Father, I pray that You would grant grace. I pray that You would grant a peace that would rule our minds and a peace that would rule our hearts in all things and at all times. This we pray, in Your Son's name. Amen."

BE IT RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we commend the members and coaches of the Lockport Township High School football team on winning the 2002 IHSA Class 8A State Football Championship; and be it further

RESOLVED, That a suitable copy of this resolution be presented to each of the members and coaches of the team with our best wishes for their continued success."

Speaker Madigan: "Representative Kosel on the Resolution."

Kosel: "Thank you, Mr. Speaker. I would ask that we adopt this Resolution. I have great pride and would ask the team and their coaches to please rise. They're up in the... up in the gallery. And if you would please stand up. This is the first 8A Championship for Lockport and we are extremely proud of what they've done. To say that they rallied the troops in our... in our district to that they... that the spirit was going would be putting it mildly. There was such enthusiasm as they moved forward and got to the championship game. We are all very, very proud of them and I am extremely proud to have the 8A, as well as Providence Catholic, which won their 22nd state championship, both from my district. So, the Representatives and from Stevenson High School, my deepest sympathies, but I'm real proud to have you guys here. Thank you. I would move for the adoption of the Resolution, please."

Stephens: "Thank you, Mr. Speaker. I appreciate the fact that we took a moment of silence for the shuttle crew that was lost over the weekend. I know that all of our hearts are broken by the tragedy that happened, but we have to have hope. And as I look in the gallery, which of us can say that a future astronaut doesn't sit up there. The fact is, that in America, in every free nation, there's an opportunity to succeed. The hopes and the dreams of the shuttle crew and all in NASA, the hopes have never died, the mission goes on. President Bush noted in the remarks that he had just yesterday, that although we've lost seven astronauts, they have gone on to a much better place and we must renew and restate our commitment to exploring forever. And I hope that... I hope we get the ships back into space soon and I wanna salute the bravery of each and every person who feels it's a privilege to risk their life in our... in our quest to conquer space. So, Mr. Speaker, I appreciate the time and I know my colleagues share in the grief, I appreciate it."

Speaker Madigan: "The Chair recognizes Mr. Burke. Has anyone seen Mr. Burke? Mr. Saviano, have you seen Mr. Burke?"

Saviano: "I saw him this morning in Exec. He was... did a real good job this morning in committee. But thank you for recognizing me. The Clerk advises that the notes have not yet been filed, so the Bill shall remain on Second Reading. House Bill 118. Mr. Moffitt. Mr. Clerk, what is the status of the Bill?"

Clerk Rossi: "House Bill 118, a Bill for an Act in relation to corrections. Second Reading of this House Bill. No Committee Amendments. No Floor Amendments. No Motions filed."

Speaker Madigan: "Third Reading. House Bill 135. Representative Lindner. The Lady is not in attendance today. House Bill 176. Representative Bellock. Bellock. 176. Did you wish to move the Bill? The Lady indicates

she does not wish to move the Bill. On the Order of House Bills-Third Reading there appears House Bill 11. Mr. Bost. Mr. Clerk, read the Bill."

Clerk Rossi: "House Bill 11, a Bill for an Act in relation to vehicles. Third Reading of this House Bill."

Speaker Madigan: "Turn on Mr. Bost."

Bost: "Thank you, Mr. Speaker, Members of the House. House Bill 11 is a Bill that is similar to the Bill we passed out of this House last year and then somehow managed to die over in the Senate. But the Bill is... deals with the problem that we have as we pass our license plates... the specialty plates that we pass out of this House as each one of us or most of us have carried different Bills over the years for the license plates. What we've done is, is we've always been told that they will not be printed until a certain number is reached, but that has not been the practice. And so this is... basically codifies in law that the practice will be done and not only that the groups that these are issued for are to set forward a bond until those plate numbers are reached. And I'd be glad to answer any questions."

Speaker Madigan: "The Gentleman moves for the passage of the Bill. The Chair recognizes Mr. Hartke."

Hartke: "Thank you, Mr. Speaker, Members of the House. Will the Sponsor yield?"

Speaker Madigan: "Sponsor yields."

Hartke: "Representative Bost, in... on line 19 on page 2 of your legislation, it talks about an exemption for 'except those

HOUSE OF REPRESENTATIVES

special plates for which the applicant must meet special eligibility requirements.' What do you mean by that?"

Bost: "I think that was the appropriate thing to do for those people who have served in our military, that's... that's main... the main reason for that. It does mean that they have to show that they served in the military and they can receive those plates."

Hartke: "Would you mind repeating that, Representative Bost, I couldn't hear that."

Bost: "All right. Mr. Speaker. That particular line was placed in the Bill so those plates which require a... someone to have received or have certain qualifications, such as a military medal or those type will receive those... they do not fall under this and they are exempt from that, so that the military plates are still available."

Hartke: "So an ordinary individual who has served in the military could get a Marine plate, for example, but if he was not wounded or injured in action he could not have a Purple Heart plate?"

Bost: "He could receive a Purple Heart plate. If he was not wounded in action, he could not receive a Purple Heart plate."

Hartke: "So, that would be the special requirements of the... of this Act. Right?"

Bost: "That is... that is the reason for that... that line in that Bill, yes."

STATE OF ILLINOIS
93rd GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES

10th Legislative Day

Hartke: "Could a widow of an individual who had received a Purple Heart, the veteran passes away, could she still continue to keep this Purple Heart plate?"

Bost: "It is my understanding that they can still hold that plate because they have qualified for that plate, so..."

Hartke: "So, she would no longer be allowed to keep that plate?"

Bost: "She... it would... she would not, if she did not meet the requirements."

Hartke: "Okay. Thank you."

Speaker Madigan: "Mr. Black."

Black: "Thank you very much, Mr. Speaker. Will the Sponsor yield?"

Speaker Madigan: "Sponsor yields."

Black: "Representative, the only... the only language that concerns me in the Bill is that it appears that you're being retroactive. That existing plates that, for example, one that I sponsored some years ago, Korean War Veterans. As they continue to age and die off they may very well, in fact, may already, I don't know, fall below the 15 hundred issuance threshold. Would that mean that a category of plate... license plate that we authorized under law, prior to the Act you're amending, could literally disappear if they didn't get 15 hundred renewals every year?"

Bost: "First off, the example that you used, as far as the Korean War plate, that meets the requirement of specific eligibility, so that would not be included in this."

Black: "Okay."

STATE OF ILLINOIS
93rd GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

10th Legislative Day

2/5/2003

Bost: "However, if the plate, for instance, one of the examples brought forth by the newspaper report that first came and brought this piece of legislation into existence is the fact that the Illinois River plate, there's only been less than a hundred of them purchased and every time they renew those they print a hundred more of them at the cost of the taxpayers and no benefit to the original plan. So, yes, they would fall under this and that would be retroactive and after a three-year period they would finally quit printing those unless that group came forward or someone sponsored that group to bond those plates."

Black: "So, that... that would include university alumni plates that we authorized sometime ago, the domestic violence plate. What... what... is there any language in the Bill that provides for constructive notice of these entities that wanted these plates to begin with so that they can contact members of an affiliate group or ya know, to try and save their plate or are they just gonna get a notice in the mail someday that, I'm sorry, but your plate no longer meets minimum issuance standards so you'll have to send your plate back?"

Bost: "There is nothing in the Bill that gives... gives notice. That would... the only thing that I know that we could is, is we could request the secretary to do that and... and could very well do that, I think."

Black: "Okay. Fine. Thank you."

Speaker Madigan: "Representative Currie."

STATE OF ILLINOIS

Currie: "Thank you, Speaker. Will the Sponsor answer a question or two?"

Speaker Madigan: "Sponsor yields."

Currie: "Representative, this, I think, is a very good Bill and I certainly support it. What I'm a little worried about, however, is that this Bill could come back to us from the Senate with 3 zillion, 942 special license plate requests. So, I would like for the record, I would like your assurance that this Bill plans, if it comes back to us, to come back only for a technical Amendment and that you would not intend to use this as a vehicle for expanding the number of special license plates as so many Bills along that line have been introduced."

Bost: "Representative, it is my intent that this Bill go over in a clean form. If they send it back, I'll look at the Amendment, but it is not my intent to increase the number by any means. This is a... we sent it over clean last time, we wanted to keep it that way."

Currie: "So... so, would you... are you making a commitment to the House that this..."

Bost: "I will make..."

Currie: "...is not going to become..."

Bost: "...that commitment to the House..."

Currie: "Okay."

Bost: "...that this Bill is... should be passed in this way unless there is an error in the language."

Currie: "That's fine. Sure. Okay. Thank you very much."

Speaker Madigan: "Mr. Holbrook."

Holbrook: "Thank you, Speaker. This is a fabulous Bill here. We passed this out of this chamber and sent it to the Senate where it died last year, like many other good Bills do. What this does, this says that the taxpayers aren't gonna pay for those vanity plates except in the case of military situations where they have that. This means we're gonna get so many plates out or it's not gonna... no."

Bost: "Mr. Speaker, I didn't hear the question."

Holbrook: "It's not a question. I'm just saying it's a fabulous Bill, they oughta vote for it."

Bost: "I appreciate that."

Speaker Madigan: "Mr. Meyer. Mr. Meyer."

Meyer: "Thank you, Mr. Speaker. Would the Sponsor yield?"

Speaker Madigan: "Sponsor yields."

Meyer: "Thank you. Representative, I have a Bill that's not been yet heard in committee, but I do plan on pushing to move it and it deals with educa... special education plates for K through 12 whereby if somebody would purchase this vanity plate that they could designate a school that would be the recipient of a portion of the plate fee that could be used for certain expenses or fees. Would each school have to... do you believe have to meet this criteria or would it just be the overall vanity plates?"

Bost: "I think... I think in that case it would be one print, so... so it would be the overall group..."

Meyer: "Okay."

Bost: "...would be able to come together and put up a bond."

Hopefully, we can move it through the Senate and make it become law and do the citizens of State of Illinois justice by making sure that we don't cost them more money than necessary while producing these plates. Thank you. I'd appreciate an 'aye' vote."

Speaker Madigan: "The question is, 'Shall this Bill pass?' Those in favor signify by voting 'yes'; those opposed by voting 'no'. Have all voted who wish? Have all voted who wish? Have all voted who wish? The Clerk shall take the record. There being 108 people voting 'yes', 5 people voting 'no'. This Bill, having received a Constitutional Majority, is hereby declared passed.
