Reverend Breeden is guest of Representative Halbbrook. Members and guests are asked to refrain from starting their laptops, turn off cell phones and rise for the invocation and Pledge of Allegiance. Reverend Breeden: "Would you pray with me? Heavenly Father, we are grateful today for the blessings we have and we're glad that You love us and care for us. We are thankful for the way You provide for us. You have blessed us greatly in our nation and our state and we ask that You would continue to do so. I ask, Lord, that You bless this group of people, these men and women who've been elected to serve and... and do their best. I pray that You give them wisdom, courage, the ability to do right, the ability to make good decisions. Father, I pray not just for them, but I pray for those they represent, the men and women across our state and their families. I think as Mother Day is coming the need for mothers to be good mothers and fathers to be good fathers. Would You bless our state, Lord Jesus, in every way? Would You bless this day? In Your name I pray, Amen."

And two of those officers who are with us today, and we have five total of the Kendall County Sheriff's Office: Joe Melchiori, Greg Shadle. And we also have, with the Oswego Police Department, Michael Torrance, Steven Lawrence, and Justin Pan. On this cold, frigid day, these officers risked life and limb to enter into a retention pond, as they arrived on scene and they found this 2-year-old kid lying down in this retention pond. These officers entered that frigid water, pulled that kid out, performed CPR, and gave this kid a fighting chance. I am honored that I've worked with all five of these guys. These guys have had my back and I fully support them. And I ask the House Resolution 997 be entered into the record and I ask that all the Members be signed on as well. And to you guys up there, we salute you and be safe."
