TRANSCRIPTION DEBATE

165th Legislative Day

Speaker Madigan: "The House shall come to order. The Members shall be in their chairs. We ask the Members and our guests in the gallery to turn off cell phones, pagers, laptop computers. And we ask the guests in the gallery to please rise and join us for the invocation and the Pledge of Allegiance. We shall be led in prayer today by Lee Crawford, the Assistant Pastor of the Victory Temple Church in Springfield."

Pastor Crawford: "Let us pray. Most gracious and most kind God who art the giver and sustainer of life. For it is You that have made us and not we ourselves. For we are Your people, the very sheeps of Your pasture. For You are the potter and we are the clay. We ask today, Father, that You would mold us and make us and have Your own way. We ask that we would remain in Your most sovereign hands. And that You would be entrusted with our lives, be entrusted with our minds, be entrusted with our hearts, our bodies. We surrender at this moment to You which You say is our reasonable and precious service. Father, we pray that we might prove that which is the good and that which is the most acceptable will of God, this day and forever more. We pray this in Your son's name. Amen."

Speaker Madigan: "We shall be led in the Pledge of Allegiance by Representative Tenhouse."

Tenhouse et - al: "I pledge of allegiance to the flag of the United States of America, and to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all."

just technical and it talks about the Du Quoin land.. land  
exchange language and that was adopted... or it's a Floor

Speaker Madigan: "State your inquiry."

Black: "Yes. On the House Committee schedule that was just put

Executive Committee at 1 p.m. Is that committee posting in

Speaker Madigan: "The plan is to cancel that committee."

right?"

Speaker Madigan: "Well, that'll be fine. We plan to deal with

And so... All right... Ladies and Gentlemen, let me draw your attention to the blue committee schedule which has been distributed. So, our plan is to go to party caucus and then after caucus go to committees at 11:30. The purpose of the 11:30 meetings will be for the Appropriations Committees to consider the Budget Bill. And then there'll be committee meetings at 1 p.m. And as we said earlier the entry on the blue schedule which would provide for the Executive Committee to meet at 1:00, shall be cancelled. So, again, 11:30, the five Appropriations Committees will meet various locations. 1 p.m., Judiciary-I will meet in C-1, State Government Administration 122B. After the completion of those meetings, we shall return to the floor. Mr. Parke."

Speaker Madigan: "Mr. Parke. Ladies and Gentlemen, this is an important question being put by Mr. Parke. It concerns schedule. Now, please understand as usual everything around here is subject to change. The current plan would be as set out on the blue schedule, return to the floor at 1:30. We might have a few items to do at 1:30. Our current thinking is that we would be in some committees this afternoon. We are not thinking that we would be in floor Session into the evening. We are not thinking along those lines. We are thinking that with any kind of luck, we'll be voting on the major items tomorrow. As I said, everything's subject to change. Okay. Did that answer your question, Mr. Parke?"

Parke: "Partially. Can you give us an idea if we get to substantive language tomorrow, were there any... and we were able to get enough votes for tomorrow on that legislation, do you presume then that we'll adjourn tomorrow night or will we be still here for Sunday for additional work?"

Speaker Madigan: "Our advice from my office to Members was to come here for today and plan on today, Saturday, Sunday. If all goes well, if all goes real well... maybe we can finish on Saturday. Black: "Well, perhaps Mr. Brown could find out for us. I... I... ya know, there's a hundred rumors when we get to this point in the Session and they're all very important, I'm sure. But the one that concerns me... is the story that appeared in the Chicago Press. ...Mayor Daley is threatening to shut down Wrigley Field because... because when the Cardinals were there this past weekend, they were flowing things and doing things of a bad sportsmanship nature. And some concrete... they jarred some concrete loose from the upper deck. And so, the mayor wants a complete inspection that may take 3 or 4 months. ...I don't know where the Cubs would play but I mean... could you look into that for me? I... I would think... I would think this is just one of those late Session rumors but surely, the mayor would not close... would not shut down Wrigley Field."

Speaker Hannig: "You... we have a lot of fine facilities here in Springfield that while we're down here, Representative Black, maybe the Cubs would wanta come down and play."

We don't need to pay to be here but we need to stay... to pay to stay overnight so a per notte would be appropriate.
