Speaker Giglio: "House will come to order; the hour of 12:00 having arrived. The guests in the gallery may want to rise for the invocation, and today we will be led in prayer by the Assistant Clerk, Mr. Tony Leone."

Clerk Leone: "Let us pray. God, bless this House and all those who work and serve here. Amen."

Speaker Giglio: "We'll be led in the Pledge of Allegiance by Representative...Mr. Deering. Representative Deering, will you lead us in the Pledge?"

Deering - et al: "I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

Speaker Giglio: "Roll Call for Attendance. Take the record, Mr. Clerk. 116 answering the 'present' Call, a quorum is present. The House is ready to do its business. Representative Kubik."

Kubik: "Yes, Mr. Speaker. Just to make sure the record reflects that Representative Klemm is excused today, and Representative Ewing who is probably is on his way to Washington right now."

Speaker Giglio: "Representative Matijeich."

Matijeich: "We're all here, waiting for some leadership."

Speaker Giglio: "Alright, we have an announcement. Representative Weller in the Chair."

Speaker Weller: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. It is my privilege today to have the opportunity to introduce four outstanding young women from the 85th Legislative District, and these following girls from my district will be playing fast-pitch softball with their summer team, the Whiteford Warehouse Sharks, in Holland, Netherlands, and this team has been invited to

I'd like to ask Missy Nowak from Braidwood to introduce her colleagues on the White House (sic Whiteford) Warehouse Sharks softball team."

This is Kendra Phelps, she's from Morris High School, and she's going to the University of Illinois at Chicago to play softball; this is Nikki Dary, she's going to ISU to play softball, she's also from Morris High School, and this is Michelle Ukavich and she is from Anuka High School, and she'll be a sophomore there...okay, we're really excited to be going to the Netherlands to be playing softball, and we're really excited about the opportunity to go there."

Speaker Weller: "Thank you, Missy. Mr. Clerk, would you read the Resolution?"

Clerk Leone: "House Resolution 848, offered by Representative Weller.

EIGHTY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we congratulate the Whiteford Warehouse Sharks on representing the United States in the Netherlands Tournament; that we recognize the abilities of the four young softball players and commend them for their dedication to the sport; and that we extend our most sincere wishes for good luck to all members of the team and their coaches; and be it further

RESOLVED, That a suitable copy of this preamble and resolution be presented to Kindra Phelps, Nikki Davy, Missy Nowak, Michelle Ukavich, and to the head coach of the Whiteford Warehouse Sharks. Weller: "Thank you, Mr. Clerk. Representative Noland moves for the adoption of the Resolution. All those in favor say 'aye', opposed say 'nay', 'Ayes' have it, and House Resolution 848 has been adopted. Ladies and Gentlemen, thank you for the hospitality, and thank you for the warm sendoff of these young ladies."

Speaker Giglio: "Representative Wennlund, are you seeking recognition?"

Wennlund: "Thank you, Mr. Speaker. I have an inquiry of the Chair. Did Representative Weller run out of ministers in his district? I noted that we had the Assistant Clerk, Mr. Leone this morning. I was just wondering whether or not he ran out of ministers to bring down here."

Speaker Giglio: "Well, he said he had to bring these pretty young ladies with him today. Maybe next week he'll bring the ministers back."

Wennlund: "Okay. Thank you."

Speaker Giglio: "Supplemental Calendar #1. We're going to go down the list. Hopefully, some of you would like to call your Bills. On the first order, and under Nonconcurrency, Representative Trotter, on Senate Bill 837. Out of the record. Representative Hartke, for what purpose do you

arise, Sir?"

Hartke: "Well, Mr. Speaker, I don't know if anybody else wants to call a Bill, but I got one ready--799. Representative Burzynski would like to see me call that too."

Speaker Giglio: "What's in that Bill, Representative Hartke?"

Hartke: "Well, it's that good government, county-township Bill, and we had a little problem with it yesterday or the day before, and we got it corrected now, and everybody has it on their desk, and we're ready to go."

Speaker Giglio: "Did you take out the provision that allows...townships in Cook County to...put the question on the ballot? Is that in there, or is that out of there?"

Hartke: "That was never in there, Frank."

Speaker Giglio: "It's not in there?"

Hartke: "No."

Speaker Giglio: "Alright, we'll continue on Supplemental Calendar #1, and on that order appears House Bill 2, Representative Novak. Do you wish to call that Bill, Sir? House Bill 2, Representative Novak."

Novak: "Yes, Mr. Speaker, Ladies and Gentlemen of the House. I move that we adopt the First Corrected Conference Committee Report for House Bill 2. The changes that we made in the House Bill 2 are the following: We restored the language that gives county boards the authority to approve the operating budgets and salaries of veterans assistance commissions. (Previous language diluted the approval authority that county boards had over veterans' assistance commissions.) This was in agreement with the Urban Counties Council. We made a technical change because some language...the new language was not underlined, and lastly, we provided an immediate effective date in the Bill, and I ask for your approval."

Speaker Giglio: "Any discussion? Hearing none, the question is,

'Shall the House adopt the first Conference Committee Report to House Bill 2?' and on that question, all those in favor signify by voting 'aye', those opposed 'no'. The voting is open. This is final action. Seventy-one votes are required. Have all voted who wish? Have all voted who wish? Representative Black."

Black: "Yeah. Thank you very much, Mr. Speaker. Just an inquiry of the Chair. The board says the first Conference Committee Report, and I don't want there to be any confusion. We're adopting the First Corrected Conference Committee Report, correct?"

Speaker Giglio: "That's correct. The First Corrected Conference Committee Report."

Black: "Thank you."

Speaker Giglio: "Have all voted who wish? Have all voted who wish? Take the record, Mr. Clerk. On this question, there are 114 voting 'yes', none voting 'no', and House Bill 2... Representative Black, 'aye'. On this question, there are now 115 voting 'aye', none voting 'no', and the House does adopt the First Corrected Conference Committee Report to House Bill 2, and this Bill, having received the required Three-Fifths Constitutional Majority, is hereby declared passed. I have a very important announcement. It is the intention of the Chair to adjourn approximately at noon today, and return to 1:00. That's noon, Arizona time. We have the intention to adjourn today around noon, and return to work tomorrow at 4:00. Also, the Comptroller has a ruling on travel arrangements that may be very much of interest to each and every one of us. Mr. Clerk, read the arrangement."

Clerk O'Brien: "The Comptroller advises us that Members are authorized one round-trip from their district to the Capital and home per week, and the week starts on Sunday."

STATE OF ILLINOIS

Therefore, any Member that went home last Saturday and returned Sunday have used their return trip for this week. Any Members that did not come back on Sunday could travel home today and return tomorrow and receive round-trip reimbursement. If the House would adjourn Saturday, or prior to Saturday, and a Member used their round-trip today and tomorrow, they would not be reimbursed for going home if we would adjourn Saturday or prior to that. So, you have one round-trip to use between...the week starts on Sunday and ends on Saturday."

Speaker Giglio: "Representative Keane."

Keane: "Thank you, Mr. Speaker. It's my understanding that House Bill 2148 failed this morning in the Senate, and I would ask that a Second Conference Committee be appointed."

Speaker Giglio: "You heard the Gentleman's Motion. All in favor say 'aye', opposed 'no'. In the opinion of the Chair, the 'ayes' have it. 2148, Second Conference Committee Report...or second conference be requested. Representative Matijevich."

Matijevich: "Grace Mary Stern was here, and she has just gone to a Springfield hospital. She's got a back problem, so she's excused for the rest of the day. Grace Mary Stern was here but had to leave to go to the hospital."

Speaker Giglio: "Mr. Clerk. Okay. Representative Turner."

Turner: "...Thank you, Mr. Speaker, with that information that you just gave us, I'd like to inform the Body that the...I won't call it...I won't refer to it as annual Fourth of July barbecue, because I hope that this may be the last one, but that we will be ...serving lunch over at the Capital...no at the...Capital Plaza Hotel, and there will be a barbecueswim party at the Capital Plaza Hotel tomorrow. We'll be serving starting at 12:00 o'clock tomorrow noon. Capital Plaza Hotel."

Speaker Giglio: "Okay. Continuing on the Calendar, Supplemental Calendar #1, appears Senate Bill 114, Representative Novak, Senate Bill 114."

Novak: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. I move that we adopt the First Corrected Conference Committee Report on House Bill 114. The corrected Conference Committee Report on House Bill 114 recommends that the Senate recede from the Senate Amendment #1, which stated that the tipping fee from 45 to 60¢ be removed immediately. The Conference Committee Report makes two changes in the Bill. We extend the state tipping fee of 60¢ per cubic yard for two years, but allow deductions for increased local fees. We extend the tipping fee of 60¢ per cubic yard which is \$1.20 ...\$1.27 per ton until December 31, 1993. We allow a deduction of 15¢ per cubic yard, which computes to 32¢ per ton from state fees between January 1, 1992, and December 31, 1993, if a local government fee of 60¢ per ton, rather than 45¢ per ton, is assessed. Also, we restrict funding sources of the Natural Resources Fund to remove some funding from that area. This is an agreement with the Solid Waste Management Foundation, the Illinois Environmental Protection Agency, the Illinois Energy and Natural Resources Agency, the Environmental Council, and it's been cleared with both sides of the aisle, and I ask for the adoption of this Conference Committee Report."

Speaker Giglio: "Any discussion? The Gentleman from Vermilion, Representative Black."

Black: "Yeah. Thank you very much, Mr. Speaker. Just to get something on the record. I need to ask the Sponsor a question."

Speaker Giglio: "Proceed."

Black: "Representative, on the original Conference Committee

Report, a lot of...a lot of confusion and a lot of controversy over the tipping fee. Now, it's my understanding that in this Conference Committee R935rt that if your county is currently levying or will levy the tipping fee, the state fee must go down as in the original law, correct?"

Novak: "That is correct, Representative Black."

Black: "If the county is not levying a tipping fee, the state tipping fee will stay at the 60¢."

Novak: "Correct."

Black: "When will that...when will that drop off?"

Novak: "1994. January 1994."

Black: "Okay, and all parties are in agreement with this?"

Novak: "Yes. This was a compromise."

Black: "Alright. Thank you very much."

Novak: "Inquiry of the Chair, Mr. Speaker. I noticed on the...Supplemental Calendar #1, House Bill 114 is not listed as a First Corrected Conference Committee Report, and this is. Will that be...oh, it is? Well, it doesn't say it on mine, it just says first Conference Committee report."

Speaker Giglio: "Maybe it's the one that was...there was one put out earlier that didn't have it. This is the later one, Representative."

Novak: "This is dated Wednesday, July 3rd."

Speaker Giglio: "We have a later one."

Novak: "Mr. Speaker, could we take this out of the record for just a second, please?"

Speaker Giglio: "Take the Bill out of the record, Mr. Clerk. There's been an error on the...Supplemental Calendar, but Representative Novak is correct. This is the corrected first Conference Committee Report to House Bill 114, and on that question, the Gentleman from Logan, Representative

Robert Olson."

Olson, B.: "Thank you, Mr. Speaker, will the Sponsor yield?"

Speaker Giglio: "Indicates he will."

Olson, B.: "Representative Novak, to expound a little bit upon Representative Black's question. If a loc...if a county is currently charging 45¢ and this was due to...under the law that you're creating here is going to flip-flop 60 and the 45, that county can then, and our analysis reads, beginning January the 1st, 1992, increase to 60¢."

Novak: "Correct."

Olson, B.: "What if they're at a fraction of that 45¢?"

Novak: "They can go up to the limit. That's it."

Olson, B.: "Thank you very much."

Speaker Giglio: "Representative Novak, to close."

Novak: "Yes. Thank you, Mr. Speaker, Ladies and Gentlemen of the House. This is a very significant environmental Bill. We need to keep these funds coming back to our communities and local governments and private industry to encourage recycling and waste reduction programs, and I ask for the adoption of the First Corrected Conference Committee Report on House Bill 114."

Speaker Giglio: "You heard the Gentleman's Motion. All those in favor signify by saying 'aye', opposed 'nay'. The voting is open. This is final action. Have all voted who wish? Representative Weaver."

Weaver: "Thank you very much, Mr. Speaker, I intend on voting for this and I think it's probably a good idea, but I think we also need to send a message to Energy and Natural Environment, the agency that is given the responsibility of providing these grants for recycling. In the past the grants that they have offered and given are based upon recycling without any view toward a future market for the products that are recycled, and I would hope that we could

give them some direction with this vote that markets for recyclable products should be generated, rather than simply going after the recycling in and for itself."

Speaker Giglio: "Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record, Mr. Clerk. On this question, there are 109 voting 'yes', none voting 'no', and 4 voting 'present', and the House does adopt the First Corrected Conference Committee Report to House Bill 114, and this Bill, having received the required Three-Fifths Constitutional Majority, is hereby declared passed. Representative Currie. Representative Currie in the Chamber? Out of the record. Representative Steczo. Representative Steczo on House Bill 516."

Steczo: "Thank you, Mr. Speaker, first an inquiry of the Chair."

Speaker Giglio: "Proceed."

Steczo: "My Calendar...it too says first Conference Committee Report. I would like to move for the adoption of the First Corrected Conference Committee Report...I'm sorry, the second...no, I take that back, wrong Bill. Mr. Speaker, and Members of the House, I would like to move for the adoption of the Second Conference Committee Report on House Bill 516. This is the Bill that the other day we, in the House, had a debate about excess funds, and excess balances, and minimum balances. That language has been completely removed...in this Bill, leaving just the original Bill and the Senate Amendment which made clarifications. On that, Mr. Speaker, I would then move for the adoption of the Second Conference Committee Report."

Speaker Giglio: "Any discussion? Hearing none, you heard the Gentleman's Motion. All those in favor signify by saying...signify by voting 'aye', opposed 'no'. The voting is open. This is final action. Have all voted who wish?"

Representative Olson...Hoffman, Representative Hoffman votes 'aye', Mr. Clerk. Anybody else? On this question, there are now 111 voting 'yes', none voting 'no', and the House does adopt the first Conference Committee Report to House Bill 516, and this Bill, having received the required Constitutional Majority, is hereby declared passed. House Bill 799, Representative Hartke."

Hartke: "Thank you very much, Mr. Speaker, Members of the House. Conference Committee...First Corrected Conference Committee Report on House Bill 799 is a rerun of the first one, less Section 10 on the analysis. This Bill contains everything that it did when it left the House with original Senate Amendment 1 and 2, a original House Bill 406 by Steczo, 411 by Parcells, 862 Burzynski, and 1534 by Burzynski, and couple other lastminute Bills, including one of mine of House Bill 833. We explained this Bill yesterday...or the day before, and there was some objection by Representative Stern and Matijevich, and that objection has now been removed, and I'd be happy to answer any questions if anyone would like to..."

Speaker Giglio: "Any discussion? The Gentleman from Will, Representative Wennlund."

Wennlund: "Thank you, Mr. Speaker, will the Sponsor yield?"

Speaker Giglio: "Indicates he will."

Wennlund: "Yes. Representative Hartke, the objection with respect to Lake County has been removed. Was it also removed with respect to Will?"

Hartke: "Yes. There was a...with a county board being named the County Board of Health. Is that correct?"

Hartke: "Yes. That provision is completely removed from this piece of legislation."

Wennlund: "Has anything been added?"

Hartke: "Nothing has been added to the Conference Committee Report...number one. The only thing we've done is delete that Section 10, or the section that referred to the County Board of Health and the county boards."

Wennlund: "Thank you very much."

Speaker Giglio: "Representative Parke."

Parke: "Yes, Mr. Speaker, thank you. I would like to question the Sponsor. Just...is there anything negative in here that affects township government as we know it currently?"

Hartke: "Representative Parke, not that I'm aware of. The township officials have not contacted me."

Parke: "As far as you know, it's favorable. There's nothing I should be concerned about?"

Hartke: "I don't think so."

Wennlund: "Alright, thank you."

Wennlund: "The only part in here that refers to townships is one that clarifies what a legal voter is to codify the election law."

Speaker Giglio: "Representative Parcells."

Parcells: "Thank you, Mr. Speaker. Would the Sponsor yield?"

Speaker Giglio: "Indicates he will."

Parcells: "I'm trying to get through this in a hurry, and I don't remember it too well from yesterday other than I had something in it. Is there any backdoor referendum or any tax increases in here anywhere?"

Hartke: "Not that I'm aware of."

Parcells: "Okay, but there is a civic center, right?"

Hartke: "The change is in the current law of the Civic Center Act."

Olson, B.: "Thank you."

Homer: "Mr. Speaker, I move to...that we adopt Conference Committee #1 to House Bill 1101. The Conference Committee is an attempt to reconcile the differences between three public Acts that we passed a year ago that established penalties for the sale, delivery and possession of LSD. Those three Acts have some inconsistent provisions, contradictory provisions, and House Bill 1101 is a reconciliation of those three Bills. I believe it is non-controversial; it has had input from all parties of interest. I would urge the adoption of the report."

Speaker Giglio: "Any discussion? Hearing none, the question is, 'Shall the House adopt the first Conference Committee Report to House Bill 1101?' I don't think the actual... record was taken, and the Clerk didn't turn around and give you the final number, and the board is still up there, if there are people who want to change their vote, I would think they could change their vote."

Speaker Giglio: "No, the...the record...the record, Representative Black, was recorded, and the...the Chair read the...the vote into the record, and at that time it was 63 votes."

Black: "Are the...the Clerk has such a soft voice, I didn't hear him give you the total, but I did see him turn around, but there are some people that might want to seek some recognition on this issue. Thank you, Speaker."

Speaker Giglio: "Well, the Clerk...the Clerk gave the sermon this morning, so he's a little humble this morning. Representative Parcells."

Parcells: "Thank you, Mr. Speaker, I've had my light on for some time. I wanted to do a verification if it should receive the right number of votes, and I've had my light on trying to be polite. I guess we have to scream and pound our shoes in order to get attention around here."

Speaker Giglio: "Now, now, Representative Parcells, you know the Chair's been fair, and there was no lights on when I was reading the tally from the Clerk, when I asked the Clerk to take the record, and when the Clerk locked the machine, I read the record off."

Parcells: "My light was on, Sir. You must have had a piece of paper over it. I'd like to verify the Roll Call."

Speaker Giglio: "Representative Parcells, your Motion is not timely. The Bill was declared passed, and the Clerk locked it. House Bill 907. Alright. Representative Sieben."

Sieben: "Mr. Speaker, I voted on the prevailing side on that Bill, and on the concurrence Motion, and I would move, Mr. Speaker, to reconsider the vote on...what was the number...889. My Motion is to reconsider the vote."

Speaker Giglio: "Representative McNamara."

McNamara: "I move that Motion lie on the table."

Speaker Giglio: "All in favor say 'aye'...alright, all those in favor signify by voting 'aye', all those opposed vote 'no'. On the Motion to table...the Motion to table, Representative McNamara moves to lie that Motion on the table. All those in favor of tabling the Motion, signify by voting 'aye'...Representative Hultgren."

Hultgren: "Frank."

Speaker Giglio: "Representative Hultgren."

Hultgren: "Thank you. Thank you, Mr. Speaker. You might want to adjust your elbow just a bit there. If this would receive the requisite number of votes, I'd like to verify the votes on this Motion to table."

Speaker Giglio: "Open...all those in favor signify by voting 'aye'...to table, all those...favor...vote 'no'. An 'aye' vote is a Motion to table. Have all voted who wish? Have all voted who wish? Have all voted who wish? Representative Black."

Black: "I think Representative Hultgren...made a...someone made a inquiry of the Chair that we would verify this should it get the requisite number of votes, and it's right on the button."

Speaker Giglio: "The Chair...has been informed that it will take

a simple majority of those voting, Representative Black. Have all voted who wish? Have all voted who wish? Representative Black. Is he on? You're on.

Black: "Turn me on. Thank you very much. Thank you. Mr. Speaker, inquiry of the Chair. Under Rule 73 (c) if a Motion to reconsider is made pursuant to this rule, and the Motion is later tabled, the question shall not be further reconsidered, however, this subsection can be suspended, upon an affirmative vote of 71 Members. I would ask for you to invoke rule 73 (c). I would like to take that off the table. I don't think there is 71 people here who want to vote on quick take authority when half of them don't even know where the quick take is. Quick take is a very, very dangerous situation to put governmental bodies in. I think a lot of 'em voted on something that they had no idea what they were voting on. I would ask for you to invoke 73 (c). We can suspend this subsection by an affirmative vote of 71 Members. I want to take this off the table and have another Roll Call vote on this Bill."

Speaker Giglio: "Representative Black, we're in the middle of a Roll Call. The Motion takes a majority of those voting, and there are 58 voting 'yes', and 47 voting 'no', and the Motion to table carries. Representative Black."

Black: "Speaker, a simple majority. I don't expect to be able to knock off that many votes on a simple majority, so I have a inquiry of the Chair to invoke Rule, I believe it's 73 (c). Let's just take it back off the table by an affirmative vote of 71 Members. There's an awful lot of folks recorded on a vote for quick take, and I don't think some of 'em even know where the quick take provisions are. I don't think you want to go home on the Fourth of July and discover that some governmental entity just used their quick take power and took over your parade route."

Speaker Giglio: "Representative Black moves that Section 73 (c) be suspended, so another Motion to reconsider can be made at a later date. All those in favor signify by saying 'aye'...voting...vote 'aye', all opposed vote 'no'. Have all voted who wish? Have all voted who wish? Take the...take the record, Mr. Clerk. On this question, there are 49 'yes' and 47 'no', and the Gentleman's Motion fails. Senate Bill 907, Representative Bugielski, 907. Senate Bill 907, Representative. Mr. Clerk. Representative Black, for what purpose do you arise?"

Black: "An inquiry of the Chair, Mr. Speaker. Is House Bill 889 a committee Bill? It wasn't a Conference Committee Report, so I assume that it was a committee Bill."

Speaker Giglio: "It was a Concurrence Motion. Page 4 of the Regular Calendar."

Black: "Well, why don't we look at...I wanna have the Parliamentary look at Rule 75(b): 'A Motion to table a committee Bill may be adopted only by a vote of 60 Members, not a simple majority'."

Speaker Giglio: "The Bill, Representative Black, was sponsored by Representative Ronan."

Black: "Representative Ronan."

Speaker Giglio: "Representative Ronan sponsored that Bill."

Black: "And he usually only sponsors outstanding Bills."

Ronan: "Yeah, and it was not a committee Bill. We passed the Bill out of committee directly. In fact we passed unanimously with all of the Republicans on it, as I remember."

Black: "Well, I think Senate Amendment #1 might have changed the intent just a little bit. Well, then try 2. Try 2. Don't get yourself all worked up over there. Senate Amendment 1 or 2 or whatever it was changed the Bill a little bit; some of you guys are out there on a very bad vote. We may have

given the power to some county or township to quick take your house. When you get home in August or September or whenever we get out of here, heavens, heavens, heavens, what you might find at home."

Speaker Giglio: "Senate Bill 907. We are past our Adjournment Resolution time, so, Representative Hultgren, for what purpose do you rise?"

Hultgren: "Mr. Speaker, you ignored my request for a verification there. Let me try again and see if I'm any more successful this time. You are listening, now, right? Are you listening?"

Speaker Giglio: "I'm listening."

Hultgren: "Okay. This Conference Committee Report...has been on our desks less than one hour, and I believe the House Rules require that this be on our desks for one hour, so I would object to handling this Conference Committee Report at this time. Did...did you hear what I said, 'cause you didn't hear last time when I asked for a verification. Did you hear that?"

Speaker Giglio: "I heard that."

Hultgren: "Okay. Thank you."

Speaker Giglio: "Take it out of the record. Agreed Resolutions."

Clerk Leone: "Senate Joint Resolution 75, Hasara. House Resolution 883, Burzynski; 884, Petka; 885, White; 886, Black."

Speaker Giglio: "Representative Matijevich moves for the adoption of the Agreed Resolutions. All those in favor signify by saying 'aye', opposed 'nay'. In the opinion of the Chair, the 'ayes' have it. The resolutions are adopted. Representative Obrzut."

Obrzut: "Thank you, Mr. Speaker. For purposes of an announcement, I'd like to announce that the House Issues...Democratic Issues staff beat the Research staff 5

Speaker Giglio: "Representative Ryder. Representative Ryder."

Ryder: "I just would like to ask the Republicans to meet for a very short conference in Room 118 immediately upon adjournment. It will be brief, but we would ask folks to meet us in Room 118."

Speaker Giglio: "General Resolutions."

Clerk Leone: "Senate Joint Resolution 73, offered by Representative Hartke."

Speaker Giglio: "Committee on Assignments. Death Resolutions."

Clerk Leone: "House Joint Resolution 887, offered by Representative Currie, in respect to the memory of Irene M. Smith, and House Resolution...House Joint Resolution 74, offered by Representative Trotter - et al, in respect to Yvonne Daniels."

Speaker Giglio: "Representative Matijevich moves for the adoption of the Death Resolutions. All those in favor say 'aye', opposed 'nay'. In the opinion of the Chair, the 'ayes' have it. The Death Resolutions are adopted. Alright. The House...Representative Matijevich now moves that the House Regular Session stand adjourned until 4 p.m. tomorrow. First Special Session will now come to order. The Attendance Roll Call for the General Session will be used for the Special Session. Representative Matijevich now moves that the First Special Session stand adjourned until 4:05 tomorrow. All those in favor signify by saying 'aye', opposed 'no'. In the opinion of the Chair, the 'ayes' have it. The first Special Session is adjourned until 4:05 tomorrow. Republican Caucus immediately in Room 118."
