2 Be it enacted by the People of the State of Illinois,

4 Section 5. The Illinois Pension Code is amended by
5 changing Sections 5-154 and 5-154.1 as follows:

6 (40 ILCS 5/5-154) (from Ch. 108 1/2, par. 5-154)

7 Sec. 5-154. Duty disability benefit; child's disability
8 benefit.

9 (a) An active policeman who becomes disabled on or after
10 the effective date as the result of injury incurred on or
11 after such date in the performance of an act of duty, has a
12 right to receive duty disability benefit during any period of
13 such disability for which he does not have a right to receive
14 salary, equal to 75% of his salary, as salary is defined in
15 this Article, at the time the disability is allowed; or in
16 the case of a policeman on duty disability who returns to
17 active employment at any time for a period of at least 2
18 years and is again disabled from the same cause or causes,
19 75% of his salary, as salary is defined in this Article, at
20 the time disability is allowed; provided, that if the
21 disability resulted from any physical defect or mental
22 disorder or any disease which existed at the time the injury
23 was sustained, or if the disability is less than 50% of total
24 disability for any service of a remunerative character, the
25 duty disability benefit shall be 50% of salary as defined in
26 this Article. However, beginning January 1, 1996, no duty
27 disability benefit that has been payable under this Section
28 for at least 10 years shall be less than 50% of the current
29 salary attached from time to time to the rank held by the
30 policeman at the time of removal from the police department
31 payroll. In the case of a person receiving a duty disability

1 benefit under this Section on the effective date of this
2 amendatory Act of the 92nd General Assembly, the increase in
3 benefit provided by this amendatory Act, if any, shall begin
4 to accrue on January 1, 2001, regardless of whether the that
5 removal from payroll occurred before the effective date of
6 this amendatory Act of the 92nd General Assembly 1995.

7 (b) The policeman shall also have a right to child's
8 disability benefit of \$100 \$30 per month for each unmarried

10 total amount of child's disability benefit shall not exceed
11 25% of his salary as defined in this Article. The increase
12 in child's disability benefit provided by this amendatory Act
13 of the 92nd General Assembly applies beginning January 1,
14 2000 to all such benefits payable on or after that date,
15 regardless of whether the disabled policeman is in active
16 service on or after the effective date of this amendatory
17 Act.

18 (c) Duty disability benefit shall be payable until the
19 policeman becomes age 63 or would have been retired by
20 operation of law, whichever is later, and child's disability
21 benefit shall be paid during any such period of disability
22 until the child attains age 18. Thereafter the policeman
23 shall receive the annuity provided in accordance with the
24 other provisions of this Article.

26 performance and discharge of his or her duties as a policeman
27 shall be considered injured in the performance of an act of
28 duty and shall be eligible for all benefits that the City
29 provides for police officers injured in the performance of an
30 act of duty. This subsection (d) is a restatement of
31 existing law and applies without regard to whether the
32 policeman is in service on or after the effective date of
33 Public Act 89-12 or this amendatory Act of 1996.

2 Sec. 5-154.1. Occupational disease disability benefit.

3 (a) The General Assembly finds that service in the
4 police department requires police officers in times of stress
5 and danger to perform unusual tasks; that police officers are
6 subject to exposure to extreme heat or extreme cold in
7 certain seasons while performing their duties; and that these
8 conditions exist and arise out of or in the course of
9 employment.

10 (b) Any police officer with at least 10 years of service
11 who suffers a heart attack or any other disabling heart
12 disease but is not entitled to a benefit under Section 5-154
13 is entitled to receive an occupational disease disability
14 benefit under this Section. The occupational disease
15 disability benefit shall be 65% of the salary attached to the
16 rank held by the police officer in the police service at the
17 time of his or her removal from the police department
18 payroll. However, no occupational disease disability benefit
19 that has been payable under this Section for at least 10
20 years shall be less than 50% of the current salary attached
21 from time to time to the rank held by the police officer at

25 disability benefit of \$100 ~~\$50~~ per month for each natural or
26 legally adopted unmarried child less than age 18 dependent
27 upon the police officer for support. The total child's
28 disability benefit shall not exceed 10% of the police
29 officer's salary at the time of removal from the police
30 department payroll. The increase in child's disability
31 benefit provided by this amendatory Act of the 92nd General
32 Assembly applies beginning January 1, 2000 to all such
33 benefits payable on or after that date, regardless of whether
34 the disabled policeman is in active service on or after the

1 effective date of this amendatory Act.

2 The occupational disease disability benefit is payable
3 during the period of disability until the police officer
4 attains age 63 or compulsory retirement age, whichever occurs
5 later; thereafter the police officer shall receive the
6 benefits provided under the other provisions of this Article.
7 If the police officer ceases to be disabled, the occupational
8 disease disability benefit shall cease.

9 The child's disability benefit is payable during the
10 period of disability until the child attains age 18 or
11 marries, whichever event occurs first, except that a benefit
12 payable on account of a child under this Section shall not be
13 reduced or terminated by reason of the child's attainment of
14 age 18 if he or she is then dependent by reason of a physical
15 or mental disability, but shall continue to be paid as long
16 as the child's dependency and disability continue.
