I think we had 29 House Members participate...an all-time record. I wanted to congratulate all of them for their outstanding support, sportsmanship and talent that was so overwhelmingly displayed by the House Members over, once again, the Senate. Thank you very much."

Speaker Keane: "Well, the Chair would like to issue a well done, but it's very hard to get excited about beating a bunch of geriatrics. So, we'll just say 'well done' for beating up on the old guys. Consent Calendar, Second Reading."

Speaker Keane: "Third Reading. Mr. Clerk, House Resolution 315, on page 16 of the Calendar. Speaker's Table, Consent Calendar."

Clerk O'Brien: "House Resolution 315 urges Congress to eliminate inadequacies in the payment of Social Security benefits based on years of the person's initially become eligible for benefits. Committee on Aging recommends, 'do adopt'."

Speaker Keane: "Any discussion? There being none, all those in favor say 'aye', opposed, 'no'. The 'ayes' have it, and the Resolution passes...is adopted. On page 16 of the Calendar, Speaker's Table, is House Joint Resolution 36. Representative Matijevich. Mr..."

Matijevich: "Yes, Mr. Speaker, Ladies and Gentlemen of the House. House Joint Resolution 36 is a Resolution with regards to the issue of work...work force preparedness. It would...provide that the Citizens Council on Children...study the report on issues relating to work force preparedness. Let me first have leave of the House. I...across my desk there were two...Amendments. Number one, with leave of the House...I would like to adopt...Amendment #1 which is numbered LR8701448CTMCAM02. I'll give it to you, Jack, but, you got it? It's the 02...the...that will Amendment #1, leave of the House that that be adopted as Amendment #1 to House Joint Resolution and the use of the Attendance Roll Call for that purpose. There is no opposition to the...to the House Joint Resolution. The...Peg Breslin...a former Member has worked with the...Illinois Retail Merchants...and with the work

force...the National Safe Work Place Institute, and as I said the Retail Merchants Association are supportive, so I would...I would move 'do adopt as amended' with the...Amendment as I...offered here."

Speaker Keane: "Is there any discussion? There being none, the question is...Representative Matijevec, in committee you adopted an Amendment."

Matijevec: "It was adopted in Committee Rules...Rules Committee."

Speaker Keane: "The Amendment was adopted in Rules Committee?"

Matijevec: "The Amendment...evidently the second Amendment came across our desk, but it was numbered one the same as the Amendment offered in Rules, so I would ask leave to table the Amendment that was offered in committee and adopt the Amendment that I just cited to the...to the Clerk."

Speaker Keane: "Representative Black."

Black: "I...I can't shed any light on...on what Amendment but I can speak to the Gentleman's Motion that this is a result of some legislation that we just couldn't get moved. I think the Gentleman's Resolution is certainly in order and worthy of support. If we can get the Amendment where it is worked out, we'd like to join him in moving this Resolution."

Speaker Keane: "Alright. The Gentleman...the Gentleman moves to table Amendment #1. All those in favor say 'aye', opposed, 'no'. The 'ayes' have it, and #1 is...Amendment #1 is tabled. Now we go to leave to...#2...Amendment #2."

Matijevec: "I move to adopt Amendment #2. This is actually the same as Amendment #1...but we incorporated it all into one Amendment, but it also...there was a mistake in Amendment #1 because in the whereas...one of the whereas clauses it used the words 'task force' rather than 'Citizens Council on Children' which should make the report. That's the only

difference. So, I move the adoption of the...Amendment #2 then."

Speaker Keane: "We will direct the Clerk on its face to amend #1 to reflect Amendment #2. On that, Representative Black."

Black: "Thank you very much, Mr. Speaker. I...I...I stand in agreement with the Gentleman, but I would like a copy of the Amendment before we roll this thing. If we could just get a copy of the Amendment..."

Speaker Keane: "We'll stand at ease for a moment while one of the pages brings this up to you. While we're doing that, is there leave to...leave by use of the Attendance Roll Call to renumber Amendment #1, Amendment #2? Hearing no objection, leave is granted and Amendment...a Amendment is now amended on its face...to Amendment #2. Representative Kulas, for what purpose do you rise?"

Kulas: "Thank you, Mr. Speaker. Just to break the rules for a second. We have a former Member of the Illinois General Assembly and now a member of the Pollution Control Board, Michael Nardulli, here by my seat."

Speaker Keane: "Welcome. Welcome. Representative Matijeovich."

Matijeovich: "I...I understand Representative Bill Black has looked over the Amendment and has approved it, and I now...move to adopt Amendment #2."

Speaker Keane: "The Gentleman moves the adoption of Amendment #2. All those in favor say 'aye', all opposed, 'no'. The 'ayes' have it, and Amendment #2 is adopted."

Matijeovich: "Now, Mr. Speaker, I move the adoption of House Joint Resolution #36, as amended, and I believe I have explained it."

Speaker Keane: "The Gentleman moves the adoption of House Joint Resolution 36 as amended. All those...with leave for use of the Attendance Roll Call. Is there leave? Leave has been granted, and the House Joint Resolution 36 is adopted."

Representative Balanoff, for what purpose do you rise?"

Balanoff: "Yes...yes, just for a...a point of personal privilege, and to break the rules a little bit, but to make an introduction...I'm...very proudly standing next to me is the President of the Student Body at Chicago State University, Harold Dade, and somebody that was formerly on my staff who is now the Vice-President of the Student Body at Chicago State, Artura Mota, and they are here to bring a message that 30% of the undergraduate...minority undergraduates in the 12 public universities go to Chicago State University, and they are the lowest-funded of all the public universities in the State of Illinois, and they think that's outrageous, and I certainly agree...Artura Mota and Harold Dade."

Speaker Keane: "Welcome Gentlemen. Welcome. Committee report."

Clerk O'Brien: "Representative John Dunn, Chairman of the Committee on Judiciary I, to which the following Bills were referred, action taken June 12, 1991, reported the same back with the following recommendations: 'do pass' Senate Bills 998 and 1423; 'do pass Short Debate Status' Senate Bill 1437, 556, 204 and 587; 'do pass as amended Short Debate Status' Senate Bills 714, 182, 1160, 1277 and 502; 'do pass as amended Consent Calendar' Senate Bill 86."

Speaker Keane: "Representative Davis, for what purpose do you rise?"

Davis: "Thank you, Mr. Chairman. Mr. Speaker. Mr. Speaker...Ladies and Gentleman of the General Assembly. I wanted to take this opportunity to introduce to you some members of the local school council in Chicago. There up here in the right hand balcony, and they're facing us. Hi, up there, and I would like to conclude, Mr. Speaker, that we have the President of District 6 Council, Ms. Ruth Frazier. We have the Chairman of Instruction for the Chicago Board of Education, Ms. Pat Dailey and she's from Mr...Representative Keane's district so, I'm sure you know the hard working Pat Dailey, no relationship to 'the' Richard Dailey, and we have the Ms. Florence Cox here who is also a member of the Chicago Board. We would like to say, Mr. Keane that we welcome all of the Chicagoans to Springfield, God bless you and we'll continue to work on your behalf. Hi, students."

Speaker Keane: "We'll go to...Senate Bill, Second Reading, on the top of page 6 appears Senate Bill 16, Representative Steczo."

Steczko: "Out of the record."

Speaker Keane: "House Bill 33. Representative Currie. Mr. Clerk, read the Bill."

Clerk O'Brien: "Senate Bill 33, a Bill for an Act to amend an Act concerning home equity conversion mortgages. Second Reading of the Bill. Amendment #1 was adopted in committee."

Speaker Keane: "Any Motions filed?"

Clerk O'Brien: "No Motions filed."

Speaker Keane: "Any floor Amendments?"

The changes are these: first of all, we protect the individual spouse who may not be old enough under our Bill to apply and sign for a reverse mortgage in the event that the individual who is old enough to apply should die or otherwise leave the home and leave the other spouse in the home and that is as we define that individual as a borrower for purposes of the decision when a reverse mortgage comes due; and secondly, we take out language that says that no more than 80% of the value of the property could be subject to a non-recourse reverse mortgage. We take that provision out because in the view of the American Association of Retired Persons and the National Home Equity Coalition that language would make it difficult for...individuals with relatively less expensive homes to find a..."

Speaker Keane: "Lady...moves the adoption of Amendment #2. Is there any discussion? Representative Black"

Black: "Yah, thank you very much, Mr. Speaker. Will the Sponsor yield?"

Speaker Keane: "Indicates she will."

Black: "Now, Representative, with the Amendment this Bill is in the same form as House Bill 67?"

Currie: "With those two changes which also will be made in House Bill 67."

Black: "Thank you very much."

Speaker Keane: "Is there any discussion? There being none, the question, 'Shall the House adopt House Amendment #2?' All those in favor say 'aye', opposed 'no'. The 'ayes' have it. Amendment #2 is adopted. Any further Amendments?"
