Clerk Bolin: "The House Perfunctory Session will come order. Introduction of Resolutions. House Resolution 368, offered by Representative Daniels, and House Resolution 380, offered by Representative Madigan. These Resolutions are referred to the House Rules Committee. Introduction and First Reading of Senate Bills. Senate Bill 339, offered by Representative Currie, a Bill for an Act concerning civil law. Senate Bill 343, offered by Representative Hoffman, a Bill for an Act concerning local government. And Senate Bill 1850, offered by Representative Patterson, a Bill for an Act concerning schools. First Reading of these Senate Bills."

Speaker Hannig: "The hour of 12:00 having arrived, the House will be in Order. Members will be in their seats. Members and guests are asked to refrain from starting their laptops, turn off all cell phones and pagers, and rise for the invocation and the Pledge of Allegiance. We shall be led in prayer today by Reverend Jennifer Kottler with Protestants for the Common Good in Chicago. Reverend Kottler's the guest of Representative Lang."

Reverend Kottler: "I invite you to enter into a time of prayer in a way that honors your own religious tradition. Blessed are You, Oh God, ruler of all that is and was and is to come, the refuge of the poor, the hope of the humble, and the salvation of the needy. Hear us as we pray to You this day. We give You thanks for the privilege of serving in our communities and in our states, as we have answered Your call to serve. This call has not come without great

sacrifice. We have left behind husbands and wives, daughters and sons to serve in this place. As we celebrate mothers and those who have been like mothers to us this weekend, we are reminded of the difficult choices that mothers that serve in this Body are forced to make. And yet, we all face difficult choices, Oh God. Let us choose to be patient with each other's failings, yet make us impatient with anything that does not propel into the struggle for justice and liberation and peace. Every day we are called to make choices as we try to do what is best for all of Your children and for our own. We see the future in their eyes, Oh God, a future that we pray is bright and loving and peaceful. We pray that they will have a future that is self reliant, yes, yet seeks the best in one another and contributes to the common good of all. Forgive us when we fail, Oh God. Forgive us when our best intentions cause unforeseen hurt. Challenge us when we forget that You demand of us justice and only justice. For You have told us, Oh God, what is good and what is required of us, doing justice and loving mercy and walking humbly with You. These are difficult things in such a time as this. Help us, Oh God, to rise above partisan politics to look for You for our help, for our help comes only from You. Oh God, in this time of fiscal crisis we are looking for another way. We know that lives are hanging in the balance, that the decisions that we make here this day and in the days to come will determine if some will be housed, others fed, children taught, seniors cared for. We know

that the legislation passed in this place directly affects the lives of our most vulnerable citizens. We know that these decisions are weighty ones, Oh God. Give us the wisdom and the courage to do what is right, to do what You would have us to do. Hear us as we pray for those who are worn by illness, for all who are wronged or oppressed, for the weary and heavy laden, that they may be strengthened by Your grace and healed by Your consolations. We must do this, Oh God, if not for ourselves, for the generations yet to come. We must ensure that each child has an education that truly leaves no one behind. We must ensure a home for every child with parents that are able to love and care for that child, parents who can earn a living wage and teach their children the value of work, for they have learned it firsthand themselves. We must ensure that every citizen can access health care so that each may contribute. Help us to remember, Oh God, that we will not be judged on whether we have added to the abundance of those who have much, but will be judged on whether we have allowed opportunity for those who have too little. Be merciful on, Oh God... on us, Oh God, if we fail at that task, if we fail the least of these. We thank You, Oh God, for this Body. Let the day spring from on high, shed its light on us. Bless the souls gathered here this day. Give us courage to do what can be done and the wisdom to discern what is right and just and true. Bless us, as we truly bless You, so that we may never cease doing Your will. Amen."

We've... we've been dealing with some really interesting issues here, whether it's making a Resolution that April is Car Care Month, whether or not movie theaters should be required to tell us when they actually stop showing the shorts and start the movie, we even talked about whether school buses should idle more than 10 minutes at a time. Mr. Speaker, House Bill 705 deals with the entire crisis that we have in medical care around the state. How can it be that Rules Committee has not let that out onto the floor where we can at least discuss whether or not we can have some ideas on how to keep medical doctors operating in this state? I would urge that... Mr. Speaker, can we expect House Bill 705 out of the Rules Committee?"
