House Bill 3925, introduced by Representative Bugielski, a Bill for an Act to amend the Illinois Clinical Laboratory Act. First Reading of the Bill. First Reading of the Constitutional Amendments. House Bill 33, House Joint Resolution Constitutional Amendment #33 introduced by Representative Granberg. WHEREAS, The Illinois General Assembly has enacted 'The State Mandates Act' in which the General Assembly states: 'The General Assembly finds that preceding actions of the State government in specifying the manner, standards, and conditions under which public services are rendered to citizens by the political subdivisions of this State on occasion have not resulted in equitable relationships between the State government and its local political subdivisions. Some of these actions have dealt in detail with the internal management of local governments, others have specified the establishment of new services and facilities without providing any new revenue sources or any financial participation by the State in meeting the additional costs; still others have specified the adoption of higher service standards without a full assessment of the impact upon local expenditures and tax rates'; and WHEREAS, The General Assembly has on repeated occasions enacted legislation which has necessitated the expenditure of funds by local governments without a source of replacement funding therefor and which has been specifically exempted from 'The State Mandates Act'; therefore, be it RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE EIGHTY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or

PASSAGE OF BILLS The enacting clause of the laws of this State shall be: 'Be it enacted by the People of the State of Illinois, represented in the General Assembly.' (b)The General Assembly shall enact laws only by bill. Bills may originate in either house, but may be amended or rejected by the other. (c)No bill shall become a law without the concurrence of a majority of the members elected to each house. Final passage of a bill shall be by record vote. In the Senate at the request of two members, and in the House at the request of five members, a record vote may be taken on any other occasion. A record vote is a vote by yeas and nays on the journal. (d)A bill shall be read by title on three different days in each house. A bill and each amendment thereto shall be reproduced and placed on the desk of each member before final passage. Bills, except bills for appropriations and for the codification, revision or rearrangement of laws, shall be confined to one subject. Except as otherwise provided in subdivision (e)(2) of this Section, appropriation bills shall be limited to the subject of appropriations. A bill expressly amending a law shall set forth completely the sections amended. (e)A bill which would require the expenditure by a unit of local government or school district of funds in order to implement that bill shall not become law unless either: (1) the bill passes with the concurrence of at least three-fifths of the members elected to each house; or (2) the bill passes with the concurrence of a majority of the members elected to each house and the bill provides for

For the purposes of this subsection (e), "unit of local government" shall have the meaning ascribed to it in Article VII, Section 1 of this Constitution.
