot destroy it by the advent of riverboat gambling. Tourism is a family concept where man, woman and child participate with one another. You don't take children into the area where adults ride the riverboats and the children are left on shore. It's a family concept. This is the legislation that I'm interested in, hoping that you have studied this legislation from time to time. This would not be an asset to the State of Illinois. It would bring in additional problems. In addition to putting riverboat gambling on the boats themselves, this type of legislation would permit these riverboats to dock on the shore and permit casino-type gambling year around. You'd have every prostitute, pimp and drug pusher in the area. These are why it's so essential that basically we support, and hopefully that you will support this legislation that I have brought to you today. Please support House Bill 9. Do not permit riverboat gambling in Rock Island County or in any area of the State of Illinois. Thank you."

Speaker Greiman: "The Gentleman from Rock Island moves for the passage of House Bill 9, and on that the Gentleman from Cook, Mr. Young."

Young: "Thank you, Mr. Chairman. I wonder would the Sponsor move this back to Second Reading for purposes of a technical Amendment?"

Speaker Greiman: "Mr. DeJaegher?"

DeJaegher: "Mr. Chair..."

Speaker Greiman: "Speaker, Mr. Speaker."

DeJaegher: "Mr. Speaker, I'm sorry, I probably should have made

this proviso at the beginning. I really don't think Andy's Amendment will do anything to the Bill and I don't think it will assist the Bill, but I have no objections to moving it back to Second for the purpose of an Amendment and then hopefully that you will swing it back on to Third for a vote."

Speaker Greiman: "The Gentleman from Rock Island, Mr. DeJaegher, asks leave of the House to return House Bill 9 to the Order of Second Reading for an Amendment. Does the gentleman have leave? Leave is granted. Mr. Clerk, are there Amendments to House Bill 9 on the Order of Second Reading."

Clerk O'Brien: "Amendment #1 offered by Anthony Young."

Speaker Greiman: "Gentleman from Cook, Mr. Young, on Amendment #1."

Young: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. What Amendment #1 does, is it clarifies what a riverboat gambling is. It is particularly geared to the boat that sits in Lake Michigan docked on Navy Pier where sometimes charitable games are held and we want to make it clear that this legislation does not apply to that. I move for the adoption of Amendment #1."

Speaker Greiman: "The Gentleman from Cook, Mr. Young, moves for the adoption of Amendment #1. Is there any discussion? There being none, the question is, 'All those in favor signify by saying 'aye', those opposed 'no'. In the opinion of the Chair, the 'ayes' have it, and the Amendment is adopted. Further Amendments."

Clerk O'Brien: "No further Amendments."

Speaker Greiman: "Third Reading. The Gentleman from Rock Island, Mr. DeJaegher, asks leave of the House to waive the rules with respect to this Amendment, this Bill, so that this Bill may be heard at this time. Is there leave to use the Attendance Roll Call? Leave is granted. Mr. DeJaegher,

DeJaegher: "Thank you, Mr. Speaker. Thank you, Mr. Speaker. I have tried to make you people knowledgeable of what riverboat gambling could do to my community, hopefully that you will never be faced with this situation, but there is a possibility that this could happen. I think I gave you a thorough explanation of my position on riverboat gambling. I made it quite clear the Governor's position on riverboat gambling, hopefully that you will support these positions and support my Bill. Thank you."

Speaker Greiman: "The Gentleman from Rock Island moves for the passage of House Bill 9. And on that is there any discussion? There being none, the question is, 'Shall this Bill pass?' Speaker Greiman: "The Lady from LaSalle moves for the passage of House Bill 10. And on that, is there any discussion? The Gentleman from Livingston, Mr. Ewing."

Ewing: "Would the Sponsor yield?"

Speaker Greiman: "Indicates she will yield for questions."

Ewing: "Is this...have you got a certain size school in mind? A certain school in mind?"

Breslin: "Yes, I have Marsailles Unit District, which has 218 students in it."

Ewing: "Marsailles?"

Breslin: "Marsailles Unit District, yes."

Ewing: "And this is an Amendment to the conversion Bill that we passed last year?"

Breslin: "That is correct."

Ewing: "I would think that this has served as an excellent tool already and provided some options for some small schools who need to consolidate their high school and I would suggest that we support the Sponsor of this Bill."

Speaker Greiman: "Further discussion. There being none, the question is, 'Shall this Bill pass?' All in favor signify by voting 'aye'. Those opposed vote 'no'. It amends the School Code and provides for an annual designation by Gubernatorial Proclamation of that week in September, which includes American Indian Day, as American Indian Week in Illinois. That is all there is to it. It does not require the children to be out of school, it does not cost anything, and what it does is focus some long overdue attention on those who first settled in our great country. I ask your 'aye' vote."

Young: "Floor Amendments 1 and 2 were adopted to the Bill."

McCracken: "So that if, in fact, that statement is not made to the Grand Jury, that will not render the indictment null and void. Is that correct?"

Young: "No. It will be subject to a Motion to Dismiss. But it won't be null and void."

McCracken: "Would that make the indictment dismissable? The failure to so advise?"

Young: "Yes, it would make it dismissable, but it would be without prejudice, so you would have another chance to do it again."

McCracken: "Okay. Nothing further."

alternative that is 15% of the gross amount, or the amount by which disposable earnings exceed 30 times the minimum wage. Have you deleted the alternative?"

McCracken: "And you have retained the alternative of 15% of gross, is that correct?"

killed by a inmate and the current provision within the law states that for that particular crime there are only two provisions: One, 40 years or death, or life in prison and this allows for that 40 year sentence to be extended by the court. It is not mandated, as the amendment says, it is permissive legislation. I welcome your support on this Bill."

Speaker Giglio: "Question is, 'Shall House Bill 147 pass?' And on that question, the Gentleman from DuPage, Representative McCracken."

McCracken: "Thank you, Mr. Speaker. Will the Sponsor yield for a question?"

Speaker Giglio: "He indicates he will."

McCracken: "Under this Bill as amended, Representative, are the options in the murder of a police officer the following - 40 years, 80 years under the extended term, natural life, or death? Is any of those four options available under your Bill as amended?"

Ropp: "Yes, yes, they are all available. This Bill allows it to be extended beyond 40 and up to 80."

McCracken: "And is it your impression that under current law the extended term is not available for a crime of this type?"

Ropp: "You are correct."

McCracken: "Why is that?"

Ropp: "Because that is the law. The law says that you either sentence that person to 40 years in prison, that's one of the alternatives, the other one is two, either death or life in prison, and what I am attempting to do is to allow the court to include that gap between 40 and 80 years for a sentence of a particular criminal who has committed a first degree murder of a policeman or a fireman on duty."

potentially available in that case?"

Ropp: "Yes, it is available."

McCracken: "And if the jury decides not to, in a death penalty hearing, if the jury decides not to impose that penalty, is the court then required to impose natural life?"

Ropp: "No. It's either natural life or up to 40 years."

McCracken: "So they could...so under current law the court could impose either of those after a penalty hearing."

Ropp: "Yes."

McCracken: "Thank you."

Young: "Okay."

Ewing: "This is saying you still have to send that notice. It's just that the attorney for the petitioner does it. In some cases that hasn't been done by the clerk, it's fallen through the cracks, the attorney goes in and finds that he hasn't complied with all the requirements of the notice provision, and then the Judge is reluctant to grant the adoption."

Young: "So that this Bill is not changing any of the notice requirements. It's just shifting the burden from the clerk to the plaintiff's attorney?"

Last year we placed a fee on the disposal of hazardous waste and the fee took effect in January 1 of this year and it is a two year fee. Under the law, certain firms that had contracts prior to the law that could not break the contract, could ask for a waiver of the fee from EPA. This Bill would provide that that exemption, or the fee waiver, would apply only to the first 50,000 tons of waste and that's it, and not the rest. This has developed in southwestern Illinois where a million tons of garbage is coming over from St. Louis and St. Louis County into Illinois and they are asking for an exemption from the fee. Keane: "Yes. I ask leave to waive the posting rules on House Bill 1269 and House Bill 1053 so that they can be heard in Real Estate Subcommittee of the Revenue Committee this afternoon and for the Full Committee Hearing on Friday. I've discussed this with the Minority Leader of the Revenue Committee and she has no problem. House Bill 1053 and House Bill 1269."

Speaker Giglio: "Gentleman asks leave to waive the posting rules on House Bill 1052 and 1269 - 1053 and 1269. Does the Gentleman have leave? Leave is granted. Chair recognizes the Gentleman from Cook, Representative Krska."

Krska: "Hello... Yes, I would like to suspend the posting rules so that House Bills 1027, 2199, 2201 and 2761 can be heard in Registration and Regulation Committee tomorrow."

Speaker Giglio: "Does the Gentleman have leave to suspend the posting rules on House Bills 1027?"

Krska: "House Bills 1027, 2199, 2201 and 2761."

Speaker Giglio: "Gentleman have leave? The Gentleman from DuPage, Representative McCracken."

McCracken: "I just checked with our spokesman and he isn't aware of it. I wonder if we could just take it out of the record for a moment and he'll be right over to see you."

Speaker Giglio: "Out of the record, Mr. Clerk. Alright, on Page 26 of the Calendar House Bills Third Reading Short Debate, House Bill 35, Representative Stern, are you ready? Read the Bill, Mr. Clerk."

Clerk O'Brien: "House Bill 35, a Bill for an Act to add Sections to the School Code, Third Reading of the Bill."

Stern: "Mr. Speaker and Members of the House. This is, appropriately enough, the designation of Just Say 'No' Day on May 15, 1987, by official proclamation of the Governor. I think it's very appropriate after the ceremony that

opened our Session today to have this Bill come up for Third Reading today. This is not a school holiday. It doesn't cost anything. It simply gives the youngsters in school an opportunity to focus on maintaining a drug-free existence and I think that is something that we are all devoutly wishing. I ask for your 'aye' vote."

Speaker Giglio: "Question is, 'Shall House Bill 35 pass?'. All those in favor signify by voting 'aye', those opposed 'nay'. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Mr. Clerk, take the record. On this question there are 112 voting 'yes', none voting 'no', none voting 'present.' House Bill 35, having received the required Constitutional Majority, is hereby declared passed. House Bill 88, Representative Olson. Mr. Clerk, read the Bill."

Clerk O'Brien: "House Bill 88, a Bill for an Act to amend the Liquor Control Act. Third Reading of the Bill."

Speaker Giglio: "Representative Olson."

Olson: "Thank you Mr. Speaker, Ladies and Gentlemen of the House. This Bill will amend the Liquor Control Act under Chapter 43, Paragraph 130, to allow the sale or delivery of wine in addition to beer only at city fairs, and not at state or county fairs. The genesis for this Bill comes from a number of communities in the State of Illinois who have city events during the course of the summer and fall, and because of the popularity of wine and wine coolers, they have asked for the inclusion of these beverages in those very limited ordinance provisions. I move for the adoption of House Bill 88 and will be happy to answer any questions."

Speaker Giglio: "Question is, 'Shall House Bill 88 pass?' On that question the Gentleman from Cook, Representative Young."

Young: "Thank you, Mr. Chairman. Would the Sponsor yield."

Speaker Giglio: "He indicates he will."

Young: "Representative Olson, if we pass this Bill will we be allowed to sell wine at Navy Pier in Chicago?"

Olson: "Yes. This is applicatory across the state for festivals, et cetera."

Young: "Thank you very much. Mr. Speaker, I think this is a great Bill."

Speaker Giglio: "Further discussion. The Gentleman from Saline, Representative Phelps."

Phelps: "Thank you, Mr. Speaker, will the Gentleman yield for a question?"

Speaker Giglio: "He indicates he will."

Phelps: "Representative Olson, does this, for local festivities like a local celebration and the fall festival type thing, would this allow for that?"

Olson: "That's correct, Representative Phelps. For example, in Dixon we have something called the Petunia Festival which comes on every year at the 4th of July for 6 or 7 days. It's specifically designed for that type of event. Not a county or state fair."

Phelps: "But county fairs have that liberty now?"

Olson: "I'm not...I don't think they have. This is strictly designed to city and village events."

Phelps: "Within the city limits."

Olson: "Yes."

Phelps: "Thank you."

Speaker Giglio: "Further discussion? Hearing none, all those in favor signify by voting 'aye', those opposed 'nay'. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Mr. Clerk, take the record. On this question there are 104 voting 'yes', 10 voting 'no', none voting 'present.' House Bill 88, having

received the Constitutional Majority, is hereby declared passed. Representative O'Connell. Is Representative O'Connell in the Chamber? Out of the record, Mr. Clerk. Representative Klemm. House Bill 106. Read the Bill, Mr. Clerk."

Clerk O'Brien: "House Bill 106, a Bill for an Act to amend an Act to require prompt payment by the State of Illinois, Third Reading of the Bill."

Speaker Giglio: "Representative Klemm."

Klemm: "Thank you, Mr. Speaker. House Bill 106 amends the Prompt Payment Act and provides that when a state agency is late in paying a vendor's bill, that agency must pay the required interest penalty to the vendor. There is no existing language in current statutes that tells how a vendor should collect this interest and 106 says that the vendor only needs to initiate a written request for the interest penalty stating when it was due and payable. Last year we all voted for a similar Bill on a 116 to 0 vote to enable our vendors, our small businesses in Illinois, to receive the prompt payment interest that is due them, that is actually law today. And House Bill 106 will help the small business people in Illinois to at least receive this interest that is due them and I do ask for your favorable vote."

Speaker Giglio: "Any discussion? Hearing none, all those in favor signify by voting 'aye', those opposed 'nay'. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Mr. Clerk, take the record. On this question there are 109 voting 'yes', 1 voting 'no', none voting 'present.'" House Bill 106, having received the required Constitutional Majority is hereby declared passed. House Bill 172, Representative Countryman. Is Representative Countryman in the Chamber?

Representative Countryman. Mr. Clerk, read the Bill."

Clerk O'Brien: "House Bill 172, a Bill for an Act in relation to lost, destroyed or stolen instruments, amending certain Acts herein named, Third Reading of the Bill."

Speaker Giglio: "Representative Countryman."

Countryman: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. This Bill amends the Uniform Commercial Code in the case that a certified check, money order or cashier's check is lost or destroyed or in some other way not subject to being cashed. At the present time the law now provides that you can file a court case and then have the court determine a reasonable amount of security to be posted for that instrument in case it ever appears. This would amend the law under this Bill so that you don't have to go to court and that you can post either a bond that is sufficient with the bank which issued the instrument or a letter of credit issued by another bank. I believe the Bill has no opposition and I think it's a good move to solve a problem with lost instruments."

Speaker Giglio: "Question is, 'Shall House Bill 172 pass?' Any discussion? Hearing none, all those in favor signify by voting 'aye', those opposed 'nay'. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Mr. Clerk, take the record. On this question there are 116 voting 'yes', none voting 'no', none voting 'present.' House Bill 172, having received the required Constitutional Majority, is hereby declared passed. House Bill 246, Representative Flinn. Is Representative Flinn in the Chamber? House Bill 248. Out of the record. House Bill 351, Representative Parke. Representative Parke on House Bill 351. Are you ready, Sir? Mr. Clerk, read the Bill."

Illinois Insurance Code. Third Reading of the Bill."

Speaker Giglio: "The Gentleman from Cook, Representative Parke."

Parke: "Thank you, Mr. Speaker. House Bill 351 amends the Insurance Code that provides any insurance company may invest in mortgages on real estate, if such real estate is unencumbered except for a first mortgage, when requiring a second mortgage... or a second mortgage when requiring a first mortgage."

Speaker Giglio: "The question is, 'Shall House Bill 351 pass?' Any discussion? Hearing none, the Gentleman from Cook, Representative Young."

Young: "Thank you, Mr. Speaker. Will the Sponsor yield?"

Speaker Giglio: "Indicates he will."

Young: "Sponsor could you just... I'm a little confused as to how you have a second mortgage and a first mortgage? Could you explain that extent of the Bill on this?"

Parke: "Okay, it's a clarification of ambiguous situation. It allows the purchase of, by an insurance company, of a second mortgage on a piece of property, which already has a first mortgage. That's all it does. It says that it clarifies it, and says that if they already have a first mortgage, they also can have the second mortgage."

Young: "Has the Department of Insurance taken a position on this Bill?"

Parke: "I don't... from what I remember, nobody objected to this Bill at all, and I don't think the Department of Insurance has any problems with this. We talked... we talked to them about it originally and they had no problems with it, if I remember correctly."

Young: "Well, could you tell me what... could you give me an example of when this situation would come into effect?"

Parke: "I'm sorry. Could you say that again?"

Young: "I said, could you give me an example of... a working an

example of when this situation described in your Bill would come into a place... come into effect?"

Parke: "I'm sorry, I cannot."

Speaker Giglio: "Other questions?"

Young: "I don't know if Mr. Parke is saying that if we pass this Bill, you don't know how it will work?"

Parke: "No, I, did not say that. You said, can I have an example? I don't have an example, this came to me and did not come first hand from somebody in my district. It came from the Department. So a... perhaps a... I'll try to get an example for Representative Young so that we could clarify it. If you'll take it out of the record, I'll try to develop one for him, so as to satisfy his question."

Speaker Giglio: "Mr. Clerk, take this Bill out of the record."

Parke: "Thank you."

Speaker Giglio: "Mr. Clerk, Consent Calendar Second Reading."

Clerk O'Brien: "Consent Calendar Second Reading, Second Day. House Bill 187, a Bill for an Act to amend the Illinois Insurance Code. Second Reading of the Bill.
