RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at least 6 months after the adoption of this resolution a proposition to amend Section 7 of Article III of the Illinois Constitution as follows:

ARTICLE III

SUFFRAGE AND ELECTIONS

SECTION 7. INITIATIVE TO RECALL EXECUTIVE OFFICERS AND MEMBERS OF THE GENERAL ASSEMBLY

STATE OF ILLINOIS
99th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

105th Legislative Day

2/19/2016

(a) The recall of any Executive Branch officer named in Section 1 of Article V may be proposed by a petition signed by a number of electors equal in number to at least 10% of the total votes cast for Governor in the preceding gubernatorial election, with at least 100 signatures from each of at least 25 separate counties. In addition, the recall of any member of the General Assembly may be proposed by a petition signed by a number of electors equal in number to at least 10% of the total votes cast for that office in the member's Legislative District or Representative District, as applicable, in the general election in which the member was last elected. A petition shall have been signed by the petitioning electors not more than 150 days after an affidavit has been filed with the State Board of Elections providing notice of intent to circulate a petition to recall the Executive Branch officer or member of the General Assembly. The affidavit may be filed no sooner than 6 months after the beginning of the officer's or member's term of office. (b) The form of the petition, circulation, and procedure for determining the validity and sufficiency of a petition shall be as provided by law. If the petition is valid and sufficient, the State Board of Elections shall certify the petition not more than 100 days after the date the petition was filed, and the question "Shall (name) be recalled from the office of (office)?" must be submitted to the electors at a special election called by the State Board of Elections, to occur not more than 100 days after certification of the petition. A recall petition certified by the State Board of Elections may not be withdrawn and another recall petition

may not be initiated against the same officer or member during the remainder of his or her current term of office. In the case of an Executive Branch officer, any recall petition or recall election pending on the date of the next general election at which a candidate for that office is elected is moot. In the case of a member of the General Assembly, any recall petition or recall election pending on the date of the next general election at which a member is elected from that member's Legislative or Representative District is moot.

(c) If a petition to recall an Executive Branch officer or member of the General Assembly has been filed with the State Board of Elections, a person eligible to serve in the office with respect to which the recall petition has been filed may propose his or her candidacy by a petition signed by a number of electors equal in number to the requirement for petitions for an established party candidate for the office, signed by petitioning electors not more than 50 days after a recall petition has been filed with the State Board of Elections. The form of a successor election petition, circulation, and procedure for determining the validity and sufficiency of a petition shall be as provided by law. If the successor election petition is valid and sufficient, the State Board of Elections shall certify the petition not more than 100 days after the date the recall petition was filed. Names of candidates for nomination to serve as the candidate of an established political party must be submitted to the electors at a special primary election, if necessary, called by the State Board of Elections to be held at the same time as the special election on the question of recall established under

subsection (b). Names of candidates for the successor election must be submitted to the electors at a special successor election called by the State Board of Elections, to occur not more than 60 days after the date of the special primary election or on a date established by law.

(d) The Executive Branch officer or member of the General Assembly is immediately removed upon certification of the recall election results if a majority of the electors voting on the question vote in favor of recall. If the Governor is removed, then (i) an Acting Governor determined under subsection (a) of Section 6 of Article V shall serve until the Governor elected at the special successor election is qualified and (ii) the candidate who receives the highest number of votes in the special successor election is elected Governor for the balance of the term. If an Executive Branch officer other than the Governor is removed, then the Governor shall appoint a successor as provided in Section 7 of Article V to serve until a successor is elected at the special successor election and qualified. If a member of the General Assembly is removed, then a successor shall be appointed as provided in Section 2 of Article IV to serve until a successor is elected at the special successor election and qualified.
