Chapa LaVia: "Colleagues, I received a letter the other day from Dr. Torres and I want to read it to you. It's not that long, so bear with me. Thank you for your continuous support of the Illinois Mathematics and Science Academy. The message serves as an update of our financial challenges that threaten our continued operation which impacts our ability to serve our 650 students on campus and thousands of students and educators around Illinois. Can you please ask people to tone it down, Speaker?"

Speaker Lang: "Ladies and Gentlemen, could we keep it down, please. Thank you very much."

Chapa LaVia: "Thank you, Speaker. Thanks... thanks to the General Assembly's action through Senate Bill 2039, on December 2015 we are now able to utilize our academic-generated IMSA Income Fund which consists of limited revenues. With this encumbrance funding made available through the Income Fund, we are currently projected that our locally held funds will be fully committed in the near future, and the latest March of 2016. We have remained open thus far. The Comptroller continues to pay salaries, and we have been unable to support operations by accumulated unpaid invoices. As of January 28, 2016, IMSA owes 2,197,895 in unpaid invoices. Of these, 1,494,700 are 60 days over and which 1,223,600 are 90 days overdue, a figure we are now forced to track. These invoices include \$701,200 for food service and feed our students and 914,500 for facilities operations. The crux of the letter is that they are going out of business. They owe money on their bills and they're asking us to come up with a solution. These 650 children are not just residents of Aroura. you beauty for ashes, and he is definitely the proof of that and that's why he bears the name of that book, Isaiah. Happy birthday, little man."

where there is a Northwest suburbs, all throughout the State of Illinois, band together to look out for this little city. You know, Flint, Michigan, clearly is not in the State of Illinois, but I think it showed and reflected even some of the remarks made by a President that your problem is my problem. We have to band together, to work together to help each other. So, thank you. And great acknowledgment to all of the cities throughout the State of Illinois who... who thought about Flint, Michigan. Thank you."

Speaker Lang: "Mr. Franks is recognized."

Franks: "Thank you. Point of personal privilege."

Speaker Lang: "Go right ahead."

Franks: "I just want to thank President Obama for coming here yesterday. I tell you for me I was watching some of the faces of our... of my colleagues and it was uplifting to have a person come to our chamber who was one of our own to talk about a better politics and what we can achieve if we work together. I needed that shot in the arm, honestly. It was inspiring to me. I've been really depressed about what's been going on in our state. And I was meeting with some of my friends on the other side of the aisle yesterday having lunch, you know, we talked about how the Titanic when down and 15 hundred people perished. But here in Illinois we've hit an iceberg too. And our problem is we take down 13 million people unless we embrace the President's charge of a better politics, in working together, and to compromise. And compromise does not mean you're weak as we heard yesterday. There's much more that we agree on, than that we disagree on. So, I would hope that we're all reflective of the President's words yesterday.

And I would hope that we would be able to come together next week and begin serious discussions on our budget. I know the Governor will be giving his address next week on the budget and it'll be surreal, because he'll be giving a Budget Address at a time when we... for next year, when we don't even have a budget for this year. We need to reflect on that and understand what our responsibilities are. And I would respectfully request that instead of having Thursday off next week, that instead the Governor calls a Special Session to keep both... both the Senate and the House in continuously until we finish the budget. Our citizens deserve better than what we're giving. And I'd call upon the Governor to keep both the House in Session in until we get a budget done."

Speaker Lang: "Mr. Ford."

Ford: "Thank you, Mr. Speaker. Order of point of personal privilege."

Speaker Lang: "Please proceed."

Ford: "Two points. One, I would like the Body to recognize my 11-year-old daughter who's filing a Bill for me today. She's is doing a good job and she's learning as we work today. So, please welcome Tia Ford to the House of Representatives."

Speaker Lang: "Welcome. Thanks for being here."

Ford: "And the second order. I want to thank... of course Speaker Madigan, Cullerton, and of course the Chief of Staff, Tim Mapes, for doing such a fine job yesterday making sure that our President was safe and working with the Secret Service. It was an excellent time. My daughter enjoyed it and we all enjoyed it. I'm still very happy today. Thank you."

Speaker Lang: "Congratulation, Representative, to you and your family. Mr. Turner."

Turner: "Thank you, Mr. Speaker. Point of personal privilege."

Speaker Lang: "Please proceed. Members, please give your attention to Mr. Turner."

Turner: "Thank you, Mr. Speaker. A couple points. First of all I'd just like to thank all of the Body for the outpouring of support and love over the last week. I lost my grandmother, my father lost his mother, and I received... our family has received a ton of calls and prays and support. So, I'd just like to thank the Body for that. It's... you know, in the midst of all of the tough times and tension down here it was really nice to see that there's still a great deal of love for your colleagues and Members. So, I really appreciate that the support for my family and support for myself through all this. So, thank you very much, Members. My second point is, this is the month of February and the month of February is one that brings a lot of things to mind. From filling our hearts with love on Valentine's Day to honoring Abraham Lincoln and his accomplishments, many of which occurred walking distance from the place we are now so. Now, don't get me wrong these days are important to our culture, but I'd like to highlight a

99th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

102nd Legislative Day

2/11/2016

celebration of remembrance that happens this entire month, one we don't get off work for. I'm talking about Black History Month. We got to take a moment to recognize the celebration of soul that occurs all month long, because Black History is American History. Since the genesis of this nation, the inventions, spirit, and talent of African Americans have help lay the structure for where we are today. We have helped lay the brick and mortar for our buildings that stand strong. We tilled the land, planted the seeds, and collected the harvest for this fruitful nation. You literally can't look into history and not... in any of the fields and not see the fingerprints and footsteps of black ideas, black culture, black inventions, and black infrastructure. We literally made the hands on the clock tic. The American clock, of course, being invented by Benjamin Banneker, an African-American man. We drove here today on roads controlled by traffic lights. Lights invented by Garrett Morgan in 1923. Maybe we passed the many corn fields that grow fuel and food for an entire country. Those crops were planted with devices invented by Henry Blair, who's the first African-American man to receive a U.S. patent and credit for his work. Our journey here may have been stopped by one of those pesky trains in the City of Springfield. These trains move goods from one place to another. They make business happen and boost the economy. Their cars would not be able to move without the connectors invented by Andrew Beard or the valves for the steam engines invented by Frank J. Ferrell in the 1890s. Every day we wake up, whether we recognize it or not, we are immersed in black culture. The few inventors who I've mentioned to date don't

HOUSE OF REPRESENTATIVES

even begin to scratch the surface of the whole contribution of African-Americans. African American culture is very significant to this nation. We have added thriving businesses, sound infrastructure, human rights, and let's not forget the numerous artists and entertainers who have been emulated and copied, just because they simply got it right. Every day we wake up, whether we recognize it or not, we are immersed in black culture. And although we celebrate this culture on the shortest month of the year, nothing about Black History falls short of greatness. We celebrate because Black History is American History. Thank you very much."

Speaker Lang: "Thank you, Mr. Turner. I would ask the Members to remain standing. The Chair recognizes Mr. Harris."

Harris, D.: "Thank... thank you, Mr. Speaker. A point of personal privilege."

Speaker Lang: "Please proceed, Sir."

Harris, D.: "Thank you, Sir. Ladies and Gentlemen, before we adjourn permit me to put just a few mo... a few comments into the record about a very distinguished Illinois statesman who is being lay to rest today. Former Senate President Phil Rock, his funeral is today. And I, along with, I believe six other of my colleagues were fortunate enough to serve with Phil Rock. I guess that kind of demonstrates our age, but the Speaker, the Majority Leader, the Deputy Majority Leader, Representative Flowers, Representative Monique Davis, Representative Leitch, if I missed any one I apologize. But it was a real pleasure to serve with somebody like Phil Rock. He served as President of the Senate for 14 years, for 7 terms. And politics back then was just as tumultuous, just as

STATE OF ILLINOIS
99th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

2/11/2016

rancorous, it wasn't as bitter I don't think as it is now, but I have to tell you that the... the obituary in the *Tribune*, said so much in the first paragraph about Phil Rock. And it said, despite the fact that he had 7 terms as Senate President, he says, his tenure was marked by a strong but quiet civility and a knowledge of when to push partisanship and when to help broker compromise during times of divided political government... governance. And I have to tell you that having worked with Phil Rock, you could not find a better... a better friend, a better politician, a better statesman. He was a man of his word, he was a man of... of compassion, he was a man who understood what was important for the people of the State of Illinois. And one of the most, in my mind, one of the most amazing things about Phil is that, and not taking anything away from President Cullerton, unlike President Cullerton who has 39 votes in the Senate, Phil Rock ran the Senate with 30 votes, 30 votes, the bear minimum he needed to have a Majority and he got things done. And he got things done because he was a person who was willing to work both sides of the aisle, he was willing to work with the Governor, he was will to get things done because he knew it was important for the State of Illinois. That was amazing to me, 30 votes and he did it. He was a great guy. He will be missed. He was a true statesman, and on top of it all, all you had to do was tap him on the shoulder and he'd belt out a great ren... rendition of *Oh Danny Boy*. He will be missed. He was a great, great, politician. And God rest his soul. *Thank you.*"

least 10% of the total votes cast for that office in the member's Legislative District or Representative District, as applicable, in the general election in which the member was last elected. A petition shall have been signed by the petitioning electors not more than 150 days after an affidavit has been filed with the State Board of Elections providing notice of intent to circulate a petition to recall the Executive Branch officer or member of the General Assembly. The affidavit may be filed no sooner than 6 months after the beginning of the officer's or member's term of office.

(b) The form of the petition, circulation, and procedure for determining the validity and sufficiency of a petition shall be as provided by law. If the petition is valid and sufficient, the State Board of Elections shall certify the petition not more than 100 days after the date the petition was filed, and the question "Shall (name) be recalled from the office of (office)?" must be submitted to the electors at a special election called by the State Board of Elections, to occur not more than 100 days after certification of the petition. A recall petition certified by the State Board of Elections may not be withdrawn and another recall petition may not be initiated against the same officer or member during the remainder of his or her current term of office. The form of a successor election petition, circulation, and procedure for determining the validity and sufficiency of a petition shall be as provided by law. If the successor election petition is valid and sufficient, the State Board of Elections shall certify the petition not more than 100 days after the date the recall petition was filed. of this resolution a proposition to amend Section 7 of Article III of the Illinois Constitution as follows:

ARTICLE III

SUFFRAGE AND ELECTIONS

SECTION 7. RECALL

(a) Electors may petition for the recall of an executive branch officer as identified in Section 1 of Article V, a member of the General Assembly, or an individual holding a local elected office, including, but not limited to, mayors, village presidents, council members, school board members, community college officials, and county officials. If the recall petition is valid, on a separate ballot the question "Shall (officer) be recalled from the office of (office)" must be submitted to the electors, along with the names of any candidates certified for the successor election, at a special election called by the State Board of Elections or at a regularly scheduled election to occur not more than 100 days after the date of certification of the recall petition. The officer or member subject to recall may be a candidate in the successor election. Because the Governor and Lieutenant Governor are elected jointly under Section 4 of Article V, a petition to recall either must include both.

(b) An executive branch officer as identified in Section 1 of Article V, a member of the General Assembly, or an individual holding a local elected office, including, but not limited to, mayors, village presidents, council members, school board members, community college officials, and county officials, is immediately removed upon certification of the recall election results if a majority of the electors voting on the

question vote to recall the officer, member, or individual. In an election to recall the Governor and Lieutenant Governor, one vote shall be cast jointly for or against recall of both. If an officer, member, or individual is recalled, the candidate who receives the highest number of votes in the successor election is elected successor for the balance of the term. Once a recall election petition is certified, the petition may not be withdrawn and another recall petition may not be initiated against that officer or member during the remainder of his or her current term of office.

(c) Any elector of the State, the applicable Legislative or Representative District, or the applicable election unit may file an affidavit with the State Board of Elections providing notice of intent to circulate a petition to recall an officer, member, or individual no sooner than 6 months after the beginning of the current term of office of the officer, member, or individual. The affidavit must identify the name of the officer, member, or individual and the office to be recalled, the name and address of the proponents of the recall petition, and the date of filing with the State Board of Elections. A recall petition shall not be circulated prior to filing the affidavit, and a recall petition must be filed with the State Board of Elections no later than 160 days after filing the affidavit.

(d) A petition to recall an executive branch officer must include signatures of electors of the State equal to at least 12% of the total votes cast for the office in the election at which the officer was elected, with signatures equal to at least 1% of the vote for the office from at least 5 separate

counties. A petition to recall a member of the General Assembly must be signed by electors of the respective Legislative District or Representative District equal to at least 20% of the total votes cast for the office in the election at which the member was elected. A petition to recall an individual holding a local elected office, including, but not limited to, mayors, village presidents, council members, school board members, community college officials, and county officials, must be signed by electors of the applicable election unit equal to at least 20% of the total votes cast for the office in the election at which the member was elected. The form, circulation, and manner of filing a recall petition shall comply with the requirements provided by law for a statewide advisory public question, except for the deadlines set forth in this Section.

(e) A recall petition is valid unless an objection is made within 45 days after the date the petition is filed, and an objection to the recall petition may be made in the same manner as to a candidate for the office subject to recall. The State Board of Elections shall certify the recall petition not more than 105 days after the date the recall petition is filed. Any recall petition or election pending on the date of the next general election at which a candidate for the office subject to recall is elected is moot.

(f) If a recall election is initiated, the name of no successor candidate may appear on the ballot unless a nominating petition has been filed with the State Board of Elections no more than 40 days after filing of the recall petition. The nominating petition of an established party

candidate must contain the same number of signatures and be circulated in the same manner as an established party candidate for nomination to the office subject to recall, except the petition must be circulated no more than 40 days prior to the last day for filing nomination petitions. The nominating petition of an independent or new party candidate must contain the same number of signatures and be circulated in the same manner as an independent or new party candidate, respectively, for election to the office subject to recall, except the petition must be circulated no more than 40 days prior to the last day for filing nomination petitions. A nominating petition may be objected to in the same manner as a candidate for the office subject to recall, unless otherwise provided by law. The State Board of Elections shall certify a valid nominating petition not more than 105 days after the date the recall petition is filed.

- (g) An election to determine whether to recall an executive branch officer as identified in Section 1 of Article V, a member of the General Assembly, or an individual holding a local elected office, including, but not limited to, mayors, village presidents, council members, school board members, community college officials, and county officials, and to elect a successor shall be proclaimed by the State Board of Elections and held not less than 60 days and no more than 100 days after the date of certification of the recall petition.
- (h) The provisions of this Section are self-executing and judicially enforceable.
