Speaker Currie: "The House will come to order and the Members will be in their seats. The Chaplain for the day is Reverend Robert L. Smith of the Greater Holy Temple in Urbana, Illinois. Reverend Smith is the guest of Representative Tim Johnson. The guests in the gallery are invited to rise and join us for the invocation. Reverend Smith."

Reverend Robert L. Smith: "O gracious and kind God, we thank You for this another day that You have made, another day that You've called us to duty, another day that You've blessed us to get here and we seek your counsel and Your guidance on today. You said in Your word in all thy ways acknowledge You and You would direct our path. We come in acknowledgment of You today, Lord. Acknowledgement of Your power and Your love that You've shared unto every man. We pray that You give us wisdom to do those things that are commanded of us and demanded of us. We pray that a unity come over the Body that we might be better servants of You and better servants of the people of this great State of Illinois. Cause your face to shine upon the things that we do today, and the places and the Bills and the conference that we go in, cause Your love to go forth in a special way. We pray that You bless every Member of this House, go with them and the things that they do, cause them to make the right decisions and because of these, your servants, that are here, whatever political persuasion that they are, Illinois will be a better place and we will be better men, and women, to better serve our loved ones and our community. In the blessed name of Jesus we pray. Amen."

States of America, and to the Republic for which it stands,

for all."

Speaker Currie: "Roll Call for Attendance. Representative
Kubik."

Kubik: "Thank you, Madam Speaker. The Republicans are all here."

Speaker Currie: "Representative Frias."

Frias: "Hello, thank you, Madam Speaker. For the Democrats
Representative Charles Morrow is excused due to illness in
the family."

Speaker Currie: "Thank you. For what reason does Representative
Daniels rise?"

Daniels: "Madam Speaker, with the honor of introducing our newest
Legislator officially on the record. This morning when you
asked for the quorum call we had the pleasure of seeing
Kevin Hanrahan announce his attendance as a part of the
official Body of the Illinois General Assembly. Kevin is a
trustee of Northfield Township for six years, prior to that
served as a township collector and a member of the Township
Social Service's Commission. His full-time job
responsibilities are as a partner of Russel Reynolds
Associates, an international executive recruiting firm.
Kevin comes to us upon the resignation of Margie Parcels;
an outstanding Legislator. He's got big shoes to fill, we
know he can do that, and Kevin on behalf of all the Members
of the Illinois General Assembly we want to welcome you
into the Illinois General Assembly; the House of
Representatives, and announce at the same time that upon
adjournment there will be a short reception for Members in
my office honoring Kevin; and Madam Speaker let me
officially welcome Kevin Hanrahan, our newest Member."

Speaker Currie: "Thank you, Representative Daniels, and the Chair

joins everybody else in welcoming Representative Hanrahan. Clerk, take the record. One hundred and seventeen answering the roll call, a quorum is present. Representative Stephens, in the Chair."

Speaker Stephens: "Can you hold it down on the Republican side? All right now, I'm proud to introduce to you the student athletes from Clinton County that are the Mater Dei High School Championship Class A State Volleyball Champions. Bill Clinton doesn't know excitement until he's seen the girls volleyball team from Mater Dei; the Lady Knights know how to stir up a crowd, they know how to win, they are an outstanding example of Illinois youth, and I know that the President is jealous this morning. Mr. Clerk, would you read the record, and girls would you join me up here please."

Clerk McLennand: "House Resolution 1779, offered by Representative Stephens. WHEREAS, The Members of this Body are happy to recognize the excellence of young athletes and wish to congratulate the Lady Knights of Mater Dei High School in Breese on winning the Class A State volleyball championship; and WHEREAS, led and inspired by Coach Fred Rakers, the Lady Knights ended the season with a record of 39-3 and set a school record for most wins in a season; and WHEREAS, The citizens of Clinton County and the numerous fans of this fine team are justly proud of these outstanding athletes; therefore be it RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE EIGHTY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we congratulate the Mater Dei Lady Knights on winning the Class A volleyball championship; that we commend Coach Rakers on his inspired leadership; and that we extend our sincere best wishes to them for continued success in the future; and be it further

RESOLVED, that suitable copies of this preamble and resolution be presented to Principal Curt Winter, Coach Fred Rakers, and to each member of the team. Adopted January 12th."

Speaker Stephens: "Coach Rakers, I would like for you to introduce your team."

Coach Rakers: "Thank you very much. This is certainly an honor to be here in the House of our State of Illinois. Starting on my right, your left, the shortest girl we have, if you raise your hand maybe those who are looking will see you. Carmen Tebbe, a sophomore; Amy Henken, a sophomore; Carrie Hollenkamp, a sophomore; Diane Beckman, a sophomore; Erin Rakers, a senior; Laura Haselhorst, a junior; Sara Henrichs, a junior; Allison Maue, a senior; Lisa Eversgerd, a junior; Laura Wessel, a senior; Miranda Loepker, a senior; Terri Henken, a senior; Kim Pingsterhaus, a junior; we have two that couldn't make it (and they are about five nine also five eleven) so that helps. Thank you very much."

Speaker Stephens: "Thank you, Coach Rakers. Ladies and Gentlemen of the House, we congratulate the Mater Dei Lady Knights Representative Currie, in the Chair."

Speaker Currie: "I'd like to announce that Representative Hicks has alerted us that he is cancelling the Insurance Committee meeting that was scheduled for 2:00 this afternoon. No Insurance Committee meeting this afternoon. Representative Lang, for what reason do you rise?"

Lang: "Thank you, Madam Speaker. I'd like to announce that the Judiciary I Committee scheduled to meet at 8:00 a.m.. tomorrow morning will meet at 9:00 a.m.. tomorrow morning, J-I 9:00 a.m.. tomorrow ."

Speaker Currie: "Representative Wennlund, for what reason do you

rise?"

Wennlund: "Thank you, Madam Speaker. With all the legislation that has been filed with respect to the issue of assault weapons and just what they are, it's important that all Members know and they're all invited, all Members are invited tonight by the Illinois State Rifle Association to see a demonstration of semi-automatic weapons, and to determine so that you can be better acquainted with what is an assault weapon and what is not an assault weapon, and you will have the opportunity to fire these weapons under the supervision of experts from the State Rifle Association and there will be food. It's tonight at 5:00 p.m.. at the Abe Lincoln Gun Club, and I'll be happy to give you directions, stop by my office but you're all welcome to come out and educate yourself on this important issue. Thank you."

Speaker Currie: "Thank you, Representative. Will we be permitted to choose our targets? Will we permitted to choose our targets during this demonstration? Representative Black, for what reason do you rise?"

Wennlund: "Absolutely, absolutely Madam Speaker. By all means I expect to see you there tonight."

Speaker Currie: "Not a chance. Representative Black, for what reason do you rise?"

Black: "Yes, thank you very much, Madam Speaker. The noise level in here has reached a level that is painful."

Speaker Currie: "Could we have some order in the chamber? Order. Quiet down please."

Black: "What I would like to, Madam Speaker and it would be an inquiry of the Chair. There are not only lobbyists on the floor, there are people I've never seen before on the floor, and you have made some announcements of cancellation

of committees, and I think if we could get some order we could save the Members some problems by wandering around looking for committees that have already been canceled. And in light of a schedule change that I think is being made, it is imperative that some of these Members know when committees will be held and when they will not be held, and if you would be so kind as to indulge my request, if we could get some order, if you would but repeat those committees that have been canceled. I think the Members would be most appreciative and would save themselves some time and aggravation later today."

Speaker Currie: "The Chair appreciates your suggestion Representative. Could we have enough order so that we all know that the Insurance Committee meeting scheduled for 2:00 this afternoon has been cancelled, 2:00 this afternoon, the Insurance Committee will not meet. No other committees so far as I know have been canceled, but the Judiciary I Committee Hearing scheduled for 8:00 a.m.. tomorrow instead will meet at 9:00 a.m.. Judiciary I will meet at 9:00 a.m.. rather than 8:00 a.m.. Are there any other changes in the committee schedule that anyone wishes to report? Thank you, Representative Black. Representative Hartke, for what reason do you rise?"

Hartke: "Well, the Transportation Committee will meet at 2:00 p.m.. prompt."

Speaker Currie: "2:00 p.m.. promptly, for the Transportation Committee. Thank you, Representative. Agreed Resolutions."

Clerk McLennand: "House Resolution 2159, offered by Representative Novak; House Resolution 2160, offered by Representative Stephens; House Resolution 2161, offered by Representative Rutherford; House Resolution 2162, offered

reconvene... excuse me Representative Brunsvold, for what reason do you rise?"

Brunsvold: "Madam Speaker, I'd just like to make an announcement that Elementary and Secondary Education Committee tomorrow morning will meet at 9:00 a.m. instead of 8:00, 9:00 a.m."

Speaker Currie: "Did everyone hear that? The Judiciary I Committee meeting tomorrow morning will be at 9:00 a.m., not 8:00 a.m. House Elementary and Secondary Education Committee will be at 9:00 a.m. not 8:00 a.m. and again for those of you who wandered in late the Insurance Committee meeting at 2:00 this afternoon has been cancelled. We will, as they say, adjourn on the completion of the Death Resolution for the former Member but allowing...we will allow the Clerk some perfunctory time and we will reconvene tomorrow at the hour of noon, Wednesday, April 6th. Representative Bugielski informs me that the House Executive Committee will also meet at 9:00 a.m. tomorrow rather than 8:00 a.m., the time it was initially scheduled, 9:00 for Executive, 9:00 a.m. for Elementary and Secondary Education, 9:00 a.m. for Judiciary I tomorrow, Wednesday, May 6th. Clerk, read the Resolution. Members would perhaps be quiet and perhaps they would stand as is customary in the reading of the Death Resolution for a former colleague. Stand. Clerk, read the Resolution."

Clerk McLennand: "House Resolution 1616. WHEREAS, The death of our former colleague, John Henry Kleine of Lake Forest, brings much sadness to the Members of the House of Representatives; and WHEREAS, John Henry Kleine, pioneer in Illinois environmental legislation, died on October 6, 1993, at the age of 81; and WHEREAS, He served as a Member of this House from 1964 through 1974, representing the 32nd District; and WHEREAS, He was chairman of a special

Speaker Currie: "Representative Frederick."

Frederick: "Madam Speaker, Members of the House. I didn't know John Henry Kleine very well while he was serving here in the General Assembly. I met him first when I ran for office 16 years ago and his assistance to me was probably the most important factor of my first election. John served ten years here, and he became known as the environmental Legislator. He chaired a special, as we stated before, a bi-state commission which with Wisconsin, which researched problems of water pollution within our two states. After the commission was terminated he became Co-Chairman of the Illinois Water Pollution and the Illinois Water Resources Commission, and as a result of that work he introduced several Bills concerned with river

and stream pollution, and the offshore waters of Lake Michigan. John was considered to be a man of vision by his colleagues. He was especially kind to women elected officials in Lake County, hosting each year a special luncheon for us where we could discuss problems that affected our county. John has left a legacy for all of us, not only in Lake County but for all the citizens in Illinois and we shall miss him. Madam Speaker, I move that the names of all Members of the House be added as Co-Sponsors of this Resolution and that copies be presented to his wife Peg and his children Margaret and John. I move the adoption of this Resolution."

Speaker Currie: "Representative Daniels."

Daniels: "Thank you, Madam Speaker. Ladies and Gentlemen of the House, Representative Frederick said it extremely well. John Henry Kleine was known as an environmental Legislator and set the course and path of many of our laws in this state dealing with the environment. He was a respected Member of the House. We will miss him; we will respect his memory; and continue on with his efforts in behalf of the environment. I didn't have the pleasure of serving with him since I joined the Illinois General Assembly in 1974 but his was a name that I remember well when I became a freshman Member as a person that we should listen to and recognize for his contributions. On behalf of all Members of the General Assembly, we send to his family our sorrow and will honor his memory throughout our efforts here in the General Assembly. Thank you."

Speaker Currie: "Representative Frederick moves that all Members be added as Co-Sponsors of the Resolution and the House do adopt House Resolution 1616. All in favor signify by saying 'aye'; opposed, 'no'. The 'ayes' have it. The
