Black: "Can you stop the Roll Call?"

Speaker Mautino: "It's still open on here. Be right back with you."

Black: "Well, thank you very much, Mr. Speaker. It's a little hard to talk on a Resolution when the board's lit up like a green Christmas tree, but I just wanted to ask the Sponsor a few questions about this Resolution. If you want to know how to create jobs get on the State of Indiana Web site. It'll tell you. We don't need a task force. Many of us have been suggesting for 10 years how you can create jobs in this state. Reform workers' comp. Reform unemployment insurance. Get our costs in line with other states. But we don't ever do that and the Resolution has no force of law, but there's no mystery to it. All you have to do is to get on the Indiana Web site, or any other state that's attracting jobs, while we are hemorrhaging jobs, but no, we don't want to do that. We want to have a Resolution that sounds good. Nothing much will come of it, but that's the way it goes."

Speaker Mautino: "I appreciate your comments, Mr. Black, and the Chair apologizes. I did not see your light on at the
