Help those of us who depend on the things which they do to uphold them offer to You in prayer, God, to encourage them and to be thankful for them and thank You for grace in our lives by which we stand. Speaker Keane: "Is there leave for the Gentleman's Motion to table House Bill 959 and 960? Leave, and the Bills are tabled. Representative Shaw, for what purpose do you rise?"

Shaw: "Thank you, Mr. Speaker. I would like to suspend the appropriate rules where that...House Bill 1747 and 1748, could...where they could waive the posting rules where that they could be heard in Constitutional Offices Committee on Thursday. Also, 1960. I would like to suspend the posting rules where those Bills could be heard in committee on Thursday in Constitutional Offices and I have talked to the Minority side, and it is okay with them."

Speaker Keane: "Is there leave by the use of Attendance Roll Call to waive the posting requirements for these Bills? There is leave, and the posting requirements have been waived. Representative Giglio in the Chair."

Speaker Giglio: "The Gentleman, from Madison, Representative Wolf."

Wolf: "Thank you, Mr. Speaker. I request leave of the House to suspend the posting requirements in order that House Bills 665, 1527 and 1529 can be heard in Pensions Committee Thursday afternoon. Subject matter only."

Representative Currie."

Currie: "Thank you, Mr. Speaker and Members of the House. I would like to waive the posting requirements so that House Bills 1401 and 1406 may be heard in both the Sales Tax subcommittee of the House Revenue Committee tomorrow morning and in the full committee. This request has been cleared with the Minority spokesman on the House Revenue Committee."

Speaker Giglio: "You heard the Lady's Motion. Any discussion? Does the Lady have leave by the Attendance Roll Call? Hearing none, leave is granted. The Gentleman from Cook, Representative Martinez."

Martinez: "Thank you, Mr. Speaker, Members of the House. I would like to ask leave of this House to waive...posting of House Bill 59 and House Bill 614. It is my understanding that the other side of the aisle has agreed to this."

Speaker Giglio: "You heard the Gentleman's request. Does the Gentleman have leave by the Attendance Roll Call to have these Bills posted? Hearing none, leave is granted. On the Order of Second Reading, House Bills page 10 of the Calendar, appears House Bill 459. Representative Turner. Second Reading 459. Mr. Clerk, read the Bill."

Speaker Giglio: "Are there any Floor Amendments?"

Clerk O'Brien: "Floor Amendment #1, offered by Representative Turner."

Speaker Giglio: "The Gentleman from Cook, Representative Turner on Amendment #1."

Turner: "Thank you, Mr. Speaker. Amendment #1 merely makes...creates an effective date for the Home Program which was passed out by this Assembly last Session, and I

move for the adoption of Amendment #1 to House Bill 459."

Speaker Giglio: "Any discussion on the Amendment? The Gentleman, from Cook, Representative Parke."

Parke: "Thank you, Mr. Speaker. I have a simple question of the Chair. Why are we going to 459 as a Bill and is this in any kind of a sequence of Second Reading Calls? Are we going, do we have it? Why don't we just start from the beginning? Can the Members expect some kind of a reasonable sequence of calling of Bills?"

Speaker Giglio: "No, the people that notified me wanted their Bills out of the record, Mr. Parke and..."

Parke: "Wanted their Bills out of the record?"

Speaker Giglio: "They didn't want them heard on Second Reading today. Some of them had made fiscal notes, some were taken out of the record, so we just are going right down the list."

Parke: "You're going to go right down the list, so we can expect that the next Bill 461 will be called and so on?"

Speaker Giglio: "It says Short Debate, so we'll take that into consideration."

Parke: "Okay. Thank you very much."

Speaker Giglio: "Is there further discussion on the Amendment? Hearing none, all those in favor of the Amendment signify by saying 'aye' opposed 'nay'. In the opinion of the Chair, the 'ayes' have it. The Amendment is adopted. Are there further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Giglio: "Third Reading. Representative Dunn, are you seeking recognition? The Gentleman from Macon, are you seeking recognition?"

Dunn: "Yes, Mr. Speaker. To request that the appropriate posting rules be waived so that House Bill 1018 can be heard in Transportation Committee this afternoon. This Bill was

assigned to a subcommittee last week, which didn't meet because of the press of time. Chairman is in agreement, and I think the Minority spokesperson is in agreement. The Chairman indicates that, but I can't find the Minority spokesman."

Speaker Giglio: "Any discussion on the Gentleman's Motion? Hearing none, does the Gentleman has leave by the Attendance Roll Call to have these Bills posted. Hearing none, leave is granted. Representative Dunn."

Dunn: "I also have the same Motion with regard to House Bill 1017, House Bill 1017, and House Bill 1205. These Bills were posted in the Environment and Energy Committee last week and were not heard and I talked to the Chairman and he has no objection to posting them, to hearing them, and again I don't know where the Minority spokesperson is, the same Minority spokesman. I would like to have these Bills heard in the Environment and Energy Committee this week."

Speaker Giglio: "Representative Dunn, could you repeat those Bills again?"

Dunn: "The House Bill numbers are House Bill 1017 and House Bill 1205 in Environment and Energy Committee."

Speaker Giglio: "You heard the Gentleman's Motion. Does the Gentleman have leave by the Attendance Roll Call? The Gentleman from Vermilion, Representative Black."

Black: "Yes. Thank you very much, Mr. Speaker. I don't think, I don't think our spokesman is aware of what these Bills are and how many he's posted. Could we get the two of them together here for just a second? Let's slow down just a little bit and make sure we're communicating."

Speaker Giglio: "Mr. Clerk, take these out of the record for a moment. Representative Dunn."

Dunn: "I've cleared with, definitely cleared with both sides of the aisle, so I now move that the appropriate posting

requirements be waived so that the following Bills can be heard this week in Environment and Energy Committee. The two Bills are, three Bills, no make it two. House Bill 1017, 1017, and House Bill 1205."

Speaker Giglio: "You heard the Gentleman's Motion. Does the Gentleman have leave by the Attendance Roll Call to have these Bills posted? Representative Peterson."

Peterson: "Thank you, Mr. Speaker. I told Representative Dunn that it was fine with me as long as the Chairman agreed and I have not heard from Chairman Kulas if he is going to agree to waive the posting requirements."

Speaker Giglio: "Representative Dunn."

Dunn: "The Chairman has told me twice, eyeball to eyeball in this chamber sine we have convened today, that we agree."

Peterson: "The Chairman has come up to me now and said that he supports the waiving of the posting notice. I agree. Thank you, Mr. Speaker."

Speaker Giglio: "Representative Saltsman."

Saltsman: "Yes. Thank you, Mr. Speaker. The House Executive Committee will meet..."

Speaker Giglio: "Hold it, hold it. We're not finished on this Order of Business. Is there any discussion on the Gentleman's Motion to have these Bills heard? Representative Young, are you challenging this Motion? No. Okay. Alright, does the Gentleman have leave by the Attendance Roll Call? Any discussion? Hearing none, leave is granted by the Attendance Roll Call to have these Bills posted. The Lady from St. Clair, Representative Wyvetter Younge."

Younge: "Thank you, Mr. Speaker. I asked leave to waive the posting requirements in reference to House Bill 1755 and 1581. I have checked with the Chairmen, Representative Currie and Kubik, and I ask that the posting requirements

on these two Bills be waived and they be posted in the appropriate subcommittees. That's House Bill 1755 and 1581."

Speaker Giglio: "You heard the lady's Motion. Any discussion? Does the Lady have leave by the Attendance Roll Call to have these Bills posted? Hearing none, leave is granted. The Gentleman from Peoria, Representative Saltsman."

Saltsman: "Yes, thank you, Mr. Speaker. The House Executive Committee will meet at 9:00 tomorrow morning. It was previously posted for 8:00 p.m. The House Committee and Executive tomorrow will meet at 9:00 a.m."

Speaker Giglio: "House Executive tomorrow morning at 9:00 a.m. instead of 8:00 a.m. The Gentleman from Lake, Representative Matijeovich."

Matijeovich: "Yes, Mr. Speaker, Members of the House. The House Rules Committee, the Recess Committee, will meet tomorrow at 8:00 a.m. in Room 114 to discuss House Rules regarding guidelines and procedures with reapportionment. 114 at 8:00 a.m. tomorrow morning."

Speaker Giglio: "House Rules at 8:00 o'clock tomorrow morning. Representative White."

White: "Mr. Speaker, Ladies and Gentlemen of the House. The Human Services Committee will meet today at 5:00 o'clock in Room 114. At 5:00 o'clock in 114."

Speaker Giglio: "5:00 o'clock, 114, Committee on Health?"

White: "Human Services."

Speaker Giglio: "Human Services. The Chair would also like to make an announcement that the Speaker's Task Force on Drug Enforcement and Prevention will meet in Mr. LaPaille's office at 4:00 p.m. today. That's the Task Force on Drug Enforcement and Prevention in Mr. LaPaille's office at 4:00 p.m. today. Clerk O'Brien: "House Bill 969, a Bill for an Act to amend the Illinois Pension Code. Second Reading of the Bill. No Committee Amendments."

Speaker Giglio: "Are there any Floor Amendments?"

Clerk O'Brien: "No Floor Amendments."

Speaker Giglio: "Third Reading. The Gentleman from Madison, Representative Wolf."

Wolf: "Thank you, Mr. Speaker. Request leave for immediate consideration."

Speaker Giglio: "The Gentleman from Vermilion, Representative Black."

Black: "Thank you very much, Mr. Speaker. Is...it is my understanding that this is still a Vehicle Bill and the Gentleman wants to move it to Third...immediately."

Speaker Giglio: "The Gentleman would like to pass the Bill."

Black: "He'd like to pass..."

Speaker Giglio: "He'd like to move to Third."

Black: "He'd like to a Vehicle Bill. It's awful early to be passing Vehicle Bills. If the Sponsor could enlighten us with what he has in mind with it."

Wolf: "Surely. Representative Black, this is a Bill that will be used to send to the Senate where an Amendment will be put on to address an issue in Senate Bill 1951 that we passed in January."

Black: "Well, I appreciate that, Representative, and you know the Calendar shows that a pension impact note has been filed on this Bill. Would you tell me how you can file a pension impact note on a Bill that doesn't have anything in it?"

Wolf: "That's difficult."

Black: "A question of the Chair."

Speaker Giglio: "Representative Black..."

Black: "The Calendar shows a pension impact note has been filed

on this Bill. We would like to see a copy of that pension impact note, if we could."

Wolf: "I'm sure there is a copy filed in the well there, Representative. If there is an Amendment that impacts this Bill I'm sure that that impact statement will be revised at the proper time."

Black: "I'm sorry, Mr. Speaker, we seem to have no order in here, and I can't hear the Gentleman."

Speaker Giglio: "There is a pension impact note on file, Representative Black, and would the Gentleman like to have it heard on Third Reading is asking leave, perhaps if he gets leave, then we could discuss the Bill on Third Reading."

Black: "I'll defer to the spokesman on our side for the pensions committee, Representative Parke."

Speaker Giglio: "Representative who? I'm sorry. Representative Parke."

Parke: "Thank you, Mr. Speaker."

Speaker Giglio: "For what reason you rise, Sir?"

Parke: "I rise on the point of discharge. I mean of immediate consideration."

Speaker Giglio: "Proceed."

Parke: "I also question why we need to send a Bill over to the Senate when the Senate is quite capable of passing out any vehicle they want us to pass out over there. I don't know why we have to go through this. This Bill was put on the Calendar with the understanding that it would be used for something in the House. It is some kind of particular situation that we all would have the opportunity to decide as Members of this Body."

Speaker Giglio: "Representative Parke, we can discuss the Bill on Third Reading. The request to hear the Bill is non-debatable. All those in favor. Mr. Clerk, read the

Bill."

Clerk O'Brien: "House Bill 969, a Bill for an Act to amend the Illinois Pension Code. Third Reading of the Bill."

Speaker Giglio: "The Gentleman from Madison, Representative Wolf."

Wolf: "Thank you, Mr. Speaker. House Bill 969 is a Bill that in its present form will be sent to the Senate where an Amendment will be put on to address an issue in Senate Bill 1951 that we passed on January the 8th of this year. This is a provision that will extend a 30-day period to allow certain people to take advantage of the alternative formula that we set up there. The reasons for this is, that this particular system that we set up has as yet not been approved by the IRS and we are simply waiting until such time as that happens. This provides that interim period of time to allow those individuals to do that. I would ask for passage of House Bill 969."

Speaker Giglio: "Any discussion? The Gentleman from Cook, Representative Parke."

Parke: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. We have here a Bill that supposedly is going to be used over in the Senate, and I have all due respect for my colleague on the Democratic side that in fact it is the intention of having this Bill do as he says. However, we all know when a Bill goes over to the Senate we have no idea ultimately what they are going to do with that and I think this Body ought to have the ability to know in writing what this Bill is going to do. So I would ask my colleagues on the Republican side to vote 'no' on this until we have the opportunity to find out in fact what the Senate's intention is doing in its' entirety, and the Senate is quite capable, quite frankly, of putting out their own legislation and so I am confused and until that

STATE OF ILLINOIS
87th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

37th Legislative Day

confusion is squared away in my opinion, I think we should vote 'no' on this Bill and let our colleagues on the other side do as they please."

Speaker Giglio: "The Gentleman from Madison, Representative Wolf, to close."

Wolf: "Thank you, Mr. Speaker. In response to the last speaker, let me just say that maybe this is the first instance of a legislative courtesy in that we are sending a Bill over there to allow an individual from the area in which this Bill is going to apply to put the necessary Amendment on there to send it back here for final approval. I would ask your indulgence in the passage of House Bill 969."

Speaker Giglio: "The question is, 'Shall House Bill 969 pass?' All those in favor signify by voting 'aye', opposed 'nay'. This is final action. Have all voted who wish? Have all voted who wish? Representative DeLeo. Have all voted who wish? Mr. Clerk, take the record. On this question there are 70 voting 'yes', Ellis Levin voting 'aye'. On this question there are now 71 voting 'yes', 43 voting 'no', and 1 voting 'present' and House Bill 969 having received the required Constitutional Majority, is hereby declared passed. The Gentleman from Cook, Representative DeLeo."

DeLeo: "Thank you, Mr. Speaker. I'd ask to suspend the posting requirement rules for House Bill 2527 for the Consumer Protection Committee tomorrow. I failed to post it with the appropriate time schedule, and I ask to have that waived."

Speaker Giglio: "You heard the Gentleman's Motion. Any discussion? Representative Black."

Black: "Thank you very much, Mr. Speaker. Has the Gentleman cleared that with the Minority spokesman?"

DeLeo: "Yes."

Speaker Giglio: "He indicates 'yes'."

Black: "Alright Representative, is this a Bill that was posted to a committee and then switched to another committee? Is this the Bill I am thinking of? Is it the home repair?"

DeLeo: "No. This is the Home Repair Fraud Act and it's never been posted."

Black: "Okay."

Speaker Giglio: "You heard the Gentleman's Motion. Does the Gentleman have leave by the Attendance Roll Call to have this Bill posted? Hearing none, leave is granted."

Speaker Giglio: "The Gentleman from Sangamon, Representative Curran."

Curran: "Thank you, Mr. Speaker. I move to waive the appropriate rules posting notices for House Bill 2034, 2335 and 596, all to be heard in State Government Administration. This has been cleared with both sides of the aisle. I don't know of any objections."

Speaker Giglio: "You heard the Gentleman's request. Does the Gentleman have leave by the Attendance Roll Call? On that question the Gentleman from Vermilion, Representative Black."

Black: "Thank you very much, Mr. Speaker. Would the Gentleman repeat the Bills? I didn't hear whether there were three or four."

Curran: "Three."

Black: "Three."

Curran: "House Bill 2034, House Bill 2335 and House Bill 596. All of have been cleared with Representative Churchill."

Black: "Thank you very much."

Speaker Giglio: "Does the Gentleman have leave by the Attendance Roll Call? Hearing none, leave is granted. The Gentleman from Cook, Representative Balanoff."

Balanoff: "I just like the record to reflect that had I been on the floor I would have objected to the waiving of the

posting requirements for House Bill 6 and House Bill 1588 in Environment and Energy."

Speaker Giglio: "Mr. Clerk, let the record so indicate. The Chair would like to make an important announcement. The Members are getting a yellow notification sheet on your desk and there will be another one coming out that is orange. That's very important because it gives the schedule for tomorrow. The House Rules Committee will meet tomorrow morning at 8:00 o'clock in Room 114 to consider House Rules on reapportionment. Then the House will have Floor Session at 1:00 o'clock for a brief Session and then party caucuses to discuss the House Rules on reapportionment. We will then go to committee and then reconvene tomorrow at 5:00 o'clock for late afternoon Floor Session to consider the Bills on reapportionment as reported by the House Rules Committee. Eight o'clock tomorrow morning, 1:00 Floor Session, Committees, and then 5:00 o'clock Session again. The Chairman of Executive made the announcement that we will meet at 9:00. This will be pending the House Rules Committee tomorrow morning in Room 114. So whenever the House Rules Committee finishes the House Executive Committee will meet following the Rules Committee in Room 114. Representative Currie, do you seek recognition? Barbara Currie."

Currie: "Thank you, Mr. Speaker. I would like to make a Motion to suspend posting requirements with respect to House Bill 2520 in the House Revenue Committee, but I'm not sure that the person who wishes me to make the Motion has yet cleared this with the Minority spokesman, so I'm trying to see whether that's happening. But my Motion would be that we suspend the posting requirements so that House Bill 2520 may be heard in the Real Estate Tax Subcommittee of the House Revenue Committee tomorrow and also be posted for

consideration in the full Revenue Committee."

Speaker Giglio: "The Gentleman from Vermilion, Representative Black."

Black: "Thank you very much, Mr. Speaker. Is the Lady requesting the suspension, is she the Chief Sponsor of this Bill?"

Currie: "No."

Black "Do you have a written designation giving this Bill to you?"

Currie: "The Chief Sponsor of the Bill requested this Motion of me. As I started out, when I began to make the Motion, I believe that people who would like this...this posting notice waived are on their way to speak to the Minority spokesman on the House Revenue Committee. I mean, you're welcome to object if you like."

Black: "According to my records this Bill was posted in the House Judiciary Committee. Has that changed?"

Currie: "Well, then, I certainly don't want to repost it if it's not assigned to the House Revenue Committee. I must have been given either the wrong number of the Bill or there must have been a mis..."
