94th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

76th Legislative Day

1/11/2006

Speaker Hannig: "The hour of 12:00 having arrived, the House will be in order. Will the Members please be in their seats. Members and guests are asked to refrain from starting their laptops, turn off all cell phones and pagers, and rise for the invocation and the Pledge of Allegiance. We shall be led in prayer today by Father Terry Cassidy with St. Anne Catholic Parish in Peoria. Father Cassidy is the guest of Representative Schock."

Father Cassidy: "Almighty God, we call upon You today to bless not only this first day of the second 94th General Assembly, but every day that they are gathered in Session. We call upon Your loving mercy to inspire our leaders with the same spirit which founded our great state. God, bless this lawful Assembly with a kindred spirit, making it one in unity and in cooperation. Give them the gift of wisdom, justice, counsel, and fortitude, so as to conduct the affairs of the second 94th Assembly. And bless them with righteousness and love of neighbor so that they may meet the needs of the people they serve and the voices of justice for those they represent. And may their laws, which they pass to reform and renew, lead to right living and concern for everyone seeking the good and peaceful life in our great State of Illinois. And may our State Legislators realize that all authority comes from You, Almighty God, and may they use their power as Your Representatives to serve not only their own constituents, but those who have special needs or those who are powerless to speak for themselves. And finally, bless and protect all of our men and women who are serving in our armed forces, for without their

sacrifice, as well as those who have sacrificed before them, we would not be blessed as a great state and nation. And may we continue to respect the lawful authority of this just Assembly and the laws they pass as one nation under God. Amen."

Speaker Hannig: "We'll be led in the Pledge by Representative Connie Howard."

Howard - et al: "I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

Speaker Hannig: "Roll Call for Attendance. Representative Currie."

Currie: "Thank you, Speaker. Please let the record reflect that Representatives Joyce, Patterson, Scully, and Washington are excused today."

Speaker Hannig: "And Representative Bost."

Bost: "Thank you, Mr. Speaker. Please let the record reflect that all the sun shining faces of the Republicans are here today. I thought that that was what the glow was in this room but I realized that we just took off the top curtains. But we all are here."

Speaker Hannig: "Everybody... Okay. Mr. Clerk, take the record. On this question, there are 114 Members answering the Roll Call, a quorum is present. Representative Colvin is recognized to speak on behalf... to introduce us to a new Member. Could I have your attention?"

Colvin: "Thank you, Mr. Speaker. If I can have everyone's attention for just a few moments... just a few moments."

Ladies and Gentlemen, indeed... first of all, let me say, happy new year. It's indeed... I guess it's a pleasure to be back here in Springfield to start another Spring Session. But this morning I've been asked to do a great thing. Ladies and Gentlemen, it is indeed my pleasure and my honor to introduce to all of you our new colleague here in the General Assembly. She's from the great south side of Chicago and she is representing the 6th District in the Illinois General Assembly. Ladies and Gentlemen, it's a privilege and an honor to introduce to you Ms. Esther Golar. And if you would indulge her for a few moments, please. And if... and if all of you can indulge her just a little bit of attention for a few moments so she can tell you a little bit about herself. Again, Ms. Esther Golar. Congratulations."

Golar: "Thank you so much. It's a pleasure and an honor to be here to represent the 6th District. I come with a lot of community organizing experience. Basically, this is my first day and I will be here to observe and listen and learn from my colleagues so that I can be the best and the brightest for my community in the 6th District. Thank you."

Speaker Hannig: "And Representative Black, would you like to introduce a new Member on your side of the aisle?"

Black: "Yes, thank you very much, Mr. Speaker and Ladies and Gentlemen of the House. A man who served in this chamber with distinction and has come back and will do so again, would you welcome with me new Representative for the Republican side of the aisle, Mr. Jim Durkin."

Durkin: "Thank you, Mr... thank you, Mr. Speaker. It's good to be back. The only thing that's changed is I've lost a few

pounds and I've put a few more grey hairs on my head. But I'm looking forward to the challenges and the opportunities that are forthcoming this Legislative Session. And for my friends on the opposite side of the aisle, I look forward to working in a bipartisan manner which you... many of you will recall which I worked in the last years. So, this is gonna be an exciting year and I look forward to meeting the new Members as well. Thank you."

Speaker Hannig: "Mr. Clerk, would you read the Agreed Resolutions."

And the Agreed Resolutions are adopted. Mr. Clerk, would you read... excuse me. Representative Gordon, for what reason do you rise?"

Gordon: "Point of personal privilege, Mr. Speaker."

Speaker Hannig: "Yeah, state your point."

Gordon: "Ladies and Gentlemen of the House, if I may have your attention momentarily. We have a brand new grandmother in our midst today. Representative Dugan, the Lady from Kankakee, is the new grandmother to Dugan Allen Hubert, born on December 21. He was 8 pounds 11 ounces. So I would ask you all to congratulate her. I know she has pictures and she would be happy to share them as well. Thank you."

Speaker Hannig: "And now, Mr. Clerk, I understand you have an announcement on the committee schedule."

Clerk Mahoney: "Committee schedule for today. Meeting at 12:30 p.m. in Room D-1 is the Agriculture & Conservation Committee. At 12:30 in Room D-1 is Agriculture & Conservation. Transportation & Motor Vehicles has been

canceled. At 12:30, the Transportation & Motor Vehicles Committee meeting in Room 114 has been canceled. Meeting at 1:30 p.m. is Consumer Protection in Room C-1. Health Care Availability & Access is meeting at 1:30 p.m. in Room 118. Judiciary Criminal Law at 3:30 in Room D-1."

Speaker Hannig: "The Chair would just like to remind the Members that you need to contact your respective chief of staff concerning your top three priority Bills as soon as possible. We also wanna remind the Members that we have 'til January 27 to have Bills introduced, substantive Bills introduced which you wish to be considered in committee. And that 5 weeks remain for substantive House Bills to be considered in committee. So, the clock is ticking, Ladies and Gentlemen, and I just wish to remind you, we need to move a bit quicker this year than we have in the past. Representative Phelps, for what reason do you rise?"

Phelps: "Point of personal privilege."

Speaker Hannig: "Yes, state your point."

Phelps: "I would like for my colleagues to help me and congratulate Mark O'Brien for becoming a grandfather July 26 of '05 to Gage Michael O'Brien. Let's give him a hand."

Speaker Hannig: "Representative Franks, for what reason do you rise?"

Franks: "For a purposes of an announcement."

Franks: "Today, we will not be having State Government Administration Committee."

Speaker Hannig: "So just to remind the Members, State Government Administration as well as Transportation have been canceled for today. Representative Daniels, for what reason do you rise?"

Daniels: "A point of personal privilege, if I might."

Speaker Hannig: "Yes, state your point."

Daniels: "I wonder if you could get the attention of the Body for just a moment? Not working very well."

Speaker Hannig: "I need a bigger... bigger hammer here. Could we have the attention of the Members, please, for Representative Daniels?"

Daniels: "Mr. Speaker, it was a little bittersweet this last filing period, it was the first time in close to 40 years that I haven't filed for some office. And of course, you... when you've been around that long you wonder about what... what happens tomorrow or what happens to the next day. But over the summer and in the fall I had the opportunity to participate in some very interesting events which were as a result of Speaker Madigan's willingness to allow the committee in which I chair to go ahead with some hearings on two major issues, one was the issue of autism and the other was the issue dealing with the Olmstead decision. And I wonder if we could just have a little more attention. I'll be... I won't be too long. Now, for the Members reflection, Olmstead U.S. Supreme Court decision basically says that people that suffer from disabilities should be housed or allowed to choose the most... the least restrictive setting

94th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES

76th Legislative Day

for a place to live in, which basically says you don't wanna put people in institutions, you wanna put the people in the community settings. And what has happened in the State of Illinois is we are very heavy in institutionalization. Part of our hearings... what it taught us about Olmstead was it was important that choice be a factor in an individual's future. Now, this is important now because this issue will come before you this Session on how we address housing and the very critical issue of how people can move forward with their own lifestyle under the definition of Olmstead. And I ask you to try to pay some particular attention to that issue because within the definition of some of the proposals people are saying institutions are places like Misericordia. And Mr. Speaker. They're saying that institutions are places like Misericordia, which has a famous reputation throughout the country as caring for people with disabilities. So, when you go into a definition of that you gotta be very careful. The second issue I want to talk to you briefly about is autism. Now, for those of you that are parents of people that have been newly married, imagine this as a newly married couple facing their first childhood experience and understanding that today every 1 of 160... 166 births will fall within the autism spectrum. Can you imagine that? Every 1 in 166 births will fall within the autism spectrum. In the last 5 years, the diagnosed cases of autism has increased by 86 percent. It is, without a doubt, a national crisis that we must in this state pay attention to. So why am I bring it up now? Because this is the start of a very short Session. The State of Illinois

94th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES

should be participating in the training and education of people that deal with autistic children. We have a program in the State of Illinois and that program sets forth training, it's called the Illinois Autism Pervasive Developmental Disabilities Training and Technical Assistance Program. This is for parents that have autistic children. Do you know how much money the State of Illinois puts into that program? Not one cent. Not one cent. It's all done by fed funds. And when we have the hearing and we say, 'What's going on? Why is this happening?' Well, the Legislature hasn't given us the money. I say, 'Baloney. You never asked for the money from the Legislature.' If we take and just concentrate and put \$1 million into this program to train people to care for autistic children, we will increase it by 1 million percent. Imagine that. One million dollars. We also have a program called the Autism Program, and they recognize without que... without question, autism is a national public health crisis. The increase in prevalence, the lack of services and trained providers, and fragmented system of care have resulted in devastating consequences for children with autism. Ladies and Gentlemen, you can make a difference. You can make a difference in how children are educated that suffer from this affliction of no choice of theirs, no choice of the parents, 'cause we're being told nobody knows what's happened or how it's happened. And this is the Session we've gotta do it. We've gotta put in at least \$4 million into the program, we've gotta put in at least another million dollars into training, we have to look at the

Olmstead decision. And catch this one. You talk about putting people in less restrictive setting. Jim, do you know that we have no funding for CILA placements in the State of Illinois? We took it out in the last budget for emergency placements. That's where a mother might have a heart attack and can't care for a disabled young child and there's no emergency placement funding. Yet, we're told, 'Oh, we'll take care of everybody.' They don't take care of everybody. We need \$15 million in CILA emergency placements and \$15 million for new CILA slots. I've only talked to you about approximately \$40 million. We can find it in the budget. And yet, in this Session we're told that individual Legislators cannot put an appropriation Bill in and get it passed. I say to our Leaders, let's make sure that we tell this administration that we need funds for the disability community. We need it now. We're tired of being ranked so low in this country and we need them to become our advocates. Thank you very much for the time you've given me to make this little comment. Thank you."

Speaker Hannig: "Representative Parke, for what reason do you rise?"

Parke: "Good morning... or good afternoon. What are we doing, Mr. Speaker? What's on this schedule here? Members are asking if they... if we're gonna be here long to order lunch or should we be prepared to adjourn to committee? Give us some direction, Mr. Speaker."

Speaker Hannig: "Yeah, I think we're getting ready to adjourn shortly, Representative Parke."

Parke: "Say that again, I didn't hear."

Speaker Hannig: "But not quite yet. Not just yet."

Parke: "All right. Thank you."

Speaker Hannig: "Representative Colvin, for what reason do you rise?"

Colvin: "Thank you, Mr. Speaker. Point of personal privilege."

Speaker Hannig: "State your point."

Colvin: "Mr. Speaker, I have two announcements. On a legislative matter, the House Committee on Consumer Protection will not be meeting this week. We are canceling session for this week, the House Committee on Consumer Protection. And on a social note, tonight, the newly appointed State Representative Esther Golar from the 6th District is having a meet and greet reception. That's gonna be tonight at the State House Inn, which is at 101 E. Adams. So, once again, Esther Golar, we're having a meet and greet for her at the State House Inn at 101 E. Adams. It's from 5 to 7. Hope to see everyone there. Thank you."

Speaker Hannig: "Representative Joe Lyons, for what reason do you rise?"

Lyons, J.: "Mr. Speaker, I rise for the purpose of an announcement."

Speaker Hannig: "State your announcement."

Lyons, J.: "Ladies and Gentlemen of the House, if I could have your attention for just a second. There... there's gonna be a reception almost immediately after Session from 2 to 4... 'til about 4:00 for Mal Hildebrand. Mal Hildebrand is our former

director of the Space Needs Commission, now works for the State Architect's Office. Room 413 of the Stratton Building to wish Mal the best in his retirement, we'd certainly appreciate seeing you over at the Stratton Office Building. Thank you."

Speaker Hannig: "Are there any further announcements? Then Representative Currie moves that, allowing perfunctory time for the Clerk, that the House stand adjourned until the hour... until Thursday, January 12, at the hour of 11 a.m. Representative Parke. Representative Parke."

Parke: "Thank you, Mr. Speaker. Beside Consumer Protection, are there any other committees that have been canceled today?"

Speaker Hannig: "Representative Parke, the Transportation Committee has been canceled and the State Government Administration Committee has been canceled as well."

Parke: "All right. Thank you very much."

Speaker Hannig: "Okay. So, Representative Currie renews her Motion that, allowing perfunctory time for the Clerk... Okay. So, again, Representative Currie moves that, allowing perfunctory time for the Clerk, that the House stand adjourned until Thursday, January 12, at the hour of 11 a.m. All in favor say 'aye'; opposed 'nay'.
