Speaker McPike: "The House will come to order. Chaplain for today will be Reverend Tommy Byrd from the Emanuel Temple Church of God and Christ of Springfield. Reverend Byrd is the guest of Representative Curran. The guest in the balcony may wish to rise and join us for the invocation."

Rev. Byrd: "Let us look within ourselves today. For we are but men, and only God can do what we need done in our state. I ask everyone here to be honest and to look and know that there are things that man cannot do, and we'll try and I ask that we will now give ourself and commit ourself for Gods praying for our state. I would ask that you...as you think in Your own life, and as you consider that there are many things that we cannot control for we cannot even control the common cold. Nor can we even control a headache, much less gear and guide such a greater people. I ask that those who will join with me to give our lives and our state back into the hands of God, to just raise their hands. I would just ask that you raise your hand if you really want this state to be in Gods control. Father You have seen the hands and we just thank you that besides you there is no answer; for there is no answer in no form of government completely for You or where before any government. You were before anything that we can see. We have such great needs today, and even the ones who are leading us today have needs Father in their own lives. We just come before you and we humble ourself and we say let Your will be done in this State of Illinois. We won't look to the Governor, for the Governor has to look to You ultimately. We won't look to the Speaker, for the Speaker has to look to You. We won't look to the Legislation, or we won't look to the Supreme Court System for You have the answer for this State. Now I ask that You would encourage

the hearts and give the vision that you have for this state to the people, and give them the courage not to look to the party, not to look to their own interest, not to look to anything else but to look to You, and be strong in their lives, let them be heard and let them be counted as ones who have chosen Your way this day. In the time of just mere methods we are facing issues that cannot be met by more money. We are facing issues that cannot be met by no other means, we are at the crossroads in Illinois, and we want to be the state that You had in mind when you called this place Illinois. Father we just thank You now that You have done this for us, and we go to do Your business and we believe that You will be with us. Amen.

Speaker McPike: "The lead in the Pledge of Allegiance will be lead by Representative Edley."

Edley-et al: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands one Nation under God, indivisible, with liberty and justice for all."

Speaker McPike: "Roll call for Attendance. Piel."

Piel: "No excused absence, Mr. Speaker."

Speaker McPike: "Thank You. Mr. Matijevich."

Matijevich: "Yes, Mr. Speaker Representative Al Ronan is excused today."

Speaker McPike: "Take the roll, Mr. Clerk. One Hundred Seventeen members answering roll the quorum is present. Representative McNamara in the Chair."

McNamara: "Members of the House, I would like to take this opportunity to met to introduce you to the State Championship Football team under my district, from 4A as Richards High School Bulldogs and they're here to see it to here it today. Let see we have our Coach Gary Korhonen going to say a few words here. The coach got lost. I have

protection with me today, so... Let's give a big House welcome to the Coach."

Coach Korhonen: "Thank you. I think that first of all I would like to...I speak on behalf of our team and our three coaches that I work with: Bill Porter, Frank Salvatori, and John Rutkowski. We're very, very happy to be here and very, very proud to be here and I think for those of you who are athletic oriented out there, I think that you must realize winning fourteen games; being fourteen and 0 is a lot tougher than winning the State Championship, which we accomplished. And also, I think right now our team and the coaches staff is just very much in awe, in terms of the impressive facility, and the professional manner the way you run things here; and I would like to thank John McNamara who we probably represent our three communities, Oak Lawn, Robins, and Chicago Ridge of the 27th District, and just thanks a lot for having us here. Thank You."

McNamara: "I would like to ask the Clerk to read the Resolution."

Clerk O'Brien: "House Resolution 96 offered by Representative McNamara. For as the HL Richards High School Varsity Football team division 4A has won the 1988 State Championships; and whereas, Head Coach, Gary Korhonen, and assistants Frank Salvatori, Bill Porter, and John Rutkowski are proud of the outstanding effort of the team members; and whereas, the team ended the year with a splendid 14-0 record; therefore, be it resolved, by the House of the House of Representatives, of the Eighty-Sixth General Assembly of the State of Illinois; that we congratulate the H.L. Richards High School Varsity Football Team on winning the 1988 4A State Championship; that we commend the players and coaches for their dedication and sportsmanship; and that we wish all of the students success in their future lives; and be it further resolved, that a suitable copy of

this preamble and Resolution be presented to the members of the H.L. Richards High School Varsity Football Team and to their coaches."

McNamara: "Thank you very much, and I notice that Marty 'Larson' from the Oak Lawn park district, and Dale Swanson from the same place are also here. Thank You very much for having us here today."

Speaker McPike: "Representative Olson, that desk next to you there's a blinking light on now would you turn that off? Thank You. Page two of the Calendar, Speakers table, appears House Resolution 125. Representative Matijevich."

Matijevich: "Mr. Speaker, Ladies and Gentlemen of the House. House Resolution 125 is a committee Resolution of the rules committee. What it does it amends rules 16 and rule 27 of our permanent rules. It changes rule 16 in that it creates a standing committee on implementation of Chicago School reform with the anticipation that there will be public hearings on the implementation of the reforms and possible legislation regarding the implementation. The change in rule 27 would shorten by one week, the deadline committee deadline and House substantive Bills. What it means therefore ...there would be an extra week of Third Reading floor Action as much as we did some years ago. This Bill..this Resolution was unanimous in the committee, on ruled and therefore has the approval of both sides of the aisle, and Mr. Speaker, I move the adoption of House Resolution 125."

Speaker McPike: "Representative McCracken on the Motion."

McCracken: "Thank you. When I saw this come out of the Rules Committee even though it was unanimous I was dubious. I thought there must be something unconstitutional about this rule. There must be a problem between the executive and the Legislative Branches that this rule addresses, and I

HOUSE OF REPRESENTATIVES

thought about it, I stayed up last night, and I couldn't come up with anything wrong with this rule. Apparently it's constitutional. But, let me ask you this; why do we need another committee of ...for education isn't the law self-executing? Whose idea is it to create the Chicago school reform committee?"

Speaker McPike: "Representative Cullerton, did you want to answer that?"

Cullerton: "Well, no I wouldn't be the appropriate one to answer this since I'm opposed to this Amendment."

Speaker McPike: "Representative Matijevich."

Matijevich: "Well my explanation Tom, I'm glad we kept you up late last night thinking about this, but in my explanation I did say that there is a possibility of public hearings; regarding the emplantation of the Chicago school reforms, so we think because of the importance of the reforms that have been adopted by the Legislature that it is also important that we keep on top of the emplantation of those reforms, just in case that there maybe some changes necessary. So, we think that's important and evidently your side of the aisle thinks so too."

Speaker McPike: "If there are no objections the Gentlemen ask to leave for a unanimous consent. Question is to House Resolution 125 be adopted, if there are no objections the Attendance Roll Call will be used, and the Resolution is adopted. Page two of the Calendar. House Bills 3rd Reading appears House Bill 104. Representative Bowman."

Speaker McPike: "Read the Bill, Mr. Clerk."

Clerk O'Brien: "House Bill 104, a Bill for an Act to amend the Illinois pension code, 3rd Reading of the Bill."

Speaker McPike: "Representative Bowman. Representative Bowman would turn him on please, Mr. Electrician?"

Bowman: "Thank You, I'm on now. Ladies and Gentlemen of the

House, House Bill 104 is the reincarnation of House...Senate Bill 1470 from last session. I believe we're all familiar with this, because it was a major item on our Calendar at the very end of the 85th General Assembly. This is the Legislation that provides for responsible pension funding to pay off the unfunded liabilities of our pension systems on a program way. This is long overdue. I believe we are familiar with the issues so I won't prolong the debate, but I'll be happy to respond to questions. I ask for an Affirmative Roll Call?"

Speaker McPike: "Gentlemen moves for a passage House Bill 104, and on that Representative Hoffman."

Hoffman: "Thank You Mr. Speaker. Will the sponsor yield for a question?"

Mr. Speaker: "Yes he will."

Hoffman: "It's my understanding Representative Bowman that House Bill 104 only deals with a program to address the unfunded liability of the five state pensions systems. Is that correct? Is that all that is in it?"

Bowman: "That is correct, that is all that is in it. It is identical to 1470 as amenditorially vetoed by the Governor. There is nothing else in the Bill."

Hoffman: "Thank You very much. Mr. Speaker, Ladies and Gentlemen of the House I rise to join the...a sponsor of this Legislation and requesting your support for House Bill 104 ."

Speaker McPike: "Further discussion? Representative Cullerton. Wish to speak on this. Your light is on. The question is should House Bill 104 pass, all in favor vote 'aye' all oppose vote 'no'. Have all voted?. Have all voted, who wish? Anthony Young 'aye'. Have all voted. Have all voted who wish? The Clerk, will take the record. On this Bill there are 170 'ayes', no 'nays' none voting present.

House Bill 104 has received Constitutional Majority is heard by been declared passed. Representative Cullerton, for what reason do you rise?"

Cullerton: "Yes, I have an inquiry of the chair."

Speaker McPike: "State your inquiry."

Cullerton: "Mr. Speaker we adopted House Resolution 53, and we had amended House Resolution 53, with amendment number 35. And I'm trying to ascertain which rule number we amended, by Amendment #35?"

Speaker McPike: "Yes, what was your question again Representative Cullerton, the chair could not hear?"

Cullerton: "Yes, when we adopted House Resolution 53, that was the rules. Before we adopted it we had passed an Amendment, Amendment #35, and my question is which rule was it that Amendment #35 amended?"

Speaker McPike: "Representative Cullerton that was rule 3."

Cullerton: "Okay, Mr. Speaker, I have a further inquiry then. Mr. Speaker amendment #35, and now it's in our rule; rule 3 the name of the rule is permanent seats, offices, secretaries, and parking spaces, and I specifically have a question concerning that portion of the rule that affects parking spaces."

Speaker McPike: "State your question, Sir."

Cullerton: "Well, I've had a number of people ask me, they come to me since I'm speaker protem now, I guess. They can't get in to speak to the real Speaker. They've asked me about specifically about a specific parking space, which; the number of which is 0-101. Now, this parking space is right outside the north entrance of the Stratton Building, so if you're in the Stratton Building, as many Representatives are, and you come out, there's this parking space which is right there. It has not been assigned."

Speaker McPike: "This parking space immediately outside the

door?"

Cullerton: "Yes, it would be a great parking space. And, the way I understand the way this rule has to work; parking spaces are chosen on the basis on seniority, and I wanted to find out if this rule has been complied with, in another words have we gone about the business of picking the parking spaces by seniority, because if we have then this parking space would be available, and I could tell my members it would be; they can switch over there. I know that the Democrats have done this parking space assignment by seniority. I just wanted to find out if you could inquire, as to whether or not it's been completed? The parking space is 0-101, it's a real good parking space."

Speaker McPike: "I think the Assistant Clerk would be the one who could answer that question as to rather or not the rules in regards to seniority and assigning parking places have been complied with. Representative Cullerton: Mr. Leone is indicating that the rule...Actually he's left. I'm not sure, he was getting ready to indicate whether or not he knew."

Cullerton: "Rule 3?"

Mr. Speaker: "Rule 3."

Cullerton: "Rule 3 is a permanent rule now, right? This is part of the rule?"

Mr. Speaker: "It's a permanent rule, and..."

Cullerton: "It was adopted?"

Speaker McPike: "It was adopted, I believe. Yes."

Cullerton: "Now I'm not asking about secretaries yet, or office space yet, this is just parking space. The one I'm interested in is parking space 0-101, which is right outside the Stratton Office Building. As you walk out the North entrance it's right there."

Speaker McPike: "Perhaps the next time the Clerk is not in the

Clerk's chair and the Assistant Clerk is in the chair, you could direct that question to the chair at that time and the chair could address it to the Assistant Clerk."

Cullerton: "Well in the mean time though, my Members have asked me when this spot might be available. Will we be able to find out, soon?"

Speaker McPike: "Most of the Members are asking the chair when their going to adjourn."

Cullerton: "Well their asking me about parking spaces."

Speaker McPike: "Representative Leverenz."

Leverenz: "Sponsor Yield, is he the sponsor? Could he draw us a better picture where this parking space is? And, maybe restate what the policy now...about parking spaces by seniority."

Cullerton: "Yeah, I think it's right next to the one you lost out on."

Leverenz: "Oh."

Cullerton: "Because somebody who was more senior than you took the one you wanted."

Leverenz: "They were more what?"

Cullerton: "You see over here on our side of the aisle, we had this lottery by seniority, as to where you get..."

Leverenz: "In some cases that's true."

Cullerton: "Right, after Leadership, apparently."

Leverenz: "Oh, there was a paragraph that covered that."

Cullerton: "So the parking space you want to look for is 0-101. It's right outside the..."

Leverenz: "Am I 0-103?"

Cullerton: "I think you are."

Leverenz: "There was a big white cadillac parked there yesterday, I couldn't get it moved, it had 805; 805 license plate on it, I don't know who parked there."

Cullerton: "Charlie Chews."
